Comments:

Nadine Cherry: 410 W Garden St:

Stated she is glad the tax rate is down, has not had time to truly review packet.

Tommy Garver: 1200 Wood Field:

Concerned with property taxes, reference inflation and 5% increase with decrease in rental properties available makes it the worst time to increase property taxes. Stated that with COVID money received should consider using funds from that to offset. Landlords will only have to pass along increases to the tenants who are already financially strained.

Mayor Smith addressed the property increase being a county initiative and reiterated the fact that with increases from county we still managed to cut tax rate from .53 down to .49.
