RE: SUBMITTAL OF VILLAGE MANAGER’S PROPOSED FY 2024-25 BUDGET

Dear Honorable President Narsh and Lake Orion Village Council:

I am pleased to present to you the Village Manager’s Proposed FY 2024-25 Budget in accordance with Section 8.2 of the Lake Orion village charter and the Michigan Uniform Budgeting and Accounting Act, Public Act 2 of 1968 as amended. This budget represents administration’s best estimates of the projected year-end FY 2023-24 activity as well as a complete financial plan for the ensuing fiscal year. In accordance with the village charter, the proposed budget presents (1) detailed estimates of all proposed expenditures together with current year actual year-to-date, projected year-end, and prior year actual expenditures; (2) statements of bonded and other indebtedness; (3) detailed estimates of all anticipated income from sources other than taxes or borrowings; (4) statements of estimated fund balances; and (5) estimates of monies to be raised from taxes and bond issues.

Village Council will hold budget work sessions on April 10, 11, and 15, 2024, to review and modify the proposed budget as necessary. Department directors will present their proposed budgets and provide additional detail at those work sessions.

EXECUTIVE SUMMARY

Below for the information of council and citizens are the budget highlights providing explanation for major deviations between the proposed budget and current budget:

General Fund Revenue. The total taxable value of the village increased from \$175,590,800 in 2023 to \$185,241,170 in 2024 based on preliminary assessment figures. After DDA capture, the village’s portion of taxable value for 2024 is \$132,982,770. Headlee and Proposal “A” continue to hamper municipal funding. While inflation during the previous year was 5.1% according to the Michigan Department of Treasury, Proposal “A” capped taxable value increases at the maximum five percent (5%). Total General Fund revenues for FY 2024-25 are estimated to be \$2,317,775, a decrease of 0.84% from the current year’s estimated total revenue. The proposed budget assumes no Headlee rollback, which means that maximum allowable millage rates for each tax levy will remain the same as the current year. The budget assumes that the current millage levy of 9.7844 mils will continue for the

next fiscal year. Total revenues will decrease by about \$20,000 due mainly to the \$88,000 Community Development Block Grant (CDBG) Meek's Park Pedestrian Bridge Project reimbursement received in FY 2023-24 and anticipated reduction in general fee receipts. A 5% increase is proposed in charges to the DDA and Water and Sewer Fund for financial administration and other services.

General Fund Expenditures. The following changes to the General Fund budget are noteworthy:

- **General Assumptions** – Wages are proposed to increase by 5% for all union and non-union employees. Health insurance benefit costs are expected to increase by 10%. Dental, optical, and life insurance/disability benefit costs are expected to increase by 5%. Contractual services costs are expected, in many instances, to increase by 5%. Many other expenses are projected to increase by 4%, even though the inflation rate for 2024 is 5.1%. Employee education and training budgets have been increased in many instances to accommodate annual comprehensive general and specialized training. Staffing will remain at current levels for the upcoming year.
- **Village Council** – The budget for education and training and mileage have been increased to provide \$300 per council member to promote council attendance at MML conferences and training.
- **Village Manager** – The budget reflects a salary increase of 5% for the Village Manager, an increase in the retirement contribution, and an increase in the health insurance opt-out payment. Appropriations are included for the Village Manager's education, training, and professional memberships in accordance with the manager's employment contract. The budget also includes a \$1,000 appropriation for the replacement of the conference phone in the Village Manager's office.
- **Village Clerk** – The budget reflects the personnel costs for the new Deputy Clerk/Treasurer position and includes appropriations for the recodification of ordinances. The budget also increases appropriations for employee training.
- **Information Technology** – The budget reflects the costs associated with the web site maintenance and hosting, agenda management system, IT services, and office software maintenance.
- **Finance/Treasury** – The budget reflects the personnel costs for the Clerk/Treasurer, and part-time positions of Deputy Finance Director/Treasurer, and Payroll/Account Clerk. The budget also includes appropriations for financial software maintenance and other contractual services and for employee training.
- **Community Development** – The budget provides an allocation for the implementation of the Program Year 2023 sidewalk handicap replacement project within the CDBG-eligible area in the amount of \$9,000. The Village will be reimbursed through the grant program for these costs.
- **General Activities** – The budget reflects appropriations for the personnel costs for the full-time Office Coordinator and part-time Utility Billing Clerk positions, retirement costs, waste collection contract, municipal street lighting, village hall repair and maintenance, and other general operations costs. Monies have been appropriated in the amount of \$60,000 for village hall steeple and council chamber ceiling repairs and the replacement of council chambers and conference room chairs and phone.
- **Planning and Zoning** – Monies have been appropriated for the recording secretary personnel costs, planning and zoning consulting services, and training for planning commission and zoning board of appeals members.

- **Parks and Recreation** – The budget reflects the costs for lifeguard and park attendant personnel costs at Green’s Park, miscellaneous engineering services, utilities at Green’s, Children’s, Meeks, and Atwater parks, facilities repair and maintenance, and capital outlay appropriation of \$5,000 for Parks and Recreation Advisory Committee improvement projects. The Public Works Director is concerned about the Village’s ability to recruit adequate lifeguard staffing for Green’s Park Beach this year, and it may be necessary to eliminate lifeguard staffing and install “SWIM AT OWN RISK” signage.
- **Contractual Services – Legal/Accounting/Engineering** – The legal budget has been reduced considerably due to council’s recent adoption of a policy placing legal services under the supervision and management of the Village Manager. The budget also includes an appropriation for general engineering services.
- **Transfers Out** – The budget includes appropriations to supplement the Public Works and Police budgets. Council must consider levying the full police millages to close the gap in funding relating to capital outlay and operating costs and to prevent the depletion of the Police Fund reserves.

Cemetery Trust Fund. This fund receives its revenue from cemetery lot sales and interest earnings. The June 30, 2023, fund balance for Cemetery Perpetual Care is \$367,198. Revenues total \$18,000, and the village expends approximately \$83,000 for cemetery operations and maintenance. In addition, this year, the budget includes an appropriation of \$40,000 for two (2) lawn mowers. The village is authorized by state law to levy up to one (1) mil in property taxes for cemetery operation, maintenance, and capital improvements and equipment, and the council should give serious consideration to levying the millage. If levied, the millage would generate approximately \$133,000 annually (after DDA capture) for cemetery purposes based on the preliminary FY 2024 property assessment figures. Without this additional revenue, the Village risks depleting fund reserves to cover operating and capital projects and negatively impacting the ability to fund other capital needs through the General Fund.

Major and Local Streets Funds. Major and Local Streets receive Act 51 gas and weight tax revenue sharing as their main source of funding. Major Streets and Local Streets continue to see relatively flat revenues, and Local Streets operates with annual budget shortfalls requiring transfers from the Major Street Fund. While the Major Streets Fund operates at a small surplus each year, neither fund produces any substantial funds to be able to complete street repair or replacement projects. The village council must consider special assessments or road millages, or both, as funding methods to improve streets.

Police Fund. The Police Fund operates with two millages and contributions from the General Fund. The budget assumes that the police operating and Headlee override millages will remain unchanged for the upcoming fiscal year at 2.6748 mils and 0.2126 mils respectively. The maximum allowable millage rates for police are 2.6748 mils for police operating and 1.3018 mils for the voted Headlee override. Neither millages have expiration dates. The FY 2024-25 budget includes appropriations for the replacement of a police vehicle and purchase of weapons for police officers. Without an increase in the police millages or elimination of planned capital purchases, the Police Fund reserves will be reduced by \$99,914 from \$317,518 to \$217,604 (from 28.6% to 19.6% of budgeted expenditures).

Public Works Fund. Revenues remain relatively flat for this fund. Administration has been working to increase the Public Works Fund reserves and will need to continue to monitor the fund closely to ensure that it does not run a deficit at year end. The Fund provides appropriations for cemetery maintenance and operations, public works general operations, and Phase II storm water management to comply with NPDES MS4 permit requirements.

Downtown Development Authority Fund and DDA Property Acquisition Fund. DDA staff have not yet entered budget projections or departmental budget requests for the ensuing fiscal year into the BS&A system due to the very recent transition to the new administration and the need to become accustomed to the system. However, staff prepared a spreadsheet budget, which is attached for Council consideration. The Village and DDA have been operating under a services agreement between the entities that appears to have never been formally executed, and the agreement does not provide adjustments in service costs from one year to the next. Administration will be negotiating a new service agreement with the DDA this year. Also, beginning in 2023, under resolutions adopted by the DDA board and Village Council, the DDA will begin setting aside 75% of all tax revenue increases in excess of the 2022 base year to help fund necessary public improvements within the DDA district as determined by the village council. A new fund will be created prior to June 30, 2024, to account for these monies, and DDA will need to transfer a 2023-24 amount of \$67,507 in June in accordance with the resolutions. The FY 2024-25 estimated transfer based on the 2023 total millages captured will be \$101,344.

Capital Projects Fund. Capital improvements and purchases are currently budgeted in the relative funds and are not currently programmed in the Capital Projects Fund. Capital expenditures included in this year's budget include:

- Village Hall steeple and council chambers ceiling repairs (General Fund)
- Replacement of council chambers and conference room chairs (General Fund)
- Replacement of Village Manager and conference room conference phones (General Fund)
- Public Works lawn mowers (2) (Cemetery Trust Fund)
- Police vehicle and weapons (Police Fund)
- Sanitary sewer pump stations improvements – phase I (Water & Sewer Fund)

Water and Sewer Fund. The Water and Sewer Fund derives most of its operating and capital improvement revenue from user fees and charges through water and sewer rates and capital charges. Beginning in FY 2023-24, Council and administration began reviewing and updating water and sewer rates annually utilizing a rates model provided by Michigan Rural Water Association to ensure that rate increases keep pace with inflation and necessary capital investments. Also, the village, through the Oakland County Water Resources Commission, will be undertaking a \$10.1 million sanitary sewer pump stations improvement project beginning with phase I in 2024 and will issue bonds for the project. The village received a \$1.75 million grant through the 2024 Congressional Community Projects Program for phase I. Administration has submitted another grant application for 80% funding for phases II and III in March 2024. In addition, the water system east of M-24 is in need of significant upgrades totaling about \$7 million within the next few years, and this project is also not reflected in the village's current water rate schedule. Council will be receiving a presentation shortly on the recently completed water and sewer rates study and will discuss necessary rate adjustments during water and sewer rate discussions in April, May, and June.

CONCLUSION

I would like to take this opportunity to express my deep gratitude to Village staff for their diligent efforts in assisting with the preparation of this proposed budget. Staff has not been involved in most of the budget preparation process during the past several years, and I appreciate so much their willingness and commitment to engage in, and work on, their departmental budgets. I wish to express additional appreciation to Clerk/Treasurer Stout and Deputy Finance Director/Treasurer Hedrick for their outstanding support and assistance, as their insight and efforts have been invaluable to this process.

I look forward to the upcoming budget work sessions and our discussion on the proposed budget. I also look forward to our continued discussions and work on the water and sewer rate schedules, the village's comprehensive fee schedule, the Capital Improvement Plan, and the certification of the necessary tax millage rates during May and June.

Sincerely,

VILLAGE OF LAKE ORION, MICHIGAN
