**New Business:**

**Ditch Covering Task #5** – Construction has started. The power will be down this Thurs 12<sup>th</sup> from approx. 9am to 9:30am. They are expecting end of March to be completed for the initial construction to allow to turn on ditch. The landscaping will continue after that section is finished.

There was a mention from Dean about a ribbon cutting and celebration when this project is fully completed. Details to come.

**Lighting on SE 4<sup>th</sup> St. Task Order #6 –**

- Forrest will send the letters and packet to the land owners after some minor changes and additions were suggested.
- March 11<sup>th</sup> 4-6pm will be an open house for landowners
- Cheryl and Cami will work on the details for the zoom
- Forrest will get all the information sent over to Dean. Dean has volunteered to speak to landowners personally to talk about the project.

**Project 1:** Bids will be going out the end of Feb 2026. We are still waiting on MDT 100% design approval.

Cheryl and Cami will email Doug and Forrest details bout the upcoming community events that may be impacted by the construction for this project.

**Old Business:**
