Discussion Items

1. City Departments & FY23 Operating Budget Request

Barry Mock, Assistant City Manager presented department information for the departments he manages: Damage Prevention, Electric, Fleet, Natural Gas, Sanitation & Streets.

Keith Lee, Finance Director presented high-level FY23 Operating budget information.

Committee participated in group discussion in which the following suggestions and/or recommendations for the City were collected:

Special Events: Host Health Fairs, Lawrenceville Day/Fest, & events in collaboration with area schools

Increase outreach by increasing Twitter presence, continue/increase mailers, radio ads, and utilize downtown kiosks

Support businesses by bringing back the Lawrenceville Trade Association, and also host a Towne Hall for Lawrenceville Businesses

Police: Bring back Neighborhood Watch program, increase patrol in neighborhoods, and school outreach.

Streets: Offer handicap parking for LAC, quality control & follow-up inspection of street paving performed by contractors, increase sidewalk maintenance and debris pickup outside of DTL.

Code Enforcement: more enforcement presence in the outskirts of the City. Would also like more stern enforcement of ordinances.
