

**AGENDA  
CITY OF LAUREL  
CITY COUNCIL WORKSHOP  
TUESDAY, APRIL 07, 2026  
6:30 PM  
COUNCIL CHAMBERS**

**Public Input:** *Citizens may address the Council regarding any item of City business that is not on tonight's agenda. The duration for an individual speaking under Public Input is limited to three minutes. While all comments are welcome, the Council will not take action on any item not on the agenda. Because of the Rules that govern public meetings, Council is not permitted to speak in response to any issue raised that is a non-Agenda item. The Mayor may provide factual information in response, with the intention that the matter may be addressed at a later meeting. In addition, City Council may request that a particular non-Agenda item be placed on an upcoming Agenda, for consideration. Citizens should not construe Council's "silence" on an issue as an opinion, one way or the other, regarding that non-Agenda matter. Council simply cannot debate an item that is not on the Agenda, and therefore, they must simply listen to the feedback given during public input. If a citizen would like to speak or comment regarding an item that is on tonight's agenda, we ask that you wait until the agenda item is presented to the Council by the Mayor and the public is asked to comment by the Mayor.*

*Be advised, if a discussion item has an upcoming public hearing, we would request members of the public to reserve your comments until the public hearing. At the public hearing, the City Council will establish an official record that will include all of your comments, testimony, and written evidence.*
