2. PUBLIC COMMENT

Tim Strachota-2023 Greenbud Road, Kronenwetter, WI 54455 – Strachota commented on agenda item 6O. Discussion: UWSP Park Proposal. He would like the UWSP proposal to be considered, saying it would improved quality of life in the Village and address the desire for more walking trails from 54% of the respondents of the 2023 parks survey.

3. APPROVAL OF MINUTES

C. September 4, 2024 CLIPP Committee Meeting Minutes

Motion by Kilsdonk/Myszka to approve the September 4, 2024 CLIPP Committee Meeting Minutes as presented. Motion carried by voice vote. 4:0.

4. REPORTS AND DISCUSSIONS

D. Fire Chief Report

Fire Chief Theresa O'Brien presented the call volume from September 2024. She said EMS calls are down overall. She also said KFD received the 2024-2025 DNR Grant. She said the KFD Open House event was very successful, raising nearly \$10,000.

E. Police Chief Report

Police Chief Terry McHugh presented a summary of KPD's recent activity. He said there have been numerous child and sexual abuse calls. They have been using Officer Mariah Guyer to do detective work on cases.

F. Public Works Director Report

Public Works Director Greg Ulman presented his recent and current projects and actions. He said he is working on revising the very outdated right-of-way fee schedule.

G. Community Development Director Report

Community Development Director Peter Wegner presented his current projects, including two nonmetallic mines.

H. Complaint Log

KRONENWETTER POLICE DEPARTMENT

Office of the Chief of Police Executive Summary for Dec 2024 CLIPP

TO: CLIPP COMMITTEE MEMBERS

DEPARTMENT ACTIVITY SUMMARY – In October, we handled 658 total calls for service. Some highlights included the following:

- A pair of shoplifting complaints at the Dollar General. We identified the suspect, and he was issued citations for each incident and was given a trespass warning. His accomplice was cited for receiving stolen property.
- An arrest for drugs after we assisted Probation and Parole on a home search. Officers arrested two subjects, one for an outstanding warrant, and another for possession of drug paraphernalia, possession of methamphetamine, and a probation hold.
- A child abuse investigation that we investigated along with Social Services. Reports were forwarded to the District Attorney for review of possible charges.
- An arrest for two outstanding warrants on a subject after officers responded to a suspicious activity complaint that originated at the Dollar General.
- An investigation for sexual assault of a child that is currently still under investigation (this is a different investigation than what is detailed in “Department personnel issues and status” below).
- Two arrests for domestic violence
 - An arrest for domestic battery, domestic disorderly conduct, bail jumping, and resisting arrest. We were fortunate to have full staffing that night (which hasn’t happened much this year) because we had three officers on duty and the subject was combative with officers. This is the same person who kicked our car and caused \$2000 worth of damage.
 - A second case where the offender was arrested for two counts of battery and disorderly conduct.
- Two OWI arrests, both first offenses. One was a result of a traffic stop and the other was a result of a hit and run crash.
- A citation for possession of THC after officers were called to a disturbance.
- A traffic stop that led to the arrest of the driver for possession of a prescription medication without a prescription and a probation hold.
- A domestic disturbance that was referred to the DA’s Office for review.
- A fraud case that is still under investigation as we write subpoenas for information related to the suspect.
- A sexual assault case primarily handled by Mountain Bay PD; however, a couple instances took place in our Village.
- The multi-jurisdictional sexual assault of a child case that’s detailed below.

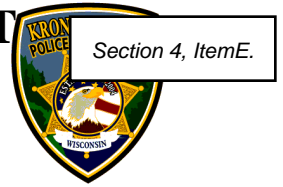

DEPARTMENT PERSONNEL ISSUES & STATUS – As you can see, October remained busy, particularly with that push at the end of the September and the first week of October. During a roughly three-week period, we had three sexual assault investigations and two child abuse investigations. Some of these cases are still being worked on and as noted, we had to assign some of these to patrol officers because one person can’t handle that number of cases in an efficient manner. In addition to those investigations, we had yet another sexual assault of a child at the end of October. This is a very significant and complex case that involves multiple jurisdictions working the investigation simultaneously.

At this time, the complete case is still being worked on by each agency; however, the offender has been arrested for sexual assault of a child and there will likely be several additional charges once the investigation is complete. On our end alone, we’ve completed three search warrants and other agencies have drafted their own search warrants. Again, these kinds of cases are extremely labor intensive, and this case had to be divided up with three

KRONENWETTER POLICE DEPARTMENT

Office of the Chief of Police Executive Summary for Dec 2024 CLIPP

officers working on it so far. Another thing to keep in mind with these kinds of cases is that Lt. Smart or I provide direction and oversight, which is in addition to the officers' time.

Clerk Dianne Drew has been out for a few weeks after a medical procedure and has several more weeks to go before she is back full-time, so everyone is pitching in to help in her absence. Fortunately, we have our new part-time Clerk, Lee Ann Spoon, which has helped tremendously!

We assisted on a couple of Presidential candidate visits in the last few weeks. In both instances, the candidate flew into CWA and then motorcaded to a different location. We assisted Mosinee PD with securing the airport and handling traffic posts around the airport.

Officer Guyer graduated from CIT (Crisis Intervention Training) school in October, which means we now have 100% of our patrol staff (Sgt's included) trained in this discipline. CIT is a nationwide program that trains officers in the best practices for dealing with people in crisis. The program connects law enforcement with community resources and stakeholders to create a collaborative partnership and approach. We deal with an increasing number of mental health calls and it's important for us to be prepared and have officers trained in this practice.

Lastly, Halloween went off very well and the road closure on Kowalski between Paniolo and Meadow was a success. Not only did we canvass that block for residents' support before making the decision to close it, we heard constant compliments and thanks from people at the event who thanked us for closing it. The light rental at Paniolo/Kowalski was critical with all the pedestrians. Kudos to VOK Clerk Sarah Fisher, who brought the idea up for a discussion between public works and police.

CURRENT GRANTS AND EQUIPMENT — Not much to report on this topic. Not much to report here. We have not had the time to get the old Charger stripped for auction yet.

Report Prepared by: Greg Ulman

- The fire department tower roof has been fixed for a third and hopefully final time, staff will keep an eye on it to ensure there are no leaks in the future.
- The updated ROW fee schedule has gone into effect, I will keep a spreadsheet of the exact fees the Village takes in from these permits.
- I have re-instated the Bugtussel/Michels fiber build ROW permit that I previously suspended due to damage of our Village streets. Michaels, Jensen Chip & Seal Coating, and the Village have a signed agreement as of 10/16/2024 for Michels to fix the damage in spring. With this signed agreement I re-instated the ROW permit.
- We moved the dog park fence at Friendship Park to keep the dogs out of the lowlying area which turned into a mud pit this summer with the excess rains we have experienced.
- Portable toilets have been removed from the parks for the season, and will return in spring.
- It was brought to my attention from the State of Wisconsin that last year in 2023 the Village was told to paint on the roads and put up signs stating "Railroad Crossing Ahead" on old 51 and Maple Ridge. This project fell through the cracks, and as of the week of October 27th, crews put up signs and painted the pavement to come into compliance.
- Sunny Ct. has been repaved, Village crews will plant grass in spring along the shoulder once the growing season begins again.
- The water tower received an exterior paint touch up at the end of October while the weather was still good.
- During the League of Wisconsin Municipalities Conference, from Oct. 23-25 in Madison, I sat in many seminars regarding grant funding (for roads, parks, and stormwater) for the next 2-year budget cycles and have a good starting point once 2025 begins.

AGENDA ITEM: Discussion and Possible Action: Speed Limit on Maple Ridge Rd.

OBJECTIVE(S): To ask CLIPP whether or not the committee would recommend changing the speed limit.

HISTORY/BACKGROUND: It has been brought to my attention from residents that live on Maple Ridge Rd. that they believe motorists are going too fast. Starting on November 1, 2024 the Village put a speed board to get exact speeds on that road.

PROPOSAL: Deny or approve a speed limit change, and to what speed.
