Other Reporting Information:

- We have had a few applications for the 2 full time paramedic positions and one that followed through and interviewed. He has accepted the position contingent on background check, City Council and Mayor final approval. We also interviewed 2 volunteer EMT applicants who have been offered positions with the same contingencies as the paramedic.
- We have updated our interview process to include a group interview board as well as a practical component. Once determined we want to bring them on board, I have worked with Chief Langve to do a background check and once that is complete we will complete the process with the City Council and Mayor approval.
- We are working with Matt Wheeler and the Mayor has approved us to train some of the Public Works employees to be drivers for times that we are not able to have a full crew and no fire driver available.
- The end of the year brings recertification time for many of our crews, working on ensuring they have the hours required to recertify.
- We are excited to announce that we have received a donation for some proper Stop the Bleed equipment and will work on announcing some class times in the near future.
- We had 2 of our staff attend a week long car seat safety check program. This program certifies them to inspect car seats for infants and children and make sure that they are properly installed. Although it seems like a simple thing to do, many accidents with car seats have proven that installation is a difficult thing to do correctly. The car seat technicians can evaluate and show you how to make sure it is safely installed and will hold properly in an accident. Again in the near future we will have a day where anyone can come and have their seats evaluated. In the mean time if you have anyone needing this service, reach out and we can schedule a time to have one of them get it all checked out.
- We received approval for the crew sleeping quarters and will begin working on getting this built. This is a huge improvement for our crews and we are excited!
- I have been asked to sit on multiple groups from around the state regarding establishing an EMS Advocacy group. I think this is really important for EMS in Montana and hopefully something that can help our service in the future as well.

Chief of Police Stan Langve

To whom it may concern,

Officer Jackson Booth and Narcotics K9 Colt have been working as a team since returning home in April of 2021. Officer Booth and K9 Colt have been a huge asset to the Laurel Police Department, the city of Billings, Yellowstone County, Stillwater County, Sweet Grass County, Carbon County, Montana Highway Patrol, Drug Enforcement Administration (DEA), Division of Criminal Investigations (DCI), and most importantly the community of Laurel.

From April 16th, 2021, until December 31st, 2021, Officer Booth and K9 Colt have been dispatched to 32 K9 deployments.

The team has 29 narcotic deployments and three tracking deployments. Out of those 29 narcotic deployments K9 Colt has been used 17 times with 15 positive alerts or indications to vehicles, with no false alerts. Out of those 28 narcotic deployments Officer Booth and K9 Colt have removed the following:

- 1,178.6 grams of methamphetamine, just under 3 pounds. With a street value of, \$117,860.
- 2.2 pounds of cocaine. Street value of \$99,790
- 21 grams of heroin. Street value \$2,100
- 2 grams of shrooms. Street value \$200
- 9 fentanyl pills. Street value \$990
- 1 loaded syringe of steroids.
- Thousands of dollars in drug paraphernalia.
- 9 guns.
- Stolen property.
- \$26,976 in illegal money
- 8 thousand dollars in forged checks.

The department is still waiting to hear back on amounts for two cases.

With this high volume of activity out of Officer Booth and K9 Colt agencies have been able to make 24 felony arrests. Some of these cases are still pending but some have already led to convictions.

Officer Booth and K9 Colt are also certified in tracking for lost or missing people. They were dispatched to three lost or missing person's calls.

Officer Booth and K9 Colt helped locate a suicidal male, near the Yellowstone River with the help of the Yellowstone County Sheriff's Office and the Billings Police Department K9 Unit.

- The male was later located by the Yellowstone County Sherriff's helicopter as K9 Teams were on his track. Officer Booth and K9 Colt also assisted in locating a missing resident from Laurel Health and Rehab with the assistance of the Billings Police Department K9 Unit as cover.

Officer Booth and K9 Colt have also helped conduct school sniffs at the request of school officials and the Billings Police Department K9 Unit. K9 Colt helped sniff lockers and cars at the Laurel High School and Middle School. Billings Senior High School, Ben Steele Middle School, and Broadview High School.

Officer Booth and K9 Colt have also been a part of doing narcotic sniffs for the inpatient treatment facilities in Billings such as Passages and Alternatives in Billings.

Officer Booth takes great pride in helping his community at all levels. He has taken K9 Colt to do demonstrations at schools to provide awareness to kids and young adults about drug use. They have done presentations at West Elementary, Columbus Middle School, and Broadwater High School. The team has also done demonstrations at the Yellowstone Valley Animal Shelter, Laurel Public Library, and the Sunshine Academy.

With 2022 just starting Officer Booth and K9 Colt already have had seven deployments and have seized meth, heroin, illegal marijuana, 3 guns, and 2,250 dollars in illegal money. With these deployments officers have been able to make five arrests. K9 Colt has also been apart of School sniffs at Laurel Public Schools and Billings Skyview High School.

The Laurel Police Department takes great pride in its organization and especially in this new program for the department. With Officer Booth and K9 Colt's great success they have been noticed for their hard work by departments and agencies around the country. It also should be recognized other small departments around the state have reached out to Officer Booth for tips and assistance with starting their own K9 programs within their departments.

Sincerely,

A handwritten signature in blue ink, appearing to be "RJ" followed by a stylized flourish.
