**Equipment Replacement Request**

The Parks Department is requesting a replacement for a 2014 1-ton diesel dump truck. The diesel dump truck, which is part of the fleet used for snow removal, has consistent maintenance issues primarily due to the emission system. The current truck will be auctioned off and is estimated to offset the cost of the new truck by approximately \$30,000.

**Councilmember Kirby made a motion to authorize the purchase of a 1-ton gasoline dump truck for an amount no greater than \$90,000 from the Equipment Reserve Fund. Councilmember Clemons seconded the motion.**

- Finance Director Beth Sanford and Councilmember Clemons discussed how the auction proceeds would affect the total requested.

**Roll Call Vote: Aye: Councilmembers Kirby, Garvey, Robinson, Clemons, Brungardt, Studnicka, and Gardner; Nay: none; Abstain: none; Absent: Councilmember Kowalewski; The motion was approved.**

**Purchase of Spartan S180, Model 4106**

Over the last few weeks, incoming staff has reviewed specifications of what is needed to equip the incoming Lansing Fire Department. A pumper truck will be needed to ensure adequate fire suppression and emergency services in the future for Lansing and Delaware. Based on the City's needs, while also considering the lead time and proximity of future maintenance, the City has selected the Spartan S180, Model 4106. Warranty maintenance on this model can take place nearby in Grain Valley, Missouri. The total proposal lists \$851,501 to be paid upon delivery. However, the City could receive a discount of \$21,874 if we prepay, lowering the cost to \$829,627.

**Councilmember Kirby made a motion to approve the purchase of a Spartan S180, Model 4106 for an amount not to exceed \$829,627 to be paid up front. Councilmember Clemons seconded the motion.**
