The Issuer will sell the Facilities to the City of Lawrenceville, Georgia (the “Purchaser”) pursuant to an Agreement of Sale (the “Agreement”), dated as of November 1, 2023, under the terms of which the Purchaser (1) agreed to make installment payments of purchase price to the Issuer in amounts sufficient to enable the Issuer to pay the principal of, premium, if any, and interest on the Series 2023 Bonds when due, and (2) agreed to levy an annual ad valorem tax on all taxable property located within the corporate limits of the Purchaser, at such rates, without limitation as to rate or amount, as may be necessary to produce in each year revenues that are sufficient to fulfill the Purchaser’s obligations under the Agreement.

The Series 2023 Bonds are all issued under and are equally and ratably secured and entitled to the protection of the Resolution. Pursuant to the Resolution, as security for the payment of the principal of, redemption premium, if any, and interest on the Series 2023 Bonds, the Issuer collaterally assigned its right, title, and interest in and to the Agreement for the benefit of the owners of the Series 2023 Bonds and pledged the payments to be made under the Agreement to the payment of the principal of, redemption premium, if any, and interest on the Series 2023 Bonds. The Resolution provides that the Issuer may hereafter issue Additional Bonds (as defined in the Resolution) from time to time under certain terms and conditions contained therein, and if issued, such Additional Bonds will rank on a parity with the Series 2023 Bonds.

Any Series 2023 Bonds maturing on or after December 1, 2034 shall be subject to optional redemption prior to maturity by the Issuer upon the written request of the Purchaser pursuant to the Agreement, from moneys on deposit in the Sinking Fund, in whole or in part on any day (and if in part in an authorized denomination), in either case on or after December 1,

2033, at the redemption price of 100% of the principal amount thereof plus accrued interest to the redemption date.

Notice of redemption, unless waived, is to be given by first class mail, postage prepaid, at least 30 and not more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books of the Issuer maintained by the Bond Registrar or at such other address as is furnished in writing by such registered owner to the Bond Registrar. All such Bonds thus called for redemption and for the retirement of which funds are duly provided shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Bonds on such date and interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds or portions of Bonds shall cease to be entitled to any lien, benefit, or security under the Resolution, and the owners of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. Any defect in any notice of redemption shall not affect the validity of proceedings for the redemption of any Bonds.

The Issuer has established a book-entry system of registration for the Series 2023 Bonds. Except as specifically provided otherwise in the Resolution, an agent will hold this Bond on behalf of the beneficial owner hereof. By acceptance of a confirmation of purchase, delivery, or transfer, the beneficial owner of this Bond shall be deemed to have agreed to such arrangement. While the Series 2023 Bonds are in the book-entry system of registration, the Resolution provides special provisions relating to the Series 2023 Bonds, which override certain other provisions of the Resolution. This Bond is transferable by the registered owner at the principal corporate trust office of the Bond Registrar but only in the manner, subject to the limitations, and upon payment of the charges provided in the Resolution and upon surrender of this Bond. Upon such transfer a new registered Bond or Bonds of the same series, maturity, interest rate, aggregate principal amount, and tenor, of any authorized denomination or denominations, and bearing numbers not then contemporaneously outstanding will be issued to the transferee in exchange therefor.

The Series 2023 Bonds are issuable as fully registered Bonds in the denomination of \$5,000 or any integral multiple thereof.

Under the terms of the Agreement and the Resolution, the Issuer and the Purchaser have agreed that the payments to be made by the Purchaser under the Agreement will be paid by the Purchaser directly to the Sinking Fund Custodian designated in the Resolution for the account of the Issuer and deposited into the special fund created in the Resolution and designated “Lawrenceville Building Authority Sinking Fund.”

To the extent and in the manner permitted by the Resolution, modifications, alterations, amendments, additions, and rescissions of the provisions of the Resolution, or of any resolution supplemental thereto or of the Series 2023 Bonds, may be made by the Issuer with the consent of the owners of at least sixty-five per centum (65%) of the principal amount of the obligations then outstanding under the Resolution, and without the necessity for notation hereon or reference thereto.

THIS BOND SHALL NEVER CONSTITUTE AN INDEBTEDNESS OR GENERAL OBLIGATION OF THE STATE OF GEORGIA, THE PURCHASER, OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF GEORGIA, WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION WHATSOEVER, NOR A PLEDGE OF THE FAITH AND CREDIT OR TAXING POWER OF ANY OF THE FOREGOING, NOR SHALL ANY OF THE FOREGOING BE SUBJECT TO ANY PECUNIARY LIABILITY HEREON. THE ISSUER HAS NO TAXING POWER. THIS BOND SHALL NOT BE PAYABLE FROM NOR A CHARGE UPON ANY FUNDS OTHER THAN THE REVENUES PLEDGED TO THE PAYMENT HEREOF AND SHALL BE A LIMITED OR SPECIAL OBLIGATION OF THE ISSUER PAYABLE SOLELY FROM THE FUNDS PROVIDED THEREFOR IN THE RESOLUTION, INCLUDING THE PROCEEDS OF THE HEREINBEFORE DESCRIBED AD VALOREM TAX THAT THE PURCHASER IS OBLIGATED TO LEVY. NO OWNER OF THIS BOND SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE TAXING POWER OF THE STATE OF GEORGIA, THE PURCHASER, OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF GEORGIA, EXCEPT TO LEVY THE HEREINBEFORE DESCRIBED AD VALOREM TAX, TO PAY THE PRINCIPAL OF THIS BOND OR THE INTEREST OR ANY PREMIUM HEREON, OR TO ENFORCE PAYMENT HEREOF AGAINST ANY PROPERTY OF THE FOREGOING, OTHER THAN THE PROCEEDS OF THE HEREINBEFORE DESCRIBED AD VALOREM TAX, NOR SHALL THIS BOND CONSTITUTE A CHARGE, LIEN, OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE FOREGOING OTHER THAN THE REVENUES PLEDGED TO THE PAYMENT HEREOF. NEITHER THE MEMBERS OF THE GOVERNING BODY OF THE ISSUER NOR ANY PERSON EXECUTING THIS BOND SHALL BE LIABLE PERSONALLY ON THIS BOND BY REASON OF THE ISSUANCE HEREOF.

For a more particular statement of the covenants and provisions securing this Bond, the conditions under which the owner of this Bond may enforce the various covenants (other than the covenant to pay principal of and interest on this Bond when due from the sources provided, the right to enforce which is unconditional), the conditions upon which Additional Bonds may be issued on a parity with this Bond under the Resolution, and the conditions upon which the Resolution may be amended with the consent of the owners of the Bonds outstanding under the Resolution, reference is made to the Resolution. In case of default the owner of this Bond shall be entitled to the remedies provided by the Resolution.

It is hereby certified, recited, and declared that all acts, conditions, and things required to exist, happen, and be performed precedent to and in the issuance of this Bond do exist, have happened, and have been performed in due time, form, and manner as required by law.

This Bond shall not be entitled to any security or benefit under the Resolution or become valid or obligatory for any purpose until the certificate of authentication hereon shall have been duly executed by the Bond Registrar.

IN WITNESS WHEREOF, the Issuer has caused this Bond to be executed by the manual signature of its Chair and has caused the official seal of the Issuer to be impressed on this Bond and attested by the manual signature of its Secretary.

[END OF SERIES 2023 BOND FORM]

Section 2.5. Proof of Ownership. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and the payment of the principal of, redemption premium, if any, and interest on each Bond shall be made only to or upon the order of the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including redemption premium, if any, and the interest thereon to the extent of the sums so paid.

Section 2.6. Bond Registrar; Transfer and Exchange. The Bond Registrar shall keep the Bond Register for the registration of the Bonds and for the registration of transfers of the Bonds as herein provided. The transfer of any Bond shall be registered upon the Bond Register upon the surrender and presentation of such Bond at the principal corporate trust office of the Bond Registrar duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or the registered owner's attorney duly authorized in writing in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for such Bond or Bonds so surrendered, a new Bond or Bonds registered in the name of the transferee of the same series, maturity, interest rate, aggregate principal amount, and tenor, of any authorized denomination or denominations, and bearing numbers not then contemporaneously outstanding.

Any Bond, upon presentation and surrender thereof at the principal corporate trust office of the Bond Registrar, may be exchanged for an aggregate principal amount of Bonds of other authorized denominations of the same series, maturity, and interest rate, and bearing numbers not then contemporaneously outstanding. The Issuer shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds that the Bondholder making the exchange is entitled to receive.

The Bond Registrar may make a charge for every exchange or registration of transfer of the Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made to the owner for the privilege of exchanging or registering the transfer of Bonds under this Resolution.

All Bonds surrendered for exchange or transfer of registration shall be cancelled and destroyed by the Bond Registrar in accordance with Section 2.8.

Section 2.7. Mutilated, Lost, Stolen, or Destroyed Bonds. If any Bond is mutilated, lost, stolen, or destroyed, the Issuer may execute and deliver a new Bond of the same series, maturity, interest rate, aggregate principal amount, and tenor in lieu of and in substitution for the Bond mutilated, lost, stolen, or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Bond Registrar, and in the case of any lost, stolen, or destroyed Bond, there shall be first furnished to the Bond Registrar evidence satisfactory to it of the ownership of such Bond and of such loss, theft, or destruction, together with indemnity to the Issuer and the Bond Registrar, satisfactory to each of them. If any such Bond shall have matured or a redemption date pertaining thereto shall have passed, instead of issuing a new Bond, the Issuer may pay or cause the Paying Agent to pay the same. The Issuer, the Bond Registrar, and the Paying Agent may charge the owner of such Bond with their reasonable fees and expenses in this connection.

In executing a new Bond and in furnishing the Bond Registrar with the written authorization to deliver a new Bond as provided for in this Section, the Issuer may rely conclusively on a representation of the Bond Registrar that the Bond Registrar is satisfied with the adequacy of the evidence presented concerning the mutilation, loss, theft, or destruction of any Bond.

Section 2.8. Blank Bonds; Destruction of Bonds. The Issuer shall make all necessary and proper provisions for the transfer and exchange of the Bonds by the Bond Registrar and the Issuer shall deliver or cause to be delivered to the Bond Registrar a sufficient quantity of blank Bonds duly executed on behalf of the Issuer, together with the certificate of validation pertaining thereto duly executed by the Clerk of the Superior Court of Gwinnett County, as herein provided, in order that the Bond Registrar shall at all times be able to register and authenticate the Bonds at the earliest practicable time in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchange or registration of transfer shall be forthwith cancelled by the Bond Registrar and a record thereof duly entered in the permanent records pertaining to the Bonds maintained by the Bond Registrar.

Section 2.9. Additional Bonds. No other revenue bonds or other obligations shall hereafter be issued that are payable from or enjoy a lien on the Pledged Revenues prior to the lien created for the payment of the Series 2023 Bonds.

Additional Bonds may be issued by the Issuer, however, from time to time, ranking as to lien on the Pledged Revenues on a parity with the Series 2023 Bonds, provided all of the following conditions are met:

- (a) None of the Outstanding Bonds are in default as to payment of principal or interest.
- (b) The Issuer is in compliance with the terms and conditions of this Resolution and the Agreement and the Purchaser is in compliance with the terms and conditions of the Agreement.
- (c) The payments to be made into the Sinking Fund must have been made in the full amounts required.
- (d) The Issuer and the Purchaser shall amend the Agreement and reaffirm all applicable provisions of the Agreement, under the terms of which amendment the Purchaser must obligate itself to pay to the Issuer payments sufficient to enable the Issuer to pay the principal of, premium, if any, and interest on the Outstanding Bonds and Additional Bonds proposed to be issued as the same become due and payable, either at maturity or by proceedings for mandatory redemption.
- (e) The Issuer shall pass proper proceedings reciting that all of the above requirements have been met, shall authorize the issuance of the Additional Bonds, and shall provide in such proceedings, among other things, the date or dates of such Additional Bonds, the rate or rates of interest that such Additional Bonds shall bear, the maturity dates of such Additional Bonds, redemption provisions for such Additional Bonds, and provisions for registration of such Additional Bonds. In addition, the

proceedings of the Issuer shall establish any additional accounts, if any, required in funds established pursuant to Section 4.2. The interest on the Additional Bonds of any such issue shall fall due on June 1 and December 1 of each year, and the principal amount of such Additional Bonds shall mature in installments on June 1 or December 1, or both, but, as to principal on such Bonds, not necessarily in each year or in equal installments. The proceedings for such Additional Bonds may contain additional restrictions on the issuance of Additional Bonds, which restrictions shall, so long as, but only so long as, such Additional Bonds remain Outstanding, be for the benefit of any other Bonds secured by this Resolution. Any such proceeding or proceedings shall ratify and reaffirm, by reference, all of the applicable terms, conditions, and provisions of this Resolution.

(f) The Issuer shall furnish the Purchaser with a duly certified copy of the Series Resolution authorizing the issuance of such Additional Bonds, and the Purchaser, acting by and through its Governing Body, shall acknowledge receipt of the certified copy of such Series Resolution, retain such Series Resolution in its permanent records, and authorize the issuance of such Additional Bonds.

(g) The requirements of Section 4.13 of the Agreement have been satisfied.

(h) Such Additional Bonds and all proceedings relative thereto, and the security therefor, shall be validated as prescribed by law.

Section 2.10. Limited Obligations. The Bonds shall be special or limited and not general obligations of the Issuer giving rise to no pecuniary liability of the Issuer, shall be payable solely from the Pledged Revenues, and shall be a valid claim of the Bondholders only against the Pledged Revenues, which Pledged Revenues are hereby again specifically pledged and assigned for the payment of the Bonds and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, except as may be otherwise expressly authorized in this Resolution and the Agreement. The Bonds shall not constitute general or moral obligations of the Purchaser nor a debt, indebtedness, or obligation of, or a pledge of the faith and credit or taxing power of, the Purchaser or the State or any political subdivision thereof, within the meaning of any constitutional or statutory provision whatsoever. Neither the faith and credit nor the taxing power of the State, the Purchaser, or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Issuer has no taxing power. Neither the members of the Governing Body of the Issuer nor any person executing the Bonds shall be liable personally on the Bonds by reason of the issuance thereof.

Section 2.11. DTC Book-Entry. The Series 2023 Bonds shall be initially issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Series 2023 Bonds, and held in the custody of DTC. A single certificate will be issued and delivered to DTC for each maturity of the Series 2023 Bonds. The actual purchasers of the Series 2023 Bonds (the “Beneficial Owners”) will not receive physical delivery of Series 2023 Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase from DTC or the participants through which they purchased providing details of each Series 2023 Bond acquired. For so long as DTC shall continue to serve as securities depository for the Series 2023 Bonds as provided herein, all transfers of beneficial ownership interests will

be made by book-entry only, and no investor or other party purchasing, selling, or otherwise transferring beneficial ownership of Series 2023 Bonds is to receive, hold, or deliver any Series 2023 Bond certificate.

For every transfer and exchange of the Series 2023 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee, or other governmental charge that may be imposed in relation thereto.

The Issuer and the Bond Registrar will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

The Issuer and the Bond Registrar covenant and agree, so long as DTC shall continue to serve as securities depository for the Series 2023 Bonds, to meet the requirements of DTC with respect to required notices and other provisions of the Letter of Representations.

The Bond Registrar is authorized to rely conclusively upon a certificate furnished by DTC and corresponding certificates from DTC participants and indirect participants as to the identity of, and the respective principal amount of Series 2023 Bonds beneficially owned by, the Beneficial Owner or Beneficial Owners.

If at any time DTC ceases to hold the Series 2023 Bonds, a Supplemental Resolution amending the relevant provisions of this Resolution shall be adopted, and thereafter all references in this Resolution to DTC in connection with the Series 2023 Bonds shall be of no further force or effect.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

Section 3.1. Optional Redemption of Series 2023 Bonds. Any Series 2023 Bonds maturing on or after December 1, 2034 shall be subject to optional redemption prior to maturity by the Issuer upon the written request of the Purchaser pursuant to the Agreement, from moneys on deposit in the Sinking Fund, in whole or in part on any day (and if in part in an authorized denomination), in either case on or after December 1, 2033, at the redemption price of 100% of the principal amount thereof plus accrued interest to the redemption date.

Section 3.2. Notice of Redemption. Unless waived by any owner of Bonds to be redeemed, official notice of any redemption of Bonds shall be given by the Bond Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least 30 days and not more than 60 days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall be dated, shall contain the complete official name of the Bond issue, including series designation, and shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed by CUSIP numbers, date of issue, rates of interest, and maturity dates;
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after such date;
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Paying Agent; and
- (6) any other conditions to such redemption.

Prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds that are to be redeemed on that date.

Official notice of redemption having been given as described above, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable, and interest shall cease to accrue, as set forth in Section 3.4.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

The Bond Registrar shall mail a second notice of redemption not more than ninety (90) days following the redemption date to the registered owner of each Bond that was not presented for payment upon redemption within sixty (60) days following the redemption date, which notice shall be mailed by registered or certified mail, with a return receipt requested.

Failure to mail any notice specified in this Section 3.2 shall not affect the validity of any proceeding for the redemption of Bonds, and mailing of or the receipt of such notice shall not be a condition precedent to the redemption. Failure to so mail any such notice or failure or refusal of receipt of such redemption notice shall not affect the validity of any proceedings for the redemption of Bonds, and neither the Bond Registrar nor the Issuer shall have any responsibility whatsoever if any such notice is mailed as aforesaid but is not received by or receipt thereof is refused by the applicable registered owner. No defect in any such notice shall in any manner defeat the effectiveness of a call for redemption.

The Paying Agent shall hold amounts payable on redemption for Bonds that have not been surrendered for redemption for a period of not less than one year after the final maturity date of the Bonds or any earlier date when all of the Bonds have been refunded or redeemed.

Section 3.3. Issuer or Bond Registrar May Give Notice of Redemption. Notice of redemption of Bonds to be redeemed shall be given by the Issuer or by the Bond Registrar for and on behalf of the Issuer whenever either (i) such redemption is required to be made under the proceedings authorizing the issuance and sale of such Bonds or (ii) whenever such redemption is permitted to be made under the terms of such Bonds and the Issuer requests that such redemption be made.

Section 3.4. Effect of Notice of Redemption. Official notice having been given in the manner and under the conditions provided in Section 3.2, and monies for payment of the redemption price being held by the Paying Agent as provided in this Resolution, the Bonds or portions of Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Bonds on such date, and interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds or portions of Bonds shall cease to be entitled to any lien, benefit, or security under this Resolution, and the owners of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. Upon surrender for partial redemption of any Bond, there shall be prepared for and delivered to the registered owner a new Bond or Bonds of the same series, maturity, and interest rate in the amount of the unpaid principal.

Section 3.5. Redemption Among Series. The Issuer (at the direction of the Purchaser) may redeem the Bonds of any series, or a portion of the Bonds of any such series, before it redeems the Bonds of any other series. Within any particular series, any redemption of Bonds shall be in the manner provided in this Resolution.

Section 3.6. Selection of Bonds to be Redeemed. If less than all of the Bonds of like maturity of any series shall be called for redemption, the particular Bonds, or portions of Bonds, to be redeemed shall be selected by lot by the Issuer (at the direction of the Purchaser) or in such other manner as the Issuer (at the direction of the Purchaser) may deem proper. The portion of any Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof and, in selecting portions of such Bonds for redemption, the Issuer shall treat each such Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond to be redeemed in part by \$5,000.

Section 3.7. Purchase in Open Market. Nothing herein contained shall be construed to limit the right of the Issuer, at the direction of the Purchaser, to purchase with any excess monies in the Sinking Fund (i.e., monies not needed in the then current Bond Year to pay principal of and interest on any Bonds or credited against a payment of Purchase Price) and for Sinking Fund purposes, any Bonds in the open market at a price not exceeding the callable price. Any such Bonds so purchased shall not be reissued and shall be cancelled.

[End of Article III]

ARTICLE IV
FLOW OF FUNDS

Section 4.1. Pledge of Revenues and Assignment of Agreement. All Pledged Revenues shall be and are hereby pledged by the Issuer to the prompt payment of the principal of, redemption premium, if any, and interest on the Bonds. Such monies shall immediately be subject to the lien of this pledge for the benefit of the Bondholders without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding against the Issuer and against all other persons having claims against the Issuer, whether such claims shall have arisen in tort, contract, or otherwise and irrespective of whether such parties have notice thereof. This pledge shall rank superior to all other pledges that may hereafter be made of any of the funds and accounts pledged in this Resolution.

In order to secure the Issuer's obligations under the Bonds, the Issuer hereby collaterally assigns, for the benefit of the Bondholders, all of the right, title, and interest of the Issuer in and to the Agreement (except for the Unassigned Rights), and all extensions and renewals of the term thereof, if any, and all amounts encumbered thereby, including, but without limiting the generality of the foregoing, the present and continuing right to make claim for, collect, receive, and make receipt for payments and other sums of money payable, receivable, or to be held thereunder, to bring any actions and proceedings thereunder or for the enforcement thereof, and to do any and all other things that the Issuer is or may become entitled to do under the foregoing, provided that the assignment made by this sentence shall not impair or diminish any obligation of the Issuer under the provisions of the Agreement or impair or diminish the right of the Issuer to enforce compliance with the obligations of the Purchaser under the Agreement.

The Bondholders may enforce all rights of the Issuer and all obligations of the Purchaser under and pursuant to the Agreement, whether or not the Issuer is in default hereunder. So long as any of the Bonds remain Outstanding, and for such longer period when required by the Agreement, the Issuer shall faithfully and punctually perform and observe all obligations and undertakings on its part to be performed and observed under the Agreement. The Issuer covenants to maintain, at all times, the validity and effectiveness of the Agreement and (except as expressly permitted by the Agreement) shall take no action, shall permit no action to be taken by others, and shall not omit to take any action or permit others to omit to take any action, which action or omission might release the Purchaser from its liabilities or obligations under the Agreement or result in the surrender, termination, amendment, or modification of, or impair the validity of, the Agreement.

The Issuer covenants to diligently enforce all covenants, undertakings, and obligations of the Purchaser under the Agreement, and the Issuer hereby authorizes and directs the Bondholders to enforce any and all of the Issuer's rights under the Agreement on behalf of the Issuer. The Issuer shall retain possession of an executed original or counterpart of the Agreement and shall release the same only in accordance with the provisions thereof. The Agreement shall be available for inspection at reasonable times and under reasonable conditions by any owner of any Bond.

Section 4.2. Funds and Accounts. The following funds and accounts are hereby established, and the monies deposited in such funds and accounts shall be held in trust for the purposes set forth in this Resolution:

4.21. Lawrenceville Building Authority Sinking Fund; and

4.22. Lawrenceville Building Authority Project Fund.

4.22.1 Lawrenceville Building Authority Project Fund - Series 2023 Account.

The Sinking Fund is further described in this Article. The Project Fund is further described in Article XIII.

Each account listed above shall be held within the fund under which it is created. The Sinking Fund shall be maintained by the Sinking Fund Custodian, and the Project Fund shall be maintained by the Project Fund Depository. The Issuer and the Purchaser shall have the right to deposit funds into, and withdraw funds from, any such funds or accounts, subject to the requirements of this Resolution.

Section 4.3. Flow of Funds. All Pledged Revenues shall be deposited in the Sinking Fund from time to time as received by the Issuer.

No further payments need be made into the Sinking Fund whenever the amount available therein is sufficient to retire all Bonds then Outstanding and to pay all unpaid interest accrued and to accrue prior to such retirement.

Nothing contained in this Resolution shall be construed as prohibiting the Issuer, at its option, from making additional deposits or payments into any of the funds or accounts described in this Section from any monies that may be available to it for such purpose.

Section 4.4. Sinking Fund. The Sinking Fund shall be used as a sinking fund to pay the principal of, premium, if any, and interest on the Bonds. The payments provided for in Section 5.03(a) of the Agreement are to be remitted directly to the Sinking Fund Custodian for the account of the Issuer and deposited in the Sinking Fund.

Moneys in the Sinking Fund shall be used solely as a fund for the payment of the principal of, premium, if any, and interest on the Bonds, for the redemption of the Bonds at or prior to maturity, and to purchase Bonds in the open market pursuant to Section 3.7 of this Resolution.

The Sinking Fund shall be in the custody of the Sinking Fund Custodian but in the name of the Issuer, and the Issuer hereby authorizes and directs the Sinking Fund Custodian to withdraw sufficient funds from the Sinking Fund to pay principal of and interest and premium, if any, on the Bonds as the same become due and payable and to make such funds so withdrawn available to the Paying Agent for the purpose of paying such principal, interest, and premium, if any.

Section 4.5. Bond Registrar’s and Paying Agent’s Fees, Charges, and Expenses.

Pursuant to the provisions of the Agreement, the Purchaser has agreed to pay the Bond Registrar and the Paying Agent, until the principal of, interest, and premium, if any, on the Bonds shall have been fully paid, an amount equal to their reasonable fees, charges, and expenses. The Purchaser may, without creating a default hereunder, contest in good faith the reasonableness of any of the fees, charges, or expenses referred to herein.

Section 4.6. Security of Funds and Accounts. Uninvested monies shall, at least to the extent not guaranteed by the Federal Deposit Insurance Corporation, be secured to the fullest extent required by the laws of the State for the security of public funds.

Section 4.7. Investment of Funds and Accounts. Monies in the funds and accounts established under this Resolution shall be invested and reinvested at the highest rates reasonably available. Monies in the Sinking Fund may be invested in Permitted Investments maturing or redeemable at the option of the holder prior to the next succeeding Interest Payment Date, but whenever prior to any Interest Payment Date the aggregate of the monies in the Sinking Fund exceeds the amount necessary to pay interest and principal falling due on such Interest Payment Date, such excess may be invested in Permitted Investments maturing or redeemable at the option of the holder prior to the next following Interest Payment Date. Investment Earnings in each fund and account shall remain in such fund or account and serve as a credit against amounts otherwise required to be paid into such fund or account.

Monies in each of such funds shall be accounted for as a separate and special fund apart from all other Issuer or Purchaser funds.

Section 4.8. Valuation of Investments. All investments made under this Resolution shall, for purposes of this Resolution, be carried at cost plus amortized discount.

All monies deposited under the provisions hereof shall be deposited in banks insured by the Federal Deposit Insurance Corporation, and, except for banks with a home office inside Gwinnett County, with a capital and surplus of not less than \$50,000,000, or any successor thereto. ARTICLE VI

PARTICULAR COVENANTS

Section 6.1. Payment. Each and every covenant herein made, including all covenants made in the various sections of this Article VI, is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall never constitute an indebtedness or general obligation of the Issuer, within the meaning of any constitutional or statutory provision whatsoever, but shall be payable solely from the Pledged Revenues, which revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent in this Resolution specified, and nothing in the Bonds or in this Resolution shall be construed as pledging any other funds or assets of the Issuer. The Issuer will promptly pay, solely from the Pledged Revenues, the principal of and interest on the Bonds issued hereunder and secured hereby at the place, on the dates, and in the manner herein and in the Bonds specified, and any premium required for the redemption of the Bonds, according to the true intent and meaning thereof.

Section 6.2. Liens. The Issuer shall not create or suffer to be created any lien, security interest, or charge upon the Pledged Revenues or the Agreement, other than the pledge and assignment created by this Resolution.

ARTICLE VII

EVENTS OF DEFAULT; REMEDIES

Section 7.1. Events of Default. Each of the following events is hereby declared an “event of default” under this Resolution, that is to say, if: (a) payment of the principal of and redemption premium, if any, on any of the Bonds shall not be made when the same shall become due and payable, either at maturity or by proceedings for redemption; or (b) payment of any installment of interest on any Bond shall not be made when the same becomes due and payable; or (c) the Issuer shall, for any reason, be rendered incapable of fulfilling its obligations hereunder; or (d) an “Event of Default” shall have occurred under the Agreement; or (e) the Purchaser or the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements, or provisions contained in the Bonds, the Agreement, or this Resolution, on the part of the Purchaser or the Issuer to be performed, and such default shall continue for thirty (30) days after written notice, specifying such default and requiring the same to be remedied, shall have been given to the Purchaser and the Issuer by any Bondholder.

Section 7.2. Remedies. Upon the happening and continuance of any Event of Default, then and in every such case any Bondholder may proceed, subject to the provisions of Section 7.4, to protect and enforce the rights of the Bondholders hereunder by a suit, action, or special proceedings in equity, or at law, for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted, or contained in the Agreement or granted in the Agreement, or for the enforcement of any proper legal or equitable remedy as such Bondholder shall deem most effectual to protect and enforce the rights aforesaid, insofar as such may be authorized by law.

Section 7.3. Restoration. In case any proceeding taken by any Bondholder on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to such Bondholder, then and in every such case the Purchaser, the Issuer, and the Bondholders shall be restored to their former positions and rights hereunder and under the Agreement, respectively, and all rights, remedies, and powers of the Bondholders shall continue as though no such proceedings had been taken.

Section 7.4. Equal Benefit. No one or more owners of the Bonds secured hereby shall have any right in any manner whatever by its or their action to affect, disturb, or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had, and maintained for the equal benefit of all owners of such Outstanding Bonds.

Section 7.5. Nonexclusivity of Remedies. No remedy herein conferred upon the Bondholders is intended to be exclusive of any other remedy, or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 7.6. No Waiver. No delay or omission of any Bondholder to exercise any right, power, or remedy accruing upon any Event of Default shall impair any such right or power or be construed as an acquiescence in such Event of Default, and every right, power, and remedy

given by this Article to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VIII

BOND OWNERSHIP

Section 8.1. Manner of Evidencing Ownership of Bonds. Any request, direction, or other instrument required by this Resolution to be signed or executed by Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by an agent appointed in writing. Proof of the execution of any such request, direction, or other instrument, or of the writing appointing such agent, and of the ownership of Bonds, if made in the following manner, shall be sufficient for any purpose of this Resolution.

The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction, who, by the laws thereof, has power to take acknowledgments within such jurisdiction, to the effect that the person signing such writing acknowledged before him the execution thereof, or by an affidavit of a witness to such execution. The fact of the ownership of the Bonds by any Bondholder, the amount and issue numbers of such Bonds, and the date of ownership shall be proved by the Bond Register.

Section 8.2. Call of Meetings of Bondholders. The Issuer, at the direction of the Purchaser, or the owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding may at any time call a meeting of the Bondholders for any one or more of the following purposes:

- (a) to consent to, approve, request, or direct any action required to be consented to or approved by the Bondholders under this Resolution or which they may request or direct under this Resolution to be taken;
- (b) to give any notices to the Issuer or the Purchaser;
- (c) to take any other action that the Bondholders may take under this Resolution; and
- (d) for any other purpose concerning the payment, security, or enforcement of the Bonds.

Any such meeting shall be held at such place in the City of Atlanta, Georgia or in the City of New York, New York, as may be specified in the notice calling such meeting. Written notice of such meeting, stating the place and time of the meeting and in general terms the business to be conducted, shall be mailed by the Issuer, at the direction of the Purchaser, or the Bondholders calling such meeting, to the Bondholders at their addresses then appearing upon the Bond Register not less than 30 days nor more than 60 days before such meeting; provided, however, that the mailing of such notice shall in no case be a condition precedent to the validity of any action taken at any such meeting. Any meeting of Bondholders shall, however, be valid without notice if the Bondholders are present in person or by proxy or if notice is waived before or within 30 days after the meeting by the Bondholders not so present.

Section 8.3. Proxies and Proof of Ownership of Bonds. Attendance and voting by Bondholders at such meetings may be in person or by proxy. The Bondholders may, by an instrument in writing, appoint any person or persons, with full power of substitution, as their proxy to vote at any meeting for them. The right of a proxy for a Bondholder to attend a meeting and act and vote may be proved (subject to the right of the Issuer to require additional proof) by a written instrument executed by such Bondholder.

Any registered owner of Bonds shall be entitled in person or by proxy to attend and vote at such meeting without producing the Bonds registered in such Bondholder’s name; provided, however, that such persons and their proxies shall, if required, produce such proof of personal identity as shall be satisfactory to the Secretary of the meeting. All other persons seeking to attend or vote at such meeting must produce the Bonds claimed to be owned or represented at such meeting.

The vote of any Bondholder shall be binding upon such Bondholder and upon every subsequent owner of such Bond (whether or not such subsequent Bondholder has notice thereof).

Section 8.4. Appointment of Officers at Meeting of Bondholders. A Chair and a Secretary of any meeting of the Bondholders shall be elected by the owners of a majority in aggregate principal amount of the Bonds then Outstanding represented at such meeting in person or by proxy. The Chair shall appoint two (2) inspectors of votes who shall count all votes cast at such meeting, except votes on the election of Chair and Secretary, and who shall make and file with the Secretary and with the Issuer their verified report of all such votes cast at the meeting.

Section 8.5. Quorum at Meetings of Bondholders. The owners of an amount not less than the principal amount of the Bonds then Outstanding that is required for any action to be taken at such meeting must be present at such meeting in person or by proxy in order to constitute a quorum for the transaction of business.

SUPPLEMENTAL RESOLUTIONS

Section 9.1. Supplemental Resolutions Not Requiring Consent of Bondholders.

The Issuer, from time to time and at any time, subject to the conditions and restrictions in this Resolution, may adopt one or more resolutions, which thereafter shall form a part of this Resolution, for any one or more or all of the following purposes:

(a) to add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed or to surrender, restrict, or limit any right or power reserved in this Resolution to or conferred upon the Issuer (including but not limited to the right to issue Additional Bonds);

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting, or supplementing any defective provision contained in this Resolution, or in regard to matters or questions arising under this Resolution, as the Issuer may deem necessary or desirable and not inconsistent with this Resolution and which shall not have a material adverse effect on the interests of the Bondholders;

(c) to provide for the issuance of Additional Bonds, in accordance with the provisions of this Resolution;

(d) to grant to or confer any additional rights, remedies, powers, or authorities that may be lawfully granted to or conferred upon the owners of the Bonds;

(e) to subject to the lien and pledge of this Resolution additional revenues, receipts, properties, or other collateral;

(f) to evidence the appointment of successors to the Project Fund Depository, the Sinking Fund Custodian, the Paying Agent, or the Bond Registrar;

(g) to modify, amend, or supplement this Resolution or any proceedings supplemental to this Resolution in such manner as to permit the qualification of this Resolution under the Trust Indenture Act of 1939 or any federal statute hereinafter in effect, and similarly to add to this Resolution, or to any proceedings supplemental to this Resolution, such other terms, conditions, and provisions as may be permitted or required by the Trust Indenture Act of 1939 or any similar federal statute;

(h) to make any modification or amendment of this Resolution, not adverse to the interests of the Bondholders, required in order to make the Bonds eligible for acceptance by DTC or any similar holding institution or to permit the issuance of the Bonds or interests therein in book-entry or certificated form; or

(i) to make changes and modifications, and to add such provisions, as shall be necessary to obtain or maintain an investment grade rating for the Bonds.

Any Supplemental Resolution authorized by the provisions of this Section may be adopted by the Issuer without the consent of or notice to any of the owners of the Bonds at the time Outstanding, notwithstanding any of the provisions of Section 9.2.

Section 9.2. Supplemental Resolutions Requiring Consent of Bondholders.

Exclusive of Supplemental Resolutions authorized by Section 9.1, with the consent (evidenced as provided in Article VIII and this Article) of the Bondholders, the Issuer may from time to time and at any time adopt a Supplemental Resolution for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Resolution; provided, however, that no such Supplemental Resolution shall: (1) extend the maturity date of any Bond or the due date of any mandatory sinking fund redemption with respect to any Bond, (2) reduce or extend the time of payment of the principal of, redemption premium, or interest on any Bond, (3) reduce any premium payable upon the redemption of any Bond or advance the date upon which any Bond may first be called for redemption prior to its stated maturity date, (4) give to any Bond or Bonds a preference over any other Bond or Bonds, (5) reduce the percentage of owners of the Bonds required to approve any such Supplemental Resolution, or (6) deprive the owners of the Bonds (except as aforesaid) of the right to payment of the Bonds from the Pledged Revenues, in each case without the consent of the owners of all the Bonds then Outstanding.

Section 9.3. Notice.

After any Supplemental Resolution requiring the consent of the Bondholders shall have been adopted, the Issuer shall cause a notice of the adoption of such Supplemental Resolution to be mailed, postage prepaid, to all registered owners of Bonds appearing on the Bond Register, and a copy of such Supplemental Resolution shall be mailed, postage prepaid, to the Purchaser.

Section 9.4. Required Approval.

No Supplemental Resolution requiring the consent of the Bondholders shall become effective unless the owners of at least sixty-five percent (65%) of the aggregate principal amount of the Bonds then Outstanding shall have filed with the Issuer within three months after the date of adoption of such Supplemental Resolution properly executed instruments approving the adoption of such Supplemental Resolution, each such Bondholder instrument to be accompanied by proof of ownership of the Bonds to which such instrument refers, which proof shall be such as is permitted by the provisions of Section 8.1.

Section 9.5. Legal Action.

(a) Any action or proceeding in any court objecting to such Supplemental Resolution or to any of the terms and provisions therein contained or the operation thereof, or in any manner questioning the propriety of the adoption thereof or the execution by any Bondholder of any instrument purporting to approve the adoption of such Supplemental Resolution, or to enjoin or restrain the Issuer from taking any action pursuant to the provisions thereof, must be commenced within thirty (30) days after the Issuer shall have determined that the adoption of such Supplemental Resolution has been duly approved.

(b) Upon the expiration of such thirty (30) day period, or, if any such action or proceedings shall be commenced, upon any judgment or decree sustaining such Supplemental Resolution becoming final, this Resolution shall be, and be deemed to be, modified and amended in accordance with such Supplemental Resolution, and the respective rights, duties, and obligations under this Resolution shall thereafter be determined, exercised, and enforced hereunder, subject, in all respects, to such modifications and amendments.

Section 9.6. Incorporation. Any Supplemental Resolution adopted and becoming effective in accordance with the provisions of this Article shall thereafter form a part of this Resolution and all conditions of this Resolution for any and all purposes, and shall be effective as to all owners of Bonds, and no notation or legend of such modifications and amendments shall be required to be made thereon.

- (a) by the provisions of the Agreement;
- (b) to cure any ambiguity, or cure, correct, or supplement any defective provision contained in the Agreement, or in regard to matters or questions arising under the Agreement, as the Issuer may deem necessary or desirable and not inconsistent with this Resolution and which shall not have a material adverse effect on the interests of the Bondholders;
- (c) to make such changes and modifications, and to add such provisions, as shall be necessary to obtain or maintain an investment grade rating for the Bonds; or
- (d) to conform the Agreement to any changes made to this Resolution by a Supplemental Resolution permitted by Section 9.1 of this Resolution.

Section 10.2. Amendments to Agreement Requiring Consent of Bondholders.

Except for the amendments, modifications, or changes provided in Section 10.1, neither the Issuer nor the Purchaser shall amend, change, or modify the Agreement unless the owners of at least sixty-five percent (65%) of the aggregate principal amount of the Bonds then Outstanding shall have filed with the Issuer and the Purchaser within three months after the date of adoption of resolutions approving such amendment, change, or modification properly executed instruments approving the execution of such amendment, change, or modification, each such Bondholder instrument to be accompanied by proof of ownership of Bonds to which such instrument refers, which proof shall be such as is permitted by the provisions of Section 8.1; provided, however, nothing contained in this Article shall permit, or be construed as permitting, any amendment, change, or modification of the Purchaser's unconditional obligation to make the payments required under the Agreement to the Issuer, without the consent of every owner of Bonds affected thereby.

Government Obligations shall be considered sufficient for purposes of this Article only (i) if such Government Obligations are not callable by the issuer of the Government Obligations prior to their stated maturity and (ii) if such Government Obligations fall due and bear interest in such amounts and at such times as will assure sufficient cash (whether or not such Government Obligations are redeemed by the Issuer pursuant to any right of redemption) to pay currently maturing interest and to pay principal of and redemption premiums, if any, on the Bonds when due.

The Issuer may at any time surrender to the Bond Registrar for cancellation by it any Bonds previously authenticated and delivered under this Resolution that the Issuer may have acquired in any manner whatsoever. The Act authorizes the Issuer to acquire, construct, purchase, equip, extend, improve, and sell any “project,” which is defined to mean and include real and personal property, including buildings and related facilities and equipment, which are necessary or convenient for the efficient operation of the Purchaser. The Act also authorizes the Issuer to issue negotiable revenue bonds in the manner provided by Article 3 of Chapter 82 of Title 36 of the Official Code of Georgia Annotated, known as the “Revenue Bond Law” (the “Revenue Bond Law”), for the purpose of paying all or any part of the cost of any one or more projects, including the cost of constructing, reconstructing, equipping, extending, adding to, or improving any such project. There are no actions, suits, proceedings, inquiries, or investigations pending or, to the knowledge of the Issuer, after making due inquiry with respect thereto, threatened against or affecting the Issuer in any court or by or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the transactions contemplated by this Agreement or which, in any way, would adversely affect the validity or enforceability of the Series 2023 Bonds, the Bond Resolution, this Agreement, or any agreement or instrument to which the Issuer is a party and which is used or contemplated for use in the consummation of the transactions contemplated

hereby or thereby, nor is the Issuer aware of any facts or circumstances presently existing that would form the basis for any such actions, suits, or proceedings.

To the knowledge of the Issuer, after making due inquiry with respect thereto, the Issuer is not in default or violation in any material respect under the Act or under any organic document or other agreement or instrument to which it is a party or by which it may be bound.

(f) No Prior Pledge. Neither this Agreement nor any of the payments or amounts to be received by the Issuer hereunder have been or will be assigned, pledged, or hypothecated in any manner or for any purpose or have been or will be the subject of a grant of a security interest by the Issuer other than as provided in the Bond Resolution.

(h) Compliance with Conditions Precedent to the Issuance of the Series 2023 Bonds. All acts, conditions, and things required to exist, happen, and be performed precedent to and in the execution and delivery by the Issuer of the Series 2023 Bonds do exist, have happened, and have been performed in due time, form, and manner as required by law; the issuance of the Series 2023 Bonds, together with all other obligations of the Issuer, do not exceed or violate any constitutional or statutory limitation, and the revenues, funds, property, and amounts pledged to the payment of the principal of, premium, if any, and interest on the Series 2023 Bonds, as the same become due, have been calculated to be sufficient in amount for that purpose.

Promptly after acquiring, constructing, and installing each component of the Facilities, the Issuer shall deliver to the Purchaser documents conveying to the Purchaser good and marketable title (of the same quality as received by the Issuer) to each such component of the Facilities.

Section 3.02. Security for Payments under this Agreement. (a) As security for the payments required to be made and the obligations required to be performed by the Purchaser under this Agreement, the Purchaser hereby pledges to the Issuer its full faith and credit and taxing power for such payment and performance. The Purchaser covenants that, in order to make any payments of Purchase Price when due from its general funds to the extent required hereunder, it will exercise its power of taxation to the extent necessary to pay the amounts required to be paid hereunder and will make available and use for such payments all taxes levied and collected for that purpose together with funds received from any other sources. The Purchaser further covenants and agrees that in order to make funds available for such purpose in each Fiscal Year, it will, in its general revenue, appropriation, and budgetary measures through which its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such payments of Purchase Price that may be required to be made hereunder, whether or not any other sums are included in such measure, until all payments so required to be made hereunder shall have been made in full. The obligation of the Purchaser to make any payments that may be required to be made from its general funds shall constitute a general obligation of the Purchaser and a pledge of the full faith and credit of the Purchaser to provide the funds required to fulfill any such obligation. In the event for any reason any such provision or appropriation is not made as provided in this Section 3.02, then the fiscal officers of the Purchaser are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate Fiscal Year the amounts required to pay the obligations that may be due from the general funds of the Purchaser. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the Purchaser had included the amount of the appropriation in its general revenue, appropriation, and budgetary measures, and the fiscal officers of the Purchaser shall make such payments of Purchase Price to the Issuer if for any reason the payment of such obligations shall not otherwise have been made.

(b) The Purchaser covenants and agrees that it shall, to the extent necessary, levy an annual ad valorem tax on all taxable property located within the corporate limits of the Purchaser, as now existent and as the same may hereafter be extended, at such rate or rates, without limitation as to rate or amount, as may be necessary to produce in each year revenues that will be sufficient to fulfill the Purchaser’s obligations under this Agreement, from which revenues the Purchaser agrees to appropriate sums sufficient to pay in full when due all of the Purchaser’s obligations under this Agreement. Nothing herein contained, however, shall be

construed as limiting the right of the Purchaser to make the payments called for by this Agreement out of any funds lawfully available to it for such purpose, from whatever source derived (including general funds and gas revenues).

Section 3.03. Security for the Bonds. As security for the payment of the Bonds, the Issuer has adopted the Bond Resolution. The Purchaser hereby assents to the assignment and pledge made in the Bond Resolution and hereby agrees that its obligations to make all payments under this Agreement shall be absolute and shall not be subject to any defense, except payment, or to any right of setoff, counterclaim, or recoupment arising out of any breach by the Issuer of any obligation to the Purchaser, whether hereunder or otherwise, or arising out of any indebtedness or liability at any time owing to the Purchaser by the Issuer. The Purchaser further agrees that all payments required to be made under this Agreement, except for those arising out of Unassigned Rights, shall be paid directly to the Sinking Fund Custodian for the account of the Issuer for deposit in the Sinking Fund. The Bondholders shall have all rights and remedies herein accorded to the Issuer (except for Unassigned Rights), and any reference herein to the Issuer shall be deemed, with the necessary changes in detail, to include the Bondholders, and the Bondholders are deemed to be and are third party beneficiaries of the representations, covenants, and agreements of the Purchaser herein contained.

Section 3.04. Warranty of Title. The Issuer warrants that (a) the Purchaser will acquire good and marketable fee simple title to the Facilities, (b) the Purchaser will be the legal and equitable owner of the Facilities, and (c) the Facilities are and will be free from all Liens, adverse claims, security interests, and encumbrances.

All disbursements from the Project Fund shall be made upon draft, signed by the Authorized Issuer Representative and the Authorized Purchaser Representative, but before they shall sign any such draft, there shall be filed with the Project Fund Depository:

Such obligation of the Issuer is subject to any provisions of the Bond Resolution requiring additional documentation with respect to payments and shall not extend beyond the moneys in the Project Fund available for payment under the terms of the Bond Resolution. In making any such payment from the Project Fund, the Project Fund Depository may rely on any such orders and certifications delivered to it pursuant to Section 4.04 hereof.

Section 4.06. Establishment of Completion Date. The Completion Date shall be evidenced to the Project Fund Depository by a certificate of substantial completion listing the items to be completed or corrected, if any, and the amounts to be withheld therefor, signed by the Authorized Issuer Representative and the Authorized Purchaser Representative and approved by the Consulting Engineer stating that, except for amounts retained by the Project Fund Depository for Costs of the Project not then due and payable, (i) the acquisition, construction, and installation of the Project has been substantially completed without material deviation from the Plans and Specifications and all labor, services, materials, and supplies used in such acquisition, construction, and installation have been paid or provided for and (ii) all other facilities necessary in connection with the acquisition, construction, and installation of the Project have been constructed, acquired, and installed without material deviation from the Plans and Specifications and all costs and expenses incurred in connection therewith have been paid or provided for. It shall be the duty of the Purchaser to cause the certificate contemplated by this Section 4.06 to be furnished as soon as the acquisition, construction, and installation of any Project shall have been substantially completed.

Section 4.07. Purchaser Required to Pay Project Costs in Event Project Fund Insufficient. In the event the moneys in the Project Fund available for payment of the Costs of the Project shall not be sufficient to pay the costs thereof in full, the Purchaser agrees to complete the acquisition, construction, and installation of such Project and to pay all that portion of the Costs of the Project as may be in excess of the moneys available therefor in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys which will be paid into the Project Fund and which, under the provisions of this Agreement, will be available for payment of the Costs of the Project, will be sufficient to pay all the costs that will be incurred in that connection. The Purchaser agrees that if after exhaustion of the moneys in the Project Fund the Purchaser shall pay any portion of the Costs of the Project pursuant to the provisions of this Section 4.07, it shall not be entitled to any reimbursement therefor from the Issuer, the Project Fund Depository, or the Bondholders, nor shall it be entitled to any diminution of the amounts payable under Section 5.03 hereof.

Section 4.08. Authorized Purchaser and Issuer Representatives and Successors. The Purchaser and the Issuer, respectively, shall designate, in the manner prescribed in Section 1.01 hereof, the Authorized Purchaser Representative and the Authorized Issuer Representative. In the event that any person so designated and his alternate or alternates, if any, should become unavailable or unable to take any action or make any certificate provided for or required in this Agreement, a successor shall be appointed in the same manner.

Section 4.09. Enforcement of Remedies against Contractors and Subcontractors and their Sureties and Against Manufacturers. The Purchaser covenants that it will take such action and institute such proceedings as shall be necessary to cause and require all contractors and subcontractors and material suppliers to complete their contracts diligently in accordance with the terms of such contracts, including, without limitation, the correction of any defective work, with all expenses incurred by the Purchaser in connection with the performance of its obligations under this Section 4.09 to be considered part of the Costs of the Project referred to in Section 4.03 hereof. The Issuer agrees that the Purchaser may, from time to time, in its own

name, or in the name of the Issuer, take such action as may be necessary or advisable, as determined by the Purchaser, to ensure the construction of any Project in accordance with the terms of the Construction Contracts and the Plans and Specifications, to ensure the peaceable and quiet enjoyment of the Facilities, and to ensure the performance by the Issuer of all covenants and obligations of the Issuer under this Agreement, with all costs and expenses incurred by the Purchaser in connection therewith to be considered as part of the Costs of the Project referred to in Section 4.03 hereof. All amounts recovered by way of penalties, damages, whether liquidated or actual, refunds, adjustments, or otherwise in connection with the foregoing prior to the Completion Date, less any unreimbursed legal expenses incurred to collect the same, shall be paid into the Project Fund and, after the Completion Date, shall be disbursed pursuant to the provisions of Section 4.03(i) of this Agreement.

The Purchaser covenants that it will take such action and institute such proceedings as shall be necessary to cause and require any manufacturers of any equipment related to the Facilities and any dealer to fulfill their warranties and contractual responsibilities diligently in accordance with the terms of any purchase and installation contracts, including, without limitation, the correction of any defective parts or workmanship, with all expenses incurred by the Purchaser in connection with the performance of its obligations under this Section 4.09 to be considered part of the Costs of the Project referred to in Section 4.03 hereof. The Issuer agrees that the Purchaser may, from time to time, take such action as may be necessary or advisable, as may be determined by the Purchaser, to ensure the conformity of any equipment related to the Facilities to the specifications therefor, with all costs and expenses incurred by the Purchaser in connection therewith to be considered as part of the Costs of the Project referred to in Section 4.03 hereof.

Section 4.10. Investment of Funds and Accounts. Subject to Section 4.7 of the Bond Resolution and Section 4.11 hereof, any moneys held as a part of the Sinking Fund, the Project Fund, or any other special trust account shall be invested or reinvested by the Sinking Fund Custodian or the Project Fund Depository, as the case may be, at the written direction of the Authorized Purchaser Representative in such Permitted Investments as may be designated by the Purchaser. The Sinking Fund Custodian or the Project Fund Depository, as the case may be, may make any and all such investments through its own bond or investment department or through its broker-dealer affiliate.

The investments so purchased shall be held by the Sinking Fund Custodian or the Project Fund Depository, as the case may be, and shall be deemed at all times a part of the Sinking Fund, the Project Fund, or the trust account described in the preceding paragraph, as the case may be, and the interest accruing thereon and any profit realized therefrom shall be credited to such fund or account, and any losses resulting from such investments shall be charged to such fund or account therein and paid by the Purchaser.

Section 4.11. Special Investment Covenants. The Issuer and the Purchaser each covenant that it will not directly or indirectly use or permit the use of any proceeds (as defined in the Regulations) of any Tax-Exempt Bonds or any other funds of the Issuer or the Purchaser, or take or omit to take any action, or direct the Project Fund Depository or the Sinking Fund Custodian to invest any funds held by it, in such manner as will, or allow any “related party” (as defined in Section 1.150-1(b) of the Regulations) to enter into any arrangement, formal or

informal, as will, cause any Tax-Exempt Bonds to be “federally guaranteed,” as such term is used and defined in Section 149(b) of the Code, or to be “arbitrage bonds” within the meaning of Section 148 of the Code, and any Regulations proposed or promulgated in connection therewith. To that end, the Issuer and the Purchaser shall comply with all requirements of Section 149(b) and Section 148 of the Code to the extent applicable to any Tax-Exempt Bonds. In the event that at any time the Issuer or the Purchaser is of the opinion that for purposes of this Section 4.11 it is necessary to dispose of any investment or to restrict or limit the yield on any investment held under the Bond Resolution or otherwise, the Issuer or the Purchaser, as the case may be, shall so instruct the Project Fund Depository or the Sinking Fund Custodian in writing.

Section 4.12. Calculation and Payment of Rebate Amount. The Purchaser agrees to appoint and pay a Rebate Calculator to calculate and determine the Rebate Amount, if any, as required by Section 148(f) of the Code and any Regulations proposed or promulgated in connection therewith. All calculations and determinations made by a Rebate Calculator shall be accompanied by the opinion of a Rebate Calculator that such calculations and determinations have been made in accordance with the requirements of Section 148(f) of the Code. The Purchaser agrees to pay to the United States Treasury for and on behalf of the Issuer the amount determined by the Rebate Calculator to be due to the United States Treasury before the due date specified by the Rebate Calculator. The obligations created by this Section 4.12 shall survive the termination of this Agreement. The Issuer hereby delegates to the Purchaser the authority and responsibility for compliance with Section 148(f) of the Code.

Section 4.13. Additional Bonds.

(a) Additional Bonds may be issued by the Issuer to provide funds to pay any one or more of the following: (i) the costs of completing any Project, (ii) the costs of any Project related to the Facilities, (iii) to refund any Bonds, and (iv) the costs of the issuance and sale of the Additional Bonds and capitalized or funded interest for such period and such other costs reasonably related to the financing as shall be agreed upon by the Purchaser and the Issuer.

(b) If the Purchaser is not in default hereunder, the Issuer shall, on request of the Purchaser, from time to time use its best efforts to issue the amount of Additional Bonds specified by the Purchaser; provided, that the terms of such Additional Bonds, the purchase price to be paid therefor, and the manner in which the proceeds therefrom are to be disbursed shall have been approved in writing by the Purchaser, provided, that the sale of any Additional Bonds shall be the sole responsibility of the Purchaser, and provided further that the Purchaser and the Issuer shall have entered into an amendment to this Agreement to provide for additional payments of Purchase Price in an amount at least sufficient to pay principal of, premium, if any, and interest on the Additional Bonds when due and to provide for any additional terms or changes to this Agreement required because of such Additional Bonds, and provided further that the Issuer shall have otherwise complied with the provisions of Section 2.9 of the Bond Resolution with respect to the issuance of such Additional Bonds.

(c) Prior to the issuance of any Additional Bonds to finance the costs of completing any Project or the costs of any Project, the Purchaser shall cause to be prepared and filed with the Issuer a certificate of the Purchaser approved by a Consulting Engineer setting forth the estimated cost of the completion of the Project or the cost of the proposed Project, including an allowance for contingencies, the estimated date of completion of such Project, and the amount, if any, provided or to be provided by the Purchaser from other sources toward payment of the costs of completion of such Project or the cost of such Project and the manner in which such funds will be provided.

ARTICLE V

INSTALLMENT PURCHASE PROVISIONS; NATURE OF OBLIGATIONS OF PURCHASER

Section 5.01. Term of Agreement. This Agreement shall become effective upon its delivery and shall be in full force and effect until midnight, December 1, 2043, subject to the provisions of this Agreement permitting earlier termination (including particularly Article VII hereof), or if all the Bonds have not been paid or retired (or provision for such payment has not been made as provided in the Bond Resolution), until such date as such payment or provision shall have been made; provided, however, that the covenants and obligations expressed herein to so survive shall survive the termination of this Agreement, but in no event shall the term of this Agreement exceed fifty (50) years.

Section 5.02. Delivery and Acceptance of Possession. The Issuer agrees to deliver to the Purchaser sole and exclusive possession and use of the Facilities promptly following execution and delivery of this Agreement, and the Purchaser will accept possession and use of the Facilities and will accept possession of each Project upon the Completion Date; provided that prior to such date for delivery of sole and exclusive possession, the Purchaser may take such possession of all or any part of the Facilities as shall not interfere with the construction or installation of any Project. The Issuer shall be permitted such continued possession of the Facilities as shall be necessary and convenient for it to construct or install or cause to be constructed or installed any Project. The Issuer covenants and agrees that it shall not take any action to prevent the Purchaser from having quiet and peaceable possession and enjoyment of the Facilities during the term of this Agreement and shall, at the request of the Purchaser and at the cost of the Purchaser, cooperate with the Purchaser in order that the Purchaser may have quiet and peaceable possession and enjoyment of the Facilities.

Section 5.03. Purchase Price and Other Amounts Payable. (a) Until the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Bond Resolution, the Purchaser shall pay the Purchase Price in installments and shall pay to the Sinking Fund Custodian for the account of the Issuer as installments of Purchase Price, the following amounts:

- (i) on or before each May 31 or November 30, as the case may be, a sum equal to the amount payable on the next succeeding June 1 or December 1, whichever is closer, as interest on the Bonds, as provided in the Bond Resolution, and
(ii) on or before each November 30, a sum equal to the principal of the Bonds due on the next succeeding December 1, whether by maturity or by mandatory redemption, as provided in the Bond Resolution.

Each installment of Purchase Price under this Section due on the day preceding an interest or principal payment date or redemption date until the Bonds are fully paid or payment is provided therefor in accordance with the Bond Resolution shall in all events be sufficient, after giving credit for funds held in the Sinking Fund available for such purpose, to pay the total

amount of interest, principal, redemption requirement, and premium, if any, payable on the Bonds on the next succeeding principal or interest payment date or on the next succeeding redemption date for Bonds. Any installment of Purchase Price shall be reduced and need not be made to the extent that there are moneys on deposit in the Sinking Fund in excess of the amount required for the payment of Bonds theretofore matured or called for redemption, the amount required for the payment of interest for which checks or drafts have been mailed by or on behalf of the Issuer, and past due interest in all cases where Bonds have not been presented for payment. Further, if the amount held by the Sinking Fund Custodian in the Sinking Fund should be sufficient to pay at the times required the principal of, premium, if any, and interest on the Bonds then remaining unpaid, the Purchaser shall not be obligated to make any further installment payments of Purchase Price under the provisions of this Section. There shall also be a credit against remaining installment payments of Purchase Price for Bonds purchased, redeemed, or cancelled, as provided in Article III of the Bond Resolution. Any installment payment of Purchase Price not received by the Sinking Fund Custodian when due shall continue as an obligation of the Purchaser until paid and shall bear interest at the rate of interest on the Bonds to which such Purchase Price relates. As provided in Section 4.13 hereof, the Purchase Price shall be increased to cover the payment of principal of, redemption premium, if any, and interest on any Additional Bonds.

(b) The Purchaser agrees to pay all reasonable out-of-pocket costs and expenses of the Issuer incurred in connection with its negotiation, structuring, documenting, and closing the Bonds, including, without limitation, the reasonable fees and disbursements of counsel for the Issuer and Bond Counsel. The Purchaser agrees to pay all reasonable out-of-pocket costs and expenses of the Issuer incurred in connection with its administration or modification of, or in connection with the preservation of its rights under, enforcement of, or any refinancing, renegotiation, restructuring, or termination of, this Agreement or any instruments referred to herein or any amendment, waiver, or consent relating hereto, including, without limitation, the reasonable fees and disbursements of counsel for the Issuer.

Such additional installments of Purchase Price shall be billed to the Purchaser by the Issuer from time to time, together with a statement certifying that the amount billed has been incurred or paid by the Issuer for one or more of the above items. Amounts so billed shall be paid by the Purchaser within thirty (30) days after receipt of the bill by the Purchaser.

(c) In the event the Purchaser shall fail to make any of the payments required in this Section 5.03, the item or installment so in default shall continue as an obligation of the Purchaser until the amount in default shall have been fully paid.

Section 5.04. Place of Purchase Price Payments. The payments of Purchase Price provided for in Section 5.03(a) hereof shall be paid in lawful money of the United States of America directly to the Sinking Fund Custodian for the account of the Issuer and shall be deposited in the Sinking Fund. The payments of additional purchase price to be made to the Issuer pursuant to Section 5.03(b) hereof shall be paid directly to the Issuer for its own use.

Section 5.05. Nature of Obligations of Purchaser Hereunder. (a) The obligations of the Purchaser to make the payments required in Section 5.03 hereof and other sections hereof and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Purchaser and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment, or counterclaim, except payment, it may otherwise have against the Issuer. The Purchaser agrees that it shall not (i) suspend, abate, reduce, abrogate, diminish, postpone, modify, or discontinue any payments provided for in Section 5.03 hereof, (ii) fail to observe any of its other agreements contained in this Agreement, or (iii) except as provided in Article VII hereof, terminate its obligations under this Agreement for any contingency, act of God, event, or cause whatsoever, including, without limiting the generality of the foregoing, failure of the Purchaser to complete the construction of any Project on behalf of the Issuer, failure of the Purchaser to occupy or to use the Facilities as contemplated in this Agreement or otherwise, any change or delay in the time of availability of any Project, any acts or circumstances that may impair or preclude the use or possession of the Facilities, any defect in the title, design, operation, merchantability, fitness, or condition of the Facilities or in the suitability of the Facilities for the Purchaser's purposes or needs, failure of consideration, any declaration or finding that any of the Bonds are unenforceable or invalid, the invalidity of any provision of this Agreement, any acts or circumstances that may constitute an eviction or constructive eviction, destruction of or damage to the Facilities, the taking by eminent domain of title to or the use of all or any part of the Facilities, failure of the Issuer's title to the Facilities or any part thereof, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either thereof or in the rules or regulations of any governmental authority, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Agreement.

(b) Nothing contained in this Section 5.05 shall be construed to release the Issuer from the performance of any of the agreements on its part herein contained. In the event the Issuer should fail to perform any such agreement on its part, the Purchaser may institute such action against the Issuer as the Purchaser may deem necessary to compel performance so long as such action does not abrogate the Purchaser's obligations hereunder. The Issuer hereby agrees that it shall not take or omit to take any action that would cause this Agreement to be terminated. The Purchaser may, however, at its own cost and expense and in its own name or in the name of the Issuer, prosecute or defend any action or proceeding or take any other action involving third persons that the Purchaser deems reasonably necessary in order to secure or protect its right of possession, occupancy, and use hereunder, and in such event the Issuer hereby agrees to cooperate fully with the Purchaser and to take all action necessary to effect the substitution of the Purchaser for the Issuer in any such action or proceeding if the Purchaser shall so request.

ARTICLE VI

ADDITIONAL COVENANTS

Section 6.01. No Warranty of Condition or Suitability by the Issuer. THE ISSUER MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE HABITABILITY, MERCHANTABILITY, CONDITION, OR WORKMANSHIP OF ANY PART OF THE FACILITIES OR THAT THEY WILL BE SUITABLE FOR THE PURCHASER’S PURPOSES OR NEEDS.

Section 6.02. Indemnity. To the extent permitted by the laws and Constitution of the State, the Purchaser shall protect, hold harmless, and indemnify the Issuer from and against any and all liability, obligations, losses, claims, and damages whatsoever, regardless of cause thereof, and expenses in connection therewith, including, without limitation, counsel fees and expenses, penalties, and interest arising out of or as the result of the entering into of this Agreement, the ownership of any item of the Facilities, the ordering, acquisition, construction, use, operation, condition, purchase, delivery, rejection, storage, or return of any item of the Facilities or any accident in connection with the construction, operation, use, condition, possession, storage, or return of any item of the Facilities resulting in damage to property or injury to or death of any person. The indemnification arising under this Section shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement and shall survive the termination of this Agreement for any reason.

Section 6.03. Continuing Disclosure. The Purchaser hereby covenants and agrees that it will comply with and carry out all of the provisions of the Series 2023 Disclosure Certificate. Notwithstanding any other provision of this Agreement, failure of the Purchaser to comply with the Series 2023 Disclosure Certificate shall not be considered an Event of Default; however, any beneficial owner of the Series 2023 Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Purchaser to comply with its obligations under this Section 6.03.

Section 6.04. Tax-Exempt Status of Tax-Exempt Bonds. The Purchaser recognizes that the purchasers and owners of the Tax-Exempt Bonds will have accepted the Tax-Exempt Bonds on, and paid for the Tax-Exempt Bonds a price that reflects, the understanding that interest on the Tax-Exempt Bonds is excluded from the gross income of the owners for federal income tax purposes under laws in force at the time the Tax-Exempt Bonds shall have been delivered.

The Purchaser covenants that it will not take or omit to take any action nor permit any action to be taken or omitted that would cause the interest on any Tax-Exempt Bonds to become includable in the gross income of any owner thereof.

The Purchaser further covenants and agrees that it shall comply with the representations and certifications it made in its Purchaser’s Tax Certificate dated the date of issuance of the Series 2023 Bonds and that it shall take no action nor omit to take any action that would cause such representations and certifications to be untrue.

The Purchaser agrees to furnish the Issuer any items (including, without limitation, certificates of the Purchaser and opinions of Bond Counsel) reasonably requested by it to evidence compliance with the covenants contained in this Section 6.04.

EVENTS OF DEFAULT AND REMEDIES

Section 8.01. Events of Default Defined. The following shall be “Events of Default” under this Agreement, and the terms “Event of Default” or “Default” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) The Purchaser’s failure to pay the amounts required to be paid under Section 5.03 of this Agreement at the times specified therein.

(b) The Purchaser’s breach in any material respect of any representation or warranty contained in this Agreement or the Purchaser’s failure in any material respect to observe, perform, or comply with any covenant, condition, or agreement in this Agreement on the part of the Purchaser to be observed or performed, other than as referred to in subsection (a) of this Section 8.01 and in Section 6.03 hereof, for a period of thirty (30) days after written notice specifying such breach or failure and requesting that it be remedied, given to the Purchaser by the Issuer or the Bondholders, unless the Bondholders shall agree in writing to an extension of such time prior to its expiration. In the case of any such breach or default that cannot with due diligence be cured within such thirty (30) day period but can be wholly cured within a period of time not materially detrimental to the rights of the Issuer and the Bondholders, to be determined conclusively by the Bondholders, it shall not constitute an Event of Default if corrective action is instituted by the Purchaser within the applicable period and diligently pursued until the breach or default is corrected in accordance with and subject to any directions or limitations of time established in writing by the Bondholders.

(c) The Purchaser shall (i) apply for or consent to the appointment of or the taking of possession by a receiver, custodian, trustee, or liquidator of it or of all or a substantial part of its property, (ii) enter into an agreement of composition with its creditors, (iii) admit in writing its inability to pay its debts as such debts become due, (iv) make a general assignment for the benefit of its creditors, (v) commence a voluntary case under the federal bankruptcy law (as now or hereafter in effect), (vi) file a petition or answer seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (vii) fail to controvert in a timely or appropriate manner or acquiesce in writing to any petition filed against it in an involuntary case under such federal bankruptcy law, or (viii) take any action for the purpose of effecting any of the foregoing.

(d) A proceeding or case shall be commenced, without the application of the Purchaser, in any court of competent jurisdiction, seeking (i) the liquidation, reorganization, dissolution, winding-up, or composition or adjustment of debts of the Purchaser, (ii) the appointment of a trustee, receiver, custodian, liquidator, or the like of the Purchaser or of all or any substantial part of the assets of it, or (iii) similar relief in respect of the Purchaser under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition and adjustment of debts, and such proceeding or case shall

continue undismissed or an order, judgment, or decree approving or ordering any of the foregoing shall be entered and shall continue unvacated and unstayed and in effect for a period of sixty (60) days, whether consecutive or not.

Section 8.02. Remedies on Default. Whenever any Event of Default referred to in Section 8.01 hereof shall have happened and be continuing, the Issuer, in its discretion, may exercise any one or more of the following remedies:

(a) The Issuer may have access to and inspect, examine, and make copies of the books and records and any and all accounts and similar data of the Purchaser.

(b) The Issuer may from time to time take whatever action at law or in equity or under the terms of this Agreement may appear necessary or desirable to collect the Purchase Price and other amounts payable by the Purchaser hereunder then due or thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Purchaser under this Agreement.

No action taken pursuant to this Section 8.02 shall relieve the Purchaser from its obligations pursuant to Section 5.03 hereof, all of which shall survive any such action, and the Issuer may take whatever action at law or in equity as may appear necessary and desirable to collect the Purchase Price and other amounts then due and thereafter to become due or to enforce the performance and observance of any obligation, agreement, or covenant of the Purchaser hereunder.

Section 8.03. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Issuer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Issuer hereunder shall also extend to the Bondholders, and the Bondholders shall be deemed third party beneficiaries of all covenants and agreements herein contained.

Section 8.04. Agreement to Pay Fees and Expenses. In the event the Purchaser should default under any of the provisions of this Agreement and the Issuer or the Bondholders should employ attorneys, accountants, or other experts or incur other expenses for the collection of Purchase Price and other amounts due hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the Purchaser herein contained, the Purchaser agrees that it shall on demand therefor pay to the Issuer or to the Bondholders for the account of the Issuer the reasonable fees of such attorneys, accountants, or other experts and such other expenses so incurred by the Issuer or the Bondholders. Any attorneys' fees required to be paid by the Purchaser under this Agreement shall include attorneys' and paralegals' fees through all proceedings, including, but not limited to, negotiations, administrative hearings, trials, and appeals.

Section 8.05. Waiver of Events of Default. The Issuer may waive any Event of Default hereunder and its consequences. In case of any such waiver, or in case any proceeding taken by the Issuer or the Bondholders on account of any such Event of Default shall be discontinued or abandoned or determined adversely to the Issuer or the Bondholders, then and in every such case the Issuer and the Purchaser shall be restored to their former position and rights hereunder, but no such waiver or rescission shall extend to or affect any subsequent or other Event of Default or impair or exhaust any right, power, or remedy consequent thereon.
