 - Attending Industrial Fire Training with CHS- This is at not cost to the department or the city. Rotating through the roster and everyone should be completed by end of March 2025
 - iii. Homewood Park fire, located end of Grand. This fire involved several law enforcement agencies as well as Billings and Park City fire departments.
 - iv. Bunker Gear is good for 10 years- have given the outdated bunker gear to the Ambulance to use on their rigs
 - v. New Fire Truck- Chief Hopper met with CHS regarding funding. Will also be meeting with Northwest Energy regarding funding assistance as well
 - vi. Firemen's Park Gazebo is in
 - vii. Irv mentioned the Northwest Energy meeting regarding what would happen if the plant had a fire. Irv was disappointed that they did not go into how the fire would be stooped and put out
 - Chief Hopper stated that he and Bridger attended a table top exercise put on by Northwest Energy which simulated a fire breaking out and what to do. Additionally, Chief Hopper and others with the department have completed a walkthrough of the plant to understand layout and how to fight a fire should one breakout

- viii. Irv mentioned the statue that the fire department wanted to move to Fireman's Park
 - 1. Chief Hopper stated this is the memorial behind the station under the large pine tree. The pine tree will eventually need to be removed due to it's size. Irv thinks it is okay to move the memorial over to Fireman's Park
- b. Police Chief Langve- Report attached
 - i. Yellowstone County DUI Task Force Angel Tree ceremony- Officer Siebert is receiving an Award of Merit at the ceremony
 - 1. Angel's added to the tree when there is successful prosecution of a DUI fatality case

 - iii. Srgt Booth received a \$6,000 donation from Scheel's

 - ii. No changes in staffing- still have a few individuals completing training
 - iii. Care 1- this has been repaired with a workaround. Concern that the circuit will continue to have issues, but as of right now this unit is up and running
 - iv. Crew is playing Bingo- cards are completed based on the types of calls received. This is to fund the department Christmas party.

Chief of Police Stanley J Langve

Emergency Services Report November 25th, 2024

For the reporting period of November, the FAP had a combined 710 calls for service. This is a 3.1% decrease from the three-year average of 724. Year to Date calls for service are 8793 which represents a 2.7% decrease on the three-year average of 9,075. Total year to date crimes reported are 1,136, which is a 2.7% decrease from the 3-year average of 1,167. These percentages are somewhat influenced by the relatively high numbers in 2021.

Thefts and scams remain prevalent. Despite clear roads in the middle of the month, there has been a recent uptick in traffic collisions. The Yellowstone County DUI Task Force Angel Tree ceremony is December 19th at noon at the Courthouse. Officer Gabe Seibert is this year's recipient of the Award of Merit for the Laurel Police Department. He had 19 DUI arrests. They are adding 1 angel to the tree.

Staffing issues are a continued concern not only with our department but with surrounding agencies. We had a Reserve Officer receive minor injuries while assisting our lone patrol Officer on an arrest of a resistive suspect with a felony warrant. We are further lucky that two Reserve Officers were just clearing the football game and were able to transport. Our sole applicant for the Reserve Officer program did not make backgrounds. In three of the last four years, we have not been able to graduate anyone from the reserve program. We are going to have great difficulty in staffing many requests with Reserve Officers or full-time Officers for that matter.

Respectfully,

Chief Langve
