*La Vernia ISD...Uncompromising Excellence, Unlimited Possibilities*

3/4/2026

To Whom It May Concern,

On behalf of the La Vernia Independent School District, I am pleased to provide this letter of support for the La Vernia Police Department Annual Golf Tournament, an important event dedicated to supporting students of La Vernia ISD through scholarship opportunities.

The annual golf tournament reflects the Police Department's continued commitment to serving the community beyond public safety. By organizing this event, the department helps create meaningful opportunities for local students to pursue higher education and achieve their future goals. The scholarships made possible through this tournament represent a direct investment in the next generation of leaders, professionals, and community members.

The partnership between the La Vernia Police Department, local businesses, community leaders, and residents demonstrates the strength and unity of our community. Events like this not only raise funds for deserving students but also foster positive relationships between law enforcement and the citizens they serve, strengthening trust and community engagement.

Supporting La Vernia ISD students through scholarships helps reduce financial barriers and encourages academic achievement, community involvement, and personal growth. The annual golf tournament is a positive and impactful initiative that benefits students, families, and the community as a whole.

I strongly support the La Vernia Police Department Annual Golf Tournament and commend all those involved for their dedication and generosity in helping our students succeed.

Sincerely,

Dr. Freeman Hensley Cone  
Superintendent

**La Vernia ISD Mission Statement**

*The mission of La Vernia ISD is to collaboratively educate and inspire all students to be life-long learners with unlimited possibilities as contributing members of society.*

March 4, 2026

To: Grant review board;

I am a proud resident of La Vernia, Texas and expressing my strong support for the La Vernia Police Department's application for grant funding to establish a scholarship for a graduating La Vernia High School senior. This initiative represents an outstanding opportunity to invest in the future of our community by helping local students pursue higher education.

The La Vernia Police Department plays a vital role in keeping our community safe while also building positive relationships with residents and youth. By creating a scholarship opportunity for local high school seniors, the department is demonstrating its continued commitment to supporting the next generation and encouraging educational achievement.

For many students and families, the cost of college or technical education can be a significant challenge. A scholarship funded through this grant would provide meaningful financial assistance to a deserving student, helping them take the next step toward their academic and career goals. Programs like this not only support individual students but also strengthen the entire community by investing in young people who will one day become leaders, professionals, and contributors to our region.

I strongly believe that this scholarship initiative reflects the values of La Vernia—community support, opportunity, and a commitment to helping our youth succeed. I respectfully encourage consideration and approval of this grant request so that the La Vernia Police Department can continue making a positive impact on the lives of local students.

Thank you for your time and consideration.

Sincerely,

Harold Schott  
La Vernia, Texas

**Letter of Support-LV Police Department Golf Scholarship Grant Application**

To Whom It May Concern,

As a resident of La Vernia, I am writing to express my strong support for the Police Department's grant application requesting funding to support a High School Senior Golf Scholarship Program. This program represents a meaningful investment in the future of our community by providing financial assistance to graduating seniors who plan to pursue higher education.

The Police Department's annual golf scholarship initiative not only brings the community together through a positive and engaging event, but it also creates opportunities for deserving students who may otherwise face financial barriers when continuing their education. By supporting scholarships for graduating seniors, this program helps students take the next step toward college, vocational training, or other educational pathways that will allow them to become productive and successful members of society.

In addition to the financial benefit provided to students, this scholarship program strengthens the relationship between the La Vernia police department and the community it serves. It demonstrates the department's commitment to supporting youth, promoting education, and investing in the long-term success of local families. I strongly encourage consideration and approval of this grant request. Supporting this program is a direct investment in education, community partnership, and the future leaders of our community.

Thank you for your time and consideration.

Sincerely,
