The obligation of Buyer under this Agreement to purchase the Property is hereby expressly made subject to the truth and accuracy as of the date of this Agreement and as of the date of closing of each and every warranty or representation herein made by Seller, and the suitability of the inspections and tests set forth in Paragraph 4. If the results of the inspections and tests indicate any difficulty of Buyer to develop the Property, including rock, sewer, water, environmental hazards, hazardous materials, hazardous materials contamination, asbestos or other problems, then this Agreement shall be null and void and initial earnest money shall be refunded to Buyer. Buyer must furnish Seller written notice of cancellation by the end of the Inspection Period if Buyer desires to cancel the contract based on this condition.

8. Earnest Money.

Contemporaneously with the execution of this Agreement, Buyer has paid as Earnest Money the sum of TEN THOUSAND DOLLARS (\$10,000.00) directly to the Trustees of the Loving Aid Society. At the closing hereunder all Earnest Money paid directly to the Trustees shall be applied against the purchase price provided herein. If Seller refuses to or cannot convey unencumbered marketable fee simple title to the Property as provided herein, or in the event any condition set forth herein is not met within the time provided, such condition not having been waived by Buyer, then said Earnest Money shall be returned to Buyer and this Contract shall terminate. Should Sellers refuse to close and Buyer desires to close, Buyer shall have the right to pursue specific performance. If the purchase and sale hereunder is not closed due to default hereunder by Buyer, the Earnest Money shall be paid to Seller as Seller’s sole remedy as full and complete liquidated damages for such default. The parties acknowledge damages caused by the default of the Buyer would be difficult or impossible to ascertain and agree that the payment of the Earnest Money represents a fair and equitable remedy for the Seller.

9. Broker.

No Brokers are involved in this transaction. To the extent allowed by law, Buyer and Seller agree to indemnify and hold the other party harmless against any claim, suit, or action

for a real estate brokerage commission as a result of their actions in the sale and purchase of the Property, including reasonable attorney’s fees and costs.

The 2020 IRP Charts A Course

The Resource Plan charts a course toward achieving this vision that calls for a number of strategic steps, most already underway:

1

Continue to lessen our reliance on coal, and to exit our participation in Plant Wansley's coal units in 2022.

2

Integrate the output from the new Plant Vogtle Units 3&4 into our generation portfolio.

3

Complete our first solar initiative (approx. 80 MW expected to enter operation in 2024), and roll out additional solar in the future.

4

Support application to extend the operating license for Plant Hatch Unit 1 from 2034 to 2054, and for Hatch Unit 2 from 2038 to 2058.
