**Re: MEAG Power Sale of Excess Power to City of Lawrenceville
on Behalf of the City of Elberton**

Dear Mayor Graves and Mayor Still:

This Letter Agreement sets forth the agreement between the Municipal Electric Authority of Georgia ("MEAG Power"), the City of Elberton, Georgia ("Elberton"), and the City of Lawrenceville, Georgia ("Lawrenceville"), for MEAG Power's sale on behalf of Elberton of certain excess power to Lawrenceville pursuant to Section 312 of the Power Sales Contract between MEAG Power and Elberton. MEAG Power is willing to facilitate and execute this transaction pursuant to Section 312, subject to this Letter Agreement.

The capitalized words or terms that are used in this Letter Agreement, but are not defined herein, shall have the same meanings as assigned to them in the Power Sales Contract.

In consideration of the mutual agreements set forth herein, the sufficiency and adequacy of which are acknowledged by MEAG Power, Elberton and Lawrenceville, it is understood and agreed that:

(1) Sale of Excess Power by MEAG Power on Behalf of Elberton.

(a) Pursuant to Section 312 of the Power Sales Contract between MEAG Power and Elberton, Elberton has declared the amounts shown in Attachment 1, net of any Vogtle sellback amounts, to be excess to its needs. Elberton has requested MEAG Power to sell, and MEAG Power shall, in accordance with this Letter Agreement, sell to Lawrenceville this capacity and the output in each hour therefrom, including output directed to off system sales, as delivered energy (the "Sale Amount") in accordance with the terms and conditions set forth in Attachment 1.

Municipal Electric Authority of Georgia
1470 Riveredge Parkway NW
Atlanta, Georgia 30328-4640

1-800-333-MEAG 770-563-0300

(b) This Sale Amount shall not reduce Elberton's Entitlement Share of output and services under the Power Sales Contract, and Elberton shall remain liable to MEAG Power for its entire Entitlement Share. All payments received by MEAG Power from Lawrenceville for the Sale Amount pursuant to this Letter Agreement shall be credited to Elberton's obligation to MEAG Power to pay for its Entitlement Share.

(c) MEAG Power shall treat that portion of the output sold to Lawrenceville on behalf of Elberton as Lawrenceville's resource from delivery at level B-1.

(2) **Purchase of Excess Power by Lawrenceville.** Lawrenceville agrees to purchase the Sale Amount in accordance with the terms and conditions set forth in Attachment 1. MEAG Power shall bill Lawrenceville for such amount and Lawrenceville shall pay all amounts due in the same manner as other payments under the Power Sales Contract between MEAG Power and Lawrenceville.

(3) **Costs.** Elberton shall be obligated for all costs incurred by MEAG Power as a direct result of the transaction identified in this Letter Agreement. MEAG Power agrees to provide sufficient documentation to Elberton to enable it to verify any such costs.

(4) **Indemnification.** Elberton hereby indemnifies and holds MEAG Power and the remaining MEAG Power Participants harmless from and against any and all losses, costs, liabilities, damages, expenses (including without limitation attorneys' fees and expenses) of any kind and incurred or suffered by MEAG Power or its Participants as a result of, or in connection with, Elberton's sale of excess power pursuant to this Letter Agreement, only to the extent permitted by law

If you are in agreement with the foregoing, and after this Letter Agreement has been duly authorized by the governing bodies of Elberton and Lawrenceville, please execute this Letter Agreement in the space provided below.

AGENDA REPORT

MEETING: REGULAR MEETING, NOVEMBER 19, 2025

AGENDA CATEGORY: CONSENT AGENDA

Item:	Year 5 Contract Renewal of ReCAST Sub-Recipient Partners
Department:	Community & Economic Development
Date of Meeting:	Wednesday, November 19, 2025
Fiscal Impact:	\$0
Presented By:	Marcus Thorne, Grants Administrator
Action Requested:	Approve contract renewal for Year 5 of ReCAST sub-recipient partners, Georgia Center for Opportunity, Impact46, View Point Health, and the ReCAST Program Director and authorize the Mayor or City Manager to execute the agreements subject to review and approval by the City Attorney.

Summary: ReCAST Lawrenceville enters its fifth and final year of the grant cycle, which began on October 1, 2025. The Community & Economic Development Department seeks approval to renew four key contracts: Georgia Center for Opportunity, Impact46, View Point Health, and the Program Director. These contracts will ensure the continued delivery of essential services, including workforce development, behavioral health support, student programming, and grant management oversight. ReCAST stands for Resiliency in Communities After Stress & Trauma and is a grant program awarded through the Substance Abuse & Mental Health Services Administration.

Authorization is sought for the Mayor or City Manager to execute contracts with View Point Health, the Georgia Center for Opportunity, Impact46, and the Program Director, subject to approval by the City Attorney.

**SUBRECIPIENT AGREEMENT
BETWEEN
CITY OF LAWRENCEVILLE AND VIEWPOINT HEALTH, INC.**

This Agreement is made between the City of Lawrenceville (herein called the Local Government) and View Point Health (herein called Subrecipient) for the Lawrenceville ReCAST Grant (herein called the Project).

As the Local Government has applied for and received a Substance Abuse and Mental Health Services Administration (SAMHSA) award, Unique Federal Award Identification Number (FAIN) H79SM084920, to fund the Project with Federal Award Identification Number 5H79SM084920-05; and

As it benefits the Local Government to engage the Subrecipient to accomplish the Scope of Work and the objectives of the local SAMHSA project;

As the Project enters its fifth and final award year;

The parties agree that:

1. SCOPE OF SERVICES

A. Local Government Responsibilities

The Local Government is responsible for administration of the ReCAST Grant, and ensuring SAMHSA funds are used in accordance with all program requirements. The Local Government will provide such assistance and guidance to the Subrecipient as may be required to accomplish the objectives and conditions set forth in this Agreement. The Local Government is responsible for completing the following tasks to accomplish the objectives of the Project:

Principal Tasks

- Coordinate project service and activities, including training, communication, and information dissemination.
- Provide program leadership and oversight for the grant, data collection, and monitoring progress.
- Coordinate the Diversity and Inclusion Committee.

B. Subrecipient Responsibilities

The Subrecipient will complete in a satisfactory and proper manner as determined by the Local Government the following tasks to accomplish the objectives. The Subrecipient will periodically meet with the Local Government to review the status of these tasks.

The ReCAST budget narrative provides more explicit guidance as to both the

resource allocation and expenditure expectations of the Subrecipient.

Principal Tasks

- Behavioral Health Services
- Project Evaluation and Data Collection
- Violence prevention and trauma-informed training
- Client assessment and screening; case management aftercare
- Support of outreach events with an organizational representative and with organizational materials

2. TIME OF PERFORMANCE

The term of this agreement shall extend from October 1, 2025, through September 29, 2026, in accordance with the ReCAST Grant Cycle.

3. AGREEMENT REPRESENTATIVES

Each party to this Agreement shall have a representative. Each party may change its representative upon providing written notice to the other party. The parties' representatives are as follows:

A. Subrecipient: View Point Health

Name of Representative:	Jennifer Hibbard
Title	President & CEO
Mailing Address:	333 Research Court
City, State, and Zip Code:	Peachtree Corners, GA 30092
Telephone Number:	770-242-0001
Email Address:	

B. Local Government: City of Lawrenceville

Name of Representative:	Chuck Warbington
Title	City Manager
Mailing Address:	PO Box 2200
City, State, and Zip Code:	Lawrenceville, GA 30046
Telephone Number:	770-963-2414
Email Address:	chuck.warbington@lawrencevillega.org

4. **BUDGET**

The Local Government will pass through to the Subrecipient no more than \$110,000 in SAMHSA funds for eligible incurred costs and expenses for the Project according to the project budget, incorporated herein by reference.

The Local Government will require a more detailed budget breakdown, and the Subrecipient will provide such supplementary budget information in a timely fashion in the form and content prescribed by the Local Government.

Any amendments to this Agreement's Budget must first be determined by the Local Government as consistent with its ReCAST contract with SAMHSA and then approved in writing by the Local Government and the Subrecipient.

5. **PAYMENT**

The Local Government shall reimburse the Subrecipient in accordance with the payment procedures outlined in the SAMHSA Management Handbook, Financial Management Section for all allowable expenses agreed upon by the parties to complete the Scope of Service.

Reimbursement under this Agreement will be based on billings, supported by appropriate documentation of costs actually incurred. It is expressly understood that claims for reimbursement will not be submitted in excess of actual, immediate cash requirements necessary to carry out the purposes of the agreement. Funds available under this Agreement will be utilized to supplement rather than supplant funds otherwise available.

It is understood that this Agreement is funded in whole or in part with SAMHSA funds and is subject to those regulations and restrictions normally associated with federally-funded programs.

6. **PERFORMANCE MONITORING**

The Local Government will monitor the performance of the Subrecipient by tracking project progress, reviewing payment requests for applicable costs, overseeing compliance with SAMHSA requirements, and ensuring recordkeeping and audit requirements are met. Substandard performance as determined by the Local Government will constitute noncompliance with this Agreement.

If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Local Government, contract suspension or termination procedures will be initiated.

7. **GENERAL CONDITIONS**

A. Independent Contractor

Nothing contained in this Agreement is intended to, or will be construed in any

manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient will at all times remain an “independent contractor” with respect to the services to be performed under this Agreement. The Local Government will be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers’ Compensation Insurance, as the Subrecipient is an independent contractor.

B. Hold Harmless

The Subrecipient will hold harmless, defend and indemnify the Local Government from any and all claims, actions, suits, charges, and judgments whatsoever that arise out of the Subrecipient’s performance or nonperformance of the services or subject matter called for in this Agreement.

C. Workers’ Compensation

The Subrecipient will provide Workers’ Compensation Insurance Coverage for all of its employees involved in the performance of this Agreement. Coverage will be maintained (at least) at minimum statutory limits. Evidence of Coverage will be provided to the Local Government. There is no additional named insured requirement for Worker’s Compensation Coverage.

D. Insurance and Bonding

The Subrecipient will carry sufficient insurance coverage to protect contract assets from loss due to theft, fraud, and/or undue physical damage, and as a minimum will purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from the Local Government.

The Subrecipient shall obtain and maintain at its own expense insurance policies for general liability insurance and professional liability insurance from commercial insurance companies licensed to transact insurance in the State of Georgia in an amount not less than one million dollars (\$1,000,000) per claim and three million dollars (\$3,000,000) in the aggregate per year for each such policy and shall, upon request, provide the Local Government a copy of the certificates of insurance as evidence of such coverage which lists the Local Government as an additional named insured. If the Subrecipient changes insurance carriers or has the coverage described herein decreased or terminated, such party will notify in writing the Local Government at least thirty (30) days prior to the expiration or termination of the current coverage.

E. Amendments

The Local Government or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization, and approved by the Local Government’s governing body. Such amendments will not invalidate this Agreement, nor relieve or release the Local

Government or Subrecipient from its obligations under this Agreement.

F. Suspension or Termination

The Local Government may suspend or terminate this Agreement if the Subrecipient materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

- i. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and SAMHSA guidelines, policies or directives as may become applicable at any time;
- ii. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement.
- iii. Ineffective or improper use of funds provided under this Agreement; or
- iv. Submission by the Subrecipient to the Local Government of reports that are incorrect or incomplete in any material respect.

This Agreement may also be terminated by either the Local Government or the Subrecipient, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the Local Government determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the Local Government may terminate the award in its entirety.

8. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

- i. Accounting Standards
The Subrecipient agrees to comply with 2 CFR 200 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.
- ii. Cost Principles
The Subrecipient will administer its program in conformance with 2 CFR 200. These principles will be applied for all costs incurred, whether charged on a direct or indirect basis.
- iii. Duplication of Costs
The Subrecipient certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other

contract, subcontract, or other source.

B. Documentation and Record Keeping

i. Records to Be Maintained

The Subrecipient will maintain all records required by the Federal regulations that are pertinent to the activities to be funded. Such records will include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets the objectives of the project;
3. Records required to determine the eligibility of activities;
4. Financial records as required by 24 CFR 570.502, and 2 CFR 200.333;
5. Other records necessary to document compliance with Subpart K of 24 CFR 570.

ii. Access to Records and Retention

The grantee and other authorized representatives of the federal government shall have access to any books, documents, papers, and records of the Subrecipient that are directly pertinent to this Agreement for the purposes of making audit, examination, excerpts, and transcriptions.

All such records and all other records pertinent to this Agreement and work undertaken under this Agreement will be retained by the Subrecipient for a period of six years after final audit of the Local Government's SAMHSA project unless a longer period is required to resolve audit findings or litigation. Additionally, if the Georgia Records Retention Act requires a longer period, then the records must be retained for that period. In such cases, the Local Government will request a longer period of record retention.

iii. Audits and Inspections

All Subrecipient records with respect to any matters covered by this Agreement will be made available to the Local Government and duly authorized officials of the federal government, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

Any deficiencies noted in audit reports must be fully cleared by the

Subrecipient within 30 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.

The Subrecipient that expends \$750,000 or more in a fiscal year in federal funds from all sources hereby agrees to have an annual agency audit conducted in accordance with current Local Government policy concerning Subrecipient audits and 2 CFR 200.501. The Catalog of Federal Domestic Assistance (CFDA) number is 14.228.

C. Reporting

i. Program Income

The Subrecipient will report annually all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with SAMHSA funds made available under this Agreement. The use of program income by the Subrecipient will comply with the requirements set forth at 24 CFR 570.504.

ii. Periodic Reports

The Subrecipient, at such times and in such forms as the Local Government may require, will furnish the Local Government such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement. Such reporting will include:

1. Monthly data updates to the ReCAST Lawrenceville data tracker
2. Brief milestone reports, offering a monthly update of grant-related organizational activities and progress
3. Periodic reports offered to the ReCAST Advisory Board; reporting to the Advisory Board is anticipated to be quarterly

D. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement will be in compliance with the requirements of 2 CFR 200.311 and 313, 24 CFR 570.502, 570.503, 570.504, as applicable, which include but are not limited to the following:

- i. The Subrecipient will transfer to the Local Government any SAMHSA funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or

termination.

9. PERSONNEL AND PARTICIPANT CONDITIONS

A. Conduct

i. Assignability

The Subrecipient will not assign or transfer any interest in this Agreement without the prior written consent of the Local Government thereto; provided, however, that claims for money due or to become due to the Subrecipient from the Local Government under this contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer will be furnished promptly to the Local Government.

ii. Conflict of Interest

No member of the Local Government's governing body and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning or carrying out of the project, will have any personal financial interest, direct or indirect, in this Agreement; and the Subrecipient will take appropriate steps to assure compliance.

The Subrecipient agrees to abide by the provisions of 2 CFR 200.318 and 24 CFR 570.611, which include maintaining a written standard code of conduct that will govern the performance of its officers, employees, or agents engaged in the award and administration of contracts supported by Federal funds.

The Subrecipient covenants that its employees have no interest and will not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of services hereunder. The Subrecipient further covenants that in the performance of this Agreement, no person having such interest will be employed.

iii. Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions

1. The lower tier contractor certifies, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor will attach an explanation to this contract.

10. **PERFORMANCE WAIVER**

The Local Government's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the Local Government to exercise or enforce any right or provision will not constitute a waiver of such right or provision.

11. **ENTIRE AGREEMENT**

This Agreement constitutes the entire agreement between the Local Government and the Subrecipient for the use of funds received under this Agreement and it supersedes all prior communications and proposals, whether electronic, oral, or written between the Local Government and the Subrecipient with respect to this Agreement.

IN WITNESS WHEREOF, the Local Government and the Subrecipient have executed this Agreement as of the date and year last written below.

**PROGRAM DIRECTOR AGREEMENT
BETWEEN
CITY OF LAWRENCEVILLE AND DR. EDWARD VALENTIN.**

This Agreement is made between the City of Lawrenceville (herein called the Local Government) and Dr. Edward Valentin (herein called the Program Director) for the Lawrenceville ReCAST Grant (herein called the Project).

As the Local Government has applied for and received a Substance Abuse and Mental Health Services Administration (SAMHSA) award, Unique Federal Award Identification Number (FAIN) H79SM084920, to fund the Project with Federal Award Identification Number 5H79SM084920-05; and

As it benefits the Local Government to engage the Program Director to accomplish the Scope of Work and the objectives of the local SAMHSA project;

As the Project enters its fifth and final award year;

The parties agree that:

1. SCOPE OF SERVICES

A. Local Government Responsibilities

The Local Government is responsible for administration of the ReCAST Grant, and ensuring SAMHSA funds are used in accordance with all program requirements. The Local Government will provide such assistance and guidance to the Program Director as may be required to accomplish the objectives and conditions set forth in this Agreement. The Local Government is responsible for completing the following tasks to accomplish the objectives of the Project:

Principal Tasks

- Coordinate project service and activities, including training, communication, and information dissemination.
- Provide program leadership and oversight for the grant, data collection, and monitoring progress.

B. Program Director Responsibilities

The Program Director will complete in a satisfactory and proper manner as determined by the Local Government tasks outlined in an attached job description to accomplish the objectives outlined therein. The Program Director will periodically meet with the Local Government to review the status of these tasks.

Principal Tasks

- Tasks are outlined in the attached job description.

2. TIME OF PERFORMANCE

The effective date of this Agreement will be the date the parties sign and complete execution of this agreement.

3. AGREEMENT REPRESENTATIVES

Each party to this Agreement shall have a representative. Each party may change its representative upon providing written notice to the other party. The parties' representatives are as follows:

A. Program Director: Impact46

Name of Representative:	Edward Valentin

4. BUDGET

The Local Government will pass through to the Program Director no more than \$36,000 in SAMHSA funds for eligible incurred costs and expenses for the Project according to the project budget, incorporated herein by reference.

Any amendments to this Agreement's Budget must first be determined by the Local Government as consistent with its ReCAST contract with SAMHSA and then approved in writing by the Local Government and the Program Director.

5. PAYMENT

The Local Government shall reimburse the Program Director in accordance with the payment procedures outlined in the SAMHSA Management Handbook, Financial Management Section for all allowable expenses agreed upon by the parties to complete the Scope of Service.

Reimbursement under this Agreement will be based on billings, supported by appropriate documentation of costs actually incurred. It is expressly understood that claims for reimbursement will not be submitted in excess of actual, immediate cash requirements necessary to carry out the purposes of the agreement. Funds available under this Agreement will be utilized to supplement rather than supplant funds otherwise available.

The Local Government will monitor the performance of the Program Director by tracking project progress, reviewing payment requests for applicable costs, overseeing compliance with SAMHSA requirements, and ensuring recordkeeping and audit requirements are met. Substandard performance as determined by the Local Government will constitute noncompliance with this Agreement.

If action to correct such substandard performance is not taken by the Program Director within a reasonable period of time after being notified by the Local Government, contract suspension or termination procedures will be initiated.

7. GENERAL CONDITIONS

A. Independent Contractor

Nothing contained in this Agreement is intended to, or will be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Program Director will at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The Local Government will be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Program Director is an independent contractor.

B. Hold Harmless

The Program Director will hold harmless, defend, and indemnify the Local Government from any and all claims, actions, suits, charges, and judgments whatsoever that arise out of the Program Director's performance or

nonperformance of the services or subject matter called for in this Agreement.

C. Workers' Compensation

~~The Program Director will provide Workers' Compensation Insurance Coverage for all of its employees involved in the performance of this Agreement. Coverage will be maintained (at least) at minimum statutory limits. Evidence of Coverage will be provided to the Local Government. There is no additional named insured requirement for Worker's Compensation Coverage.~~

D. Insurance and Bonding

The Program Director will carry sufficient insurance coverage to protect contract assets from loss due to theft, fraud, and/or undue physical damage, and as a minimum will purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from the Local Government.

The Program Director shall obtain and maintain at its own expense insurance policies for general liability insurance and professional liability insurance from commercial insurance companies licensed to transact insurance in the State of Georgia in an amount not less than one million dollars (\$1,000,000) per claim and three million dollars (\$3,000,000) in the aggregate per year for each such policy and shall, upon request, provide the Local Government a copy of the certificates of insurance as evidence of such coverage which lists the Local Government as an additional named insured. If the Program Director changes insurance carriers or has the coverage described herein decreased or terminated, such party will notify in writing the Local Government at least thirty (30) days prior to the expiration or termination of the current coverage.

E. Amendments

The Local Government or Program Director may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization, and approved by the Local Government's governing body. Such amendments will not invalidate this Agreement, nor relieve or release the Local Government or Program Director from its obligations under this Agreement.

F. Suspension or Termination

The Local Government may suspend or terminate this Agreement if the Program Director materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

- i. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and SAMHSA guidelines, policies or directives as may become applicable at any time;

- ii. Failure, for any reason, of the Program Director to fulfill in a timely and proper manner its obligations under this Agreement.
- iii. Ineffective or improper use of funds provided under this Agreement; or
- iv. Submission by the Program Director to the Local Government of reports that are incorrect or incomplete in any material respect.

This Agreement may also be terminated by either the Local Government or the Program Director, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the Local Government determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the Local Government may terminate the award in its entirety.

8. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

- i. Accounting Standards
The Program Director agrees to comply with 2 CFR 200 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.
- ii. Cost Principles
The Program Director will administer its program in conformance with 2 CFR 200. These principles will be applied for all costs incurred whether charged on a direct or indirect basis.
- iii. Duplication of Costs
The Program Director certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source.

B. Documentation and Record Keeping

- i. Records to Be Maintained
The Program Director will maintain all records required by the Federal regulations that are pertinent to the activities to be funded. Such records will include but not be limited to:
 - 1. Records providing a full description of each activity undertaken;

2. Records demonstrating that each activity undertaken meets the objectives of the project;
3. Records required to determine the eligibility of activities;
4. Financial records as required by 24 CFR 570.502, and 2 CFR 200.333;
5. Other records necessary to document compliance with Subpart K of 24 CFR 570.

ii. Access to Records and Retention

The grantee and other authorized representatives of the federal government shall have access to any books, documents, papers, and records of the Program Director that are directly pertinent to this Agreement for the purposes of making audit, examination, excerpts, and transcriptions.

All such records and all other records pertinent to this Agreement and work undertaken under this Agreement will be retained by the Program Director for a period of six years after final audit of the Local Government's SAMHSA project unless a longer period is required to resolve audit findings or litigation. Additionally, if the Georgia Records Retention Act requires a longer period, then the records must be retained for that period. In such cases, the Local Government will request a longer period of record retention.

iii. Audits and Inspections

~~All Program Director records with respect to any matters covered by this Agreement will be made available to the Local Government, and duly authorized officials of the federal government, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.~~

~~Any deficiencies noted in audit reports must be fully cleared by the Program Director within 30 days after receipt by the Program Director. Failure of the Program Director to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.~~

~~The Program Director that expends \$750,000 or more in a fiscal year in federal funds from all sources hereby agrees to have an annual agency audit conducted in accordance with current Local Government policy concerning Program Director audits and 2 CFR 200.501. The Catalog of~~

~~Federal Domestic Assistance (CFDA) number is 14.228.~~

C. Reporting

i. Program Income

The Program Director will report annually all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with SAMHSA funds made available under this Agreement. The use of program income by the Program Director will comply with the requirements set forth at 24 CFR 570.504.

ii. Periodic Reports

The Program Director, at such times and in such forms as the Local Government may require, will furnish the Local Government such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement. Such reporting will include:

1. Monthly data updates to the ReCAST Lawrenceville data tracker
2. Brief milestone reports, offering a monthly update of grant-related organizational activities and progress
3. Periodic reports offered to the ReCAST Advisory Board; reporting to the Advisory Board is anticipated to be quarterly

D. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement will be in compliance with the requirements of 24 CFR 200.311 and 313, 24 CFR 570.502, 570.503, 570.504, as applicable, which include but are not limited to the following:

- i. The Program Director will transfer to the Local Government any SAMHSA funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.

9. PERSONNEL AND PARTICIPANT CONDITIONS

A. Conduct

i. Assignability

The Program Director will not assign or transfer any interest in this Agreement without the prior written consent of the Local Government thereto; provided, however, that claims for money due or to become due

to the Program Director from the Local Government under this contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer will be furnished promptly to the Local Government.

ii. Conflict of Interest

No member of the Local Government's governing body and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning or carrying out of the project, will have any personal financial interest, direct or indirect, in this Agreement; and the Program Director will take appropriate steps to assure compliance.

The Program Director agrees to abide by the provisions of 2 CFR 200.318 and 24 CFR 570.611, which include maintaining a written standard code of conduct that will govern the performance of its officers, employees, or agents engaged in the award and administration of contracts supported by Federal funds.

~~The Program Director covenants that its employees have no interest and will not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of services hereunder. The Program Director further covenants that in the performance of this Agreement, no person having such interest will be employed.~~

iii. Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions

1. The lower tier contractor certifies, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor will attach an explanation to this contract.

10. PERFORMANCE WAIVER

The Local Government's failure to act with respect to a breach by the Program Director does not waive its right to act with respect to subsequent or similar breaches. The failure of the Local Government to exercise or enforce any right or provision will not constitute a

waiver of such right or provision.

11. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between the Local Government and the Program Director for the use of funds received under this Agreement and it supersedes all prior communications and proposals, whether electronic, oral, or written between the Local Government and the Program Director with respect to this Agreement.

IN WITNESS WHEREOF, the Local Government and the Program Director have executed this Agreement as of the date and year last written below.

**SUBRECIPIENT AGREEMENT
BETWEEN
CITY OF LAWRENCEVILLE AND IMPACT 46, INC.**

This Agreement is made between the City of Lawrenceville (herein called the Local Government) and Impact46 (herein called Subrecipient) for the Lawrenceville ReCAST Grant (herein called the Project).

As the Local Government has applied for and received a Substance Abuse and Mental Health Services Administration (SAMHSA) award, Unique Federal Award Identification Number (FAIN) H79SM084920, to fund the Project with Federal Award Identification Number 5H79SM084920-05; and

As it benefits the Local Government to engage the Subrecipient to accomplish the Scope of Work and the objectives of the local SAMHSA project;

As the Project enters its fifth and final award year;

The parties agree that:

1. SCOPE OF SERVICES

A. Local Government Responsibilities

The Local Government is responsible for administration of the ReCAST Grant, and ensuring SAMHSA funds are used in accordance with all program requirements. The Local Government will provide such assistance and guidance to the Subrecipient as may be required to accomplish the objectives and conditions set forth in this Agreement. The Local Government is responsible for completing the following tasks to accomplish the objectives of the Project:

Principal Tasks

- Coordinate project service and activities, including training, communication, and information dissemination.
- Provide program leadership and oversight for the grant, data collection, and monitoring progress.
- Coordinate the Diversity and Inclusion Committee.

B. Subrecipient Responsibilities

The Subrecipient will complete in a satisfactory and proper manner as determined by the Local Government the following tasks to accomplish the objectives. The Subrecipient will periodically meet with the Local Government to review the status of these tasks.

The ReCAST budget narrative provides more explicit guidance as to both the

resource allocation and expenditure expectations of the Subrecipient.

Principal Tasks

- Case Management/Intake Specialist/Community Engagement Coordinator
- Training and delivery of Student Community Leadership Program
- Marketing/Recruitment for Summer of Impact Businesses
- Support outreach events with an organizational representative and with organizational materials

2. TIME OF PERFORMANCE

The effective date of this Agreement will be the date the parties sign and complete execution of this agreement.

3. AGREEMENT REPRESENTATIVES

Each party to this Agreement shall have a representative. Each party may change its representative upon providing written notice to the other party. The parties' representatives are as follows:

A. Subrecipient: Impact46

Name of Representative:	Jen Young
Title	Executive Director
Mailing Address:	PO Box 565
City, State, and Zip Code:	Lawrenceville, GA 30046
Telephone Number:	
Email Address:	jen@impact46.org

B. Local Government: City of Lawrenceville

Name of Representative:	Chuck Warbington
Title	City Manager
Mailing Address:	PO Box 2200
City, State, and Zip Code:	Lawrenceville, GA 30046
Telephone Number:	770-963-2414
Email Address:	chuck.warbington@lawrencevillega.org

4. **BUDGET**

The Local Government will pass through to the Subrecipient no more than \$240,000 in SAMHSA funds for eligible incurred costs and expenses for the Project according to the project budget, incorporated herein by reference.

The Local Government will require a more detailed budget breakdown, and the Subrecipient will provide such supplementary budget information in a timely fashion in the form and content prescribed by the Local Government.

Any amendments to this Agreement's Budget must first be determined by the Local Government as consistent with its ReCAST contract with SAMHSA and then approved in writing by the Local Government and the Subrecipient.

5. **PAYMENT**

The Local Government shall reimburse the Subrecipient in accordance with the payment procedures outlined in the SAMHSA Management Handbook, Financial Management Section for all allowable expenses agreed upon by the parties to complete the Scope of Service.

Reimbursement under this Agreement will be based on billings, supported by appropriate documentation of costs actually incurred. It is expressly understood that claims for reimbursement will not be submitted in excess of actual, immediate cash requirements necessary to carry out the purposes of the agreement. Funds available under this Agreement will be utilized to supplement rather than supplant funds otherwise available.

It is understood that this Agreement is funded in whole or in part with SAMHSA funds and is subject to those regulations and restrictions normally associated with federally-funded programs.

6. **PERFORMANCE MONITORING**

The Local Government will monitor the performance of the Subrecipient by tracking project progress, reviewing payment requests for applicable costs, overseeing compliance with SAMHSA requirements, and ensuring recordkeeping and audit requirements are met. Substandard performance as determined by the Local Government will constitute noncompliance with this Agreement.

If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Local Government, contract suspension or termination procedures will be initiated.

7. **GENERAL CONDITIONS**

A. Independent Contractor

Nothing contained in this Agreement is intended to, or will be construed in any

manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient will at all times remain an “independent contractor” with respect to the services to be performed under this Agreement. The Local Government will be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers’ Compensation Insurance, as the Subrecipient is an independent contractor.

B. Hold Harmless

The Subrecipient will hold harmless, defend and indemnify the Local Government from any and all claims, actions, suits, charges, and judgments whatsoever that arise out of the Subrecipient’s performance or nonperformance of the services or subject matter called for in this Agreement.

C. Workers’ Compensation

The Subrecipient will provide Workers’ Compensation Insurance Coverage for all of its employees involved in the performance of this Agreement. Coverage will be maintained (at least) at minimum statutory limits. Evidence of Coverage will be provided to the Local Government. There is no additional named insured requirement for Worker’s Compensation Coverage.

D. Insurance and Bonding

The Subrecipient will carry sufficient insurance coverage to protect contract assets from loss due to theft, fraud, and/or undue physical damage, and as a minimum will purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from the Local Government.

The Subrecipient shall obtain and maintain at its own expense insurance policies for general liability insurance and professional liability insurance from commercial insurance companies licensed to transact insurance in the State of Georgia in an amount not less than one million dollars (\$1,000,000) per claim and three million dollars (\$3,000,000) in the aggregate per year for each such policy and shall, upon request, provide the Local Government a copy of the certificates of insurance as evidence of such coverage which lists the Local Government as an additional named insured. If the Subrecipient changes insurance carriers or has the coverage described herein decreased or terminated, such party will notify in writing the Local Government at least thirty (30) days prior to the expiration or termination of the current coverage.

E. Amendments

The Local Government or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization, and approved by the Local Government’s governing body. Such amendments will not invalidate this Agreement, nor relieve or release the Local

Government or Subrecipient from its obligations under this Agreement.

F. Suspension or Termination

The Local Government may suspend or terminate this Agreement if the Subrecipient materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

- i. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and SAMHSA guidelines, policies or directives as may become applicable at any time;
- ii. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement.
- iii. Ineffective or improper use of funds provided under this Agreement; or
- iv. Submission by the Subrecipient to the Local Government of reports that are incorrect or incomplete in any material respect.

This Agreement may also be terminated by either the Local Government or the Subrecipient, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the Local Government determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the Local Government may terminate the award in its entirety.

8. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

- i. Accounting Standards
The Subrecipient agrees to comply with 2 CFR 200 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.
- ii. Cost Principles
The Subrecipient will administer its program in conformance with 2 CFR 200. These principles will be applied for all costs incurred whether charged on a direct or indirect basis.
- iii. Duplication of Costs
The Subrecipient certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other

contract, subcontract, or other source.

B. Documentation and Record Keeping

i. Records to Be Maintained

The Subrecipient will maintain all records required by the Federal regulations that are pertinent to the activities to be funded. Such records will include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets the objectives of the project;
3. Records required to determine the eligibility of activities;
4. Financial records as required by 24 CFR 570.502, and 2 CFR 200.333;
5. Other records necessary to document compliance with Subpart K of 24 CFR 570.

ii. Access to Records and Retention

The grantee and other authorized representatives of the federal government shall have access to any books, documents, papers, and records of the Subrecipient that are directly pertinent to this Agreement for the purposes of making audit, examination, excerpts, and transcriptions.

All such records and all other records pertinent to this Agreement and work undertaken under this Agreement will be retained by the Subrecipient for a period of six years after final audit of the Local Government's SAMHSA project unless a longer period is required to resolve audit findings or litigation. Additionally, if the Georgia Records Retention Act requires a longer period, then the records must be retained for that period. In such cases, the Local Government will request a longer period of record retention.

iii. Audits and Inspections

All Subrecipient records with respect to any matters covered by this Agreement will be made available to the Local Government, and duly authorized officials of the federal government, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

Any deficiencies noted in audit reports must be fully cleared by the

Subrecipient within 30 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.

The Subrecipient that expends \$750,000 or more in a fiscal year in federal funds from all sources hereby agrees to have an annual agency audit conducted in accordance with current Local Government policy concerning Subrecipient audits and 2 CFR 200.501. The Catalog of Federal Domestic Assistance (CFDA) number is 14.228.

C. Reporting

i. Program Income

The Subrecipient will report annually all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with SAMHSA funds made available under this Agreement. The use of program income by the Subrecipient will comply with the requirements set forth at 24 CFR 570.504.

ii. Periodic Reports

The Subrecipient, at such times and in such forms as the Local Government may require, will furnish the Local Government such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement. Such reporting will include:

1. Monthly data updates to the ReCAST Lawrenceville data tracker
2. Brief milestone reports, offering a monthly update of grant-related organizational activities and progress
3. Periodic reports offered to the ReCAST Advisory Board; reporting to the Advisory Board is anticipated to be quarterly

D. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement will be in compliance with the requirements of 2 CFR 200.311 and 313, 24 CFR 570.502, 570.503, 570.504, as applicable, which include but are not limited to the following:

- i. The Subrecipient will transfer to the Local Government any SAMHSA funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or

termination.

9. PERSONNEL AND PARTICIPANT CONDITIONS

A. Conduct

i. Assignability

The Subrecipient will not assign or transfer any interest in this Agreement without the prior written consent of the Local Government thereto; provided, however, that claims for money due or to become due to the Subrecipient from the Local Government under this contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer will be furnished promptly to the Local Government.

ii. Conflict of Interest

No member of the Local Government's governing body and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning or carrying out of the project, will have any personal financial interest, direct or indirect, in this Agreement; and the Subrecipient will take appropriate steps to assure compliance.

The Subrecipient agrees to abide by the provisions of 2 CFR 200.318 and 24 CFR 570.611, which include maintaining a written standard code of conduct that will govern the performance of its officers, employees, or agents engaged in the award and administration of contracts supported by Federal funds.

The Subrecipient covenants that its employees have no interest and will not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of services hereunder. The Subrecipient further covenants that in the performance of this Agreement, no person having such interest will be employed.

iii. Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions

1. The lower tier contractor certifies, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor will attach an explanation to this contract.

10. **PERFORMANCE WAIVER**

The Local Government’s failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the Local Government to exercise or enforce any right or provision will not constitute a waiver of such right or provision.

11. **ENTIRE AGREEMENT**

This Agreement constitutes the entire agreement between the Local Government and the Subrecipient for the use of funds received under this Agreement and it supersedes all prior communications and proposals, whether electronic, oral, or written between the Local Government and the Subrecipient with respect to this Agreement.

E. Amendments

The Local Government or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization, and approved by the Local Government’s governing body. Such amendments will not invalidate this Agreement, nor relieve or release the Local Government or Subrecipient from its obligations under this Agreement.

F. Suspension or Termination

The Local Government may suspend or terminate this Agreement if the Subrecipient materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

- i. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and SAMHSA guidelines, policies or directives as may become applicable at any time;
- ii. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement.
- iii. Ineffective or improper use of funds provided under this Agreement; or
- iv. Submission by the Subrecipient to the Local Government of reports that are incorrect or incomplete in any material respect.

This Agreement may also be terminated by either the Local Government or the Subrecipient, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the Local Government determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the Local Government may terminate the award in its entirety.

8. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

- i. Accounting Standards
The Subrecipient agrees to comply with 2 CFR 200 and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.
- ii. Cost Principles
The Subrecipient will administer its program in conformance with 2 CFR 200. These principles will be applied for all costs incurred whether charged on a direct or indirect basis.
- iii. Duplication of Costs
The Subrecipient certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source.

B. Documentation and Record Keeping

i. Records to Be Maintained

The Subrecipient will maintain all records required by the Federal regulations that are pertinent to the activities to be funded. Such records will include but not be limited to:

1. Records providing a full description of each activity undertaken;
2. Records demonstrating that each activity undertaken meets the objectives of the project;
3. Records required to determine the eligibility of activities;
4. Financial records as required by 24 CFR 570.502, and 2 CFR 200.333;
5. Other records necessary to document compliance with Subpart K of 24 CFR 570.

ii. Access to Records and Retention

The grantee and other authorized representatives of the federal government shall have access to any books, documents, papers, and records of the Subrecipient that are directly pertinent to this Agreement for the purposes of making audit, examination, excerpts, and transcriptions.

All such records and all other records pertinent to this Agreement and work undertaken under this Agreement will be retained by the Subrecipient for a period of six years after final audit of the Local Government's SAMHSA project unless a longer period is required to resolve audit findings or litigation. Additionally, if the Georgia Records Retention Act requires a longer period, then the records must be retained for that period. In such cases, the Local Government will request a longer period of record retention.

iii. Audits and Inspections

All Subrecipient records with respect to any matters covered by this Agreement will be made available to the Local Government, and duly authorized officials of the federal government, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within 30 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will

constitute a violation of this Agreement and may result in the withholding of future payments.

The Subrecipient that expends \$750,000 or more in a fiscal year in federal funds from all sources hereby agrees to have an annual agency audit conducted in accordance with current Local Government policy concerning Subrecipient audits and 2 CFR 200.501. The Catalog of Federal Domestic Assistance (CFDA) number is 14.228.

C. Reporting

i. Program Income

The Subrecipient will report annually all program income (as defined at 24 CFR 570.500(a)) generated by activities carried out with SAMHSA funds made available under this Agreement. The use of program income by the Subrecipient will comply with the requirements set forth at 24 CFR 570.504.

ii. Periodic Reports

The Subrecipient, at such times and in such forms as the Local Government may require, will furnish the Local Government such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement. Such reporting will include:

1. Monthly data updates to the ReCAST Lawrenceville data tracker
2. Brief milestone reports, offering a monthly update of grant-related organizational activities and progress
3. Periodic reports offered to the ReCAST Advisory Board; reporting to the Advisory Board is anticipated to be quarterly

D. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement will be in compliance with the requirements of 2 CFR 200.311 and 313, 24 CFR 570.502, 570.503, 570.504, as applicable, which include but are not limited to the following:

- i. The Subrecipient will transfer to the Local Government any SAMHSA funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.

9. PERSONNEL AND PARTICIPANT CONDITIONS

A. Conduct

i. Assignability

The Subrecipient will not assign or transfer any interest in this Agreement without the prior written consent of the Local Government thereto; provided, however, that claims for money due or to become due to the Subrecipient from the Local Government under this contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer will be furnished promptly to the Local Government.

ii. Conflict of Interest

No member of the Local Government's governing body and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning or carrying out of the project, will have any personal financial interest, direct or indirect, in this Agreement; and the Subrecipient will take appropriate steps to assure compliance.

The Subrecipient agrees to abide by the provisions of 2 CFR 200.318 and 24 CFR 570.611, which include maintaining a written standard code of conduct that will govern the performance of its officers, employees, or agents engaged in the award and administration of contracts supported by Federal funds.

The Subrecipient covenants that its employees have no interest and will not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of services hereunder. The Subrecipient further covenants that in the performance of this Agreement, no person having such interest will be employed.

iii. Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions

1. The lower tier contractor certifies, by signing this contract that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. Where the lower tier contractor is unable to certify to any of the statements in this contract, such contractor will attach an

explanation to this contract.

10. **PERFORMANCE WAIVER**

The Local Government’s failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the Local Government to exercise or enforce any right or provision will not constitute a waiver of such right or provision.

11. **ENTIRE AGREEMENT**

This Agreement constitutes the entire agreement between the Local Government and the Subrecipient for the use of funds received under this Agreement and it supersedes all prior communications and proposals, whether electronic, oral, or written between the Local Government and the Subrecipient with respect to this Agreement.

IN WITNESS WHEREOF, the Local Government and the Subrecipient have executed this Agreement as of the date and year last written below.

AGENDA REPORT

MEETING: REGULAR MEETING, NOVEMBER 19, 2025

AGENDA CATEGORY: CONSENT AGENDA

Item:	Professional Services for Springlake Road at Paper Mill Road Roundabout
Department:	Engineering
Date of Meeting:	Wednesday, November 19, 2025
Fiscal Impact:	\$232,573.00
Presented By:	Reginald Anderson, Public Works Director
Action Requested:	Award Professional Services for Springlake Road at Paper Mill Road Roundabout to Kimley-Horn, amount not to exceed \$232,573.00 and authorize the Mayor or City Manager to execute the agreement subject to review and approval of the City Attorney.

Summary: The City of Lawrenceville has requested transportation engineering design services to convert the intersection of Springlake Road at Paper Mill Road to a roundabout. The proposal consists of data collection and survey, concept & final designs, bidding, and construction support. The proposed roadway improvements will meet Gwinnett County, GDOT, AASHTO, and MUTCD roadway design standards.

Background: The existing intersection is a T-intersection with Paper Mill Road as both the west and south legs and Springlake Road as the east leg. Northbound traffic on Paper Mill Road has a yielding right turn lane and a stop controlled left turn lane. Eastbound Paper Mill Road has one through lane and a yielding right turn lane, while westbound Springlake Road consists of a single through lane and a left turn lane.

Re: Letter Agreement for Professional Services for
Springlake Road at Paper Mill Road Roundabout Design

Dear Chuck:

Kimley-Horn and Associates, Inc. ("Kimley-Horn" or "Consultant") is pleased to submit this Letter Agreement (the "Agreement") to the City of Lawrenceville ("Client") for providing professional engineering services for a Roundabout at the intersection of Springlake Road at Paper Mill Road.

Project Understanding

The intersection of Springlake Road @ Paper Mill Road was identified by the City as an intersection to be studied for conversion to a roundabout. Kimley-Horn performed a feasibility study, dated February 3, 2025, and developed two (2) roundabout concept geometries for the subject intersection. The concept geometries are single lane roundabouts with the option to be expandable to hybrid multilane roundabouts. The City has requested Kimley-Horn provide engineering design phase services for the City's preferred roundabout concept geometry produced from the feasibility study.

The Consultant's scope of services, fee, and schedule are as follows:

Scope of Services

Kimley-Horn will provide the services specifically set forth below.

SPRINGLAKE ROAD AT PAPER MILL ROAD

Task 1 – Data Collection, SUE QL-B, SUE QL-A and Topographic Survey

Kimley-Horn is partnering with Rochester & Associates | DCCM, who will provide topographic survey for the project area at the intersection of Springlake Road at Papermill Road and prepare the corresponding database in MicroStation ORD format. The survey database will be approximately 925-feet along Paper Mill Road at a width of approximately 200-feet and will extend approximately 650-feet down Springlake Road. The survey will be prepared by a duly registered land surveyor and complete a field review of the survey database while performing a quality control review of the deliverables for general compliance in accordance with the most current Minimum Technical Standards of Georgia Survey Law.

Survey data will consist of edge of pavement, roadway crown, curb and gutter, front and back of existing sidewalk and hardscape areas, building corners, trees with type and caliper size, driveway limits, retaining walls, existing street and business signage limits to scale, visible above ground utilities, and existing top and invert information for storm drain and sanitary sewer structures, pipe size and material as evident from structure connections and traced to outfalls.

Subsurface Utility Exploration Quality Level-B services to locate and mark traceable subsurface utilities within the survey database limits will be included. Also, up to three (3) SUE Quality Level-A test holes will be included.

Rochester and Associates will also provide exhibits for required ROW and easement and legal descriptions for each parcel requiring ROW and easements.

Task 1A – Concept Validation

Based on the information provided by the City for the proposed developments adjacent to the intersection, Kimley-Horn will revise the operational analysis performed in the feasibility study to determine if the changes in traffic volume or driveway locations warrant any changes to the concept layouts. Kimley-Horn will implement these changes and submit a revised analysis (if needed) to the city prior to the concept validation meeting.

Up to two Kimley-Horn staff members will meet with the City to review the two proposed concept alternatives developed from the feasibility study. The meeting will be used to decide which alternative to proceed to final design.

Once final geometry is determined by the City, Kimley-Horn will prepare a preliminary light pole layout for the subject intersection. Kimley-Horn will coordinate with the City to determine preferred light pole fixtures and wattage to proceed with producing a photometric design layout. The design will ensure proper illuminance is provided for pedestrians and vehicles traveling through the roundabout intersection. Lighting design and construction documentation to be completed in Task 2.

Upon receipt of the topographic survey files, Kimley-Horn will review and format the data to comply with the required specifications to comply with the design software.

Once final decisions and geometry are completed, Kimley-Horn will determine an updated engineer's opinion of probable construction cost. Representatives from Kimley-Horn will attend one (1) meeting, to review the final changes made with the City for final concurrence, before proceeding to Task 2.

Task 2 - Construction Plans, OPCC, and Specifications

This task consists of development of roadway construction plan documents for the proposed roadway improvements. Kimley-Horn will advance design and plan preparation of the roadway improvements in accordance with the GDOT Plans Preparation Guide. The construction drawings will be prepared at a scale of 1" = 20'.

The roadway construction drawings will consist of the following:

- Cover
- Index
- General Notes
- Typical Sections
- Summary of Quantities
- Construction Layout Plan

- Mainline Construction Plans
- Roadway Profiles
- Driveway Profiles (if required)
- Special Grading Plans
- Staging Plan Schematic – Options to be presented:
 - Option 1: maintain traffic onsite.
 - Option 2: utilize offsite detour.
- Drainage Area Map (if required)
- Drainage Profiles (if required)
- Cross sections (at 50' intervals)
- Utility Plans
 - Kimley-Horn will submit one (1) utility submittal to utility providers to verify their facilities and identify any needed relocations. Relocations will be designed by utility providers and incorporated into the plans as a courtesy. Any relocation agreements and permits will be the responsibility of the utility owner and the City.
- Lighting Plans & Details
 - Kimley-Horn will submit photometric plan with lighting layout, wire schedule, and details.
- Signing and Marking Plans
- Landscaping Plans (if required)
- Wall Envelopes (if required)
 - It is assumed that any walls will be standard GDOT walls. No special design walls are anticipated.
- Erosion Control BMP Location Plans
 - It is understood the improvement will have land disturbance (more than one (1) acre) and NPDES plans will be required.
 - Kimley-Horn will assist the City with preparation of the Notice of Intent (NOI)
- Preliminary Right of Way Plans – Including data tables (if required)

Kimley-Horn will develop an opinion of probable construction cost (OPCC) using GDOT pay item format and will develop a Construction Plan set for review by the City. We will address two (2) rounds of comments (90% and 100%). Georgia Department of Transportation (GDOT) and Gwinnett County construction details and standard specifications will be referenced, where applicable. Consultant will prepare special provisions or supplemental specifications for items that are not covered by the standard GDOT, current edition, or Gwinnett County specifications. All submittals are anticipated to be provided in electronic format (PDF or DGN, as appropriate). No hardcopy submittals are anticipated in this Scope of Services.

Anticipated permit approvals in this phase consist of a City of Lawrenceville Land Disturbance Permit (LDP). Additional permits, beyond those specifically described herein, will be considered Additional Services. The Consultant is not responsible for fees associated with any permits.

Task 3 – Bidding Support

Kimley-Horn will provide construction quantities for the City's bid documents. Kimley-Horn will attend one (1) Pre-Bid Meeting and assist the City in preparing responses to bidder's questions during the bidding period. Kimley-Horn will also support up to two (2) addenda during bidding. The City will prepare the contract documents based on the City's standard templates and will reference the construction plans, Georgia Department of Transportation's (GDOT) 2021 Standard Specifications, or then current version, and related GDOT Special Provisions, collectively the "Contract Documents".

Task 4 – Construction Support

Kimley-Horn will respond to three (3) reasonable and appropriate Contractor RFIs made in accordance with the Contract Documents and issue necessary clarifications and interpretations for design related elements. Kimley-Horn will evaluate and determine the acceptability of substitute or "or-equal/equivalent" materials and equipment proposed by the Contractor in accordance with the Contract Documents. Any orders authorizing variations from the Contract Documents will be made only by the City.

Kimley-Horn will attend one (1) on-site Pre-Construction Meeting conducted by the City before the start of construction. Kimley-Horn will attend up to nine (9) construction coordination meetings via Microsoft Teams. The Consultant's roadway design staff will be available during coordination meetings to answer design related questions that may arise during construction. Consultant will perform initial 7-day inspection of BMP's installed by contractor according to the approved LDP and erosion, sedimentation, and pollution control plan. This inspection is assumed to occur once, not over the course of multiple phases.

Kimley-Horn will review Shop Drawings, which the Contractor is required to submit, for general conformance with construction plans, current GDOT Standard Specifications, and maintaining agency preferences. Such review and any action taken in response will not extend to means, methods, techniques, equipment choice and usage, schedules, or procedures of construction or to related safety programs. Any action in response to a Shop Drawing will not constitute a change in the Contract Documents. Kimley-Horn will add the following stamp to reviewed shop drawings with the applicable action or position indicated and return to the City:

- | | |
|---|--|
| ☐ No Exceptions Taken | ☐ Revise and Resubmit |
| ☐ Exceptions Noted | ☐ Rejected |
| ☐ For Information Only | |

Our limited review is only for conformance with the design concept of the project and general compliance with the information given in the Plans and Specifications. Contractor is responsible for: dimensions to be confirmed and correlated at the job site, information that pertains to the fabrication processes or to techniques of construction, quantities, safety, coordination with other work, and for conformance to the requirements of the plans and specifications. Review does not authorize changes to the contract unless stated specifically in a separate letter or change order.

KIMLEY-HORN AND ASSOCIATES, INC.

Date _____ By _____

After construction is completed, Kimley-Horn will partner with Rochester DCCM to provide as-built drawings. Rochester will prepare a survey of new/updated improvements of the corridor including streets, sanitary sewer, storm sewer and above ground utilities. As-built drawings will be completed to the "Minimum Technical Standard requirements for the State of Georgia".

Kimley-Horn shall have no responsibility for any contractor's means, methods, techniques, equipment choice and usage, equipment maintenance and inspection, sequence, schedule, safety programs, or safety practices, nor shall Kimley-Horn have any authority or responsibility to stop or direct the work of any contractor. Kimley-Horn's reviews or visits will be for the purpose of observing construction and reporting to the Client whether the contractors' work generally conforms to the construction documents prepared by the City. Kimley-Horn neither guarantees the performance of contractors, nor assumes responsibility for any contractor's failure to perform its work in accordance with the contract documents.

Additional Services

Any services not specifically provided for in the above scope will be billed as additional services and performed at our then current hourly rates. Additional services we can provide include, but are not limited to, the following:

- Geotechnical services
- ESA Hazmat/UST studies
- Signal design
- US Army Corps of Engineers 404 Permitting
- Signal Permitting with GDOT
- Structural design
- MS4 Analysis and BMP Design
- Preparation of environmental special studies and/or NEPA/GEPA documentation
- Determination of size, depth, and pressure of water, force main, or gas mains
- Determination of size & depth for electric, phone & cable lines
- Proposed centerline staking
- Additional parcel boundary surveys
- Utility relocation design services
- CLOMR/LOMR services
- Construction Phase services including but not limited to general observation, material certification, RFI responses during construction, monthly progress meetings, and review of pay applications
- Value Engineering Services
- Public Information Open House

Information Provided By Client

We shall be entitled to rely on the completeness and accuracy of all information provided by the Client or the Client's consultants or representatives. The Client shall provide all information requested by Kimley-Horn during the project, including but not limited to the following:

- Access to available City of Lawrenceville and Gwinnett County GIS
- Bid document preparation services
- Survey files and records of property already acquired by the City
- Traffic Impact Analysis for adjacent proposed developments

Schedule

Consultant will provide services based on the following schedule assumptions, assuming orderly progress of tasks from NTP through completion of services:

(1) NTP	Approximately October 01, 2025
(2) Data Collection	Approximately December 03, 2025
(3) Construction Plans, OPCC, & Specs	Approximately May 6, 2026

Schedule assumptions above will require extension if the assumed NTP or maximum review duration is extended.

Fee and Expenses

Kimley-Horn will perform the services in Tasks 1-4 on a label fee plus expenses basis with the maximum labor fee shown below.

Task Number & Name		Fee	Type
1*	Data Collection, SUE QL-B, SUE QL-A, and Topographic Survey	\$32,129.00	Hourly, Not-to-Exceed

2	Construction Plans, OPCC, and Specifications	\$149,700.00	Hourly, Not-to-Exceed
3	Bidding Support	\$7,236.00	Hourly, Not-to-Exceed
4**	Construction Support	\$25,242.00	Hourly, Not-to-Exceed
Total		\$232,573.00	
*sub consultant fee **Include \$8,500 sub consultant fee for as-built drawings			

Kimley-Horn will not exceed the total maximum labor fee shown without authorization from the Client. However, Kimley-Horn reserves the right to reallocate amounts among tasks as necessary.

Labor fee will be billed based on current master contract hourly rates established in our 2025 renewal. Administrative time related to the project may be billed hourly. All permitting, application, and similar project fees will be paid directly by the Client. Should the Client request Kimley-Horn to advance any such project fees on the Client's behalf, an invoice for such fees, with a fifteen percent (15%) markup, will be immediately issued to and paid by the Client.

Payment will be due within 25 days of your receipt of the invoice and should include the invoice number and Kimley-Horn project number.

Closure

Kimley-Horn, in an effort to expedite invoices and reduce paper waste, submits invoices via email in a PDF. We can also provide a paper copy via regular mail if requested. Please include the invoice number and Kimley-Horn project number with all payments.

To proceed with the services, please have an authorized person sign this Agreement below and return to us. We will commence services only after we have received a fully-executed agreement. Fees and times stated in this Agreement are valid for sixty (60) days after the date of this letter.

We appreciate the opportunity to provide these services. Please contact me if you have any questions.

Sincerely,

KIMLEY-HORN AND ASSOCIATES, INC.

AGENDA REPORT

MEETING: REGULAR MEETING, NOVEMBER 19, 2025

AGENDA CATEGORY: CONSENT AGENDA

Item:	Lawrenceville Arts Center Audio Visual System for Conference Rooms
Department:	Information Technology
Date of Meeting:	Wednesday, November 19, 2025
Fiscal Impact:	\$155,035.76
Presented By:	Kyle Parker, Information Technology Director
Action Requested:	Approval to award the Lawrenceville Arts Center Audio Visual System for Conference Rooms project to Solutionz, Inc. under Georgia Statewide Contract #99999-SPD-SPD0000210-0016, in an amount not to exceed \$155,035.76, and to authorize the Mayor to execute any necessary agreements with Solutionz, Inc., pending the City Attorney's review and approval.

Summary: Approval of a contract award to Solutionz, Inc. for design, installation, programming, and commissioning of a new Audio Visual System for the Lawrenceville Arts Center's divisible conference rooms (Rooms 101 and 102). The project will create a modern, easy-to-use environment for City staff and external clients to conduct meetings, events, and presentations with reliable audio and video capabilities in both combined and separated room configurations.

Background: The Lawrenceville Arts Center requires a professional-grade AV system that supports presentations, videoconferencing, and hybrid meetings. The two adjacent conference rooms can function independently or as a single large meeting space. Each room will feature wall-mounted LED displays (136" and 110"), in-ceiling speakers, wireless microphones, ceiling array microphones for audience capture, HD cameras for Zoom/Teams, and on-wall touch controllers for system management.

Solutionz, Inc. was selected through the State of Georgia's cooperative purchasing contract to ensure competitive pricing and compliance with procurement requirements.

The proposed system prioritizes simplicity, flexibility, and reliability, ensuring both City staff and public users can easily operate the equipment without technical assistance. The system's design also maintains the room's architectural appeal while integrating the latest in Crestron, LG, Biamp, Shure, and Sennheiser technologies.

Solutionz will provide on-site training, quick reference materials, and a 12-month integrated support plan that includes 24/7 remote technical assistance, unlimited on-site service for issues, and expedited replacement of failed hardware.

Purpose

To implement a fully integrated, user-friendly AV system that enhances functionality, supports virtual and hybrid meetings, and ensures the City's premier Arts Center is equipped for professional presentations and public events.

Project Work Scope

The awarded contract covers design, engineering, project management, installation, programming, testing, commissioning, and as-built documentation. Equipment includes:

- 136" and 110" LG LED displays
- Crestron network AV system with in-room touch controllers
- Shure ceiling array microphones and Sennheiser wireless systems
- Biamp Tesira digital signal processing
- Full integration for both independent and combined room modes

Solutionz will also provide training for staff and one year of on-site and remote support coverage.

Procurement Method

This purchase is being made under the Georgia Statewide Contract #99999-SPD-SPD0000210-0016, which satisfies competitive bidding requirements and provides pre-negotiated pricing and terms for audiovisual systems and services.

Conclusion

Awarding this contract ensures the City's conference facilities at the Lawrenceville Arts Center are equipped with a reliable, modern audiovisual system that supports the City's operational and community engagement needs.

Fiscal Impact: The total cost for design, equipment, installation, and support is \$155,035.76.

SOLUTIONZ

Dear Valued Customer,

Thank you for trusting Solutionz with your project. Our goal is to deliver top-notch, innovative solutions tailored to your needs. We know that the current economic climate, with ongoing tariff changes and market fluctuations, creates uncertainty. We truly understand how pricing changes can be challenging.

That said, these shifts affect us all financially. To ensure fairness and clarity, our proposals include the following terms:

- **Price Adjustments:** If product costs change before we place orders with our suppliers, Solutionz reserves the right to update our pricing to you in a corresponding manner.
- **Stored Goods:** While our goal is to order your equipment in an appropriate time to meet your project's needs, the current economic climate may force us jointly to order your product early to avoid price increases. If Solutionz, with your consent, makes product purchases early to preserve pricing, we will ask that you take title to and pay for the product at the time of purchase. Solutionz will store the product in our warehouse for a reasonable period without charge. Should Solutionz hold your product in our warehouses for an extended period prior to deployment, Solutionz may be forced to charge a storage fee or ask you to take delivery. If this occurs, we will notify you immediately.
- **Open Communication:** We are committed to keeping you informed about any significant changes that might impact your project's pricing.

We appreciate your understanding as we navigate these shared challenges. Please feel free to reach out with any questions or concerns. We look forward to a successful partnership.

Sincerely,

Bill Warnick

Bill Warnick, Chief Executive Officer

System Functionality and Client Scope Overview

The City of Lawrenceville Arts Center requires a reliable and user-friendly AV environment in the new space, with features that can be used by staff and external clients to host events and meetings in the new divisible conference room.

This summary explains the essential equipment being installed and programmed, and the critical aspects of the functionality.

Environment

The subject room is a large and appealing space that can be configured to be used as one room, with the divisible wall open, or as two separate rooms, with the divisible wall closed.

The AV system will support meetings and events in both spaces in separate mode, as well as in the combined mode, with identical features available to the users for either configuration

The rooms are numbered as 101 and 102 in the plans, with 101 being slightly larger than 102. Each room will have significant architectural features. The AV system will not hinder those architectural features or detract from the visual appeal of the spaces.

Simplicity and ease of use have been the key design goals here, knowing that both the City and Clients will need to be able to use the system with minimal understanding of technical devices.

Overview

Each room will be equipped with LED displays to match the size of the room. Room 101 requires a 136" Direct View LED panel, while Room 102 requires a smaller 110" LED panel.

Each room, (101 and 102) will also be equipped with:

- In-ceiling recessed full spectrum speakers
- Wireless systems for presentations and videoconferencing hosted by the user's laptops
- Wireless (hand held and body pack) microphones for in-room presentations
- Dual HD cameras for hosting Zoom/Teams sessions from the user's laptops
- An in-ceiling microphone array to capture the audience during Zoom/Teams sessions
- An on-wall 10" LCD touch controller to manage the functions of the room
- An in-wall plate to allow for wired connections from the user's laptops

User Scenarios

Users will come to the room, start the system by touching either control panel (101 or 102) and begin.

They will be asked if they are going to use the room(s) in a combine mode or separately.

They will then be asked if they are going to be simply present content in the room or if they will be using the videoconferencing system.

Depending on their selections, they will be provided with simple step by step instructions on how to use the system.

These instructional steps will be designed by Solutionz with the active participation of the City's team, assuring that the controls and features match the environment and the City's expectations.

Support

Solutionz will provide extensive training by our adoption team after the system is installed.

Solutionz will also develop and deliver a quick reference guide specifically designed for this installation.

Following the training, Solutionz will provide the following for one full year:

- ☐ 24/7/365 remote tech support and troubleshooting via email, phone or video.
- ☐ Remote support with end user training questions.
- ☐ Unlimited on-site tech support in response to trouble tickets once remote troubleshooting reveals what's needed.
- ☐ Prioritized scheduling of our dedicated National Field Technicians
- ☐ Expedited advance parts replacements in case of hardware failure.
- ☐ Programming updates to preserve the original functionality.
- ☐ Dedicated Customer Success Manager to ensure we not only meet/exceed expectations.

AGENDA REPORT

MEETING: REGULAR MEETING, NOVEMBER 19, 2025

AGENDA CATEGORY: CONSENT AGENDA

Item:	Intergovernmental Agreement (IGA) with the City of Mulberry to Address SB 139 Legislative Annexation of City of Lawrenceville Parcel R5179-296
Department:	City Administration
Date of Meeting:	Wednesday, November 19, 2025
Fiscal Impact:	N/A
Presented By:	Chuck Warbington, City Manager
Action Requested:	Approval of the Intergovernmental Agreement (IGA) with the City of Mulberry to address SB 139 Legislative Annexation of City of Lawrenceville Parcel R5179-296 and authorization for the Mayor to execute the agreement subject to review and approval of the City Attorney.

Summary: In the 2025 Georgia Legislative Session, SB 139 annexed multiple unincorporated Gwinnett County properties into the City of Mulberry. Parcel R5179-296, currently in the City of Lawrenceville, was incorrectly listed in the parcels to be annexed. This IGA addresses the following:

1. Both Cities jointly agree to request the Georgia General Assembly to adopt legislation during the 2026 session to confirm that the above named parcel is not part of the City of Mulberry and will remain within the boundaries of the City of Lawrenceville.
2. Until this is corrected by the Legislature, both Cities agree that the City of Lawrenceville will provide normal City services to this parcel.
3. Both Cities agree that the City of Lawrenceville shall be entitled to charge and receive fees and taxes for this parcel.

INTERGOVERNMENTAL AGREEMENT

This INTERGOVERNMENTAL AGREEMENT (“IGA”) is made and entered into as of the ____ day of _____, 2025, by and between the CITY OF LAWRENCEVILLE, GEORGIA, a Georgia municipal corporation in the State of Georgia (“Lawrenceville”), and the CITY OF MULBERRY, GEORGIA, a Georgia municipal corporation in the State of Georgia (“Mulberry”).

W I T N E S S E T H:

WHEREAS, the Georgia General Assembly adopted Senate Bill 139 on March 13, 2025, and

WHEREAS, the Governor of Georgia signed Senate Bill 139 on May 14, 2025, and the legislation became effective on that date; and

WHEREAS, Senate Bill 139 added certain properties to the corporate boundaries of Mulberry; and

WHEREAS, Senate Bill 139 contained a typographical error in line 290 of the legislation that incorrectly identified a parcel of property by reference to a Deed Book and page number of the Gwinnett County deed records; and

WHEREAS, the typographical error incorrectly identified a parcel of land known as Gwinnett County Tax parcel R5179-296 which property is located within the geographic boundaries of Lawrenceville as a parcel of land to be annexed into Mulberry; and

WHEREAS, Lawrenceville and Mulberry desire to address how to deal with this typographical error in the legislation;

NOW, THEREFORE, for and in consideration of the mutual promises and covenants set forth herein, the amounts set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Lawrenceville and Mulberry do hereby agree as follows:

1. Lawrenceville and Mulberry shall jointly request that the General Assembly adopt such legislation during the 2026 session as required to confirm that Gwinnett County Tax parcel R5179-296 is not part of Mulberry and that the property will continue to be located within the boundaries of Lawrenceville.
2. Until the legislation referenced in paragraph 1 is adopted and becomes effective, Lawrenceville and Mulberry agree that Lawrenceville will continue to provide all municipal

services for the property known as Gwinnett County Tax parcel R5179-296, including, but not limited to, garbage collection, stormwater services, code enforcement, police protection, municipal gas and electric utilities, and shall be entitled to charge and receive and fees associated with providing these municipal services.

3. Lawrenceville shall be entitled to collect City ad valorem taxes for Gwinnett County Tax parcel R5179-296 for the year 2025 and all subsequent years.

4. The elected officials, appointed officials and city attorneys for Lawrenceville and Mulberry are authorized and directed to take all actions necessary to carry out the intent of this Intergovernmental Agreement.

5. This IGA and the rights and obligations of the parties hereto shall be governed, construed and interpreted according to the laws of the State of Georgia.

6. This IGA expresses the entire understanding and agreement between the parties hereto.

7. The invalidity of any one or more phrases, sentences, clauses or sections contained in this IGA shall not affect the remaining portions of this IGA or any part thereof.

8. This IGA may be executed in several counterparts, each of which shall be an original, and all of which shall constitute one and the same instrument.

9. No waiver, amendment, release, modification of this IGA shall be effective unless made in writing and executed by both parties hereto and properly approved in accordance with the provisions of Georgia law.

CONTRACT FOR PURCHASE AND SALE

STATE OF GEORGIA
GWINNETT COUNTY

THIS IS A CONTRACT for the purchase and sale of certain real estate by and between **KUAN LING HUNG** (hereinafter called "Seller"), and the **CITY OF LAWRENCEVILLE, GEORGIA** (hereinafter called "Buyer") a Georgia Municipal Corporation.

In consideration of the amounts set forth herein, the mutual covenants herein contained, and other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Agreement to Buy and Sell.

(a) Seller hereby agrees to sell and Buyer hereby agrees to buy approximately 1.04+/- acres of property known as 390 West Pike Street (Tax Parcel #5143 274) together with all rights, members, appurtenances and improvements thereto set forth herein. (the Property).

2. Purchase Price.

(a) The purchase price for the Property shall be ~~SIXTY EIGHT THOUSAND~~ ^{EW KLH} ~~DOLLARS AND ZERO CENTS (\$68,000.00).~~ ^{Eighty One THOUSAND Eight HUNDRED} ~~\$68,000.00~~ ^{SIXTY} ~~EW KLH~~ ^{EIGHT} ^{DOLLARS}

(b) The purchase price shall be paid in all cash at closing. Buyer shall receive credit for the earnest money paid hereunder.

3. Seller's Warranties and Representations.

(a) Seller hereby warrants and represents that to the actual knowledge of the Seller, without any independent investigation (which warranties and representations shall be effective as of the date of Closing) the following: That

- i) Seller has good, insurable and marketable title to the Property, free and clear of all liens, encumbrances and restrictive covenants other than zoning ordinances affecting said Property and recorded general utility easements, restrictions and covenants serving or affecting the Property.
- ii) there are no special assessments against or relating to the Property.
- iii) no goods or services have been contracted for or furnished to the Property which might give rise to any mechanic's liens affecting all or any part of the Property.

- iv) Seller has not entered into any outstanding agreements of sale, leases, options or other rights of third parties to acquire an interest in the Property other than disclosed herein.

Seller shall not further encumber the Property or allow an encumbrance upon the title to the Property or modify the terms or conditions of any existing leases, contracts or encumbrances, if any, without the written consent of Buyer. Buyer acknowledges that Seller may encumber the Property provided that the encumbrance contains a provision that the Property will be released free and clear of encumbrance at or before closing for an amount less than the Purchase Price.

- v) Seller has not entered into any agreements with any state, county or local governmental authority or agency which are not of record with respect to the Property, other than those approved in writing by Buyer.
- vi) there are no encroachments upon the Property.
- vii) Seller has full power to sell, convey, transfer and assign the Property on behalf of all parties having an interest therein.
- viii) Seller has not received any notice of violation or any laws, rules or regulations regulating hazardous materials or any request for information from any federal, state or local governmental authority concerning hazardous materials and hazardous materials contamination on the Property. The Property neither is currently on, nor has the Property ever been on, any federal or state "Superfund" or "Superlien" list.
- ix) the Property contains no burial ground, burial object or cemetery as defined in O.C.G.A. § 36-72-2 which would subject the Property to the provisions of the Abandoned Cemeteries and Burial Grounds Act (O.C.G.A. § 36-72-1 et seq.). There are no burial grounds, burial objects, cemeteries, sites or structures of historical significance located on the Property that development of the Property would be restricted or require any special approval.
- x) the execution nor delivery of this Agreement or the consummation of the transactions completed by this Agreement will not (i) conflict with or result in a breach of the terms, conditions, or provisions of or constitute a default under any agreement or instrument to which Seller is a party; or (ii) violate any restriction to which Seller is subject; or (iii) result in the creation of any lien, charge, or encumbrance on the Property.

The purchase of the Property is contingent upon the substantial accuracy of the Seller's material representations and warranties.

4. Inspection and Deliverables.

(a) For a period from the Effective Date of this Agreement through and until 45 days from the execution of this Agreement, Buyer and Buyer's engineers, surveyors, agents and representatives shall have the right to go on the Property to inspect, examine and survey the same and otherwise do what is reasonably necessary to determine the boundaries of the Property and to make all necessary tests to verify the accuracy of the warranties of Seller with respect to the condition of the Property and to determine the suitability of the Property for Buyer's intended use. To the extent permitted by law, if any, Buyer shall indemnify and hold Seller harmless from all losses, claims, damages and suits resulting from Buyer or Buyer's agents inspecting or testing the Property pursuant to this paragraph. This period shall be deemed the Inspection Period.

5. Objections to Title.

On or before October 31, 2025, Buyer shall deliver to Seller a statement of any objections to Seller's title and Seller shall have a reasonable period of time, not to exceed fifteen (15) days, to notify Buyer in writing which objections, if any, Seller intends to cure (it being acknowledged that Seller shall have no obligation to cure any objections). In the event that Seller fails or refuses to cure such objections prior to closing, Buyer may terminate this Agreement by providing written notice to Seller within ten (10) days of receipt of Seller's response notice, and Buyer recover the earnest money or waive the objections and proceed to close. Marketability of the title herein required to be conveyed by the Seller shall be determined in accordance with Georgia law as supplemented by the Title Standards of the State Bar of Georgia.

6. Closing.

(a) The purchase and sale hereunder shall be closed no later than thirty (30) days after the end of the Inspection Period or any Objections of Title, time being expressly made of the essence of this Contract. The closing shall be conducted in Lawrenceville, Georgia, or such other place as may be agreed to by the parties. Seller may elect to have the transaction closed via an escrow arrangement reasonably suitable to the parties.

(b) At closing, Seller shall execute and deliver or cause to be delivered to Buyer the following original documents:

- i) A good and marketable limited warranty deed.
- ii) Owner's Affidavit and additional documents as may be required in such form as is necessary to enable the Buyer to remove any liens and parties in possession exceptions. The affidavit or such additional documents shall run to the benefit of the Buyer and Buyer's Attorney and/or Title Company, be in such form and content

acceptable to Seller, Buyer and Buyer's Attorney and/or Title Company and contain without limitation the following information:
That:

- a) there are no outstanding unrecorded contracts of sale, options, leases or other arrangements with respect to the Property to any person other than Buyer.
 - b) the Property is being conveyed unencumbered except for the Permitted Exceptions (listed in the title commitment or otherwise applicable to the Property), if any.
 - c) no construction or repairs have been made by Seller nor any work done to or on the Property by Seller which have not been fully paid for, nor any contract entered into, nor anything done the consequence of which could result in a lien or a claim of lien to be made against the Property.
 - d) there are no parties in possession of the Property being conveyed other than Seller.
 - e) there are no filings in the office of the Clerk of the Courts of Gwinnett County, nor in the office of the Secretary of State which indicate a lien or security interest in, on or under the Property which will not be released or terminated at Closing.
- iii) Affidavit in compliance with the Foreign Investment in Real Property Tax Act of 1980, as amended, affirming that the Seller is not a "foreign person" as defined by the Internal Revenue Code.
 - iv) All other documents as may be reasonably required to be executed and delivered to complete this transaction as contemplated hereunder.

(c) Ad valorem taxes shall be prorated as of the date of closing.

(d) All closing costs involved in the purchase of the Property (other than attorney's fees incurred by Seller), including, without limitation, any transfer tax, shall be paid by Buyer.

7. Conditions to Closing.

The obligation of Buyer under this Agreement to purchase the Property is hereby expressly made subject to the truth and accuracy as of the date of this Agreement and as of the date of closing of each and every warranty or representation herein made by Seller, and the suitability of the inspections and tests set forth in Paragraph 4. If the results of the inspections and

tests indicate any difficulty of Buyer to develop the Property, including rock, sewer, water, environmental hazards, hazardous materials, hazardous materials contamination, asbestos or other problems, then this Agreement shall be null and void and initial earnest money shall be refunded to Buyer. Buyer must furnish Seller written notice of cancellation by the end of the Inspection Period if Buyer desires to cancel the contract based on this condition.

8. Earnest Money.

Contemporaneously with the execution of this Agreement, Buyer has paid as Earnest Money the sum of TEN THOUSAND DOLLARS (\$10,000.00). All Earnest Money shall be paid to the law firm of Pereira, Kirby, Kinsinger & Nguyen, LLP and held in escrow. At the closing hereunder all earnest money shall be applied against the purchase price provided herein. If Seller refuses to or cannot convey unencumbered marketable fee simple title to the Property as provided herein, or in the event any condition set forth herein is not met within the time provided, such condition not having been waived by Buyer, then said earnest money shall be returned to Buyer and this Contract shall terminate. Should Sellers refuse to close and Buyer desires to close, Buyer shall have the right to pursue specific performance. If the purchase and sale hereunder is not closed due to default hereunder by Buyer, the Earnest Money shall be paid to Seller as Seller's sole remedy as full and complete liquidated damages for such default. The parties acknowledge damages caused by the default of the Buyer would be difficult or impossible to ascertain and agree that the payment of the Earnest Money represents a fair and equitable remedy for the Seller.

9. Broker.

No brokers are involved in this transaction.

10. Notices.

Any notices required or permitted to be given under this Contract to Seller or to the Buyer shall be in writing, postage pre-paid and will be sent by fax transmission, overnight delivery by courier of choice or registered or certified mail to:

11. Miscellaneous.

(a) Interpretation. In this Agreement, the neuter gender includes the feminine and masculine, and the singular number includes the plural, and the words "person" and "party" include corporation, partnership, individual, form, trust, or association wherever the context so requires.

(b) Attorney's Fees. In the event it becomes necessary for either Buyer or Seller to bring an action at law or other proceeding to enforce any of the terms, covenants or conditions of this Contract, the prevailing party in any such action or proceeding shall be entitled to recover its costs and expenses incurred in such action from the other party, including without limitations reasonable attorney's fees as determined by the court without a jury. As used herein, the term "prevailing party" shall mean as to the plaintiff, obtaining substantially all relief sought, and such term shall mean as to the defendant, denying the obtaining of substantially all relief sought by the plaintiff.

(c) Time of Essence. Buyer and Seller hereby agree that this Agreement was entered into with the understanding that time is of the essence.

(d) Severability. In the event any provision, or any portion of any provision, of this Contract shall be deemed to be invalid, illegal, or unenforceable by a court of competent jurisdiction, such invalid, illegal or unenforceable provision or portion of a provision shall not alter the remaining portion of any provision or any other provision, as each provision of this Agreement shall be deemed to be severable from all other provisions.

(e) Inurement. This Agreement shall be binding upon and inure to the benefit of the successors and assigns, if any, of the respective parties hereto.

(f) Effective Date. The Effective Date of the Agreement shall be the date the last party signs a fully executed copy of the Contract for Purchase and Sale.

12. Modification of Contract.

No modification of this Agreement shall be deemed effective unless in writing and signed by the parties hereto, and any waiver granted shall not be deemed effective except for the instance and in the circumstances particularly specified therein and unless in writing and executed by the party against whom enforcement of the waiver is sought.

13. Entire Contract.

This Agreement constitutes the entire agreement between the parties for the purchase and sale of the Property. All terms and conditions contained in any other writings previously executed by the parties regarding the Property shall be deemed to be superseded.

14. Mutual Drafting.

Each party has participated in the drafting of this Agreement and the provisions of this Agreement shall not be construed against or in favor of either party.

15. Survival of Contract.

This Agreement shall merge into the documents executed at the closing, and any representations and warranties regarding title and right of possession of the Property shall not survive the closing.

16. Special Stipulations

(a) This Contract is contingent on the final approval of this Contract in a public meeting by the Buyer in accordance with the provisions of the Georgia Open Meetings Act and compliance with all purchase and sale procedures of the Buyer.

This Agreement is agreed to this
7th day of October, 2025.

COMMERCIAL LEASE

THIS LEASE (the "Lease") is made as of _____, 2025 (the "Effective Date") by and between **CITY OF LAWRENCEVILLE, GEORGIA** (hereinafter called "Landlord"), and **PETALAND POND, INC.** (collectively called "Tenant").

WITNESSETH:

1. PREMISES.

Landlord, for and in consideration of the rents, covenants, agreements, and stipulations hereinafter mentioned, provided for and contained herein to be paid, kept and performed by Tenant, leases and rents unto Tenant, and Tenant hereby leases and takes upon the terms and conditions which hereinafter appear, the following described property (being hereinafter called the "Premises"), to wit:

The property known as 523 W. Crogan St, Lawrenceville, GA (TAX PARCEL R5143 152), such Premises being more particularly described and shown on Exhibit A attached hereto and by this reference made a part hereof.

2. TERM.

Tenant shall have and hold the Premises for a term of **8 months** beginning on November 1, 2025 (the "Commencement Date"), and ending on June 30, 2026 at 11:59 p.m., Atlanta, Georgia, time, unless sooner terminated as hereinafter provided (such period being referred to herein as the "Term" or the "lease term").

Notwithstanding the foregoing, at any time during the Term Landlord or Tenant shall have the right to terminate this Lease. The City may terminate the Lease by written notice given to the Tenant at least sixty (60) days prior to the termination date. Tenant may terminate the Lease by giving at least sixty (60) days written notice to the City of its desire to terminate the Lease. Upon the effective date of said termination (as shall be noted in the aforementioned written notices), this Lease shall terminate and neither party shall have any further rights or obligations hereunder except those which by their terms survive the expiration or sooner termination of this Lease.

3. RENTAL.

Tenant agrees to pay to Landlord the annual base rent and all other sums due and payable under this Lease in advance on the first day of each calendar month during the Term hereof, at the address stipulated by Landlord herein. Rental for any period during the term hereof which is for less than one month shall be a prorated portion of the monthly rental due. Said annual rent shall be paid without demand, deduction or setoff, and in the amount per month for each individual law office as described below:

Monthly Rent Rate: \$1500.00/mo

4. LATE CHARGES.

If Landlord fails to receive all or any portion of a rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord, as additional rental, a late charge equal to ten percent (10%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate

the costs Landlord will incur by reason of such late payment.

5. UTILITY BILLS, LANDSCAPING, MAINTENANCE EXPENSES AND TAXES.

Tenant agrees to pay all utility bills directly to the provider of such services for gas, trash collection, water and sewer, internet, and electricity to the Premises. Landlord shall pay, when due, all real property taxes due for the Premises, if any (it being understood and agreed that Tenant shall have no liability for same). Tenant shall be responsible for any personal property taxes, occupation taxes, and similar taxes or fees owed for operating a business at this location.

Tenant agrees to provide landscaping and grounds maintenance for the Premises and for the corner property with an address of 533 W. Crogan Street. Landscaping services shall be performed on a routine schedule. Any issues related to inadequate maintenance shall be addressed by Tenant within 10 days of written notice from Landlord. If Tenant does not complete maintenance with 10 days, Landlord shall be permitted to complete the required maintenance and bill Tenant the actual cost of completion.

6. USE OF PREMISES.

The Premises shall be used for growing and propagating plants (and all incidental uses ancillary thereto, but no direct sales from the Property) and any other use which complies with all applicable laws, and local ordinances. The Premises shall not be used for any illegal purposes.

7. INDEMNITY; INSURANCE.

Tenant agrees to and hereby does indemnify and save Landlord harmless against all claims for damages to persons or property by reason of Tenant's use or occupancy of the Premises, and all expenses incurred by Landlord because thereof, including attorney's fees and court costs actually incurred, except in the case of gross negligence or willful misconduct on the part of Landlord. Supplementing the foregoing and in addition thereto, Tenant shall during the Term of this Lease and any extension or renewal thereof, and at Tenant's expense, maintain in full force and effect comprehensive general liability insurance with limits of at least \$300,000.00 per person and \$500,000.00 per incident, which insurance shall name Landlord as additional insured. Tenant shall provide evidence of such insurance to Landlord prior to the commencement of the Term of this Lease.

Tenant agrees to purchase at its expense and keep in force during the term of this Lease, personal property insurance covering "all risks" of physical loss, including loss of use, fire or other insurance peril. The insurance shall insure the value of all Tenants' property on the Premises including but not limited to improvements, fixtures, equipment, furniture and other personal property. Tenant hereby waives any right of action against Landlord for loss or damage to its improvements, fixtures or personal property except in the case of gross negligence or willful misconduct on the part of Landlord.

8. REPAIRS BY TENANT.

Tenant accepts the Premises in their present condition and as suited for the uses intended by Tenant.

9. ALTERATIONS.

Tenant shall not make any alterations, additions, or improvements to the Premises without Landlord's prior written consent. Tenant shall promptly remove any alterations, additions, or improvements constructed in violation of this Section 9 within thirty (30) days after Landlord's written request therefor. All approved alterations, additions, and improvements will be accomplished in a good and workmanlike manner, in conformity with all applicable laws and regulations, and by a contractor approved by Landlord, free of any liens or encumbrances. As a condition to giving its approval to any such alterations, additions, or improvements, Landlord may require Tenant to remove any alterations, additions or improvements at the termination of this Lease and to restore the Premises to its prior condition, all at Tenant's expense. All alterations, additions and improvements which Landlord has not required Tenant to remove shall become Landlord's property and shall be surrendered to Landlord upon the termination of this Lease, except that Tenant may remove any of Tenant's machinery or equipment which can be removed without material damage to the Premises. Tenant shall repair, at Tenant's expense, any damage to the Premises caused by the removal of any such machinery or equipment.

10. REMOVAL OF FIXTURES.

Tenant may prior to the expiration of this Lease, or any extension or renewal thereof, remove all fixtures and equipment which it has placed in the Premises, provided Tenant repairs all damage to the Premises caused by such removal. On or before the expiration of the lease term, Tenant shall remove all personal property then located upon the Premises. In the event that Tenant fails to remove said personal property from the Premises, and such failure continues for thirty (30) days after written notice from Landlord, then Landlord shall be deemed to be storing the property at Landlord's expense and may, upon five (5) days written notice to Tenant, sell such property at a public or private sale, or may dispose of the property in any other manner without liability. The proceeds of such sale shall remain with the Landlord.

11. DESTRUCTION OF OR DAMAGE TO PREMISES.

If the Premises are totally destroyed by storm, fire, lightning, earthquake or other casualty, this Lease shall terminate as of the date of such destruction and rental shall be accounted for as between Landlord and Tenant as of that date. If the Premises are damaged but not wholly destroyed by any such casualties, rental shall abate in such proportion as use of the Premises has been destroyed. Notwithstanding the foregoing, at any time that the Premises is damaged as set forth in this Section, Tenant shall have the right to terminate this Lease upon written notice to Landlord.

12. GOVERNMENTAL ORDERS.

Tenant agrees, at its own expense, to comply promptly with all requirements of any legally constituted public authority made necessary by reason of Tenant's occupancy of the Premises. Landlord agrees to comply promptly with any such requirements if not made necessary by reason of Tenant's occupancy. It is mutually agreed, however, between Landlord and Tenant, that if in order to comply with such requirements, the cost to Landlord or Tenant, as the case may be, shall exceed a sum equal to one year's rent, then Landlord or Tenant who is obligated to comply with such requirements may terminate this Lease by giving written notice of termination to the other party by certified mail, which termination shall become effective sixty (60) days after receipt of such notice.

and which notice shall eliminate the necessity of compliance with such requirements by giving such notice unless the party giving such notice of termination shall, before termination becomes effective, pay to the party giving notice all cost of compliance in excess of one year's rent, or secure payment of said sum in manner satisfactory to the party giving notice.

13. CONDEMNATION.

Intentionally omitted.

14. ASSIGNMENT AND SUBLETTING.

Tenant shall not transfer this Lease or sublet the Premises.

15. EVENTS OF DEFAULT.

The happening of any one or more of the following events (hereinafter any one of which may be referred to as an ("Event of Default")) during the term of this Lease, or any renewal or extension thereof, shall constitute a breach of this Lease on the part of the Tenant:

(A) Tenant fails to pay the rental as provided for herein within five (5) days after written notice from Landlord that such rental remains unpaid (provided, however, that Landlord shall only be required to give such written notice two (2) times during any twelve-month period of the lease term); (B) Tenant fails to comply with or abide by and perform any other obligation imposed upon Tenant under this Lease, and such failure continues for thirty (30) days after written notice from Landlord (provided however, if a cure cannot be effected in such 30-day period, Tenant shall not be held in default if Tenant is diligently pursuing a cure to completion); (C) Tenant is adjudicated bankrupt; (D) a permanent receiver is appointed for Tenant's property and such receiver is not removed within sixty (60) days after written notice from Landlord to Tenant to obtain such removal; (E) Tenant, either voluntarily or involuntarily, takes advantage of any debt or relief proceedings under the present or future law, whereby the rent or any part thereof is, or is proposed to be reduced or payment thereof deferred; or (F) Tenant makes an assignment for benefit of creditors.

16. REMEDIES UPON DEFAULT.

Upon the occurrence of an Event of Default, Landlord shall have the option of pursuing any one or more of the following remedies:

A. Landlord may terminate this Lease by giving notice of termination, in which event this Lease shall expire and terminate on the date specified in such notice of termination, with the same force and effect as though the date so specified were the date herein originally fixed as the termination date of the term of this Lease, and all rights of Tenant under this Lease and in and to the Premises shall expire and terminate, and Tenant shall remain liable for all obligations under this Lease arising up to the date of such termination and Tenant shall surrender the Premises to Landlord on the date specified in such notice;

B. Landlord may, from time to time without terminating this Lease, and without releasing Tenant in whole or in part from Tenant's obligation to pay monthly rental and additional rent

and perform all of the covenants, conditions and agreements to be performed by Tenant as provided in this Lease, make such alterations and repairs as may be necessary in order to relet the Premises, and, after making such alterations and repairs, Landlord may, but shall not be obligated to, relet the Premises or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease) at such rental or rentals and upon such other terms and conditions as Landlord in its sole discretion may deem advisable or acceptable; upon each reletting, all rentals received by Landlord from such reletting shall be applied first, to the payment of any indebtedness other than rent due hereunder from Tenant to Landlord, second, to the payment of any costs and expenses of such reletting, including brokerage fees and attorneys' fees, and of costs of such alterations and repairs, third, to the payment of the monthly rental and additional rent due and unpaid hereunder, and the residue, if any, shall be held by Landlord and applied against payments of future monthly rental and additional rent as the same may become due and payable hereunder; in no event shall Tenant be entitled to any excess rental received by Landlord over and above charges that Tenant is obligated to pay hereunder, including monthly rental and additional rent; if such rentals received from such reletting during any month are less than those to be paid during the month by Tenant hereunder, including monthly rental and additional rent, Tenant shall pay any such deficiency to Landlord, which deficiency shall be calculated and paid monthly; Tenant shall also pay Landlord as soon as ascertained and upon demand all costs and expenses incurred by landlord in connection with such reletting and in making any alterations and repairs which are not covered by the rentals received from such reletting; notwithstanding any such reletting without termination, Landlord may at any time thereafter elect to terminate this Lease for such previous breach.

Landlord shall use commercially reasonable efforts to relet the Premises as soon as practicable to minimize Tenant's financial obligations. The Landlord shall make reasonable effort to ensure the rental rate and terms of such reletting are similar to that of the Tenant's current lease agreement. If the Premises are successfully relet, the Lease shall be deemed terminated as of the date the new tenant's lease begins, and Tenant's obligations shall be limited to amounts due prior to that date, including any shortfall in rent and reasonable reletting costs.

Anything in this Lease to the contrary notwithstanding, if Tenant is in default hereunder, Landlord shall not be entitled to receive from Tenant any consequential, special or punitive costs or damages incurred by Landlord as a result of Tenant's default.

Landlord shall be in default of this Lease if it fails to perform any term or provision under this Lease required to be performed by Landlord, and such failure shall have continued for a period of thirty (30) days after written notice thereof by Tenant; provided, if the nature of Landlord's default is such that more than thirty (30) days are reasonably required in order to cure, Landlord shall not be in default if Landlord commences to cure such failure within such thirty (30) day period, and thereafter diligently pursues the cure of such failure to completion. If Landlord shall fail to cure within the times permitted for cure herein, Landlord shall be subject to all remedies as may be available to Tenant at law or in equity (subject to other provisions of this Lease), including, without limitation, the right of Tenant to terminate this Lease.

17. EXTERIOR SIGNS.

Tenant shall place no signs upon the outside walls or roof of the Premises except with the written

consent of the Landlord. Any and all signs placed on the Premises by Tenant shall be maintained in compliance with governmental rules and regulations governing such signs, and Tenant shall be responsible to Landlord for any damage caused by installation, use or maintenance of said signs, and all damage incident to such removal.

18. LANDLORD'S ENTRY OF PREMISES.

Landlord may enter the Premises at reasonable hours upon at least 24 hours' advance written notice to Tenant (except in the event of an emergency, in which event no such notice shall be required) to inspect the Premises to see that Tenant is complying with all of its obligations hereunder, to make repairs required of Landlord under the terms hereof or to make repairs to Landlord's adjoining property, if any, and to exhibit the Premises to prospective purchasers.

19. EFFECT OF TERMINATION OF LEASE.

No termination of this Lease prior to the normal ending thereof, by lapse of time or otherwise, shall affect Landlord's right to collect rent for the period prior to termination thereof.

20. SUBORDINATION.

Intentionally omitted.

21. QUIET ENJOYMENT.

So long as Tenant observes and performs the covenants and agreements contained herein, it shall at all times during the Lease term peacefully and quietly have and enjoy possession of the Premises, but always subject to the terms hereof.

22. NO ESTATE IN LAND.

This Lease shall create the relationship of Landlord and Tenant between the parties hereto. No estate shall pass out of Landlord. Tenant has only a usufruct not subject to levy and sale.

23. HOLDING OVER.

If Tenant remains in possession of the Premises after expiration of the term hereof, with Landlord's acquiescence and without any express agreement of the parties, Tenant shall be a tenant at will at the rental rate which is in effect at end of this Lease and there shall be no renewal of this Lease by operation of law. If Tenant remains in possession of the Premises after expiration of the term hereof without Landlord's acquiescence, Tenant shall be a tenant at sufferance and commencing on the date following the date of such expiration, the monthly rental payable under Section 3 above shall for each month, or fraction thereof during which Tenant so remains in possession of the Premises, be one hundred fifty percent (150%) of the monthly rental otherwise payable under Section 3 above.

24. ATTORNEY'S FEES.

In the event that any action or proceeding is brought to enforce any term, covenant or condition of this Lease on the part of Landlord or Tenant, the prevailing party in such litigation shall be entitled

to recover reasonable attorney's fees actually incurred to be fixed by the court in such action or proceeding.

25. RIGHTS CUMULATIVE.

All rights, powers and privileges conferred hereunder upon parties hereto shall be cumulative and not restrictive of those given by law.

26. WAIVER OF RIGHTS.

No failure of Landlord to exercise any power given Landlord hereunder or to insist upon strict compliances by Tenant of its obligations hereunder and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Landlord's right to demand exact compliance with the terms hereof.

27. AGENCY DISCLOSURE

Tenant and Landlord each represents to the other that neither has dealt with brokers in connection with this Lease. In addition, no broker procured this Lease or is entitled to any commission in connection therewith. In the event either party has so dealt with a broker such party shall, to the extent permitted by law, if any, indemnify, defend and hold forever harmless the other party from and against any claim by such broker and from and against any and all costs directly or indirectly arising out of any such hiring.

28. ENVIRONMENTAL LAWS.

During the Term, Tenant shall comply with all applicable environmental laws at the Premises and Tenant shall not permit any of his employees, brokers, contractors or subcontractors, or any person present on the Premises to generate, manufacture, store, dispose or release on, about, or under the Premises any toxic waste or hazardous substances which would result in the Premises not complying with any applicable environmental laws. Notwithstanding anything in this Lease to the contrary, in no event shall Tenant be liable or responsible for the clean-up or any other remedial measures for any environmental contamination, if any, which was introduced in, on or under the Premises (a) prior to the Commencement Date hereof or (b) as a result of any act, negligence or willful misconduct by any prior tenant or owner of the Premises.

29. TIME OF ESSENCE.

Time is of the essence of this Lease.

30. DEFINITIONS.

"Landlord" as used in this Lease shall include the undersigned, its heirs, representatives, assigns and successors in title to the Premises, "Tenant" shall include the undersigned and its heirs, representatives, assigns and successors, and if this Lease shall be validly assigned or sublet, shall include also Tenant's assignees or subtenants as to the Premises covered by such assignment or sublease. "Landlord" and "Tenant" include male and female, singular and plural, corporation, partnership or individual, as may fit the particular parties.

31. NOTICES.

All notices required or permitted under this Lease shall be in writing and shall be personally delivered or sent by national overnight courier, or by U.S. Certified Mail, return receipt requested, postage prepaid. Notices shall be delivered or sent to the addresses hereinafter stated, to wit:

Landlord: CITY OF LAWRENCEVILLE, GA

All notices shall be effective upon delivery. Any party may change his notice address upon written notice to the other parties.

32. ENTIRE AGREEMENT.

This Lease contains the entire agreement of the parties hereto, and no representations, inducements, promises or agreements, oral or otherwise, between the parties, not embodied herein, shall be of any force or effect. No subsequent alteration, amendment, change or addition to this Lease shall be binding upon Landlord or Tenant unless reduced to writing and signed by Landlord and Tenant.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year first above written.

AGENDA REPORT

MEETING: REGULAR MEETING, NOVEMBER 19, 2025

AGENDA CATEGORY: PUBLIC HEARING NEW BUSINESS

Item:	RZR2025-00030; North DTL CC PH1, LLC; 854 North Clayton Street
Department:	Planning and Development
Date of Meeting:	Wednesday, November 19, 2025
Presented By:	Todd Hargrave, Director of Planning and Development
Applicants Request:	Rezone from BG (General Business) to CMU (Community Mixed Use) to allow for a housing master plan.
Planning & Development Recommendation:	Approval with Conditions
Planning Commission Recommendation:	Approval with Staff Conditions

Summary: The applicant requests a rezoning of an approximately 0.58-acre parcel from BG (General Business District) to CMU (Community Mixed-Use District), an addition to approved rezoning cases RZR2024-00025 and RZR2025-00029. This would represent a shift towards higher-density residential development in place of the established commercial, multifamily residential, office institutional and one-family residential zoning. The subject property is located on the eastern right-of-way of North Clayton Street, just south of its intersection with North Clayton Connector Road. It is located on the far northeastern extent of the overall proposal as detailed in cases RZR2024-00025, RZR2025-00029, RZR2025-00030.

VICINITY MAP

ZONING HISTORY

The earliest zoning records for the subject property show it as being zoned RS-120 (Single-Family Residential District) in 1960. The subject property was rezoned to the BG (General Business) zoning district on 10/6/2003, per rezoning case RZ-03-17. The property remains zoned BG today.

PROJECT SUMMARY

The applicant requests a rezoning of an approximately 0.58-acre parcel from BG (General Business District) to CMU (Community Mixed-Use District), an addition to approved rezoning cases RZR2024-00025 and RZR2025-00029. This would represent a shift towards higher-density residential development in place of the established commercial, multifamily residential, office institutional and one-family residential zoning. The subject property is located on the eastern right-of-way of North Clayton Street, just south of its intersection with North Clayton Connector Road. It is located on the far northeastern extent of the overall proposal as detailed in cases RZR2024-00025, RZR2025-00029, RZR2025-00030.

CONCEPT PLAN

ZONING AND DEVELOPMENT STANDARDS

The request represents a shift towards higher-density residential development in place of the traditional commercial, multifamily residential, office institutional and one-family residential zoning. By allowing for townhouses and smaller one-family homes, the development would likely increase housing density on the site, possibly making the area more walkable and increasing the local population.

As proposed, the development would consist of a mix of eighty-eight (88) attached and fourteen (14) detached dwellings and dwelling units for a total of one-hundred two (102) dwellings. They are described as follows:

1. Detached Single Family

- Type: Detached Dwelling and Dwelling Unit
- Building Height: Two Story (35 feet maximum)
- Building Size: 2,400 to 3,200 square feet
- Layout: Three bedrooms, two and one-half bathrooms
- Features: Private yard, front and back porches, two-car garages
- Architecture: The exterior will feature a blend of traditional and contemporary design elements using materials like brick, stacked stone, and wooden elements (cedar/cementitious shake or board-and-batten siding), which could evoke a more rustic or upscale neighborhood feel
- Lot Area: 2,840 to 5,250 square feet (40 – 50 ft. width & 71 - 105 ft. depth)

2. Townhomes

- Type: Attached Dwelling and Dwelling Units
- Building Height: Three stories (35 feet maximum)
- Building Size: 1,500 square feet
- Configuration: Two bedrooms, two bathrooms
- Features: Consolidated attached dwelling with shared common area, front stoops and back porches.
- Architecture: The same style of materials will be used here, continuing the cohesive design theme across the development
- Lot Area: 1,440 to 1,600 square feet (18 – 20 ft. width & 80 ft. depth)

Approval of the requested CMU (Community Mixed Use) zoning district would require variances from the minimum standards as outlined below:

Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, Subsection B. Land Use Mix, Table 1. and 2.

Each CMU development shall include a mix of land uses, as indicated in the table below.

1. The intent of allowing these nonresidential uses is to create a small node of retail and commercial services primarily for the convenience and amenity of residents of the CMU District. Nonresidential development must be compatible with the residential component of the development, and in general with the Architectural Design Standards specified in this section and Article 6, Architectural Standards and Design Guidelines.

Exception: The minimum percentage of gross land area for civic/institutional, commercial/retail, industrial or office land uses may be reduced administratively for CMU developments within the Infill District, which consist solely of RS-50 INF & RS-TH INF residential zoning and land uses. Exceptions to the rule shall be subject to the review and approval of the Director of the Planning and Development Department.

Land Use	Percentage of Gross Land Area			Recommendation
	Minimum	Maximum	Proposed	
Residential	30%	75%	100%	Administrative Variance <i>(within Infill District)</i>
Civic/Institutional	15%	50%	0%	
Commercial/Retail, Light Industrial, Office	15%	50%	0%	

2. This district provides for a diversity of housing types. Each CMU development shall include at least one housing option, including apartments, single-family residences, or townhomes.

a. Single-family detached dwellings on large lots
b. Single-family detached dwellings on mid-size lots
<i>c. Single-family detached dwellings on small lots (see RS-50 INF standards, below)</i>

d. Townhouses (see RS-TH INF standards, below)

The specific variances requested are as follows:

- A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, F.2. Allows for reduction of the net project acreage dedicated to Green/Common Space from 15% to 10%.
- A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, C. Lot Development Standards to provide that single-family detached lots shall be designed and developed in accordance with the standards set forth in Section 102.5 RS-50 INF – One-Family Infill Residential District, B Lot Development standards and that townhome lots shall be designed and developed in accordance with the standards set forth in Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, B. Lot Development Standards.
- A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, C. Lot Development Standards, Footnote 11. Allows for reduction of building setbacks adjacent to a classified arterial or collector (Principal, Major, Minor) shall be zero (0 ft.) adjacent to Grizzly Parkway and North Clayton Connector Road. Alternatively, all setbacks may be administratively varied in accordance with footnote 5 of Table 102.5 C.2 and footnote 9 of Table 102.6 C.2 of the Lawrenceville Zoning Ordinance.
- A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, J. Parking, 1. Vehicle Parking. Allows for satisfaction of off-street parking in conformance with Section 102.5 RS-50 INF – One-Family Infill Residential District, C. Site Development Standards. 2. Off-Street Parking and Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, C. Site Development Standards. 2. Off-Street Parking.
- A variance from Zoning Ordinance, Article 102.11 CMU Community Mixed-Use District, K. Landscape, Buffers, and Tree Protection. 2. Allows for a reduction of required buffers between CMU and RS-150 properties from 50 feet to zero feet.
- A variance from the Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF –One-Family Infill Residential District, B. Lot Development Standards. Allows for the reduction of the Minimum Lot Width for the detached single-family residential dwellings from fifty (50) feet to forty (40) feet.

- A variance from Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. Allows for a reduction in the Minimum Lot Size for the detached single-family residential dwelling from three thousand, five hundred square feet (3,500 sq. ft) to two thousand, eight hundred forty square feet (2,840 sq. ft).
- A variance from the Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF –One-Family Infill Residential District, B. Lot Development Standards. TH INF –Townhouse-Family Infill Residential District, B. Lot Development Standards. Allows for the reduction of the Minimum Lot/Unit Width for the attached townhouse residential dwelling units from twenty (20) feet to eighteen (18) feet.
- A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, B. Lot Development Standards. Allows for reduction in the Minimum Lot Area from one thousand, six hundred square feet (1,600 sq. ft) to one thousand, four hundred and forty square feet (1,440 sq. ft).
- A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF –Townhouse-Family Infill Residential District, D. Lot Dimensional Standards. 1. RS-Townhouse Units – General. a. Allows front façade(s) of townhouse dwelling units to be either parallel or radial or perpendicular to a Public Street (Public Right-of-Way).
- A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF –Townhouse-Family Infill Residential District, D. Lot Dimensional Standards. 1. RS-TH Townhouse Units – General. c. Allows rear elevations of each townhouse dwelling unit shall consist of porch measuring 10 feet in width and 10 feet in depth rather than 18 feet in width and 10 feet in depth.
- A variance from Zoning Ordinance, Article 504 Residential Parking and Driveways, 6. Allows for impervious surfaces in front yard area to be limited from 35% to 90%.

The recently adopted RS-50 INF (One-Family Infill Residential District) and RS-TH INF (Townhouse-Family Infill Residential District) zoning districts have specific provisions that will impact the need for certain variances. Specifically, the Minimum Dwelling Separation rule indicates multiple detached one-family and attached townhouse dwellings on a singular lot could be developed and

constructed to the requirements of the International Residential Code (IRC), Part III, Section R302, which addresses Fire-Resistant Construction. Specific requirements of this section shall be reviewed and monitored throughout the development process, should this proposal be approved.

See **Exhibit A** below for approximate boundaries of proposed development that will be designed according to RS-50 INF or RS-TH INF standards.

EXHIBIT A – ZONING STANDARDS BOUNDARIES

A full-sized version of this exhibit is included in this item’s attachments.

CITY OF LAWRENCEVILLE OFFICIAL ZONING MAP

SURROUNDING ZONING AND USE

The area surrounding the subject property consists of a wide variety of uses and zoning categories. The properties to the north and northeast of the subject property are zoned BG (General Business District) and contain commercial and light industrial uses such as offices and existing nonconforming warehouses and auto service garages. To the east is a Lawrenceville Housing Authority (LHA) property zoned RM-12 (Multifamily Residential District), the location of several duplexes. Otherwise, the surrounding area is composed of single-family homes used both residentially (zoned RS-150 – Single-Family Residential District) and commercially (zoned BG). Further out from the subject property – west of Northdale Road and east of Buford Drive – there are locations zoned LM (Light Manufacturing District) and HM (Heavy Manufacturing District), used for a variety of industrial activities; for example, distilleries/breweries, warehouses, auto service garages, used car lots, self-storage facilities, and vehicle impound lots.

This proposal would continue with the precedent set by City Council's approvals for RZM2021-00009, RZM2022-00012, RZM2024-00016, and RZM2024-00019, all similar projects in the nearby vicinity that were rezoned to CMU (Community Mixed Use District) to allow for the development of mixed-use projects consisting of large tracts of land, and a variety of multifamily, townhouse, and retail components.

The purpose of infill zoning classifications is to enable the development of new structures on unused or underutilized land within existing urban areas. This approach aims to revitalize neighborhoods, promote density, reduce urban sprawl, enhance accessibility, and improve urban sustainability (quality of life). Therefore, the requested rezoning aligns with the City Council's policies, which are designed to encourage positive growth and development.

LAWRENCEVILLE 2045 COMPREHENSIVE PLAN – FUTURE LAND USE PLAN MAP

2045 COMPREHENSIVE PLAN

The 2045 Comprehensive Plan and Future Development Map indicates the property lies within the Downtown Character Area. Lawrenceville’s Downtown character area serves as the historical and cultural heart of the city, preserving its unique charm while nurturing economic vitality. With a robust economy and a focus on community life, Downtown is a hub of cultural activities and commerce. The development, by incorporating townhouses and smaller single-family homes, is expected to raise the housing density, potentially enhancing the walkability of the area and boosting the local population. Additionally, investments in pedestrian infrastructure and streetscape upgrades will focus on improving walkability and accessibility.

STAFF RECOMMENDATION

In conclusion, the requested rezoning is a strategic step towards achieving higher-density, sustainable urban development and aligns with the city's long-term goals of fostering positive community growth and enhancing the downtown area.

Given the aforementioned factors, the Planning and Development Department recommends **APPROVAL WITH CONDITIONS** for the proposed rezoning.

STATE CODE 36-67-3 (FMR.) REVIEW STANDARDS:

- 1. Whether a zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;**

Yes. The surrounding area is host to a wide variety of commercial, industrial, multifamily, and single-family uses.

- 2. Whether a zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;**

No. As discussed; the area is predominantly a mix of commercial, industrial, office institutional and residential uses and zoning in nature.

- 3. Whether the property to be affected by a zoning proposal has a reasonable economic use as currently zoned;**

Yes; the properties could be developed according to the current standards of the BG zoning district. However, such a rezoning will help in the assemblage of a variety of parcels into a larger development with a cohesive design.

- 4. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;**

The project will induce demand on public facilities in the form of traffic, utilities, stormwater runoff, and schools. However, the effects of this demand can be mitigated through zoning conditions, consistent monitoring of outcomes, and active planning efforts moving forward.

- 5. Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan;**

Policies of the City are intended to benefit or enhance the quality of life for existing and potential members of the public choosing to reside within the city limits. The Downtown character area is intended as a mixed-use district that includes both townhomes and single-family homes, so this rezoning conforms with the long-range plan.

- 6. Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal;**

The proposal would continue with the precedent set by similar recent rezonings and variance request in the immediate vicinity, including V-19-01, RZM2021-00009, RZM2022-00012, RZM2024-00016, and RZM2024-00019.

PLANNING COMMISSION

RECOMMENDED CONDITIONS_11032025

RZR2025-00030

Approval of a rezoning to CMU (Community Mixed-Use District), subject to the following enumerated conditions:

1. To restrict the use of the property as follows:

- A.** A maximum of one-hundred two (102) housing units, including a minimum of fourteen (14) single-family dwellings and a maximum of eighty-eight (88) rear-entry townhomes. These limits may be modified only through an approved rezoning of adjacent or nearby properties and a corresponding amendment to the master site plan.
- B.** The development shall be in general accordance with the submitted site plan received by the Department of Planning and Development, dated September 5, 2025, with variances necessary to meet zoning conditions and development regulations. Any changes shall be subject to review and approval by the Director of Planning and Development. The final design and exterior appearance shall be approved by the Director of Planning and Development.
- C.** All detached residential units shall have a two-car garage.

2. To satisfy the following site development considerations:

- A.** Natural vegetation shall remain on the property until the issuance of a development permit.
- B.** The homeowner's association shall repaint or repair any graffiti or vandalism in common areas within seventy-two (72) hours of notice from the City.
- C.** The required parking ratio shall be one and one half (1.5) spaces per unit.
- D.** Provide City Standard Pedestrian lighting along Grizzly Parkway, both sides

of North Clayton Street (to North Clayton Connector Road), and the south side of North Clayton Connector Road.

- E.** Building setbacks off internal streets or driveways shall be in general accordance with the submitted site plans and architectural renderings, and otherwise subject to review and approval of the Director of Planning and Development.
- F.** Any use or expansion of existing City owned water quality/quantity facilities shall be reviewed and approved by the City Engineer.
- G.** Pedestrian connections from the development to Grizzly Parkway and North Clayton Street shall be provided and shall be reviewed and approved by the City Engineer.
- H.** A minimum five-foot (5 ft.) sidewalk shall be provided (if not existing) along both sides of North Clayton Street from the end of North Clayton Street to North Clayton Connector Road.
- I.** Vehicle access to Grizzly Parkway or North Clayton Connector Road for alleyways, driveways, and the extensions shall be prohibited.
- J.** Internal alleyways shall be privately owned and maintained by the Homeowners Association.
- K.** The Developer shall coordinate and receive approval from the City Engineer to relocate and extend North Clayton Street. Dedicate Right-of-Way to the City

3. The following variances are approved:

- A.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, F.2. Allows for reduction of the net project acreage dedicated to Green/Common Space from 15% to 10%.
- B.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, C. Lot Development Standards, Footnote 11. Allows for reduction of building setbacks adjacent to a classified arterial or collector (Principal, Major, Minor) shall be zero (0 ft.) adjacent to Grizzly Parkway and North Clayton Connector Road. Alternatively, all setbacks may be administratively varied in accordance with footnote 5 of Table 102.5 C.2 and footnote 9 of Table 102.6 C.2 of the

Lawrenceville Zoning Ordinance.

- C.** A variance from Zoning Ordinance, Article 102.11 CMU Community Mixed-Use District, K. Landscape, Buffers, and Tree Protection. 2. Allows for a reduction of required buffers between CMU and RS-150 properties from 50 feet to zero feet.
- D.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. Allows for the reduction of the Minimum Lot Width for the detached single-family residential dwellings from fifty (50) feet to forty (40) feet.
- E.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. Allows for a reduction in the Minimum Lot Size for the detached single-family residential dwelling from three thousand, five hundred square feet (3,500 sq. ft) to two thousand, eight hundred forty square feet (2,840 sq. ft).
- F.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. TH INF – Townhouse-Family Infill Residential District, B. Lot Development Standards. Allows for the reduction of the Minimum Lot/Unit Width for the attached townhouse residential dwelling units from twenty (20) feet to eighteen (18) feet.
- G.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, B. Lot Development Standards. Allows for reduction in the Minimum Lot Area from one thousand, six hundred square feet (1,600 sq. ft) to one thousand, four hundred and forty square feet (1,440 sq. ft).
- H.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, D. Lot Dimensional Standards. 1. RS-Townhouse Units – General. a. Allows front façade(s) of townhouse dwelling units to be either parallel or radial or perpendicular to a Public Street (Public Right-of-Way).
- I.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, D. Lot Dimensional

Standards. 1. RS-TH Townhouse Units – General. c. Allows rear elevations of each townhouse dwelling unit shall consist of porch measuring 10 feet in width and 10 feet in depth rather than 18 feet in width and 10 feet in depth.

- J.** A variance from Zoning Ordinance, Article 504 Residential Parking and Driveways, 6. Allows for impervious surfaces in front yard area to be limited from 35% to 90%.

Re: **North DTL CC PH1, LLC**
Rezoning Application
Property Address: 854 N. Clayton Street, Lawrenceville, Georgia 30046
Parcel Nos. R5145 063

Dear Mayor and City Council Members:

As you are aware, this law firm has the pleasure of representing North DTL CC PH1, LLC ("North DTL"). North DTL has this day filed a rezoning application for the above-referenced property in the old Depot District located on North Clayton Street (the "Bohon Parcel"). This application is the third filed by North DTL as part of an assemblage project designed to develop high-quality, executive-style housing along the North Clayton Street and Grizzly Parkway corridor within walking distance of the Downtown area. The first two applications received approval from this body and were designed as case numbers RZR2024-00025 (ZON-ORD-2025-18) and RZR2025-00029 (ZON-ORD-2025-20). This third application should be read in conjunction with these prior zoning applications, as the Bohon Parcel will be developed as part of the overall master development. If approved, the rezoning would allow for the addition of six (6) single-family detached lots with a small pocket park/greenspace area.

Below you will find an area map showing the present zoning for the properties that are the subject of the enclosed application as well as a number of parcels that are located immediately adjacent thereto:

North DTL seeks to rezone the Bohon Parcel from BG to Community Mixed-Use District (CMU) with an administrative variance as permitted by Section 102.11(b) of the Code to reduce the percentage of civic/institutional, commercial/retail, industrial and office land used to 0% and allow 100% of the project to be developed in accordance with the Lot Development Standards of the City’s new RS 150 INF and RS TH INF districts.

I. Description of the Property and Surrounding Area

The Bohon Parcel contain a small residential structure that has been converted to a commercial office building with concrete parking lot. The surrounding area contains a variety of uses including both residential and commercial applications. The project is adjoined by the following zoning classifications and uses.

Location	Land Use	Zoning
Proposed Site	Commercial	BG
North	Commercial	BG
South	Residential	OI
East	Residential	CMU
West	Residential	RM12

In the City’s 2045 Comprehensive Plan, the Project lies within the Downtown Character Area, which is designed to serve as the historical and cultural heart of the City. The Comprehensive Plan calls for an emphasis on redevelopment of existing properties using urbanist principles including pedestrian friendly streetscapes, promotion of walkability to the city center

and infill residential development targeting the “missing middle” housing options that includes higher density single-family detached, bungalow and townhome style housing.

II. Project Summary

As shown on the attached Site Plan, North DTL proposes to add the Bohon Parcel to the overall masterplan development, which consists entirely of executive-housing products. The prior rezoning applications approved the development of develop the Project into a residential development, which presently includes a minimum of eight (8) executive-style single-family detached houses and a maximum of (88) high-end townhomes. If approved, this rezoning application would add an additional six (6) executive-style, detached single-family lots to the overall plan. The proposed housing products are targeted toward young professionals and executives who seeks intown living options within walking distance to the City’s entertainment and employment centers. The development will provide a new living option for doctors, nurses, teachers, public safety employees, public sector workers, and employees of Georgia Gwinnett College.

The development’s European Village aesthetic will feature cottage style detached homes and townhomes with rear entry garages and rear porches. The façade of the homes will include a mixture of brick, stone, and cityscape finishes facing Grizzly Parkway, Maddox Street and the Project’s greenspaces. The Project will have homes ranging in size from 1,200 to 3,200 square feet with luxury interior finishes and appliances. Attached to the Site Plan also contains illustrative pictures and floorplans showing examples of the types of housing options that the Project will offer. Further examples of the European Village inspired development at Trilith in Fayetteville, Serenbe in Chattahoochee Hills, and The 1858 and Mayfair on Main in Alpharetta.

North DTL has developed its Site Plan and discussed possible zoning conditions with the City’s staff using the dimensional and development requirements of the City’s Infill Zoning Districts. However, the possibility of future phases of the development necessarily compels North DTL to maintain the maximum amount of flexibility relative to possible adjustments and changes to the Site Plan as additional properties are added. Given this reality, demarcating specific portions of the Project as infill townhome versus infill single-family detached is problematic.

The solution to this problem is to amend the rezoning request to instead seek CMU zoning and take advantage of the exception provision in Section 102.11(B)(1). This exception provision allows the Director of Planning and Development to administratively vary the required division of

CMU uses to make the development 100% residential if the property is located within the Infill District identified in Section 103.3 of the Code. Additionally, Section 102.11(B)(2)(c) and (d) further provides that single family detached dwellings on small lots shall be developed in accordance with the RS-50 INF standards and that townhomes be developed using RS-TH INF standards and dimensions.

In addition to appropriate zoning conditions confirming the above, North DTL respectfully requests the following waivers, modifications, variances and/or conditions of zoning, as applicable:

1. A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, F.2. Allows for reduction of the net project acreage dedicated to Green/Common Space from 15% to 10%.
2. A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, C. Lot Development Standards to provide that single family detached lots shall be designed and developed in accordance with the standards set forth in Section 102.5 RS-50 INF – One-Family Infill Residential District, B Lot Development standards and that townhome lots shall be designed and developed in accordance with the standards set forth in Section 102.6 RS–TH INF – Townhouse-Family Infill Residential District, B. Lot Development Standards.
3. A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, C. Lot Development Standards, Footnote 11. Allows for all setbacks may be administratively varied in accordance with footnote 5 of Table 102.5 C.2 and footnote 9 of Table 102.6 C.2 of the Lawrenceville Zoning Ordinance.
4. A variance from Zoning Ordinance, Article 102.11 CMU Community Mixed-Use District, K. Landscape, Buffers, and Tree Protection. 2. Allows for reduction of required buffers between CMU and RS-150 properties from 50 feet to zero feet.
5. A variance from the Zoning Ordinance, Article 1 Districts, Section 102.5 RS– 50 INF – One-Family Infill Residential District, B. Lot Development Standards. Allows for the reduction of the Minimum Lot Width for the detached single-family residential dwellings from fifty (50) feet to forty (40) feet.
6. A variance from Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. Allows for reduction in the Minimum Lot Size for the detached single-family residential dwelling from three thousand, five hundred square feet (3,500 sq. ft) to two thousand, eight hundred, forty square feet (2,840 sq. ft.).
7. A variance from Zoning Ordinance, Article 504 Residential Parking and Driveways, 6. Allows for impervious surfaces in front yard area to be limited from 35% to 90%.

III. Site Impact Analysis

RZR2025-00030

PLANNING & DEVELOPMENT DEPARTMENT

The Ordinance outlines the standards and considerations the City Council should utilize in exercising its Zoning Power. Section 907(c) of the Ordinance outlines six factors the Council should weigh:

1. Whether a proposed rezoning will permit a use that is suitable in view of the use and development adjacent and nearby property:

Yes. The proposed use is consistent with existing residentially zoned properties in the vicinity, which are primarily older, higher density housing including RS 150 and RM 12. The proposed development would further provide needed rooftops to support both the Downtown commercial uses and the burgeoning Depot District businesses.

2. Whether a proposed rezoning will adversely affect the existing use or useability of adjacent or nearby properties.

No. The proposed use would further the process of redeveloping the existing, older residential properties along North Clayton Street. Additionally, commercial uses along the North Clayton Street Connector will not be impacted by the additional traffic from the Project, which will be funneled to Buford Drive and Grizzly Parkway. The addition of additional residences will support and bolster the expanding Depot District and Downtown businesses.

3. Whether the property to be affected by a proposed rezoning has reasonable economic use as currently zoned.

No. North DTL respectfully submits that the present zoning is not consistent with the Future Character area and will be under utilized in light of approved rezonings.

4. Whether the proposed rezoning will result in a use which will or could cause an excessive burdensome use of existing streets, transportation facilities, utilities, or schools.

No. The proposed development will not create an excessive burden on the City's existing infrastructure. The City of Lawrenceville has already invested significant amounts in the development of the Grizzly Parkway with both traffic control devices (roundabouts, etc.), sidewalks and stormwater facilities. These improvements were installed to promote a denser redevelopment of adjacent parcels. Traffic to the development will be funneled to the North Clayton Connector Road, which in turn allows for the orderly distribution of traffic onto major arterials. Specifically, these Maddox Street Parcels allows for the secondary entrance to the development to exit onto Maddox Street rather than Grizzly Parkway. Although the Project will add additional housing units to the City, the target market for said development will not unreasonably increase its burden on the school system.

5. Whether the proposed rezoning is in conformity with the policy and intent of the land use plan.

Yes. The proposed development is consistent with and in furtherance of the policy and intent of the land use plan expressed in the 2045 Comprehensive Plan. The Project is within the

RZR2025-00030
RECEIVED SEPTEMBER 5, 2025
PLANNING & DEVELOPMENT DEPARTMENT

Downtown Character Area, which seeks to redevelop older properties in a manner that creates high quality, executive housing. The Project promotes walkability to the City's employment and entertainment centers while offering housing solutions for the "missing middle" identified in the 2045 Comprehensive Plan Downtown character area.

6. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either the approval or disapproval of the zoning proposal

Yes. The continued growth of the college corridor along Grizzly Parkway and the Depot District has greatly expanded the City's commercial offerings that now require additional houses and customers. The Project will provide much needed balance to the redevelopment of older properties along Grizzly Parkway and in Depot District.

North DTL is excited to bring this Project to the City Council for consideration. We believe that the Project is the next step in the redevelopment of the northern part of the Downtown area and implementation of the 2045 Comprehensive Plan. We look forward to working with the City and its staff to bring the Project to fruition. Should the City have any additional questions or need any additional information, please do not hesitate to contact me. I remain,

Very Truly Yours,

PLANNING COMMISSION

RECOMMENDED CONDITIONS_11032025

RZR2025-00030

Approval of a rezoning to CMU (Community Mixed-Use District), subject to the following enumerated conditions:

1. To restrict the use of the property as follows:

- A.** A maximum of one-hundred two (102) housing units, including a minimum of fourteen (14) single-family dwellings and a maximum of eighty-eight (88) rear-entry townhomes. These limits may be modified only through an approved rezoning of adjacent or nearby properties and a corresponding amendment to the master site plan.
- B.** The development shall be in general accordance with the submitted site plan received by the Department of Planning and Development, dated September 5, 2025, with variances necessary to meet zoning conditions and development regulations. Any changes shall be subject to review and approval by the Director of Planning and Development. The final design and exterior appearance shall be approved by the Director of Planning and Development.
- C.** All detached residential units shall have a two-car garage.

2. To satisfy the following site development considerations:

- A.** Natural vegetation shall remain on the property until the issuance of a development permit.
- B.** The homeowner's association shall repaint or repair any graffiti or vandalism in common areas within seventy-two (72) hours of notice from the City.
- C.** The required parking ratio shall be one and one half (1.5) spaces per unit.
- D.** Provide City Standard Pedestrian lighting along Grizzly Parkway, both sides

of North Clayton Street (to North Clayton Connector Road), and the south side of North Clayton Connector Road.

- E.** Building setbacks off internal streets or driveways shall be in general accordance with the submitted site plans and architectural renderings, and otherwise subject to review and approval of the Director of Planning and Development.
- F.** Any use or expansion of existing City owned water quality/quantity facilities shall be reviewed and approved by the City Engineer.
- G.** Pedestrian connections from the development to Grizzly Parkway and North Clayton Street shall be provided and shall be reviewed and approved by the City Engineer.
- H.** A minimum five-foot (5 ft.) sidewalk shall be provided (if not existing) along both sides of North Clayton Street from the end of North Clayton Street to North Clayton Connector Road.
- I.** Vehicle access to Grizzly Parkway or North Clayton Connector Road for alleyways, driveways, and the extensions shall be prohibited.
- J.** Internal alleyways shall be privately owned and maintained by the Homeowners Association.
- K.** The Developer shall coordinate and receive approval from the City Engineer to relocate and extend North Clayton Street. Dedicate Right-of-Way to the City

3. The following variances are approved:

- A.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, F.2. Allows for reduction of the net project acreage dedicated to Green/Common Space from 15% to 10%.
- B.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.11 CMU Community Mixed-Use District, C. Lot Development Standards, Footnote 11. Allows for reduction of building setbacks adjacent to a classified arterial or collector (Principal, Major, Minor) shall be zero (0 ft.) adjacent to Grizzly Parkway and North Clayton Connector Road. Alternatively, all setbacks may be administratively varied in accordance with footnote 5 of Table 102.5 C.2 and footnote 9 of Table 102.6 C.2 of the

Lawrenceville Zoning Ordinance.

- C.** A variance from Zoning Ordinance, Article 102.11 CMU Community Mixed-Use District, K. Landscape, Buffers, and Tree Protection. 2. Allows for a reduction of required buffers between CMU and RS-150 properties from 50 feet to zero feet.
- D.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. Allows for the reduction of the Minimum Lot Width for the detached single-family residential dwellings from fifty (50) feet to forty (40) feet.
- E.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. Allows for a reduction in the Minimum Lot Size for the detached single-family residential dwelling from three thousand, five hundred square feet (3,500 sq. ft) to two thousand, eight hundred forty square feet (2,840 sq. ft).
- F.** A variance from the Zoning Ordinance, Article 1 Districts, Section 102.5 RS-50 INF – One-Family Infill Residential District, B. Lot Development Standards. TH INF – Townhouse-Family Infill Residential District, B. Lot Development Standards. Allows for the reduction of the Minimum Lot/Unit Width for the attached townhouse residential dwelling units from twenty (20) feet to eighteen (18) feet.
- G.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, B. Lot Development Standards. Allows for reduction in the Minimum Lot Area from one thousand, six hundred square feet (1,600 sq. ft) to one thousand, four hundred and forty square feet (1,440 sq. ft).
- H.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, D. Lot Dimensional Standards. 1. RS-Townhouse Units – General. a. Allows front façade(s) of townhouse dwelling units to be either parallel or radial or perpendicular to a Public Street (Public Right-of-Way).
- I.** A variance from Zoning Ordinance, Article 1 Districts, Section 102.6 RS-TH INF – Townhouse-Family Infill Residential District, D. Lot Dimensional

Standards. 1. RS-TH Townhouse Units – General. c. Allows rear elevations of each townhouse dwelling unit shall consist of porch measuring 10 feet in width and 10 feet in depth rather than 18 feet in width and 10 feet in depth.

- J.** A variance from Zoning Ordinance, Article 504 Residential Parking and Driveways, 6. Allows for impervious surfaces in front yard area to be limited from 35% to 90%.

ZONING HISTORY

The subject property has been zoned BG (General Business District) since circa 1994, when the parcel was annexed into the city limits. Following the closure of a grocery store at the location circa 2014, the property has been the subject for several zoning and Special Use hearings. These include:

- 1. **SU-15-02:** APPROVAL of a Special Use Permit to Allow Self-Storage Facility (2015)
- 2. **SU-CIC-18-15:** APPROVAL of Special Use Permit/Change-In-Conditions to Allow Covered Outdoor Storage for RVs and Boats, Rear/Side Yards Only (5/2019)
- 3. **CIC2020-00006:** DENIAL of Change-in-Conditions to Allow Non-Covered Outdoor Storage for RVs and Boats (12/2020)

PROJECT SUMMARY

The applicant requests Special Use Permits for 420 Grayson Highway to allow for a Trade or Vocational School with associated Outdoor Storage. The subject property is an approximately 11.94-acre parcel zoned BG (General Business District), located along the eastern right-of-way of Grayson Highway at its intersection with Gwinnett Drive.

PROPOSED SITE PLAN

ZONING AND DEVELOPMENT STANDARDS

The property consists of an approximately 60,752 square-foot one-story retail building with accessory driveways and parking. The property is currently being used as a Self-Storage Facility and access is provided via curb-cuts extending from Grayson Highway at two separate locations.

The applicant intends to transition the use of the site to a Trade or Vocational School, specifically an apprenticeship training school for plumbers, pipefitters, and HVAC technicians. As a separate request, the applicant proposes utilizing the existing storage units to the north and south of the facility to support the daily operations of the school, including materials, tools, and equipment. The two requests are related and may be approved or denied independently; for example, City Council may choose to approve the use of property for a Trade School while denying the Outdoor Storage component.

Article 1 Districts, Section 103.2 Use Table

<i>Standard</i>	<i>Requirement</i>	<i>Proposal</i>	<i>Recommendation</i>
School, Trade or Vocational	Special Use Permit	Special Use Permit	<i>Approval w/ Conditions</i>
Outdoor Storage	Special Use Permit	Special Use Permit	<i>Approval w/ Conditions</i>

Article 2 Supplemental and Accessory Use Standards, Section 200.3, Subsection 200.3.55 Outdoor Storage (Retail) reads as follows:

In non-residential zoning districts (other than industrial), outdoor storage of equipment, materials and/or merchandise shall be subject to approval of a Special Use Permit.

Article 5 Parking, Section 508 Number of Off-Street Parking Spaces Required, Table 5-3

<i>Standard</i>	<i>GSF ¹</i>	<i>Requirement</i>	<i>Proposal</i>	<i>Recommendation</i>
Retail Sales and Services	60,752 GSF	1 space per 500 GSF (122 spaces)	1 space per 202 GSF (301 spaces)	N/A

¹ GSF – Gross Square Footage

The parking requirements for a Trade/Vocational School are determined by the number of classroom and auditorium seats, which have not yet been finalized. As such, the number of parking spaces required can be estimated based on the Gross Square Footage (GSF) of the existing building. With a total of three hundred one (301) parking spaces currently on the site, there is approximately one parking space available per 202 Gross Square Feet of building area. This generally exceeds the minimum requirements and adequately provides enough off-street parking.

The applicant intends to renovate and repurpose the existing structure to include offices, classrooms, shops, and other training areas. All structural changes must comply with current Building and Fire Codes and must be reviewed and permitted by the proper authorities (Lawrenceville and Gwinnett County). As indicated in the conceptual site plan, the site will be improved with additional tree and shrub plantings, where feasible.

Given that the subject property was initially developed without buffers with the residential properties directly to the north and south and the subsequent zoning hearings upheld this design, its current lack of these buffers may be considered legally nonconforming. The undeveloped buffer to the rear (eastern end) of the property shall be maintained in its entirety.

CITY OF LAWRENCEVILLE OFFICIAL ZONING MAP

SURROUNDING ZONING AND USE

The area surrounding the subject property consists of both commercial and residential uses and zoning categories. The western side of Grayson Highway is predominantly composed of retail/commercial uses in a BG zoning district, including the Lawrenceville Town Center shopping center. The eastern side is decidedly more mixed-use, including the Southtown Square apartment community (zoned OI – Office/Institutional District) and Central Gwinnett VFW 119 (zoned RS-150 – Single-Family Residential District) to the north of the subject property. To the south is an undeveloped 14-acre parcel zoned RM-8 (see **RZR2024-00022**) as well as the Wynfield Park residential subdivision, zoned RS-60 (Single-Family Residential District). Finally, the Acadia Woods residential subdivision abuts the property to its rear and is composed of single-family dwelling units zoned RS-150.

Overall, the proposed use may represent a suitable transition between the highway’s commercial corridor and the nearby residential areas if developed with appropriate design considerations.

LAWRENCEVILLE 2045 COMPREHENSIVE PLAN – FUTURE LAND USE PLAN MAP

2045 COMPREHENSIVE PLAN

The 2045 Comprehensive Plan and Future Development Map indicates the property lies within the Downtown character area, defined as such:

Lawrenceville’s Downtown character area serves as the historical and cultural heart of the city, preserving its unique charm while nurturing economic vitality. With a robust economy and a focus on community life, Downtown is a hub of cultural activities and commerce.

[The Downtown character area] emphasizes urbanist principles such as mixed-use zoning to encourage a diverse range of activities, pedestrian-friendly streetscapes for accessibility and leisure, a diverse array of cultural events and festivals to create a sense of place and community. Where appropriate, emphasize historic preservation to maintain architectural heritage.

Given that the subject property is located at the periphery of the Downtown character area — near its transition with the Traditional Residential and Commercial Corridor character areas — the proposed use of a Trade/Vocational School with Outdoor Storage may be considered conditionally appropriate.

STAFF RECOMMENDATION

The request to allow a Trade/Vocational School with associated Outdoor Storage at 420 Grayson Highway is consistent with the intent of the BG (General Business District) and generally aligns with the transitional nature of the area between the commercial corridor and nearby residential neighborhoods. The proposed use would repurpose an existing commercial structure for educational and workforce training purposes, supporting economic development and providing a productive reuse of a long-underutilized structure and long-overdue improvements to the site.

Given the aforementioned factors, the Planning and Development Department recommends **APPROVAL WITH CONDITIONS** for both requests.

STATE CODE 36-67-3 (FMR.) REVIEW STANDARDS:

- 1. Whether a zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;**

The proposed Trade/Vocational School would be suitable in view of surrounding uses, as it provides an appropriate transition between the commercial corridor along Grayson Highway and nearby residential neighborhoods while repurposing an existing commercial structure for educational use.

- 2. Whether a zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;**

The proposed use is not expected to adversely affect adjacent or nearby properties, as operations will occur primarily indoors within the existing structure, and appropriate buffering and screening can mitigate any potential impacts from limited outdoor storage.

- 3. Whether the property to be affected by a zoning proposal has a reasonable economic use as currently zoned;**

The property has a reasonable economic use as currently zoned for general business; however, approval of these Special Use Permits would allow for a more productive reuse of an underutilized commercial building.

- 4. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;**

Impacts on public facilities would be anticipated in the form of traffic and utility demand; however, these impacts may be mitigated with appropriate conditions, site development requirements, and planning.

5. Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan;

The proposal is generally consistent with the policy and intent of the Comprehensive Plan, as it supports employment and educational opportunities within the Downtown character area while providing an appropriate transitional use near commercial and residential zones.

6. Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal;

Existing conditions, including the property's prior commercial use, ample parking, and proximity to both commercial and residential areas, support approval of the proposal as an adaptive reuse that aligns with the area's evolving mixed-use character.

Unlike other rezoning proposals at the location, the intent is not to expand the scope or visibility of the Outdoor Storage on the site.

RE: Letter of Intent — Special Use Permit Application for 420 Grayson Hwy

To Whom It May Concern,

On behalf of the Mechanical Trades Institute, Joint Apprenticeship & Training Trust (MTI-JATT), this letter is submitted in support of our Special Use Permit (SUP) application for the property located at 420 Grayson Highway, Lawrenceville, GA.

This request is connected to the previously submitted case (SUP2025-00111), which seeks approval to establish an apprenticeship training school within the existing building. The present application is focused specifically on the existing storage units located on the north and south sides of the building, which are already in place on the property.

The property is currently classified and used as a storage facility. MTI-JATT proposes to change the use of the site to establish an apprenticeship training school that will serve as a state-of-the-art educational facility for training plumbers, pipefitters, and HVAC technicians.

Purpose of This Request

The intent of this SUP is to ensure that the existing storage units are formally recognized as part of the site program associated with the training facility. These units will continue to be used for storage to support the daily operations of the school, including materials, tools, and equipment required for hands-on training in plumbing, pipefitting, and HVAC systems.

Relationship to SUP2025-00111

This request is not a separate use but a companion to SUP2025-00111. Together, the two cases reflect a comprehensive plan for repurposing the property:

- SUP2025-00111 covers the renovation of the main building into classrooms, offices, and shop areas for training.
- This SUP addresses the existing storage units, ensuring their continued use is properly aligned with zoning requirements and incorporated into the approved educational program.

Site Utilization

- The existing structures will be renovated and repurposed to include offices, classrooms, shops, and training areas. Including the existing storage units, ensuring their continued use. Proposed upgrades will focus on enhancing safety and security, while ensuring the existing storage units are fully utilized to support training operations and equipment needs.
- All proposed site modifications will comply with zoning, life safety, accessibility, and building code requirements.

Commitment

MTI-JATT is committed to working collaboratively with the City of Lawrenceville to ensure that both applications are coordinated, consistent with city ordinances, and beneficial to the surrounding community. These approvals will allow the property to be transformed into a unified, state-of-the-art training facility while maintaining necessary support infrastructure.

We respectfully request your favorable consideration of this application, in connection with SUP2025-00111, to allow the existing storage units to remain in use as an integral part of the training center.

Thank you for your time and consideration.

RE: Letter of Intent – Special Use Permit Application for 420 Grayson Highway

To Whom It May Concern,

On behalf of the Mechanical Trades Institute, Joint Apprenticeship & Training Trust (MTI-JATT), this letter is submitted in support of our Special Use Permit (SUP) application for the property located at **420 Grayson Highway, Lawrenceville, GA.**

The property is currently classified and used as a **storage facility**. MTI-JATT proposes to change the use of the site to establish an **apprenticeship training school** that will serve as a state-of-the-art educational facility for training **plumbers, pipefitters, and HVAC technicians**.

Purpose and Community Benefit

The mission of MTI-JATT is to provide high-quality, hands-on education that equips apprentices with the technical skills and certifications necessary to succeed in the mechanical trades. This training center will:

- Create a direct pipeline of skilled labor to meet the growing workforce demand in Gwinnett County and the surrounding region.
- Offer career opportunities for local residents through earn-while-you-learn apprenticeship programs.
- Strengthen partnerships with contractors, businesses, and the community by supplying qualified, safety-trained professionals.
- Positively contribute to the local economy by increasing workforce readiness and supporting infrastructure development.

Site Utilization

- The existing structure will be renovated and repurposed to include offices, classrooms, shops, and training areas.
- Dedicated shop spaces will provide hands-on training in plumbing, HVAC, and pipefitting.
- Adequate parking and site circulation will be maintained to accommodate students, faculty, and staff.
- All proposed site modifications will comply with zoning, life safety, accessibility, and building code requirements.

Commitment

We understand the importance of thoughtful planning in the City of Lawrenceville. MTI-JATT is committed to ensuring the facility operates in full compliance with applicable ordinances, enhances the surrounding community, and fulfills the requirements set forth by the City for Special Use Permits.

We respectfully request your favorable consideration of this application so that we may move forward with transforming this facility into a vibrant educational institution that benefits both students and the community.

Thank you for your time and consideration.

Sincerely,

Kabir Small

Outdoor storage shall be limited to orderly stacked pipe storage ~~the existing storage units~~ in the rear/side yards only, shown on the submitted site plan titled "420 Grayson Highway" prepared by "W&A Engineering", dated September 2, 2025. Outdoor storage outside this area is prohibited. Outdoor repair of equipment shall be prohibited.
- B. The Special Use Permit shall apply exclusively to the operation of the Mechanical Trades Institute (Applicant) and its affiliated corporations or various corporations and subsidiaries on the subject property. In the event of a sale, transfer, or conveyance of the business or property to another entity or owner, this Special Use Permit shall automatically expire. The Applicant shall notify the City's Planning and Development Department within thirty (30) days of transfer of property. The Special Use Permit shall be specific to operation of the Mechanical Trades Institute (Applicant) on the subject property, and in the event of a transfer, this Special Use Permit shall expire. The Applicant shall notify the City's Planning and Development Department within thirty (30) days of transfer of property ownership and operation. The Applicant's failure to notify the City's Planning and Development Department of the sale, transfer, or conveyance of the business or the property shall authorize the Director of the Planning and Development Department to recommend withdrawal of the Special Use Permit in accordance with Article 9 (Administration and Enforcement) of the City of Lawrenceville Zoning Ordinance, by presenting the withdrawal request to the City Council for a decision.
- C. In the event that the property is issued three (3) citations by the City's Code

VICINITY MAP

ZONING HISTORY

The subject property has been zoned BG (General Business District) since 1987, the earliest zoning record on file for the parcel. In 2018, a Special Use Permit to allow expanded use of the property for auto inventory (Outdoor Storage) was denied, pursuant to **SU-18-17**.

PROJECT SUMMARY

The applicant requests a Special Use Permit for 899 Grayson Highway to allow for an Auto Broker’s Office with no stored inventory at the subject property. The subject property is an approximately 0.39-acre parcel zoned BG (General Business District), located along the western right-of-way of Grayson Highway, north of its intersection with Plantation Boulevard/Park Place Drive.

ZONING AND DEVELOPMENT STANDARDS

The property consists of a 1,581 square-foot one-story office building, accessory driveways, and parking. The applicant requests a Special Use Permit for the subject property to allow its use as the administrative offices of Skylion Co, LLC, a licensed vehicle broker.

Article 1 Districts, Section 103.2 Use Table

<i>Standard</i>	<i>Requirement</i>	<i>Proposal</i>	<i>Recommendation</i>
Automobile Sales or Auction and Related Service (outdoor sales) Including Autobroker	BG- Special Use Permit	BG- Special Use Permit	<i>Denial</i>
Automobile Sales or Auction and Related Service (indoor only) Including Autobroker	LM & HM Zoning Districts Only	N/A	N/A

Article 2 Supplemental and Accessory Use Standards, Section 200.3, Subsection 200.3.8 Automobile Sales or Auction and Related Service (Used or New Outdoor Car Outdoor Sales Lot) reads as follows:

- A. No used car lots are permitted within 100 feet of any residential property.
- B. No lots smaller than 25,000 square feet.
- C. All buildings must have a permanent foundation. Architectural exterior treatments must consist of brick, or stone.
- D. The building must be at least 1000 square feet.
- E. No metal building facades; and
- F. A 15-foot landscape buffer shall be provided fronting the street.

Article 2 Supplemental and Accessory Use Standards, Section 200.3, Subsection 200.3.9 Automobile Sales (Indoor) or Auction and Related Service reads as follows:

- A. No used car lots are permitted within 100 feet of any residential property.
- B. No lots smaller than 25,000 square feet.
- C. All buildings must have a permanent foundation. Architectural exterior treatments must consist of brick, or stone.
- D. The building must be at least 1000 square feet.
- E. No metal building facades; and
- F. A 15-foot landscape buffer shall be provided fronting the street.
- G. Auto repair shall be prohibited.
- H. Display and outdoor storage shall be prohibited.

The subject property is both directly adjacent to residential properties (the unincorporated Oakland Woods residential subdivision, to the rear) and, at 16,988 square feet / 0.39 acres in size, does not meet the 25,000 square foot / 0.57 acre minimum lot size. Given the current supplementary standards governing auto brokers and related uses, approval of the proposal will require rezoning the property to LM or HM and/or amendments to both Article 1 and Article 2.

CITY OF LAWRENCEVILLE OFFICIAL ZONING MAP

SURROUNDING ZONING AND USE

The immediate surrounding area consists primarily of commercial/retail uses zoned BG (General Business District) along Grayson Highway, with single-family residential uses and zoning districts further away from the main throughfare. The aforementioned Oakland Woods residential subdivision to the rear of the property is zoned Gwinnett County R-75 (Single-Family Residential) district, analogous to the City of Lawrenceville R-150 zoning district. Further, Meadowbrook Baptist Church occupies the lot directly across the street from the subject property, located within a RS-150 residential zoning district. Given the proximity of residential land uses and zoning districts, the proposal may be incompatible for the area.

LAWRENCEVILLE 2045 COMPREHENSIVE PLAN – FUTURE LAND USE PLAN MAP

2045 COMPREHENSIVE PLAN

The 2045 Comprehensive Plan and Future Development Map indicate the property lies within the Commercial Corridor character area, defined as such:

The commercial corridor character area corresponds to a major road corridor into the city. It is intended to accommodate large-scale commercial uses that serve the traveling public via automobiles. These uses include, but are not limited to, big box’ retail stores, car dealerships, car washes, and large corporate offices. All such uses require careful site planning to ensure interconnectivity and compliance with applicable parking, lighting, landscaping, and signage standards. Commercial corridors are typically less pedestrian-oriented than neighborhood and community centers.

Uses related to automobiles may be appropriate for the Commercial Corridor character area.

STAFF RECOMMENDATION

The requested Special Use Permit to allow an Auto Broker's Office at 899 Grayson Highway is inconsistent with current zoning and supplemental standards, as the property is undersized, directly abuts residential uses, and would require rezoning or ordinance amendments to operate legally. Therefore, the Planning and Development Department recommends **DENIAL** of this request.

STATE CODE 36-67-3 (FMR.) REVIEW STANDARDS:

- 1. Whether a zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;**

The proposed Auto Broker's Office is not suitable in view of the adjacent and nearby properties, as it directly abuts residential uses, which may be negatively impacted by increased traffic and commercial activity associated with the use.

- 2. Whether a zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;**

The proposed use may adversely affect the existing residential and institutional properties nearby due to its proximity to homes, introducing potential noise, traffic, and aesthetic impacts inconsistent with surrounding land uses.

- 3. Whether the property to be affected by a zoning proposal has a reasonable economic use as currently zoned;**

The property has reasonable economic use as currently zoned.

- 4. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;**

Impacts on public facilities would be anticipated in the form of traffic and utility demand; however, these impacts may be mitigated with appropriate conditions, site development requirements, and planning.

5. Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan;

Policies of the Commercial Corridor Character Area are intended to provide a center for a variety of retail activities. As such, the proposed Special Use Permit allowing an Auto Broker's Office at this location could be consistent with the 2045 Comprehensive Plan.

6. Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal;

Given the current state of supplementary regulations governing auto sales, including auto brokers, the subject property is not eligible for such a use. Further, City Council has continuously reinforced a precedent for denial of such uses – including at the subject property.

**Letter of Intent
Request for Special Use Permit**

To Whom It May Concern:

On behalf of **Skylion Co, LLC**, we respectfully submit this Letter of Intent in support of our application for a **Special Use Permit** for the property located at **899 Grayson Highway, Lawrenceville, GA 30045**.

Our company is a **licensed vehicle broker**, and our operations are strictly limited to providing **administrative and legal services** related to vehicle transactions. These activities include assisting clients with documentation, title processing, registration, licensing, and other required paperwork.

We would like to emphasize the following:

1. No vehicle sales, storage, or display will take place on the premises. The property will not be used for showcasing inventory or operating as a car lot.
2. The property will be used exclusively as office space. All activities will be administrative in nature, including client consultations and paperwork processing.

SUP2025-00113
RECEIVED SEPTEMBER 5, 2025
PLANNING & DEVELOPMENT DEPARTMENT

3. No structural modifications or redesigns are planned. The property is already configured for office use, and we intend to maintain it as such without any physical alterations.

4. Minimal impact on surrounding properties. Since our business does not involve the movement of vehicles in or out of the property, it will not generate significant traffic, noise, or disturbances.

We believe that this proposed use is consistent with the intent of the zoning regulations and will ensure that the property contributes positively to the local business environment.

For these reasons, we respectfully request approval of our **Special Use Permit** application. Please feel free to contact us should you require any additional information or supporting documentation.

Thank you for your time and consideration.

Respectfully submitted,

Douglas Garcia

VICINITY MAP

ZONING HISTORY

The subject property has been zoned BG (General Business District) since 2002, the earliest zoning record on file for the parcel. **SUP2023-00083** was approved on 12/13/2023, allowing a special events facility at the address. The Special Use Permit was conditioned with a two-year sunset, which expires December 2025, necessitating this SUP renewal (submitted 9/5/2025).

PROJECT SUMMARY

The applicant requests a Special Use Permit for 3315 Sugarloaf Parkway to allow for the continued operation of a Special Event Facility/Banquet Hall. The subject property is an approximately 4.63-acre parcel zoned BG (General Business District), located along the eastern right-of-way of Five Forks Trickum Road, near its intersection with Sugarloaf Parkway.

ZONING AND DEVELOPMENT STANDARDS

The property consists of a 29,099 square-foot one-story retail building, accessory driveways, and parking.

Article 1 Districts, Section 103.2 Use Table

<i>Standard</i>	<i>Requirement</i>	<i>Proposal</i>	<i>Recommendation</i>
Special Event Facility	Special Use Permit	Special Use Permit	<i>Approval w/ Conditions</i>

Article 2 Supplemental and Accessory Use Standards, Section 200.3, Subsection 200.3.73 Special Event Facility reads as follows:

- A. Such facilities shall be located on a principle arterial, major arterial, minor arterial, major collector street, or a state highway.*
- B. During inclement weather, there shall be sufficient space to safely shelter guests.*
- C. Adequate permanent restroom facilities shall be provided, which shall meet the minimum requirements of the Gwinnett County Environmental Health section and building code requirements.*
- D. Adequate off-street parking facilities shall be provided on-site.*
- E. Such facilities shall meet the Lawrenceville Code of Ordinance: Special Events Facilities.*

F. Alcohol sales and consumption on the premises of a special event facility outside the Downtown Entertainment District is prohibited in HSB and HM zoning district.

The applicant occupies Suite 15 of the Markets of Sugarloaf shopping center, a 2,886 square foot retail space. They are requesting a renewal for the Special Use Permit approved in December 2023 that allowed a Special Event Facility/Banquet Hall at this location (SUP2023-00083). Access to the property is provided via curbs-cuts extending from Sugarloaf Parkway and Five Forks-Trickum Road.

As proposed, the parking regulations require twenty-nine (29) parking spaces for this type and size of facility, however, the existing parking lot consists of 151 parking spaces, which exceeds the minimum requirements and adequately provides enough off-street parking. Additionally, all associated parking spaces are in front of the building.

The proposal satisfies the minimum requirement of the Supplemental and Accessory Use Standards (the Standards) requiring Special Event Facilities/Banquet Halls be located along a properly classified road, as well as providing adequate restroom facilities. Additionally, the Standards require compliance with the intent of the Code of Ordinance as it relates to Special Event Facilities/Banquet Halls. The adoption of the 2020 Zoning Ordinance allows Special Events Facilities/Banquet Halls to operate throughout the city limits in specific zoning classifications, which includes the BG zoning classification. However, if the applicant chooses to serve alcohol during events an Alcoholic Beverages License allowing the retail sales of alcoholic beverages for consumption shall be required.

CITY OF LAWRENCEVILLE OFFICIAL ZONING MAP

SURROUNDING ZONING AND USE

The immediate surrounding area consists primarily of commercial/retail uses zoned BG (General Business District), with residential uses zoned RS-60 (Single Family Residential District) located to the north and northeast of the subject property (Courtyards at Sugarloaf subdivision). Furthermore, the property is adjacent to several properties in unincorporated Gwinnett County; there are single family houses zoned RS-75 (Single Family Residential District) on the western right-of-way of Five Forks-Trickum Road, a retail center zoned C1 (Neighborhood Business District) at the southeastern corner of Sugarloaf and Five Forks-Trickum Road, and a residential subdivision (Villages of Flowers Crossing) zoned RZT (Single Family Residential District) on the southern right-of-way of Sugarloaf Parkway. The mixture of zoning and uses in the immediate area further support the requested Special Use Permit.

LAWRENCEVILLE 2045 COMPREHENSIVE PLAN – FUTURE LAND USE PLAN MAP

2045 COMPREHENSIVE PLAN

The 2045 Comprehensive Plan and Future Development Map indicates the property lies within the Commercial Corridor character area, defined as such:

The commercial corridor character area corresponds to a major road corridor into the city. It is intended to accommodate large-scale commercial uses that serve the traveling public via automobiles. These uses include, but are not limited to, big box’ retail stores, car dealerships, car washes, and large corporate offices. All such uses require careful site planning to ensure interconnectivity and compliance with applicable parking, lighting, landscaping, and signage standards. Commercial corridors are typically less pedestrian-oriented than neighborhood and community centers.

The proposed use may be appropriate for the Commercial Corridor character area.

STAFF RECOMMENDATION

As submitted, the proposal to renew the SUP for a Special Event Facility/Banquet Hall at this location is appropriate, as it is in a mixed-use area along Sugarloaf Parkway. It is located within the Commercial Corridor character area, which is appropriate for smaller-scale retail uses such as banquet halls. Furthermore, there is precedent for City Council approving (and renewing) such uses in similar zoning districts and there have been no Code Enforcement cases open regarding the use since the approval of the original Special Use Permit in December 2023.

Given the aforementioned factors, the Planning and Development Department recommends **APPROVAL WITH CONDITIONS** of this request.

STATE CODE 36-67-3 (FMR.) REVIEW STANDARDS:

- 1. Whether a zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;**

In light of the mixture of uses and zoning in the immediate area, the requested Special Events Facility could be suitable for the area.

- 2. Whether a zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;**

With the recommended conditions, potential impacts on adjacent and nearby properties could be minimized.

- 3. Whether the property to be affected by a zoning proposal has a reasonable economic use as currently zoned;**

The property has reasonable economic use as currently zoned.

- 4. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;**

Impacts on public facilities would be anticipated in the form of traffic and utility demand; however, these impacts may be mitigated with appropriate conditions, site development requirements, and planning.

5. Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan;

Policies of the Commercial Corridor Character Area are intended to provide a center for a variety of retail activities. As such the proposed Special Use Permit allowing a Special Event Facility/Banquet Hall at this location could be consistent with the 2045 Comprehensive Plan.

6. Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal;

In December 2023, SUP2023-00083 was approved for a Special Event Facility/Banquet Hall at this location. This Special Use Permit expires in December 2025 due to its two-year sunset clause. Since the original Special Use Permit, there have been no Code Enforcement cases opened at the location that are related to the use.

Additionally, SUP2024-00086 was renewed for the same Special Use in June 2024 at a location close both in physical distance and general character to the subject property.

To whom it may concern,

I am writing to express my intent to pursue a zoning change for the property located at 3315 Sugarloaf Parkway, Suite 15, Lawrenceville, GA 30044. I have a compelling vision for transforming this location into a vibrant event space business that will not only contribute to the economic growth of our community but also serve as a gathering place for our residents.

The proposed zoning change would involve reclassifying the current zoning designation from Community center to Event Space. This change aligns with the city's long-term development goals and supports the diversification of local businesses.

The development of this event space business aims to cater to a wide range of events, including weddings, corporate meetings, cultural gatherings, and community celebrations. Our vision includes:

- **Architectural Enhancements:** We have already renovated and upgraded the existing structure to create an inviting and aesthetically pleasing event space that complements the surrounding neighborhood.
- **Ample Parking and Accessibility:** Our location ensure sufficient on-site parking and ADA-compliant access to accommodate guests, making it convenient and inclusive for all.
- **Sound and Noise Control:** Have already Implemented in the facility soundproofing measures to minimize noise disturbances to nearby residents during events.
- **Environmental Sustainability:** Commitment to eco-friendly practices, such as energy-efficient lighting and waste reduction, to minimize the environmental impact.
- **Economic Impact:** The event space will create job opportunities, boost tourism, and generate tax revenue for the city.

To initiate this process, I am committed to working closely with the City Planning & Development Department and following all required procedures, including conducting

necessary environmental impact assessments and public hearings to gather feedback from the community.

I believe that this proposed zoning change and development will contribute positively to our city's growth and enhance our community's quality of life. I am eager to collaborate with the city and its residents to bring this project to fruition.

Thank you for your consideration of my letter of intent. I look forward to discussing this proposal further and working together to make our shared vision a reality. Please feel free to contact me at 678-779-3630 or Edgedevents@gmail.com to arrange a meeting at your earliest convenience.

SURROUNDING ZONING AND USE

The immediate surrounding area consists primarily of commercial/retail uses zoned BG (General Business District) and HSB (Highway Service Business District). There are limited residential uses in the general area, including properties zoned RS-150 (Single Family Residential District) and RM-12 (Multifamily Residential District) to the north, along Hurricane Shoals Road. Furthermore, there are also intensive industrial uses zoned HM (Heavy Manufacturing District) to the east and southeast, along Maltbie Street. Further west, there are medical uses in the form of Northside Hospital Gwinnett and other medical facilities, which are typically zoned OI (Office Institutional District). Overall, the immediate area surrounding the subject property is predominantly commercial in nature.

LAWRENCEVILLE 2045 COMPREHENSIVE PLAN – FUTURE LAND USE PLAN MAP

2045 COMPREHENSIVE PLAN

The 2045 Comprehensive Plan and Future Development Map indicates the property lies within the Commercial Corridor character area, defined as such:

The commercial corridor character area corresponds to a major road corridor into the city. It is intended to accommodate large-scale commercial uses that serve the traveling public via automobiles. STATE CODE 36-67-3 (FMR.) REVIEW STANDARDS:

- 1. Whether a zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;**

In light of the mixture of uses and zoning in the immediate area, the requested Special Events Facility could be suitable for the area.

- 2. Whether a zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;**

With the recommended conditions, potential impacts on adjacent and nearby properties could be minimized.

- 3. Whether the property to be affected by a zoning proposal has a reasonable economic use as currently zoned;**

The property has reasonable economic use as currently zoned.

- 4. Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;**

Impacts on public facilities would be anticipated in the form of traffic and utility demand; however, these impacts may be mitigated with appropriate conditions, site development requirements, and planning.

5. Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan;

Policies of the Commercial Corridor Character Area are intended to provide a center for a variety of retail activities. As such the proposed Special Use Permit allowing a Special Event Facility/Banquet Hall at this location could be consistent with the 2045 Comprehensive Plan.

6. Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal;

In December 2023, SUP2023-00084 was approved for a Special Event Facility/Banquet Hall at this location. This SUP expires in December 2025 due to its two-year sunset clause. Since approval of the original SUP, there have been no Code Enforcement cases opened at the location that are related to the use.

Additionally, SUP2024-00086 was renewed for the same Special Use in June 2024 at a location close in general character to the subject property.

RE: Letter of Intent

To Whom It May Concern:

We are writing to provide a letter of intent from Nexxt Level Investment Holdings Group LLC DBA The Nexxt Space. We appreciate the Council Members time and the opportunity to discuss information regarding The Nexxt Space. We are excited to bring a new multi-purpose venue to the City of Lawrenceville that will be located at 575 W. Pike Street; Suite 21 in the Township Village Shopping Center. The venue will be a chic, modern, and versatile space designed to accommodate a variety of needs from networking events, small business expos, 501(c)3 fundraisers, retirement celebrations, corporate meetings and conferences to intimate micro weddings, anniversaries, little league sports banquets, bar mitzvahs, and other celebrations. The space will feature venue rental, decor, audiovisual equipment, customizable layouts of tables and chairs, and ample parking.

Our mission is to create a welcoming atmosphere that is chic, modern, affordable, and inclusive for the residents, businesses, and other community members. Our goal is to provide excellent customer service and we aim to become the go-to space for creatives. The Nexxt Space is a majority women owned LLC who have been passionate about event planning, design, and execution for as long as we can remember. We are turning our decades-long passion projects into our purpose. However, we now know it's not just a passion—it's our calling.

Sincerely,

The Nexxt Space

AGENDA REPORT

MEETING: REGULAR MEETING, NOVEMBER 19, 2025

AGENDA CATEGORY: PUBLIC HEARING NEW BUSINESS

Item:	Amendment to Natural Gas Ordinance – Large Volume Industrial Customers
Department:	Finance
Date of Meeting:	Wednesday, November 19, 2025
Fiscal Impact:	N/A
Presented By:	Keith Lee, Chief Financial Officer
Action Requested:	Approval of changes to natural gas ordinance for large volume industrial customers

Summary: Lawrenceville continues to see increasing interest from large industrial users whose annual natural gas usage patterns materially differ from our traditional commercial base. To maintain competitiveness, provide appropriate rate structure clarity, protect cost recovery, and ensure the City can legally execute custom facility / service agreements when necessary, staff has prepared an ordinance amendment establishing a specific tariff class and surcharge structure for Large Volume Industrial Customers.

The attached ordinance amendment:

- defines a “Large Volume Industrial Customer” qualification threshold
- formalizes the City’s ability to require a Facilities Agreement (to recover capital costs where needed)
- updates the surcharge table to establish a dedicated LVIC surcharge rate
- clarifies special-rate authority for off-season, system-beneficial loads (subject to Council approval)

This amendment does not place additional burden on existing residential or commercial ratepayers. It provides a clear and lawful framework to:

- negotiate industrial service terms

- ensure capital cost recovery
- protect the system during peak periods
- leverage shoulder-season / off-season load to reduce transportation cost per unit

Fiscal Impact: N/A

ORDINANCE _____

ORDINANCE TO AMEND CHAPTER 38 AND SECTION 240 TO THE ESTABLISHMENT OF A NEW RATE TARIFF FOR NATURAL GAS SERVICE TO LARGE VOLUME INDUSTRIAL CUSTOMERS

The City Council of the City of Lawrenceville, Georgia hereby ordains that the Code of the City of Lawrenceville, Georgia shall be amended as follows and become effective on January 1, 2026, or after based on the City’s Manager’s determination; however, in no event later than July 1, 2026, unless modified by City Council:

Section 1:

That subsection 38-240(b) related to application is hereby amended by adding the following:

- (5) A Large Volume Industrial Customer meets the minimum average annual usage threshold of 250 MCF/day, will receive interruptible service; and, if additional facilities are required to serve said Customer, the City may require the Customer to execute a Natural Gas Facilities Agreement and pay all related costs.

Section 2:

That subsection 38-240(c)(2) related to surcharges is hereby amended by deleting subsection (c)(2) in its entirety and replacing the language to read as follows:

- (2) *Surcharge.* In addition to the cost calculated pursuant to subsection (1) above, an additional surcharge shall be charged to each customer for each MCF used. This surcharge is the cost charged by the City for providing the services from the point of delivery of the units to the city on the transportation system to the customers residential or commercial site for utilization. This rate is subject to modification after a public hearing before the City Council, which meeting shall be properly advertised for the purpose of notification of gas customers. The surcharge is effective on July 1 of each year and shall be:

	2025	2026	2027
Residential and commercial	\$4.20	\$4.35	\$4.50
Large volume industrial customers	\$3.33	\$3.33	\$3.33

Section 3:

That subsection 38-240(c)(4) related to surcharges is hereby amended by deleting subsection (c)(4) in its entirety and replacing the language to read as follows:

(4) *Special rates.*

- a. The City Manager is authorized to enter into specific contracts with customers for gas rates that differ from subsections (1), (2) and (3) above in the event the customer can demonstrate that they utilize a large quantity of natural gas during off-season periods when demand is lower and the utilization of the natural gas assists the City in covering the cost of transportation. This special rate procedure shall only be authorized after a written agreement is submitted to the City Council for review and approval.

Section 4:

All ordinances, regulations, or parts of the same in conflict with this ordinance are hereby rescinded to the extent of said conflict and only to the extent of said conflict.

Section 5:

If any section, article, paragraph, sentence, clause, phrase, or word in this ordinance, or application thereof to any person or circumstance is held invalid or unconstitutional by a Court of competent jurisdiction, such holding shall not affect the validity of the remaining portions of this ordinance; and the City Council hereby declares it would have passed such remaining portions of the ordinance despite such invalidity, which remaining portions shall remain in full force and effect.

Section 6:

This ordinance shall become effective upon its adoption by the City Council.

IT IS SO ORDAINED this 19th day of November, 2025.

David R. Still, Mayor

Attest:

Karen Pierce, City Clerk

ARTICLE IX. NATURAL GAS UTILITY

Sec. 38-240. Natural gas ordinance.

- (a) *Purpose.* The purpose of this article is to insure the safe, reliable and efficient distribution of natural gas to the natural gas customers of the City.
- (b) *Application.*
- (1) For projects to be constructed inside the City limits, the application shall cross reference the plats filed in the City Planning and Development Department.
 - (2) For projects to be constructed outside the City limits, the contractor or developer shall submit a final plat to the Gas Department showing the lot numbers and addresses of the lots in the subdivision.
 - (3) The Gas Department shall review the application, the plats, and approve the application. An approved City Official shall sign any contracts.
 - (4) Should the Gas Department refuse to approve an application, the contractor or developer may appeal to the City Council for review of the Department's decision. The appeal must be submitted in writing to the City Clerk within ten days of the Department's decision.

(5) A Large Volume Industrial Customer meets the minimum average annual usage threshold of 250 MCF/day, will receive interruptible service; and, if additional facilities are required to serve said Customer, the City may require the Customer to execute a Natural Gas Facilities Agreement and pay all related costs.

- (c) *Rates.*
- (1) *Base consumption rate.* The base consumption rate for natural gas charges to all customers shall be the actual cost of gas per unit paid by the City. The rate per unit is calculated by the Municipal Gas Authority of Georgia and submitted to the City in the form of an invoice for all natural gas units consumed by the City natural gas system. The invoice of the Municipal Gas Authority of Georgia shall include all costs of transportation, regulatory fees and all charges for the units of natural gas consumed. The calculation shall be reduced to a unit measure of 1,000 cubic feet ("MCF").

(2) Surcharge. In addition to the cost calculated pursuant to subsection (1) above, an additional surcharge shall be charged to each customer for each MCF used. This surcharge is the cost charged by the City for providing the services from the point of delivery of the units to the city on the transportation system to the customers residential or commercial site for utilization. This rate is subject to modification after a public hearing before the City Council, which meeting shall be properly advertised for the purpose of notification of gas customers. ~~(4) *Special rates.*~~

- a. ~~The City Manager is authorized to enter into specific contracts with customers for gas rates that differ from subsections (1), (2) and (3) above in the event the customer can demonstrate that they utilize a large quantity of natural gas during off-season periods when demand is lower and the utilization of the natural gas assists the City in covering the cost of transportation. In addition, the City Manager shall be authorized to enter into contracts with large volume customers at preferred rates. This special rate procedure shall only be authorized after a written agreement is submitted to the City Council for review and approval.~~
- b. ~~As of the adoption of this article, the City has a special rate for Publix Distribution Center facility, Ricoh and the Gwinnett County Hospital System. Contracts with these three specialized users are hereby approved consistent with the contracts that have already been reviewed by the City Council. Specialized contracts for specialized rates must be reduced to writing and be available for review at the City Clerk's Office.~~

- (5) *Permit fee.* If the Gas Department approves the application, it shall notify the contractor or developer in writing. The Gas Department shall also assess a permit fee based on the number of linear feet of

pipe needed for construction of the pipeline. The Gas Department shall set and publish permitting fees based on linear feet of pipe and shall be the exclusive agent for installing and supplying pipe. Upon payment of the permitting fee, the City shall install the pipe and connect it to the City's system. This permit fee may be waived by the Department Director of the Gas Department provided the contractor or developer installs sufficient natural gas appliances to qualify for the City's Marketing Program.

- (6) *Inspection.* The City Gas Department is authorized to inspect and access all gas lines and meters at any time.
- (7) *Minimum monthly charge.* The minimum monthly charge will be the Base Service Charge.
- (8) *Senior discount.* Persons aged 65 years of age or older may request a discount. To qualify for the discount the customer must:
 - a. Have a total household income at or below 150 percent of the current year's federal poverty guidelines.
 - b. Have a residential City gas account for a primary residence in the customer's name.
 - c. Have gas service from a single meter that is installed for individual use.
 - d. Complete a senior/low-income discount application form.
- (d) *Terms of payment.* If the account is not paid by the due date, a late fee in the amount specified in this Code will be added to the account. Further failure to pay a bill will subject the customer to disconnection and/or disconnection charges specified in this Code.
