

PARKS COMMITTEE AGENDA

September 08, 2026 at 4:30 PM

Kronenwetter Municipal Center - 1582 Kronenwetter Drive Board Room (Lower Level)

All Agenda Items Listed Are for Discussion and Possible Action

1. CALL MEETING TO ORDER

- A. Pledge of Allegiance
- B. Roll Call

2. PUBLIC COMMENT

Please be advised per State Statute Section 19.84(2), information will be received from the public. It is the policy of this Village that Public Comment will take no longer than 15 minutes with a three-minute time period, per person, with time extension per the Chief Presiding Officer's discretion. Be further advised that there may be limited discussion on the information received, however, no action will be taken under public comments.

3. APPROVAL OF MINUTES

- C. August 17, 2026 Parks Committee Meeting Minutes

4. NEW BUSINESS

- D. Buska Park Fundraising Components (Bricks, Signage, Etc.)

5. OLD BUSINESS

- E. September 12, 2026 Buska Park 5K Run/Walk Fundraiser Event
- F. Capital Improvement Projects Costs
- G. Quick Fix Item List
- H. Friendship Park Zipline

6. CONSIDERATION OF ITEMS FOR FUTURE AGENDA

7. ADJOURNMENT

NOTE: Requests from persons with disabilities who need assistance to participate in this meeting or hearing should be made at least 24 hours in advance to the Village Clerk's office at (715) 693-4200 during business hours.

PARKS COMMITTEE MINUTES

August 17, 2026 at 4:00 PM

Kronenwetter Municipal Center - 1582 Kronenwetter Drive Board Room (Lower Level)

1. CALL MEETING TO ORDER

Trustee Myszka called the August 17, 2026 Parks Committee Meeting to order at 4 p.m.

A. Pledge of Allegiance

Those in attendance were invited to stand and recite the Pledge of Allegiance.

B. Roll Call

PRESENT: *Trustee Aaron Myszka, Trustee Dan Lesniak, Patty Tikalsky, Elizabeth Vedvik, Doris Brockman, Teresa Holewinski, Tim Strachota*

STAFF: *Public Works Director Greg Ulman, Clerk Jennifer Poyer, Community Development Director Nathan Sandwick (joined the meeting during the first 20 minutes)*

2. PUBLIC COMMENT

No public comments were made.

3. PREVIOUS MEETING MINUTES FROM COMMISSIONS AND COMMITTEES

C. August 3, 2026 Parks Committee Meeting Minutes

Motion by Lesniak/Tikalsky to approve the minutes as presented. Motion carried by voice vote 7:0.

4. OLD BUSINESS

D. Village Communications About Our Parks Within the Community

Committee members gave feedback regarding the website and made suggestions for publicizing the parks and recreational areas. The suggestions included videos of the walking trail and Wellhead trail, as well as a park photo contest.

E. Additional Ideas for Other Parkland and Related Village Property

No discussion ensued.

F. 2027-2036 Capital Improvements Program (CIP) Budget – 1st Draft as of 07/31/2026

Committee members and staff were given three notecards and instructed to write their top three park's improvement goals. The cards were then grouped together and reviewed. The top projects were discussed and a plan to place them on the CIP budget was created as follows: 2027- Buska Park renovation; 2028- Norm Plaza dog park; 2029 – Friendship Park sand removal; 2030-2032 – Towering Pines bathrooms/shelter/bandshell; 2033 Municipal Park disc golf course; 2034 – park branding/signs; and 2036 – Seville Park playground. Quick fixes in the parks were also discussed including pickleball court; new signs; volleyball net and sand; paper towel rods; safety issues fixed; remove dugouts; ADA porta-potties; bike rakes; handicap swings in all park; universal signage; and bike route signs.

G. September 12, 2026 Buska Park 5K Run/Walk Fundraiser Event

Trustee Myszka reviewed details of the September event. He answered questions from the committee members.

H. Creating a “Friends of the Kronenwetter Parks” Support Group

Committee members gave names of possible members of the park group. (Anna Myszka, Bill Udulutch, Andy Tikalsky, Alex Vedvik)

5. NEW BUSINESS

I. Future Fundraising Ideas for Parks Fund

Patty Tikalsky said she would like to have a fundraising concert in May 2027. She said she has \$2000 in donations. She answered questions from committee members.

6. CONSIDERATION OF ITEMS FOR FUTURE AGENDA

- *Pricing for CIP items*
- *Fundraising bricks, trees, equipment*
- *Reviewing capital plan*
- *Reviewing details for run event*

7. NEXT MEETING

- *4:30 p.m., September 8, 2026*

8. ADJOURNMENT

Motion by Tikalsky/Strachota to adjourn. Motion carried by voice vote. 7:0.

Meeting adjourned at 5:17 p.m.

תפוז

Gift Bricks® is #1 in donor recognition for engraved bricks, tiles, and other media. We can offer services that include marketing, manufacturing, and installations. Gift Bricks® uses only proven products from top quality manufacturers. Engraved products include: brick, marble, granite, slate, ceramic tiles, granite® and other media. Our engraving process allows for name, age, artwork, logos, and signatures. Gift Bricks® epoxy filled and laserblasted methods use the material from chipping, and are developed by our firm. The technique in the

Gift Bricks® epoxy filled and laserblasted methods of engraving adds clarity to lettering and protects the material from chipping, cracking or filling with debris. Our special process was developed by our firm and has proven to be very successful.

Gift Bricks® is unique in that it gives donors permanent recognition for their contributions.

Gift Bricks® History

Based in Southeastern, Wisconsin Creative brick and Concrete has been in business since 1979, and is one of the oldest and largest engraving firms.
Creative Brick/Gift Bricks® “knows brick and tile”.

In 1985 we developed a computerized method of engraving brick, tile and other media. We offer many typestyles and several colors of infill. In addition, we can engrave all types of media including concrete and clay pavers, tile, granite, slate, glass marble, etc.

Gift Bricks® is a wholly owned division of Creative Brick and Concrete which was formed to market and engrave bricks and other donor recognition items. Our exclusive epoxy fill engraving process is proprietary to Gift Bricks® and made us #1 in the industry. In 2004 Gift Bricks® announced our laserblasted services as an option for engraved donor recognition options. Our epoxy filled and laserblasted engraving include a lifetime warranty, is resistant to ultra violet rays from the sun, and has proven field experience in temperatures from -30° Fahrenheit to 120° Fahrenheit. We are the only firm to have 40 years field experience with engraving of brick and tile.

Gift Bricks® is number 1 in this type of engraving and donor recognition.
We have engraved over 1,000,000 pavers/tiles.

We are a woman owned business!

Creative Brick and Concrete / Gift Bricks® is a certified WBE/DBE by the State of Wisconsin

Engraving Types & Materials

	<u>Epoxy Fill</u>	<u>Laserblasted</u>	<u>Paint* Infill</u>
Clay Paver	YES	YES	YES
Concrete Paver	YES	NO	YES
Fireglazed Tile	YES	YES	YES
Porcelain Tile	YES	YES	YES
Granite	NO	NO	YES

All EPOXY FILL & LASERBLASTED products are covered by the
Gift Bricks® Lifetime Warranty
on the engraving when the materials are installed to manufacturer specifications for their intended use.

*Paint infill products carry our guarantee, however the paint or stain is not warranted. In time, some paint or stain may fade or disappear, depending upon environmental conditions such as: type of material, environment, indoor or outdoor application.

engrave@giftbricks.com

Epoxy Fill Bricks

In 1985, Gift Bricks® developed a computerized method of engraving brick, tile and other media. The most popular sand-blasted method of engraving engraves a 1/8" to 3/16" depth into the brick. The engraved cavity is then filled with our exclusive epoxy fill to the surface of the brick. This prevents dirt or debris from entering the cavity. It also prevents letters from chipping when people walk on them with stones on the bottom of their shoes or heels. Epoxy filled bricks keep the clarity of the engraving for years to come.

Our exclusive epoxy fill and engraving process is proprietary to Gift Bricks® and made us #1 in the industry. We are the only firm to have 40+ years of field experience with this. Our epoxy filled engraving is resistant to ultra violet rays from the sun, and has proven field experience in temperatures from -30° F to 120° F. We are so confident in this product that we even include a **Gift Bricks® Lifetime Warranty** on the engraving.

Brick Pricing

Size	Description	Black Paint Infill	Black Epoxy Fill
4" X 8"	3 lines / 14 characters per line	\$19.60 each	\$21.50 each
8" X 8"	6 lines / 14 characters per line	\$39.20 each	\$43.50 each
12" X 12"	9 lines / 21 characters per line	\$62.50 each	\$75.00 each
8" X 16"	6 lines / 28 characters per line	\$104.50 each	\$132.10 each
16" X 16"	12 lines / 28 characters per line	\$206.00 each	\$240.25 each
24" X 24"	21 lines / 42 characters per line	\$430.00 each	\$498.00 each

*All prices include brick and engraving
Logos can be added just an additional \$75 each min. price on request*

Epoxy Colors

Black epoxy is standard, but you can add other colors for a slight added charge.

The colors shown here are approximations of our epoxy colors. We strive to obtain consistency in colors, but variations can occur.

Paint Infilled Bricks

This engraving method is accomplished by sandblasting the letters or artwork, and painting the cavity with a paint-stain. This method of engraving looks great on memorial donor walls, granite, and other materials. We guarantee a crisp clean engraving with this method. Due to varying environmental conditions, paint stain is not covered by our warranty.

2920 - 99th Street, Unit 1
Sturtevant, WI 53177
800-537-5579
www.giftbricks.com
engrave@giftbricks.com

In 2004 Gift Bricks® introduced a new laserblasted method of engraving. Laserblasting is when the surface of the material is blasted with a laser. The laser forms the engraved letters & artwork into a beautifully engraved raven black.

You will find that all of our Laserblasted products are priced economically, are very durable and include a **Gift Bricks® Lifetime Warranty** on the engraving.

We offer a large variety of laserblasted brick products which includes: pavers, face bricks, and tiles. Whatever your project, Gift Bricks® professional staff has many years of experience to help you with your selections.

Laserblasted Brick Pricing

4" X 8" 3 lines / 20 characters per line \$20.50 each
8" X 8" 6 lines / 20 characters per line \$41.25 each
Logos can be added just an min. additional \$75 each (price on request)

8" x 8" red clay paver

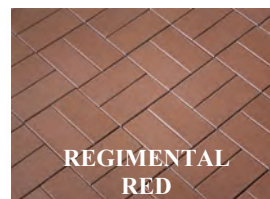

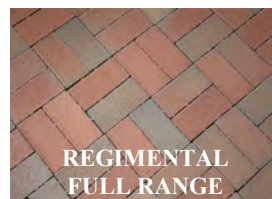

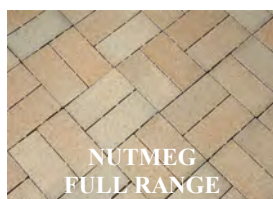

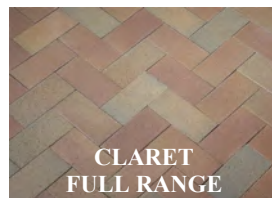

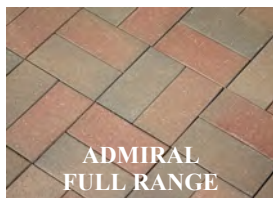

The laserblasting process of engraving allows us to engrave the finest details for logos & artwork with maximum clarity.

Simple Symbols

Some donor programs like to offer another incentive for their donors by providing a simple symbol on their brick. Up to two symbols are allowed per brick.

Please allow four character spaces for each symbol.

Below are some of our most popular symbols. If there is a symbol you would like that is not on this list please let us know. We will do our best to create one for you.

Engraved benches offer a great opportunity for increasing donor contributions. You can sell this bench for engraving your donor requests or have a group of donor names that gave beyond a designated amount. They will add money to the bottom line of your program at hand. With the bench being 4' wide it provides a lot of room for engraving.

Prices include granite bench and engraved text. Artwork and shipping charges are not included in the price. Installation is a breeze. This bench comes in four pieces and easy to put together.

\$1,500

Seat = 4-0 X 1-4 X 0-2

Back = 4-0 X 0-2 X 1-2

Legs = 1-6 X 0-2.5 X 2-6

Donor Brick Pavers with Brass Medallions

Gift Bricks® offers an engraved brick product which includes a brass medallion. These special medallion pavers include engraved text, along with a brass medallion securely inset into the brick. Our engraved brass medallions are custom made to your specifications.

Medallion engraved pavers are a great way to special programs honoring: veterans, an organization milestone, an anniversary, a Charity donor recognition event, or to commemorate service time.

Our brick engraved medallion products are only available to our donor recognition customers and cannot be obtained any other way.

Prices are available upon request.

FREE WEBSITE

Gift Bricks® launched our FREE online ordering website. It is a simple, easy to use and allows you to track and monitor your sales.

- Our websites are customizable
- Your donor will see a preview of their brick before paying for it
- It will not allow your donor to exceed the number of characters allowed per line
- They can pay with their PayPal account, a credit card, or print a receipt and mail you a check

This include a one page website that donors can order a brick, see a preview of their brick, and pay with a credit card or your donors can create the order then print and mail in payment. This is hooked up to a PayPal account your organization has. This way all monies run through your account. Gift Bricks® will provide a secure log in and password to the website so your organization can view the orders already placed, add, and change orders. When you are ready you can submit your order to Gift Bricks® in just one click of the mouse. Bricks® for more information and a website set up form.

Steps In A Gift Bricks® Fundraiser

2920 - 99th Street, Unit 1
Sturtevant, WI 53177
800-537-5579
www.giftbricks.com
engrave@giftbricks.com

Assess the possibilities for your project.

This means looking at the allotted space available for the bricks.

Choose your material.

This will include deciding what sizes/colors of brick you want to offer. Gift Bricks® can help you in selecting your bricks. After all we have been in business since 1979 - we know our bricks. You can either purchase your bricks from us or you can supply us with the bricks for engraving.

If you selected a paver choice that is not on one of our color charts please contact Gift Bricks®. If we are not familiar with that particular paver we will need a sample sent to us. Not all pavers are engraveable. Gift Bricks® pricing is based on average prices of brick, clay or concrete, as available from our local distributors in SE Wisconsin. If the brick you choose for your project is not available from our distributors and we are unable to find a close match that meets your approval, you will be charged an additional fee to get the material to our location. *Please call to confirm that the brick you've chosen is readily available from our local distributors.*

You are also welcome to supply the bricks to us for engraving. We can store your bricks here. They will be labeled for your program and inventory will be kept.

Work out your finances.

Determine your total costs for the project: engraved bricks, installation, freight, and any other costs such as printing and distributing order forms/brochures etc. This information, combined with the amount of money you want to raise and anticipated cooperation from prospective donors, will help you decide on a price to charge for each personalized brick. If you can find people that are willing to donate any of this to your fundraiser you can always buy them a brick as a thank you.

Make a plan for taking and verifying orders.

- Do you want to create and distribute paper order forms?
- Did you want to take advantage of the free online ordering website we have to offer
- What form(s) of payment you will accept
- Will accept mail/phone orders or point-of-purchase
- How you will acknowledge the customers' orders and verify their inscriptions
- How long you want to continue the fundraiser (many organizations decide to fundraise indefinitely)

Contact Gift Bricks® with the necessary information.

Please complete the Gift Bricks® Pre-Order form. This provides us with the necessary information for your fundraiser. You can find it on page 15 of this information packet, it is available on our website (<https://giftbricks.com/preorder.html>) or we can e-mail one to you.

If you plan to use our Gift Bricks® free online ordering website please complete the information form and return to us. We must have the Pre-Order Form before we set up a website.

Sample bricks to display while selling

Do you have sample bricks yet? These are a great selling tool and you choose the text on the bricks. Remember to stay within your character limits you are offering. Gift Bricks® will provide (2) 4" X 8" bricks and (1) 8" X 8" brick at no charge. Other sizes are subject to current pricing and shipping.

Steps In A Gift Bricks® Fundraiser

2920 - 99th Street, Unit 1
Sturtevant, WI 53177
800-537-5579
www.giftbricks.com
engrave@giftbricks.com

Take orders and submit the inscriptions to Gift Bricks®

Once you've taken your orders and verified the inscriptions, submit your order to us via e-mail (unless you are utilizing our FREE Gift Bricks® online ordering website), and we'll begin processing your order right away. Remember to send your 50% down payment with your order.

Please note: Usually we prefer it if you submit all orders to us at once, as late orders straggling in will delay production times.

Production of your bricks at Gift Bricks®

Our average lead time is approximately 30 days. This is from the time we receive your order to the time your order is completed and ready to ship. Keep in mind engraved bricks are not produced in a blink of an eye. Each brick is unique. Our special process involves several steps, including setting up each inscription, proofing, engraving, washing/drying, quality control, and packaging. We process each order in the order we receive it. Remember that each order takes a different length of time to produce depending on many factors. Consider this when planning your fundraiser's time frame.

Delivery of your bricks

Bricks can be shipped in boxes by UPS, on a pallet and delivered on a semi, or picked up at our facility. Shipments are based on the total weight of the order. We know this is a fundraiser so we check all options to make sure we are using the most economical option.

- **UPS Shipments:** If your order is under approximately 40 bricks your order will likely be shipped in boxes by UPS. Gift Bricks® will carefully package/s with a maximum weight limit of 50 pounds. We will ship these boxes to the address you provide. Note: shipping to a residence can cost more than shipping to a business address.
- **Truck Shipments:** If your order will ship on a pallet we will contact you before it leaves our facility. We will confirm the shipping address and get a contact name and phone number. We ask the trucking company to call 24 hours in advance to schedule delivery. You will need a way to offload the pallet(s), the truck driver does not off load. This may mean that you will need to borrow a forklift if you don't already have one. If you don't have a forklift available, don't underestimate "people power". It doesn't take long for a small group of people to unload a pallet of bricks. We keep the pallets at no more than 2,000 pounds to accommodate most forklifts.
- **Pick Up:** Please advise if you plan to pick up your order. We will contact you when it is completed.

Install your bricks – and enjoy!

Remember, you don't have to fill the entire spot designated with engraved bricks. You can always put in blanks and sell the space at a later time. Gift Bricks® is happy to provide you a quote for the blank bricks you need.

*Gift Bricks® engraved bricks should be installed in a sand set base, not in mortar. Do not use polymeric sand during installation. For more information on installation please contact us.

Important things to know before beginning your Gift Bricks® fundraiser

2920 - 99th Street, Unit 1
Sturtevant, WI 53177
800-537-5579
www.giftbricks.com
engrave@giftbricks.com

Gift Bricks® Employees Love to Talk on the Phone

We are always happy to answer any questions you may have. There are many decisions to be made and our experienced suggestions can help your fundraiser run smoothly. At Gift Bricks® we are proud to say that during regular business hours you will always reach a “real person”.

Send us the Pre-Order Form

Please complete the Gift Bricks® Pre-Order Form. This provides us with the information needed to get your account set up.

Lead Times are Estimates, not Guarantees

We will always do our absolute best to get your order to you in a timely fashion. But remember: any lead time you are told by *any* Gift Bricks® employee is an estimate. While we understand that you have deadlines to meet, we appreciate your cooperation in giving us as much time as possible to complete your order. This is especially important during our peak-time, approximately spring to mid-fall.

If you have a ceremony or deadline please let us know. Even if the timing falls into the lead time. We will keep an extra eye on your order to make sure it is to you in time.

Please Send Orders to Us in the Requested Format

(if you are not using our free online ordering website that is)

Orders not submitted in our format will require you to review and approve the proof returned back to you – time-consuming, unnecessary and a \$15 charge per order. It also adds time to your lead time.

Special Request Inscriptions

When you send in your order, be sure to include any special (or even not-so-special!) instructions that you think may be helpful in the processing of your order.

Brick Numbering Sequences are Separate (but equal)

Every size of brick you offer will have its own set of brick numbers (e.g. 4x8 #1-25, 12x12 #1-20, etc.). In addition, logo bricks will also be numbered separately from regular inscription bricks of the same size*. As you continue ordering with Gift Bricks® the brick numbers will continue. These brick numbers are written on the side of the brick (not seen when installed) and also referenced on your invoice.

You Can't Write the U.S. Constitution on a 4" x 8" Brick

It is important to stick to the character limits and line limits set for the brick sizes you are selling. These are determined by the physical limitations of the bricks. *Characters include spaces and punctuation marks.*

Big Bricks May Only Come in Red / Brown / Gray / Tan

All sizes 12" x 12" or larger only come in red, brown, gray or tan. This is because the larger sizes are only available to *us* in those colors.

Answers to Common Questions

2920 - 99th Street, Unit 1
Sturtevant, WI 53177
800-537-5579
www.giftbricks.com
engrave@giftbricks.com

Gift Bricks® has over 40 years experience with fundraising and is happy to help you throughout your project – starting now. We understand that this may be very new for you and that you may be unsure of some of the aspects of your fundraiser. The following suggestions are helpful answers to common questions. Again, if you have any questions, don't hesitate to contact us. We are here to help.

What is a “multi-tiered” method of donor recognition?

It is best to offer a minimum of two brick sizes (at different prices) for donor purchases. This way, those who wish to donate larger amounts, particularly companies, can easily do so, while those with less to spend can find something within their budget. It's just as easy to offer multiple options, and the effect on your fundraising success can be striking. The brick sizes we offer can easily install together.

Which typestyle is the most popular?

Unsure which typestyle is best for your project? Helvetica Light, with upper and lower case lettering, is by far our most popular typestyle. Over 75% of our customers use this typestyle.

Which bricks should we order?

Undecided about which paver to use for your project? Let us help. Enclosed with this information packet you will find some of our most popular colors. If you are trying to decide between 1-2 different colors give us a call and we will send a few blank samples for your review. Gift Bricks® pricing is based on average prices of brick/tile (as shown in this information packet) as available from our local distributors in SE Wisconsin. If the brick you choose for your project is not available from our local distributors and we are unable to find a close match that meets your approval, we will work with you to get the material to us. (There may be additional fees for this.) *Please call to confirm that the brick you've chosen is readily available from our local distributors.*

How long should we keep the fundraiser going?

You'll get the most fundraising dollars by keeping your project timeline open-ended. Obviously, this will mean that the fundraiser lasts longer, but more importantly, it means that potential donors have a chance to see the project-in-progress. By placing blank bricks in with the engraved bricks during your initial installation, the general appearance of the project will still be attractive and “finished”, while leaving room for – and encouraging – further purchases. No amount of marketing before installation is as convincing to a potential donor as seeing the beautiful project that they can be a part of!

Should our brick project be indoor or outdoor?

Both indoor and outdoor projects can be successful. We offer bricks that are meant to be installed in the ground or tiles that can be used in a wall display. Tiles are available in a rainbow of colors that look fantastic as an indoor wall display. Outdoor projects tend to be more “traditional” in style; however, their advantage is the possibility of being seen by more potential donors in a publicly visible location.

Which type of engraving do you recommend for the bricks?

Gift Bricks® offers three different types of engraving options to choose from. Our Black Epoxy Fill and our Laserblasted engraving options both come with a *Lifetime Warranty*. After reading about each of them and you are still unsure let us know. We can send you a sample brick that shows all three options on the same brick.

Fundraiser Checklist

*This checklist can be used to help organize your fundraiser.
It is for your convenience only and does not need to be returned to Gift Bricks®*

	REPORT TO PARKS COMMITTEE	
ITEM NAME: Buska Park 5K Run/Walk Fundraiser Event		
MEETING DATE: 8/3/26		
PRESENTING COMMITTEE: Parks Committee		
COMMITTEE CONTACT: Aaron Myszka		
STAFF CONTACT: Jennifer Poyer		
PREPARED BY: Aaron Myszka		

ISSUE: Buska Park 5K Run/Walk Fundraiser Event

OBJECTIVES: continue to work on the event and identify any areas of concern as well as ways to make the event more ssuccessful

ISSUE BACKGROUND/PREVIOUS ACTIONS: Relocation Pub and Eatery has agreed to donate 20% of all total sales to the Buska Park Project. Do we want Relocation to do Raffle baskets? Do we want them to do a 50/50? The Police Chief is going to recommend what intersections we should have volunteers at to keep everyone safe. Do any Park Commitee members want to volunteer or know of anyone interested in helping? I am currently working on getting donations for the shirts and it looks promising. One business already committed to donating 425 dollors and 4 cases of powerade. Is there any concerns with the event start time of 10am ?

PROPOSAL:

Project

Report to Parks Committee

Item Name: Capital Improvement Projects Costs

Meeting Date: September 8, 2026

Referring Body:

Committee Contact:

Staff Contact: Greg Ulman

Report Prepared by: Greg Ulman

AGENDA ITEM: Capital Improvement Projects Costs

OBJECTIVE(S): To give information to the committee and give recommendation to the Board for the Village CIP

- At the previous parks committee meeting we gave our recommendations for the CIP for the next 10-years. Here are the budgetary numbers (in 2026 dollars):
 - 2027 – Buska Park Playground \$200,000
 - 2028 – Norm Plaza Dog Park Fencing \$50,000
 - 2029 – Friendship Park Poured-In-Place Rubberized Surfacing \$80,000
 - 2032 – Towering Pines Park Bandstand and Bathrooms \$150,000
 - 2033 – Municipal Park Bathrooms \$100,000
 - 2036 – Seville Park Playground \$200,000

Report to Parks Committee

Item Name: Quick Fix Item List
Meeting Date: September 8, 2026
Referring Body:
Committee Contact:
Staff Contact: Greg Ulman
Report Prepared by: Greg Ulman

AGENDA ITEM: Quick Fix Item List

OBJECTIVE(S): To give an update to the Committee on quick fixes.

- In Progress
 - Volleyball net at Seville Park
 - New slide section at Norm Plaza
 - Inclusive swings at parks
 - Information and rental sheets at all parks - Update
- Future Fixes
 - New Park Signage
 - Bike Racks at Parks
 - Bike Route Signs
 - Pickleball Court Paint
 - ADA Porti-pottys – 2027 season
- Completed
 - Powerwash all park equipment
 - Clean shelters

Report to Parks Committee

Item Name: Friendship Park Zipline

Meeting Date: September 8, 2026

Referring Body:

Committee Contact:

Staff Contact: Greg Ulman

Report Prepared by: Greg Ulman

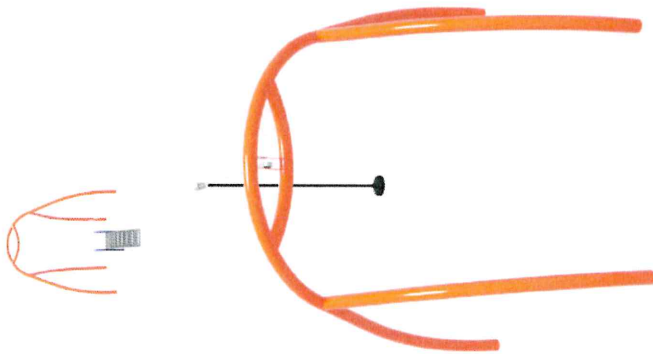

AGENDA ITEM: Friendship Park Zipline

OBJECTIVE(S): To discuss a zipline for Friendship Park.

Aaron Myszka approached me about installing a zipline at Friendship Park in the open grass area by the playground. The cost of the zipline would be roughly \$20,000. The money would be from the unused funds from the \$72,000 parks fund balance. Keep in mind the wellhead trail project off of Lea Rd. will cost roughly \$50,000, from the parks fund, which is not complete yet.

RECOMMENDATION: Discuss and possibly make a recommendation to the Village Board.
