12:03 PM: Old Business

Monthly Board Meeting Time discussion that was tabled in April is brought back to the forefront. DDA Intern Kennedy presents the results of a survey that was conducted over the past month by the DDA regarding preferred times for meetings if the board wishes to change meeting times. Seven responses were received and reported on, and in the responses there is no consensus as to a unanimous time or day that works for everyone.

The survey was conducted utilizing Microsoft Forms and had six questions: Is the third week of the month still a good week, and one question for each day

of the week with several two-hour time slots. Questions did allow for multiple answers and could be amended as respondents figured out their schedules. Time slots were as follows:

Earlier than 8 am

Morning (8 am - 10 am)

Late Morning (10 am - 12 pm)

Early Afternoon (12 pm - 2 pm)

Mid-Afternoon (2 pm - 4 pm)

Late Afternoon (4 pm - 6 pm)

Later than 6 pm

The Board is advised that they do not need to vote on a change of times today if they do not feel as though they are ready to do so. For most days, there appeared to be heavy preferences to most times after noon and into the evening. The survey results presentation can be found [here](#).

According to the data, there is no consensus. Tuesday, Wednesday and Friday had the most availability and had more responses in favor of those days. Afternoons seemed to be the most widely available/favored across the board regardless of day. The DDA is open to conducting a second survey featuring specific times in a ranked-choice voting system where the options will be the choices from Survey 1 with the most responses to them.

Pam Shermeyer inquires if there is a way to alternate meeting dates and times, but is advised that uniformity helps residents and board members. If they don't have to remember changing dates and times, then they are less likely to miss meetings and events.

12:13 PM: New Business

LVMF Performance Agreement for Boddum Line. DDA Director Colson updates the Board that we did have a musical act fall through in their wait for contract approval since the March meeting was cancelled due to lack of quorum. The LVMF selected a replacement- the Boddum Line band featuring Southfield locals. Their contract is for \$1,000, with a \$500 deposit to secure them.

Director Colson also updates the board on sponsorships: the LVMF has acquired \$12,545 in sponsorship money outside of the DDA's contribution.

With the DDA contribution it is \$22,545, meaning the music festival is closing in on its goal of \$28,000. The LVMF is also operating under budget on musical talent costs.

Pam Shermeyer makes motion to approve the contract for Boddum Line, with Mike Greene seconding. Motion approved unanimously.

DDA Colson and Mayor Garrett reveal details of some exciting events being planned for the upcoming summer as part of the Move with the Mayor nationwide initiative, that focuses on attempting to get the community organized and engaged in physical activity. The first event is the Walk the DDA event, that will take walkers up and down Southfield Road along the DDA District, allowing for residents to explore the businesses that they may miss in their day-to-day travels and meet their local business owners.

Interestingly, there is already a 5K path routed throughout the city from nearly a decade prior, which is something that may be done later in the year. The biggest concern being traffic control. However, Mayor Garrett preferred the Walk the DDA plan, featuring stakes in the ground that walkers can identify how far they have walked. It can also be broken down by quadrants, meaning walkers will take a northern path for one week and a southern path the next week.

There were also discussions about doing a city-wide wiffle ball game, featuring the city's various boards and commissions facing off against each other for fun and bragging rights. Danielle Huey brings up using Food Truck Fridays as a backdrop for the wiffle ball game.

The wiffle ball game would take place in late July-early August while the Walk the DDA would be later in June in the midmorning to prevent overheating by Southfield Road.

12:26 PM: DDA Director Report

DDA Director Colson updates the Board on upcoming Tri-City events: Business Resource Training being hosted by Oak Park on May 28th; a morning Business Mixer in late July by Southfield. The Lathrup Village Music Festival on September 13th, and there will be the Resources to Boost Holiday Sales in September that will give businesses enough time to adapt the lessons from that event to their own holiday sales.

The City also recently hosted Succession planning training by Horizon Advisors.

Oakland Thrive is hosting a three-day training course at Lathrup Community Center. Tracey Williams is present to facilitate a presentation regarding an educational workshop in June, the first three Tuesdays of the month from 11:00 am to 1:00 pm, Robin Kenny of Kenny Media- a Lathrup Village resident- who will be providing instruction on podcasting. The goal is that by the end of the three-week lesson, attendees will be able to produce their own podcasts.

The Planning Commission approved the site plan proposal for the Lathrup High School next door to City Hall, turning it into an adaptive reuse that will be residential featuring 128 (amendment: 145) apartment units. The HAWK signals are up and are soon to be running to allow for a more walkable downtown. The multi-year Alleyways project is underway and, depending on availability of resources, it may be completed in Fiscal Year '26 (FY26). The Finance Team wishes to streamline reporting processes and merge the DDA accounts with the City's Flagstar Account. Administrator Mike Greene clarifies how the finance accounts work, and that the DDA will still have their own budgetary line, the reporting will be the same, but the City account has a higher yield to it so it would have greater interest rates. The Board agrees with this decision.

The DDA officially hosted the first Shave-a-Thon benefiting the St. Baldrick's Foundation for Cancer Research and raised over \$1,500 in support of the initiative. DDA Intern Tom Kennedy was shaved by Donna Wallace of Wallace Financial, who was our highest bidder, and the event was provided shaving oversight by Valerie Bryant of Always Hair 4 U! salon. The event was such a success that plans are being made for next year's fundraiser. DDA Director Colson also shouts out Papa's Pizza for sponsoring lunch.

DDA Director Colson also highlights Valerie Bryant hosting an event at city hall over mother's day weekend that provided wigs for women currently experiencing chemo treatments that distributed 300 wigs.

The Tree Committee in April held an event that planted a new tree in Municipal Park, celebrated Lathrup Village claiming its Tree City USA designation and provided insight as to how one can properly care for freshly planted trees. They will also be hosting an event in June that they are calling

for volunteers to assist with, where the Tree Committee will be planting some 50 trees throughout the city over the weekend of June 7th.

DDA Director Colson also follows up with Bruce over a grant opportunity he discovered for the Music Festival. The city was awarded \$5,000 from the county to be put towards the Music Festival. Additionally, Michigan First donated \$1,500 towards the festival as a sponsor as well. The DDA is confident it will meet the \$28,000 budget before the event takes place.

Bigby Coffee on Southfield Road and 11 Mile will have a booth at the event and will be providing coffee so that the bar can experiment with a coffee-flavored cocktail. Papa's Pizza will return to the event and Rita's Ice has committed to the LVMF as a booth as well. DDA Director Colson asks for local businesses to provide products like gift certificates to give away at the DDA Booth to support our local businesses and provide free publicity for them. Danielle Huey asks if contracts can be updated to have talents and acts promote the event on their social media.

The DDA approved the purchase of flower pot soil around Municipal Park and City Hall. DDA Director Colson and Intern Kennedy moved 1,600 pounds of soil and Pam Shermeyer swapped out the soil (in 9.5 hours). The pots are not prepared for new plants when they arrive in approx. one week.

The DDA also reasserts that its doors are always open, as are all lines of communication and that we are eager to speak with anyone who has any questions or concerns they want addressed.

12:55 PM: Adjournment

Pam Shermeyer makes a motion to adjourn the meeting. Bruce Kantor seconds. Motion passes unanimously. Meeting adjourned.

Door Tagged, Letter 108.1.5 Dangerous structure or premises.

For the purpose of this code, any structure or premises that has any or all of the conditions or defects described as follows shall be considered dangerous:

1. Any door, aisle, passageway, stairway, exit, or other means of egress that does not conform to the approved building or fire code of the jurisdiction as related to the requirements for existing buildings.
2. The walking surface of any aisle, passageway, stairway, exit or other means of egress is so warped, worn loose, torn, or otherwise unsafe as to not provide safe and adequate means of egress.
3. Any portion of a building, structure or appurtenance that has been damaged by fire, earthquake, wind, flood, deterioration, neglect, abandonment, vandalism or by any other cause to such an extent that it is likely to partially or completely collapse, or to become detached or dislodged.
4. Any portion of a building, or any member, appurtenance or ornamentation on the exterior thereof that is not of sufficient strength or stability, or is not so anchored, attached or fastened in place so as to be capable of resisting natural or artificial loads of one and one-half the original value.
5. The building or structure, or part of the building or structure, because of dilapidation, deterioration, decay, faulty construction, the removal or movement of some portion of the ground necessary for the support, or for any other reason, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is likely to fail or give way.
6. The building or structure, or any portion thereof, is clearly unsafe for its use or occupancy.
7. The building or structure is neglected, damaged, dilapidated, unsecured or abandoned so as to become an attractive nuisance to children who might play in the building or structure to their danger, becomes a harbor for vagrants, criminals or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful act.

8. Any building or structure has been constructed, exists or is maintained in violation of any specific requirement or prohibition applicable to such building or structure provided by the approved building or fire code of the jurisdiction, or of any law or ordinance to such an extent as to present either a substantial risk of fire, building collapse or any other threat to life and safety.				
9. A building or structure, used or intended to be used for dwelling purposes, because of inadequate maintenance, dilapidation, decay, damage, faulty construction or arrangement, inadequate light, ventilation, mechanical or plumbing system, or otherwise, is determined by the code official to be unsanitary, unfit for human habitation, or in such a condition that is likely to cause sickness or disease.				
10. Any building or structure, because of a lack of sufficient or proper fire-resistance-rated construction, fire protection systems, electrical system, fuel connections, mechanical system, plumbing system or other cause, is determined by the code official to be a threat to life or health.				
11. Any portion of a building remains on a site after the demolition or destruction of the building or structure or whenever any building or structure is abandoned so as to constitute such building or portion thereof as an attractive nuisance or hazard to the public.

RE: National Fitness Campaign Grant Match

Background

The City of Lathrup Village has been awarded a \$50,000 grant through the 2025 Priority Health Campaign as part of the National Fitness Campaign (NFC). This initiative aims to make world-class fitness accessible in public spaces by installing a state-of-the-art outdoor Fitness Court in our community. As part of the grant requirements, the City must provide a funding match totaling \$120,000.

To support this transformational project, I am recommending that the Downtown Development Authority consider pledging \$25,000 toward the City's local match. This investment would represent half of the City's intended \$50,000 contribution and directly support wellness, placemaking, and activation efforts in the DDA district.

In addition, the City will utilize the NFC's new Grant Services Program, which offers dedicated support in identifying other grant agencies, private foundations, and potential corporate sponsors. The goal is to secure additional external funding to help meet the remaining \$100,000–\$120,000 needed for the full implementation of the Fitness Court project.

The Fitness Court will serve as a highly visible and valuable public amenity that aligns with the DDA's mission to enhance vitality and quality of life within the district. It will also be a platform for community events, programming, and health-focused initiatives that attract and engage residents, workers, and visitors.

Suggested Motion: *"Motion to pledge \$25,000 from the Downtown Development Authority to support the City of Lathrup Village's local funding match for the 2025 National Fitness Campaign grant and to authorize the DDA Director to coordinate with city administration to incorporate this commitment into the required grant documentation and funding confirmation."*

Congratulations!

City of Lathrup Village, MI has been selected as a 2025 Priority Health Campaign Grant Recipient!

Dear Mike,

On behalf of the National Fitness Campaign Grant Committee, we are pleased to share that City of Lathrup Village, MI has been selected as a grant eligible partner in the 2025 Priority Health Campaign! This notification letter confirms eligibility for one (1) 2025 NFC Grant of \$50,000. The next step is to schedule your official Grant Eligibility Award Call within the next 10 days, where the qualifications submitted in your Grant Application will be confirmed by the NFC team, and your Grant Program Requirements (GPR) will be aligned for eligibility and participation in this year's campaign. A copy of your GPR Document is attached to this formal award letter for your review, and is based on dates submitted in your Grant Application.

The \$50,000 Grant Award will be confirmed pending 1) the submission of a Resolution of Adoption, endorsed by your local governing body or appropriate council within 30 days of the Award Call, 2) authorization to proceed, documented by formal funding confirmation (commonly a purchase order) and 3) confirmation of a scheduled shipping date for the Fitness Court and appropriate storage plans. Once set, GPR milestones must be met in order to maintain funding eligibility in the campaign.

To support this partnership and align your GPR milestones with your community's local adoption and funding processes, we have assigned a Partnership Manager – McKenzie Coltrin – as your dedicated partner and champion in support of this partnership. Over the coming months, McKenzie will work with your team to support the path outlined in the GPR Document, assisting in the confirmation of required remaining funding, installation, and launch of your program.

The 2025 Priority Health Campaign is part of a national movement to make world-class fitness free and accessible in public spaces across the country, which is more important today than ever before – thank you for your commitment to supporting this goal.

Here is a sneak peak at what's ahead:

- Fitness Court® Launch – Cut the ribbon on your beautiful new outdoor gym & announce free fitness to the community!
- Classes & Challenges – Get residents moving & keep them engaged with ongoing group classes, individual training, and competitive events.
- Press & Promotions – Shine a spotlight on your community and local partners for joining this exciting and innovative wellness movement!

Once again, we are thrilled to invite you to join us as a partner in the 2025 Priority Health Campaign, and we look forward to making world-class fitness free in City of Lathrup Village, MI!

Best in Fitness,

Mitch Menaged, Founder

2025 Funding Cycle Grant Program Requirements (G.P.R.)

Important: Grant Program Requirement (GPR) Dates must be adhered to in order to confirm grant availability within the awarded campaign year. While NFC strives to accommodate all approved applicants for participation, National Fitness Campaign cannot guarantee grant availability within each calendar year should approved milestone dates not be met, due to the volume of applicants joining the campaign and limited nature of Grant Funding in each state. Please contact your Partnership Development manager for more information.

Memorandum

To: DDA Board of Directors
From: Austin Colson, DDA Director
Date: June 20, 2025
RE: Proposed FY 24/25 DDA Budget Amendments

Background

The DDA staff and Board of Directors make an earnest effort each year to make accurate revenue projections and budget accordingly. As a standard practice the DDA tries to limit budget amendments to twice per fiscal year. The budget amendments for FY 24/25 are described below.

Revenues

During Fiscal Year 2024–2025, the Lathrup Village Downtown Development Authority (DDA) generated total revenues of \$537,812, slightly below the amended budget projection of \$527,338 but higher than the prior year's actual revenue of \$495,087. The primary sources of revenue included \$430,820 from TIFA-capture taxes, \$37,337 in other tax collections, \$25,087 from Music Fest revenue, \$37,368 in investment interest, and \$6,100 in miscellaneous income.

Expenditures

The DDA spent a total of \$508,559, with the most significant outlays being \$241,040 for repairs and maintenance, \$121,275 for full-time salaries, \$41,863 for employee taxes and benefits, \$36,676 for streetscaping, \$32,304 for the Main Street program, and \$15,300 for planning and consulting fees. Additional expenses included \$15,480 for the Sign Grant Program and \$10,924 for auditing and accounting. The Music Fest generated substantial revenue and operated under budget resulting in a surplus.

Overall, the DDA ended the fiscal year with a fund balance of \$1,019,955. The DDA maintained strong fiscal health while continuing to invest in public infrastructure, programming, and business support initiatives.

Suggested Motion: *"Motion to approve the proposed budget amendments to the FY 24/25 Downtown Development Authority budget as presented, to align with actual revenues and expenditures through June 20, 2025."*

Business/Property Updates

- 27000 Southfield Road (Discount Tire) – Remodel of interior to update sales and office areas.

Infrastructure

- Two of the three High-Intensity Activated Crosswalk (HAWK) signals have gone live.
- The multiyear alleyway repaving project for FY25 is nearing completion.

Miscellaneous

- The all-volunteer tree planting event held on June 7 and 8 was a resounding success. A total of 30 volunteers participated in planting 50 new trees throughout the community. This project was made possible through generous support from the DTE Foundation, along with matching funds from the Parks & Recreation Committee. The dedication and teamwork from our volunteers made this effort both efficient and impactful, contributing to a greener and more vibrant city.
- We are currently in the process of revising the City's parking requirements in the commercial districts and are actively seeking input from business and property owners. Your feedback will help guide updates that better reflect current needs and support future growth. If you're interested in participating or sharing your thoughts, please reach out to the DDA office.
