1. **Call to Order** by Mayor Kantor at 6:00 pm

Present: Kantor, Garrett, Jennings, Sousanis, Hammond

Also Present: City Administrator Greene, City Attorney Baker, DDA Director Colson, and City Clerk Emanuel

2. **Discussion Items**

A. **Master Plan Update**

Councilmembers, CA Greene, City Attorney Baker, and DDA Director Colson discussed:

- Responses from Giffels Webster to the City Council's previous questions
- Should Council be involved (more touch points) before the Fall in the Master Plan?
- Council providing comments for the Planning Commission Master Plan meetings and/or a joint meeting, and the timing of a joint meeting
- The framing of comparisons in their responses
- It feels like we are leaning away from a Boulevard, and if we want it back in the discussion
- Considering the cost of a road study, for something that might not happen, with the City's financial situation impacted, which is why Council did not approve the road study
- Letting Giffels Webster know what our vote was on the Road Study
- Parking study and parking issues if Southfield Road became a Boulevard
- If residents are interested in a Village Center Concept with a Blvd or not
- Increased Community engagement and input for the Master Plan, and the online surveys

B. **Council Rules of Order & Procedure - Video/Audio Recording**

Councilmembers, CA Greene, City Attorney Baker, and DDA Director Colson discussed:

- The goal of the rule was to get rid of disruption, but in the practice of it (implementing it), are we causing more disruption?
- The rule of using tripods – versus different wording, that would include - making sure nobody obstructs views, or is in someone's personal space
- There were numerous complaints from residents who came to the meetings and felt bullied, and/or threatened by cameras close to and/or pointed in their face, and the Council's duty to protect the residents, so that they do not feel harassed

- Residents are complaining because they did not want to be recorded and have their comments (video of them) used by someone who recorded them on different platforms
- Enforcing the rule that the camera must be set up before the meeting begins, and the wording related to this rule
- Trying to encourage more people to be involved, and that there has been a drop off due to people feeling intimidated and uncomfortable because of the video taping that was being done at prior meetings
- Using the recordings for click baiting
- The Public Body can implement reasonable regulations to limit disruptions
- Council can reconsider the rules
- What would happen if someone turned around to record? How would we respond/address it
- The City of Southfield requires anyone recording to be in the back of the room
- Presenting revisions to CA Greene to be considered at the next meeting
- Considering how we encourage more participation if revisions are made

C. City Administrator Evaluation

Councilmembers, CA Greene, City Attorney Baker, and DDA Director Colson discussed:

- Making it a fillable PDF
- A summary of what CA Greene has done this year – a self-evaluation – in each category – with a space for narrative
- Derived goals out of the feedback from last year – performance goals
- Council coming up with a template before the next Study Session

D. Regular Meeting Agenda Items N/A

3. Public Comments

Rick Wisz expressed in part that plans for a Boulevard would make Southfield Road less walkable, with the added lanes that would make it harder to cross. The buildings at the end of Southfield (East side of Southfield by 12 Mile Road) get packed at times, if there is less parking than what would normally happen, and we don't know what is in there. He is also against getting rid of See, Click, Fix, which allows people to anonymously take photos of their concerns, and having to come to City Hall could deter complaints. Mr. Wisz mentioned the 360-degree evaluations process that includes feedback from bosses/ supervisors, co-workers, and outside departments.

Lauren Beras, Goldengate, expressed in part: that she wanted Councilmember Sousanis to review with other Councilmembers the problems that have happened in the past, they haven't happened since he came on Council, she was a victim of some of the harassment with a video device being turned around in her face and had asked over and over for the

person to stop and she complained about it and that a segment has been used of her on Facebook pages, and asked if someone's freedom to record is greater than her freedom to be here and feel safe with the change of the rules. Ms. Beras also mentioned that she knows some people who still won't come to meetings because of the past issues and wanted Councilmember Sousanis to take this under consideration.

Jonathan Tara, expressed in part: that he didn't know See, Click Fix was considered to be discontinued, and suggested looking into a similar platform that can fit our budget, he is a proponent for Boulevard and was disappointed that the City did not approve going forward with the Road Study, he does not support the Village Center and wonders if a house on Village Center can also be a business, how that would affect property values?

Robert Beras, expressed in part: that he appreciates the decorum of the Council, yet he expressed to Councilmember Sousanis, that it was Councilmember Sousanis's wife that has repeatedly harassed and broken the Council rules for recording and pointed the recording device in the direction of people including him, and even out of a sense of decency and when she was asked not to do it, she still broke the rules, and he is not sure she will adhere to the rules if they are amended.

Laurie Kunz, expressed in part: about how long Council took discussing videotaping, because it would not be a discussion if Council had not stopped recording the Study Sessions, that are now recorded, but not live, which means they can be edited, the City residents have a right to know what is going on in the meetings and they want to have a voice and have it recorded. Ms. Kunz mentioned harassment by the Beras's and MPT Garrett, and she wants MPT Garrett to prove the harassment she is saying.

Council Comments

Mayor Kantor expressed in part:

- Condemned the anti-Semitic act last week at Temple Israel and thanked Chief Zang and the other Officers for responding
- Master Plan surveys are online, and we need people to respond. They are easy and take less than five minutes to complete, and we value resident input. The topics of Housing and Economic Development, and Transportation surveys are available
- We annually submit Appropriation Requests to the State and Federal Government. We put in requests at the State level for \$2 million for raising and rebuilding of the DPW Building on 12 Mile, and with the Federal Government for a water main project on Lathrup Blvd., and a complete rebuild of Sarrackwood Park, and are hoping we get these grants
- We will look into making it easier to find our Facebook and Facebook feed

Councilmember Hammond expressed in part:

- Publicly stated his condemnation of the attack on Temple Israel and thanked Chief Zang and the other Police Officers for responding
- Attended Shabbat Services on Friday night, the power went out, and the Rabbi remarked that it is a sign to remember that even in darkness, you can find light in your community.
- His personal belief is to always look for the light. There is a reason you are here on Earth, and you can personally be that light

Councilmember Sousanis expressed in part:

- There have been moments of conflict in the past, and valid points of view regarding them, yet he wishes we can figure out ways to move past it, and find ways to have good Governance and participation without those problems lingering, and not hold onto them with the exclusion of finding solutions, and he will keep in mind comments made at the previous meeting, and wants us to move forward as a Community

Councilmember Jennings expressed in part:

- The idea of canceling See, Click, Fix came from residents suggesting it
- The best way to sign up for the new Newsletter is still being worked on, but anyone who was already signed up has been transferred to the new system

Councilmembers, City Administrator Greene, and Attorney Baker discussed:

- No PA 33 or with PA 33 budget options
- 1 mill PA 33, and lowering the Road millage, Residents would not see a difference in their taxes, one would offset the other
- Contribution to the retiree health funding, would we fall behind the State-mandated threshold?
- Not backfilling a full-time open position in the Police Department
- Background on the Patrol Cars and other Police Cars, and if they are needed this year
- Pay freeze for Administrative staff
- COLA (Cost of Living Adjustment) freeze seems punitive to City staff
- BS&A cost and when we will have to go to the BS&A Cloud platform, being about \$80,000 more (1 time approx. \$80,000 then approx. \$40,000 every year)
- Telephone expenditure has gone down, due to the new Phone system
- Consulting Plan costs are going down, and DDA Director Colson is doing the work now, and can be adjusted throughout the year based on planning usage. Typically offset with revenue

- Public Services – Lathrup Services amount, including the adjustment/increase
- No projects planned for Streets next year except crack sealing

- School being closed brings in less Water revenue
- Ready Serve Usage and stand-alone \$10.70, portion of the Bond will still be on the Bill

- Work list is submitted every month
- They went from 4 to 3 employees recently, they still have to get the same amount of work done, and we don't pay them overtime
- Standard work list, and we have a work order system submitted to them through Martha
- They do Right of Way maintenance and cleaning for City-owned properties

3. Public Comments

Christina Schindler, Chairwoman of the Parks and Recreation Committee, expressed in part: thanks to City Clerk Emanuel for cleaning up storage areas for them, and expressed appreciation for City Administrator Greene for being thorough, supportive, and quick to respond to Parks and Recreation Committee requests. Ms. Schindler also expressed disappointment that only one Councilmember, Mayor Kantor, attended the Bunny Day, representing the Council.

Jonathan Tara expressed in part: thanks to Martha Bobcean for the improved responsiveness of See, Click, Fix, and to Chief Zang and his quick responsiveness to him. Mr. Tara mentioned finding multiple empty Amazon boxes around the City and by the parking lot of Chase Bank, and thought the Police Department should look into these boxes in case they were taken off of porches, and that See, Click, Fix would be great as an ombudsman.

Lauren Fink, Southfield Neighbors Action Committee, a group of residents in Southfield and Lathrup Village, expressed in part: concern about a lease at Town Square used for lawyers for ICE, and that the group has tried to find out more about the lease and asked City Council if they could help or support finding out more information about the lease.

Laurie Kunz, expressed in part: that Study Session recordings should not have stopped in the first place, there have been several discussions about the recordings, she also commented on someone that made comments a few weeks ago that she feels is a false narrative, and commented on a situation involving Councilmembers downstairs after the last meeting, and that she comes to the meetings to be heard and not to be made fun of.

Kelly Keveney, DXL Clothing Store Regional Sales Manager, expressed in part: past communications, concerns, and questions regarding our window and sign ordinances and the impact on their business, as well as the construction on Southfield and 696, have caused them to have a loss in business, and asked for clarification on the sign and window ordinances in relation to their store. Ms. Keveney also thanked the Lathrup Village Police Department for their great work.

Rick Wisz expressed in part: pushing the Road Commission to repair damage to Right of Way, they left holes where the crosswalks are, people have tripped, and could get injured.

Lauren Beras expressed in part: Police and their Vehicles, part-time and full-time Police are important to us, and hopes cuts will not be made to the Police Department, and that rules for videotaping were changed due to bad behavior.

Timothy Hillman, San Quentin, expressed in part: that he is a proponent of recording the meetings, he enjoyed the good creative discussion tonight about PA 33, suggested looking at how Frankenmuth has used their PA 33 and now have more usable cash retained by the City and less by the DDA, Mr. Hillman, mentioned attending three events and that he put on one: No Kings protest, Parks and Recreation Trivia night, and Breakfast with the Bunny, and that the events were a reprieve from rigmarole, and that City Administrator Greene wears many hats including the Food Safety Manager role.

4. Mayor and Council Comments

Mayor Kantor’s comments:

- To Lauren Beras, he agrees about not cutting the Police, but not filling 1 Officer, so there are cuts to the Police force
- To Rick Wisz, he agrees about the crosswalk and sent City Administrator Greene an email
- To Laurie Kunz, about the recordings, he has had 5 or 6 people reach out to him who won’t come to the Meetings/Study Sessions because of the intimidation factor, and he heard more similar comments when he went door to door
- To Kelly Keveny, we didn’t enforce the 10% before; signage is open for discussion in the Planning Commission meetings, trying to find a way to help businesses, especially during construction, and some changes to the signs, and he suggested adding an Open sign in the window
- To Jonathan Tara, the Amazon boxes could be from the apartment complex West of there, and the wind blew them
- To Lauren Fink, they are not in our jurisdiction, Attorney Baker said we can’t compel a landowner to come, but we can invite them. The lease is not subject to review from the Municipal government; we can’t compel them to come, we can make a request, host a Public forum, or send a letter asking them

Councilmember Sousanis’s comments:

- Asked about making a request or Proclamation regarding the Town Square lease, and Attorney Baker replied that we can proclaim for them to attend a meeting that Southfield is holding, looking for transparency on what the agreement is, and what they are setting up to do
- Usually do Breakfast with Bunny, missed it this year, intend to support
- We have done a couple of Proclamations at the end of the month. Can we look ahead to June and, in the May meeting, do a Proclamation for Juneteenth

Councilmember Hammond's comments:

- To find out what Southfield is doing first, and try to gauge what Lathrup Village residents think about the Town Square lease, and do something as a body, Council
- Have Juneteenth discussion at the April Meeting
- Had the intention to be at Breakfast with Bunny, thanks for bringing it up for us to support
- To Jonathan Tara, about See, Click, Fix as an Ombudsman, he asked City Administrator Greene if we can look into it, or make comments letting it be known that we have reached out to them
- For clarification that it is the Office of the Principal Legal Advisor for Immigration and Customs Enforcement
- To Kelly Keveny, the window ordinance of no more than 10% is due to the ability to see if there was a Fire, and since there is a wall, the Planning Commission needs to look into this. Attorney Baker referenced it being treated as a wall sign, something they can look into

Councilmember Jennings's comments:

- Seeing if it (Town Square lease) is on Southfield's Facebook, something representative of the Council
- He was out of town during the Breakfast with Bunny event, but hopefully you will come back when I attend an event and give us good kudos

- **Farmington DDA Field Trip Opportunity:** Board Members and staff have been invited to visit Downtown Farmington in May to meet with their DDA team and tour their downtown. Notably, Main Street Farmington was awarded the *2026 Great American Main Street Award*, one of only three communities from nationwide to receive this recognition. The award recognizes Farmington’s transformation from a car-oriented corridor into a vibrant, walkable downtown through strategic public-private investment, historic preservation, small business growth, and community-led placemaking. Staff recommends participation to gain insights and best practices that could inform ongoing DDA and Master Plan implementation efforts.
- **Recast Leaders Program:** DDA staff continue to make strides in the Recast Leaders program, a 10-month technical assistance initiative administered by *Recast City* in partnership with the *Michigan Municipal League*.
 - Refining program goals and outcomes, with a focus on strengthening the commercial corridor, supporting maker spaces, and expanding opportunities for small businesses. The target area and key stakeholder groups have also been further defined.
 - Identifying corridor challenges, evaluating barriers for small and underserved businesses, and refining strategies to support equitable growth, activate vacant storefronts, and strengthen the local entrepreneurial ecosystem.
- **New Progress – Connectors & Outreach:** Staff have begun implementing the “Connectors” strategy, identifying local leaders, business owners, and community influencers who can help facilitate introductions and strengthen engagement with the small-scale production and maker space ecosystem. Outreach efforts are underway to initiate conversations with 5–10 key connectors, with a focus on building relationships, gathering insights, and identifying additional stakeholders. These conversations are guided by the Recast Connectors Toolkit, which emphasizes listening, trust-building, and community-informed strategies .

RE: Cancellation of Southfield Library Contract

Background Brief: With the Headlee Override Proposal failing in November 2025, the City Council is aware of the budget constraints the City is facing in the coming years. One action item that has been completed is authorizing a Library Services Millage Proposal to be placed on the November 2026 ballot. There is no guarantee regarding the millage results, meaning the City needs to consider the long-term implications.

As the Council is aware, the Southfield Library Board has not been willing to renegotiate our current contract, specifically adding a six (6) month cancellation clause versus the current cancellation language of one (1) year, effective the following July 1. Based on the current contract language, IF the Library Services millage were to fail, and no action was taken before July 1, 2026, the earliest we could get out of the contract would be July 1, 2028. This would leave the City needing to find a funding mechanism for Library Services for Fiscal Year 2027-2028 (approximately \$190,000), with no additional revenue source.

It is recommended that the City Council approve the cancellation of the current Southfield Library Contract, so the City can meet the 1-year cancellation requirement, and then, pending the results of the November election, the City can enter into new negotiations with the Southfield Library to obtain an updated contract, or continue exploring other libraries (e.g., Berkley) for services.

Previous Action: January 26, 2026 – Approved Library Services Millage Proposal Language

Economic Impact: N/A

Recommendation: It is my recommendation to cancel the current library contract.

Recommended Motion:

Moved by _____ seconded by _____ to approve the cancellation of the Library Contract between the City of Lathrup Village and the City of Southfield.

RE: DDA Cost Share Agreement

Background Brief: The enclosed Downtown Development Authority (DDA) and City Cost Share Agreement outlines the working relationship, service responsibilities, and cost-sharing structure between the City of Lathrup Village and the DDA for the five years from July 1, 2026, through June 30, 2031.

This agreement formalizes the collaborative efforts between the City and the DDA in supporting economic development, downtown maintenance, infrastructure coordination, and community programming within the DDA district. RE: 27700 Southfield Road – PILOT Share Agreement

Background Brief: Enclosed for your consideration is a proposed Annual PILOT Capture Sharing Agreement between the City of Lathrup Village and the Lathrup Village Downtown Development Authority (DDA) for the property located at 27700 Southfield Road. This Agreement is made possible via the City’s PILOT Ordinance and the approved LVDDA Cost Share Agreement.

The property has been approved for a Payment in Lieu of Taxes (PILOT) under the City’s Workforce Housing PILOT Ordinance (Ordinance No. 2025-01). Under this program, qualifying workforce housing developments pay an Annual Service Charge in lieu of traditional ad valorem property taxes in accordance with the State Housing Development Authority Act.

Because the property is located within the Downtown Development Authority district, a portion of the PILOT payment may be captured by the DDA consistent with the DDA’s Tax Increment Financing plan unless otherwise agreed upon by the City and the DDA.

The proposed agreement establishes a mutually agreed-upon distribution of the Annual Service Charge, allocating 50 percent to the City of Lathrup Village and 50 percent to the Lathrup Village Downtown Development Authority. This arrangement allows both entities to benefit from the project while ensuring resources remain available for municipal services, downtown infrastructure improvements, and economic development activities within the DDA district.

The agreement will remain in effect for the duration of the PILOT exemption applicable to the property, including any approved extensions.

Previous Action: N/A

Economic Impact: Below is an estimate of what the revenue split could look like once the project is completed and units are being rented.

Table with 3 columns: Category, Today – Tax Bill, PROPOSED – Via PILOT. Rows include Other Tax Authorities Receive, DDA Receives, and City Receives.

If a PILOT share agreement is not approved, and the project continues to move forward, the City is not entitled to any annual service charges.

Recommendation: It is my recommendation to approve the proposed agreement.

Recommended Motion:

Moved by _____ seconded by _____ to approve the annual PILOT capture sharing agreement for 27700 Southfield Road between the City of Lathrup Village & Lathrup Village Downtown Development Authority (LVDDA), contingent upon LVDDA Board approval.

RE: Lathrup Services – Master Agreement

Background Brief: The City’s Department of Public Services (DPS) provider, Lathrup Services LLC, has not had an adjustment to its Master Agreement since 2023, when it received a 3% fee increase. Due to inflationary pressures since 2020 (the latest full agreement on file), Lathrup Services does not believe it can provide the City with adequate services under the current fee schedule, specifically as it is unable to attract qualified talent to fill open positions (ex: CDL Drivers). Enclosed in your packet is a letter from Lathrup Services outlining its request.

If the yearly rate from 2020 were adjusted for inflation, the cost would be \$504,326 (~26% increase). Lathrup Services is requesting a 10% increase over their current fees. A breakdown of that potential budget impact is noted in the chart below, and as discussed during the April 6 Study Session, the proposed rates work within the confines of the projected FY 26-27 budget.

If this service were to come back “in-house,” the City would be looking at the need to hire 5-6 employees for an estimated cost (wages + benefits) of ~\$450,000 - \$550,000 plus expenses currently covered by Lathrup Services (ex: gasoline, equipment/vehicle maintenance, employee licensing/training).

Previous Action: April 6 – Study Session Discussion

Economic Impact:

Table with 6 columns: Fund, Current Monthly Amount, Current Annual Amount, Requested Monthly Amount, Requested Annual Amount, Percentage. Rows include General, Major, Local, Water, Sewer, and TOTAL.

Recommendation: It is my recommendation to approve the proposed agreement with the fees requested. If approved, the new fee structure would become effective on July 1, 2026.

Recommended Motion:

Moved by _____ seconded by _____ to approve the updated Master Services Agreement for the Operation of the Department of Public Services for the City of Lathrup Village via Lathrup Services LLC.

Subject: Request for Adjustment to Schedule of Fees

Dear Mayor & City Council:

On behalf of Lathrup Services LLC, I am writing to formally request an adjustment to the Schedule of Fees associated with the Master Services Agreement for the operation of the Department of Public Services for the City of Lathrup Village.

As noted in Section 2 of the Agreement, the Schedule of Fees may be amended from time to time upon the written agreement of both parties. Since the most recent agreement amendment in 2020, the costs associated with providing municipal public services have increased significantly. Over the past several years, Lathrup Services LLC has experienced substantial increases in labor costs, equipment maintenance, fuel, materials, insurance, and other operational expenses required to maintain the level of service expected by the City and its residents.

In particular, inflationary pressures since 2020 have significantly impacted the cost of fuel, vehicle and equipment maintenance, replacement parts, and employee wages necessary to remain competitive in the municipal services labor market. Insurance premiums and regulatory compliance costs have also increased during this period. While Lathrup Services LLC has worked diligently to absorb many of these increases and continues providing services efficiently, the cumulative impact of these rising costs has adjusted the fee schedule necessary to sustain operations at the current service level.

Despite these rising costs, the fee schedule has remained unchanged since 2023. In order to ensure the continued ability to provide reliable, high-quality public works services and to maintain adequate staffing, equipment, and operational capacity, Lathrup Services LLC respectfully requests to increase the Schedule of Fees total yearly sum from \$411,905.64 to \$453,096.20 (10% increase).

This adjustment reflects only a portion of the cumulative increases in operational costs since 2020 and is intended to help maintain the sustainability of the services provided under the Agreement. Lathrup Services LLC remains committed to delivering efficient and responsive public services to the City of Lathrup Village and its residents.

We respectfully request that the City review and consider this request and work with us to amend the Schedule of Fees accordingly. We would be happy to provide any additional information or documentation needed to assist in your review.

Thank you for your continued partnership and the opportunity to serve the City of Lathrup Village.

Sincerely,

Lathrup Services LLC

Randy Baldwin – Supervisor

12. *Subcontractors.* The City and Service Provider shall review a list of proposed subcontractors that the Service Provider may use in the normal course of its duties. The City shall review the use of all subcontractors, except for those that may be called for emergency services. All subcontractors shall invoice the Service Provider, who will then include that invoice with its monthly payment request.

13. *Reasonableness.* Service Provider acknowledges and agrees that Service Provider has weighed all the facts, conditions, and circumstances pertaining to this Agreement, has been afforded an opportunity to consult with counsel of its choice concerning this Agreement and its legal effect, and acknowledges that all of the provisions of this Agreement are reasonable. The performance of the party invoking Force Majeure with respect to any obligation will be excused and the time for performance extended, but only for the period of delay or inability to perform due to Force Majeure. If the total of any period of delay or inability to perform due to Force Majeure asserted by either party during the Term equals or exceeds 30 consecutive days, the other party will have the right, at its option, to either terminate this Agreement by written notice or to continue to excuse the first party's performance for the period of any delay or inability to perform due to Force Majeure. As used in this Agreement, "Force Majeure" shall mean any act of God, fire, casualty, flood, war, strike, lockout, labor trouble, or any other circumstances beyond the reasonable control of the party asserting it that prevent or delay the performance of any of its obligations under this Agreement.

20. *Cost of Enforcement.* Each party shall pay all costs and expenses, including reasonable attorney fees, incurred by the other party in enforcing the provisions of this Agreement or in recovering any claims or damages arising from a breach of this Agreement if the other party is successful in its action.

21. *Waiver.* The failure of either party to require the performance of any term or obligation of this Agreement, or the waiver by either party of any breach of this Agreement, shall not prevent any subsequent enforcement of any term or obligation or be deemed a waiver of any subsequent breach.

22. *Survival.* The provisions of Sections 5, 7, and 14 shall survive the termination of this Agreement or any relationship between the parties for the period outlined in that Section, and if not set forth, indefinitely.

23. *Severability.* If any provision of this Agreement is held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court of competent jurisdiction finds that any provision is invalid and unenforceable as written, that provision will be deemed modified in a manner consistent with the intent of the original provision, so as to make it valid and enforceable. This Agreement, and the application of the provision to persons or circumstances other than those with respect to which it would be invalid or unenforceable, shall not be affected.

24. *Entire Agreement.* This Agreement constitutes the entire agreement and understanding between the parties and supersedes all other agreements and understandings, both written and oral, of the parties relating to the subject matter of this Agreement.

25. *Counterparts; Facsimile.* This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute the same instrument. This Agreement may be executed and delivered by facsimile or electronic transmission, and a facsimile or electronic version of this Agreement or of a signature of a party will be effective as an original.

The parties have executed this Agreement as of the Effective Date.

EXHIBIT B
Performance Standards – Snow Fall Policy

In the event that snowfall accumulations are at three (3) inches, the Lathrup Village Police Department will call the DPS Staff member on call.

Priority One

All major arterial streets are salted and plowed. These include:

- Sunset Blvd (Roseland to Southfield Rd)

Priority Three

All paved Lathrup Village Streets are plowed but not salted.

This typically includes two heavy plow trucks and one pickup truck, which is primarily tasked with intersections and dead-end streets.

RE: Community Room Roof Electrical

Background Brief: In February, the City Council decided to move forward with a project to replace the membrane on the failing Community Room roof. Part of that project includes removing the current HVAC system and properly placing the units back on the roof once the new membrane is installed.

While conducting additional pre-construction work, the electrical components on the Community Room roof, including the conduit, have been found to be in worse condition than originally anticipated. This work falls beyond the expertise of Denny’s Heating & Cooling and will require a qualified electrical contractor to safely and properly reconnect the HVAC units once the roof project is completed.

Over the past couple of weeks, staff have been contacting commercial electricians to submit a quote for this quick turnaround. Those electricians who completed a site visit and provided feedback include:

- Lighthouse Electrical – \$13,244 (quote was adjusted to remove permit fees)
- Whitney Services – declined to quote as the scope is too much for them at this time
- J. Simon Electric – \$7,164
- Diversified Electric – \$7,580

Previous Action: 2-23-26 – Approved Butcher & Butcher/Dennys Heating & Cooling as Community Room Roof Contractors

Economic Impact: Previously approved an estimated project cost of \$88,938 (Butcher/Denny's) + \$5,500 for Detroit Roofing Inspection Services. Additional electrical work will add \$7,164 to 101-201-000-970. A budget amendment will be required for this project at the end of the fiscal year.

Recommendation: It is my recommendation to approve J. Simon & Sons as the electric contractor for this project.

Recommended Motion:

Moved by _____ seconded by _____ to approve J. Simon & Sons Community Room Roof electrical scope of work for an estimated cost of \$7,164.

STANDING RESOLUTION NO. 2026-06

COUNCIL RULES OF ORDER AND PROCEDURE

The Lathrup Village City Council meeting is dedicated to the premise that government has a responsibility to the residents of the City and to the media to conduct a well-organized and objective meeting and an obligation to keep them informed. Council meetings should be attractive, interesting, and understandable to all in attendance, with as much opportunity for audience participation as is possible. Accordingly, the following Rules of Order and Procedure are adopted:

1. Definitions

- A. "Breach of the peace" shall mean seriously disruptive conduct involving abusive, disorderly, dangerous, aggressive, or provocative speech and behaviors tending to threaten or incite violence. "Breach of the peace" goes well beyond behavior acceptable in a civil society and is the only basis to eject, exclude, or prevent a participant from attending all or part of a public body meeting.
- B. "Meetings" shall mean all regular meetings, study sessions, and all other public hearings of Lathrup Village "public bodies," as defined under the Open Meetings Act, MCL 15.261 et seq. (OMA), including the Lathrup Village City Council.
- C. "Participant" shall mean any person attending and/or addressing the public body at a meeting during public comment, but does not include elected public officials.
- D. "Public comment" shall mean the audience communication period(s) prescribed in this ordinance or approved by way of the agenda of a meeting that is intended for members of the public to address a Lathrup Village public body in compliance with the OMA. MCL 15.263(5).
- E. "Out of order," shall mean verbal and/or nonverbal conduct by a participant that disrupts the orderly administration of a meeting, including but not limited to the interruption of the efficient Order of Business, violation of state or local ordinance at a meeting, use of profanity, shouting, verbal threats of physical violence, or other acts of indecorum.

2. Regular Council Meetings

The Council shall set a regular schedule for its meeting dates (February through January of the following year) as a part of the agenda at its organizational meeting (first meeting in January). The place and time of the meeting shall be decided by the Mayor and shall be included in the agenda calling for the meeting.

3. Special Meetings

According to Section 6.2 of the Charter, special meetings shall be called by the Clerk on the written request of the Mayor, the City Administrator or any two members of the Council on at least 24 hours written notice to each member of the Council, e-mail notice is sufficient; but a special meeting may be held on shorter notice if all members of the Council are present or have waived notice thereof in writing.

The City Clerk will also make a diligent effort to notify each member of the Council in person of each special session. At such a meeting, only the matters in the notice shall be acted upon.

4. Recessed Meetings

Any session of the Council may be continued to another day, but no such continuation shall be for a longer period than until the next regular meeting thereafter.

5. Study Meetings

A study meeting may be convened on call by the Mayor or by two or more members of the Council. All members of the Council must be notified of the time and place of the meeting as in Rule # 2. Attendance at study meetings and notices calling such meetings shall be in harmony with the provisions of the Michigan Open Meetings Act.

The call for the meeting may also invite such people as may be required for consultation and advice with respect to the matters under discussion. At a study meeting, no formal votes may be taken on any matter under discussion, nor shall any Council members enter into a commitment with another respecting a vote to be taken subsequently at a public meeting of the Council. All study meetings shall be called by the Mayor at regular Council meetings. A brief confirmation of the time and date may be held at the meeting, and all study meetings will be attempted to be held on Monday nights between regular Council dates.

6. Council Meeting Agenda

The agenda for all council and study meetings shall be prepared by the Mayor and/or Mayor Pro-Tem with the assistance of the City Administrator. The City Clerk shall furnish a copy to each member of the Council, the City Administrator, the City Attorney, and all other citizens who are involved in the meeting, such as the Chairperson of Advisory Committees or other functions, on the Friday evening of the week preceding the meeting. All reports, communications, ordinances, resolutions, contract documents, or other materials to be submitted to the Council shall be delivered to the members of the Council, the City Administrator, and the City Attorney by the City Clerk as early as possible but no later than Friday evening.

7. Official Reports

Wherever possible, reports by the City Administrator, City Attorney, Police Department, City Clerk, Advisory Boards, and Committees will be made in writing to the Council, submitted prior

to the meeting, and listed on the agenda. Under such a procedure, discussion at an open council meeting will be limited to general questions from the audience or the Council on the subject matter of these reports. Concluding action may be taken at this time. Items re-quiring action by request of the City Administrator or City Attorney will be listed as regular agenda items and, unless conditions make it impossible, will be submitted to members of the Council with the agenda for the meeting. Copies of other reports will be distributed to the Council for their infor-mation.

8. Correspondence

The City Administrator and the Mayor are delegated the responsibility of handling all correspondence. Under this system, only those correspondence which necessarily require Council decision on policy will be brought before the Council meeting. Copies of other correspondence may be distributed to the Council for their information.

Correspondence received by all Council Members via e-mail which require council decision on Policy shall be acknowledged and responded to by the Mayor within a reasonable time frame; the correspondence shall then be transmitted to the City Administrator for inclusion on the agenda of the next regular meeting.

Correspondence received by individual Council Members via e-mail that requires council decision on Policy shall be forwarded to the Mayor for acknowledgement and response within a reasonable time frame; the correspondence shall then be transmitted to the City Administrator for inclusion on the agenda of the next regular meeting.

Correspondence received by all Council Members via e-mail, which does not require council decision on Policy, shall be acknowledged and responded to by the Mayor within a reasonable time frame; the correspondence shall then be transmitted to the City Administrator for follow-up and, if necessary, action.

Correspondence received by individual Council Members via e-mail, which does not require council decision on Policy, shall be acknowledged and responded to within a reasonable time frame; the correspondence shall then be transmitted to the City Administrator for follow-up and, if necessary, action.

Correspondence from any Council Member to the City Administrator shall also cc the Mayor as part of that communication.

9. Attendance at Conferences

The selection of the City's representative at conferences and meetings with outside organizations and officials, where official designation is required, is delegated to the Mayor, with concurrence of Council if substantial expense is involved.

Newly elected officials shall be required to attend the ‘Newly Elected’ training offered through the Michigan Municipal League within the first six (6) months of being sworn in.

10. Presiding Officer

The Mayor shall take the chair at the time appointed for the Council to meet and call the members to order. The Role will be noted by the Mayor and recorded by the Clerk for the minutes. The Mayor Pro-Tem shall take the chair as presiding officer in the absence of the Mayor.

11. Temporary Chairperson

In case of the absence of the Mayor and Mayor Pro-Tem, the Clerk shall call the Council to order and call the roll. If a quorum is found to be present, the Clerk shall appoint a Chairperson to act until the Mayor or Mayor Pro-Tem appears.

12. Council Privileges

The presiding officer may move, second, and debate from the chair, subject only to such limitations on debate as are by these rules imposed on all members and shall not be deprived of any of the rights and privileges of a Council member by reason of his/her acting as the presiding officer.

13. Decorum and Order

Meetings are to be formal with the enforcement of stringent rules for debate, which will control the expenditure of valuable time. The presiding officer shall preserve decorum and decide all questions of order, subject to formal appeal to the Council as a whole.

Every person desiring to speak shall address the chair and shall wait to be recognized by the chair. They shall then confine himself/herself to the question under debate. Every Council member desiring to question the administrative staff shall address their questions to the City Administrator, who may either answer the inquiries or designate some member of staff for that purpose. A Council member, once recognized, shall not be interrupted while speaking unless a point of order is raised.

14. Quorum

The majority of the Council members elected shall constitute a quorum. In the case that a lesser number than a quorum shall convene at a regular or special meeting, the majority of the members present may send for any or all absent members by agreement. In the event a quorum cannot be obtained, the meeting must be adjourned. It is the duty of each Council member to notify the Mayor or Administrator if he/she cannot attend any Council meeting a minimum of 2 hours prior to the start of the meeting. A Council member who has provided

timely notice shall be excused from attendance. A Council member who fails to provide timely notification shall not be excused. Any member of Council that fails to provide timely notice of absence may, at the next regular meeting, present an explanation of absence and, if warranted, may have their absence excused.

15. City Administrator

The City Administrator shall attend all meetings of the Council unless excused by the Mayor. He/she shall keep the Council fully advised as to the needs of the City and make recommendations to the Council; they may take part in discussions on all matters concerning the welfare of the City and shall have a seat but no vote in the Council meetings.

16. City Clerk

The City Clerk shall be the Clerk for the City Council and shall attend all regular and special Council meetings unless excused by the Administrator, wherein the Administrator shall provide for the recording of minutes. The Clerk shall be responsible for keeping the minutes of the meetings and shall perform such other duties in the meeting as may be in order. Within one week after the meeting, the Clerk shall make available upon request a copy of the minutes of the preceding meeting. Each member shall be furnished a copy of the preceding meeting minutes no later than the next regular meeting.

17. City Attorney

The City Attorney shall attend all regular and special meetings of the Council unless excused by the Mayor. Any member of the Council may at any time call upon the City Attorney for an oral or written opinion concerning routine questions of law with respect to the City which do not require extensive research.

18. Right of Appeal

Any Council member may appeal to the full Council from a ruling of the Presiding Officer. If the appeal is seconded, the Presiding Officer shall immediately put the question of sustaining the decision of the chair to a vote.

19. Voting

Every Council member present when an ordinance or resolution is put to a vote shall vote, whether "yes" or "no", on a question during roll call. The only exception to this requirement for voting shall be in the case of a con-flict of interest, which shall preclude a Council member from voting.

20. Personal Privilege

The right of a Council member to address the Council on a question of personal privilege in cases where his integrity or motives are questioned shall be given preference over other discussions. Any member shall have the right to express dissent against any ordinance or resolution of the Council and have the reason therefore entered upon the official minutes, and whenever possible shall present to the City Clerk his expression in written form for the official records.

21. Code of Ethics

City Council members occupy positions of public trust. All business transactions of such officials dealing in any manner with public funds, either directly or indirectly, must be subject to the scrutiny of public opinion both as to the legality and to the propriety of such transactions. Council members shall not have a pecuniary interest either directly or indirectly in contracts of any character with the City, unless fully and publicly disclosed to the full Council and handled in accordance with proper legal procedures.

Council members shall conduct themselves so as to bring credit upon the City as a whole and so as to set an example of good ethical conduct for all citizens of the community. Council members shall always bear in mind their responsibility to the entire electorate, shall refrain from actions benefiting special interest groups at the expense of the City as a whole, and shall do everything in their power to ensure equal and impartial law enforcement throughout the City at large.

RE: City-Wide Garage Sale

Background Brief: Each year, the City sets a city-wide garage sale date(s) and waives the associated fees to spur participation and consolidate the summer garage sale season.

The City would typically hold the city-wide garage sale after the last day of school. Southfield Public Schools' year appears to end on June 12, 2026, according to their Master Calendar.

As Father's Day is Sunday, June 21, 2026, this year, so as not to interfere with residents' plans for that holiday, it is recommended to schedule the City-Wide Garage Sale for June 13-14, 2026.

Previous Action: N/A

Economic Impact: Minor loss of revenue collection due to waiving garage sale fees. \$5 for 2 signs and \$7 for 3 signs. Indirect positive community benefits via the potential of increased traffic throughout the City.

Recommendation: It is my recommendation to set the city-wide garage sale dates as June 13 & 14, 2026.

Recommended Motion:

Moved by _____ seconded by _____ to set the City-Wide Garage Sale for June 13 & 14, 2026, and waive any associated garage sale fee for those dates only.
