General Discussion

Strategic Plan Discussion

The City of Lawrenceville ReCAST Grant Advisory Board met on Monday, April 11, 2022, to focus on the ReCAST Strategic Plan. Along with the purpose of the conversation listed below, the goal of the facilitated session was to also build relationships between the Board Members.

The purpose of the conversation was to craft a 5-year strategic plan that reflects the goals outlined in the ReCAST grant application with objectives and activities that aim to assist high-risk youth and families and promote resilience and equity through the implementation of evidence-based violence prevention, and community youth engagement programs, as well as linkages to trauma-informed behavioral health services.

Board consensus developed this mission: "To connect and empower Lawrenceville youth and families to access available collaborative resources to address their unmet, holistic needs."

Board consensus also developed this vision: "We are a thriving Lawrenceville where all residents work together to create a sense of belonging."
