Under other business, Theresa Wyatt inquired whether or not right-of-way access had been acquired from Mr. Michael Lyons for the Mondy Road Bridge Replacement Project. Hunter Lancaster of Shuler Consulting Company stated that right-of-way access had not been granted, however, the project was still in the engineering phase and rights-of-way should be acquired soon.

Assistant Administrator Kevin Klepzig stated that a letter had been received from the Louisiana Department of Transportation regarding the request made by Resolution 23-01 concerning safety issues at the West Bound I-20 Exit at Louisiana Highway 33. Mr. Klepzig stated that DOTD is aware of the situation and has been looking into correcting the issue and is currently waiting for the necessary parts to make repairs. He further reported that the matter should be corrected within the next few months.

Skip Russell asked about the condition of Mt. Harmony Church Road, citing concerns due to subdivision development in that area. Jerry Doss stated that the main issue is with cross drains on the gravel portion of the road and that these cross drains had recently been cleared by Highway

Department crews.

Interim Parish Administrator Courtney Hall offered congratulations to Jerry Doss and Kevin Klepzig, for making sure that all parish bridges were in full compliance with the Off-System Bridge Program for 2022.

There being no public comments or any further business to come before the Committee, the meeting was adjourned.
