

**AGENDA
CITY OF LAUREL
CITY COUNCIL WORKSHOP
TUESDAY, DECEMBER 05, 2023
6:30 PM
COUNCIL CHAMBERS**

Public Input: *Citizens may address the Council regarding any item of City business that is not on tonight's agenda. The duration for an individual speaking under Public Input is limited to three minutes. While all comments are welcome, the Council will not take action on any item not on the agenda. Because of the Rules that govern public meetings, Council is not permitted to speak in response to any issue raised that is a non-Agenda item. The Mayor may provide factual information in response, with the intention that the matter may be addressed at a later meeting. In addition, City Council may request that a particular non-Agenda item be placed on an upcoming Agenda, for consideration. Citizens should not construe Council's "silence" on an issue as an opinion, one way or the other, regarding that non-Agenda matter. Council simply cannot debate an item that is not on the Agenda, and therefore, they must simply listen to the feedback given during public input. If a citizen would like to speak or comment regarding an item that is on tonight's agenda, we ask that you wait until the agenda item is presented to the Council by the Mayor and the public is asked to comment by the Mayor.*

Be advised, if a discussion item has an upcoming public hearing, we would request members of the public to reserve your comments until the public hearing. At the public hearing, the City Council will establish an official record that will include all of your comments, testimony, and written evidence.

General Items

1. Appointment to the Cemetery Commission for the Remainder of a Two-Year Term Ending June 30, 2025.

Beartooth Resource Conservation & Development 2023 Annual Impact Statement

Beartooth RC&D collaborates with more than 50 federal, state and local agencies and organizations. As an Economic Development District, a Certified Regional Development Corporation, a Food and Ag Development Center, and a Revolving Loan Fund (RLF), our local and regional impacts in 2023 (as of Nov.1, 2023) include:

- Provided technical assistance to 141 clients for business, strategic & financial planning.
- Assistance given with business planning, RLF, and grant applications resulted in almost \$9 million of investment. Nearly \$6 million was from private funds.
- 98 regional jobs retained.
- 156 new regional jobs created.
- \$400,000 Rural Microentrepreneur Assistance Program (RMAP) award to provide microloans (\$50,000 or less) to small businesses (10 employees or less).
- \$460,000 Brownfields Community-Wide Assessment Grant awarded to conduct environmental site assessments, develop cleanup plans, and advance the cleanup and revitalization of properties in Beartooth’s rural communities.
- Community Technical Assistance Program’s Lead Service Line program: Beartooth is a technical service provider to assist in inventories of water systems’ service lines.

We work with each client on an individual basis to match their specific need to potential solutions. We can assist with planning, access to funding, and project development. Our primary focus is on economic development, community assistance, and value-added food & agriculture development.

Founded in 1969, Beartooth RC&D is a 501(c)3 nonprofit corporation providing community-focused economic development services to the underserved residents of Big Horn, Carbon, Stillwater, Sweet Grass, and Yellowstone Counties as well as the Crow and Northern Cheyenne Tribes.

- Revolving Loan Fund**
- In the past 5 years, Beartooth’s Revolving Loan Fund has created 191 jobs and loaned out \$2.1 million (\$7 million in total project dollars)
 - Over 25 years of successful lending experience
 - Of 107 originated loans, over 90% are still in business today
 - 21 loans managed in 2023

A
MEMORANDUM OF UNDERSTANDING
Between
**Yellowstone County Commissioners, Big Sky Economic Development Authority,
City of Billings, City of Laurel**
And
Beartooth Resource Conservation & Development Area, Inc.

THIS MEMORANDUM OF UNDERSTANDING is made and entered into this ____ day of _____, 202____, by and between **Beartooth Resource Conservation & Development Area, Inc.**, whose principal business address is P.O. Box 180, Joliet, Montana 59041, hereinafter referred to as **“Beartooth RC&D”** and **Yellowstone County Commissioners (in cooperation with the City of Billings, City of Laurel, and Big Sky EDA)**, and hereinafter referred to as **“the Entity.”**

WHEREAS, The Beartooth RC&D has been formally recognized by the U.S. Department of Commerce, Economic Development Administration (EDA) as a designated Economic Development District (EDD), and as a District, the Beartooth RC&D has been awarded funding to carry out its Comprehensive Economic Development Strategy (CEDS). This funding will provide a staff person, administrative support and operating costs. This is a continual grant, renewable based on successful program operation and availability of federal funds. Local match is required.

WHEREAS, Each entity participating in the District will designate a representative and an alternate to the regional Beartooth RC&D Board. This individual will convey the needs and economic development goals of the community to the Beartooth RC&D board meetings. Regular board meetings will be held every two months to assess project status and evaluate regional economic development needs.

NOW THEREFORE IT IS UNDERSTOOD AS FOLLOWS:

ARTICLE 1: SCOPE OF WORK:

Beartooth RC&D employs an Economic Development Director to assist in the completion of the Comprehensive Economic Development Strategy for the five-county region. The Director’s time will be allocated consistent with the goals in the CEDS by the Beartooth RC&D board of directors. The board is composed of one representative and an alternate from business partners, county and local elected officials and local economic development partners from our five-county region. Input from this board is essential for meeting the needs of the communities in our region.

Priority will be assigned projects of regional scope or projects with strong local leadership. Grant funding for this position is from EDA; therefore, emphasis will be on regional economic development planning and projects which have a correlation to job creation, economic diversification and increased tax base. Matching funds are from participating entities and emphasis will be placed on their specified projects.

Annual Evaluation:

The performance of the Economic Development District will be evaluated annually by local entities participating on the regional Beartooth RC&D Board. Progress and/or accomplishments on each program/project will be reported and evaluated to ensure resources are being utilized in the most effective and efficient manner possible. Annual Comprehensive Economic Development Strategy updates and an annual plan of work will be developed with input from the Beartooth RC&D staff and board. Annual reports on projects and economic development activities will be provided to the board and participating entities along with the renewal of the Memorandum of Understanding.

ARTICLE 2: PERIOD OF PERFORMANCE:

The term of this Memorandum of Understanding shall be from the date it is signed through **December 31, 2024**, unless extended by mutual agreement by both parties. Such extension must be in writing, signed by authorized representatives of both parties, and made a part of the original Memorandum of Understanding by modification reference. This Memorandum of Understanding supersedes the prior Memorandum for participation in the Economic Development District.

ARTICLE 3: PAYMENT:

The Entity's annual contribution will be **\$4,500.00** as a "Membership" fee plus a per capita assessment of **.19** cents per person. These funds will provide the necessary match to obtain the \$70,000.00 in federal funds. Entities who do not participate financially in the match requirement will not receive services from the Economic Development Coordinator. The calculated fee for **the Entity** is **\$36,771.88**. This figure is a total of the **\$4,500.00** fee plus **\$32,271.88** per capita formula using a population of **169,852** as per the 2022 Census data. The Entity's full payment will be separated into a four-way payment system. Each entity within the county will pay a percentage (%) similar to the previous year. Big Sky EDA- 34% or **\$12,502.44**, City of Billings- 36% or **\$13,237.88**, City of Laurel- 6% or **\$2,206.31**, and Yellowstone County- 24% or **\$8,825.25**.

Annually, the Beartooth RC&D/EDD staff will provide a comprehensive report of the past year's activity. A new Memorandum of Understanding will be prepared and a request for the following year's match submitted. Entities will be billed for match funds after January 1, 2024, for the current year's assessment.

Payment as provided in this section shall be full compensation for work performed, services rendered, and for all materials, supplies, equipment, and incidentals necessary to complete the work.

ARTICLE 4: EXAMINATION OF RC&D RECORDS:

The Entity or its representatives shall have the right to examine any books, records, or other documents of the Beartooth RC&D, directly relating to costs when such costs are the basis of compensation hereunder.

ARTICLE 5: OWNERSHIP AND USE OF DOCUMENTS:

Reproducible copies of all documents and other materials produced by the Beartooth RC&D in connection with the services rendered under this Memorandum of Understanding shall be provided to the Entity for the Entity's use whether the project for which they are made is executed or not. The Beartooth RC&D shall be permitted to retain originals, including reproducible originals, of drawings and specifications for information, reference and use in connection with Beartooth RC&D endeavors.

ARTICLE 6: WARRANTY:

The Beartooth RC&D warrants that all services performed herein shall be performed using that degree of skill and care ordinarily exercised in and consistent with generally accepted practices for the nature of the services and shall conform to all requirements of this Memorandum of Understanding.

ARTICLE 7: SAFETY:

The Beartooth RC&D agrees to fully comply with the Occupational Safety and Health Act of 1970, all regulations issued thereunder and all state laws and regulations enacted and adopted pursuant thereto. The Beartooth RC&D shall take all necessary precautions in performing the services hereunder to prevent injury to persons or damage to property.

ARTICLE 8: CONFIDENTIALITY AND CONFLICTS OF INTEREST:

The Beartooth RC&D agrees to hold in strict confidence any proprietary or other data, findings, results, or recommendations deemed to be confidential by the Entity and obtained or developed by the Beartooth RC&D in connection with the work under this Memorandum of Understanding. The Beartooth RC&D warrants and agrees they do not and will not have any conflicts of interest regarding the performance of services hereunder.

ARTICLE 9: APPLICABLE LAW:

This Memorandum of Understanding shall be governed in all respects by the laws of the State of Montana. No changes, amendments or modifications of any of the terms and conditions hereof shall be valid unless agreed to in writing. Venue of any proceeding arising hereunder shall be the Twenty-second Judicial District.

ARTICLE 10: COMPLIANCE WITH LAWS:

The Beartooth RC&D shall in performing the services contemplated by this Memorandum of Understanding, faithfully observe and comply with all federal, state, and local laws, ordinances and regulations, applicable to the services to be rendered under this Memorandum of Understanding.

ARTICLE 11: CHANGES:

The parties, by mutual agreement, may, at any time during the term of this Memorandum of Understanding and without invalidating the Memorandum of Understanding, make changes within the general scope of the Memorandum of Understanding. The Beartooth RC&D to perform such changed services. The Entity's priority list for project work within their area can be changed at any time. In such case, the District will be informed of this change at the Entity's earliest convenience.

ARTICLE 12: TERMINATION:

This Memorandum of Understanding may be terminated in whole or in part, in writing, by either party in the event of substantial failure by the other party to fulfill its obligations under this Memorandum of Understanding through no fault of the terminating party, provided that no termination may be effected unless the other party is given: (1) not less than ten (10) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and (2) an opportunity for consultation with the terminating party prior to termination.

Upon such termination the Entity shall pay the Beartooth RC&D amounts due and unpaid for services rendered as of the effective date of termination, and the Beartooth RC&D shall provide to the Entity all materials, surveys, reports, data, and other information performed or prepared as of such date.

ARTICLE 13: INDEMNIFICATION:

The Beartooth RC&D agrees to and does hereby indemnify and save the Entity, its officers, officials and employees, harmless against and from:

1. Any and all claims and liabilities, including but not limited to costs, expenses, and attorney fees arising from injury to, or death of, persons (including claims and liabilities for care or loss of services in connection with any bodily injury or death) and including injuries, sickness, disease, or death to Beartooth RC&D employees occasioned by a negligent act, omission, or failure of the Beartooth RC&D;
2. Any and all claims and liabilities, including costs and expenses, for loss or destruction of or damage to any property belonging to the Beartooth RC&D or the Entity caused by a negligent act, omission, or failure of the Beartooth RC&D; and
3. Any fines, penalties, or other amounts assessed against the Entity by reason of the Beartooth RC&D failure to comply with all health, safety, and environmental laws and regulations applicable to the services; resulting directly or indirectly from, or occurring in the course of the Beartooth RC&D performance of the services. However, this indemnity shall not extend to claims and liabilities for (i) injury or death to persons or (ii) loss of or damage to property to the extent that these claims and liabilities result directly from the Entity's negligence or willful misconduct.

ARTICLE 14: INSURANCE:

The Beartooth RC&D shall maintain and demonstrate the following types of insurance:

1. The Beartooth RC&D agrees that its employees and particularly the employees designated to work on this Memorandum of Understanding are covered by applicable Worker's Compensation provisions. The Beartooth RC&D further agrees that if the Entity should legally incur any costs whatsoever under the Worker's Compensation laws by reason of the Beartooth RC&D employees' injury or death while engaged in the contract work, the Beartooth RC&D will indemnify and hold harmless the Entity for such costs which the Entity may legally be required to pay to employees of the Beartooth RC&D.

2. Comprehensive general liability insurance for bodily injury, death, or loss of or damage to property of third persons or other liability due to the negligent acts of the Beartooth RC&D in the minimum amounts of \$500,000 per occurrence and \$1,000,000 aggregate for personal injury; and \$500,000 per occurrence/aggregate for property damage. Upon request, proof of coverage as required by this section shall be delivered to the Entity within fifteen (15) days of execution of this Agreement.

3. Professional liability errors and omissions insurance in a minimum amount of \$100,000.00.

ARTICLE 15: NONDISCRIMINATION:

The Beartooth RC&D will not discriminate against any employee or applicant for employment relating to this project on the basis of race, color, religion, creed, political ideas, sex, age, marital status, physical or mental handicap or national origin. All hiring associated with any project shall be on the basis of merit and qualifications related to the requirements of the particular position being filled.

ARTICLE 16: INDEPENDENT CONTRACTOR:

The Beartooth RC&D and the Entity agree that the Beartooth RC&D is an independent contractor with respect to the services provided pursuant to this Memorandum of Understanding. Nothing in this Memorandum of Understanding shall be considered to create the relationship of employer and employee between the parties hereto. Neither the Beartooth RC&D, nor any employee of the Beartooth RC&D, shall be entitled to any benefits accorded Entity's employees by virtue of the services provided under this Memorandum of Understanding. The Entity shall not be responsible for withholding or otherwise deducting federal income tax or social security or for contributing to the state Worker's Compensation program, nor shall the Entity be deemed in any way to assume the duties of an employer with respect to the Beartooth RC&D, or any employee of the Beartooth RC&D.

ARTICLE 17: ASSIGNMENT:

The Beartooth RC&D shall not sublet or assign any of the services covered by this Memorandum of Understanding without the express written consent of the Entity.

ARTICLE 18: NON-WAIVER:

Waiver by the Entity of any provision of this Memorandum of Understanding or any time limitation provided for in this Memorandum of Understanding shall not constitute a waiver of any other provision.

ARTICLE 19: NOTICES:

Any Notice to be served hereunder may be served upon the parties personally or served by certified mail, return receipt. Notice served by mail shall be deemed complete upon deposit of said notice in any United States Post Office, postage prepaid, directed to the party to be served, at the following addresses:

ENTITY: City of Laurel
 P.O. Box 10
 Laurel, MT 59044

RC&D: Beartooth RC&D
 P.O. Box 180
 Joliet, MT 59041

ARTICLE 20: INTEGRATED AGREEMENT:

This Memorandum of Understanding together with attachments or addenda represents the entire and integrated Agreement between the Entity and the Beartooth RC&D and supersedes all prior negotiations, representations, or agreements, written or oral. This Memorandum of Understanding may be amended only by written instrument signed by both the Entity and the Beartooth RC&D.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals to this Memorandum of Understanding the day and year in this instrument first above written.

CITY OF LAUREL

Dave Waggoner, Mayor

ATTEST:

Kelly Strecker, Clerk-Treasurer

APPROVED AS TO FORM:

Michele L. Braukmann, Civil City Attorney

This is a Task Order for KLJ Project No. 2304-01608
Grant Support Services – New Water Tank,
consisting of 3 pages, plus attachments.

Task Order: Grant Support Services – New Water Tank

In accordance with Paragraph 1.01 of the Agreement Between Owner and Engineer for Professional Services – Task Order Edition, dated December 5, 2017 ("Agreement"), as amended by Amendment No. 1 dated October 13, 2020, Owner and Engineer agree as follows:

1. Background Data

- A. Effective Date of Task Order: November 28th, 2023
- B. Owner: City of Laurel
- C. Engineer: KLJ Engineering, Inc
- D. Specific Project (title): Grant Writing Support Services
- E. Project Description: Grant writing and support services to the City of Laurel to assist in the development and submittal of funding applications covering a range of potential state and Federal funding programs. The effort is in support of a proposed future water tank and booster system upgrade for the City of Laurel. KLJ anticipates working with the City of Laurel on five potential grant applications/funding programs, those are listed below. In addition, KLJ will meet monthly with the City of Laurel to review the overall project status and gather feedback on going grant development efforts.

2. Services of Engineer

- A. The specific services to be provided or furnished by Engineer under this Task Order are: Grant support services to develop applications for the City of Laurel related to the following specific State and Federal funding programs:
 - **Task 1: Project Management/Grant Staging & Research** -This includes all general project management tasks including attendance at meetings, updates to the City/Client Manager regarding progress, deadlines, and technical needs, and tasks unrelated to specifically outlined grant applications/ research as outlined.
 - **Task 2: DNRC-RRGL:** Costs as outlined include review of the updated notice of funding, completion of the application materials including any supplemental materials, coordination with the Client Manager and the City to ensure technical aspects of the application are correct, and assistance to City staff as designated for submission of the grant application. Applications for the 2024 Cycle are due May 15, 2024.

Deliverable: All applications materials/attachments required for submission of the grant on/before the deadline.

- **Task 3: MT Coal Endowment Program (MCEP formerly known as TSEP):** Costs as outlined include review of the updated notice of funding, completion of the application materials including any supplemental materials, coordination with the Client Manager and the City to ensure technical aspects of the application are correct, and assistance to City staff as designated for submission of the grant application. Applications for the 2024 Cycle are due in the spring of 2024 (anticipated to be late March/early April as the exact deadline has not yet been announced).

Deliverable: All application materials/attachments required for submission of the grant on/before the deadline.

- **Task 4: State Revolving Loan Fund (SRF) :** While the project qualifies for most state/federal grants as outlined, the cost is significant enough that it is anticipated the City will be required to supplement grant dollars with an SRF loan. Most of this application will be most expeditiously and best completed by City staff who have easy access to the City's financial documents, contact information and related information. The costs as outlined include any necessary technical assistance, QA/QC of application materials, communications with SRF staff as requested/required, and any additional application guidance the City may need to complete/submit the application. There is no hard deadline for SRF loan applications. These are accepted year-round.

Deliverable: City filled in application with KLJ recommendations to assure compliance with application standards.

- **Task 5: EDA Community Facilities or Disaster Response Grant:** Costs include initial discussion with EDA regional staff to determine which program is the best fit for the project and the costs associated with review of the updated notice of funding, completion of the application materials including any supplemental materials/federal forms, coordination with the Client Manager and the City to ensure technical aspects of the application are correct, and assistance to City staff as designated for submission of the grant application. There is no hard deadline for EDA applications. Applications are accepted until all congressionally appropriated dollars for the region are expended/obligated.

Deliverables: This is a phased deliverable. The first is a report/update based on discussions with the regional EDA staff as to which program is the best fit and the status of current dollars available. The second is dependent on verification of grant availability. Should grant funds be available and EDA believe one of these programs is applicable, KLJ will move forward with delivering all application materials/attachments required for submission of the grant.

- **Task 6: WaterSmart Water Grants:** There are several grant opportunities under the umbrella of WaterSmart. Costs reflect initial research into which programs, if any, are a fit for this project and then, if any are found to be appropriate, costs related to writing one

(1) of those grants. Deadlines vary depending on program so initial research will include providing information about when grants may be due. If none of the WaterSmart grant resources are found to be appropriate or within a timeframe suitable to the project, the City will only be charged for the cost of the research, and not for additional application costs.

Deliverable: This is a phased deliverable. The first is a report based on research/discussion with WaterSmart staff as to appropriateness of any WaterSmart grants for this project. Based on this, if an appropriate/competitive resource is identified, KLJ can move ahead with 1 application. Should additional resources be determined to be applicable, KLJ will confer with the City and a new task will have to be completed for any additional applications.

- B. All of the services included above comprise Basic Services for purposes of Engineer's compensation under this Task Order.

3. Additional Services that may be authorized or necessary under this Task Order are:

Grant applications, if found, under the WaterSmart Water Grant that are in addition to the initial or first application.

4. Owner's Responsibilities

Owner shall have those responsibilities set forth in Article 2 of the Agreement subject to the following:

Provide timely review and guidance on the development of specific grant applications.

Submittal of all grants after completion or review and approval by KLJ.

5. Task Order Schedule

- A. In addition to any schedule provisions provided elsewhere, the parties shall meet the following schedule:
- Work anticipated to occur throughout 2023 and 2024.
 - Engineer will establish specific timelines as part of each grant development process.
 - Engineer shall provide monthly updates to Owner on the anticipated completion schedule, throughout the duration of the project.

6. Payments to Engineer

A. Owner shall pay Engineer for services rendered under this Task Order as follows:

| Services | Amount | Basis of Compensation |
|---|-----------------|------------------------------|
| Task 1 - Project Management/Grant Staging & Research | \$10,000 | Time and Expense |
| Task 2 - DNRC RRGL | \$6,000 | |
| Task 3 - MT Coal Endowment (MCEP) | \$9,000 | |
| Task 4 - SRF Revolving Loan | \$4,000 | |
| Task 5 - EDA Community Facilities | \$11,000 | |
| Task 6 WaterSmart Water Grant | \$16,000 | |
| Total | \$56,000 | |

Compensation items and totals based in whole or in part on Hourly Rates or Direct Labor are estimates only. Engineer may alter the distribution of compensation between individual tasks (line items) to be consistent with services rendered but shall not exceed the total lump sum compensation amount unless approved in writing by the Owner.

The terms of payment are set forth in Article 4 of the Agreement and in the applicable governing provisions of Exhibit C.

7. Consultants retained as of the Effective Date of the Task Order: None

8. Other Modifications to Agreement and Exhibits: None

9. Attachments: None

10. Other Documents Incorporated by Reference:

December 5, 2017 Agreement between Owner and Engineer for Professional Services, Task Order Edition
October 13, 2020 Amendment to Engineer-Owner Agreement, Amendment No. 1.

11. Terms and Conditions

Execution of this Task Order by Owner and Engineer shall make it subject to the terms and conditions of the Agreement (as modified above), which Agreement is incorporated by this reference. Engineer is authorized to begin performance upon its receipt of a copy of this Task Order signed by Owner.

The Effective Date of this Task Order is November 29th, 2023.

7. Ordinance No. O23-05: An Ordinance Amending Title 12, Chapter 12.32.050 Of The Laurel Municipal Code Related To The City Tree Board.

ORDINANCE NO. 023-05

AN ORDINANCE AMENDING TITLE 12, CHAPTER 12.32.050 OF THE LAUREL MUNICIPAL CODE RELATED TO THE CITY TREE BOARD.

WHEREAS, the City Council desires to keep the Laurel Municipal Code current by modifying and updating Chapters, Sections, and Subsections to address situations and problems within the City and to remain in accordance with Montana law;

WHEREAS, City Staff prepared, reviewed, and approved the following amendments to the existing LMC § 12.32.050, as noted herein and on the attached, and hereby recommends the same to the City Council for its full approval; and

WHEREAS, the proposed changes to the existing LMC § 12.32.050 are attached hereto and hereby fully incorporated herein. *See* attached revised LMC § 12.32.050 changes.

This Ordinance shall become effective thirty (30) days after final passage by the City Council and approved by the Mayor.

Introduced and passed on first reading at a regular meeting of the City Council on the 28th day of November 2023, upon Motion by Council Member _____.

PASSED and ADOPTED by the Laurel City Council on second reading on the 12th day of December 2023, upon Motion by Council Member _____.

APPROVED BY THE MAYOR on the 12th day of December 2023.

CITY OF LAUREL

Dave Waggoner, Mayor

ATTEST:

Kelly Strecker, Clerk-Treasurer

APPROVED AS TO FORM:

Michele L. Braukmann, Civil City Attorney

12.32.050 Creation and ~~E~~establishment of a ~~C~~city ~~T~~ree ~~B~~board.

There is hereby created and established an ~~A~~advisory ~~B~~board to the ~~C~~city ~~C~~ouncil which will be known as the ~~C~~city ~~T~~ree ~~B~~board for the ~~C~~city of Laurel ("~~B~~board") which shall consist of ~~seven (7) five~~ members who are residents of ~~the~~s ~~C~~city or who live within two miles thereof, ~~and~~ who shall be appointed by the ~~M~~mayor with ~~the~~ approval of the ~~C~~ity ~~C~~ouncil. The members shall come from different interest groups including homeowners, tree professionals, street department, and city government.

STONE AGE

CONCRETE TABLE TENNIS

BRAVADO OUTDOOR | EVERYONE PLAYS

WHO WE ARE

Stone Age Concrete Games, Inc. specializes in unique, permanent concrete recreational equipment for parks, schools, entertainment venues and home use. Bravado Promotes healthy physical and social activity for all ages and physical activity levels. Everybody plays! Our strong background in Government and construction contract sales makes us the only choice for permanent concrete games in North America. Our focus on beauty and craftsmanship makes us the inspired choice for entertainment venues and fine homes.

OUR PHILOSOPHY

We are the essence of post industrialism. Industrial quality is only a starting point. The ending point is to inspire joy through craftsmanship and to change places into a spontaneous combustion of activity, fun and innovative spirit.

QUALITY

Our finished products are satin smooth. Ball bounce and play meet ITTF standards except for the durable steel nets. Our nets are 3/8" steel with powder coating. Our nets are ALWAYS custom designed for each unique project! Underneath all that beauty, the engineering is overdesigned for long term durability. All Stone Age tables are produced using our proprietary triple reinforced concrete. We finish the tables using quality anti-graffiti coating for long term beauty even in the roughest public venues.

The Bravado Advantage

👂 Stone Age produces the highest quality concrete game tables worldwide.

👂 Stone Age Manufactures our own products in our own facility. Unlike the competition who completely outsources their product. Made by hand to our stringent specifications by Stone Age concrete artisans in our cutting-edge facility.

👂 Every piece has been professionally engineered for public use and to last for decades in any environment.

👂 Concrete game tables are ALL we do at Stone Age. We are the leader in outdoor concrete games products so 100% of our research, engineering, design and production goes into making the highest quality game tables possible.

👂 Stone Age has sold concrete game tables around the world to resorts, schools, cities, military, home owners and even Olympic Committees as far away as Doha, Qatar. We have the experience to get it right and delivered safely to any location.

👂 Stone Age offers customization options concrete colors, custom designed plasma cut nets and powder coat colors so every table is one of a kind for your project.

👂 There is no sales tax in Oregon so buying from Stone Age can potentially save you hundreds if not thousands of dollars on your projects.

👂 Stone Age is comprised of individuals who love Table Tennis and our chosen games. We take pride in playing our games, promoting the sport and making our products true to the regulations and specifications of the ITTF. While ensuring our products last for generations.

Stone Age Tables are Triple reinforced with steel and two kinds of fiber reinforcement using our proprietary process to ensure the highest quality of concrete finish and best longevity in the concrete industry.

- All products utilizing blue integral dye have an upcharge for the blue color!
- Coloring concrete is an art not a science so your product will come out similar to these photos and previous products with the same color but you cannot make a side-by-side comparison. Each piece will be unique and all photos have been affected by the light, sun, or other factors. The photos are for general reference only.
- Artwork applied to cornhole boards, tops of table tennis tables, or foosball tables start at \$175.00 for a single color, per board. Single color artwork will be \$350.00 for both boards or both sides of the table tennis table. Each additional color adds approximately \$50.00 per board.
- Some artwork is too complex for our concrete dye/template system, other options are available.
- Stone Age loves to customize, so if you have an idea for something custom, let us know

Black Poker table. Available in any standard color.

Shuffleboards are custom colored to resemble wood.
