(the “Charter”) adopted in accordance with Article XI-E of the Constitution of Maryland and relevant sections of the Local Government Article of the Annotated Code of Maryland, as amended; and

WHEREAS, Sections 4-101 through 4-255 of the Housing and Community Development Article of the Annotated Code of Maryland, as amended (the “Act”), authorize the Community Development Administration (the “Administration”), a governmental unit in the Division of Development Finance of the Department of Housing and Community Development, a principal department of the government of the State of Maryland, to provide financial assistance to political subdivisions and municipal corporations to finance, among other things, infrastructure projects and to establish a capital reserve fund in connection therewith; and

CITY OF LAUREL, MARYLAND

NOW, THEREFORE, BE IT ENACTED AND ORDAINED BY MAYOR AND CITY COUNCIL OF LAUREL:

Section 1. Authorization, Terms, Form of Bonds.

(a) The MAYOR AND CITY COUNCIL OF LAUREL (the "Issuer") shall borrow upon its full faith and credit and shall issue and sell upon its full faith and credit an aggregate principal amount not to exceed Eight Million Four Hundred Thousand Dollars (\$8,400,000) of its general obligation bonds, to be issued pursuant to the authority of Sections 4-101 through 4-255 of the Housing and Community Development Article of the Annotated Code of Maryland, as amended (the "Act"), to be known as the Mayor and City Council of Laurel Infrastructure Bonds, 2024 Series A", as such designation may be modified by the Administration (defined below) prior to issuance (the "Bonds"). The proceeds from the sale of the Bonds shall be used for the purpose of (i) providing all or a portion of the funds necessary for financing and/or refinancing of the costs of facility improvements, fleet equipment acquisition and street improvements (collectively, the "Project"), (ii) funding a portion of capital reserve fund and/or other reserves required by the Administration under the Program, and (iii) paying issuance and other costs related to the Bonds.

(b) The Bonds shall be issued as one or more fully registered bond certificate(s) in the aggregate principal amount not to exceed Eight Million Four Hundred Thousand Dollars (\$8,400,000) payable to the Community Development Administration (the "Administration") as the registered owner thereof. The Bonds shall be issued in such amount or such lesser amount as determined by the Mayor of the Issuer (the "Mayor") pursuant to subsection (g) below, which shall be equal to the principal amount of the loan to the Issuer from the Administration (the "Loan") under the Local Government Infrastructure Financing Program of the Administration (the "Program").

(c) The Bonds shall be dated as of the date of issue, or as of such other date as is specified by the Administration; shall be numbered from R-1 upward or as otherwise required by the Administration; shall be initially registered in the name of the Administration or its designee; shall bear interest from the date of issuance of the Local Government Infrastructure Bonds issued by the Administration (the "Administration's Bonds"), payable semiannually on April 1 and October 1, at such annual rate or rates and be payable in annual principal installments at the designated office of the Administration.

(d) The Bonds shall bear interest at an aggregate rate or rates of interest for a total interest cost (expressed as a yield) not to exceed 3.90 percent for a loan with a maturity of ten years, and 5.00 percent for a loan with a maturity of twenty years, the actual maturity or maturities and rate or rates of interest to be borne by the Bonds to be

CITY OF LAUREL, MARYLAND

determined and established by the Mayor of the Mayor and City Council of Laurel acting pursuant to Section 1(g) of this Ordinance.

(e) The Bonds shall be in substantially the form set forth on Exhibit A attached hereto and made a part hereof, which form, together with all of the covenants and conditions therein contained, is hereby adopted by the Issuer as and for the form of obligation to be incurred by the Issuer and such covenants and conditions are hereby made binding upon the Issuer, including the promise to pay therein contained.

(f) The Bonds are to be issued in connection with the Program (i) to finance and/or refinance all or a portion of the Projects, (ii) to fund a portion of a capital reserve fund and/or other reserves required by the Administration under the Program, and (iii) to pay issuance and other related costs of the Bonds. Under the Program, the Issuer will enter into a Repayment Agreement and a Pledge Agreement with the Administration (respectively, the "Repayment Agreement" and the "Pledge Agreement"). The Issuer also will execute and deliver in connection with the issuance of the Bonds and the Program any additional documents, agreements, instruments and certificates requested by the Administration (which, together with the Repayment Agreement and the Pledge Agreement are herein referred to as the "Program Documents"). The Program Documents shall be in such form and shall contain such terms and conditions as shall be approved by the Mayor and be acceptable to the Administration.

(g) Because this Ordinance is being adopted before the details have been finalized for the financing pursuant to which the Administration will issue the Administration's Bonds (the "Administration Financing") that will fund the Loan to the Issuer under the Program, the Mayor is hereby authorized to make such changes to the amount and form of the Bonds, including insertions therein or additions or deletions thereto, as may be necessary or appropriate to conform the terms of the Bonds to the terms of the financing to be provided to the Issuer under the Program. Without limiting the foregoing, it is presently contemplated that the Loan will be in an amount not to exceed \$8,400,000 in aggregate principal amount hereby authorized, subject to final approval by the Administration; accordingly, the Mayor is specifically authorized: (i) to make changes to the maturity or maturities and aggregate principal amount of the Bonds in order to reflect the final aggregate principal amount of the Loan not to exceed \$8,400,000 as approved by the Administration and accepted by the Issuer and (ii) to authorize and approve an interest rate or rates and payment schedule(s) reflecting the principal and interest payments with respect to the Bonds but not to exceed the maximum total interest cost to be borne by the Bonds as set forth in subsection (d) above.

(h) This borrowing shall be exempt from the provisions of Sections 19-205 and 19-206 of the Local Government Article of the Annotated Code of Maryland, as amended.

CITY OF LAUREL, MARYLAND

(i) This borrowing is in conformance with and does not exceed any and all applicable debt limitations under the Charter.

Section 2. Execution. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of the Mayor, and the seal of the Issuer shall be affixed thereto or reproduced thereon and attested by the manual signature of the City Clerk of the Issuer (the "City Clerk"). The Program Documents shall be executed on behalf of the Issuer by an authorized official of the Issuer. In the event any official whose signature appears on any of the Bonds or the Program Documents shall cease to be an official prior to the delivery of the Bonds or the Program Documents, or, in the event any official whose signature appears on any of the Bonds or the Program Documents becomes an official or officer after the date of the issue, the Bonds and the Program Documents shall nevertheless be valid and binding obligations of the Issuer in accordance with their terms. The Mayor is hereby authorized, empowered and directed to complete the applicable form of the Bonds and to make modifications, deletions, corrections or other changes thereto in any manner which the Mayor, in the Mayor's discretion, shall deem necessary or appropriate to complete the issuance and sale of the Bonds, as will not alter the substance thereof. The Mayor or other duly authorized official of the Issuer is hereby authorized, empowered and directed to complete the applicable form of the Program Documents and to make modifications, deletions, corrections or other changes thereto in any manner which such official, in the discretion of such official, shall deem necessary or appropriate to complete the execution and delivery of the Program Documents in accordance with the provisions of this Ordinance, as will not alter the substance thereof. The execution and delivery of the Bonds and the Program Documents by the duly authorized official shall be conclusive evidence of such official's approval of the form and substance thereof.

Section 3. Registration of Bonds. The City Clerk shall act as registrar for the Bonds and shall maintain registration books for the registration and registration of transfer of the Bonds. No security or bond shall be required of the City Clerk in the performance of the duties of registrar for the Bonds.

The Issuer may deem and treat the person in whose name any Bond shall be registered upon the books of the Issuer as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on such Bond and for all other purposes.

Section 4. Prepayment. The Bonds are being issued in connection with the Program and will secure payment of the Administration's Bonds, which are being issued by the Administration to provide funds to purchase the Bonds from the Issuer, among other purposes. The Repayment Agreement limits the right of the Issuer to prepay the

CITY OF LAUREL, MARYLAND

Bonds in accordance with restrictions upon the right of the Administration to redeem the Administration's Bonds. Accordingly, the Issuer may prepay the Bonds only in accordance with the provisions of the Repayment Agreement and the terms governing prepayments as set forth in the Bonds.

Section 5. Replacement of Mutilated, Lost, Stolen, or Destroyed Bonds. In case any Bond (a "Bond" being, for purposes of this Section, any one of the Bonds) shall become mutilated or be destroyed, lost or stolen, the Issuer may cause to be executed and delivered a new Bond of like date and tenor and bearing the same or a different number, in exchange and substitution for each Bond mutilated, destroyed, lost or stolen, upon the owner paying the reasonable expenses and charges of the Issuer in connection therewith and, in the case of any Bond being destroyed, lost or stolen, upon the owner filing with the Issuer evidence satisfactory to it that such Bond was destroyed, lost or stolen, and furnishing the Issuer with indemnity satisfactory to it. Any Bond so issued in substitution for a Bond so mutilated, destroyed, lost or stolen: (i) may be typewritten, printed or otherwise reproduced in a manner acceptable to the Administration, and (ii) shall constitute an original contractual obligation on the part of the Issuer under this Ordinance whether or not the Bond in exchange for which said new Bond is issued shall at any later date be presented for payment and such payment shall be enforceable by anyone, and any such new Bond shall be equally and proportionately entitled to the benefits of this Ordinance with all other like Bonds, in the manner and to the extent provided herein.

Section 6. Use of Proceeds. The proceeds of the Bonds shall be held and invested by the Administration in its sole discretion and shall be:

(a) Administered and disbursed by the Administration pursuant to the Repayment Agreement. The proceeds of the Bonds shall be used, when and as required, to pay Development Costs (as defined in the Repayment Agreement).

(b) After the Project has been completed and all Development Costs in connection therewith have been paid, any balance of the proceeds of the sale of the Bonds held by the Administration under the Repayment Agreement may be applied to the next maturing principal installment, payment of interest on the Bonds or prepayment of the Bonds, as permitted by the Administration.

Section 7. Covenants. The Issuer covenants with the Administration, for the benefit of the Administration and the owners from time to time of the Bonds, that so long as the Bonds or installments of principal thereunder shall remain outstanding and unpaid:

CITY OF LAUREL, MARYLAND

(a) The Issuer will duly and punctually pay, or cause to be paid, to the Administration the principal of the Bonds, premium (if any) and interest accruing thereon, at the dates and places and in the manner mentioned in the Bonds from unlimited ad valorem taxes in the event that available funds are inadequate to make such payment.

(b) The Issuer covenants that so long as any of the Bonds are outstanding and not paid, unless other funds are available for payment of principal of, premium, if any, and interest on the Bonds, it shall levy annually, in the manner prescribed by law, a tax on all real and tangible personal property within its corporate limits subject to assessment for unlimited taxation, ad valorem taxes in rate and amount sufficient to provide for the payment of the principal of and interest on the Bonds as the same become due and payable; and in the event that the revenues available from the taxes so levied in any fiscal year shall prove inadequate for the above purposes, the Issuer shall levy additional taxes in the succeeding fiscal year to make up such deficiency; and the full faith and credit and the unlimited taxing power of the Issuer are hereby irrevocably pledged to the punctual payment of the principal of and interest on the Bonds as the same become due.

(c) The Issuer will promptly provide to the Administration (or to any person designated by the Administration) all financial information and operating data concerning the Issuer as may be required by the Administration in its discretion in order to comply with the requirements of Rule 15c2-12 of the United States Securities and Exchange Commission, as in effect from time to time, applicable to the Administration's Bonds.

Section 8. Ordinance a Contract. The provisions of this Ordinance shall constitute a contract with the purchasers and owners from time to time of the Bonds, and this Ordinance shall not be repealed, modified or altered in any manner materially adverse to the Administration and/or the interests of such purchasers or owners while the Bonds or any portion thereof remain outstanding and unpaid without the consent of the owners of the Bonds and the Administration.

Section 9. Pledge of Local Government Payments. As contemplated and authorized by Section 4-229(b) of the Act, the Issuer hereby pledges, assigns and grants a lien and a security interest to the Administration, its successors in trust and assigns, in all right title and interest of the Issuer in and to the Local Government Payments (as defined in the Pledge Agreement), now or hereafter acquired, (i) to secure payment of the principal of, premium, if any, and interest on the Bonds and any other Local Obligations (as defined in the Pledge Agreement) issued and to be issued from time to time by the Issuer under the Program and (ii) to provide for deposits to the capital reserve fund securing the Bonds and/or other reserves required under the Program the amount of the Issuer's portion of any deficiency in such capital reserve fund and/or such other reserves

CITY OF LAUREL, MARYLAND

as the Administration shall require, all as more fully set forth and provided in the Pledge Agreement.

Section 10. Purchase Price of Bonds. The Bonds shall be sold for cash in accordance with the terms and provisions of this Ordinance at par, or if premium or discount is permitted by law, at such premium or discount as is agreed to by the Administration in accordance with the terms and provisions of this Ordinance, and as authorized by Section 4-229(a) of the Act.

Section 11. Sale of Bonds. The Bonds shall be sold to the Administration under the Program at private sale, as authorized by Section 4-229(a) of the Act.

Section 12. Authority to Take Action; Publication and Public Hearing.

(a) The officials, officers and employees of the Issuer are hereby authorized and directed to do all acts and things required of them by the provisions of this Ordinance, for the full, punctual and complete performance of all the terms, covenants and provisions of the Bonds, the Program Documents and this Ordinance and to do and perform all acts and to execute, seal and deliver all documents or instruments of writing which may be necessary or desirable to carry out the full intent and purpose of this Ordinance and the Program Documents.

(b) As required by the Act, prior to the issuance of the Bonds, the Issuer shall publish in a newspaper of general circulation in the jurisdiction of the Issuer a notice of the proposed issuance of the Bonds, which notice shall include the proposed amount of the issue, the nature of the project(s) to be financed or refinanced, the time and place of the public hearing, the name of the person(s) and address of the place where written comments may be sent, and the Issuer shall hold a public hearing on the proposed issuance of the Bonds. Such actions may be (or have been) taken prior to or simultaneously with the adoption of this Ordinance.

Section 13. Tax Matters

(a) The Mayor and/or the Director of Budget and Personnel shall be the officers of the Issuer responsible for the issuance of the Bonds within the meaning of the Arbitrage Regulations (defined herein). The Mayor and/or the Director of Budget and Personnel shall also be the officers of the Issuer responsible for the execution and delivery (on the date of issuance of the Bonds) of a certificate of the Issuer (the "Section 148 Certificate") which complies with the requirements of Section 148 of the Internal Revenue Code of 1986, as amended ("Section 148"), and the applicable regulations thereunder (the "Arbitrage Regulations"), and such official is hereby directed to execute the Section 148

CITY OF LAUREL, MARYLAND

Certificate and to deliver the same to the Administration on the date of the issuance of the Bonds. The Section 148 Certificate may be contained within any of the Program Documents at the discretion of the Administration.

(b) The Issuer shall set forth in the Section 148 Certificate its reasonable expectations as to relevant facts, estimates and circumstances relating to the use of the proceeds of the Bonds, or of any monies, securities or other obligations to the credit of any account of the Issuer which may be deemed to be proceeds of the Bonds pursuant to Section 148 or the Arbitrage Regulations (collectively, "Bond Proceeds"). The Issuer covenants that the facts, estimates and circumstances set forth in the Section 148 Certificate will be based on the Issuer's reasonable expectations on the date of issuance of the Bonds and will be, to the best of the certifying official's knowledge, true and correct as of that date.

(c) The Issuer covenants and agrees with each of the holders of any of the Bonds that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the Bond Proceeds which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 and the regulations thereunder which are applicable to the Bonds on the date of issuance of the Bonds and which may subsequently lawfully be made applicable to the Bonds.

(d) The Issuer further covenants that it shall make such use of the proceeds of the Bonds, regulate the investment of the proceeds thereof, and take such other and further actions as may be required to maintain the excludability from gross income for federal income tax purposes of interest on the Bonds. All officials, officers, employees and agents of the Issuer are hereby authorized and directed to take such actions, and to provide such certifications of facts and estimates regarding the amount and use of the proceeds of the Bonds, as may be necessary or appropriate from time to time to comply with, or to evidence the Issuer's compliance with, the covenants set forth in this Section.

(e) The Mayor and/or the Director of Budget and Personnel, on behalf of the Issuer, may make such covenants or agreements in connection with the issuance of Bonds issued hereunder as such officer(s) shall deem advisable in order to assure the registered owners of such Bonds that interest thereon shall be and remain excludable from gross income for federal income tax purposes, and such covenants or agreements shall be binding on the Issuer so long as the observance by the Issuer of any such covenants or agreements is necessary in connection with the maintenance of the exclusion of the interest on such Bonds from gross income for federal income tax purposes. The foregoing covenants and agreements may include such covenants or agreements on behalf of the Issuer regarding compliance with the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), as the Mayor and/or the

Such officer(s) may also make on behalf of the Issuer any elections, designations or determinations authorized or permitted by the Code or the Arbitrage Regulations.

Section 14. Effective Date; Miscellaneous. (a) Pursuant to Section 4-232(c) of the Act, this Ordinance shall take effect from the date of its adoption, and it is the intent hereof that the laws of the State of Maryland shall govern its construction and the construction of the Bonds. (c) References in this Ordinance to the phrase "to finance," "to pay" or "to fund" or similar phrases shall be deemed to refer to and include "to reimburse" or "to refinance" or similar phrases.

(d) To the extent not paid from proceeds of the Bonds, the Issuer shall pay costs of issuance relating to the Bonds from other available sources.
