MEMORANDUM

TO: Brenois D. Smith, Council President
Laurel City Councilmembers
FROM: Keith R. Sydnor, Mayor *KRS*
SUBJECT: Line-Item Veto Ordinance No. 2055- General Operating Budget and
Capital Improvement Program
Fiscal Year July 1, 2026 – June 30, 2027

Pursuant to the authority granted to the Mayor under City of Laurel Charter Article 500. Finance, Section 503 and Article 300. Government, Section 354, I hereby exercise my line-item veto authority regarding specific amendments made by the City Council to Ordinance No. 2055, an Ordinance Adopting the General Operating Budget and Capital Improvement Program of the Mayor and City Council of Laurel, Maryland for the Fiscal Year July 1, 2026 through June 30, 2027 and to Levy Property Taxes; and to Authorize the Collection of Such Taxes.

First, I would like to thank the City Council, City staff, department directors, and residents who participated in the FY2027 budget process. The budget is one of the most important responsibilities of municipal government, requiring thoughtful deliberation, fiscal discipline, and a clear commitment to meeting the needs of our residents.

After reviewing the amendments adopted by the City Council, I must respectfully veto the following actions:

Line-Item Veto Actions

1. Family Resiliency Program

Revenue Category – Investment Interest
Account 10-4-000-47105 – Interest Investments – General Fund
Amount: \$1,000,000

Department 240 – Economic & Community Development
Account 10-5-240-52806 – Family Resiliency Program
Amount: \$1,000,000

The City Council's action to remove the \$1,000,000 Family Resiliency Program from the Mayor's proposed budget is hereby **vetoed**.

This initiative was created to provide direct support to struggling working families facing housing instability, rising living costs, and financial hardship. The purpose of this investment is to help families build stability, resilience, and a pathway toward greater self-sufficiency.

Affordable housing and family stabilization have been priorities of my administration since taking office. This program represents a strategic investment in prevention, helping families before they fall deeper into crisis, which ultimately places greater pressure on social services, public safety resources, and the community as a whole.

I believe removing this funding sends the wrong message to working families who are doing their best but need temporary support to regain stability. Therefore, I am vetoing the Council's removal of this appropriation and **restoring the funding as originally proposed to \$1,000,000.**

2. Department 270 – Community Promotions

Account: 10-5-270-52061 – Laurel Independent Monthly Insert

Amount: Proposed Increase from \$30,000 to \$45,000

Account: 10-5-270-52621 – Contribution – Voices of Laurel

Amount: Proposed increase from \$4,000 to \$6,000

The City Council's proposal to increase funding for the Laurel Independent Monthly Insert from \$30,000 to \$45,000 is hereby **vetoed**.

While I have no objection to transferring operational responsibility for this communication function to the Department of Communications, I do not support increasing the funding allocation by an additional \$15,000. **Funding is restored to the original allocation of \$30,000.**

If the Council wishes to move this publication to the Department of Communications (Account 10-5-235-52063) for administrative purposes, I support that transfer. However, this should be done as a budget-neutral transfer, not as an increase in spending.

I agree with moving the funding for the Voices of Laurel Advertising to the Department of Communications (Account 10-5-235-52063) and reducing the Community Promotions Budget (Account 10-5-270-52621) in the amount of \$4,000.

Further, I agree to reducing the Mayor's Legal Services (Account 10-5-210-52011) by \$2,000 and adding that amount to the Voices of Laurel Advertising line item in the Department of Communications (Account 10-5-235-52063) making the total line item for Voices of Laurel Advertising \$6,000.

The results of these changes are as follows:

Mayor's Legal Services (Account 10-5-210-52011) \$295,839
Mayor's Office total budget - - \$677,891

Community Promotions Advertising-Public Notice (Account 10-5-270-52061) \$0
Community Promotions Contributions/Nonprofits (Account 10-5-270-52621)
\$157,987
Community Promotions total budget - - \$223,287

Department of Communications Advertising-Neighborhood Publications (Account
10-5-235-52063) \$36,000
Department of Communication total budget - - \$999,623

Fiscal stewardship requires discipline, especially when balancing competing priorities across City government.

As Mayor, I take seriously my responsibility to manage taxpayer dollars wisely while ensuring our budget reflects the values and priorities of the City of Laurel.

These veto actions are intended to preserve investments that directly support residents while maintaining fiscal accountability regarding discretionary spending.

MEMORANDUM

TO: Brencis D. Smith, Council President
Laurel City Councilmembers
FROM: Keith R. Sydnor, Mayor *KRS*
SUBJECT: Line-Item Veto Ordinance No. 2055- General Operating Budget and
Capital Improvement Program
Fiscal Year July 1, 2026 – June 30, 2027

Pursuant to the authority granted to the Mayor under City of Laurel Charter Article 500. Finance, Section 503 and Article 300. Government, Section 354, I hereby exercise my line-item veto authority regarding specific amendments made by the City Council to Ordinance No. 2055, an Ordinance Adopting the General Operating Budget and Capital Improvement Program of the Mayor and City Council of Laurel, Maryland for the Fiscal Year July 1, 2026 through June 30, 2027 and to Levy Property Taxes; and to Authorize the Collection of Such Taxes.

First, I would like to thank the City Council, City staff, department directors, and residents who participated in the FY2027 budget process. The budget is one of the most important responsibilities of municipal government, requiring thoughtful deliberation, fiscal discipline, and a clear commitment to meeting the needs of our residents.

After reviewing the amendments adopted by the City Council, I must respectfully veto the following actions:

Line-Item Veto Actions

1. Family Resiliency Program

Revenue Category – Investment Interest
Account 10-4-000-47105 – Interest Investments – General Fund
Amount: \$1,000,000

Department 240 – Economic & Community Development
Account 10-5-240-52806 – Family Resiliency Program
Amount: \$1,000,000

15

The City Council's action to remove the \$1,000,000 Family Resiliency Program from the Mayor's proposed budget is hereby **vetoed**.

This initiative was created to provide direct support to struggling working families facing housing instability, rising living costs, and financial hardship. The purpose of this investment is to help families build stability, resilience, and a pathway toward greater self-sufficiency.

Affordable housing and family stabilization have been priorities of my administration since taking office. This program represents a strategic investment in prevention, helping families before they fall deeper into crisis, which ultimately places greater pressure on social services, public safety resources, and the community as a whole.

I believe removing this funding sends the wrong message to working families who are doing their best but need temporary support to regain stability. Therefore, I am vetoing the Council's removal of this appropriation and **restoring the funding as originally proposed to \$1,000,000**.

2. Department 270 – Community Promotions

Account: 10-5-270-52061 – Laurel Independent Monthly Insert

Amount: Proposed Increase from \$30,000 to \$45,000

Account: 10-5-270-52621 – Contribution – Voices of Laurel

Amount: Proposed increase from \$4,000 to \$6,000

The City Council's proposal to increase funding for the Laurel Independent Monthly Insert from \$30,000 to \$45,000 is hereby **vetoed**.

While I have no objection to transferring operational responsibility for this communication function to the Department of Communications, I do not support increasing the funding allocation by an additional \$15,000. **Funding is restored to the original allocation of \$30,000.**

If the Council wishes to move this publication to the Department of Communications (Account 10-5-235-52063) for administrative purposes, I support that transfer. However, this should be done as a budget-neutral transfer, not as an increase in spending.

I agree with moving the funding for the Voices of Laurel Advertising to the Department of Communications (Account 10-5-235-52063) and reducing the Community Promotions Budget (Account 10-5-270-52621) in the amount of \$4,000.

Further, I agree to reducing the Mayor's Legal Services (Account 10-5-210-52011) by \$2,000 and adding that amount to the Voices of Laurel Advertising line item in the Department of Communications (Account 10-5-235-52063) making the total line item for Voices of Laurel Advertising \$6,000.

The results of these changes are as follows:

Mayor's Legal Services (Account 10-5-210-52011) \$295,839
Mayor's Office total budget - - \$677,891

Community Promotions Advertising-Public Notice (Account 10-5-270-52061) \$0
Community Promotions Contributions/Nonprofits (Account 10-5-270-52621)
\$157,987
Community Promotions total budget - - \$223,287

Department of Communications Advertising-Neighborhood Publications (Account
10-5-235-52063) \$36,000
Department of Communication total budget - - \$999,623

Fiscal stewardship requires discipline, especially when balancing competing priorities across City government.

As Mayor, I take seriously my responsibility to manage taxpayer dollars wisely while ensuring our budget reflects the values and priorities of the City of Laurel.

These veto actions are intended to preserve investments that directly support residents while maintaining fiscal accountability regarding discretionary spending.

MEMORANDUM

TO: Brencis D. Smith, Council President
Laurel City Councilmembers
FROM: Keith R. Sydnor, Mayor *KRS*
SUBJECT: Line-Item Veto Ordinance No. 2055- General Operating Budget and
Capital Improvement Program
Fiscal Year July 1, 2026 – June 30, 2027

Pursuant to the authority granted to the Mayor under City of Laurel Charter Article 500. Finance, Section 503 and Article 300. Government, Section 354, I hereby exercise my line-item veto authority regarding specific amendments made by the City Council to Ordinance No. 2055, an Ordinance Adopting the General Operating Budget and Capital Improvement Program of the Mayor and City Council of Laurel, Maryland for the Fiscal Year July 1, 2026 through June 30, 2027 and to Levy Property Taxes; and to Authorize the Collection of Such Taxes.

First, I would like to thank the City Council, City staff, department directors, and residents who participated in the FY2027 budget process. The budget is one of the most important responsibilities of municipal government, requiring thoughtful deliberation, fiscal discipline, and a clear commitment to meeting the needs of our residents.

After reviewing the amendments adopted by the City Council, I must respectfully veto the following actions:

Line-Item Veto Actions

1. Family Resiliency Program

Revenue Category – Investment Interest
Account 10-4-000-47105 – Interest Investments – General Fund
Amount: \$1,000,000

Department 240 – Economic & Community Development
Account 10-5-240-52806 – Family Resiliency Program
Amount: \$1,000,000

The City Council's action to remove the \$1,000,000 Family Resiliency Program from the Mayor's proposed budget is hereby **vetoed**.

This initiative was created to provide direct support to struggling working families facing housing instability, rising living costs, and financial hardship. The purpose of this investment is to help families build stability, resilience, and a pathway toward greater self-sufficiency.

Affordable housing and family stabilization have been priorities of my administration since taking office. This program represents a strategic investment in prevention, helping families before they fall deeper into crisis, which ultimately places greater pressure on social services, public safety resources, and the community as a whole.

I believe removing this funding sends the wrong message to working families who are doing their best but need temporary support to regain stability. Therefore, I am vetoing the Council's removal of this appropriation and **restoring the funding as originally proposed to \$1,000,000.**

2. Department 270 – Community Promotions

Account: 10-5-270-52061 – Laurel Independent Monthly Insert

Amount: Proposed Increase from \$30,000 to \$45,000

Account: 10-5-270-52621 – Contribution – Voices of Laurel

Amount: Proposed increase from \$4,000 to \$6,000

The City Council's proposal to increase funding for the Laurel Independent Monthly Insert from \$30,000 to \$45,000 is hereby **vetoed**.

While I have no objection to transferring operational responsibility for this communication function to the Department of Communications, I do not support increasing the funding allocation by an additional \$15,000. **Funding is restored to the original allocation of \$30,000.**

If the Council wishes to move this publication to the Department of Communications (Account 10-5-235-52063) for administrative purposes, I support that transfer. However, this should be done as a budget-neutral transfer, not as an increase in spending.

I agree with moving the funding for the Voices of Laurel Advertising to the Department of Communications (Account 10-5-235-52063) and reducing the Community Promotions Budget (Account 10-5-270-52621) in the amount of \$4,000.

Further, I agree to reducing the Mayor's Legal Services (Account 10-5-210-52011) by \$2,000 and adding that amount to the Voices of Laurel Advertising line item in the Department of Communications (Account 10-5-235-52063) making the total line item for Voices of Laurel Advertising \$6,000.

The results of these changes are as follows:

Mayor's Legal Services (Account 10-5-210-52011) \$295,839
Mayor's Office total budget - - \$677,891

Community Promotions Advertising-Public Notice (Account 10-5-270-52061) \$0
Community Promotions Contributions/Nonprofits (Account 10-5-270-52621)
\$157,987
Community Promotions total budget - - \$223,287

Department of Communications Advertising-Neighborhood Publications (Account
10-5-235-52063) \$36,000
Department of Communication total budget - - \$999,623

Fiscal stewardship requires discipline, especially when balancing competing priorities across City government.

As Mayor, I take seriously my responsibility to manage taxpayer dollars wisely while ensuring our budget reflects the values and priorities of the City of Laurel.

These veto actions are intended to preserve investments that directly support residents while maintaining fiscal accountability regarding discretionary spending.
