Laurel Park Board Meeting

Started 5:30 PM by Scot Stokes with Jon Rutt, Evan Bruce, Paul Kober, Phyllis Bromgard, Kurt Markegard, Matt Wheeler, and Irv Wilke. Gavin Williams was a guest.

No Public Comment

Minutes from the July 1 meeting. Irv motioned, Phyllis 2<sup>nd</sup> and approved.

New Business:

Camp Host at Riverside Park discussion. Some are volunteer, but most were paid \$1200 to \$1500. Possible summer help/camp host possibilities. Discussion of options ensued. Summer help got paid \$10 an hour. A free lot would be included. Plan to work on this idea before January. Remove the caretakers house for a Camp Host spot. No camp host job description exists at this time and needs to be developed. Requests made to FW&P and another Camp Host.

Gavin Williams spoke about camp site software. Reserve America is considered expensive and too big for our campground. Another site was free with a \$2.00 per reservation. Building our own would be the most flexible. Cost of \$500 to start with an annual fee of <\$200.

City Hall asked for \$50 fee to file the paperwork for special events. We are asking for more information.

Old Business:

Camping fees in Riverside Park was discussed and rates are \$10 for tents and \$20 for back in with \$30 for pull through. Jon moved and Evan 2<sup>nd</sup> and approved these fees.

Meeting adjourned at 6:53

Jon Rutt
