**General Items**

1. LPB May 2, 2024, Minutes. Richard Klose moved, and Phyllis Bromgard seconded the approval of the minutes as presented. Motion passed.

**New Business**

2. Bike Park – No one showed up to present information. The Park Board still supports building a Bike Park at Fir Field with proper design and engineering.

**Old Business**

3. Other parks in Laurel – A larger pipe was installed feeding the Splash Park and it works much better. Lion’s Club has some benches the City is storing and will be asked if they can be installed at the Splash Park. Splash Park is a success.  
The newly hired summer help is doing very well mowing and able to accomplish other projects. Russell Park was vandalized, and inquiry is being made about cameras.  
Kiwanis Park is in the proposed budget to get an underground sprinkler.  
Lion’s Club has wondered about a concession renting paddleboards at south pond. Some discussion took place and it was decided that because it is not fresh water, that was not a good idea.
4. American Legion Building at Riverside Park – Working on the texturing.
5. Riverside Park - lead cleanup – Nothing New.
6. Riverside Hall - Lions Club – BB gun group is using and the Lion’s Club is fundraising to replace the doors
