#### Other Items -

The Committee was provided an audit letter from Olness & Associates, P.C.

The Mayor gave an update on the solid waste fund. He stated that Billings City Council recently passed an increase to their landfill fees. This will affect the City of Laurel solid waste enterprise fund as we must take all our waste to the City of Billings landfill. The City is going to have to investigate ways to increase revenues as this fund has experienced a decrease in overall net position for a few years now due to increased landfill fees. This is due to expenditures exceeding revenues annually. The Mayor stated that he is continuing to investigate ways to help the Ambulance Department. The Chief wants a full time Ambulance crew hired. The Mayor is looking at many different options and setups.

Announcements – The next Budget and Finance Meeting will be held on July 2, 2019 at 5:30pm Bruce McGee will be reviewing claims for the next meeting
