**Ord No. 1128 - An Ordinance Granting a Change of Zoning**

A motion to amend Lansing's zoning map was included on the March 20, 2025, agenda. After a vote was conducted, staff learned of an error in the voting procedure. The error related to the vote and counting of said vote by the Mayor. The Mayor was precluded from voting and tabulating his erroneous vote in the total count resulted in the motion's failure. Attorney General Opinion 92-41 determined that a Mayor does not vote in the Council-Manager form of government on valid protest petitions. The amendment to the zoning map had a valid protest petition, which required a supermajority 6-2 vote for approval. But for the procedural error, the motion would have passed. This motion is not to review the merits or to accept new information or evidence of the previous rezone application, but rather, to retabulate the vote from the March 20, 2025, meeting in accordance with Attorney General Opinion 92-41.

**Councilmember Gardner motion to correct the error of including the Mayor's vote on March 20, 2025, to Amend Lansing's Zoning Map and to retabulate the original vote from the governing body per Attorney General Opinion 92-41; resulting in a 6-2 supermajority vote thereby approving Ordinance No. 1128. Councilmember Garvey seconded the motion.**

**Charter Ordinance No. 1-2025, Reinvestment Housing Incentive District**

This Charter Ordinance is needed to ensure the City can utilize home rule powers to address local housing needs more flexibly. By exempting the City from the provisions of K.S.A. 12-5250, the ordinance allows Lansing to establish a Reinvestment Housing Incentive District (RHID) with terms better suited to the City's specific housing goals. In an upcoming proposal, this ordinance would allow the City to allocate 20% of the new taxes generated to all taxing entities (City, School Board, and County), instead of capturing all 100% of the taxes.

**Councilmember Gardner made a motion to approve and adopt Charter Ordinance 1-2025 - Exempting the City of Lansing, KS, from the provisions of K.S.A. 12-5250 and providing substitute and additional provisions on the same subject relating to Reinvestment Housing Incentive Districts.
