AGENDA REPORT

MEETING: REGULAR SESSION, AUGUST 22, 2022

AGENDA CATEGORY: CONSENT AGENDA

Item:	Purchase of Diaphragm Gas Meters on an Annual Contract
Department:	Gas
Date of Meeting:	Monday, August 22, 2022
Fiscal Impact:	\$273,602.00
Presented By:	Todd Hardigree, Gas Director
Action Requested:	Award Purchase of Diaphragm Gas Meters on an Annual Contract to Equipment Controls Company, Inc. for line items 1 & 2 in the amount of \$197,804.00 and Elster American Meter Company, LLC for line item 3 in the amount of \$75,798.00.

Summary: This contract provides commercial/industrial and residential diaphragm meters for the Gas Department on an as-needed basis. The solicitation was sent out with an escalation/de-escalation clause to account for market fluctuations in the supply chain.

Fiscal Impact: Amount of \$273,602.00. This contract is funded by the Domestic Meters/Regulators Fund (5154700.531161), the Industrial Meters/Regulators Fund (5154700.531163), and Capital Outlay (5154700.541000).

Background: The suppliers of the previous contract for these items could not renew with their stated fixed pricing due to fluctuations in the cost of materials and supply chain constraints.

AGENDA REPORT

MEETING: REGULAR SESSION, AUGUST 22, 2022

AGENDA CATEGORY: CONSENT AGENDA

Item:	DJI Matrice M30T Drones
Department:	Police
Date of Meeting:	Monday, August 22, 2022
Fiscal Impact:	\$29,314.00
Presented By:	Captain Phil Byers
Action Requested:	Approval to Purchase Two (2) DJI Matrice M30T Drones with Two (2) Extra Batteries to be Funded by Federal Asset Forfeiture 210-111111

Summary: These drones will assist our officers with monitoring crowds at several City events, upcoming walking trails and aid in searching for individuals who have fled from our officers. The new technology will allow us to search for missing persons and access areas which are inaccessible by vehicles. With officer and public safety in mind, there's a myriad of uses that we can take advantage of with this technology.

Background: The DJI Matrice 30T Drone combines a laser rangefinder with a wide-angle, zoom, and thermal cameras to collect aerial data otherwise, unobtainable by our officers. With this technology, we can create a flight plan or grid area and the drone can monitor the grid area while transmitting the information to officers on the ground. The Matrice Drone contains sensors which can detect obstacles in six directions all at once. It's built to ensure its protected from the elements with emergency landing capabilities if a propeller become nonfunctioning. The DJI Matrice 30T Drone can stay airborne more than 40 minutes per deployment.

The Matrice 30T Drone has 200 times zoom cameras which the operator can switch from color to thermal when searching for heat signatures or individuals. The Drone transmits data such as GPS location (within 7 meters) and all images back to the operator. The drone can be deployed within a minute which is a must in a critical and time sensitive situation. The drone also has the ability to

track identified subjects. I believe this technology will work in concert with the upcoming camera system the city is looking to incorporate throughout the city.

Re: Purchase of Drones using asset forfeiture

Chuck,

We are requesting to purchase (2) DJI Matrice M30T Drones using asset forfeiture funds. These drones will assist our officers with monitoring crowds at several City events, upcoming walking trails and aid in searching for individuals who have fled from our officers. The new technology will allow us to search for missing persons and access areas which are inaccessible by vehicles. With officer and public safety in mind, there's a myriad of uses that we can take advantage of with this technology.

I feel this technology will assist us in many different facets as our city and department move forward.

Re: Purchase on Drones

Staff is requesting the purchase of (2) DJI Matrice M30T Drones with the use of Drug Asset Funds. These new drones will be major increase in technology in comparison with the older drone (which will continue in service for surveying accident scene – Accident Investigations Unit). The purchase of the new drones will not only allow for redundancy, but increased technology, longer flight times, cameras (to include the IR cameras), set patterns of flight, etc. Three quotes have been attached with all three totaling \$29,314.00 to allocated from drug asset funds would total.

AGENDA REPORT

MEETING: REGULAR MEETING, AUGUST 22, 2022

AGENDA CATEGORY: GENERAL DISCUSSION ITEM

Item:	Intergovernmental Agreement with the Downtown Development Authority of Lawrenceville (DDA) to transfer property identified as 190 Oak Street for redevelopment purposes
Department:	City Manager
Date of Meeting:	Monday, August 22, 2022
Fiscal Impact:	
Presented By:	Chuck Warbington, City Manager
Action Requested:	Approve the Intergovernmental Agreement with the Downtown Development Authority of Lawrenceville that transfers the property identified as 190 Oak Street to the DDA for redevelopment purposes upon the approval of the agreement by the City Attorney.

Summary: The City recently acquired 190 Oak Street from Viewpoint Health. This Intergovernmental Agreement with the Downtown Development Authority transfers the property to the DDA. The IGA requires the DDA to provide to the City all proceeds received by the DDA for the sale of the property.

Attachments/Exhibits:

Intergovernmental Agreement for 190 Oak Street

INTERGOVERNMENTAL AGREEMENT
190 Oak Street

This **INTERGOVERNMENTAL AGREEMENT (“IGA”)** is made and entered into as of the ____day of _____, 2022, by and between the **CITY OF LAWRENCEVILLE, GEORGIA**, a Georgia municipal corporation in the State of Georgia (the “**City**”), and the **DOWNTOWN DEVELOPMENT AUTHORITY OF LAWRENCEVILLE, GEORGIA**, a public corporation created and existing under the laws of the State of Georgia (the “**DDA**”).

W I T N E S S E T H:

WHEREAS, the DDA was created pursuant to the provisions of Article IX, Section VI, Paragraph III of the Constitution of the State of Georgia, the Downtown Development Authorities Law of the State of Georgia, O.C.G.A. § 36-42-1, *et seq.*, as amended, and an activating resolution of the Council of the City of Lawrenceville, duly adopted on November 7, 1983, as amended, and is now existing and operating as a public body corporate and politic, and

WHEREAS, in order to encourage the development and revitalization of its downtown business district, the Mayor and Council of the City of Lawrenceville duly adopted the Resolution on November 7, 1983, creating the DDA and designating a geographic area to be known as the Downtown Development Area, which area has since been altered from time to time; and

WHEREAS, the City now desires to transfer certain properties to the DDA subject to certain terms and conditions, which properties will be used by the DDA for redevelopment purposes; and

WHEREAS, said property is located within the geographic boundaries of the Downtown Development Area, and the DDA is willing to accept the properties from the City subject to the terms and conditions of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual promises and covenants set forth herein, the amounts set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the DDA do hereby agree as follows:

1. The City will transfer to the DDA the property known as 190 Oak Street (Tax Parcel 5146B012) which is owned by the City (Subject Property).
2. The DDA shall pay to the City any amounts obtained by the DDA from the sale of any portion of the property for redevelopment purposes less reasonable closing costs. It is understood and agreed that in the performance of the obligations of the DDA herein contained, any obligation for the payment of money to the City shall not constitute a general obligation of the DDA but shall be a limited obligation of the DDA, payable solely out of payments received by the DDA for the sale of any portion of the property acquired with the funds provided by the City.

3. Should the property contain structures and the building is determined in need of demolition, the City shall have the right pursuant to the terms of this IGA to provide for the demolition of all such structures, and the City shall be responsible for the cost associated with the demolition of the structures, and with any environmental testing or remediation associated with the demolition of such structures.

4. The transfer of the Subject Property by the DDA MAY be subject to restrictions and covenants deemed appropriate by the DDA which shall be intended to make certain that the Subject Property shall be developed in a manner which is consistent with the development plan to be approved by the City and in a manner which will provide economic redevelopment and revitalization of the area. The City shall have the right to approve the restrictions and covenants prior to any transfer of the Subject Property by the DDA. These covenants and restrictions may be recorded with the deed or other agreement transferring the property to any private owner. If a potential purchaser of the Subject Property files for a rezoning of the Subject Property, the rezoning will go through the normal process and the City makes no representations as to the outcome of any rezoning proposed.

5. The Mayor, Mayor Pro Tem, City Manager, City Clerk, and City Attorney, and/or their appropriate designees are hereby authorized to complete the transfer of the Subject Property and to take any and all action necessary and appropriate to carry out the intent of this Intergovernmental Agreement between the parties.

6. This IGA and the rights and obligations of the parties hereto shall be governed, construed and interpreted according to the laws of the State of Georgia.

7. This IGA expresses the entire understanding and agreement between the parties hereto.

8. The invalidity of any one or more phrases, sentences, clauses or sections contained in this IGA shall not affect the remaining portions of this IGA or any part thereof.

9. This IGA may be executed in several counterparts, each of which shall be an original, and all of which shall constitute one and the same instrument.

10. No waiver, amendment, release, modification of this IGA shall be effective unless made in writing and executed by both parties hereto, and properly approved in accordance with the provisions of Georgia law.

This funding is subject to annual Council appropriations and is on a first come first serve basis. Once the allotted budget is depleted during a fiscal year, the incentive will no longer be available for that fiscal year or until the Council allocates additional funding.

City of Lawrenceville Incentive

- (1) Purchase of a home within the City of Lawrenceville:
 - a. The City will provide a onetime taxable incentive payment of \$5,000 for all new full-time employees who do not currently own a residential property within the City of Lawrenceville. This incentive payment must be utilized to assist in the purchase of a primary home located within the City of Lawrenceville. The home must serve as the employee's primary residence for two (2) - years from date of purchase as evidenced by application of homestead exemption by the employee.
- (2) Rehabilitation of a home within the City of Lawrenceville: The City will provide a onetime taxable incentive payment of \$5,000 in order to rehab a single-family home located in the City of Lawrenceville as a primary residence for the employee. Rehabilitation includes, roof repair, ingress improvements, mechanical repairs, cosmetic improvements, window replacement or similar type improvements. The home must serve as the employee's primary residence for two (2) - years from date of purchase as evidenced by application of homestead exemption by the employee.

Repayment Schedule of Incentive

- (1) The incentive shall be 100% forgivable, if the employee remains an employee with the City for two (2) years and lives at the location for (2) years. Should the employee leave employment, reduce on-call status or move within two (2) years of receiving the incentive, then the employee shall reimburse the City a percentage based on the remaining months left in the two (2) year term. The reimbursement term shall not exceed 24 months.

AGENDA REPORT
MEETING: CITY COUNCIL REGULAR MEETING
AGENDA CATEGORY: NEW BUSINESS

Item: RZC2022-00041; Ilesha Martin; 1395 Five Forks Trickum Road

Department: Planning and Development

Date of Meeting: Monday, August 22, 2022

Applicant Request: Rezone the subject property from BN (Neighborhood Business District – Retired) to BG (General Business District)

Presented By: Todd Hargrave, Director of the Planning and Development Department

Department Recommendation: **Approval with Conditions**

Planning Commission Recommendation: **Approval with Staff Recommended Conditions**

Summary: The applicant request rezoning of a 1.22-acre parcel from BN (Neighborhood Business District) to BG (General Business District). The applicants request is intended to allow a variety of uses commonly associated with the BG zoning classification. The subject property is located the northeast right-of-way intersection of Five Forks Trickum Road and Sugarloaf Parkway.

In 2017, the City Council approved a Change-in-Conditions request allowing modifications to the existing conditions of zoning, pursuant to RZ-CIC-17-06.

PROJECT DATA

The applicant request rezoning of a 1.22-acre parcel from BN (Neighborhood Business District) to BG (General Business District). The applicants request is to allow a variety of uses commonly associated with the BG zoning classification. The subject property is located the northeast right-of-way intersection of Five Forks Trickum Road and Sugarloaf Parkway.

The development consist of a one-story 11,050 square foot retail/commercial building, associated parking and driveways. The development consist of fifty (50) parking spaces, including three (3) handicap spaces. Additionally, the site plan indicates a drive aisle constructed along the northern property lines, which could be interpreted as a required off-street loading space, satisfying the minimum parking and loading requirements of the Zoning Ordinance, Article 5 Parking. The submitted site plan the proposed installation of driveway connections or curb cuts along Sugarloaf Parkway and Five Forks-Trickum Road. A 15-foot landscape strip is located along the northern property lines, as well as a ten (10) foot landscape strip along both road frontages.

The intersection of Sugarloaf Parkway and Five-Forks Trickum Road is an established commercial node, with retail development occupying the other three corners. Adjacent to the north and east are a vacant residence (1375 Five Forks-Trickum Rd.) and the Mormon Church (3355 Sugarloaf Pkwy) in R-75 County zoning. As requested, the proposed rezoning would be consistent with the established zoning and use at this commercial node.

The City of Lawrenceville 2040 Comprehensive Plan and Future Development Map indicate the subject property is located within the Neighborhood Mixed Use Character Area. The intent of Neighborhood Mixed Use areas is to provide a center for local services that is walkable from nearby residential areas. Examples of local services include restaurants, corner stores, drug stores, dry cleaners, and small-scale retail. In some instances, these local services could be mixed with medium density housing such as townhouses or small-scale apartment buildings. Neighborhood Mixed Use areas are primarily located in the southern half of the city to serve Traditional Residential neighborhoods. As requested, the existing commercial/retail zoning and uses could be considered consistent with the intent of the 2040 Comprehensive Plan.

The request, if properly conditioned could be another example of the consistency with local policies intended to create positive developments throughout the city limits. Therefore, the Planning and Development recommends **APPROVAL WITH CONDITIONS** of the requests.

STATE CODE 36-67-3 (FMR.) REVIEW STANDARDS:

1. **Whether a zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;**

The immediate surrounding area predominately consist of a mix of commercial/retail uses and zoning. A commercial/retail development with a wide range of general business uses could be suitable in view of the uses and zoning of adjacent and nearby property

2. **Whether a zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;**

The zoning proposal would not adversely affect the existing uses and zoning of adjacent or nearby properties. The plan is consistent with the policies of the City of Lawrenceville.

3. **Whether the property to be affected by a zoning proposal has a reasonable economic use as currently zoned;**

The property has a reasonable economic use as currently zoned.

4. **Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;**

Impacts on public facilities would be anticipated in the form of traffic, utility demand, stormwater runoff and schools; however, these impacts would be mitigated with appropriate conditions, site development requirements, and planning.

5. **Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan;**

Policies of the City recognize redevelopment opportunities present throughout the city limits. Neighborhood Mixed Use Character Areas could benefit from the “halo effect” of high-quality development already happening nearby.

6. **Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal;**

The existing commercial/retail facility is underutilized due to the restrictive nature of the BN zoninig classification. Allowing an expanded list of permitted uses could be consistent with the established development and zoning pattern in the immediate area.

ZONING PROPOSAL: TO ALLOW SELF-STORAGE OR MINI-WAREHOUSE
FACILITY AS A SPECIAL USE
PROPOSED DEVELOPMENT: GENERAL BUSINESS
DEPARTMENT RECOMMENDATION: APPROVAL WITH CONDITIONS

ZONING HISTORY:

The subject property has been zoned BG (General Business District) since 1985.

PROJECT DATA

The applicant request a Special Use Permit to allow a multistory Self-Storage or Mini-Warehouse Facility. The subject property is a 2.28-acre parcel zoned BG (General Business District), located at the northeast right-of-way intersection of Lyle Circle and Park Access Drive. The site is undeveloped and consist of a seventy-five (75) foot Colonial Pipeline Easement traversing along the northern property, and a one-hundred fifty (150) foot Georgia Power Company Easement near the northeast portion of the property.

As proposed the applicant intends to develop the site with a three (3) story self-storage or mini warehouse facility with a building height of approximately thirty-five (35) feet and consisting of approximately 101,850 square feet. The proposed facility would consist of approximately 500 storage units. The proposed plan includes a fifty (50) foot Front Yard Setback adjacent to Lyle Circle and Park Access Drive, and ten (10) foot Rear and Side Yard Setbacks along the northern and eastern property lines. As proposed the plans satisfies the minimum Lot Development Standards of the BG zoning classification.

The proposed plan includes fifty (50) off-street parking spaces. As proposed, the plan would satisfy the minimum parking and loading requirements of the Zoning Ordinance, Article 5 Parking. Additionally, the submitted site plan includes the proposed construction of a drive aisle and parking within an existing seventy-five (75) foot Colonial Pipeline Easement along the north property line. In addition, a proposed drive aisle would be located within the existing Colonial Pipeline Easement as well as a one-hundred fifty (150) foot Georgia Power Company Easement located near the northeast portion of the property. Project access would be provided from a single curb cut extending from Lyle Circle. As proposed the plans satisfies the minimum Number of Off-Street Parking Spaces Required for the specific use. Proposed construction within the Colonial Pipeline and Georgia Power Company Easement may require additional review and approval.

As proposed, the plan would provide a ten (10) foot landscape strip along the eastern property line, as well as along the each public right-of-way. However, the plan includes the installation of landscaping along the northern property line, which consist of the Colonial Pipeline and Georgia Power Company Easements. Proposed landscaping within the Colonial Pipeline and Georgia Power Company Easement may require additional review and approval.

Stormwater Management facilities would be located near the southeast portion of the site. The proposed land development would be subject to the City of Lawrenceville Development Regulations.

The immediate surrounding area includes a mix of commercial, institutional and residential developments and zoning. To the south, across the Lyle Circle right-of-way are numerous single-family dwellings zoned RS-150 (Single-Family Residence District). Further to the south is the BG zoned Lawrenceville Crossing shopping center consisting of a multi-tenant commercial/retail center and outparcels along Collins Hill Road. To the west, across the Park Access Drive right-of-way are vacant undeveloped parcels zoned HSB (Highway Service Business District). Further to the west, is the recently approved CMU zoning classification proposal to develop a

property with a mix of commercial and multifamily units, consisting of a multistory self-storage or mini-warehouse facility (RZM2021-00009). To the north, across the Lyle Circle right-of-way is a BG zoned property consisting a retail component and immediately to the north are two (2) vacant city owned parcels of land, which are under consideration for a rezoning request to BG (RZC2022-00038). Based on these factors the scale of the development may be consistent with the developments in the immediate vicinity. The request is compatible with the zoning and development pattern of its surrounding area.

The City of Lawrenceville 2040 Comprehensive Plan and Future Development Map indicate the subject property is located within the College Corridor Character Area. The College Corridor is a unique place in the community, connecting two of the city's strongest anchors: Downtown and Georgia Gwinnett College (GCC). The vision for the College Corridor character area is a multi-modal, vibrant, mixed-use corridor. Over time, this area will transition from suburban-style development to a more mixed environment of higher density development and green space. It will also have services and housing products that appeal to college faculty, students, and staff, as well as those who want to live near Downtown.

In conclusion, the proposed development could be compatible with the established zoning and development pattern in the immediate area. Given the aforementioned factors, the Planning and Development Department recommends **APPROVAL WITH CONDITIONS** of the requested rezoning.

STATE CODE 36-67-3 (FMR.) REVIEW STANDARDS:

1. **Whether a zoning proposal will permit a use that is suitable in view of the use and development of adjacent and nearby property;**

The immediate surrounding area includes a mix of commercial/retail uses and zoning. A commercial/retail development with a self-storage or mini-warehouse facility could be suitable in view of the uses and zoning of adjacent properties.

2. **Whether a zoning proposal will adversely affect the existing use or usability of adjacent or nearby property;**

The existing use and zoning of adjacent or nearby properties would not be adversely impacted by the zoning proposal. As proposed, the plan is consistent with the policies of the City of Lawrenceville.

3. **Whether the property to be affected by a zoning proposal has a reasonable economic use as currently zoned;**

The property has a reasonable economic use as currently zoned.

4. **Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools;**

Impacts on public facilities would be anticipated in the form of traffic, utility demand, stormwater runoff and schools; however, these impacts would be mitigated with appropriate conditions, site development requirements, and planning.

5. **Whether the zoning proposal is in conformity with the policy and intent of the Comprehensive Plan;**

Policies of the City recognize redevelopment opportunities present throughout the city limits. The development of the property to include a self-storage or mini-warehouse facility could be in conformity with the policy and intent of the Comprehensive Plan.

6. **Whether there are other existing or changing conditions affecting the use and development of the property, which give supporting grounds for either approval or disapproval of the zoning proposal;**

The request represents an opportunity to redevelop underutilized parcel of land in proximity to the Georgia Gwinnett College and the College Corridor.

I. LETTER OF INTENT

Topfa LLC, (the “Applicant”), is requesting a Special Land Use Permit for consideration of the construction of a single 3 story (33,950 SF) climate-controlled self-storage building located near the intersection of Lyle Circle and Park Access Drive. This commercial development will be zoned BG – General Business District. The provided services would allow storage options for the community and nearby residents who are in need for a safe facility to store their belongings. This development will comply with all of the City’s regulations and standards as assigned by the designated City ordinance.

Below you will find the submitted site plan and a scaled version has been attached for your review.

The self-storage facility will contain approximately 500 storage units. Using data collected by actual observation of similar facilities owned by this group, the average trips per day is anticipated to be 30-35 based on the day of the week. This facility will be open seven (7) days a week, from 6:00 am to 10:00 pm. Peak usage is between the hours of 12:00 and 3:00 each day, with an average daily volume at 32 trips. For access to this facility, it is anticipated that a higher percentage of users will come from both Collins Hill Road to the west and Hurricane Shoals Road to the south.

This document is submitted as a Statement of Intent with regard to this Application, preservation of the Applicant's constitutional rights, and an application of the criteria provided in the Steinberg Act to provide a rigorous analysis of the proposed rezoning and land use amendment. A surveyed plat and conceptual site plan of the Subject Property has been filed contemporaneously with the Application, along with other required materials.

II. REVIEW CRITERIA FOR JUSTIFICATION

A. Does the Special Use Request proposal permit a use that is suitable in view of the use and development of nearby property?

The proposal will permit a use that is suitable in view of the use and development of the adjacent and nearby property. The subject property is adjacent to a road intersection which would support traffic flow for commercial land use.

B. Does the Special Use proposal adversely affect the existing use or usability of adjacent or nearby property?

The special use proposal will not adversely affect the existing use or usability of adjacent or nearby property. Rather, it will increase the aesthetics along the road corridor with a new commercial rooftop, supporting the commercial growth.

C. Does the property special use request have a reasonable economic use as currently zoned?

The Subject Property is designated for commercial use. There is no need to rezone the property.

D. Will the Special Use proposal result in a use that could cause excessive or burdensome use of existing streets, transportation facilities, utilities or schools?

The climate-controlled storage facility will not result in a use that will or could cause excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.

E. Is the Special Use Request proposal in conformity with the policies and intent of the land use plan?

The special use proposal is in general conformity with the policies of the City of Lawrenceville Comprehensive Plan, as it is designated for Commercial land Uses.

P2022-00070_REC DATE 06032022_LAWRENCEVILLE P&D

Battle Law

F. Are there existing or changing conditions that affect the use and development of the property which support either approval or denial of the rezoning proposal?

The Applicant is not aware of any existing or changing conditions that affect the use and development of the property which support either approval or denial of the Special Use proposal.

G. Does the rezoning proposal permit a use that can be considered environmentally adverse to the natural resources, environment and citizens of the City of South Fulton?

No, there is no evidence of any environmental adverse conditions.

H. Whether a proposed rezoning will permit a use that is suitable, in view of the use and development of the adjacent and nearby property.

The proposed use will be suitable as an opportunity for commercial services.

III. NOTICE OF CONSTITUTIONAL ALLEGATIONS AND PRESERVATION OF APPLICANT'S CONSTITUTIONAL RIGHTS

The portions of the City of Lawrenceville Zoning Ordinance, facially and as applied to the Subject Property, which restricts or classify or may restrict or classify the Subject Property so as to prohibit its development as proposed by the Applicant are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraph I of the Constitution of the State of Georgia of 1983, Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and would be in violation of the Commerce Clause, Article I, Section 8, Clause 3 of the Constitution of the United States.

The application of the City of Lawrenceville Ordinance to the Subject Property which restricts its use to any classification other than that proposed by the Applicant is unconstitutional, illegal, null and void, constituting a taking of Applicant's Property in violation of the Just Compensation Clause of the Fifth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and the Equal Protection and Due Process Clauses of the Fourteenth Amendment

to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

A denial of this Application would constitute an arbitrary irrational abuse of discretion and unreasonable use of the zoning power because they bear no substantial relationship to the public health, safety, morality or general welfare of the public and substantially harm the Applicant in violation of the due process and equal protection rights guaranteed by the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph 1 of the Constitution of the State of Georgia.

A refusal by the City of Lawrenceville Council/ Commission to amend the land use and/or rezone the Subject Property to the classification as requested by the Applicant would be unconstitutional and discriminate in an arbitrary, capricious, and unreasonable manner between the Applicant and owners of similarly situated property in violation of Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983 and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States. Any rezoning of the Property subject to conditions which are different from the conditions requested by the Applicant to the extent such different conditions would have the effect of further restricting the Applicant's utilization of the property would also constitute an arbitrary, capricious and discriminatory act in zoning the Subject Property to an unconstitutional classification and would likewise violate each of the provisions of the State and Federal Constitutions set forth herein above.

A refusal to allow the land use amendment and/or rezoning in question would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Georgia Constitution.

A refusal to allow the land use amendment and/or rezoning in question would be invalid inasmuch as it would be denied pursuant to an ordinance which is not in compliance with the

Zoning Procedures Law, O.C.G.A Section 36-66/1 et seq., due to the manner in which the Ordinance as a whole and its map(s) have been adopted. The existing land use designation and/or zoning classification on the Subject Property is unconstitutional as it applies to the Subject Property.

This notice is being given to comply with the provisions of O.C.G.A. Section 36-11-1 to afford the / City an opportunity to revise the Property to a constitutional classification. If action is not taken by the City to rectify this unconstitutional land use designation and/or zoning classification within a reasonable time, the Applicant is hereby placing the City on notice that it may elect to file a claim in the Superior Court of Gwinnett County demanding just and adequate compensation under Georgia law for the taking of the Subject Property, diminution of value of the Subject Property, attorney's fees and other damages arising out of the unlawful deprivation of the Applicant's property rights.

The portions of Lawrenceville Ordinance, facially and as applied to the Subject Property, which restricts or classify or may restrict or classify the Subject Property so as to prohibit its development as proposed by the Applicant are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraph I of the Constitution of the State of Georgia of 1983, Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and would be in violation of the Commerce Clause, Article I, Section 8, Clause 3 of the Constitution of the United States.

The application of the City of Lawrenceville Zoning Ordinance to the Subject Property which restricts its use to any classification other than that proposed by the Applicant is unconstitutional, illegal, null and void, constituting a taking of Applicant's Property in violation of the Just Compensation Clause of the Fifth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and the Equal Protection and Due Process Clauses of the Fourteenth Amendment

to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

A denial of this Application would constitute an arbitrary irrational abuse of discretion and unreasonable use of the zoning power because they bear no substantial relationship to the public health, safety, morality, or general welfare of the public and substantially harm the Applicant in violation of the due process and equal protection rights guaranteed by the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph 1 of the Constitution of the State of Georgia.

A refusal to allow the special land use permit in question would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Georgia Constitution

IV. Conclusion

For the foregoing reasons, the Applicant respectfully requests that the Rezoning application at issue be approved. The Applicant also invites and welcomes any comments from Staff or other officials of the City of Lawrenceville so that such recommendations or input might be incorporated as conditions of approval of this Application.

PUBLIC HEARING PROCESS

The Applicant is required to appear at the Planning Commission Meeting, the City Council Work Session, and the City Council Public Hearing. Failure to attend a meeting may result in tabling of the application until the next meeting of that group. However, the Planning Commission and the City Council may act on the application should they so choose. Meeting dates, times and place are as published in the Rezoning Schedule.

1. Approximately one week prior to the scheduled Planning Commission Meeting, the Planning Staff Report and Recommendation will be available at the Planning and Development office.
2. The applicant shall appear before the City of Lawrenceville Planning Commission to present their case in support of the rezoning application. Any opposition to the rezoning request will be given equal time to present its case. The Planning Commission may ask questions of the applicant and the opposition. The Planning Commission is a recommending body. Their recommendation will be forwarded to the City Council.
3. The applicant shall be present at the City Council Work Session. The applicant may be asked to present their case, or to answer questions, at the desire of the City Council.
4. The applicant shall appear before the City Council for the Public Hearing. The applicant and any opposition will be given equal time to present their cases. The City Council may ask questions of the applicant and opposition prior to making their final decision regarding the application.
5. If the special use application is denied by the Mayor and City Council, any new application for the same use classification on subject property may not be submitted for at least twelve (12) months from the date of denial. Application for a different zoning classification may be submitted after six (6) months from the date of the denial.

Re: Lyle Circle Storage
Parcel # 7011 015
City of Lawrenceville, Georgia

Mr. Park,

In response to your request, we offer the following Trip Generation Analysis, using commonly accepted Trip analysis data based on usage, as well as your data provided as an Owner/Operator of similar facilities within the Atlanta region.

This site is an approximately 2.25 acre tract which fronts on the east side of Lyle Circle, and south of Park Access Drive within the City of Lawrenceville, Georgia. The site is accessed off of Lyle Circle, which is a two (2) lane roadway and intersects with Hurricane Shoals Road, which is a two (2) lane roadway to the south, with a posted speed limit of 45 mph. Park Access Drive intersects with Collins Hill to the west, which is a two and four lane roadway with a posted speed limit of 45 mph.

The site is to be developed with a 102,000 sf., three (3) story climate controlled self storage building with approximately 50 parking spaces on the site to serve the customers and staff. Note that the 50 parking spaces are required to meet current zoning ordinance regulations and are not a requirement of the facility.

Trip Generation- Self Storage Facility

The self storage facility will be a 3 story, approximately 102,000 sf building, which will contain approximately 500 storage units. Using data collected by actual observation of similar facilities owned by this group, average trips per day is anticipated to be 30-35 based on the day of the week. This facility will be open seven (7) days a week, from 6:00 am to 10:00 pm. Peak usage is between the hours of 12:00 and 3:00 each day, with average daily volume at 32 trips.

For access to this facility it is anticipated that a higher percentage of users will come from both Collins Hill Road to the west and Hurricane Shoals Road to the south.

Trip Generation- Facility

Trips generated by Self Storage facility: 32 trips/day

Total trips generated by facility: 32 trips/day

If in your review of this information, you have any questions, please contact me.

Sincerely,
FORESITE GROUP, LLC.

CHANGES TO CONDITIONS

- Condition 1F, which requires us to re-seek a SLUP every two years.
- This is not financeable.
- Cannot risk being denied in two years time if building construction is almost complete.
- If building is complete and SLUP is denied, there will just be a vacant building on the property.
- Condition 2B, which states that no drive aisles may be in the Colonial Pipeline Easement.
- We need a drive aisle around the building for fire safety.
- We have the following proposal:

3 SOUTH ELEVATION (REAR ELEVATION)
SCALE: 1/16" = 1'-0"
