she had emailed copies of the Artifacts Report to them on May 20, 2021. There was additional discussion about the artifacts that committee members Bailey, Brown, Crawford-Taylor, Moore and Taylor identified on their tour of the Mt Calvary United Methodist Church on May 14, 2021. Multiple smaller items like collection plates, choir robes and Bible/Hymnals were retrieved from the church and transported to City Hall for storage by Council Member Glen Martin and Executive Assistant Paula Foil. Larger artifacts such as furniture, stain glass windows, church bell, et al, will be salvaged when the building is demolished and put into storage by the city.

The meeting was abruptly interrupted by loud music which appeared to come from someone attempting to join. Vice-Chair Moore asked that they put their sound on mute. The caller responded by spewing profanities and racially offensive language. Member Rory Johnson observed that we had been hacked by a "Zoom Bomber."

After brief discussion, Chair Bailey adjourned the meeting at 6:32 pm.
