A neighbor of the property states she is opposed to the rezone. She states it would create more traffic which is not safe for the people who walk and ride their bike around the area, it would also increase the risk for break ins. Her family chose the area as it was a bust area, and this would affect their quality of life as well as them losing the agriculture value of their land.

Guy Morgan also spoke stating, he is opposed to the rezone. He states the road can not support the traffic, as two cars can barely pass each other on the road now. He also states that many people in a small neighborhood is not conducive to the area, and believes that water pressure will go down as well. Public Works Director Josh let him know, this will not affect the water pressure.
