11. Resolution 20-03-26 Community Beautification Improvement Fund (CBIF) Grant - \$15,000 - Mr. Earl K. Williams - 705 West Jasmine Drive

Commissioner O'Rourke asked if there was written criteria for approval of these grants. Community Development Director Nadia DiTommaso stated that the basic criteria has remained the same since the program was created in 1999. One of the criteria is that there would need to be some sort of code violation that has been identified. Another criteria is that they would have to meet the income requirements as set forth by Palm Beach County guidelines. They would also have to submit three written quotes that would identify the costs. She went on to say that, the applicant has qualified for 100% reimbursement due to their low-income bracket. Vice Mayor Hensley expressed concern with awarding beautification grants based on a code violation. He stated that these grants should be awarded based on beautification of the Town through upgrades to properties not necessarily based on code violations. Commissioner Linden stated that the applicant was in need of roof work that had nothing to do with code violations.

Motion to approve made by Commissioner O'Rourke, seconded by Vice Mayor Hensley.

Voting Aye: All.

Mr. Earl Williams introduced himself to the Commission and expressed his gratitude.

12. Resolution 21-03-26 - Cancel Regular Commission Meeting - April 1, 2026.

Town Manager Reade explained that the reason for the request was because the April 1st meeting would have conflicted with the first night of Passover. Commissioner O'Rourke stated he is not in favor of only having one meeting a month.

Motion to approve Resolution 21-03-26 made by Vice Mayor Hensley. Seconded by Commissioner O'Rourke.

Commissioner O'Rourke suggested moving the meeting to the following week. The Commission discussed that and decided against it.

Voting Aye: All.

13. Resolution 22-03-26 - Slant Front Load Dumpsters and Accessories (RFQ #107-2026) - Iron Container, LLC - \$15,675.

Commissioner Thomas stated for the record that she wants to make the public aware of where the Town is with sanitation vehicles and the cost of renting equipment and vehicles as opposed to purchasing. She also asked for clarification about the selection process for this equipment and why one vendor was chosen over another. Public Works Director Jaime Morales stated that this dumpster was already scheduled to be replaced and they had worked with this vendor previously.

Motion to approve Resolution 22-03-26 made by Commissioner Thomas. Seconded by Vice Mayor Hensley.

Voting Aye; All.

19. Emergency Equipment Rental – Front-End Loader Sanitation Collection Vehicle – Big Truck Rentals - \$11,500 (\$9,100 per month).

Commissioner Thomas asked what the purpose for renting this vehicle is. Public Works Director Morales stated that while a few sanitation vehicles are currently down or out for repair, this vehicle rental is to temporarily support the sanitation fleet during that time and that the rental vehicle is the only one that is operational at this time. Commissioner Thomas conveyed that the cost of the rental is high when compared to the purchase of a vehicle. Public Works Director explained that it is a part of a strategic vehicle-purchasing plan that also needs to be sustainable. Commissioner O'Rourke stated that it would take 42 months of rental payments to equal a purchase of a new vehicle and that it doesn't make sense to rent. Town Manager Reade assured the Commission that there is a plan being implemented to bolster the sanitation fleet. Commissioner Linden spoke about possible other solutions such as third party companies to provide the services.
