

**MINUTES  
CITY OF LAUREL  
PUBLIC WORKS COMMITTEE  
MAY 18, 2026**

The Public Works Committee meeting was called to order at 6 pm on Monday, 5/18/26, by Chair Jodi Mackay.

**Members Present:** Jodi Mackay – Chair, Irv Wilke – Vice Chair, Sara Naylor, Jessica Banks, Richard Herr, Amy Mullaney and Shawn Mullaney

**Others Present:** Matt Wheeler - Public Works Director

**Public Input:** None

**General Items:**

1. Approval of Minutes of 4/20/26. Motion made by Irv Wilke. Seconded by Jessica Banks. Passed 7-0
2. Emergency Call Out Report- Report attached  
Water related (i.e. Break at Splash Pad – resolved)  
Wind blew down barricades on RR street

**New Business:**

**Old Business:**

3. Engineering Services Update: MM on Council agenda for 5/19/26. If approved, Matt will plan to get with them to outline projects. Via Matt, Forrest advised 1<sup>st</sup> order of business – assess water pressure down Highway 10 (new line). It's currently a dead end line – would likely need a booster station or looped system for enough pressure for further tie ins.

Richard asked about water to the Love's RV park in the future – Matt thought it would need a booster station which would be the responsibility of Love's.

If approved, MM will attend PW meeting on 6/15.

4. Crosswalk @ Middle School: Curb work is done. Just needs some backfill

**Other Items:**

Getting paving quotes on RR Street. A culvert rotted out and had to be replaced with a concrete pipe – LURA funds covered pipe

Working on getting cemetery ready for Memorial Day. Cemetery wants to do paving. Funds in the budget.

Some water issues cropped up when turning water back on after winter

In order to do W. RR St will need to do storm water down Woodland. Jodi asked about redoing Yellowstone instead with infrastructure (it may be in worse shape). May be an option.

Water funds are being set aside for tank.

**Announcements**

Next Meeting will be Monday, 6/15/26, at 6pm in Council Chambers.

Meeting adjourned at 6:14 pm
