1. Centennial Celebration Committee Meeting Minutes - July 18, 2023

NEW BUSINESS:

2. Centennial Art & Music Festival Update

Special Events Director Franks explained the item. She explained that the Town has received a total of 13 applications and has responded to two more applicant inquires about the event. She will reach out to the Sunset Celebration vendors, because only two of those vendors have submitted applications. An internal staff meeting has been scheduled with the Palm Beach County Sheriff's Office to discuss the logistics for the event. She explained that she would schedule an internal meeting with Jesse Furman, Rust Market Organizer, to discuss the final logistics for the event. She has thought about offering the Rust Market vendors an opportunity to be on the street instead of the parking lot, since the Town does not have enough vendors signed up to warrant all three blocks on Park Avenue to be used. She has also thought that all the vendors could be on one side of the street to expand the vendor area further. Commissioner/Chair Linden asked if Mr. Furman had shared his vendor list. Special Events Director Franks explained that she received an email from Mr. Furman stating that he needed more vendor applications for the event. Commissioner/Chair Linden explained that he spoke with Artist of Palm Beach County President Mary Jane Zapp about the event. He stated that she had reintroduced the topic at one of their meetings and received feedback that several artist were interested in participating. He stated that he has provided the information to others for them to promote the event over the next two-weeks to see if there are any vendors interested in participating. Vice-Chair Harris Clark offered to reach out to the Events Coordinator in the City of Rivera Beach for possibly more vendors.

Special Events Director Franks explained the item. Commissioner/Chair Linden recommended direct mail to promote the event. Special Events Director Franks explained that they had done a direct mail previous, which contained a list of all of the Centennial events. She asked that they keep in mind the additional cost of translating a flyer and the direct mail. Committee Member Leduc suggested handing out flyers at the Sunset Celebration to promote the events. Special Events Director

Franks offered to have flyer ready by Friday that can be picked up. Vice-Chair Harris Clark asked if any other departments had mailers being sent that this flyer could be included. Commissioner/Chair Linden expressed his agreement of the suggestions to include sponsors in the book.

Vice-Chair Harris Clark asked what would be done with the center pieces once the event has ended. Special Events Director Franks stated that she would place a ticket under one chair per table, but if the Committee had another idea she was open to hearing it. She explained that she would like to have as much set up for the event earlier in the week. Vice-Chair Harris Clark suggested that the announcement of the center pieces be considered as part of the program. Special Events Director Franks stated that they could make that announcement prior to dancing.
