2. Service Provider Obligations. Service Provider shall:

2.1 Maintain complete and accurate records relating to the provision of the Services under this Agreement, including records of the time spent and materials used by Service Provider in providing the Services.

2.2 During the term of this Agreement, Service Provider shall, at its own expense, maintain and carry insurance with financially sound and reputable insurers, in full force and effect that includes, but is not limited to, commercial general liability in a sum no less than \$1,000,000. Upon Customer’s request, Service Provider shall provide Customer with a certificate of insurance from Service Provider’s insurer evidencing the insurance coverage specified in this Agreement and naming the Customer as an additional insured.

3. Customer Obligations. Customer shall:

3.1 Designate one of its employees or agents to serve as its primary contact with respect to this Agreement and to act as its authorized representative with respect to matters pertaining to this Agreement (the “**Customer Contract Manager**”), with such designation to remain in force unless and until a successor Customer Contract Manager is appointed.

3.2 Require that the Customer Contract Manager respond promptly to any reasonable requests from Service Provider for instructions, information, or approvals required by Service Provider to provide the Services.

3.3 Cooperate with Service Provider in its performance of the Services and provide access to Customer's premises, employees, contractors, and equipment as required to enable Service Provider to provide the Services.

3.5 Coordinate with Service Provider to provide Maintenance of Traffic Services ("MOT") in the form of a marked service vehicle, as requested by Service Provider or as required to enable Service Provider to safely provide requested Services.

4. Fees and Expenses.

4.1 In consideration of the provision of the Services by the Service Provider, the purchase of any Hardware (as defined below), and the rights granted to Customer under this Agreement, Customer shall select an option by checking the appropriate box below, and pay fees and costs in accordance with the selected option:

☐ **OPTION A: Project Fee (Only for Equipment Less Than 5 Years Old From Installation Date)**

(a) a fee of \$8,464.29; plus

(b) the cost of any new or used replacement parts, hardware, or equipment ("**Hardware**") installed by the Service Provider for the Customer at such price set out in the Service Provider's then current pricing schedule and as outlined in paragraphs 4.2 through 4.6; plus

(c) in the event Service Provider is unable to perform Services at Customer's work site due to Customer's breach of an obligation set forth in Section 3 hereof, including, without limitation, by reason of Customer's failure to provide MOT at the work site, or ensure electric power line is operational, or if Service Provider is unable to access the work site location or equipment, including due to password protection or access not granted to Service Provider, an additional fee of \$125 per hour for each hour devoted by an employee or agent of the Service Provider to provide Services on such service call, including travel time to and from such work site shall be charged to Customer.

☐ **OPTION B: Hourly Fee and/or For Equipment Older Than 5 Years Not Covered Under Option A**

(a) a fee of \$125 per hour for each hour devoted by an employee or agent of the Service Provider to provide Services hereunder, including travel time to and from the work site, time spent providing Services, including manufacturer or Service Provider warranty servicing; provided, a minimum of four (4) hours shall be charged per Service Provider employee and/or agent for each service call or visit to a Customer work site; plus

(b) a fee of \$85 per hour for each hour devoted by an employee or agent of the Service Provider to provide remote support services to the Customer under the SLA; plus

(c) the cost of any new or used replacement parts, hardware, or equipment (“**Hardware**”) installed by the Service Provider for the Customer at such price set out in the Service Provider’s then current pricing schedule, attached as Exhibit B, as may be amended from time to time, and as may be adjusted by the Market Pricing Adjustment (defined below).

Payment to Service Provider of such fees and the cost or reimbursement for the cost of Hardware pursuant to this Section 4 shall constitute payment in full for the performance of the Services, Hardware, and services under the SLA. Unless otherwise provided in the applicable Statement of Work, said fee and costs will be payable within 30 days of receipt by the Customer of an invoice from Service Provider but in no event more than 60 days after completion of the Services performed pursuant to the applicable Statement of Work.

4.2 Except with respect to any pre-approved purchases pursuant to Section 4.3 or as otherwise set forth in the Statement of Work, the installation of Hardware having a price per item more than \$500.00 shall be billed against Blanket PO referenced below in 4.3. Equipment with a per item price of less than \$500 is pre-approved under this service agreement.

4.3 Customer shall issue to Service Provider a blanket PO in the aggregate amount of \$10,000.00 (the “**Blanket PO**”) to be applied to the cost of any Hardware exceeding \$500 installed during the term of this Agreement. Equipment under \$500 is not deducted from Blanket PO total and will be invoiced post equipment repair. Equipment exceeding a per item cost in excess of \$500 is outlined in Exhibit B and subject to increases referenced below (4.4).

4.4 Customer hereby pre-approves the purchase and cost of all hardware installed under such Blanket PO. Any remaining amount on the Blanket PO as of the end of the term of this Agreement shall be canceled / credited back to agency. 4.5 The Parties acknowledge and agree that the manufactures' pricing for Hardware may fluctuate due to industry and market conditions after the date of this Agreement. Accordingly, the Service Provider reserves the right, in its discretion, to increase the Hardware prices set forth in the then applicable pricing schedule, attached as Exhibit B, as may be amended from time to time, by up to five percent (5%) per item without prior written notice to the Customer (the "**Market Pricing Adjustment**"). In addition, the Service Provider may, in its discretion, upon an increase in manufacturer Hardware prices, modify the Hardware pricing schedule and Exhibit B hereto upon five (5) days' prior written notice to the Customer.

4.6 Customer shall be responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental entity on any amounts payable by Customer hereunder; and to the extent Service Provider is required to pay any such sales, use, excise, or other taxes or other duties or charges, Customer shall reimburse Service Provider in connection with its payment of fees and expenses as set forth in this Section 4. Notwithstanding the previous sentence, in no event shall Customer pay or be responsible for any taxes imposed on, or with respect to, Service Provider's income, revenues, gross receipts, personnel, or real or personal property, or other assets. Customer shall provide a copy of its sales tax exemption certificate upon execution of this contract, if applicable.

4.7 Except for invoiced payments that the Customer has successfully disputed, all late payments shall bear interest at the lesser of (a) the rate of 5% per month and (b) the highest rate permissible under applicable law, calculated daily and compounded monthly. Customer shall also reimburse Service Provider for all reasonable costs incurred in collecting any late payments, including, without limitation, attorneys' fees.

5. Limited Warranty and Limitation of Liability.

5.1 Service Provider warrants that it shall perform the Services:

(a) In accordance with the terms and subject to the conditions set out in the respective Statement of Work and this Agreement.

(b) Using personnel of commercially reasonable skill, experience, and qualifications.

(c) In a timely, workmanlike, and professional manner in accordance with generally recognized industry standards for similar services.

5.2 Service Provider hereby warrants to Customer that new hardware installed by Service Provider during the term of this Agreement will be fit for its particular use for a period consistent with the new manufacturer's warranty (the "**Hardware Limited Warranty**"). Service Provider's SOLE OBLIGATION and Customer's SOLE REMEDY in the event of a defect covered by this Hardware Limited Warranty will be for Service Provider to replace the defective Hardware; provided, however, the

service cost of installation for such replacement Hardware shall constitute Services and subject to [the hourly fee set forth in Section 4.1(a)] **OR** [a fee of \$125 per hour for each hour devoted by an employee or agent of the Service Provider to install the replacement Hardware].

5.3 Service Provider's sole and exclusive liability and Customer's sole and exclusive remedy for breach of this warranty shall be as follows:

(a) Service Provider shall use reasonable commercial efforts to promptly cure any such breach; provided, that if Service Provider cannot cure such breach within a reasonable time (but no more than 30 days) after Customer's written notice of such breach, Customer may, at its option, terminate the Agreement by serving written notice of termination in accordance with Section 9.2.

(b) In the event the Agreement is terminated pursuant to Section 5.3(a) above, Service Provider shall within 30 days after the effective date of termination, refund to Customer any fees paid by the Customer as of the date of termination for the Services or Deliverables (as defined in Section 6 below), less a deduction equal to the fees for receipt or use of such Deliverables or Services up to and including the date of termination on a pro-rated basis.

(c) The foregoing remedy shall not be available unless Customer provides written notice of such breach within 30 days after delivery of such Services or Deliverables to Customer.

5.4 SERVICE PROVIDER MAKES NO WARRANTIES EXCEPT FOR THAT PROVIDED IN SECTION 5.1 OR SECTION 5.2 ABOVE. ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, ARE EXPRESSLY DISCLAIMED.

6. Intellectual Property. All intellectual property rights, including copyrights, patents, patent disclosures, and inventions (whether patentable or not), trademarks, service marks, trade secrets, know-how, and other confidential information, trade dress, trade names, logos, corporate names, and domain names, together with all of the goodwill associated therewith, derivative works, and all other rights (collectively, "**Intellectual Property Rights**") in and to all documents, work product, and other materials that are delivered to Customer under this Agreement or prepared by or on behalf of the Service Provider in the course of performing the Services, including any items identified as such in the Statement of Work (collectively, the "**Deliverables**") shall be owned by Service Provider. Service Provider hereby grants Customer a license to use all Intellectual Property Rights in the Deliverables free of additional charge and on a non-exclusive, worldwide, non-transferable, non-sublicensable, fully paid-up, royalty-free, and perpetual basis to the extent necessary to enable Customer to make reasonable use of the Deliverables and the Services.

7. Audit Right and Retention of Records. Customer shall have the right to audit the books, records, and accounts of Service Provider and its subcontractors that are related to the Services. Service Provider and its subcontractors shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Services. All books, records, and accounts of Service Provider and its subcontractors shall be kept in written form, or in a form capable of conversion into written form

within a reasonable time, and upon request to do so, Service Provider or its subcontractor, as applicable, shall make same available at no cost to Customer in written form.

Service Provider and its subcontractors shall preserve and make available, at reasonable times for examination and audit by Customer, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by Customer to be applicable to Service Provider's and its subcontractors' records, Service Provider and its subcontractors shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by Service Provider or its subcontractors. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for Customer's disallowance and recovery of any payment upon such entry.

Service Provider shall, by written contract, require its subcontractors to agree to the requirements and obligations of this Section.

8. Public Entity Crime Act.

Service Provider represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, as may be amended from time to time, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to Customer, may not submit a bid on a contract with Customer for the construction or repair of a public building or public work, may not submit bids on purchases of real property to Customer, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with Customer, and may not transact any business with Customer in excess of the threshold amount provided in Section 287.017, Florida Statutes, as may be amended from time to time, for category two purchases for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid by Customer pursuant to this Agreement and may result in debarment from Customer's competitive procurement activities.

In addition to the foregoing, Service Provider further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act

9.4 The rights and obligations of the Parties set forth in this Section 8.4 and in Section 6, and any right or obligation of the Parties in this Agreement which, by its nature, should survive termination or expiration of this Agreement, will survive any such termination or expiration of this Agreement, and with respect to Confidential Information that constitutes a trade secret under applicable law, the rights and obligations set forth in Section 7 hereof will survive such termination or expiration of this Agreement until, if ever, such Confidential Information loses its trade secret protection other than due to an act or omission of the Receiving Party or the Receiving Party's Group.

23. Force Majeure. No Party shall be liable or responsible to the other Party, or be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations of the Customer to make payments to Service Provider hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("Impacted Party") reasonable control, including, without limitation, the following force majeure events ("Force Majeure Event(s)": (a) acts of God; (b) flood, fire, earthquake, hurricane or tropical storm, epidemic, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; (f) national or regional emergency; and (g) strikes, labor stoppages or slowdowns, or other industrial disturbances.
