5.1 Citizens' Comments

- Nadine Cherry - 410 W Garden Street

"I would like to start by saying I appreciate the Mayor and Board for going to the new Conference Room when the Executive Session was held during last week's Workshop, which allowed me to stay in the Board Room. I can and will give you a thumbs up for doing that. We the town are/is so far behind doing things that should have been done many, many years ago, such as ADA compliancy. There are many, many things I will speak about during upcoming meetings. It's just going to take some time to get these things written down. And I will acknowledge this, the beeping that your hearing is the big battery going off, so, if it's irritating anybody, let me know and I will cut it off."

- David Roberts 506 N Central Ave

Mr. Roberts talked about how he and his wife are part of the Leadership Team of the South Rowan Public School Bible Teacher Association. The Association raises funds to reimburse Rowan Salisbury Schools for the salaries and fringe benefits paid by them to our 2 full time Bible teachers Bertha Flores and Emily Griggs who teach Bible History at JC Carson High School, South Rowan High School, Corriher Lipe Middle School, and China Grove Middle School. The Association has been encouraged to offer classes at Southeast Middle school, a long-range goal of our Association. We are currently with Rowan/Salisbury Schools to hire our 3rd Full time teacher that will allow us to provide classes at Southeast High School. The Association offers 3 major fundraiser events per year in our community. The first is LD Gray Memorial Spring Bible Banquet or Drive through BBQ chicken dinner at First Reformed Church in Landis on May 9,2024. The second is the 3rd Annual Run for the 5k Run for the Word Race on September 14,2024 at Trinity Lutheran Church in Landis. The third is the Annual Fall Bible Golf Tournament to be held at Irish Creek Golf Course on October 28,2024. Please allow me to express our sincere thanks to the Town of Landis Board of Aldermen, Mayor, Town Manager, Fire, and Public Works personnel for their leadership in support and with working with our team in planning and executing a safe 5k race for the past 2 years.

6.3 Consider Update on South Upright Street Lift Station

Town Manager Michael Ambrose updated the Board on the S Upright Street Lift Station. The town has had two issues with this lift station in the past month, and proper notifications were sent to the Salisbury Post. The issues were in reference to the inflow of rainwater getting into the lift station causing it to overflow into the creek. The Town currently has an outstanding grant project which is expected to begin this summer. Part of this project is designed to replace the old clay pipes which are currently feeding the Upright Lift Station. This replacement should reduce the amount of rainwater that is entering the station. The Engineer on the project has assured staff this issue will diminish once the project is complete.
