

**AGENDA
CITY OF LAUREL
CITY COUNCIL MEETING
TUESDAY, JUNE 25, 2024
6:30 PM
COUNCIL CHAMBERS**

WELCOME . . . By your presence in the City Council Chambers, you are participating in the process of representative government. To encourage that participation, the City Council has specified times for citizen comments on its agenda -- once following the Consent Agenda, at which time citizens may address the Council concerning any brief community announcement not to exceed one minute in duration for any speaker; and again following Items Removed from the Consent Agenda, at which time citizens may address the Council on any matter of City business that is not on tonight's agenda. Each speaker will be limited to three minutes, unless the time limit is extended by the Mayor with the consent of the Council. Citizens may also comment on any item removed from the consent agenda prior to council action, with each speaker limited to three minutes, unless the time limit is extended by the Mayor with the consent of the Council. If a citizen would like to comment on an agenda item, we ask that you wait until the agenda item is presented to the Council by the Mayor and the public is asked to comment by the Mayor.

Any person who has any question concerning any agenda item may call the City Clerk-Treasurer's office to make an inquiry concerning the nature of the item described on the agenda. Your City government welcomes your interest and hopes you will attend the Laurel City Council meetings often.

Pledge of Allegiance

Roll Call of the Council

Approval of Minutes

1. Approval of Minutes of June 11, 2024.

Correspondence

Council Disclosure of Ex Parte Communications

Public Hearing

2. Public Hearing: A Resolution Of The City Council Approving Amendments To Appropriations And Revenues For The City Of Laurel's Fiscal Year 2023-2024 Budget.

Consent Items

NOTICE TO THE PUBLIC

*The Consent Calendar adopting the printed Recommended Council Action will be enacted with one vote. **The Mayor will first ask the Council members if any Council member wishes to remove any item from the Consent Calendar for discussion and consideration.** The matters removed from the Consent Calendar will be considered individually at the end of this Agenda under "Items Removed from the Consent Calendar." (See Section 12.) The entire Consent Calendar, with the exception of items removed to be discussed under "Items Removed from the Consent Calendar," is then voted upon by roll call under one motion.*

3. Claims entered through June 21, 2024.
4. Approval of Payroll Register for PPE 6/9/2024 totaling \$250,145.31.
5. Council Workshop Minutes of June 4, 2024.
6. Council Workshop Minutes of June 18, 2024.

Ceremonial Calendar

Reports of Boards and Commissions

7. Budget/Finance Committee Minutes of June 11, 2024.
8. Tree Board Minutes of June 13, 2024.

Audience Participation (Three-Minute Limit)

Citizens may address the Council regarding any item of City business that is not on tonight's agenda. Comments regarding tonight's agenda items will be accepted under Scheduled Matters. The duration for an individual speaking under Audience Participation is limited to three minutes. While all comments are welcome, the Council will not take action on any item not on the agenda.

Scheduled Matters

- [9.](#) Appointment of Halle Prom and Kaya Lowe to the Laurel Volunteer Fire Department.
- [10.](#) Resolution No. R24-44: A Resolution Of The City Council Approving The Landfill Use Agreement With The City Of Billings For Use Of The City Of Billings' Landfill Facilities.
- [11.](#) Resolution No. R24-45: A Resolution Of The City Council Approving Amendments To Appropriations And Revenues For The City Of Laurel's Fiscal Year 2023-2024 Budget.
- [12.](#) Resolution No. R24-46: A Resolution Of The City Council Authorizing The Adoption Of The City Of Laurel Amended Capital Improvement Plan.
- [13.](#) Resolution No. R24-47: A Resolution Of The Council Awarding The Bid And Authorizing The Mayor To Execute All Contract And Related Documents For The Purchase Of A Custom-Chassis Fire Truck From US Fire.
- [14.](#) Resolution No. R24-48: A Resolution Of The City Council Approving The Montana Department Of Transportation Title VI Plan For The City Of Laurel Transit.

Items Removed From the Consent Agenda

Community Announcements (One-Minute Limit)

This portion of the meeting is to provide an opportunity for citizens to address the Council regarding community announcements. The duration for an individual speaking under Community Announcements is limited to one minute. While all comments are welcome, the Council will not take action on any item not on the agenda.

Council Discussion

Council members may give the City Council a brief report regarding committees or groups in which they are involved.

Mayor Updates

Unscheduled Matters

Adjournment

The City makes reasonable accommodations for any known disability that may interfere with a person's ability to participate in this meeting. Persons needing accommodation must notify the City Clerk's Office to make needed arrangements. To make your request known, please call 406-628-7431, Ext. 2, or write to City Clerk, PO Box 10, Laurel, MT 59044, or present your request at City Hall, 115 West First Street, Laurel, Montana.

DRAFT

MINUTES OF THE CITY COUNCIL OF LAUREL

June 11, 2024

A regular meeting of the City Council of the City of Laurel, Montana, was held in the Council Chambers and called to order by Mayor Dave Waggoner at 6:29 p.m. on June 11, 2024.

COUNCIL MEMBERS PRESENT: Thomas Canape Heidi Sparks
 Michelle Mize Jessica Banks
 Casey Wheeler Irv Wilke
 Richard Klose Jodi Mackay

COUNCIL MEMBERS ABSENT: None

OTHER STAFF PRESENT: Kurt Markegard, Planning Director
 Brittney Harakal, Administrative Assistant

Mayor Waggoner led the Pledge of Allegiance to the American flag.

MINUTES:

Motion by Council Member Wilke to approve the minutes of the regular meeting of May 28, 2024, as presented, seconded by Council Member Sparks. With no objection, the minutes of the regular meeting of May 14, 2024, as presented, were approved. There was no public comment or Council discussion.

CORRESPONDENCE:

- Resignation from Library Board - Lela Schlitz
- Police Monthly Report - May 2024
- Fire Monthly Report - May 2024.
- City/County Planning Board Reappointment - Judy Goldsby

COUNCIL DISCLOSURE OF EX PARTE COMMUNICATIONS: None.

PUBLIC HEARING:

- Public Hearing: A Resolution Of The City Council For Annexation Of Property Legally Described As A Portion Of Lot 7a-1, Of The Amended Plat Of Tracts 6a And 7a, Of The Amended Plat Of Tracts 6 And 7, Of Westbrooks Subdivision, Yellowstone County, Montana, According To The Official Plat On File In The Office Of The Clerk And Recorder Of Said County, Under Document No. 1684287. Excepting Therefrom That Portion Granted Unto The State Of Montana By Virtue Of Bargain And Sale Deed Recorded January 25, 1965, Book 807, Under Document No. 747048; And Excepting Therefrom That Portion Granted Unto The Montana Department Of Transportation By Virtue Of Bargain And Sale Deeds Recorded September 13, 2017 Under Document No. 3827294 And 3827295; And Excepting Therefrom That Portion Granted Unto The Montana Department Of Transportation By Virtue Of Warranty Deeds Recorded September 13, 2017 Under Document No. 3827296 And 3827297. Adjacent To The City Of Laurel, As An Addition To The City Of Laurel, Yellowstone County, Montana, With Concurrent Approval Of Zoning Designation Upon Annexation Of The Property.

Mayor Waggoner opened the public hearing and asked Staff to present the item.

Kurt Markegard, Planning Director, briefly reviewed the attached Staff report. He received no written comments for or against this item.

Mayor Waggoner opened the floor for public comment and stated that copies of the rules governing the public hearing were posted in the Council chambers.

Mayor Waggoner asked three (3) times if there were any proponents. There were none.

Mayor Waggoner asked three (3) times if there were any opponents. There were none.

Mayor Waggoner stated that he would not have Staff respond to questions as there were none.

Mayor Waggoner closed the public hearing.

CONSENT ITEMS:

- **Claims entered through June 7, 2024.**
A complete listing of the claims and their amounts is on file in the Clerk/Treasurer's Office.
- **Approval of Payroll Register for PPE 5/26/2024 totaling \$205,606.34.**
- **Council Workshop Minutes of June 4, 2024.**

The Mayor asked if there was any separation of consent items. There was none.

Motion by Council Member Klose to approve the consent items as presented, seconded by Council Member Wilke. With no objection, the minutes of the Consent Agenda of June 11, 2024, as presented, were approved. There was no public comment or Council discussion.

CEREMONIAL CALENDAR: None.

REPORTS OF BOARDS AND COMMISSIONS:

- Budget/Finance Committee Minutes of May 28, 2024.
- Tree Board Minutes of May 9, 2024.

Laurel, Montana 59044

Office of the Planning Director

PLANNING BOARD AND ZONING COMMISSION

A portion of Westbrook's Subdivision Tract 7A-1 of the amended plat of Tracts 6A and 7A of the amended plat of tracts 6 and 7 of Westbrook's Subdivision and a portion of Tract 5 of Westbrook's Subdivision less Highway ROW Annexation and Initial Zoning

Applicant:

Michael Stitzinger
Hans Stitzinger
James Stitzinger
5931 Ridgeview Dr.
Doylestown, PA 18902-1379

The Stitzinger Family is 100% of the land ownership. Annexation pursuant to §7-2-4601 et. seq. MCA. (Annexation by Petition).

Request:

The applicants representing 100% of the ownership of lands involved, has Petitioned the City of Laurel for Annexation of approximately 23.17 acres of property adjacent to the City of Laurel with an initial Zoning Designation of Highway Commercial for concurrent review.

The subject property is generally described as a Lot 7A1, A portion of Westbrook's Subdivision Tract 7A-1 of the amended plat of Tracts 6A and 7A of the amended plat of tracts 6 and 7 of Westbrook's Subdivision and a portion of Tract 5 of Westbrook's Subdivision less Highway ROW Section 17, Township 2 South, Range 24 East P.M.M., Yellowstone County, Montana, An annexation Exhibit, which is incorporated into this report by reference, has been submitted in support of the Petition and Requested Initial Zoning.

Process:

The annexation petition and requested initial zoning has been scheduled for consideration and a public hearing by the Laurel – Yellowstone City County Planning Board and Zoning Commission for 6 p.m. on Wednesday, April 17, 2024. The City Council will consider the annexation and zoning designation at a future council meeting.

Analysis of the Request

- The Stitzinger Family represents 100% of the land ownership involved in the petition.
- The 2020 Laurel Growth Policy designates the property as a ‘growth area’ of the city.
- The current use of the property is nonproductive agriculture as nothing has been planted on the property since the new highway interchange was constructed.
- The requested zone Laurel “Highway Commercial” provides uses compatible to lands adjacent to roads and is consistent with the requirements of R-08-22 that lands embraced by the city be assigned R-7500 or greater. This property is not conducive to residential development.
- The subject property was presumed to be zoned “Highway Commercial” and is now presumed to be not zoned but Yellowstone County is in the process to zone it “Highway Commercial”.
- **Highway commercial (HC) district - The purpose of this district is to provide areas for commercial and service enterprises which are intended primarily to serve the needs of the tourist, traveler, recreationist, or the general traveling public. Areas designated as highway commercial should be located in the vicinity of, and accessible from freeway interchanges, intersections in limited access highways, or adjacent to primary or secondary highways. The manner in which the services and commercial activities are offered should be carefully planned in order to minimize the hazard to the safety of the surrounding community and those who use such services; and to prevent long strips of commercially zoned property.**
- MCA 76-2-Part 46 annexation requires that the land use designation be ‘consistent with the prevailing use of the property, consistent with the prevailing County Zoning Assignment, and/or consistent with the current growth policy’. All lands outside the City of Laurel were previously thought to have been extraterritorial zoned and Yellowstone County is now exercising zoning authority from 2024 and forward.
- In addition to the extension of urban scale services the City Zoning provides options for development that are not available to rural properties.
- The initial zoning must be considered under City Resolution R-08-22 (Annexation), the Laurel Municipal Code Title 17 (Zoning).
- The question of annexation and initial zoning must be heard by the Laurel – Yellowstone City County Planning Board and Zoning Commission to give a recommendation of the zoning assignment to the City of Laurel City Council.
- Is the requested annexation and initial zoning in the best interest of the City and Citizens of the City of Laurel.
- The property is situated such that street rights-of-way will need to be annexed to the subject property. The highways in the area are under the control of the Montana Department of Transportation.

Findings:

- ✓ The subject property is adjacent to the City of Laurel via a street connection.
- ✓ The City Council is not required to submit the question of annexation to the qualified electors of the area to be annexed as the petition is signed by 100% of the owners.
- ✓ The city may annex the property as 100% of the ownership of same has petitioned the city for annexation.
- ✓ The driver for the annexation request is to develop the property for commercial purposes. The agents working with the property owners want to have city water and sewer services.
- ✓ The property has been identified as a high priority area in Chapter 7.5, Annexation, of the 2020 Growth Policy and is included in the Planning Jurisdiction Map annexation priority boundaries. As such, the requested zoning is consistent with the Laurel Growth Policy.
- ✓ The proposed assignment of “Highway Commercial” meets all the statutory requirements of MCA 76-2-46 annexation and zoning assignment.
- ✓ The Laurel “Highway Commercial” Zone is determined to be a “greater than” R-7500 classification density.
- ✓ The extension of city services will be at the owner’s expense (R-08-22) and in accordance with the Annexation Agreement or a development agreement as approved by the City Council and requirements of the Public Works Department and the Montana Department of Transportation
- ✓ The city can provide services to the property both existing and proposed if extension of water, sewer. Storm water will have to be stored on site.

12 Point Test for Zoning:

- I. Is the zoning in accordance with the growth policy;
 - The Growth Policy identifies all the property proposed for annexation as an annexation priority area.
 - Resolution R-08-22 requires zoning assignment at annexation at R-7500 or greater.
 - The Zone “Highway Commercial” meets the definition as ‘greater than’ R-7500 and is not a residential planned area.

Finding:

The requested zoning is in accordance with the Growth Policy.

- II. Is the zoning designed to lessen congestion in the streets;
 - The proposed zoning along with the annexation agreement will allow development of the property consistent with the adjoining interstate traffic.
 - Proposed development that would potentially impact roads and a traffic impact analysis is being developed for the Montana Department of Transportation.
 - Highways adjacent to this property are all within the Montana Department of Transportation. City streets are not in the area.

Finding:

The requested zoning will have a material impact on the State of Montana Department of Transportation. The City may see increased traffic as with any added development of property.

- III. Is the zoning designed to secure safety from fire, panic, and other dangers;
- Fire hydrants and water supply should be adequate if they meet the requirements from the Public Works Department.

Finding:

The requested zoning will not have an adverse impact on safety from fire, panic, or other dangers.

- IV. Is the zoning designed to promote health and the general welfare;
- The land is adjacent to the interstate highway system and “highway commercial” zoning allows for land uses to provide places for the traveling public to eat, fuel their vehicles, and rest.

Finding:

The requested zoning will promote the public health and the general welfare.

- V. Is the zoning designed to provide adequate light and air;
- The existing zoning imposes building setbacks, height limits, limits on the number of buildings on a single parcel, and reasonable area limits on new development.
 - The proposed “Highway Commercial” zone provides restrictions on structure height, setbacks, lot coverage. These standards exist to provide open spaces and adequate light and air.
 - The existing development has more than adequate separation from surrounding uses.

Finding

The requested zoning will provide adequate light and air.

- VI. Is the zoning designed to prevent the overcrowding of land;
- The existing zoning imposes building setbacks, height limits, limits on the number of buildings on a single parcel, and reasonable area limits on new development.

Finding:

The proposed zoning will prevent the overcrowding of land.

- VII. Is the zoning designed to avoid undue concentration of population;
- The existing zoning imposes building setbacks, height limits, limits on the number of buildings on a single parcel, and reasonable area limits on new development.
 - The subject property is large enough to provide adequate separation from surrounding uses.
 - The property is not going to be used for residential development with the “Highway Commercial” designation.

Finding:

The proposed zoning will prevent the undue concentration of population.

- VIII. Is the zoning designed to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements;
- The requested zoning will allow for transportation services as defined in “Highway Commercial” designation in the Laurel Municipal Code.

Finding:

The requested zoning will facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements.

- IX. Does the zoning give reasonable consideration to the character of the district and its peculiar suitability for particular uses;
- The requested zoning is consistent with the Growth Policy.
 - The property is compatible with surrounding development and had been believe to be previously zoned “Highway Commercial” in the extraterritorial zoning for the City of Laurel.
 - The water and sewer infrastructure with this annexation is for the intended use of the property and will need final approval from the City of Laurel City Council and the Public Works Department as well as the Montana Department of Transportation.

Finding:

The requested zoning is consistent with surrounding uses, the Growth Policy and provides for opportunities with suitable uses.

- X. Does the zoning give reasonable consideration to the peculiar suitability of the property for its particular uses;
- The requested zoning is consistent with the Growth Policy.
 - The property is compatible with surrounding development and is consistent with interstate highways adjacent to the property.
 - The water and sewer infrastructure proposed with the annexation will have to meet infrastructure requirements by the Public Works Department and the Montana Department of Transportation.

Finding:

The requested zoning is in keeping with the character of the development in the area.

- XI. Will the zoning conserve the value of buildings;
- The extension and availability of public water and sewer resultant from annexation and initial zoning will add value to buildings as the proposed use is substantially like or complementary to surrounding buildings and uses.
 - The requested zoning is consistent with the Growth Policy.
 - The proposed zoning is not anticipated that there would be any adverse effect on the value of surrounding buildings or lands.

Finding:

The value of existing buildings both on and adjacent to the requested zone will either be enhanced or not affected by the proposed zoning.

- XII. Will the zoning encourage the most appropriate use of land throughout the municipality?
- The requested zoning is consistent with the Growth Policy.
 - The requested zoning is consistent with the prevailing land uses and zoning surrounding the property.

Finding:

The requested zoning provides for the most appropriate use of land in the municipality which will keep non-residential traffic close to the interstate.

Conclusion:

The petition for annexation into the City of Laurel with the initial zoning assignment of Laurel “Highway Commercial” appears to be consistent with the requirements of City Council Resolution R-08-22. Additionally, the annexation, extension of services, and initial zoning assignment is in the best interest of both the City of Laurel and the property owners.

RECOMMENDATION

The Laurel – Yellowstone City County Planning Board should find that “Highway Commercial” zoning is an appropriate zoning designation and recommend that the Laurel City Council adopt the Findings of Fact outlined in this report. The City Council must annex the lands and can hold a joint Public Hearing allowed for in MCA 76-2-303 3(B)) A joint hearing authorized under this subsection (3) fulfills a municipality's obligation regarding zoning notice and public hearing for a proposed annexation. Laurel Municipal Code chapter 17.12.220(G) The hearing for annexation and zone change may be held at the same time.

- That an Amended Plat or Certificate of Survey suitable for filing with Yellowstone County that describes the tract of land to be annexed be submitted.
- That an Annexation Agreement or development agreement is submitted for acceptance by the City Council.

Map for proposed annexation for a portion of Lot7A1 of the amended plat of Tracts 6 and 7 and a portion of tract 5 of West brook Subdivision and the adjoining highway rights of way.

<input checked="" type="checkbox"/> Casey Wheeler	<input checked="" type="checkbox"/> Irv Wilke
<input checked="" type="checkbox"/> Richard Klose	<input checked="" type="checkbox"/> Jodi Mackay

OTHERS PRESENT:

Brittney Harakal, Council Administrative Assistant
Kelly Strecker, Clerk/Treasurer
Kurt Markegard, Planning Director
JW Hopper, Fire Chief

Public Input:

There were none.

General Items

Executive Review

1. Resolution - A Resolution Of The City Council For Annexation Of Property Legally Described As A Portion Of Lot 7a-1, Of The Amended Plat Of Tracts 6a And 7a, Of The Amended Plat Of Tracts 6 And 7, Of Westbrooks Subdivision, Yellowstone County, Montana, According To The Official Plat On File In The Office Of The Clerk And Recorder Of Said County, Under Document No. 1684287. Excepting Therefrom That Portion Granted Unto The State Of Montana By Virtue Of Bargain And Sale Deed Recorded January 25, 1965, Book 807, Under Document No. 747048; And Excepting Therefrom That Portion Granted Unto The Montana Department Of Transportation By Virtue Of Bargain And Sale Deeds Recorded September 13, 2017 Under Document No. 3827294 And 3827295; And Excepting Therefrom That Portion Granted Unto The Montana Department Of Transportation By Virtue Of Warranty Deeds Recorded September 13, 2017 Under Document No. 3827296 And 3827297. Adjacent To The City Of Laurel, As An Addition To The City Of Laurel, Yellowstone County, Montana, With Concurrent Approval Of Zoning Designation Upon Annexation Of The Property.

The Planning Director briefly reviewed the attached Staff report. There will be a public hearing at next week's meeting. The Developer will put in water and sewer out to their property. The only concerns brought up at the City/County Planning Board were about the water and sewer lines going past properties. The State does have an overlay project

slated to begin this year for that section of road. That project will be on hold if this project moves forward. The Developer has asked for a latecomers agreement stating that if anyone connects into these improvements within seven years of the line going live there will be reimbursement to the Developer for their extension expenses. The development agreement must be entered into once the water and sewer lines go live. The Developer plans to bring in Arby's as the restaurant of choice.

It was questioned if there is a concern over the additional policing needs. It was clarified that part of the annexation process is to send the annexation out to all Department Heads for their feedback. There were no concerns raised. There should be minimal traffic impact.

As far as the impact on water usage, no booster stations will be needed. The estimated use is seven gal/min. The Developer has decided not to move forward with a truck wash which would have required additional water usage.

It was questioned how far out water and sewer would be run. It was clarified that they plan to run water and sewer services out to the very east part of their property. It will be short of the interchange.

It was questioned if the Public Works Director had any additional concerns. It was clarified the Public Works Director was included in all meetings and did not raise any additional concerns.

Shawn Baker, Developer, stated they are very excited to get a Laurel location. They have national contracts and have to provide service within a certain distance. This location will assist in meeting the needs of their customers.

Mayor Waggoner stated he recently stopped at the Love's store in Hardin and it was a beautiful store.

Mr. Baker, stated they are also looking at potentially putting in an RV park across the street as well.

It was questioned if there would be a casino. It was clarified that when they are allowed to have a casino, they would like to as it is a revenue line for them. However, they do not have to have one.

It was questioned how big the Laurel location would be as compared to the Hardin location. It was clarified that the Laurel location will be bigger. It will be nicer and more lit up.

Various Council Members noted that when they have stopped at other Love's locations they have had good experiences. It was clarified that they do their best to keep car and truck traffic separated to make the locations as safe as possible.

It was questioned if there will be more traffic control as this area gets busier. It was clarified that the intersection is State and County, so it will be a wait-and-see what signaling will be put in place.

It was questioned if they anticipate truck traffic coming through town. It was clarified that they do their best to design locations to limit traffic through town. However, roads are open to the highway traveling public.

2. Appointments to the Public Works Committee. (Two Vacancies - No Term Expiration)

We have received no letters of interest.

3. Appointment to the Laurel Airport Authority. (One Vacancy - Five-Year Term)

We have received one letter of interest from James Wise.

4. Appointments to Cemetery Commission. (Three Vacancies - Two-Year Term)

We have received three letters of interest from Richard Klose, Steven Hurd, and Wallace Hall.

5. Appointment to Laurel Urban Renewal Agency. (One Vacancy - Four-Year Term)

We have received one letter of interest from Mardie Spalinger.

6. Appointment to the Library Board. (One Vacancy - Five-Year Term)

We have received no letters of interest.

7. City/County Planning Board Appointments. (Two Vacancies - Two Year - Term)

We have received one letter of interest from Richard Klose.

8. Tree Board Appointments. (Two Vacancies - Three-Year Term)

We have received no letters of interest.

Council Issues

9. Discussion on City-Owned Bulk Water Station

Recently, the Public Works Committee discussed the possibility of building a bulk water station. There would be an upfront cost, but it would potentially bring in more revenue to the City. This discussion is to see if this is something the Council would like to consider moving forward with. It was clarified that this project would be funded through the Water Fund. All revenue would go back into the Water Fund.

These revenues can be used to build the new water reservoir, fund projects at the Water Treatment Plant, or meet any other water-related needs.

Council noted that it would be convenient to have a stop towards the north of town so that traffic does not need to go through town as it is hard on our streets.

It was clarified that the City would not compete with the private entity selling bulk water. If the City moved forward with a bulk water station they would install a credit card system so that no coin is needed to get water.

The Council noted that it does send a message to our community that the City is trying to find ways to bring in additional revenues so that it is not just on the resident's shoulders.

There is a location between W. 12th Street and the Big Ditch that could be used. Some corrections need to be made to the annexation of this area as it was not filed with the County. It is not a difficult process to get this annexed into the City.

Council questioned what the next steps are to move this project forward. Mayor Waggoner stated he would have Staff work on moving this project forward.

10. Discussion on Fire Truck

USA Fire was the only bid received by the City. Bids were opened last Thursday. The bid came in the same as the previously quoted amount. The Fire Department has asked to finance the 1.4 million to replace all the gear on the truck as well. The gear is from 1994 and needs to be replaced. One of the ways to reduce costs is to purchase a multifunction nosal so multiple nosals do not need to be purchased. The 400k ask is to allow for a cushion in outfitting the truck.

The vendor has stated that the current engines are going faster than they had initially anticipated. The new generation of engines will cost approximately 100k more.

It was questioned when the City will be rated for ISO again. It was clarified that the City received its current ISO rating in 2023. The Fire Chief noted that it will be challenging to keep our current ISO rating with our current engines.

The question in front of the Council is do they want to vendor to amend the bid to include outfitting the truck with a potential increase in cost for those items or do they want to get those items individually. When it comes to financing, this is one project and will need to be brought forward as a package deal.

It was clarified that this truck is not listed in the CIP. In order to get financing, it needs to be listed in the CIP. The CIP can be amended but will need to be done prior to accepting the bid.

It was clarified that items under 80k are quoted. The purchasing policy requires three quotes to be obtained.

Council asked that the bid come forward at the next Workshop.

Other Items

A Council Member noted how often the sign at Chevy was changing. It was questioned if there was anything that could be done about that. Mayor Waggoner stated the Planning Director would follow up.

Grace Bible Church helped with the Clean Up Day. They took many loads to the dump. They are also painting all 300 fire hydrants in the City. Big thank you to those who helped with Clean Up Day.

Attendance at Upcoming Council Meeting

All Council Members present will be at next week's meeting.

Announcements

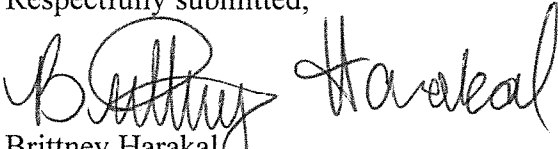

The next Park Board meeting is Thursday at 5:30 p.m. in Council Chambers.

The next Tree Board meeting is June 13, 2024, at 4:30 p.m. in the Council Conference Room.

The State Firefighter's Memorial has a run scheduled this Friday. They are still looking for volunteers to work the run; if you are interested in helping, be there at 5:00 p.m. On Saturday there will be a memorial at 11:00 a.m. with a lunch to follow.

The council workshop adjourned at 7:45 p.m.

Respectfully submitted,

Brittney Harakal
Administrative Assistant

NOTE: This meeting is open to the public. This meeting is for information and discussion of the Council for the listed workshop agenda items.

City Of Laurel

P.O. Box 10
Laurel, Montana 59044

Office of the Planning Director

PLANNING BOARD AND ZONING COMMISSION
A portion of Westbrook's Subdivision Tract 7A-1 of the
amended plat of Tracts 6A and 7A of the amended plat of tracts 6
and 7 of Westbrook's Subdivision and a portion of Tract 5 of
Westbrook's Subdivision less Highway ROW
Annexation and Initial Zoning

Applicant:

Michael Stitzinger
Hans Stitzinger
James Stitzinger
5931 Ridgeview Dr.
Doylestown, PA 18902-1379

The Stitzinger Family is 100% of the land ownership. Annexation pursuant to §7-2-4601 et. seq. MCA. (Annexation by Petition).

Request:

The applicants representing 100% of the ownership of lands involved, has Petitioned the City of Laurel for Annexation of approximately 23.17 acres of property adjacent to the City of Laurel with an initial Zoning Designation of Highway Commercial for concurrent review.

The subject property is generally described as a Lot 7A1, A portion of Westbrook's Subdivision Tract 7A-1 of the amended plat of Tracts 6A and 7A of the amended plat of tracts 6 and 7 of Westbrook's Subdivision and a portion of Tract 5 of Westbrook's Subdivision less Highway ROW Section 17, Township 2 South, Range 24 East P.M.M., Yellowstone County, Montana, An annexation Exhibit, which is incorporated into this report by reference, has been submitted in support of the Petition and Requested Initial Zoning.

Process:

The annexation petition and requested initial zoning has been scheduled for consideration and a public hearing by the Laurel – Yellowstone City County Planning Board and Zoning Commission for 6 p.m. on Wednesday, April 17, 2024. The City Council will consider the annexation and zoning designation at a future council meeting.

Analysis of the Request

- The Stitzinger Family represents 100% of the land ownership involved in the petition.
- The 2020 Laurel Growth Policy designates the property as a ‘growth area’ of the city.
- The current use of the property is nonproductive agriculture as nothing has been planted on the property since the new highway interchange was constructed.
- The requested zone Laurel “Highway Commercial” provides uses compatible to lands adjacent to roads and is consistent with the requirements of R-08-22 that lands embraced by the city be assigned R-7500 or greater. This property is not conducive to residential development.
- The subject property was presumed to be zoned “Highway Commercial” and is now presumed to be not zoned but Yellowstone County is in the process to zone it “Highway Commercial”.
- **Highway commercial (HC) district - The purpose of this district is to provide areas for commercial and service enterprises which are intended primarily to serve the needs of the tourist, traveler, recreationist, or the general traveling public. Areas designated as highway commercial should be located in the vicinity of, and accessible from freeway interchanges, intersections in limited access highways, or adjacent to primary or secondary highways. The manner in which the services and commercial activities are offered should be carefully planned in order to minimize the hazard to the safety of the surrounding community and those who use such services; and to prevent long strips of commercially zoned property.**
- MCA 76-2-Part 46 annexation requires that the land use designation be ‘consistent with the prevailing use of the property, consistent with the prevailing County Zoning Assignment, and/or consistent with the current growth policy’. All lands outside the City of Laurel were previously thought to have been extraterritorial zoned and Yellowstone County is now exercising zoning authority from 2024 and forward.
- In addition to the extension of urban scale services the City Zoning provides options for development that are not available to rural properties.
- The initial zoning must be considered under City Resolution R-08-22 (Annexation), the Laurel Municipal Code Title 17 (Zoning).
- The question of annexation and initial zoning must be heard by the Laurel – Yellowstone City County Planning Board and Zoning Commission to give a recommendation of the zoning assignment to the City of Laurel City Council.
- Is the requested annexation and initial zoning in the best interest of the City and Citizens of the City of Laurel.
- The property is situated such that street rights-of-way will need to be annexed to the subject property. The highways in the area are under the control of the Montana Department of Transportation.

Findings:

- ✓ The subject property is adjacent to the City of Laurel via a street connection.
- ✓ The City Council is not required to submit the question of annexation to the qualified electors of the area to be annexed as the petition is signed by 100% of the owners.
- ✓ The city may annex the property as 100% of the ownership of same has petitioned the city for annexation.
- ✓ The driver for the annexation request is to develop the property for commercial purposes. The agents working with the property owners want to have city water and sewer services.
- ✓ The property has been identified as a high priority area in Chapter 7.5, Annexation, of the 2020 Growth Policy and is included in the Planning Jurisdiction Map annexation priority boundaries. As such, the requested zoning is consistent with the Laurel Growth Policy.
- ✓ The proposed assignment of “Highway Commercial” meets all the statutory requirements of MCA 76-2-46 annexation and zoning assignment.
- ✓ The Laurel “Highway Commercial” Zone is determined to be a “greater than” R-7500 classification density.
- ✓ The extension of city services will be at the owner’s expense (R-08-22) and in accordance with the Annexation Agreement or a development agreement as approved by the City Council and requirements of the Public Works Department and the Montana Department of Transportation
- ✓ The city can provide services to the property both existing and proposed if extension of water, sewer. Storm water will have to be stored on site.

12 Point Test for Zoning:

- I. Is the zoning in accordance with the growth policy;
 - The Growth Policy identifies all the property proposed for annexation as an annexation priority area.
 - Resolution R-08-22 requires zoning assignment at annexation at R-7500 or greater.
 - The Zone “Highway Commercial” meets the definition as ‘greater than’ R-7500 and is not a residential planned area.

Finding:

The requested zoning is in accordance with the Growth Policy.

- II. Is the zoning designed to lessen congestion in the streets;
 - The proposed zoning along with the annexation agreement will allow development of the property consistent with the adjoining interstate traffic.
 - Proposed development that would potentially impact roads and a traffic impact analysis is being developed for the Montana Department of Transportation.
 - Highways adjacent to this property are all within the Montana Department of Transportation. City streets are not in the area.

Finding:

The requested zoning will have a material impact on the State of Montana Department of Transportation. The City may see increased traffic as with any added development of property.

- III. Is the zoning designed to secure safety from fire, panic, and other dangers;
- Fire hydrants and water supply should be adequate if they meet the requirements from the Public Works Department.

Finding:

The requested zoning will not have an adverse impact on safety from fire, panic, or other dangers.

- IV. Is the zoning designed to promote health and the general welfare;
- The land is adjacent to the interstate highway system and “highway commercial” zoning allows for land uses to provide places for the traveling public to eat, fuel their vehicles, and rest.

Finding:

The requested zoning will promote the public health and the general welfare.

- V. Is the zoning designed to provide adequate light and air;
- The existing zoning imposes building setbacks, height limits, limits on the number of buildings on a single parcel, and reasonable area limits on new development.
 - The proposed “Highway Commercial” zone provides restrictions on structure height, setbacks, lot coverage. These standards exist to provide open spaces and adequate light and air.
 - The existing development has more than adequate separation from surrounding uses.

Finding

The requested zoning will provide adequate light and air.

- VI. Is the zoning designed to prevent the overcrowding of land;
- The existing zoning imposes building setbacks, height limits, limits on the number of buildings on a single parcel, and reasonable area limits on new development.

Finding:

The proposed zoning will prevent the overcrowding of land.

- VII. Is the zoning designed to avoid undue concentration of population;
- The existing zoning imposes building setbacks, height limits, limits on the number of buildings on a single parcel, and reasonable area limits on new development.
 - The subject property is large enough to provide adequate separation from surrounding uses.
 - The property is not going to be used for residential development with the “Highway Commercial” designation.

Finding:

The proposed zoning will prevent the undue concentration of population.

- VIII. Is the zoning designed to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements;
- The requested zoning will allow for transportation services as defined in “Highway Commercial” designation in the Laurel Municipal Code.

Finding:

The requested zoning will facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements.

- IX. Does the zoning give reasonable consideration to the character of the district and its peculiar suitability for particular uses;
- The requested zoning is consistent with the Growth Policy.
 - The property is compatible with surrounding development and had been believe to be previously zoned “Highway Commercial” in the extraterritorial zoning for the City of Laurel.
 - The water and sewer infrastructure with this annexation is for the intended use of the property and will need final approval from the City of Laurel City Council and the Public Works Department as well as the Montana Department of Transportation.

Finding:

The requested zoning is consistent with surrounding uses, the Growth Policy and provides for opportunities with suitable uses.

- X. Does the zoning give reasonable consideration to the peculiar suitability of the property for its particular uses;
- The requested zoning is consistent with the Growth Policy.
 - The property is compatible with surrounding development and is consistent with interstate highways adjacent to the property.
 - The water and sewer infrastructure proposed with the annexation will have to meet infrastructure requirements by the Public Works Department and the Montana Department of Transportation.

Finding:

The requested zoning is in keeping with the character of the development in the area.

- XI. Will the zoning conserve the value of buildings;
- The extension and availability of public water and sewer resultant from annexation and initial zoning will add value to buildings as the proposed use is substantially like or complementary to surrounding buildings and uses.
 - The requested zoning is consistent with the Growth Policy.
 - The proposed zoning is not anticipated that there would be any adverse effect on the value of surrounding buildings or lands.

Finding:

The value of existing buildings both on and adjacent to the requested zone will either be enhanced or not affected by the proposed zoning.

- XII. Will the zoning encourage the most appropriate use of land throughout the municipality?
- The requested zoning is consistent with the Growth Policy.
 - The requested zoning is consistent with the prevailing land uses and zoning surrounding the property.

Finding:

The requested zoning provides for the most appropriate use of land in the municipality which will keep non-residential traffic close to the interstate.

Conclusion:

The petition for annexation into the City of Laurel with the initial zoning assignment of Laurel “Highway Commercial” appears to be consistent with the requirements of City Council Resolution R-08-22. Additionally, the annexation, extension of services, and initial zoning assignment is in the best interest of both the City of Laurel and the property owners.

RECOMMENDATION

The Laurel – Yellowstone City County Planning Board should find that “Highway Commercial” zoning is an appropriate zoning designation and recommend that the Laurel City Council adopt the Findings of Fact outlined in this report. The City Council must annex the lands and can hold a joint Public Hearing allowed for in MCA 76-2-303 3(B)) A joint hearing authorized under this subsection (3) fulfills a municipality's obligation regarding zoning notice and public hearing for a proposed annexation. Laurel Municipal Code chapter 17.12.220(G) The hearing for annexation and zone change may be held at the same time.

- That an Amended Plat or Certificate of Survey suitable for filing with Yellowstone County that describes the tract of land to be annexed be submitted.
- That an Annexation Agreement or development agreement is submitted for acceptance by the City Council.

Map for proposed annexation for a portion of Lot7A1 of the amended plat of Tracts 6 and 7 and a portion of tract 5 of West brook Subdivision and the adjoining highway rights of way.

6. Council Workshop Minutes of June 18, 2024.

**MINUTES
CITY OF LAUREL
CITY COUNCIL WORKSHOP
TUESDAY, JUNE 18, 2024**

A Council Workshop was held in Council Chambers and called to order by Mayor Dave Waggoner at 6:30 p.m. on June 18, 2024.

COUNCIL MEMBERS PRESENT:

<input checked="" type="checkbox"/> Tom Canape	<input checked="" type="checkbox"/> Heidi Sparks
<input type="checkbox"/> Michelle Mize	<input checked="" type="checkbox"/> Jessica Banks
<input checked="" type="checkbox"/> Casey Wheeler	<input checked="" type="checkbox"/> Irv Wilke
<input checked="" type="checkbox"/> Richard Klose	<input checked="" type="checkbox"/> Jodi Mackay

OTHERS PRESENT:

Brittney Harakal, Council Administrative Assistant
Kelly Strecker, Clerk/Treasurer
Matt Wheeler, Public Works Director
Stan Langve, Police Chief
JW Hopper, Fire Chief (7:02 p.m.)

Public Input:

Taylor McBurney, 505 4th Avenue, asked that the issues on S. 6th Avenue be addressed; see attached handouts.

General Items

1. General Fund Fiscal Health Review

Kelly Strecker, Clerk/Treasurer, briefly reviewed the attached memo and budget documents. She encouraged the Council to spend some time reviewing the budget and reach out to her if they have any questions.

Executive Review

2. Resolution - A Resolution Of Intent Of The City Council To Approve Street Vacation Petition And Set Public Hearing

Part of S. Montana Avenue was vacated many years ago. This request is to vacate the rest of the road. There are public utilities under this road. It was clarified that nothing can be built over public utilities.

3. Resolution - A Resolution Of The City Council Approving The Landfill Use Agreement With The City Of Billings For Use Of The City Of Billings' Landfill Facilities. The City has to dump at the Billings Landfill. On occasion, Billings raises their rates. The Public Works Director does not anticipate any issues with this rate increase.
4. Resolution - A Resolution Of The City Council Approving Amendments To Appropriations And Revenues For The City Of Laurel's Fiscal Year 2023-2024 Budget.

As we are nearing the end of this fiscal year the Clerk/Treasurer needed to identify any needed budget amendments. One of these budget amendments is the annual budget amendment for the Federal Equitable Sharing. The City cannot budget any revenues or expenditures and, therefore, at the end of the year must do a budget amendment. The others are for the Library, Splash Park, and the SID on 4th loan payment.

The Police Chief gave a brief overview of how Federal Equitable Sharing works.

5. Resolution - A Resolution Of The City Council Authorizing The Adoption Of The City Of Laurel Amended Capital Improvement Plan.

This amendment is to remove the ladder truck listed in the CIP and replace it with the pumper truck being asked for by the Fire Department. In order to get a grant or loan, the City must provide a copy of the CIP. Council will be able to see the redlined changes within the CIP.

6. Resolution - A Resolution Of The Council Awarding The Bid And Authorizing The Mayor To Execute All Contract And Related Documents For The Purchase Of A Custom-Chassis Fire Truck From US Fire.

Mayor Waggoner read the attached letter from Michelle Patrick of 512 Idaho Avenue.

The Fire Chief responded that the Department could look at repairing the pump. However, it does not suffice the ISO rating and will cause insurance rates to go up.

It was questioned what insurance companies use an ISO rating. Insurance companies have not used them since 1984. The Fire Chief stated that he recently had a Developer call and asked what he could do to reduce his ISO rating, as anything in the County is automatically a 10. Mayor Waggoner stated he also spoke with an insurance agent and was told that ISO comes into effect after a fire loss.

It was questioned what the payment would be. It was clarified that the interest rate and length of the loan will dictate the final loan payment. Right now, interest rates are 8.2%; being a municipality, we would get a lower interest rate—however, the figures we have seen have been as much as 189k annually.

Mayor Waggoner stated there would be absolutely no layoffs as there are other funding options.

The Fire Chief reminded the Council that the longer the City waits to purchase a truck, the more expensive it will become. Last year, at this time the truck cost 500k. If the City does not grab one of the old-style chassis, it will go up another 100k.

It was questioned why the pumper couldn't be fixed, but yet given to Molt. It was clarified that Molt has no structure trucks; they only have brush trucks. We are a mutual aid partner with them, so it will help us that they are able to fight structure fires as well.

It was questioned if there are grant opportunities or fundraising that can be done to help offset the cost of this truck. It was clarified that as a municipality it will not go over well to fundraise the truck.

It was clarified that in the original CIP, a new truck was slated for the 2028 fiscal year with a level 5 priority. It was also set to be funded through a SAFER grant. The Fire Department has not talked with the Clerk/Treasurer about other funding options for this truck. SAFER Grants would have to be written by a grant writer as they are very labor-intensive.

It was questioned what the cost is to repair the pump. The Fire Chief stated he was unsure and would have to get quotes to be able to answer this question. However, this still does not address the age of the truck. Historically, Laurel has handed down old trucks to smaller departments in the area that cannot afford to purchase the equipment.

It was questioned if any cuts could be made from the Fire Department's budget to assist in the payment of this loan. It was clarified that right now, Engine 2 needs approximately 5k of repairs. The Fire Chief did make cuts to the budget. His biggest ask was for bunker gear and maintenance costs.

Council Issues

There were none.

Other Items

There were none.

Attendance at Upcoming Council Meeting

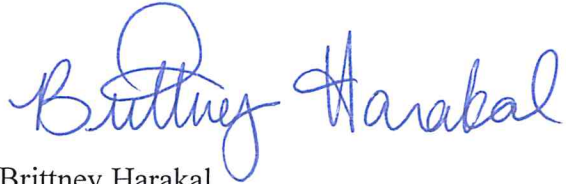

All Council Members present will be in attendance at next week's meeting.

Announcements

The next Emergency Services Committee meeting will be held on Monday at 6:00 p.m. in Council Chambers.

The council workshop adjourned at 7:29 p.m.

Respectfully submitted,

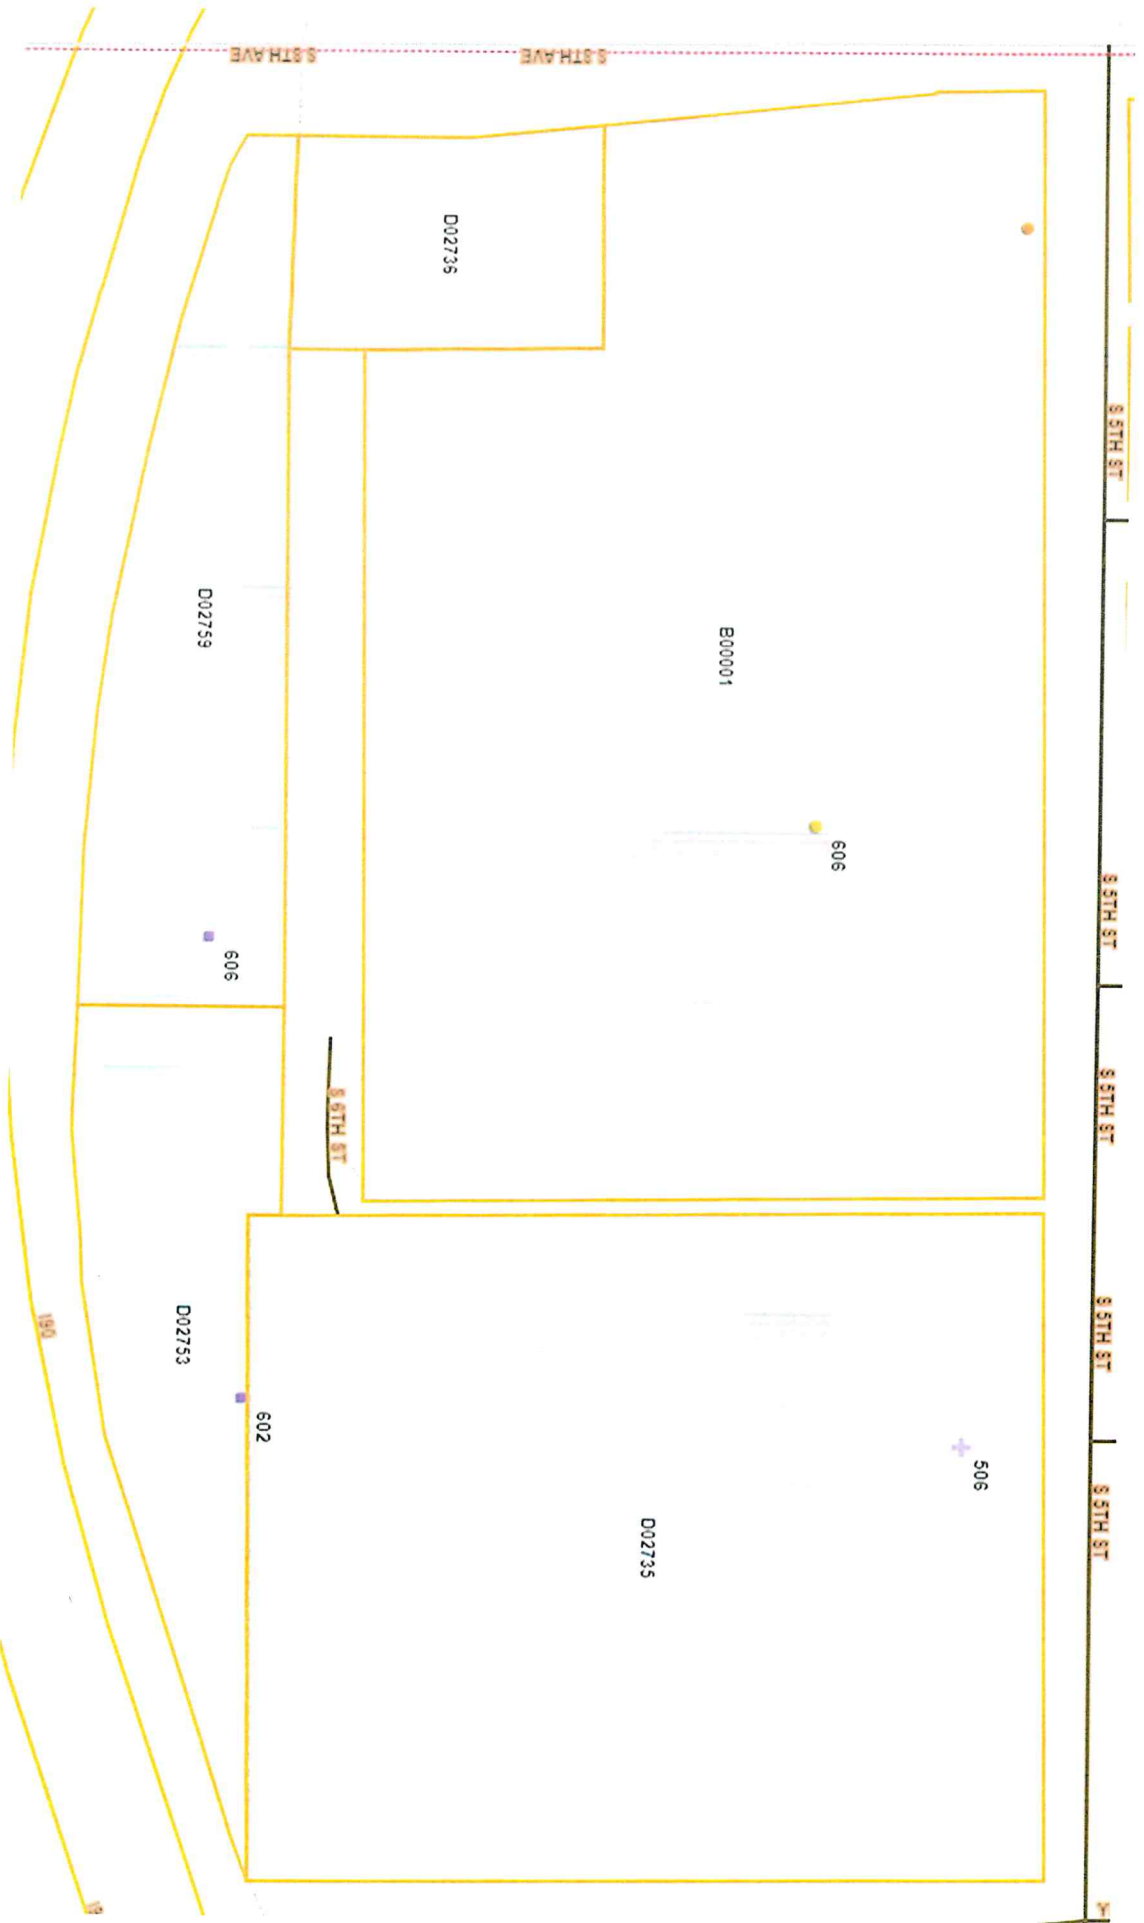

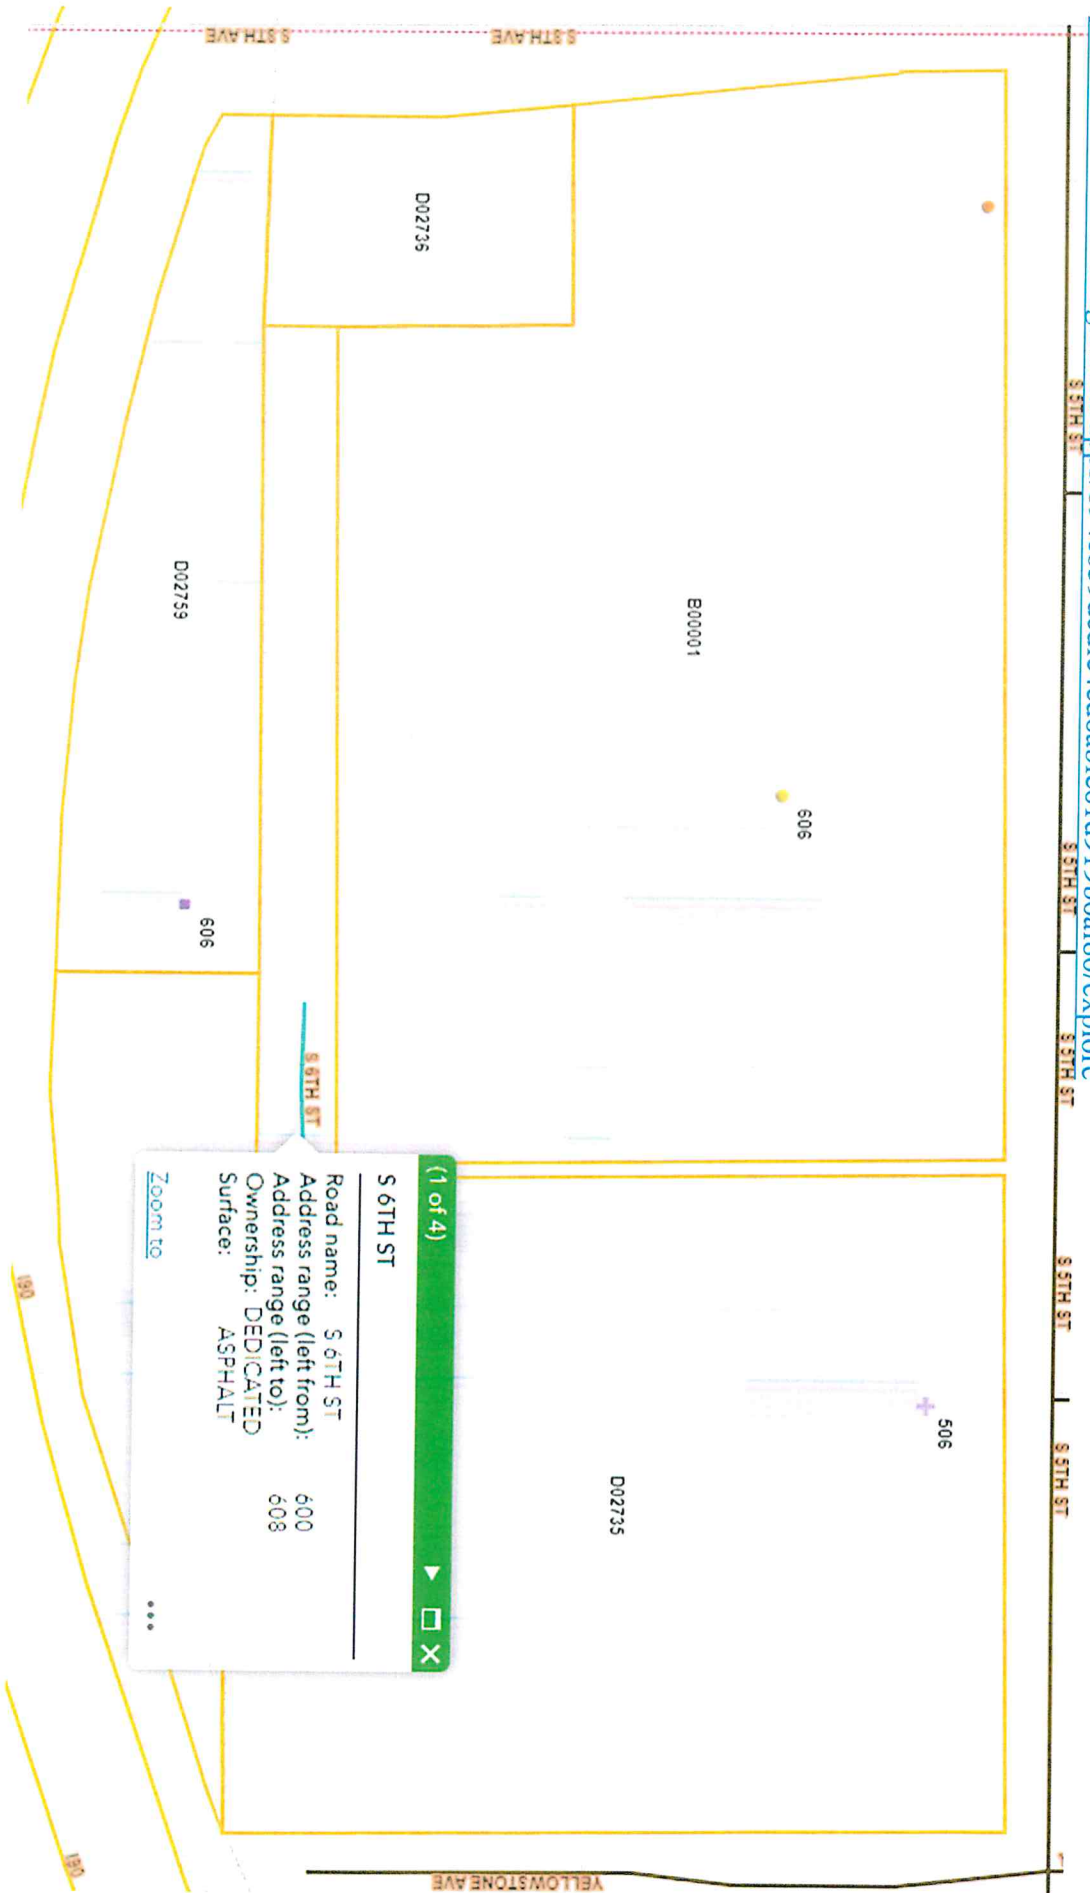

Brittney Harakal
Administrative Assistant

NOTE: This meeting is open to the public. This meeting is for information and discussion of the Council for the listed workshop agenda items.

Subject: RE: Interactive mapping site

When look at the plat, Behm Sub, yes, they dedicated the roads, which means they public roads. Because the City of Laurel annexed this area (probably back in the 1950's), I would say that they are owned by the city. Actually, S. 6th St is an approx. 60ft right-of-way that goes further west until it touches D02736 (in the example below)

Subject: Interactive mapping site

Good morning!

I just have a quick question if you don't mind answering me!

When an interactive map says that a road is "DEDICATED", what does that mean? (see photo below)

Does it mean the City owns the road and it is a dedicated road for the use of the public?

Sections:
Code of Ordinances

16.00.010 - Title.

These regulations will be known and may be cited as "The Subdivision Regulations of the Laurel-Yellowstone City-County Planning Board and hereinafter referred to as "these regulations."

(Ord. No. O17-01, § 16.01, 3-7-2017)

16.00.020 - Authority.

Authorization for these regulations is contained in the Montana Subdivision and Platting Act (MSPA) (Title 76, Chapter 3, Mont. Code. Ann.).

(Ord. No. O17-01, § 16.02, 3-7-2017)

16.00.030 - Purpose.

The purposes of these regulations are to promote the public health, safety and general welfare of the citizens of Laurel and its planning jurisdictional area by regulating the subdivision of land and to promote a vision for the development for the best possible environment in which to enjoy life, experience natural features, raise a family, earn a living, conduct business, obtain an adequate education, have access to health care facilities, and to be adequately protected from crime and disasters. These regulations are intended to comply with Part 5 of MSPA and to provide for:

- A. The orderly development of the jurisdictional area in accordance with adopted growth policies, neighborhood plans, motorized and non-motorized transportation plans, park plans, and other adopted policies and plans.
- B. The public health, safety, and general welfare of existing and future residents by avoiding danger or injury by reason of natural or manmade hazards.
- C. The coordination of roads within subdivided land with the existing and planned transportation network and to avoid or minimize traffic congestion.
- D. The dedication of adequate land for roadways, public utility easements, and pedestrian/bicycle pathways.
- E. Proper physical and legal road access, including obtaining of necessary easements and rights-of-way.
- F. The promotion of adequate open spaces for travel, light, air, and recreation.
- G. Adequate, water, drainage, and sanitary facilities.
- H. The consideration of impacts on natural resources and of development in harmony with

Chapter 16.02 - DEFINITIONS

Code of Ordinances

Sections:

16.02.010 - Definitions.

Whenever the following words or phrases appear in these regulations, they shall have the meaning assigned to them by this section. The word "shall" is always mandatory, and the word "may" indicates use of discretion in making decisions.

"Access, legal": When the subdivision abuts a public street or road under the jurisdiction of the city, the county, or the state or when the subdivider has obtained adequate and appropriate written easements from a public road to the subdivision across all intervening properties.

"Access, physical": When a road or driveway conforming to city and/or county standards provides vehicular access from a public or private road to the subdivision in a manner to safely convey motorized vehicles, include emergency vehicles along the access.

"Adjoining property owners": Persons who are owners of record of properties adjoining the land being proposed for subdivision platting.

"AGB": "Appropriate governing body": Refers to either the City Council of Laurel or the Board of County Commissioners of Yellowstone County. Each governing body shall make decisions in their jurisdictions. Subdivision located in Yellowstone County shall be reviewed by the County Commissioners of Yellowstone County and subdivisions located in the city of Laurel shall be reviewed by the Laurel City Council.

"Agriculture": Montana Code Annotated contains definitions for the words "agriculture" and "agricultural" as follows:

41-2-103, MCA. Definitions. As used in this part, the following definitions apply: (1) "Agriculture" means: (a) all aspects of farming, including the cultivation and tillage of the soil; (b)(i) dairying; and (ii) the production, cultivation, growing, and harvesting of any agricultural or horticultural commodities, including commodities defined as agricultural commodities in the federal Agricultural Marketing Act [12 U.S.C. 1141j(g)]; (c) the raising of livestock, bees, fur-bearing animals, or poultry; and (d) any practices, including forestry or lumbering operations, performed by a farmer or on a farm as an incident to or in conjunction with farming operations, including preparation for market or delivery to storage, to market, or to carriers for transportation to market.

CERTIFICATE OF DEDICATION

KNOW ALL MEN BY THESE PRESENTS; that Theo. W. Scheessler and Ella May Scheessler, his wife, does hereby certify that they caused to be surveyed subdivided, and platted into lots, as shown on the PLAT and CERTIFICATE OF SURVEY, hereunto annexed, the following described tract of land in the NW 1/4 of section 16 T 2 S R 24 E, M.P.M. Yellowstone County, Montana; said tract of land being more particularly described as follows, to-wit: Beginning at a point S 0 31' E 2079.2 ft. of the NW Corner of section 16 T 2 S R 24 E, M.P.M. Yellowstone County, Montana, thence N 89 29' E 821.8 ft. thence S 0 31' E 567.5 ft. thence S 89 54' W 610.6 ft. thence N 0 31' W 221.8 ft. thence S 89 29' W 211.3 ft. thence N 0 31' W 341.2 ft. to the point of beginning, containing 9.61 acres more or less. said tract to be known and designated as BEHM SUBDIVISION, and the lands included in all streets, avenues, and alleys, as shown on the annexed PLAT are hereby granted and donated to the use of the public forever.

STATE OF MONTANA)
COUNTY OF YELLOWSTONE) ss.

on this 1st day of April 1955, before me, a notary public for the state of Montana personally appeared Theo. W. Scheessler and Ella May Scheessler, his wife, known to me to be the persons whose names is subscribed to the within instrument and acknowledged to me that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my notarial seal the day and year first above written.

Thomas W. Scheessler
Notary public for the state of Montana, residing at Laurel, Montana.
My commission expires 15 January 1958.

CERTIFICATE OF SURVEY:

Chat Eyer, a Civil Engineer, being first duly sworn deposes and says that he has caused to be surveyed a certain tract of land in section 16 T 2 S R 24 E, M.P.M. Yellowstone County, Montana. The survey and plat were made during the month of October 1954 and in conformity with the provisions of Chapter 6 Title 11-601 to 11-616 inclusive of revised Code Montana 1947. The boundary description of said plat is as follows: Beginning at the point S 0 31' E 2079.2 ft. of the NW Corner of section 16 T 2 S R 24 E, M.P.M. Yellowstone County, Montana, thence N 89 29' E 821.8 ft. thence S 0 31' E 567.5 ft. thence S 89 54' W 610.6 ft. thence N 0 31' W 221.8 ft. thence S 89 29' W 211.3 ft. thence N 0 31' W 341.2 ft. to the point of beginning, containing 9.61 acres more or less. The above plat to be known as BEHM SUBDIVISION.

The plot conforms with all dimensions as indicated on the plat and conforms to the work on the ground.

STATE OF MONTANA)
COUNTY OF YELLOWSTONE) ss.

we hereby certify that the foregoing PLAT of the Behm subdivision conforms with the requirements of the laws of the state of Montana, and that the necessary park requirements have been met. The foregoing and annexed PLAT is therefore approved and accepted by order of the City of Laurel, Montana, by resolution No. 90.

IN WITNESS WHEREOF, we have hereunto set our hands and the seal of the City of Laurel, Montana this 5 day of April 1955.

CITY OF LAUREL
By *Peter D. Thomson* Mayor

ATTEST
Miss Holmberg City Clerk

STATE OF MONTANA)
COUNTY OF YELLOWSTONE) ss.

we hereby certify that we have examined the annexed plat of Behm subdivision and find the park requirements have been satisfied. We find that the said plat conforms with the requirements of the laws of the state of Montana. It is therefore approved and accepted.

IN WITNESS WHEREOF, we have hereunto set our hands and the seal of Yellowstone County, Montana, this 17 day of May 1955.

BOARD OF COUNTY COMMISSIONERS
CH *Burt Hageman* CHM *Al Berry* JOH *John H. Dorman*
CLERK *John H. Dorman* DEPUTY CLERK *John H. Dorman* SURVEYOR *John H. Dorman*

STATE OF MONTANA)
COUNTY OF YELLOWSTONE) ss.

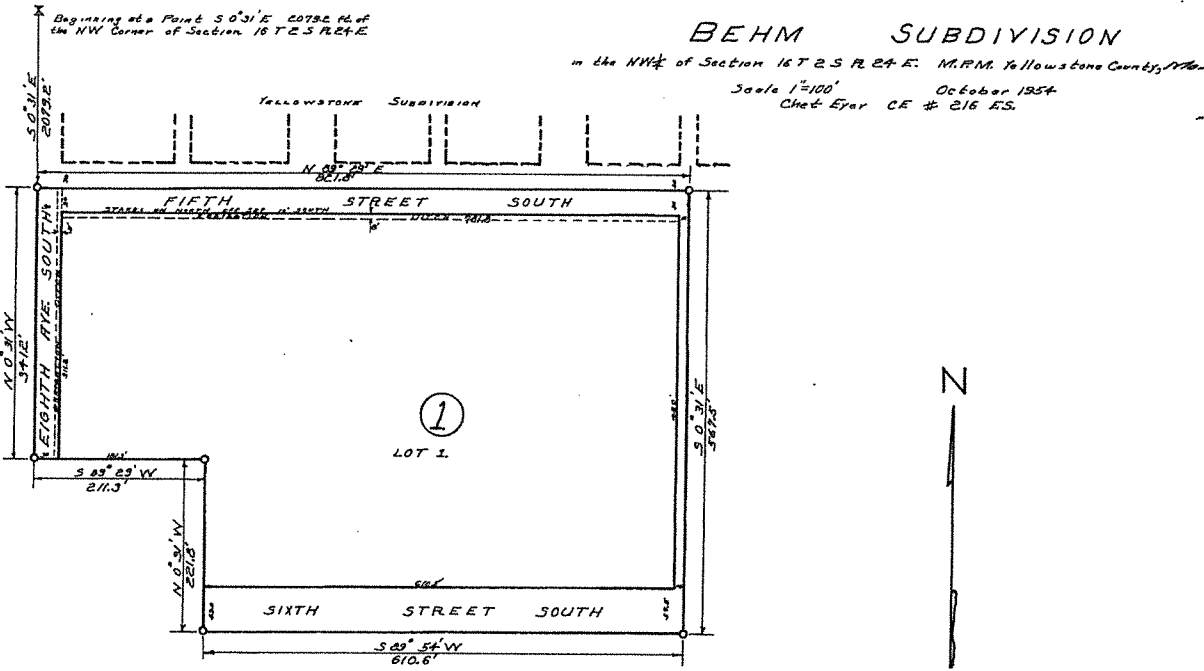

I hereby certify that I have examined the annexed and foregoing PLAT OF BEHM SUBDIVISION, and find that said PLAT conforms with the requirements of the laws of the state of Montana and said PLAT conforms to the adjoining additions and plats of the City of Laurel, already platted as nearly as circumstances will permit.

IN WITNESS WHEREOF, I have executed this certificate of approval the 5 day of April 1955.

STATE OF MONTANA)
COUNTY OF YELLOWSTONE) ss.
John H. Dorman City Engineer

I hereby certify that the within plat of the Behm subdivision was filed in my office of the 17 day of May 1955.

at 4:30 o'clock P.M.
witness my hand and the seal of my office.
County Clerk and Recorder *Chris Rubick*
my Clayton D. Berry, Deputy

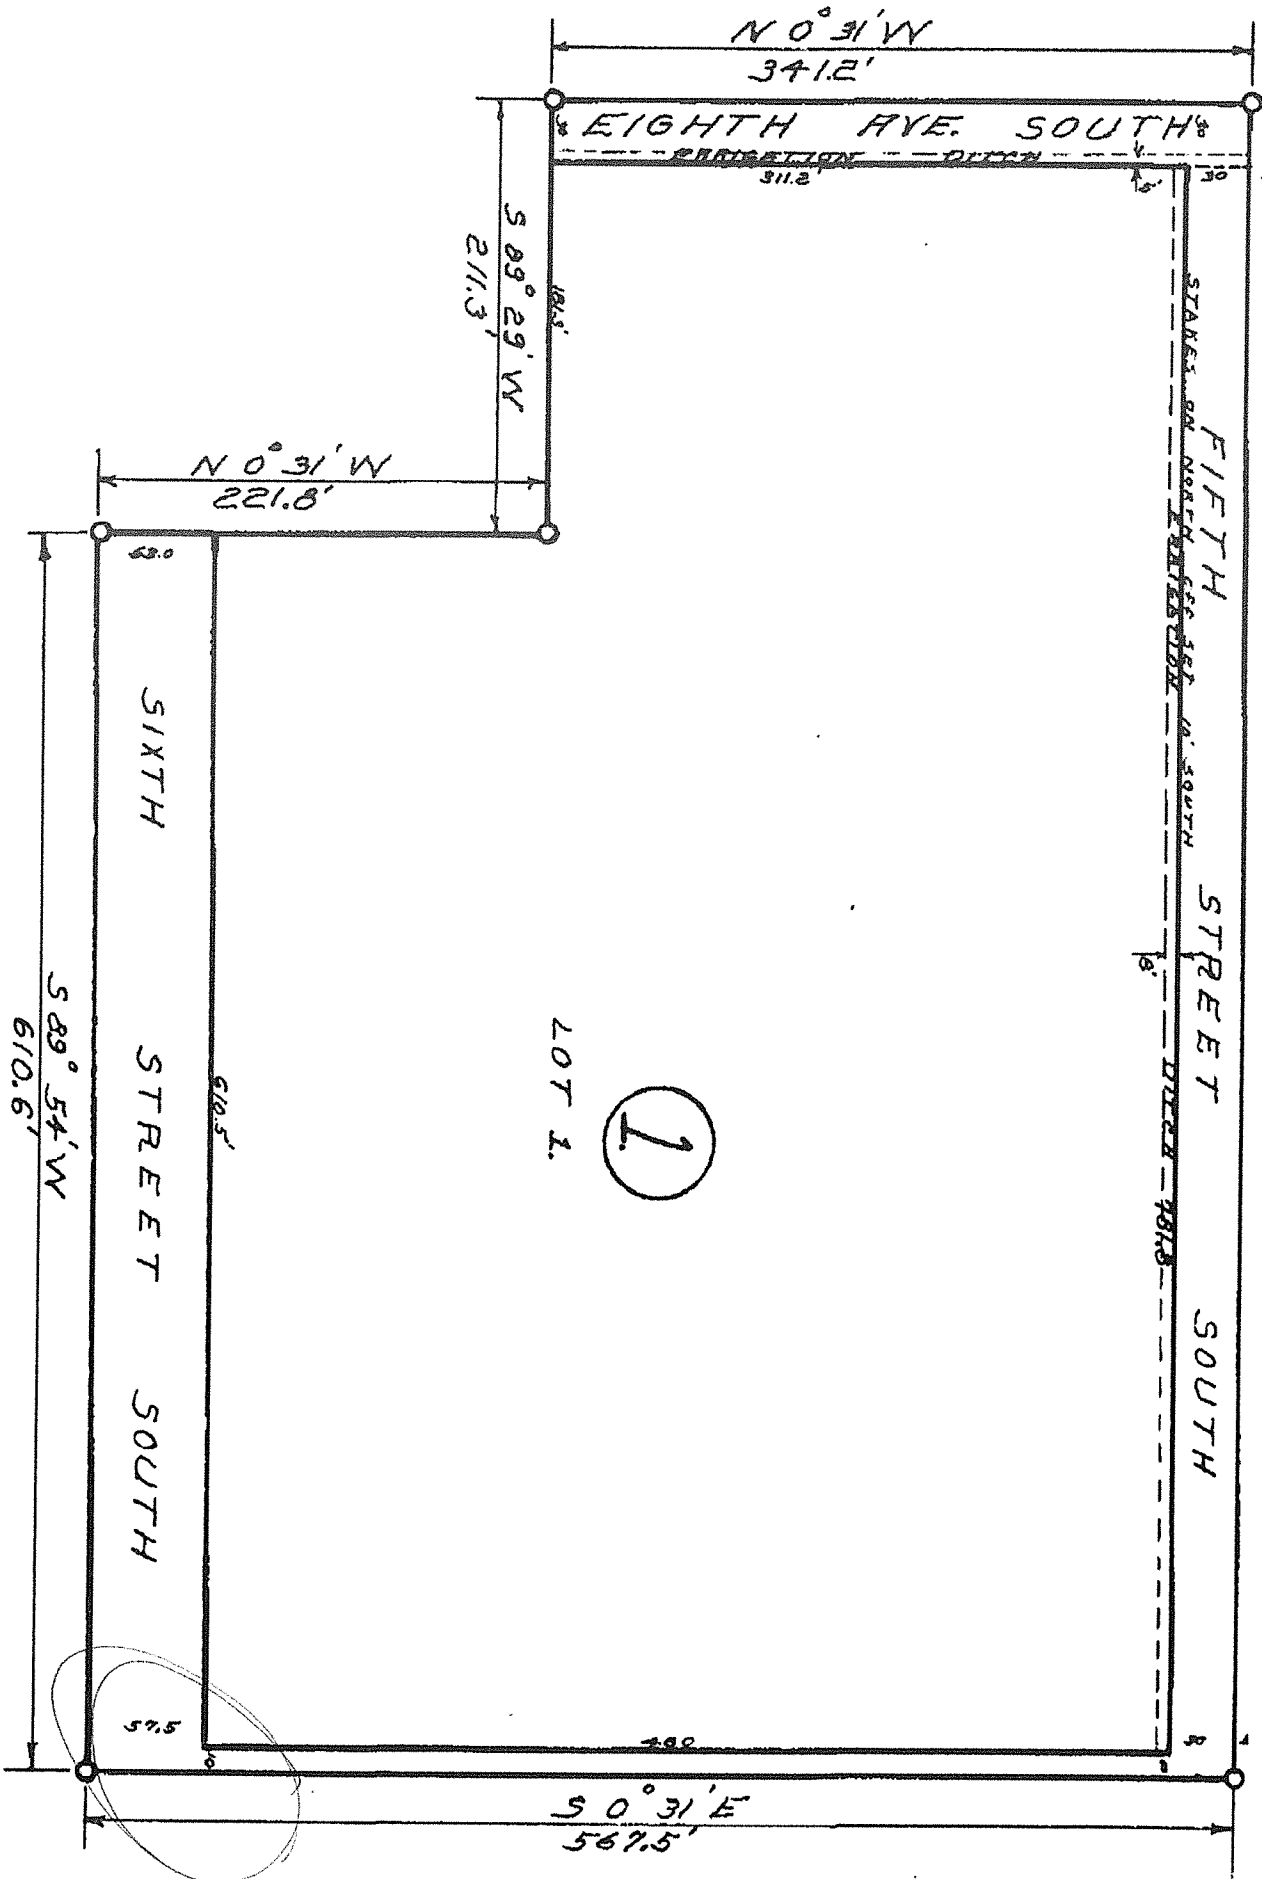

CERTIFICATE OF DEDICATION

KNOW ALL MEN BY THESE PRESENTS; that Theo. W. Schessler and Ella May Schessler, his wife, does hereby certify that they caused to be surveyed subdivided, and platted into lots, as shown on the PLAN and CERTIFICATE OF SURVEY, herunto annexed, the following described tract of land in the NW¹/₄ of section 16 T 2 S N 24 E. M.P.M. Yellowstone County, Montana; said tract of land being more particularly described as follows, to-wit: Beginning at a point S 0 31' E 2079.2 ft. of the NW corner of section 16 T 2 S N 24 E. M.P.M. Yellowstone County, Montana, thence N 89 29' E 821.8 ft. thence S 0 31' E 567.5 ft. thence S 89 34' W 610.6 ft. thence N 0 31' W 221.8 ft. thence S 89 29' W 211.3 ft. thence N 0 31' W 341.2 ft. to the point of beginning, containing 9.51 acres more or less. said tract to be known and designated as Edna Subdivision, and the lands included in all streets, avenues, and alleys, as shown on the annexed PLAN are hereby granted and donated to the use of the public forever.

DEPARTMENT

MEMO:

Expenditure Budget of the General Fund (June 18, 2024)

Last year many asked to be informed about the budget process prior to the approving it.

As you are aware, The City of Laurel has not had any annexations in the last year, so the Revenue is typically going to stay the same. Today I have presented in front of you the General Fund Expenditure in rough draft, as this is a work in progress. The liability and vehicle insurance has not been added yet as we have not received those numbers. Going through the expenditures that the Department Heads have presented to the Mayor and I there are a few things that have really stood out in my opinion.

I want to make you aware of what they are, as I am almost certain that the City will have to make a few budget cuts for FY 24-25.

There are always things that the General Fund will have to absorb due to budget shortages in other areas, especially in the Special Revenue Funds or the 2000 accounts which have a very minimal revenue source of income: These funds would be Planning, Library, Emergency Disaster, Light Districts, Bus Transit, just to name a few. These funds can also be found in your budget book under Special Revenues.

This year the General Fund will have to absorb these costs:

1. The Soffit and Facia Project for the Library \$7,376.00 which is our match, this will also be funded from the grant we received from HB355.
2. SB 382 Land Use Plan Management Plan \$250,000.00
3. Planning Engineering costs \$50,000.00
4. Splash Park is short about \$36,660.00 from paying final bill.

While moving through the budget this year, I will briefly talk about each fund that is supported by the General Fund:

110- City Council increase in budget \$3,600.00 due to the membership fee for the Montana League of Cities and Towns. The membership last year was .48 per capita and this year it is \$1.00

120- Mayor – There is a decrease in budget from last year.

130- City Court – Increase in budget to purchase *For the Record* software and equipment which is about \$11,500.00

150- City Clerk – There is a decrease in budget from last year.

170- City Attorney – Increase in budget, as the City has decided to hire a PT City Prosecutor as an employee, which will consist of wages and benefit package. Also, a raise for our Civil Attorney, for all her hard work and dedication she has given to the City, along with all the extra hours she puts in and is not compensated.

180- City Hall- There is a decrease in budget from last year.

200- Police Department- There is a slight increase in the Chief's budget due to the higher wages that were negotiated, but the Chief compensated for that by not asking for another police vehicle this fiscal year.

240- Fire Department- There is a very slight decrease in this budget due to the fact that in last year's budget we had the purchase of the new brush truck. This purchase had to be included as a budget line item. This fiscal year the loan payment has been added which is about \$34,000.00. The only other thing that really stood out to me in this budget was the line item 226 Clothing and Uniforms. For the last 4 years the budget has been roughly \$40,000.00 and this year they are asking for \$114,700.00.

250- Fire Inspection- Slight increase this year for wages.

253- Building – There is a decrease in budget from last year.

255- Code Enforcement/Safety- There is a decrease in from last year.

270- Ambulance- There is a substantial increase in this budget which is in the wages. With the EMS mill levy that passed last year, it will offset the extra increase in the budget for this year and years to come.

340- City Shop – There was a decrease in budget from last year.

350- Cemetery – There is a slight increase due to the cost sharing of a new lawn mower for the cemetery and parks of \$12,000.00.

370- Parks – There is a slight increase due to the cost sharing of a new lawn mower for the cemetery and parks of \$12,000.00. Also, Kiwana's Park new sprinkler system for; \$80,000.00. This cost will be offset by the revenue we received from the railroad for the train derailment.

I encourage you all to review the information that I have presented to you tonight.

1. Budget Worksheet for: FY 24-25
2. Budget vs. Actual Monthly Report, all Department Heads get this report monthly.
3. Detail Ledger Query for orgs 200-950. This is a list of all claims throughout the year for each department.

As of today, we have received 75% of our anticipated revenue and have spent 82% of our budget. Any discrepancy between anticipated revenue and expenditures will be covered by reserves.

If anyone has any questions, please feel free to contact me at any time.

Respectfully Submitted,

CITY OF LAUREL

Kelly Strecker/Clerk Treasurer

Attention City Council Members,

I am writing this letter as I am unable to attend in person due to my work schedule. I have been listening to meetings online and have some questions that I have not heard asked nor answered regarding purchasing a fire truck. Let me be clear, I am not disputing the need to address the issues our fire department is currently facing regarding equipment. I agree that these issues do need to be addressed and should not be neglected. With that being said, I have some concerns regarding the financial ramifications that are not being discussed should the City proceed with agreements or contracts binding the City to this \$1.4 million dollar deal. It has already been made very clear that the City would have to finance this project as the funds to do it outright are simply not there. What would be the monthly, quarterly, or yearly payments on a loan of such substantial size? It has also been made clear that the payments on such a loan if procured would come out of the general fund. To qualify for a loan and to have the funds to make the payments for the loan are not the same thing. The fact that the City is already facing budget cuts for the general fund for the fiscal year 2024-2025 was stated during the June 4, 2024 Council meeting. One comment that I did hear was that payments for this loan would not affect the 2024-2025 fiscal year. That fact does not dismiss the need to address where the funding would be found. If the general fund is facing cuts for the 2024-2025 fiscal year, how is the general fund going to suddenly have the funding to make the payments on this loan in the 2025-2026 fiscal year? What is going to be done to increase funding to the general fund over the course of only one year that will be enough to cover this added financial burden for not just one year but the life of the loan? It is my understanding that you cannot just transfer whatever money you are wanting to spend from the other types of funds like you would from a personal savings account to a checking account to cover the deficit. The only other option to address the lack of funding would be more cuts. That brings forth another question that is not being discussed. What is the scope or dollar amount of cuts to

other items supported by the general fund that will become necessary as a direct result of the loan, should the City Council choose to move forward? Will these cuts require layoffs? Who then will complete the maintenance, repairs, and duties of the other departments that are the burden of the general fund? If not layoffs, where are the cuts going to come from and what is the direct impact of them? A quick search of the City's Website allows for viewing the last budget filed under R23-25. My findings after reviewing those public documents are that the general fund is responsible for the following departments: Police, Fire, Ambulance, City Hall, City Shop, Building, Code and Safety, Cemetery, City Council, Mayor, Court, Legal, and more. Too many obligations to list in a short letter. Within those departments there are wages, benefits, and other operating expenses. It would be financially irresponsible to ignore these questions and proceed without fully evaluating the impact of choosing to do so. That also leads me to the question of why the pump that is failing cannot be replaced as a less costly and more financially manageable solution at this time. By replacing the pump, would that not solve the immediate problem and therefore create more time for both the City and the Fire Department to work together on the needed funding for a new truck? What other sources of funding for the truck would become possible? Fundraising efforts to lessen the size of the loan? A mill levy as mentioned in the past? Grants? I acknowledge that whatever City Council decides will be a weighty decision indeed. I simply ask that you discuss and attempt to answer as best as possible the afore-mentioned questions before making any further decisions or commitments on this matter.

Respectfully, Michelle Patrick.

7. Budget/Finance Committee Minutes of June 11, 2024.

**Minutes of City of Laurel
Budget/Finance Committee
Tuesday, June 11, 2024**

Members Present: Michelle Mize, Richard Klose, Heidi Sparks, Casey Wheeler

Others Present: Kelly Strecker, Mayor David Waggoner

The meeting was called to order by the Committee Chair at 5:30 pm.

Public Input: There was no public comment.

General Items –

1. Review and approve May 28, 2024, Budget and Finance Committee meeting minutes. Heidi Sparks moved to approve the minutes of May 28, 2024. Casey Wheeler seconded the motion, all in favor, motion passed 4-0.
2. Review and approve purchase requisitions. There we none.
3. Review and recommend approval to Council; claims entered through June 7, 2024. Heidi Sparks moved to approve the claims and check the register for claims entered through June 7, 2024. Michelle Mize seconded the motion. With no objection, the claims and check register of June 7, 2024, were approved. There was no public comment or Committee discussion.
4. Review and approve Payroll Register for the pay period ending May 26, 2024, totaling \$205,606.34. Heidi Sparks motioned to approve the payroll register for the pay period ending May 26,2024 totaling \$205,606.34. Casey Wheeler seconded the motion. With no objection, the payroll register ending May 26, 2024, was approved. There was no public comment or Committee discussion.
5. Review and approve the 2024 May Utility Billing Adjustments, Heidi Sparks moved to approve the 2024 May Utility Billing Adjustments. Michelle Mize seconded the motion. With no objection, the 2024 May Utility Billing Adjustments were approved. There was no public comment or Committee discussion.

New Business –None

Old Business – None

Other Items –

1. Review Comp/OT reports for the pay period ending May 26, 2024.
2. Mayor Update – The Mayor did not have any updates for discussion.
3. Clerk/Treasurer Financial Update-Kelly stated that she is continuing to work on the water/sewer rate study, and Raftalis is getting very close to reviewing the proposed rates. Kelly is continuing to work through the budget. Kelly stated that open enrollment was held the third week in May and that the payroll department was busy getting the new rates into the payroll system. Kelly said that the state was here today to do the final inspection on the new transit bus, so hopefully we will be able to put it into service before too long.

Announcements –

4. The next Budget and Finance Committee meeting will be held on June 25, 2024, at 5:30 pm.
5. Michelle Mize is scheduled to review claims for the next meeting.

Meeting Adjourned at 5:55 p.m.

Respectfully submitted,

Kelly Strecker
Clerk Treasurer

NOTE: This meeting is open to the public. This meeting is for information and discussion of the Council for the listed workshop agenda items.

8. Tree Board Minutes of June 13, 2024.

Laurel Tree Board Meeting
Minutes
6-13-24
Council Conference room

Attendance: Matt Wheeler, Tom Canape, LuAnne Engh

1. Public Input
2. General Items.
 - a. May minutes
 - b. Arbor Day - Went very well. Having no wind or rain was a huge blessing. Our committee was there to help set up and the vendors loved the food and thank you bags. We missed the Baptist church group and home schoolers but the New Life and Graff students had a great time. The hot dogs were such a hit. Thank you to Jim Flotkoetter!! We had ice cream bars for dessert from Albertsons. The Albertsons gift card of \$100 plus Jim's donation meant we only spent \$200 on the student gift card, treat bags, condiments, oranges and drinks.
 - c. DNRC – report- Michelle is going to submit the information for the what we spent on Arbor Day and the volunteer hours needed.
 - d. Replacement trees – The Library tree is dead. LuAnne will ask Sylvan if there can replace it.
 - e. Tree INVENTORY – The state is organizing a tree inventory for us and is looking for volunteers to help June 26-July 3. LuAnne has three friends and Michelle might have 1-2.
 - f. Accounts – City \$100 – Sylvan bill should be \$1500 (LuAnne will ask Kelly for a copy)
Foundation - \$2014 – (Dynamic \$494, vendor dinner, gift card, gifts, misc \$217)

Old Business

City ordinance – Michelle Braukmann (city Attorney) will continue to review the city ordinance regarding liability to the city on trees on boulevards.

1. Grants for the future
2. MUCFA – Still not a member, but Scott Meyers from Billings Arboretum is now president
3. Board Members – Paul and Walt have terms that are due the end of June.

Meeting Adjourned at 5:15

Next Meeting: August 1st 4:30 Council Conference Room (unless otherwise advised)

10. Resolution No. R24-44: A Resolution Of The City Council Approving The Landfill Use Agreement With The City Of Billings For Use Of The City Of Billings' Landfill Facilities.

RESOLUTION NO. R24-44

A RESOLUTION OF THE CITY COUNCIL APPROVING THE LANDFILL USE AGREEMENT WITH THE CITY OF BILLINGS FOR USE OF THE CITY OF BILLINGS' LANDFILL FACILITIES.

WHEREAS, the City of Laurel is in need of utilizing the landfill facilities of the City of Billings, for disposal of various landfill items collected within the City of Laurel;

WHEREAS, the City of Billings has proposed a Landfill Use Agreement, attached hereto and incorporated herewith;

WHEREAS, it is the recommendation of the Public Works Department for the City of Laurel that the City of Laurel approve and execute the Landfill Use Agreement; and

WHEREAS, the City Council has determined that it is in the best interests of the City of Laurel to approve and execute the Landfill Use Agreement, pursuant to the terms and conditions stated therein.

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Laurel, Montana:

Section 1: Approval of Landfill Use Agreement with City of Billings. The City hereby elects to approve the Landfill Use Agreement with the City of Billings.

Section 2: Authority. The Mayor is hereby given authority to execute all necessary documents, including the Landfill Use Agreement, in order to ensure that the usage contemplated by the Landfill Use Agreement can be accomplished by the City of Laurel.

Introduced at a regular meeting of the City Council on the 25th day of June 2024 by Council Member _____.

PASSED and APPROVED by the City Council of the City of Laurel, Montana on the 25th day of June 2024.

APPROVED by the Mayor on the 25th day of June 2024.

Laurel, MT 59044

P.O. Box 1178
Billings, MT 59103
P 406.657.8433
F 406.657.8390

Dear Mr. Wheeler:

Attached are three copies of the agreement between the City of Laurel and the City of Billings for use of the City of Billings' landfill facilities.

The proposed fee for the fiscal year beginning July 1st, 2024 is \$41.70 per ton. However, rates are on the City Council agenda for the June 10th, 2024 meeting and the City Council may choose to approve a different rate.

Please execute all three copies of the agreement and return them to my attention along with the appropriate insurance certificates by June 21st, 2024. Once the agreement is approved by City Council, we will send an executed copy to you for your files.

Please contact me with any questions or concerns.

Sincerely,

Sarah Lane
Fiscal Services Manager of Public Works

LANDFILL USE AGREEMENT

THIS AGREEMENT made and entered into this _____ day of _____ 2024, by and between THE CITY OF LAUREL, MONTANA, hereinafter referred to as "AGENCY" and the CITY OF BILLINGS, MONTANA, a municipal corporation, hereinafter referred to as "CITY."

WITNESSETH:

WHEREAS, the AGENCY is desirous of using the landfill facilities of the CITY for the disposal of solid waste; and

WHEREAS, the CITY is willing to allow the AGENCY use of its landfill facilities during normal published operating times.

NOW THEREFORE, in consideration of the mutual covenants and agreements between the parties hereto, it is mutually agreed as follows:

1. **TERM.** The term of this AGREEMENT shall expire on June 30, 2029 unless terminated by the CITY. The CITY may terminate this agreement at any time, with or without cause, upon thirty (30) days written notice to the AGENCY.
2. **USE OF FACILITIES.** The CITY will permit the disposal of solid waste, except industrial wastes, hauled by the AGENCY at the landfill facility operated by the CITY at such times as said landfill shall be open for disposal of solid waste. No liquid waste or hazardous waste as defined by the Environmental Protection Agency and the State of Montana Solid Waste Bureau will be accepted. By law, any hazardous waste is the responsibility of all parties involved from the time it is generated until its final disposal. AGENCY agrees to use facilities in accordance with all applicable federal and state legislation, all applicable local ordinances including, but not limited to Billings Municipal Code, Chapter 21, and all applicable federal, state, and local administrative rules in order to promote the health, safety, and welfare of the citizens of Billings, Montana.
3. **PAYMENT.** The AGENCY agrees to pay the CITY all established rates, charges, and fees of the CITY, including surcharges and late payment fees as specified in the CITY's adopted schedule of rates and fees for the use of said landfill facilities.
4. **CHARGE ACCOUNTS AND PAYMENT TERMS.** Terms of payment for services provided under this AGREEMENT are "Net 30 Days" of the monthly invoice date with all charges becoming delinquent and subject to finance fees from the due date until paid in full. Finance charges will be assessed at the rate specified in the CITY's adopted schedule of rates and fees.

The CITY and the AGENCY mutually agree that the charge account will be suspended when unpaid invoices are greater than 60 days past due. No future landfill services will be made on charge until the past due balance is paid in full.

The AGENCY shall pay to the CITY all attorney or collection agency fees incurred by the CITY related to non-payment for charges provided under this Agreement. The CITY agrees to give written notice to the AGENCY indicating any action to be taken.

5. **SERVICE AREA.** Only solid waste generated within the political jurisdiction of the City of Laurel, Montana can be disposed of in the City of Billings landfill.

6. **INDEMNITY.** Each of the parties hereto shall indemnify, hold harmless, and defend the other party, its agents, employees or officials, against any and all claims, demands, causes of action, damages, costs, expenses, liability, or judgments against the other party for personal injury, death, or property damage caused by the negligence of the other party, its agents, employees or contractors arising from, growing out of, or in any way connected with or incidental to performance of this agreement.

Indemnity under this agreement shall commence on the date of execution hereof and shall continue for the entire term this agreement is in effect and for any applicable period of limitations thereafter. Either party shall notify the other party, in writing, within ten (10) days of any claim made on the obligations indemnified against hereunder.

7. **ASSIGNABILITY.** Assignment of this Agreement by either party is prohibited.

8. **NOTICES.** All notices under this Agreement shall be in writing and shall be deemed given when personally delivered, or when mailed by United States certified mail or registered mail, return receipt requested. All notices shall be delivered to the contacts listed, or to identified contacts as updated by the parties:

9. **INSURANCE.** AGENCY shall maintain in good standing the insurance described in this Section. Before rendering any services under this AGREEMENT, the AGENCY shall furnish the CITY with proof of insurance in accordance with this Section.

The AGENCY shall provide the following insurance and list the CITY as an additional insured:

1. Commercial general liability, including contractual and personal injury coverage's -- \$750,000 per claim and \$1,500,000 per occurrence.
2. Commercial automobile liability -- \$1,500,000 per accident.

10. **MODIFICATIONS.** This Agreement shall not be changed or modified except by a subsequent agreement in writing signed by both parties.

IN WITNESS WHEREOF, the parties hereto have executed this instrument the day and year first above written.

12. Resolution No. R24-46: A Resolution Of The City Council Authorizing The Adoption Of The City Of Laurel Amended Capital Improvement Plan.

RESOLUTION NO. R24-46

A RESOLUTION OF THE CITY COUNCIL AUTHORIZING THE ADOPTION OF THE CITY OF LAUREL AMENDED CAPITAL IMPROVEMENT PLAN.

WHEREAS, on May 25, 2021, the City of Laurel (hereinafter “the City”) issued a Task Order to KLJ Engineering to assist in preparation of a Capital Improvement Plan for the City;

WHEREAS, a Capital Improvement Plan is a tool intended to be used by the City to assist in the prioritization and budgeting process for the City’s infrastructure and capital improvements;

WHEREAS, KLJ Engineering and City Department Heads and Staff held multiple meetings in order to identify capital improvement projects, prioritize such projects, and establish cost estimates for said projects;

WHEREAS, KLJ Engineering, in conjunction with City Department Heads and Staff have identified areas of possible capital improvement for the City, and those projects are identified in the Capital Improvement Plan;

WHEREAS, on June 27, 2023, the City Council adopted the Capital Improvement Plan recommended by KLJ Engineering, City Department Heads, and City Staff;

WHEREAS, since the adoption of the Capital Improvement Plan, the City has identified the need for a Custom-Chassis Fire Truck for the City of Laurel Fire Department;

WHEREAS, the City believes that the Capital Improvement Plan needs to be amended to reflect this capital need, and Staff has prepared the amended Capital Improvement Plan, attached hereto and incorporated herewith, reflecting this change; and

WHEREAS, the City of Laurel now wishes to adopt the amended Capital Improvement Plan to assist in guiding the City’s capital improvement projects for the future, prioritizing such projects, and establishing cost estimates for said projects.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Laurel, Montana, that the City of Laurel amended Capital Improvement Plan, a copy attached hereto and incorporated herein, is hereby approved.

Introduced at a regular meeting of the City Council on the 25th day of June, 2024, by Council Member _____.

PASSED and APPROVED by the City Council of the City of Laurel the 25th day of June, 2024.

INTRODUCTION

A Capital Improvement Plan (CIP) is first, and foremost, a tool used to assist a community in the prioritization and budgeting process for community infrastructure and capital improvements. The CIP process is intended to assist community leaders in identifying capital improvement needs and issues early and to build a strategy to maximize often limited revenues, while achieving maximum public good. Added benefits to the CIP process are identification of projects and priorities in a way that allows for public engagement, strategic investment, and phased approaches that allow for a coordinated approach to funding, early preparation for available grant funding, and a coordinated approach to community infrastructure needs.

On May 25, 2021, the City of Laurel issued a Task Order to KLJ to assist in preparation of a CIP. A series of meetings was scheduled with City Department Directors and staff in which capital projects were identified, prioritized, and estimates of cost established in conjunction with preparation of annual Department operations and acquisitions budgets.

For purposes of the CIP, a “Capital Project” is defined as any acquisition, improvement, or expenditure that exceeds \$50,000 and/or has a useful life of five (5) years. The established \$50,000 cost threshold includes design, engineering, architectural planning, financing, procurement, and construction costs associated with completion of the identified project. It also includes rehabilitation and maintenance projects necessary to preserve the functionality of existing equipment and infrastructure. Operations and Maintenance (O&M) are excluded as are consumable items, staff, and training.

Also, for purposes of the CIP, projects are ranked on a scale of 1-5 and the following guidance was provided to staff and utilized to select and prioritize projects for the next five years:

- 1=Need
- 2=Could Really Use
- 3=Want
- 4=Would be Nice
- 5=If We Have the Funding

As is typical in most communities, the Public Works Department, as the custodian of most of the community capital infrastructure, is the primary beneficiary of the CIP and the related planning process. It is, however, hoped that with ongoing use of the document, other Departments will see the value and rewards associated with the CIP. When utilized consistently, a CIP will assist not just public works, but department leaders and staff as well as City Council in making critical financial and manpower decisions related to city infrastructure and equipment.

The CIP is a “living” document in that it is intended to be easily updated to reflect changing priorities, unforeseen events, and the passage of time. It is also important to point out that most of the projects discussed herein are very complex and require elevated levels of analysis and design before an engineer’s opinion of probable costs can be established. Where possible, equipment suppliers were contacted to get estimates, but estimates are “in the moment” costs and, again, will require additional analysis and review depending on when the project comes to fruition. Construction and infrastructure project costs have been estimated following discussions within the CIP planning team and utilizing past projects of similar scope and size as a base for estimation.

It is essential to remember that actual infrastructure project costs are a function of scope, schedule, on-site conditions, supply chain, and workforce costs at the time of project initiation/completion; all of which are beyond the scope and intent of the CIP. Costs outlined are high-level estimates utilizing information available at the time of the planning process. They should be treated accordingly and, as the City moves forward with projects, should be re-assessed based on more specific analysis and current costs.

COMMUNITY BACKGROUND

The City of Laurel originated in 1806 when Captain William Clark, of the Lewis and Clark expedition, camped at the mouth of the Clarks Fork River where it meets the Yellowstone River. The site was originally known as Carlton, but later was changed to Laurel because of an abundant local shrub found in the hometown of a railroad official from North Carolina residing there. Eventually, Laurel moved north and west (further away from the Yellowstone River), to locate where it is today.

Laurel is home to approximately 6,300 people within the City limits and another 5,000 in the surrounding area. It is considered a “bedroom” community to the largest urban center in Montana, Billings, but maintains the small-town atmosphere and feel, giving residents the best of both a small town and a nearby urban center. Like many Montana communities, particularly following the onset of COVID-19, Laurel is growing. The community experienced slow but steady growth between 2000-2020 and is now seeing more rapid growth related to the relocation of people from urban centers outside the state seeking the wide-open spaces and natural social distancing provided in rural Montana.

Like many communities in Montana, part of Laurel’s appeal is access to significant outdoor recreation opportunities. Laurel is within a very short distance of Riverside Park, Buffalo Mirage Fishing Access, Laurel Golf Club and Cooney Dam. It is also a gateway for visitors to Red Lodge, Bear Tooth Pass, and Yellowstone National Park.

As previously indicated, Laurel often serves as the residence and home to employees who work for various businesses in Billings. There are, however, two major local employers in Laurel: Montana Rail Link (MRL) and Cenex Harvest States Refinery. The “Laurel Leaf” refinery began operations in 1930. In 1943, the refinery was purchased by Farmers Union Central Exchange, and in 1972, the company changed their name to Cenex Harvest States Refinery.

Laurel also straddles both sides of an intricate pattern of railroad tracks. Home to the largest and busiest rail yard in Montana, it extends for 2.5 miles on a wedge-shaped piece of land between East Main Street and Shannon Road. MRL has owned the yard since 1987, but prior to that, Burlington Northern Santa Fe (BNSF) operated it from 1970-1987, and

Northern Pacific prior to that, with the first recorded train stopping in Laurel in 1882.

The average annual income in Laurel (according to the 2010 census) is \$51,790 and the community is predominantly Caucasian (estimated at just under 95 percent of the community). Laurel is an incorporated community, utilizing an elected Mayor and City Council for governance. There are 9 council members (including the Mayor), representing four (4) City Wards, as well as several functioning boards, commissions, and authorities supervising several Department Directors and related staff. The City's mission is "elected officials, appointed committee members, employees, and volunteers of the City of Laurel are committed to developing and enhancing community quality of life while preserving the City's unique character. This is accomplished by providing the best municipal services possible."

PUBLIC WORKS:

As previously indicated, public works, by nature of their role as custodians of most of the community capital infrastructure, plays a critical and key role in capital planning. Matt Wheeler is the current Public Works Director. He is supported by leadership by building inspection and planning. The goal of public works is to “ensure an unsurpassed quality of life and to provide dependable, knowledgeable staff to serve the community.”

The following projects under public works supervision and purview have been identified and prioritized:

Public Works -Storm Water, Streets and Parks

Project Name	Year	Priority #	Fund Type	Project Cost Estimate
Street reconstruction of W. 12 th Street between Valley Dr. and 1 st Ave.	2024	1	General	\$360,000
Storm Water Plan for the South Side	2024	2	General	\$75,000
Thompson Park Facility Update	2024	2	General	\$500,000
Underground Sprinkler Systems-City Parks	2025	4	General	\$50,000/1 acre Kiwanis 3.95 acres - \$200,000 Nutting 2.5 acres - \$125,000 Estimated Total: \$250,000/\$325,000
Parks & Cemetery Equipment Replacement	2025	5	General	\$72,000
BMX Bike Track at Fir Field NW of the intersection of Fir Ave. & Eleanor Roosevelt Dr.	2026	1	General	\$250,000
Cemetery Expansion & Road Replacement	2026	1	General	\$750,000
Stormwater Outfall Structure from Russell Park to the Yellowstone River	2027	3	General	\$960,000
1st Ave Storm Water Replacement	2028	1	General	\$1,265,000
Southside Stormwater Improvements (to the alley east of Woodland next to the Senior Center)	2028	5	General	\$15,000,000
PASER PMP Category 3 & 4 Streets	2026/2028	1	General/Street Maint. Fund	\$17,500,000
PASER PMP Category 1 & 2 Streets	2028/2035	1	General/Street Maint. Fund	\$35,600,000

Additional Detail:

W. 12th Street Reconstruction: \$360,000

West 12th Street between Valley Drive and 1st Ave. has deteriorated to the point where reconstruction of that section of street required.

Storm Water Plan for the Southside: \$75,000

Includes storm water management collection and outfall identification.

Thompson Park Facility Update: \$500,000

Thompson Park is currently home to tennis court facilities that are in disrepair and no longer meet the needs or demand of the community. Costs are for demolition of the existing facilities/structures.

Underground Sprinkler Systems City Parks: \$250,000-\$325,000

Kiwanis, & Nutting Parks currently have above-ground irrigation systems laid out and taken down after use. The City would like to install automatic underground systems at each of these Parks.

Parks & Cemetery Equipment Replacement: \$72,000

The Parks and Cemetery Department needs to replace existing equipment to include a truck, lawnmowers, and a crack-sealer.

BMX Bike Track: \$250,000

The local community has identified a BMX bike track as a need for the community. This is to include a toddler run as well as a track for more advanced riders.

Cemetery Expansion and Road Replacement: \$750,000

The Cemetery Master Plan recommends expansion of the existing cemetery grounds and replacement of the internal roads to include new signage and an information kiosk to assist visitors in wayfinding.

Stormwater Outfall Structure: \$960,000

The Southside Stormwater Masterplan identified replacement of the existing outfalls as a high priority. The creation of stormwater detention in Russell Park is not a permanent solution to Laurel's Southside stormwater issues.

1st Ave Storm Water Replacement: \$1,265,000

Current storm water piping between 1st Street and 7th Street must be replaced. It is old (wood construction) and past its useful life.

Southside Stormwater Improvements (to the alley east of Woodland next to the Senior Center): \$15,000,000

There are currently stormwater flow issues in this area that require correction. Ideally, to avoid future issues and to maximize funding and manpower, the water and wastewater systems in the area should be upgraded at the same time.

PASER PMP Category 3 and 4 Streets: \$17,500,000

Encompasses City streets structural overlay projects.

PASER PMP Category 1 and 2 Streets: \$35,600,000

Encompasses City Street reconstruction projects.

Public Works -Water

Drinking water in Laurel is surface water that comes from the Yellowstone River, south of the City. Like all other public utilities, supervision and maintenance of the City water system falls to the Public Works Director and his/her staff. As required by the Safe Drinking Water Act (SDWA), the City produces an annual Drinking Water Quality Report, providing details as to where City water comes from, what it contains, and how it compares to standards set by regulatory agencies. To review a copy of the 2021 Annual Drinking Water Quality Report (or prior year reports) please go to <https://cityoflaurelmontana.com/publicworks/page/annual-drinking-water-quality-reports>.

The following projects related to public works specific to the drinking water system have been identified and prioritized:

Public Works -Water

Project Name	Project Year	Priority #	Fund Type	Project Cost
Bulk Water Sales Station	2024	1	Enterprise	\$200,000
West 7th Street Water Replacement	2024	3	Enterprise	\$650,000
Riverside Park Water + Irrigation System	2025	1	General	\$360,000
Water Treatment Plant Stormwater Improvements	2025	2	Enterprise	\$125,000
New Water Tank, Booster station & piping redundancy	2026	1	Enterprise	\$21,000,000
1st Ave. Water Valve Installation Project	2028	1	Enterprise	\$170,000
City Wide Valve & Hydrant Replacement Project	2024-2028	2	Enterprise	Valves 100 \$4,000/EA FH 50 \$6,500/EA Total \$725,000
Replacement of water lines	2024 - 2028	3	Enterprise	900 ft @ \$400/lf \$360,000

Additional Detail:

Bulk Water Sales Station: \$200,000

The bulk water sales station would be a money generator for the City as there is a large community outside of the City that hauls water and needs a nearby source.

West 7th Street Water Replacement: \$650,000

The water main line in West 7th Street between Alder Avenue and Cottonwood is deteriorated and has exceeded useful life. The line has repeatedly broken in the last 2-3 years and requires replacement.

Riverside Park Water + Irrigation system: \$360,000

This project includes a new water line from the Yellowstone Bridge into Riverside Park as well as related new service connections to feed all the existing structures.

Water Treatment Plant Stormwater Improvements: \$125,000

Currently, there are issues with stormwater collecting outside the water treatment plant facility as well as the water plant. To address these concerns, grading needs to be adjusted/improved to allow for disbursement/removal of stormwater to the river.

New Water Tank, Booster station & Piping Redundancy: \$21,000,000

As identified in the 2022 Laurel Water system PER, the community needs a new water tank, upgrades to the booster station and piping redundancy to provide adequate pressures and volumes in Zone 2.

1st Avenue Water Valve Installation Project: \$170,000

Currently, there are few to no valves that are operable on this street. The project and related costs outlined would allow for installation of water valves on the north-south mainline in 1st Avenue.

City-Wide Valve & Hydrant Replacement Project: \$725,000

Valves are failing throughout the City due to corrosion. This has resulted in several hydrants that are no longer functioning. Costs reflect a city-wide assessment and replacement of valves and related hydrants to ensure functional fire protection in all City locations.

Replace Out of Date Water Lines: \$360,000

The existing cast iron water mains used in various locations throughout the City are deteriorating and reaching the end of their useful life. These will need to be replaced with modern/upgraded materials.

Public Works Wastewater

The City of Laurel wastewater treatment plant underwent significant improvements in 2019. Supervision and maintenance of the City wastewater system falls to the Public Works Director and his/her staff. The following projects related to public works specific to the wastewater system have been identified and prioritized:

Public Works Wastewater

Project Name	Project Year	Priority 1 -5	Fund Type	Project Cost
Primary Clarifier Recoating	2024	1	Enterprise	\$200,000
Sewer line replacement in the alley between Main St & 1 st St from 5 th Ave. to 7 th Ave.	2024	1	Enterprise	\$350,000
Wastewater Plant Boilers	2025	2	Enterprise	\$600,000
Manhole Lining Project	2024 to 2028 3-5 Year Plan	3	Enterprise	MH – 563 \$3,500/MH \$500,000

Additional Detail:

Primary Clarifier Recoating: \$200,000

Costs include draining and recoating of two of the clarifiers currently being utilized at the Wastewater Treatment Plant.

Sewer Line Replacement from 5th to 7th Ave:

The sewer main line in the alley way between Main Street and W. 1st Street from 5th Ave. to 7th Ave. is in poor condition and recent failures have prompted it replacement.

Wastewater Plant Boilers: \$600,000

A recent boiler inspection identified that the wastewater plant boilers are failing and there is risk they may not be recertified during the next inspection.

Manhole Lining Project: \$500,000

Costs are to line existing internal manholes throughout the City to assist in reducing I&I in the system.

Public Works Solid Waste

The City of Laurel solid waste division is under the supervision and maintenance of the Public Works Director and his/her staff, most specifically to the Maintenance Supervisor. Solid waste is part of the larger Sanitation Department which also includes sanding/snow removal, street cleaning, information about the container site (dump) and the schedule for public transit.

The following projects related to public works specific to the solid waste division have been identified and prioritized:

Public Works-Solid Waste

Project	Project Year	Funding Sources	Priority (1-5)	Project Costs
Solid Waste Building	2024	Solid Waste Enterprise	2	\$650,000
Garbage Truck Replacement	2025	Solid Waste Enterprise	1	\$350,000 (each)
Garbage Container Replacement	2026	Solid Waste Enterprise	1	\$30,000
Transfer Station Expansion	2028	Solid Waste Enterprise	3	\$600,000

Additional Detail:

Solid Waste Building: \$650,000

Currently, several of the reserve solid waste trucks are stored outdoors. These vehicles are exposed to extreme temperatures/poor weather conditions, and vandalism. During the winter months, extreme cold temperatures mean that reserve vehicles may not start and are therefore not available to fill the void when a frontline vehicle goes down. Ideally, as with City vehicles utilized for water and wastewater department use, all vehicles would be stored indoors.

Garbage Truck Replacement: \$350,000

All five (5) of the existing garbage collection trucks need to be replaced. If all were replaced the total estimated cost would be \$1,750,000 (\$350,000 each)

Garbage Container Replacement: \$30,000

Replacement of 2 of the 40-yard garbage containers at the Container Site. (\$15,000 each)

Transfer Station Expansion: \$600,000

The existing garbage transfer station building is at/above maximum capacity. Estimated cost is for expansion and/or addition to the existing garbage transfer station building.

PUBLIC SAFETY:

Public Safety encompasses the diverse needs of individual citizens as well as whole communities. Modern advancement in transportation, communications, and commerce have rapidly shifted how citizens manage their daily lives. Today's conveniences keep lives moving and as the public has adapted their use, so have criminals. Ensuring the safety of the public has become increasingly expensive and complex. Community safety reflects not only violent acts, but also injuries caused unintentionally through accidents. Communities, including Laurel, often spend most of their public dollars in this arena, seeking to reduce both the existence and perception of unsafe environments, neighborhoods, and activities. The Laurel Police Department typically employs 14 sworn officers and 6 dispatchers.

The following projects/purchases related to public safety have been identified and prioritized:

Police Department:

Project	Project Year	Funding Sources	Priority (1-5)	Project Costs
Replacement of one (1) vehicle each year	Annual	General	1	\$70,000 (per vehicle)
New Law & Justice Center	2025	General	1	\$10,000,000
Establishment of a new Repeater site	2027	General	2	\$150,000

Additional Details:

Vehicle Replacement: \$70,000 (annually)

The Police department has very few vehicles and places an estimated 40,000 miles on each car every year. This high level of use requires each vehicle be replaced every 3-4 years. Replacement of at least one (1) vehicle each year allows for expenditures to be disbursed over multiple years instead of purchasing all new cars in a single year.

Law and Justice Center: \$10,000,000

As has been noted in several sections of the CIP, adequate space for City operations is a significant issue for the City. Fire, police, ambulance, and court systems are all struggling to accommodate staff needs as well as storage needs for equipment and vehicles. These issues cause undue stress on employees, but also impact the ability of staff to meet the public's needs. Creation of a law and justice center would aid in reducing/alleviating immediate concerns specifically related to police and criminal justice. As has been discussed, depending on the availability of land and facility space, this could be combined with construction of a new city hall and/or new fire/police/ambulance facilities to best meet community needs and limit costs to the degree possible.

New Repeater Site: \$150,000

The radio communications system for the City has several locations in which communications between patrol units and dispatch are poor. The addition of a repeater should provide the coverage needed within the designated patrol area of the police department. The repeater would also benefit the ambulance and fire departments, both of which are experiencing the same inconsistency of communications quality.

Fire Department:

The Laurel Volunteer Fire Department (LVFD) is proud and honored to have been able to serve the citizens of Laurel and the surrounding area for over 100 years. The main purpose of the LVFD is to provide firefighting and emergency rescue response to the community of Laurel and the 125 square miles surrounding Laurel, including to all those who travel through Laurel. In addition, the LVFD provides mutual aid to the City of Billings, Park City, CHS Industrial Fire Departments, and several surrounding fire departments in Lockwood, Red Lodge, Columbus, Molt, and Joliet.

The Laurel Volunteer Fire Department Association, made up of members of the LVFD, has a long-standing tradition of supporting Laurel in community service, including hosting the world class 4th of July fireworks show, which is rated as one of the top ten events in the northwest.

The LVFD is also known for its award-winning fire prevention program. The LVFD visits the children of Laurel several times each year, educating on preventing fires and fire safety.

Fire Department:

Project	Project Year	Funding Sources	Priority (1-5)	Project Costs
Fire Fighter Protection Gear	2024	General	1	\$43,000 (annually)
Army 2 ½ ton Type 3 or 4 Brush Truck Replacement	2025	General	1	\$750,000
Communication Equipment Replacement	2025-2028	General	4	\$20,000 (annually)
New Repeater	2026	General	2	\$150,000
Tender Replacement	2026	General	5	\$290,000
Shed for Major Equipment	2027	General	1	\$500,000
New Fire Station (FA)	2027	General	5	\$15,000,000
Custom-Chassis Rescue Fire Truck	2028	Safer Grant	5	\$1,100,000

Additional Detail:

Fire Fighter Protection Gear: \$43,000 (Annually)

Costs encompass outfitting up to 10 fire fighters annually with necessary protective gear at an average cost of \$4,300 per fire fighter. Current equipment is aging (some as old as 10 years) and reaching the end of a safe useful life. This includes replacement of coats, helmets, and other related personal safety equipment ensuring that fire fighters remain safe and have appropriate equipment to do the work.

Army 2 ½ Ton Type 3 or 4 Brush Truck Replacement: \$750,000

Cost represents the estimate for replacement of the current 1973 Type 4, 2 ½ Ton Brush Truck with an

Army 2 ½ ton with a Type 3 or 4 Brush Truck (125-250 gpm pump; 500-750-gallon tank).

Communication Equipment Replacement: \$20,000 (Annually)

The Department is considering a bulk replacement of all the communications equipment or an annual partial replacement that ensures communications equipment is always fully functional and of the highest quality. The primary advantage of a total replacement is ensuring all equipment is standardized and compatible. The obvious drawback is centralizing the full cost into a single fiscal year. The most expedient and cost-effective solution would be to purchase half of the equipment in June of one fiscal year and the second half in July, which would be a new fiscal year, allowing for purchase of standardized and compatible equipment with the costs spread over two separate fiscal years.

New Repeater: \$150,000

This priority is also noted in Public Safety Police Department section of the CIP. The radio communications system for the City has several locations in which communications between patrol units, ambulances and fire vehicles is poor. The addition of a repeater should provide the coverage needed within the designated patrol and service area of these departments. The repeater would benefit all the public safety providers all of which are experiencing the same inconsistency of communications quality.

Tender Replacement: \$290,000

Cost represents the replacement of the current 1999 Freightliner Type 1 Vac Tender (500 gpm; 2850-gallon tank) with the Tactical Tender (3000 gallon tank), estimated at between \$200,000-\$290,000 in 2021 dollars.

Shed for Major Equipment: \$500,000

The facility currently being utilized for equipment belongs to Public Works, and, as such, is primarily utilized for storage of public works equipment, resulting in fire department equipment being stored outside. When equipment is exposed to weather, the useful life is diminished due to wear from the elements. A separate shed for fire station equipment would ensure that all equipment can be adequately stored and protected from weather and related wear and tear, increasing the time equipment is viable and ensuring the quality of the equipment for the duration of its use.

New Fire Station: \$15,000,000

The current fire station no longer meets the needs of the fire department or the anticipated growth of the community. Construction of a new fire station would allow for additional bays/storage for all vehicles and apparatus, living quarters for increasingly diverse staff, and adequate office space to perform required administrative functions of the Department.

Custom-Chassis Rescue Fire Truck Addition: \$1,100,000

Costs are for the addition of a Custom-Chassis Rescue Fire Truck. This Fire Truck, if purchased, will include a 3/16” Extruded Aluminum Body Configuration, with Pump Capacity of 1500 GPM and a Tank Capacity of 1000 Water/30 Foam.

Ambulance General:

The Laurel Ambulance Service provides emergency medical and public safety services for the City of Laurel and surrounding territory in Yellowstone County, serving approximately 205 square miles. The ambulance service is staffed by volunteer EMRs, EMTs, and paramedics and became a city-run agency in June of 1976. The Ambulance Service responds to approximately 850-1000 calls annually.

Ambulance/EMS Services:

Project	Project Year	Funding Sources	Priority 1-5	Project Costs
Replace Ambulance-Care 2	2026	General	1	\$300,000
Communication Equipment Replacement	2026	General	2	\$20,000
3 - Physio Control LP-15 Defibrillator	2027	General	1	\$90,000
Replace Primary Ambulance	2027	General	2	\$300,000
Acquire ‘Mega Code Kelly’	2028	General	4	\$10,000
Community Paramedicine Equipment	2028	General	5	\$120,000

Additional Detail:

Ambulance Replacement, Care 2: \$300,000

Care 2, the second ambulance, needs replacement. It is a 1999 unit, has high mileage, and is nearing the end of its useful life. In addition, it does not have 4-wheel drive, which given the unpredictable weather

in Laurel is required to ensure accessibility throughout the Laurel service area. Annual maintenance costs for the vehicle are reaching a level near the cost of the new ambulance.

Communication Equipment replacement: \$20,000 (Annually)

As is the case with replacement of the communications equipment in the Fire Department, the Ambulance Service is also considering a bulk replacement of all the communications equipment or an annual partial replacement that ensures communications equipment is always fully functional and of the highest quality. The primary advantage of a total replacement is ensuring all equipment is standardized and compatible. The obvious drawback is centralizing the full cost into a single fiscal year. The most expedient and cost-effective solution would be to purchase half of the equipment in June of one fiscal year and the second half in July, which would be a new fiscal year, allowing for purchase of standardized and compatible equipment with the costs spread over two separate fiscal years.

Physio Control LP-15 Defibrillator: \$90,000

The Departments' defibrillators need to be upgraded or replaced. These are essential life-saving equipment. The current plan is to place these devices on a routine amortization schedule so that the equipment is updated promptly and remains within current health and safety standards for use.

Ambulance Replacement, Primary: \$300,000

Cost includes the replacement of the primary ambulance in 2024. This is the anticipated time frame in which the primary vehicle will reach high enough mileage and needed repair/maintenance that meets or exceeds the cost of replacement.

Mega Code Kelly. \$10,000

Mega Code Kelly is the most recent generation of training aids available to EMS Departments. Training and training aids are a critical piece of providing continual preparation for first responders to address life-threatening situations.

Community Paramedicine Equipment: \$120,000

Laerdal® MegaCode Kelly Advanced

There is a strong desire to create a Quick Response Unit (QRU) to address urgent EMS needs within the jurisdiction. The cost estimate provided is not for personnel costs but is instead proposed to acquire the necessary equipment and a vehicle to support QRU operations.

CITY CLERK/TREASURER:

In addition to public works and public safety, the City is responsible for the daily governance of the community. This includes duties that fall to Clerk/Treasurers office which include the City Clerk, records and information technology, utility billing, accounts payable and receivable, the cemetery, treasury, water office and various other entities required to ensure City government remains operational. The Clerk/Treasurer Department has custody of, and is responsible for, all official records and monies belonging to the City of Laurel.

The following projects/purchases related to the City Clerk/Treasurer Division have been identified and prioritized:

City Clerk/Treasurer

Project	Project Year	Funding Sources	Priority (1-5)	Project Costs
New Accounting Software	2027	General	1	\$80,000

Additional Detail:

New Accounting Software: \$80,000

The finance accounting software used by the Clerk/Treasurer is outdated. A new accounting program needs to be purchased that better meets current accounting standards as well as the growing needs of the community.

CITY PLANNING:

Laurel City Planning is responsible for guiding and directing the future growth of the City. Staff strives to plan for growth and development while maintaining the hometown atmosphere that Laurel citizens enjoy.

The City Planner is responsible for current short-, medium- and long-term planning, zoning compliance, subdivision review, and economic development activities. The Department seeks to both build on current assets within the city through development and to grow the city through thoughtful planning projects and strategic expansion.

The main goals of the City Planner are to:

- Provide consistent direction for projects within the City
- Manage major planning activities and codes.
- Guide subdivision development through the public process
- Ensure growth activities maintain a high quality of life for residents.
- Create an attractive community for prospective residents, businesses, and institutions.

The following projects/purchases related to City Planning have been identified and prioritized:

City Planning:

Project	Project Year	Funding Sources	Priority (1-5)	Project Costs
Annexation Plan	2024	General	1	\$30,000.00
Zoning Code Updates	2024	General	1	\$25,000.00
West Laurel Interchange Study	2024	General	1	\$50,000.00
Land Use, Zoning, and Infrastructure Study in/around the West Laurel Interchange and Golf Course Rd Corridor.	2025	General	2	\$60,000.00 (\$25,000 awarded from Dept of Commerce)
Subdivision Code Update	2025	General	2	\$40,000.00
Downtown Master Planning	2025	General	3	\$50,000.00
Department Vehicles	2026	General	4	\$100,000
Park Master Plan	2026	General	4	\$30,000.00
Trails Plans	2026	General	4	\$40,000.00
Growth Management Policy	2028	General	5	\$50,000

Additional Detail:

Annexation Plan: \$30,000

Costs include development of a plan that establishes priorities for the annexation of land and property surrounding the current city limits of Laurel, including subdivisions and properties within the Laurel Zoning Jurisdiction (County Properties on Laurel water and/or sewer, the golf course corridor and West Laurel Interchange, north/near east (E 8th, Yard Office), and the airport and adjacent areas).

Zoning Code Update: \$25,000

Cost includes a comprehensive update to Laurel Municipal Code (LMC) Chapter 17. Significant items in need of update include zoning districts, sign code, overlay districts and allowable uses. The primary goal of the update is to simplify the codes, making them easier to use and to implement.

West Laurel Interchange Study: \$50,000

This study would be utilized to assess land use, zoning, and infrastructure needs in/around the West Laurel Interchange and Golf Course Road Corridor. A grant has been received in the amount of \$25,000 from Department of Commerce for this purpose.

Land Use, Zoning, and Infrastructure in and around the West Laurel Interchange and Golf Course Road Corridor: \$60,000

This cost estimate includes updating the transportation master plan including a study of transportation corridors, categorization of roadways, mapping, future roadway planning, timeline/schedule of roadway improvements, and priorities for transportation in/around the city. A grant has been received in the amount of \$25,000 from Department of Commerce to assist with this cost.

Subdivision Code Update: \$40,000

Costs include an update to Laurel Municipal Code (LMC), Chapter 16. The current subdivision code has not been updated for the past three Montana legislative cycles (6 years).

Downtown Master Planning: \$50,000

Downtown Master Planning includes planning for parking, beautification, and lighting improvements. The plan should focus on improving Laurel downtown (to include SE 4th Street and traditional downtown N of the overpass). Completion of the study including recommended upgrades and improvements would provide direct recommendations for the City for implementation in the short/medium term.

Department Vehicles: \$100,000 (\$50,000 each)

The current planning and building Department vehicles are aging and are no longer suitable for fieldwork. Costs include the purchase of two (2) new all-wheel drive vehicles including visibility markings and city logo application for the planning and building department.

Park Master Plan: \$30,000

A park master plan would provide recommendations for utilization of parkland within the City of Laurel. The plan should include recommendations for parkland best practices and/or priorities for parkland donated or dedicated to the City.

Trails Plans: \$40,000

The Trails Plan is one option for assessing the opportunities for, and then creating a trails system within Laurel and the surrounding planning jurisdiction. This could incorporate the best uses for parklands, location of trails and the specific requirements for maintenance and access to any trails as they are established.

Growth Management Policy: \$50,000

The City Growth Management Plan should be updated a minimum of every five (5) years. The most current plan was completed in 2022 and should, therefore, be updated in 2025, ensuring that the City maintains a plan for guided development moving forward.

CITY LIBRARY

The Laurel Public Library policy and operations is overseen by the Laurel Public Library Board of Trustees, who are responsible for ensuring the Library bylaws are adhered to and updated on a regular basis. The City Mayor appoints trustees with City Council approval and from recommendations provided by the existing Board. According to current bylaws (as revised and adopted in 2020), three (3) of the trustees are residents from within the boundaries of School District #7/70, one (1) is a resident from the surrounding tri-county area and one (1) can be a resident “at large” of the State of Montana.

Like many libraries, the Laurel Public Library is an important community resource, providing a venue for numerous community events and family activities. In addition, the library provides educational resources, legal and tax information, tech support, voting information, and public computers and spaces that can be reserved by the public.

The following projects/purchases for the Laurel Public Library have been identified and prioritized:

City Library:

Project	Project Year	Funding Sources	Priority (1-5)	Project Costs
Computer Replacement	Annually	General	1	\$6,000/year
Library Roof, Soffit, & Fascia	2025	General	1	\$50,000
Air Conditioning Units	2026	General	2	\$25,000
Building Additions (2 Wings)	2028	General	3	\$750,000

Additional Detail:

Computer Replacement: \$6,000

The computers currently being utilized by the public and by the staff are long past their useful life (6-10 years in age) and are no longer meeting current software or security needs. Costs include replacement of all staff and public computers starting in 2024 replacing 2-3 a year.

Library roof, soffit, and fascia: \$50,000

The building roof and fascia is in severe disrepair and requires replacement. The last inspection performed in 2018 recommended replacement with deterioration ongoing. Recommendations were for a complete roofing replacement, gutters, downspouts, soffits, and fascia.

Air Conditioning Units: \$25,000

The existing air conditioning units were installed with the building in 1998 and are beginning to fail. Due to the age of the units, maintenance is almost impossible as parts are no longer available, and costs are reaching the level that new units would be more cost effective.

Building Additions (2 wings): \$750,000

The library has outgrown the current footprint and is struggling to meet the current community demands. Costs include an addition to the North 7 West sides (10ft out) which will allow for a storage room, additional meeting rooms, and office space.

COMMUNITY-WIDE/MULTIPLE DEPARTMENT PROJECTS:

As noted throughout the designated department sections of the CIP, there are several projects that are identified that cross over into other Departments and could be combined for cost savings and maximum return on investment. There are also projects that were not listed under individual Department priorities as they impact the whole of City services (i.e., replacement of City Hall). These projects are listed and/or reiterated here for consideration as the community continues to prioritize those projects that are most needed and would have the most impact on the community and city services overall if they were able to be addressed:

Project	Project Year	Funding Sources	Priority (1-5)	Project Costs
Trail Master Plan (Transportation Action Plan)	2024	General		\$40,000
New Fire/Ambulance Facility	2025	General	1	\$15,000,000
Replace City Hall	2027	General/Enterprise	2	\$15,000,000
Joint Public Works Storage Facility	2028	General/Enterprise	1	\$1,500,000

Additional Detail:

Trial Master Plan (Transportation Action Plan): \$40,000

Both a Trails and Park Master Plan are listed as priority projects for City Planning. These plans would encompass the entirety of the City and would potentially impact public works as well as public safety. Creation of the trails master plan as part of a larger active transportation master plan would allow the community to consider how parks, trails and other public amenities are fully integrated into the community to create walkability and access for all residents.

Fire and Ambulance Facility: \$15,000,000

The facility currently being utilized for fire and emergency services is an older, converted fire station. As it was originally for limited use for the fire department, it is not well suited for the current combined use in which fire, ambulance and police are all in the same location. The building is not configured appropriately and is much too small for the current number of staff and for vehicles and equipment. Departments have prioritized rehabilitation, expansion, and minor remodel projects to assist in creating a more suitable space, but these are short-term fixes to a long-term problem and will not resolve the situation fully. Costs are estimated for an entirely new facility designed to meet the needs of all three departments and their staff/equipment.

City Hall Replacement: \$15,000,000

Much like the fire and ambulance building, City staff and services have outgrown City Hall. The City Court is out of room and overall, the building no longer functions well for its designed purpose. Costs are estimated for a significant remodel/expansion of the current building or construction of an entirely new building to better meet the community's current and growing needs.

Equipment Storage Facility: \$1,500,000

It has been noted throughout the CIP that several departments and City agencies do not have adequate space for equipment and vehicle storage, which often results in equipment/vehicles being stored outside subjecting them to the elements and to theft and vandalism. The current City shop is also at capacity and spare parts for City equipment are difficult to find and maintain due to lack of space.

In addition to a desire for storage for public works and public safety department inventory, the City shop requires expansion or relocation to a larger facility. Depending on land and facility availability, these projects could be combined or completed separately to meet the needs of all City departments.

Projects and Potential Funding Summary

While all identified projects are important, often they are prioritized based on limited financial and capacity issues. With the 2021 passage of the Bi-Partisan Infrastructure Law (BIL)/Infrastructure Investment and Jobs Act (IIJA), there is no better time for communities to review identified projects within the context of additional federal grant dollars. While most federal grants continue to require a 20 percent match, particularly for large, expensive, and transformational projects, this investment can be leveraged against significant federal contributions that make what were, in some cases, previously unrealistic projects, attainable.

While federal money is not available for all identified projects or equipment, and there are never guarantees that grants applied for will be awarded, what follows is an overview of the most common grant/loan resources that could potentially be accessed/further researched to assist in moving projects forward and/or buying necessary equipment. ***This is not an exhaustive list*** as grant availability changes all the time and new resources are added while some are removed. The following list is also primarily “public” grants/resources and does not include private/foundation grants which, especially for amenities like parks and community facilities, can often supplement public dollars. Additionally, some of the resources listed have several different grant programs (for example, WaterSmart has 16 different grant programs, primarily for utilization in water projects). For this reason, the City is encouraged to do additional research and/or to have funding/grant experts do that research on a project-by-project basis.

Funding projects, especially large infrastructure projects, can be extremely complex and even with the recent influx of federal grant dollars, grants are extremely competitive. Timing of when grants are available and due becomes critical as, often, projects need to be considered and planned 2-3 years in advance of seeking applicable funding. Construction grants are often seeking projects that are as close to “shovel ready” as is feasible, requiring significant planning ahead of submission. Because of this, many grant resources have dollars set-aside for planning which should be accessed and utilized prior to considering construction/implementation grant resources. Lastly, some Montana grants are only available on alternating years and require legislative approval, resulting in 2–3-year cycles before money becomes available. To take maximum advantage of grant funds, communities need to always think 3-5 years into the future. Like infrastructure development, planning and application for grants takes significant time and cannot be done well last minute or “on the fly.”

For this reason, it is recommended that Laurel utilize outside technical assistance when considering any of the grants/funding resources as outlined. Professional grant writers can often assist in determining whether projects are competitive for grant funding, what the timing of applications should be, and ensuring that in cases in which application is made, those applications are as competitive as possible and provide Laurel the best opportunity for award success.

PUBLIC WORKS			
WATER, WASTEWATER, STORMWATER			
Program	Min/Max Grant	Match	Deadlines
DNRC RRGL-Planning	\$15,000	No Match Required	Summer
DNRC RRGL-Construction	\$125,000	No Match Required	May 15th

LIBRARY/COMMUNITY FACILITIES			
Program	Min/Max Grant	Match	Deadlines
CDBG Construction	\$750,000	25 percent	Fall (September/October)
EDA Public Facilities	\$1-\$1.5 million	1:1	No deadlines
USDA Community Facilities Direct Loan/Grant	Loan/Grant combination amount depending on project size/loan amount	No match but percentage of loan is based on community size and LMI	No deadline

In addition to funding resources that are targeted to specifically identified in the CIP, there are several federal resources, many of which are the result of the Bipartisan Infrastructure Law (BIL), that target energy efficiency, green energy, electric vehicle deployment, energy and mineral development, and climate resiliency. Additionally, more money is available to address telecommunications and broadband needs than ever before, creating avenues for communities and private providers to extend and enhance connectivity throughout the country.

New grant programs that may be considered include (but are not limited to), the Rural Energy Pilot Program, USDA ReConnect grant and loan program, PROTECT Resiliency Planning/Implementation, the Community Wildfire Defense Grant, and additional monies for brownfields assessment and clean-up.

As the City continues to prioritize and address already identified and new projects, these resources should be considered as a means to supplement traditional funding and also address connectivity, resiliency, sustainability, and longevity of infrastructure development.

AVAILABLE COMMUNITY FUNDING RESOURCES:

General Fund and Cash Reserves: The City of Laurel raises approximately \$4.1 million each fiscal year for the general fund. The City Council has appropriated (approved for spending) approximately \$4.8 million in expenditures for Fiscal Year 2022. In discussion with the Clerk-Treasurer, the City has a pattern over the past 5-years of appropriating more general fund dollars than is collected. Assuming all approved expenditures occur, the balance is paid from the City reserves. The City can hold cash reserves equal to 50 percent of annual appropriations or approximately \$2.4 million. Cash reserves currently stand at about \$1 million or 21 percent of the annual general fund balance. Cash reserves at this percentage are not problematic for any given fiscal year and considered to be a sound cash position. Reserves are how the City continues to ensure City services and general fund operations from July 1st until tax proceeds are distributed, generally in late November of each year.

Tax Increment Finance (TIF) Districts: TIF Districts are often seen as a two-edged sword. While they generally encourage investment/reinvestment in communities, this tool also increases taxable value (increment), used to pay debt for the District while not providing additional revenues to the general fund. TIF Districts in Laurel have been successful, and there is current development occurring within the established Laurel TIF Districts.

Public Safety or Other Levies:

In addition to general fund, cash reserves, and TIF Districts, the City also may request voter approval for levies. Most prominently, communities will request a public safety mill levy, however, levy dollars may also be requested for schools, recreation, and other specific City needs as identified. These efforts generally take significant outreach to the public to provide information regarding the need and to answer taxpayer questions, however, can be a useful and significant funding stream for high priority community projects. Neighboring communities of Billings and Red Lodge have been successful in recent years in passing public safety mill levies to assist in paying for these critical fire, police, and ambulance services.

Enterprise Funds:

Solid Waste: The solid waste fund is in the 'black' for the first time in several years. Because of this, and because there have not been substantial revenues to meet identified needs, the solid waste program has a backlog of capital needs which are outlined in the CIP.

Water: The water enterprise fund is in a healthy financial position, however, there are also several significant capital needs as outlined in the CIP. The City is considering utilizing American Rescue Plan Act (ARPA) allocations to assist with some of these outstanding needs. In addition to capital needs, the City is having discussion about the need to separate the drinking and storm water enterprise fund. Currently both drinking water and stormwater needs are being funded through the water enterprise fund. This is not ideal and, eventually, these should be divided into separate enterprise funds.

Sewer: The sewer enterprise fund is in a healthy financial position, however, is like the water enterprise fund in that the capital needs are more significant than the current financial resources available. This is another potential opportunity to utilize ARPA funds to assist with one-time priority expenditures.

As previously mentioned, Laurel is continuing to grow. As a result, it is anticipated that within the five years, Laurel will become a Class 2 City. A 2nd class city has a population between 10,000 and 20,000 people. This growth and designation will result in significant changes especially related to appropriations for the Fire Department and City Court.

EXTERNAL FUNDING RESOURCES:

Maintaining, rebuilding, and constructing infrastructure is an expensive and time-consuming process. Costs often exceed revenues collected and communities find it necessary to access outside grant and loan resources to fund these projects fully. Although the following is not an exhaustive list of those resources, it does provide a short description of common and often utilized state and federal resources available to assist communities in their infrastructure goals. Some of these programs are only available every-other year (as they are approved by the Montana State legislature). Because of this, it is important that the City plan well in advance, ensuring that projects are ready for consideration when grants are open for application.

Federal Stimulus/Recovery Funds:

In addition to the typical state and federal resources as outlined, beginning in 2020, there has been a substantial influx of federal stimulus/recovery money available. The purpose of these dollars is to assist communities in recovering from negative economic impacts related to COVID-19, but this takes many forms and provides for considerable local latitude in how federal allocations and grants are spent to meet this need.

The CARES Act in 2020 included substantial funding for communities for payroll protection, businesses, renter assistance, unemployment insurance, healthcare, as well as childcare, schools, and food assistance. In March 2021, the American Rescue Plan Act (ARPA) was passed, providing over \$350 billion in government support. Extension of several CARES Act programs and dollars were included along with direct appropriations to States, Counties, and Cities for use in providing aid to households, small businesses, non-profits, and assistance to industries particularly hard hit such as tourism, hospitality, and travel; funding government services that were curtailed because of decreased tax revenue caused directly by the pandemic; and making necessary investments in water, sewer, or broadband infrastructure.

In early 2022, the ARPA final rule was released which provided additional flexibility in the spending of ARPA dollars to include up to a presumed \$10 million revenue deficit for communities. This resulted in communities no longer having to complete lengthy revenue loss calculation forms to utilize their ARPA allocations as “lost revenue,” effectively giving communities permission to utilize their direct ARPA allocation (with very few exceptions) for ANYTHING that governments typically spend their revenues. This includes roads, bridges, community facilities, and other forms of infrastructure previously not included.

In late 2021 Congress passed the third federal relief bill, the Infrastructure Investment and Jobs Act (IIJA); Building a Better America. This provides an additional \$973 billion over five years (FY2022-FY2026) including \$550 billion in new infrastructure investments in transportation, water, power and energy, environmental remediation, public lands, broadband, and resilience. This includes reauthorization and additional funding for several existing grant/loan programs as well as several NEW grant/loan programs that will be made available in the next 5 years. There is considerable money for planning and for “shovel ready” projects, making it important that communities identify priority projects and ensure planning and related planning documents/processes are in place to take full advantage of these limited-time opportunities. These programs/funding resources change frequently and are only guaranteed available through 2026. A comprehensive list of these can be found here: <https://www.whitehouse.gov/wp-content/uploads/2023/02/Open-and-Upcoming-Infrastructure-Funding-Opportunities-Feb-6-2023-VF.pdf>

Montana Coal Endowment Program (MCEP)

MCEP (formerly known as the Treasure State Endowment Program or TSEP) offers both planning and construction dollars for water, wastewater, sanitary or storm sewer systems, solid waste disposal, and separation systems and bridges. Planning grants are available for up to \$15,000 and require a 1:1 match. Construction grants are available for the same types of projects and can be awarded for up to \$750,000 depending on user rates being charged in the project area. Construction grants also require a 1:1 match. MCEP planning grant applications are generally accepted in the spring of “odd-numbered” years (legislative years) and construction grants on the alternating “even-numbered” years (when the legislature is not in session). Planning grants are awarded relatively quickly, however, construction grants are ranked and then approved by the legislature, resulting in at least a year between application and award/contract. <https://comdev.mt.gov/Programs-and-Boards/Montana-Coal-Endowment-Program/>

Community Development Block Grant (CDBG)

CDBG also offers planning and construction dollars for communities to preserve affordable housing, provide services to the most vulnerable citizens, and plan, construct or rehabilitate infrastructure and public facilities that primarily benefit low-to-moderate income (LMI) citizens. Planning grants are available for up to \$50,000 and require a 1:3 match. They can be used for various community planning activities including studies, research projects, growth policies, CIP links, updating of subdivision and zoning regulations, master plans, and economic development studies. Applications for planning are generally requested in the late summer/early fall of each year. CDBG Construction grant applications are accepted once per year (usually in the fall/winter of each year) and may request up to \$450,000. These also require a 1:3 match and projects must be in communities where the percentage of LMI citizens is at least 51 percent. <https://comdev.mt.gov/Programs/CDBG>

Montana Coal Board

The Montana Coal Board facilitates funding from the Montana Coal Severance Tax. Funding is appropriated by the Montana legislature every two years and utilized to assist local governments that have been impacted because of the development of coal or coal energy in public services (including infrastructure, emergency equipment, and other community facility needs). Only communities designated as being in the Coal Impact Area can apply (Laurel is included in the Coal Impact Area). Communities are expected to contribute to project costs to the degree they are able, but there is no specified maximum grant amount nor a specified match requirement. The Coal Board meets quarterly and reviews applications at that time. Funding is always contingent on coal severance tax revenues. <https://comdev.mt.gov/Boards/Coal>

Department of Natural Resources- Renewable Resource Grant and Loan Program (DNRC-RRGL)

DNRC-RRGL offers both grants and loans for planning and construction. Funds are utilized for projects that conserve, manage, develop, or preserve Montana’s renewable resources. This includes numerous public facility projects, including drinking water, wastewater, and solid waste development and improvement projects. Planning grants are available for up to \$15,000 and do not require a match. Applications are typically due in early spring and depending on funding availability, sometimes a second round in the fall of each year. Construction grants are available for up to \$125,000, and, again, there is no match requirement. These applications are due on May 15th of even-numbered years and, like MCEP, are ranked and then approved for funding through the Montana legislature in the following legislative cycle.

DNRC-RRGL also offers low-interest loans, which are determined by the community's debt capacity. Additional smaller grants for irrigation development, watershed management, and emergencies (both grants and loans) are also available. <http://dnrc.mt.gov/divisions/cardd/resource-development/renewable-resource-grant-program>

Montana State Revolving Loan Fund (SRF)

Located within the Department of Natural Resources and Conservation (DNRC), these low-interest loans are available to local government borrowers for wastewater (water pollution control projects) and drinking water projects. Loans can be applied for at any time (there is no official deadline) and funds are made available depending on the community's debt capacity/ratio.

<http://dnrc.mt.gov/divisions/cardd/financial-bureau>

Montana Board of Investments- INTERCAP Loan Program

INTERCAP loans are available for a variety of community infrastructure and public equipment/vehicle needs. Loans are low interest and, like the SRF loans, based on the community's debt capacity/ratio. Like SRF, there is no hard deadline for these applications. For smaller loans (less than \$1 million), staff can review loans at any time and make determinations. If a loan is more than \$1 million, the loan committee must approve the loan. That committee generally meets monthly. If a loan is more than \$5 million, the Board of Investments must approve the loan. That Board meets quarterly. The interest rates on INTERCAP loans are generally less than that of other loans, but the loan term is also less, with a maximum term of 15 years or useful life of the project, whichever is less.

<https://investmentmt.com/INTERCAP>

US Department of Agriculture-Rural Development (USDA-RD)

USDA-RD offers grants and loans for planning and construction of various community and individual projects. The division provides business and industry loan guarantees, rural business development grants, rural energy and renewable energy programs, efficiency improvement loans & grants, value-added producer grants, community facility direct loans and grants, water and waste disposal loans and grants, single-family housing direct home loans, single-family housing repair loans and grants and technical assistance grants. USDA RD prefers loan/grant combinations for infrastructure projects and serves rural communities with populations of no more than 20,000 residents. There is a strong preference for communities with a population of less than 5,500 and low-income communities having a median household income below 80 percent of the state nonmetropolitan median household income. USDA generally has substantial resources, but the application process is lengthy and sometimes prohibitive, especially for communities without a grant writer or dedicated staff.

<https://www.rd.usda.gov/mt>

Economic Development Administration (EDA)

EDA offers funding through their Public Works and Economic Assistance Program to assist economically distressed communities and regions with comprehensive and flexible resources to address a wide variety of economic development needs. Project funds can be utilized to support work in Opportunity Zones and support for creating and retaining jobs, increasing private investment, advancing innovation, enhancing manufacturing capacity of regions, providing workforce development opportunities, and growing ecosystems that attract foreign direct investment. EDA funds are facilitated by the US Department of Commerce (federal dollars).

There are generally no “hard” deadlines for application to EDA funds and no specified maximum grant amounts, although the influx in federal funds to EDA has resulted in several new programs that do have deadlines and specified maximum grant awards. EDA does typically require a 1:1 match, and it is recommended applicants work with their regional EDA representative to discuss projects and formulate applications in advance of submission.

RECOMMENDATIONS AND SUMMARY STATEMENTS:

As was noted in the Introduction to the CIP, this plan is intended to be a living document that can evolve and be updated as projects are completed and/or as other projects are identified and made a priority. At a minimum, it is recommended that the City formally update the document every two years. This allows for a thorough review of projects and the opportunity to update project tables, community information, and cost estimates, ensuring that projects that are completed are removed and new projects are incorporated into the plan.

The CIP references the use of CARES Act, ARPA and IIJA dollars (all federal stimulus/recovery dollars) as possible one-time funding resources for various identified infrastructure projects and related City equipment. It is recommended the City plan for, apply, and utilize these funds for completion of as many projects as is possible (and that qualify) during this time of unprecedented federal assistance. This will assist in reducing the burden on local revenues for completion of those projects/equipment purchases, allowing for use of those funds on projects that do not qualify for federal assistance.

In discussions with Department staff in the creation of the CIP, several projects were identified that are substantially similar and often cross over multiple departments/divisions. As the City proceeds, it would be recommended that these projects be considered as joint/combined projects, allowing City resources to be utilized as efficiently as possible. These projects have been called-out and identified in “Multiple Department Projects.” They are large projects that will take substantial financial resources and community support to come to fruition.

As part of this effort, it is recommended that an Inventory of City Owned Property as well as a Space Study be completed as identified in “Multiple Department Projects” (estimated cost of \$75,000-\$100,000). This would be a substantial first step in assisting City leadership in identifying existing City owned properties and space needs as well as discussing planning for future space needs and means by which the City might combine some of these projects to meet multiple Department needs. For example, the City has expressed the need for both a new City Hall and a Law and Justice Center. Several communities have combined these facilities successfully, meeting the needs of multiple Departments and centralizing multiple City services, staff, equipment, and supplies.

The City is currently outlining and finalizing the FY2022 budget. It is recommended the City begin implementation of the CIP as part of the budget process, ensuring that projects identified as priorities for FY2022-2023 be included (to the degree possible) in the FY2022-2023 budget and that Department’s consider how they can begin saving for projects planned/identified in FY2023-2024 and beyond.

File Attachments for Item:

13. Resolution No. R24-47: A Resolution Of The Council Awarding The Bid And Authorizing The Mayor To Execute All Contract And Related Documents For The Purchase Of A Custom-Chassis Fire Truck From US Fire.

RESOLUTION NO. R24-47

A RESOLUTION OF THE COUNCIL AWARDING THE BID AND AUTHORIZING THE MAYOR TO EXECUTE ALL CONTRACT AND RELATED DOCUMENTS FOR THE PURCHASE OF A CUSTOM-CHASSIS FIRE TRUCK FROM US FIRE.

WHEREAS, the City of Laurel (hereinafter “the City”) is in need of a Custom-Chassis Fire Truck (hereinafter “the Fire Truck”);

WHEREAS, the City’s Capital Improvement Plan has been amended to reflect the need for the purchase of the Fire Truck;

WHEREAS, the City has complied with its procurement policy and Montana law by utilizing a competitive bid process to ensure the Fire Truck cost and company selected is in the best interests of the City in both quality and price;

WHEREAS, the City sought bids from qualified companies from whom to purchase the Fire Truck by publicly advertising the bid pursuant to Montana law;

WHEREAS, the City received a responsive bid from US Fire (hereinafter “US Fire”) for the Fire Truck;

WHEREAS, US Fire’s bid to complete the Fire Truck is for the total cost of One Million Fifty-Eight Thousand Two Hundred Forty Three Dollars and No Cents (\$1,058,243.00);

WHEREAS, US Fire was the lowest qualified bidder, and such bid is attached hereto and incorporated by reference herein; and

WHEREAS, the City currently possesses adequate funds to purchase the Fire Truck and/or can make appropriate and reasonable lending arrangements, and it is in the City’s best interests to proceed with the purchase of the Fire Truck.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Laurel, Montana, that the City Council accepts the bid with US Fire, and the Mayor is authorized to execute all contract and related documents with US Fire for the purchase of the Fire Truck, pursuant to the terms and conditions contained in the attached bid for the total cost of One Million Fifty-Eight Thousand Two Hundred Forty Three Dollars and No Cents (\$1,058,243.00).

Introduced at a regular meeting of the City Council on the 25th day of June, 2024, by Council Member _____.

PASSED and APPROVED by the City Council of the City of Laurel the 25th day of June, 2024.

APPROVED by the Mayor the 25th day of June, 2024.

Laurel City Council
Re: New Custom-Built Fire Truck

June 10, 2024

Laurel City Council,

A Sealed Bid process was concluded on May 30, 2024 at 1:00 pm in the City Hall Conference Room. The following were present:

1. Travis Nagel, Assistant Fire Chief
2. Kelly Strecker, City Clerk/Treasurer
3. David Waggoner, City of Laurel Mayor

The bid advertisement was posted on the City of Laurel website and the Yellowstone County newspaper beginning on May 17, 2024. The deadline for receiving the sealed bids was May 30, 2024 at 1:00pm.

Major specifications for the "Custom-Built" Fire Truck are as follows:

- Custom-Chassis Rescue Fire Truck with a 3/16" Extruded Aluminum Body Configuration – Red in color
- Pump Capacity of 1500 GPM (Gallons Per Minute) and Tank Capacity of 1000 Water/30 Foam (Gallons)
- LED 360° emergency lighting
- Storage for tools, supplies and equipment

During the sealed bid opening process, ONE bid was presented, which was from US Fire from Holden, LA. The build price is \$1,058,243. This bid met or exceeded all the requirements in the advertised bid documents.

It is my request and recommendation that we proceed with awarding US Fire the contract to build the Custom Fire Truck according to the specifications presented in the bid for the City of Laurel and the Laurel Volunteer Fire Department. This truck will replace the aging 1992 Fire Engine 4, which will be retired. The truck will also potentially help us improve our ISO (Insurance Services Office) Rating, which is likely to have a positive impact on reducing home insurance costs for homeowners in the community.

Thank you for your consideration.

JW Hopper
Fire Chief, Laurel Volunteer Department

Custom Chassis Fire Truck

Every Fire Department should have quick access to a new fire apparatus with the performance, strength, and capabilities needed to protect their community.

US FIRE APPARATUS

In response to the demands of fire departments across the country, US Fire Apparatus was formed to build and deliver heavy-duty fire apparatus, quickly. Through existing relationships and feedback from fire professionals, Chris has listened and arranged the key elements that will help departments quickly obtain new fire trucks while receiving the customer service they deserve.

BUILT TO CHRIS' SPEC

Each US Fire Apparatus truck originates from one of Chris' custom design specifications and is built by experienced craftsmen in a new, state-of-the-art manufacturing facility. Each apparatus is thoroughly inspected for quality and performance.

EXPERIENCED TEAM

From the sales and engineering staff to our production and quality teams, US Fire has assembled industry veterans with the experience to design, manufacturer and deliver heavy-duty fire apparatus.

STREAMLINED PROCESS

Our refined manufacturing process leverages predictable material supply flow with building processes and proficiency that are unmatched in the industry, drastically minimizing delivery times and surpassing current industry standards.

PERSONALIZED SERVICE

As important as building fire trucks, US Fire focuses on building long-lasting relationships by listening to our customers, while providing excellence in customer service.

EXCEPTIONAL RESULTS

Each truck is engineered, manufactured and tested to meet Chris' heavy-duty specifications; ensuring delivery of the highest quality and performance required by the fire service.

INSTRUCTIONS TO BIDDERS

EXAMINATION OF DOCUMENTS

Before submitting the proposals, the bidder shall:

- (a) Carefully examine the Standards and Specifications as well as all other attached documents.
- (b) Fully inform themselves of the existing conditions and limitations.
- (c) Include with the bid sufficient information to cover all items required in the specifications.

BID COMPLIANCE

It shall be the responsibility of the bidder to see that all bids are sealed and submitted to the office of the City Clerk at City Hall, 115 W. First Street, Laurel, Montana 59044, before 01:00 p.m. May 30, 2024.

BID PROPOSAL MODIFICATIONS

Proposals shall be made on the form provided herein; they shall not contain any recapulation of the work done. Modifications, additions or changes to the terms and conditions of this invitation to bid may be cause for rejection of the bid. Bids submitted on other forms may be rejected. No oral, telephone, or telegraphic bids or modifications will be considered.

CERTIFICATION OF ALTERATION OR ERASURE

A bid shall be rejected should it contain any material alteration or erasure, unless, before the bid is submitted, each such alteration has been initialed in INK by the authorized agent signing the bid.

INTERPRETATION PRIORITY

Should a bidder find discrepancies in, or omissions from, the specifications, or be in doubt as to their meaning, bidder shall notify the Laurel Volunteer Fire Department Head, JW Hopper, at the address noted above, who will send written instructions or addenda to all bidders. The City will not be responsible for oral interpretation. All addenda issued prior to bid opening shall be incorporated into, and become part of, the contract agreement upon award. Questions received less than ninety-six (96) hours before the bid opening cannot be answered.

SIGNATURE

All bids shall be typewritten or prepared in ink and must be signed in longhand by the bidder or bidder's agent or designee, with his/her usual signature. A bid submitted by a partnership must be signed with the partnership name, followed by the signature and designation of the partner signing. Bids by corporations must be signed with the legal name of the corporation, followed by the name and signature of an authorized agent or officer of the corporation. Bids submitted by a proprietorship must be signed by the owner; the name of each person signing shall be typed or printed legibly below the signature.

WITHDRAWAL OF BIDS

Bidders may withdraw their bid either personally or by written request at any time prior to the time set for bid opening. No bid may be withdrawn or modified after the time set for opening, unless and until the award of the contract is delayed for a period exceeding thirty (30) days.

CERTIFICATION

The bidder certifies that the bid has been arrived at by the bidder independently and has been submitted without any collusion designed to limit independent bidding or competition. The bidder further certifies that the materials, products, services and/or goods offered herein meet all requirements of the stated specification and are equal in quality, value and performance with highest quality, nationally advertised brand and/or trade names.

EVIDENCE OF QUALIFICATION

Upon request of the City of Laurel, a bidder whose proposal is under consideration for award may be required to manifest satisfactory evidence of his financial resources, experience, the organization, and equipment as well as service provisions bidder has available. In determining the lowest responsible bidder, in addition to price, the following considerations may be addressed:

- (a) The ability, capacity, character, integrity, and skill of the bidder to perform the contract or provide the service required.
- (b) Whether the bidder can perform the contract within the time specified.
- (c) The quality of performance of previous contracts, agreements, services and/or performance.
- (d) Previous and/or existing compliance by the bidder with laws relating to the contract or services.
- (e) Such other information, which may be secured, as having a bearing on the decision to award the contract.
- (f) A reference list listing FIVE apparatus of similar design that have been delivered ON TIME within the last 24 months. This list shall include the Fire Department name, Contact Name in that Department, Phone Number, Email Address, Quoted Delivery Time AT the Award of Contract/Purchase Order and the Actual/Performed Delivery Time from the Award of Contract/Purchase Order to Delivery/Acceptance by the Fire Department.

STANDARD TERMS AND CONDITIONS – PAGE 1

This contract includes the following Standard Terms and Conditions and includes, but is not limited to, the Invitation to Bid, Call for Sealed Bids, Specifications, Forms of Agreement, Instruction to Bidders, and Form of Proposal.

The contractor will not be liable for any delay in furnishing or failure to furnish service due to fire, flood, strike, lockout, dispute with workmen, act of God, or any cause beyond reasonable control.

In case of default by the successful bidder or failure to deliver the goods or services within the time specified, the City Purchasing Authority, after written notice, may procure them from other sources and hold contractor responsible for excess costs occasioned thereby.

The specifications attached to the instructions to bidders establish a standard of quality desired by the City of Laurel. Any bidder may submit quotations on any article, which substantially complies with these specifications as to quality, workmanship, and service. The City of Laurel reserves the right to make its selection of materials or services purchased, based on its best judgment as to which articles substantially comply with the requirements of the specifications.

No alteration in any of the terms, conditions, delivery, quality, or specifications will be effective without prior written consent of the City of Laurel.

No exception to delivery or service dates shall be allowed unless prior written approval is first obtained for the City of Laurel.

All payments to the contractor shall be remitted by mail. The City shall not honor drafts, nor accept goods on a sight draft basis. Furthermore, the provisions or monies due under this contract shall not be assignable unless prior written approval is first obtained from the City of Laurel.

All goods, materials or services purchased herein are subject to approval by the City of Laurel. Any rejections of services, goods, or materials, whether held by the City or returned, will be at the contractor's risk and expense.

The contractor agrees to assume all expense, protect and hold harmless the City, its officers, agents and employees against all claims and expense including, but not limited to, suits or proceedings for patent, trademark, copyright, or franchise infringement arising from the purchase, installation or use of the goods, material or services purchased herein.

The contractor further agrees to assume all expenses and damages arising from such claim, suits, or proceedings.

CITY CLERK
CITY OF LAUREL
P. O. BOX 10
LAUREL, MONTANA 59044

STANDARD TERMS AND CONDITIONS – PAGE 2

Contractor agrees that the waiver, acceptance, or failure by the City to enforce any provisions, terms, or conditions of this contract shall not operate or be construed as a waiver of prior or subsequent breaches or the right of the City to thereafter enforce such provisions.

The contractor warrants all articles supplied under this contract to conform to specifications herein. The contractor will deliver a warranty stating that articles supplied under the contract are fit and sufficient for the purpose manufactured, merchantable, and free from defects.

In the event the City is entitled to a prompt payment or cash discount the period of computation shall commence on the date of delivery, or receipt of correctly completed invoices, whichever is later. If an adjustment in payment is necessary, the discount period shall commence on the date final approval for payment is authorized.

The contractor agrees not to be discriminate against any client employee or applicant for employment or for services, because of race, creed, color, national origin, sex or age with regard to, but not limited to, the following: employment upgrading; demotion or transfer; recruitment advertising; layoffs and termination; rates of pay or other forms of compensation; selection for training; rendition of services. It is further understood that any contractor who is in violation of this shall be barred forthwith from receiving awards of any purchase order for the City unless a satisfactory showing is made that discriminatory practices have terminated and that a reoccurrence of such acts is unlikely.

The City reserves the right to cancel and terminate this contract forthwith upon giving thirty (30) days written notice to the contractor. (This provision does not apply to the purchase of materials and equipment. A purchase order for materials and equipment is a binding contract.)

The Contractor agrees that in the event suit is instituted by the City for any default on the part of the contractor, he shall pay to the City all costs and expenses expended or incurred by the City in connection therewith, and reasonable attorney fees.

Where applicable, possible, or required, the bidder is required to submit descriptive literature, sample material, design sketches and detailed shop drawings. Failure to submit required items may result in rejection of the bid or termination of contract.

The successful bidder may not make any advertising or sale use of the fact contract items are being used by purchaser and other approved agencies, under penalty of contract termination.

The Advertisement for Bids, the accepted Proposal, and the specifications, together form the contract and they fully act as if hereto attached or herein repeated.

CITY CLERK
CITY OF LAUREL
P. O. BOX 10
LAUREL, MONTANA 59044

STANDARD TERMS AND CONDITIONS – PAGE 3

This contract shall be governed by and construed in accordance with the laws of the State of Montana.

The contractor may not assign or subcontract the agreement or the right to receive reasonable performance of any act called for by the contract shall be deemed waived by a waiver by City of a breach thereof as to any particular transaction or occurrence.

Regardless of FOB point contractor agrees to bear all risks of loss, injury, or destruction of goods and materials ordered herein and such loss, injury, or destruction shall not release contractor from any obligation hereunder.

GENERAL BIDDING GUIDELINES:

If bid specification is met, then place a check in the column marked "YES." If it is necessary to bid an alternate equipment or to take exceptions to the specifications as set forth, this must be checked as "NO."

The Basis of the Award shall be dependent on the most responsible bid submitted. Consideration will be given to cash flow, purchase price, delivery dates, equipment service guarantees, parts and service availability, parts and service location, analyses and comparison of equipment specification details, and any other items of concern to the City of Laurel.

The purchaser reserves the right to reject any or all bids, to waive any informality in bids, or to accept in whole or part such a bid as may be in the best interest of the City of Laurel.

The purchaser also reserves the right to reject the vehicle at the time of final inspection if the vehicle does not meet any and/or all requirements of the final contract according to the personnel acting on behalf of the department at the time of final inspection. These requirements include, but are not limited to performance, workmanship, service, quality, and operation of the vehicle.

Please state the estimated delivery time after receipt of order in days: 420 Days

Cab Interior Accessories - 12V Dual USB Charging Port - Cab Mounted, Kussmaul 091-264 (USB A/C)	✓		
Outlet Strip - Six (6) Place, 120V AC Crew Cab	✓		
Radio Equipment - Radio Installation - Customer Supplied	✓		

CUSTOM-CHASSIS RESCUE FIRE TRUCK

INTENT:

These specifications describe a Custom-Chassis Rescue Fire Truck with a 3/16" Extruded Aluminum Body Configuration, with Pump Capacity of 1500 GPM and Tank Capacity of 1000 Water/30 Foam

GENERAL TERMS:

All equipment furnished under this contract shall be new and unused. Accessories not specifically mentioned herein, but necessary to furnish a complete unit ready for use shall also be included. Unit shall conform to the best practice known to the body trade in design, quality of material and workmanship. Assemblies and component parts shall be standard and interchangeable throughout the entire quantity of the units as specified in this invitation to bid.

The bidder shall complete every space in the Bidders Proposal column with a checkmark to indicate if the item being bid on is exactly as specified. If any checkmarks are placed in the "NO" column, a detailed and complete description of the deviation from specification must be supplied on a separate sheet labeled "Deviations from Specification."

A. Pump Module - Side Mount	EXACTLY AS SPECIFIED		
	YES	NO	OFFERED
Pump Panels - Black Anodized Aluminum	✓		
Pump Module - Enclosed with Painted Roll-Up Doors	✓		

Pump Panel - Fully Hinged	✓		
Lights - Left & Right Side Pump Panel. OnScene LED Access	✓		
Light - Pump Compartment, LED	✓		
Switch - Hosebed Light, Pump Panel	✓		
Switch - Pump Panel Exterior/Interior Lights, Pump Panel	✓		
Switch - Air Horn, Pump Panel	✓		
Heat Pan with Heater - Pump House - the Heat Panel Shall be Fully Removable for Summer Ops/Service Work	✓		
B. Pump & Components			
Manual Override for Pump Shift	✓		
Air Primer	✓		
Pump Anti-Corrosion Anodes?	✓		
C. Left Panel Discharges			
All 2-1/2" Side Discharge Outlets Terminate 30° Elbows/Caps	✓		
Discharges (2) Left Side, 2-1/2" Valve	✓		
D. Right Panel Discharges			
All 2-1/2" Side Discharge Outlets Terminate 30° Elbows/Caps	✓		
Discharge - Right Side, 2-1/2" Valve	✓		
Discharge - Right Side, 4" Valve with Electric Control	✓		
Elbow 4" FNST X 4" Storz 30°	✓		
Cap with Chain - 4" Storz	✓		
E. Deck Gun			
Discharge - Deck Gun, 3" Valve with Electric Control	✓		
Telescoping Waterway - 3" Electric, TFT XGA38PL-RL Extend-A-Gun	✓		

Monitor - Electric Deck, TFT Typhoon Y5-E11A	✓		
Monitor Control - Panel Mount, TFT Y4E-RP	✓		
Master Stream Nozzle - Electric Motor TFT M-ERP1500-NN	✓		
Monitor Control - Wireless Remote, TFT YE-RF-900	✓		
F. Hose Bed Pre-connect			
Discharge - Left Front Hose Bed, 2-1/2" Valve	✓		
Foam System - 30-gallon Class "A" Foam	✓		
G. Foam Outlet Locations			
Foam Outlet - Discharge Front Bumper	✓		
Foam Outlet - Speedlay No. 1	✓		
Foam Outlet - Speedlay No. 2	✓		
Foam Outlet - Speedlay No. 3	✓		
Foam Outlet - Left Front Hose Bed	✓		
H. Water Tank			
Polypropylene, 1000 Gallons	✓		
Water Level Gauges	✓		
Lights (EACH) - Water Level - Locations - One (1) Per Side on the Extended Portion of the Cab, and One (1) on the Driver's Side Rear of the Apparatus	✓		
I. Pump Panel Accessories			
Gauge Bezels - Color Coded	✓		
Heated Gauges	✓		
Tags - Pump Panel, Color Coded (Metal)	✓		
J. Steamer Inlets			
Suction Headers - 6" X 2	✓		
K. Auxiliary Inlets			

Suction - Left Side, 2-1/2"	✓		
Suction - Right Side, 2-1/2"	✓		
L. Front Bumper Discharge			
2-1/2" Discharge - in Hose Well (Center Compartment)	✓		
Front Bumper Discharge Blow Out Valve	✓		
M. Speedlays			
Speedlays (3 Total) - 2" Valves X 2 and 2-1/2" X 1 Valve	✓		
Trays - Removable Speedlay X 3	✓		
Trays - Additional Removable Speedlay X 3	✓		
N. Ladder Storage (Must be Enclosed)			
Compartment - Pike Pole/Ladder Storage	✓		
Capacity:			
One (1) Alco-Lite FL-10, 10' Folding Attic Ladder	✓		
One (1) Alco-Lite PRL-14, 14' Roof Ladder	✓		
One (1) Alco-Lite PEL-24, 24' 2-Section Extension Ladder	✓		
Two (2) Pike Poles (10' and 12')	✓		
Tubes (2) - Pike Pole Storage in the Ladder Compartment	✓		
O. Suction Hose Storage (Must be Enclosed)			
Compartment - Suction Hose Storage - 10'X6" (Qty: 2)	✓		
P. Wheel Well Storage Compartments			
Doors - Wheel Well Compartments, Painted Aluminum	✓		
Q. Body Trim/Components			
Mud Flaps	✓		
Access Ladder to Hose Bed	✓		
Tow Eyes (2) - Rear	✓		

R. Hose Bed Dividers/Covers			
Partition - Front of Hose Bed	✓		
Hose Bed Dividers	✓		
Hand Holes in the Hose Bed Divider	✓		
Cover - Aluminum with End Flaps (2-Piece Design)	✓		
Cover (1) - Fill Tower Access, Water/Foam	✓		
End Flap - Hypalon with Bungee Cords, Hose Bed	✓		
Cover/End Flap Color - Black	✓		
S. Rear Directional Light			
LED Rear Traffic Directional Control Light - WHELEN TAL65	✓		
Control Head Location - Traffic Light, Driver's Side Overhead	✓		
ALL Underbody Lights - LED	✓		
Hosebed Lighting - LED (Switched at Pump Panel)	✓		
T. Light Tower - 12V			
Light Tower - 12V with WHELEN PFP2 LED Lights X 4 (Location: Cab Roof)	✓		
Controls - Light Tower, Panel Mount - Located in the Pump Panel Compartment	✓		
Color - Light Tower Option, Powder Coat Black	✓		
U. Loose Equipment			
Ladder - 10' Folding Attic	✓		
Ladder - 14' Roof	✓		
Ladder - 24' 2-Section Extension	✓		
Hose (2) - PVC Flexible Suction - 10' X 6"	✓		
Strainer - 6" NH Barrel	✓		
Pike Pole - 10' Fiberglass	✓		
Pike Pole - 12' Fiberglass	✓		

Wheel Chocks (2)	✓		
Emergency Road Kit	✓		
First Aid Kit	✓		
V. Pumper Body			
All Compartments to have:			
Painted Roll-up Doors	✓		
Dual LED Lighting Strips in Every Compartment	✓		
Vented	✓		
Pull-Down Straps	✓		
Tool Boards – e.g.: PAC TRAC	✓		
All Emergency & Scene Lighting to be:			
WHELEN Lights with Black Bezels	✓		
Chevron Striping:			
Black & Red Reflective	✓		
Front Bumper	✓		
Entire Rear End of the Truck	✓		
W. General Notes:			
The Entire Truck to be Painted in Black & Red Color Scheme	✓		
Utilize Blacked-Out Components	✓		
Minimize Chrome, Stainless, and/or Polished Aluminum	✓		
Truck to be Fully Enclosed Behind Roll-Up Doors, Including Intake & Discharge Plumbing	✓		
X. Administration			
Pre-Construction Conference Trip (Per Person) X 2 - Airfare, Hotel, Meals	✓		
Remote Inspections As Needed	✓		
Final Inspection Trip (Per Person) X 2 - Airfare, Hotel, Meals	✓		

Delivery to Laurel MT	✓		
One Day of Factory Instruction During the Final Inspection Trip	✓		

MANUALS:

Manuals Package to be provided, which includes:

- a. Operation
- b. Engine
- c. Transmission
- d. Body
- e. Pump

WARRANTY:

The bidder shall offer a Warranty Package, which will include the following warranties:

- a. Cab & Body General – 2 Years
- b. Chassis – 3 Years
- c. Frame Rail – Lifetime
- d. Cab Structural – 10 Years
- e. Engine – OEM standard, 5 Years
- f. Transmission – OEM standard, 5 Years
- g. Hale Pump – 5 Years for Parts, 2 Years for the Labor
- h. Plumbing, Stainless Steel – 10 Years
- i. Cab/Body Paint – 10 Years
- j. Water/Foam Tanker - Lifetime

09-X0-0900	Kussmaul - Auto Air 091-9-12 Vdc Compressor	1
45-T0-6130	Kussmaul Remote Control Panel - Kussmaul Charge	1
45-T0-6210	Charge Indicator Panel on Driver's Seat Box	1
45-Z0-1193	Kussmaul 20 Amp - 120V- Super Auto Eject - Custom Cabs CORE	1
45-Z0-1335	Standard Cover, Kussmaul 091-55--XX	1
45-Z0-1382	Black Auto-Eject Cover	1
45-Z0-1505	Electrical Inlet Location- Cab Exterior Mounted - Behind the Driver's Door	1
CAB INTERIOR		
45-P5-0140	Cab Interior Appointments and Options - MFDxl CORE -- 1871 & Spectr II	1
40-DE-0300	Engine Enclosure - Vinyl Covering - Acoustiblok	1
40-DE-1030	Painted Interior Door Panels	1
40-DE-2010	Interior Padding - Standard Ceiling	1
40-DE-2020	Interior Padding - Standard Rear Wall	1
40-DE-2060	Floor Material - Acoustical Wear Mat	1
40-DE-3050	Door Reflective Material, SecuriTrim - Custom Chassis, 4 Door	1
CAB STEERING WHEEL AND COLUMN		
40-DE-7030	Steering Wheel and Column - 4Front - 100" - CORE	1
CAB INTERIOR GRAB HANDLES		
40-DH-0260	Grab Hndls - Inside - Driver's, Officer's A-Post and Both Crew Doors	1
OFFICER'S RADIO BOX		
40-DH-1220	Officer's Radio Compartment (Beneath Seat) With Door	1
OPEN COMPARTMENT LIGHT OPTIONS		
40-LC-0114	Open Cmpmnt Lght-Red Flashing-Whelen OS LED w/ blk flange	1

CAB INTERIOR LIGHTING		
40-LD-0505	Six (6) Whelen CREGCS 6" White/Red LED Dome Lights	1
40-LD-3010	Cab Dome Lighting Activation	1
40-LD-4010	Step Nose LED Lighting - WHITE/RED	1
40-LD-5184	Cab Door Controlled	1
DASH AND SWITCH HOUSING		
40-U0-6050	Driver's Overhead 12-Place (6 over 6) Switch Panel - CORE	1
40-U0-6060	Rugged Driver and Officer Dash Enclosure - CORE	1
40-U0-7010	Officer Side Open Storage Slots in Dash - CORE	1
INSTRUMENTATION		
40-V0-0105	Instrumentation (J1939) and Controls - CORE	1
40-V0-0120	Audible Turn Signal Reminder	1
40-V0-0122	Audible Lights On Reminder	1
40-V0-0124	Audible Parking Brake Reminder	1
40-V0-0130	Dual Trip Odometers	1
40-V0-0148	Odometer Activated While in Pump Mode	1
40-V0-0150	Low Fuel Warning Light and Alarm	1
40-V0-0152	Transmission Temperature Warning Light and Alarm	1
40-V0-0154	Low Voltage Warning Light	1
40-V0-0156	Air Cleaner Restriction Indicator	1
40-V0-0160	Low Coolant Warning	1
SWITCHES AND SWITCH PANELS		
40-X0-1120	Forward Engine Enclosure Console - Manual Switches - CORE	1
40-V0-0502	Parking Brake Control - Driver's Dash	1
40-X0-1200	Engine Enclosure Storage Tray with Recessed Cupholders	1
40-X0-1415	USB-A/USB-C Charging Ports - Driver's and Officer's Area	1
40-Z0-0014	Battery Switched Power	1
40-X0-1422	Outside Temperature Monitor	1
ELECTRICAL SYSTEM		
45-NS-0350	Apparatus Base Digital Electrical System - Class1 Multiplex - CORE	1
45-NS-0210	Information Display Module - Driver's Position	1
PUMP SHIFT		
40-X0-7000	PUMP SHIFT	1
40-X0-7050	Pump Shift, w/Label, Indicator Lgts, Mtd Cab/PPnl	1
BACK-UP CAMERA		
40-YC-3815	Back-Up Camera System, ASA Audiovox, Custom Chassis	1
40-YC-3820	Observation Monitor - 7" LCD - Waterproof, Custom Chassis	1
40-YC-4005	Monitor Mounting - Overhead Position - Driver, Custom Chassis	1
40-YC-3840	Camera - Color - Rear - High Performance - White Housing	1
40-YC-4100	Operation - Battery Powered	1
40-YC-4205	Camera Mounting - Body Rear - Shipped Loose	1
CAB 12VDC POWER		
40-Z0-0003	12 Vdc Power Selections For Accessories, Radios and Chargers - CORE	1
40-Z0-0005	(2) 12 Vdc Power Point Sockets w/ Rubber Plugs - Driver/Officer	1
40-Z0-0012	Battery Direct Power	1
40-Z0-0210	12Vdc Power Circuits - Radio and/or Accessories	1
40-Z0-0300	Location - Power Panel	1
40-Z0-0810	(1) NMO Mount - Radio Antenna Wiring - Officer's Side Forward	1
40-Z0-0857	Location - Officer's Seat Area	1
40-Z0-0900	Antenex NMO Black Weatherproof Cap	1
40-Z0-0830	(1) NMO Mount - Radio Antenna Wiring - Driver's Side Forward	1
40-Z0-0857	Location - Officer's Seat Area	1
40-Z0-0900	Antenex NMO Black Weatherproof Cap	1
CAB 120 VAC POWER		
40-Z0-0415	(2) Cab 120-Volt ac Circuits - CORE	1
40-Z0-0515	Location - (2) Engine Enclosure Top - CORE	1
40-Z0-0650	Electrical Outlet, Conf #5, Duplex, 120V/20A Straight Blade	2
40-Z0-0670	Power Source - Shoreline Connection	2
CAB EXTERIOR		
40-DO-0900	Cab Crashworthiness Test	1

CAB EXTERIOR GRAB HANDLES		
40-DH-2100	Exterior Grab Handles - 24" Long	1
40-DH-4110	Warning Light / Turn Signal, Cab Handrails	1
40-DH-5101	Exterior Grab Handles - Black Finish	1
CAB GRILLES AND HEADLIGHT TRIM		
40-DZ-0220	US Fire Stylized Stainless Front Grille - 1871	1
40-DZ-3002	Cab Grille - Black Finish	1
ICC LIGHTING		
55-02-1002	Custom Cab - Cab - LED - ICC Lighting - Whelen OS Series	1
55-02-1122	Custom Cab - Cab - LED - ICC Lighting - Black Finish	1
55-03-0165	Headlights - HiVIZ LED - Daytime Running Halo Ring - Custom Cab	1
55-03-0170	Headlights - Upper Position	1
55-03-0185	Headlights - Custom Cab - Black Finish	1
55-04-0755	Frnt Turn Signal - Whelen 600 LED - Outside Hdltts - Custom Cab	1
55-04-0855	Lens Color - Clear	1
55-04-0910	Light Housing, Black Finish	1
CHASSIS WARNING LIGHTS		
57-04-3350	Upper Zone A, Lightbar, Frnt, Whelen - Freedom F4NV 72" LED Full Popul. 16 mods	1
57-20-3318	(4) Cab, Lower Front Warning - Zone A: Whelen - M6 - Linear Super LED, QUADS	1
57-03-2000	Red LEDs with Clear Lenses	1
57-20-3455	Cab, Lwr Light, Bezel - Black Finish	1
57-30-3314	(2) Bumper, Lower Side Warning - Zone B & D, Whelen - M6 - Linear LED	1
57-03-2000	Red LEDs with Clear Lenses	1
57-30-4010	Bumper Side Warning Lights, Bezel - Black Finish	1
CAB MUD FLAPS		
40-G0-1010	Cab Front Mud flaps	1
CAB GROUND LIGHTS		
40-G0-1300	Cab Ground Lights - LED Strip Lights	1
MIRRORS		
40-J0-2900	Mekra Lang - Heated & Remote Control Mirrors w/Convex, Black Finish	1
CAB WINDOWS		
40-K0-1000	Cab Side Windows - Fixed Glass	1

58-18-0304	Switching, Three Switces, 12V, Driver Cab, HiViz 72" Brow	1
*****CHASSIS MODIFICATIONS*****		
WINDOW TINT		
15-A2-0255	Window Tint - Windshield and Driver/Officer Door <i>Note: 70% Ceamic tint shall be provided on the windhsield, driver and officer's windows</i>	1
15-A2-0255	Window Tint - Fixed Windows and Crew Doors <i>Note: 5% Ceramic tint shall be provided on the cab fixed windows and crew door windows</i>	1
CAB CONSOLE		
15-A2-0270	FMI: Deluxe Map Box - FMI-51150-B	1
		
15-A2-0280	FMI: 3 Cell Glove Box - FMI-51510-B <i>Note: Mount at final inspection</i>	1
		
EMS COMPARTMENT / ACCESSORIES		
15-A2-0290	Compartment - Center Rear Facing EMS <i>The EMS compartment shall be located immediately to the rear of the engine enclosure, match the height and width. The top of the EMS compartment shall include a 2" lip with four-(4) cup holders. The EMS compartment shall be spray-lined with Black Line-X materials</i>	1
15-A2-0295	Door - Center Rear Facing EMS Compartment, Cargo Net	1
15-A2-0300	Light - EMS Compartment, LED Strip <i>The interiemo EMS compartment light shall be switch on top of the EMS compartment, adjacent to the USB-A/C outlet</i>	1
15-A2-0305	Shelf - Adjustable, Center Forward Facing EMS Compartment	1

CAB INTERIOR ACCESSORIES		
15-A2-0320	12-Volt Dual USB Charging Port - Cab Mounted, Kussmaul 091-264 (USB-A/C) <i>Locate one-(1) per side on the top of the EMS compartment, outboard the cub holders</i>	2
15-A2-0325	Interior Trim - Mounting Plate, Engine Tunnel	1
15-A2-0330	Fuse Block - 12-Volt 6-Place <i>Location: TBD</i>	1
15-A2-0335	Outlet Strip - Six (6) Place, 120-Volt AC <i>Location: TBD</i>	1
RADIO EQUIPMENT		
15-A2-0350	Radio Installation - Customer Supplied	2
15-A2-0355	Radio Antenna Mount - MNO <i>Note: In addition to the radio mount provided with the chassis</i>	1
VISUAL COMMUNICATIONS		
15-A2-0370	Camera Installation - Chassis Supplied <i>The camera shall be located on the center rear of the apparatus, above the B1 compartment, with Cast aluminum guard</i>	1
*****NFPA SAFETY SIGNS*****		
18-A2-0220	Safety Signs - General Requirements	1
18-A2-0420	Safety Signs - Battery Explosion, FAMA01	1

*****PUMP ENCLOSURES / PUMPS / COMPONENTS / ACCESSORIES*****		
PUMP MODULE - SIDE MOUNT EXTRUDED ALUMINUM		
20-A2-0220	USFA- Manufactured Pump Module	1
20-A2-0225	Attached Pump Module	1
20-A2-0230	PUMP PANELS - Black Anodized Aluminum	1
20-A2-0235	Pump Module - Enclosed W/Painted Roll-Up Doors	1
20-A2-0240	Pump Panel - Fully Hinged, Right Side	1
20-A2-0245	Access Panel - Front Pump Module w/Door	1
20-A2-0250	Lights - Left & Right Side Pump Panel, OnScene LED Access	1
20-A2-0255	Light - Pump Compartment, LED	1
20-A2-0260	Trim - Dunnage Area, Tread Plate (Walls and Floor) The floor shall have drain holes. <i>Note: Dunnage area to be bed lined Black</i>	1
20-A2-0265	Partition - Dunnage Area <i>Note: A partition shall be provided on the floor of the dunnage area around the monitor to keep loose items from interfering with the operation of the monitor</i>	1
20-A2-0270	Switch - Hosebed Light, Pump Panel	1
20-A2-0275	Switch - Pump Panel Exterior/Interior Lights, Pump Panel	1
20-A2-0280	Switch - Air Horn, Pump Panel	1
20-A2-0285	Heat Pan w/Heater - Pump House <i>Note: The heat panel shall be fully removable for summer ops/service work</i>	1

PUMP PANEL ACCESSORIES		
20-A2-0300	Gauges - Master Suction/Pressure, 4-1/2" White Face, IC	1
20-A2-0305	Pressure Governor - FRC Pump Boss MAX PBA501-D00	1
20-A2-0310	Return Line - Fill Subsurface	1
20-A2-0315	Gauges - 2-1/2" Pressure, White Face	1
20-A2-0320	Gauge Bezels - Color Coded	1
20-A2-0325	Gauge Heaters - MC Products, 6 Gauges	2
20-A2-0330	Tags - Pump Panel, Color Coded (Metal)	1
PUMP AND COMPONENTS		
20-A2-0345	Pump System - 1500 GPM Single Stage, Hale QMAX-XS	1
20-A2-0350	Mechanical Seal - Hale	1
20-A2-0355	Manual Override For Pump Shift	1
20-A2-0360	Priming System - Trident EP - AirPrime - 31.001.7 Manual	1
20-A2-0365	Anodes - Pump Corrosion (Each)	3
20-A2-0370	Valve - Master Pump Drain	1
20-A2-0375	Manual Drains, 3/4" Lift-Up Type	1
20-A2-0380	Pump Test Points - Hale	1
20-A2-0385	Certification: Third Party Pump Testing (NFPA 1900)	1
20-A2-0390	Plate - Pump Test Certification	1
STEAMER INLETS		
20-A2-0405	Suction Headers - (2) 6" w/Long Handle Cap, Left & Right Side	1
20-A2-0410	Master Intake Valve - Electric, Hale MIV-E	2
20-A2-0410	Valve - Thermal Relief Valve w/Light & Alarm, Hale TRV-L	1
20-A2-0415	Intake Relief Valve Note: Preset to 125 PSI	1
TANK TO PUMP		
20-A2-0430	Tank-To-Pump - 3" Valve w/Electric Control	1
TANK FILL		
20-A2-0445	Tank Fill - 2" Valve w/Electric Control	1
COOLERS		
20-A2-0460	Cooler - Engine, 1/2" Line w/ 1/4 Turn Valve	1
20-A2-0465	Cooler - Pump, 3/8" Line w/ 1/4 Turn Valve	1
PLUMBING		
20-A2-0480	Plumbing - Stainless Steel	1
20-A2-0485	Plumbing - Stainless Steel Foam Manifold	1
20-A2-0490	Plumbing Finish - Natural	1
APPARATUS VALVES		
20-A2-0505	Intake Valves - Akron Brass 8800 Series	1
20-A2-0510	Discharge Valves - Akron Brass 8800 Series	1
AUXILLIARY INLETS		
20-A2-0525	Suction - Left Side, 2-1/2" Valve w/Swing Control at Valve	1
20-A2-0530	Suction - Right Side, 2-1/2" Valve w/Swing Control at Valve	1
FRONT BUMPER DISCHARGE		
20-A2-0545	Discharge - Front Bumper in Hose Well (Center Compartment)	1
20-A2-0550	Discharge - Front Bumper, 2-1/2" Valve w/Push Pull Control Note: The plumbing shall terminate within the center bumper compartment with a 2-1/2" chicksan swivel	1
20-A2-0555	Valve - Front Bumper Discharge Blow Out	1
SPEEDLAYS		
20-A2-0570	Speedlays (3) - (2) 2" Valves / (1) 2-1/2" Valve w/Push Pull Control Note: The speedlays shall be full enclosed within the pump compartment. The center of the speedlays troughs shall be full removable for service access to the pump	1
20-A2-0575	Trays - Removable Speedlay (3)	1
20-A2-0580	Trays - ADDITIONAL Removable Speedlay (3)	1
20-A2-0585	Covers - Hypalon End Flaps w/Bungee Cords, Speedlays	1
20-A2-0590	End Flaps Color: Black	1

LEFT PANEL DISCHARGES		
20-A2-0605	All 2-1/2" Side Discharge Outlets Terminate 30-Degree Elbows / Caps	1
20-A2-0610	Discharges (2) - Left Side, 2-1/2" Valve w/Push-Pull Control	1
RIGHT PANEL DISCHARGES		
20-A2-0625	All 2-1/2" Side Discharge Outlets Terminate 30-Degree Elbows /Caps	1
20-A2-0630	Discharge - Right Side, 2-1/2" Valve w/Push-Pull Control	1
20-A2-0635	Discharge - Right Side, 4" Valve w/Electric Control	1
20-A2-0640	Elbow - 4" FNST x 4" Storz 30 Degree, Kocheck SKE44R-H52	1
20-A2-0645	Cap w/Chain - 4" Storz, Kocheck CC507	1
DECK GUN		
20-A2-0660	Discharge - Deck Gun, 3" Valve w/Electric Control	1
20-A2-0665	Telescoping Waterway - 3" Electric, TFT XGA38PL-RL Extend-A-Gun	1
20-A2-0670	Monitor - Electric Deck, TFT Typhoon Y5-E11A	1
20-A2-0675	Monitor Control - Panel Mount, TFT Y4E-RP	1
20-A2-0680	Master Stream Nozzle - Electric Monitor, TFT M-ERP1500-NN	1
20-A2-0685	Monitor Control - Wireless Remote, TFT YE-RF-900	1
HOSE BED PRE-CONNECT		
20-A2-0700	Discharge - Left Front Hose Bed, 2-1/2" Valve w/Push-Pull	1
20-A2-0710	Cap w/ Chain - 2-1/2"	1
FOAM SYSTEM		
20-A2-0725	Foam System - Hale SmartFoam 3.3	1
20-A2-0730	Gauge - Class A Foam, FRC Tank Vision Pro WLA360-A00	1
20-A2-0735	Tank Switch (1) Low Level	1
20-A2-0740	Valve - Waterway Check	1
20-A2-0745	Fittings - Integral Check Valve/Injector	1
20-A2-0750	Strainers - Foam Concentrate - Flushing Systems	1
20-A2-0755	Control Cables	1
20-A2-0760	Flowmeter - w/Display Unit	1
20-A2-0765	Placard - Operating System, Single Tank	1
20-A2-0770	NFPA Test - Foam Proportioning Systems	1
20-A2-0775	Foam Tank, Polypropylene, Class A, 30 Gallons	1
FOAM OUTLET LOCATIONS:		
20-A2-0790	Foam Outlet - Discharge Front Bumper	1
20-A2-0795	Foam Outlet - Speedlay No. 1	1
20-A2-0800	Foam Outlet - Speedlay No. 2	1
20-A2-0805	Foam Outlet - Speedlay No. 3	1
20-A2-0810	Foam Outlet - Left Front Hose bed	1
*****WATER TANKS / COMPONENTS / ACCESSORIES *****		
WATER TANK		
30-A2-0220	Water Tank - Polypropylene, 1000 Gallons	1
30-A2-0225	Certification - NFPA Water Tank Size	1
30-A2-0230	Tank Sleeve - Poly Note: For left rear discharge	1
30-A2-0235	Gauge - Water Level, Tank Vision Pro WLA300-A00	1
30-A2-0240	Lights (EACH) - Water Level, FRC MAXVISION WLA280-A00 Locations: One-(1) per side on the extended portion fo the cab, and one-(1) on the driver's side rear of the apparatus Activation: Park Brake	3
*****PUMPER / TANKER BODIES*****		
50-A2-0220	Body - 102" Wide, Extruded Aluminum	1
50-A2-0225	Body Sub Frame - Extruded Aluminum	1
50-A2-0230	Body/Compartment Construction - 102" Wide Body	1
50-A2-0235	Wheel Well Panels & Fenders - Body, Painted Aluminum	1
50-A2-0240	Fenderettes - Polished Stainless Steel Note: Fenderettes to be coated with Black Bed Liner	1
50-A2-0250	Hose Bed - 67-1/2" Wide	1

COMPARTMENT LAYOUT - LEFT SIDE RESCUE STYLE		
Compartment L1:		
50-A2-0260	Interior Dimensions: ~30"W x 70-1/4"H x 15" Upper/28"D Lower Door Opening: ~28"W x 60-7/8"H	1
50-A2-0265	Vent - Compartment, Louvered	2
50-A2-0270	Compartment Door - Roll Up, Painted Finish	1
50-A2-0275	Pull Down Strap - Compartment DoorNote: Bungee Style	1
50-A2-0280	Light - Compartment, LED Strip Note: Two-(2) Full Height LED Strips per Compartment	2
50-A2-0285	Shelf - Permanent, Smooth Aluminum Location: Depth Break Note: To be Bolt-In type	1
Compartments L2:		
50-A2-0305	Interior Dimensions: ~58"W x 38"H x 15"D Door Opening: ~56"W x 28-5/8"H	1

Warranties (HME, Inc. & Component Manufacturer's)

HME, Inc. warranty coverage begins on the date of delivery to customer.

Note: It is the customer's responsibility to return the Warranty Registration Card, located at the end of this document, to HME to start warranty coverage.

Limited General Warranty – HME, Inc.

Upon delivery, the vehicle includes a three (3) year new vehicle general warranty and is limited to chassis and apparatus systems and components, and excludes engine, transmission, and axles (see below for details). The warranty is issued to the original purchaser of the vehicle only.

Overall Unit and Custom Chassis

All components of the vehicle are warranted for a three (3) year period from vehicle delivery, unless otherwise stated elsewhere within this document.

Engine Warranty

The unit will be furnished with a five (5) year engine manufacturer's warranty. A copy of this warranty will be supplied within this document.

Transmission Warranty

The unit will be furnished with a five (5) year transmission manufacturer's warranty. A copy of this warranty will be supplied within this document.

Custom Chassis Frame Rails

The custom chassis frame and crossmembers are warranted for the expected life of the vehicle, which for purposes of this document, the expected life is 20 years from delivery date. A detailed warranty coverage explanation will be supplied within this document.

Steering Unit Warranty

The unit will be furnished with a one (1) year steering unit manufacturer's warranty. A copy of this warranty will be supplied within this document.

Front Axle Warranty

The unit will be furnished with a front axle manufacturer's warranty. A copy of this warranty will be supplied within this document.

Rear Axle Warranty

The unit will be furnished with a rear axle manufacturer's warranty. A copy of this warranty will be supplied within this document.

Cab/Body Structure Warranty

The cab/body will be warranted against structural defects in materials or workmanship for ten (10) years from date of delivery. This includes a ten (10) year cab manufacturer's warranty. A detailed warranty coverage explanation, as well as a copy of the cab manufacturer's warranty, will be supplied within this document.

Paint Warranty

The paint finish will be warranted for ten (10) years from date of delivery. A detailed warranty coverage explanation will be supplied within this document.

Stainless-Steel Plumbing Warranty

The stainless-steel plumbing will be warranted for ten (10) years from date of delivery. This is limited to stainless steel piping used in the construction of the fire apparatus water/foam plumbing systems.

Water Tank Warranty

The unit will be furnished with a water tank manufacturer's warranty. A copy of this warranty will be supplied within this document.

Fire Pump Warranty

The unit will be furnished with a fire pump manufacturer's warranty based on product type and manufacturer. A copy of these warranties will be supplied within this document.

Seating Warranty

The unit will be furnished with a limited one (1) year on seat components and five (5) year on seat frame, excluding end user general use or wear, seat manufacturer's warranty. A copy of this warranty will be supplied within this document (in-process and will be supplied once released).

General Exclusions

Items not covered by this limited warranty include:

- Normal maintenance activities/items and wear parts, such as lubrication, batteries, tires, filter and oil replacement, belts and hoses, brake lining and adjustment, door check strap adjustment, vehicle alignments, electrical accessories, voltage regulator, flashers, and windshield wipers.
- Damage caused by, but not limited to, failure to follow required or recommended maintenance schedule, failure to maintain proper fluid and lubricant levels, failure to ensure operating parameters are maintained, and failure to follow operating instructions.
- Damage caused by, but not limited to, misuse, abuse, neglect (e.g., overloading, driving over curbs, or exposure to corrosive, including but not limited to sale and/or acidic exposure, or flooded environments).
- Damage which arises outside of normal use.
- Damage caused by collision, fire, theft, vandalism, civil unrest, acts of terrorism, acts of war, acts of God, or similar casualties.
- Damage or defects with respect to covered parts in a vehicle which is leased or rented to a second party for compensation.
- Incidental expenses such as, but not limited to loss of use, inconvenience, loss of time, vehicle rental, towing, lodging or travel costs, etc.
- Additions or accessories not installed by HME, including ancillary equipment used in firefighting, and any problems resulting from such additions or accessories.
- Installation of any “aftermarket” devices or the modification of existing systems or components originally installed by HME without HME’s prior express written approval or any problems resulting from such installation or modification.
- Covered parts that have been sold by an owner other than HME before the covered parts become a complete vehicle.
- Any alteration of a covered part not authorized in writing by HME prior to alteration.

New Product General Warranty

HME Inc., hereby warrants to the original purchaser that any new products manufactured by HME shall be free from defects in workmanship and material, under normal use, maintenance, and service for a period of three (3) years from the date of delivery, subject to conditions and exceptions stated herein. Under this warranty, HME's obligation is limited to the repair or replacement at HME's option (at its factory, by its representative, or by its authorized service facility), of any part found to be defective. If HME deems it necessary, all parts for which the warranty claim is made, shall be returned to HME, for examination by HME, who the sole judge shall be as to whether such part was defective in material or workmanship under normal use, maintenance, or service.

Items not covered by the general warranty include:

- The frame, cab structure, body structure, stainless piping, and paint, as each is covered by specific warranty terms as defined within their respective individual warranties.
- The engine, transmission, axles, or components added to the chassis by another party. However, the engine, transmission, axles and/or components added to the chassis by another party may be covered by warranties issued to you from the respective component manufacturers.

HME neither assumes nor authorizes any other person to make or assume for it any other obligation, liability, or warranty or to make any other representation on its behalf in connection with the sale or use of the new product covered by this warranty.

Frame Warranty

HME Inc., warrants to the original purchaser of an HME chassis both frame and frame cross members are free of defects in workmanship and material for the lifetime of the vehicle (20 years), provided the chassis is used in normal and reasonable manners. Under this warranty, HME's obligation is limited to the repair or replacement at HME's option (at its factory, by its representative, or by its authorized service facility), of any part or parts of frame and cross members, found to be defective.

This warranty shall be null and void if the frame exhibits evidence of splicing, cutting, drilling, or welding of flanges or rails, without written authorization from HME, inc. This warranty shall also be void if the vehicle is involved in an accident, demonstrates abuse signs, or evidence of being operated in a manner which is not recommended by HME Inc.

Items not covered by the frame warranty include:

- Damage because of corrosion, including but not limited to salt, chlorides and/or acidic exposure.

HME neither assumes nor authorizes any other person to make or assume for it any other obligation, liability, or warranty or to make any other representation on its behalf in connection with the sale or use of the new product covered by this warranty.

Cab/Body Structural Warranty

HME Inc., warrants to the original purchaser that any new fire apparatus cab and body manufactured by HME Inc. shall be free of structural defects under normal maintenance, service, or use for a period of ten (10) years from date of delivery, subject to conditions and exception stated herein. Under this warranty, HME's obligation is limited to the repair or replacement at HME's option (at its factory, by its representative, or by its authorized service facility), of any structural part or parts, found to be defective. For purposes of this warranty, fire apparatus cab/body is defined as sheet metal and welds.

This warranty shall be null and void if there exhibits any level of misuse, abuse, alteration, or lack of normal maintenance. This warranty shall also be void if the vehicle is involved in an accident, or evidence of being operated in a manner which is not recommended by HME Inc.

Items not covered by the general warranty include:

- All hardware, seats, mechanical items, electrical items, and paint finishes
- Covered parts damaged because of corrosion, including, but not limited to salt and/or acidic exposure.

HME neither assumes nor authorizes any other person to make or assume for it any other obligation, liability, or warranty or to make any other representation on its behalf in connection with the sale or use of the new product covered by this warranty.

Paint Warranty

HME Inc., warrants to the original purchaser for a period of ten (10) years paint defects on a cab exterior finish or apparatus body panel exterior finish. This warranty includes loss of gloss, color retention, cracking, blistering, bubbling, or flaking under normal use and with normal maintenance and cleaning. Under this warranty, HME’s obligation is limited to the repair or replacement at HME’s option (at its factory, by its representative, or by its authorized service facility), of any claim made in accordance with this warranty and under its terms.

The original user must notify HME in writing within 30-days after any claimed defect appears.

Items not covered by the general warranty include:

- Damage caused by lightning, earthquake, windstorm, hail, flood, or use in a corrosive or acidic environment
- Damage from lack of poor maintenance and cleaning
- Gold leaf or striping, except that which is affected by repair
 - Gold leaf or striping affected by repair must have been installed during the manufacture of a cab to be covered under the paint warranty for the cab
- Time, loss of use of vehicle, inconvenience, vehicle rental, lodging, food or other consequential or incidental loss, which may result from a paint defect
- UV paint fade
- Cab underside
- Chassis frame rails, crossmembers, and suspensions
- Components not painted by HME

Additional Provisions Applicable to all HME Products

The limited warranty set forth in this document is the only warranty applicable to HME products and is expressly in lieu of any other warranty by HME, expressed to implied, including any implied warranty of merchantability or fitness for a particular purpose. This limited warranty is further limited by the terms and conditions stated in the provisions below:

Limitation on Damages: HME shall not be liable for incidental, consequential, direct, indirect or other damages (such as, but not limited to, lost wages, attorney's fees, or lost vehicle rental expenses) which result from any breach or claim related to or arising out of (A) this limited warranty, (b) other warranties, if any, (c) any agreement between HME and the customer, or (d) the HME products or any actual or alleged defect related to HME product.

Limitation on Implied Warranties: Any implied warranties which arise by way of applicable state or provincial law, including any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the applicable warranty period and are limited in scope of coverage to the covered parts covered by this limited warranty.

Third Party Representations

HME does not authorize any person to create for HME or any other obligations or liability in connection with its products, and HME is not responsible for any representation, promise or warranty made by an HME Sales Representative, component or vehicle manufacturer, or other person beyond what is expressly stated in this limited warranty.

How to Obtain the Limited Warranty

To be eligible for this limited warranty, you **MUST** return a completed "Warranty Registration" form to HME within 60 days of delivery date. It is the responsibility of the original purchaser/owner to submit, either directly or thru an HME Sales Representative, the warranty registration form.

The Warranty Registration form is in both the HME chassis Owner's Manual supplied wjth your new vehicle, as well as at the end of this limited warranty document.

Legal Remedies

Any claim or controversy arising out of or relating to this limited warranty, or breach thereof, shall be settled by arbitration administered by the American Arbitration Association in the state of Michigan, in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The determination of the arbitrator(s) shall be in writing and shall include an explanation of the basis for the determination. The determination of the arbitrator(s) shall be final and binding and judgment upon such determination may be entered in any court having jurisdiction.

Limited Warranty Registration

This form must be completed in its entirety and returned to HME Inc., to register this apparatus for the HME Limited Warranty. Receipt of this document by HME will activate the HME new product "Limited Warranty". HME's warranty registration does not register the chassis axles, engine, transmission, or any parts or components added to the chassis by another party for warranty. For warranty information on axles, engine, transmission or any parts or components added to the chassis by another party, contact the respective manufacturers. The HME Limited Warranty shall not become valid and will remain void if the registration form is not completed and returned to HME within **60-days** of the date of delivery.

TEN (10) YEAR LIMITED WARRANTY BODY AND STRUCTURE

US Fire Pump, Inc. warrants, to the original purchaser, the body structure of the new firefighting apparatus against cracking and corrosion perforation for a period of TEN (10) years from the date of delivery. The entire apparatus shall be warranted against defects in material and workmanship for a period of two (2) year from the date of delivery. Only the apparatus body and its components manufactured by US Fire Pump, Inc. are bound by this warranty. Components of other manufacturers are covered only by the warranties set forth by the component manufacturers. However, US Fire Pump, Inc. will process all warranty claims after notification of said claim(s).

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON OUR PART. WE NEITHER ASSUME NOR AUTHORIZE ANY OTHER PERSON OR ENTITY TO ASSUME FOR US ANY OTHER LIABILITY IN CONNECTION WITH THE SALE OF THIS FIREFIGHTING APPARATUS. THIS WARRANTY SHALL NOT APPLY TO THIS FIREFIGHTING APPARATUS OR ANY PART THEREOF WHICH HAS BEEN SUBJECT TO ACCIDENT, NEGLIGENCE, ALTERATION, ABUSE, OR MISUSE. WE MAKE NO WARRANTY WHATSOEVER IN RESPECT TO ACCESSORIES OR PARTS NOT SUPPLIED BY US. THE BUYER ACKNOWLEDGES THAT NO OTHER REPRESENTATIONS WERE MADE TO HIM OR RELIED UPON BY HIM WITH RESPECT TO THE QUALITY AND FUNCTION OF THE GOODS HEREIN SOLD. THE PERFORMANCE OF REPAIRS OR REPLACEMENTS OF PARTS UNDER THE TERMS SET FORTH HEREIN ARE THE EXCLUSIVE REMEDIES AFFORDED TO THE BUYER, AND NEITHER THE MANUFACTURER NOR ANY OF ITS DISTRIBUTORS OR AGENTS SHALL BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGE OR DELAY RESULTING FROM BREACH OF WARRANTY OR THE SELLER'S NEGLIGENCE IN THE MANUFACTURE, DESIGN, OR SALE OF THE FIREFIGHTING APPARATUS. THE SELLER SHALL IN NO EVENT BE LIABLE FOR ANY BREACH OF WARRANTY IN AN AMOUNT EXCEEDING THE PURCHASE PRICE OF THE MACHINERY. THIS WARRANTY SHALL NOT BE EXTENDED, ALTERED, OR VARIED EXCEPT BY A WRITING SIGNED BY SELLER AND BUYER.

Two-Year Limited Warranty

US Fire Pump, Inc. ("US Fire Pump") warrants each new fire and rescue vehicle manufactured by US Fire Pump to be free of defects in material and workmanship for a warranty period of two years after the date on which the vehicle is first delivered to the original purchaser.

US Fire Pump's obligation under this warranty is limited to repairing or replacing, as US Fire Pump may elect, without charge to the original purchaser, the item or items which US Fire Pump, after examination, finds, to US Fire Pump's satisfaction, to be defective as to material or workmanship.

US Fire Pump's obligation under this warranty is subject to the conditions precedent that the claimed defect shall have first appeared during the warranty period; that the original purchaser shall have notified US Fire Pump in writing of the claimed defect within thirty (30) days after the claimed defect shall have first appeared, and that, unless US Fire Pump directs otherwise, the claimed defective item or items shall have been returned to US Fire Pump, or to US Fire Pump's designee, promptly after the notification, with transportation charges prepaid. US Fire Pump reserves the right to thoroughly examine the vehicle or parts thereof before conducting or approving any repair or replacement to determine whether the claimed defect is covered by this warranty.

In advance of the original purchaser effecting repair or replacement of an item or items found by US Fire Pump to be defective as to material or workmanship, approval for the repair or replacement must be obtained from US Fire Pump's Customer Service Department. Repair or replacement must be made by a facility approved in advance by US Fire Pump. Failure to obtain either or both of the advance approvals voids this warranty. Coverage under this warranty of labor for repair or replacement is limited to the time or amounts reasonably necessary, as determined by US Fire Pump, to make the repair or replacement. Labor time or amounts deemed excessive by US Fire Pump are not covered under this warranty.

Any repair or replacement effected by US Fire Pump under this warranty is itself warranted under this warranty for the duration of the warranty period, subject, however, to the provisions of this warranty applicable to the item or items repaired or replaced by US Fire Pump. This warranty terminates upon the transfer of possession or ownership of the vehicle from the original purchaser.

This warranty does not apply to or cover: normal maintenance services or adjustments; any item that has been repaired, replaced, or altered by a facility not approved in advance by US Fire Pump's Customer Service Department, or in a manner which, in US Fire Pump's judgment, may adversely affect the operation or longevity of the vehicle or item; special, incidental, or consequential damages, including, but not limited to, loss of time, inconvenience, loss of use, or lost profits; any malfunction resulting from misuse, negligence, alteration, accident, or lack of

operational knowledge or normal maintenance or adjustments; time required to unload or reload the vehicle or item; replacement of maintenance items including, but not limited to, filters, screens, lubricants, light bulbs, and other incidentals; transportation fees or charges to or from any facility; or any item manufactured by a party other than US Fire Pump and separately warranted by that party.

This warranty is void if US Fire Pump determines that the vehicle or item has been neglected, misused, altered, overloaded, loaded beyond specified compartment weight limits, loaded to a state of excessive imbalance side to side, or damaged. This warranty is also void if US Fire Pump determines that the warranty claim is false or misrepresented, that the vehicle or item has been damaged in an accident or by an act of God, or that the defect is attributable to the use or operation of the vehicle or item in a manner or for a purpose other than that for which US Fire Pump intended or designed the vehicle or item.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED (INCLUDING, BUT NOT LIMITED TO, WARRANTIES ARISING BY OPERATION OF LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE), ALL OTHER REPRESENTATIONS TO THE ORIGINAL PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, ANY OBLIGATION OR LIABILITY FOR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. US FIRE PUMP, INC. NEITHER GIVES NOR ASSUMES, NOR AUTHORIZES ANY OTHER PERSON TO GIVE OR ASSUME, ANY OTHER WARRANTY, OBLIGATION, OR LIABILITY ON US FIRE PUMP, INC.'S BEHALF, UNLESS EXPRESSLY GIVEN OR ASSUMED IN WRITING BY US FIRE PUMP, INC.

14. Resolution No. R24-48: A Resolution Of The City Council Approving The Montana Department Of Transportation Title VI Plan For The City Of Laurel Transit.

RESOLUTION NO. R24-48

A RESOLUTION OF THE CITY COUNCIL APPROVING THE MONTANA DEPARTMENT OF TRANSPORTATION TITLE VI PLAN FOR THE CITY OF LAUREL TRANSIT.

BE IT RESOLVED by the City Council of the City of Laurel, Montana,

Section 1: Approval. The Montana Department of Transportation Title VI Plan for the City of Laurel Transit (hereinafter “MDT Title VI Plan”), a copy attached hereto and incorporated herein, is hereby approved.

Section 2: Execution. The Mayor is hereby given authority to execute the MDT Title VI Plan on behalf of the City.

Introduced at a regular meeting of the City Council on the 25th day of June, 2024, by Council Member _____.

PASSED and APPROVED by the City Council of the City of Laurel the 25th day of June, 2024.

APPROVED by the Mayor the 25th day of June, 2024.

CITY OF LAUREL

Dave Waggoner, Mayor

ATTEST:

Kelly Strecker, Clerk-Treasurer

APPROVED AS TO FORM:

Michele L. Braukmann, Civil City Attorney

Requirements for Federal Transit Administration Subrecipients

Title VI of the Civil Rights Act of 1964 protects people from discrimination based on race, color, and national origin in programs and activities receiving federal financial assistance.

The Montana Department of Transportation Rail, Transit and Planning Division is responsible for managing funds from the Federal Transit Administration (FTA). These funds are used for the planning, development, operation, and integration of transit and rail into the statewide transportation system. The Office of Civil Rights works with the Planning Division to implement and monitor compliance with FTA's civil rights requirements.

Title VI Program

FTA Circular 4702.1B, Chapter 3 for FTA Subrecipients:

[Title VI Requirements & Guidelines for FTA Recipients](#)

FTA's *Title VI Circular 4702.1B* provides guidance to grantees on how to comply with Title VI regulations, as well as to ensure grantees provide meaningful language access to persons who are limited English proficient. The FTA requires all subrecipients of FTA financial assistance to develop a Title VI plan and ensure nondiscrimination on the basis of race, color and national origin. As the primary recipient of FTA funding, MDT is required to monitor subrecipients for compliance with Title VI, including collecting and reviewing subrecipient Title VI plans.

The following template is intended to assist subrecipients in developing a Title VI plan consistent with FTA requirements. By completing this document, you are stating that your board of directors, appropriate governing entity, or officials responsible for policy decisions and/or approval of board meeting minutes understand the required *FTA Circular 4702.1B, Chapter 3* regulations and agree to adopt all MDT procedures to comply with FTA Title VI Program guidelines:

Agency: **City of Laurel Transit System**

Introduction to Agency

The Laurel Transit System operates in the city limits of Laurel Montana. They are a curb to curb on demand service. The Laurel Transit operates Monday through Friday from 10 a.m. to 4 p.m. We also have service to Billings Montana every Tuesday with morning and afternoon rides. The Laurel Transit is ADA compliant and services all ages. We have been in service since 2009. The Laurel Transit has two dedicated bus drivers and one substitute along with one dispatcher. The Laurel Transit has an advisory committee with 5 members and a local governing body that consists of eight council members and a Mayor.

Title VI Program Requirements

Public Notice

Laurel Transit posts the Public Notice of Title VI Program Rights (below) in the following locations: A copy of the notice is given to each passenger that rides the bus. It is posted in transit vehicles, online/website at www.cityoflaurelmontana.com, and office/reception areas as well as in our Laurel Transit brochure.

Public Notice of Title VI Program Rights

The Laurel Transit gives public notice of its policy to uphold and assure full compliance with the non-discrimination requirements of Title VI of the Civil Rights Act of 1964 and related nondiscrimination authorities. Title VI and related nondiscrimination authorities stipulate that no person in the United States of America shall, on the ground of race, color, national origin, sex, age, disability, income level or limited English proficiency be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

Any person who desires more information regarding MDT's Title VI Program can contact Kelly Strecker at the address noted below.

Any person who believes they have, individually or as a member of any specific class of persons, been subjected to discrimination on the basis of race, color, national origin, sex, age, disability, income level or limited English proficiency, has the right to file a formal complaint. Any such complaint must be in writing and submitted within 180 days following the date of the alleged occurrence to:

Kelly Strecker
Laurel Transit
115 W 1st ST
Laurel, MT 59044
406-628-7431 ex 5100
kstrecker@laurel.mt.gov

A complainant may file a complaint directly with the Federal Transit Administration at the following address:

Office of Civil Rights
Federal Transit Administration
Attention: Title VI Program Coordinator
East Building, 5th Floor – TCR
1200 New Jersey Ave SE
Washington, DC 20590

If information is needed in another language, please contact MDT's Office of Civil Rights at 406-444-6334.

Complaints

The following procedures cover complaints filed under Title VI of the Civil Rights Act of 1964 and the Civil Rights Restoration Act of 1987:

Any person who believes they, or any specific class of persons, were subjected to prohibited discrimination based on race, color or national origin may file a written complaint individually or through a representative. A complaint must be filed no later than 180 days after the date of the alleged discrimination, unless the discrimination is ongoing, or the time for filing is extended by the FTA.

Laurel Transit has adopted MDT's complaint form, which is located on our website: www.cityoflaurelmontanta.com and hard copies in the transit bus, City of Laurel Office

Commented [MH1]: Use this link on your website: [Civil Rights Discrimination Complaint Form](#)

Complaints alleging violations of Title VI by Laurel Transit may be filed in writing with the following agencies:

Laurel Transit
 115 W 1st ST
 406-628-7431 ex.5100
 kstrecker@laurel.mt.gov

Montana Department of Transportation
 Office of Civil Rights
 2701 Prospect Ave
 PO Box 201001
 Helena, Montana 59601
 Phone: 406-444-6334
 TTY: 800-335-7592
 Fax: 406-444-7243
 Email: mdtcrform@mt.gov

Office of Civil Rights
 US Department of Transportation
 Federal Transit Administration
 1200 New Jersey Ave SE
 Washington DC 20590

If information is needed in another language, please contact MDT's Office of Civil Rights at 406-444-6334.

Laurel Transit adopts MDT's complaint processing procedures, which are consistent with FTA's *Title VI Requirements and Guidelines for Federal Transit Administration Recipients*. Additional information can be found in MDT's Title VI Plan: cityoflaurelmontana.com and FTA's website: <https://www.transit.dot.gov/regulations-and-guidance/civil-rights-ada/file-complaint-fta>.

Complaint Log

Laurel Transit tracks civil rights complaints in the following table and submits them to

Investigation (I), Lawsuit (L), or Complaint (C)	Date Filed	Basis of Complaint (Race, Color, National Origin or Disability)	Summary of Allegation	Status	Action(s) Taken	Final Findings

MDT Office of Civil Rights on an annual basis.

For the period October 1, 2020 to September 30, 2023. There were 0 Title VI complaints filed against Laurel Transit.

Public Participation Plan

Laurel Transit engages the public in its planning and decision-making processes, as well as its marketing and outreach activities. The public will be invited to participate in the process whether through public meetings or surveys.

As an agency receiving federal financial assistance Laurel Transit made the following community outreach efforts and activities to engage minority, Limited English Proficient populations, or other traditionally underserved populations since the last Title VI Plan submittal to MDT Office of Civil Rights.

An ad is posted weekly in our local newspaper, the Laurel Outlook. We also have it posted on our City Website at cityoflaurelmontana.com Six times a year a public notice goes in the Prime Connections newsletter and that reaches almost 9,000 subscribers. Our bus drivers visited local rest homes and Senior Living Centers.

Language Assistance Plan

Laurel Transit adopts MDT's Language Assistance Plan:
mdt.mt.gov/other/webdata/external/civilrights/limited_english_proficiency_plan.pdf

Montana's demographic makeup does not meet the Federal threshold that requires mandatory written translation in any language, but Laurel Transit has resources available to provide language assistance if needed. MDT provides the Language Identification and Assistance Guide to transit providers, which gives guidance for how to provide interpretation services when interacting with LEP individuals.
mdt.mt.gov/other/webdata/external/civilrights/Language-Assistance-Guide.pdf

Laurel Transit evaluates its ridership and populations within its service area and will coordinate with MDT Office of Civil Rights if the frequency of interactions with LEP individuals would require written translation.

Transit Committee

Laurel Transit has a transit-related, non-elected advisory council. The racial breakdown of membership on the advisory council is as follows:

Body	African American / Black	American Indian/ Alaskan Native	Native Hawaiian/ Other Pacific Islander	Asian	Hispanic / Latino	White
------	--------------------------	---------------------------------	---	-------	-------------------	-------

City of Laurel Population- 7222	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%	TYPE % HERE%
Laurel Transit Advisory Committee	.5%	2%	0%	1%	5%	89%

Commented [HM2]: Data can be pulled from data.census.gov Table P9 and selecting your appropriate service area

Laurel Transit takes the following efforts made to encourage participation of minorities or other traditionally underserved populations:

The City has requested membership from the Nursing Homes, Adult Resource Alliance of Yellowstone County, General Public and anyone that would be willing to participate.

Equity Analysis

A transit provider planning to acquire land to construct certain types of facilities must not discriminate on the basis of race, color, or national origin, against persons who may be impacted by the sitting of the facility. MDT Office of Civil Rights will conduct a Title VI equity analysis to compare various siting alternatives prior to selection of the preferred site.

Laurel Transit did not develop new transit facilities covered by these requirements.

System-wide Service Standards and Policies

Based on size of transit providers and population, none of MDT subrecipients meet the additional requirements for fixed route transit providers. However, all transit providers that operate fixed route service must have system-wide standards and policies. Laurel Transit is an on-demand service provider.
