- (2)(b) The Recipient or legally responsible party shall provide to all affected employees sixty (60) days' notice of intended actions which may result in displacements or dismissals or rearrangements of the working forces. In the case of employees represented by a union, such notice shall be provided by certified mail through their representatives. The notice shall contain a full and adequate statement of the proposed changes, and an estimate of the number of employees affected by the intended changes, and the number and classifications of any jobs in the Recipient's employment available to be filled by such affected employees.

The foregoing procedures shall be complied with and carried out prior to the institution of the intended action.
- (3) For the purpose of providing the statutory required protection including those specifically mandated by 49 U.S.C. 5333(b), the Public Body will assure as a condition of the release of funds that the Recipient agrees to be bound by the terms and conditions of the National (Model) Special 5333(b) Labor Agreement executed July 23, 1975, identified below, provided that other comparable arrangements may be substituted therefore, if approved by the Secretary of Labor and certified for inclusion in these conditions.

1. Such protective arrangements shall include, without being limited to, such provisions as may be necessary for (1) the preservation of rights, privileges, and benefits (including continuation of pension rights and benefits) under existing collective bargaining agreements or otherwise; (2) the continuation of collective bargaining rights; (3) the protection of individual employees against a worsening of their positions with respect to their employment; (4) assurances of employment to employees of acquired mass transportation systems and priority of reemployment of employees terminated or laid off; and (5) paid training and retraining programs. Such arrangements shall include provisions protecting individual employees against a worsening of their positions with respect to their employment which shall in no event provide benefits less than those established pursuant to Section 5(2)(f) of the Act of February 4, 1987 (24 Stat. 379), as amended.
 2. For purposes of this warranty arrangement, paragraphs (1); (2); (5); (15); (22); (23); (24); (26); (27); (28); and (29) of the Model Labor Warranty Agreement, executed July 23, 1975 are to be omitted.

In the event of any dispute as to whether or not a particular employee was affected by the Project, it shall be his obligation to identify the Project and specify the pertinent facts of the Project relied upon. It shall then be the burden of either the Recipient or other party legally responsible for the application of these conditions to prove that factors other than the Project affected the employees. The claiming employee shall prevail if it is established that the Project had an effect upon the employee even if other factors may also have affected the employee.

- (1) The Recipient or other legally responsible party designated by the Public Body will be financially responsible for the application of these conditions and will make the necessary arrangements so that any employee covered by these arrangements, or the union representative of such employee, may file claim of violation of these arrangements with the Recipient within sixty (60) days of the

date he is terminated or laid off as a result of the Project, or within eighteen (18) months of the date his position with respect to his employment is otherwise worsened as a result of the Project. In the latter case, if the events giving rise to the claim have occurred over an extended period, the 18-month limitation shall be measured from the last such event. No benefits shall be payable for any period prior to six (6) months from the date of the filing of any claim.

(2) Nothing in this arrangement shall be construed as depriving any employee of any rights or benefits which such employee may have under existing employment or collective bargaining agreements, nor shall this arrangement be deemed a waiver of any rights of any union or any represented employee derived from any other agreement or provision of federal, state or local law.

(3) In the event any employee covered by these arrangements is terminated or laid off as a result of the Project, he shall be granted priority of employment or reemployment to fill any vacant position within the control of the Recipient for which he is, or by training or retraining within a reasonable period can become qualified. In the event training or retraining is required by such employment or reemployment, the Recipient or other legally responsible party designated by the Public Body shall provide or provide for such training or retraining at no cost to the employee.

(4) The recipient will post, in a prominent and accessible place, a notice stating that the Recipient has received federal assistance under the Federal Transit Act and has agreed to comply with the provisions of 49 U.S.C. 5333(b). This notice shall also specify the terms and conditions set forth herein for the protection of employees. The Recipient shall maintain and keep on file all relevant books and records in sufficient detail as to provide the basic information necessary to the proper application, administration, and enforcement of these arrangements and to the proper determination of any claims arising thereunder.

(5) Any labor organization which is the collective bargaining representative of employees covered by these arrangements, become a party to these arrangements by serving written notice of its desire to do so upon the Recipient and the Department of Labor. In the event of any disagreement that such labor organization represents covered employees, or is otherwise eligible to become a party to these arrangements, as applied to the Project, the dispute as to whether such organization shall participate shall be determined by the Secretary of Labor.

(6) In the event the Project is approved for assistance under the Act, the foregoing terms and conditions shall be made part of the contract of assistance between the federal government and the Public Body or Recipient of federal funds; provided, however, that this arrangement shall not merge into the contract of assistance, but shall be independently binding and enforceable by and upon the parties thereto, and by any covered employee or his representative in accordance with its terms nor shall any other employee protective agreement merge into this arrangement but each shall be independently binding and enforceable by and upon the parties thereto in accordance with its terms.

C. Waiver

As a part of the grant approval process, either the Recipient or other legally responsible party designated by the Public Body may in writing seek from the Secretary of Labor a waiver of the statutory required protection. The Secretary will waive these protections in cases, where at the time of the requested waiver, the Secretary determines that there are no employees of the Recipient or of any other surface public transportation providers in the transportation service area who could be potentially affected by the Project. A 30-day notice of proposed waiver will be given by the Department of Labor and in the absence of timely objection; the waiver will become final at the end of the 30-day notice period. In the event of timely objection, the Department of Labor will review the matter and determine whether a waiver shall be granted. In the absence of waiver, these protections shall apply to the Project.

ASSURANCE OF COMPLIANCE WITH SPECIAL 49 U.S.C. 5333(b)

A. **LABOR WARRANTY**

The applicant HEREBY AGREES THAT as a condition to receiving federal financial assistance from the Department of Transportation, as authorized under the Non-Urbanized Area Formula Program, Title 49 CFR 5311, it will comply with the terms and conditions of the Special 49 CFR 5333(B) Warranty for Application to the Small Urban and Rural Program.

The applicant FURTHER AGREES THAT it will assume all legal and financial responsibility relative to compliance with the terms and conditions of the Warranty.

**LINCOLN PARISH POLICE JURY SECTION 8 PROGRAM
ATTACH TO PHA 5 YEAR AND ANNUAL PLAN
FISCAL YEAR 1/2022**

VIOLENCE AGAINST WOMEN ACT (VAWA)

The goal of the Lincoln Parish Section 8 Program as it relates to VAWA is not to deny a victim of domestic violence, dating violence, or stalking admission to the program if the victim otherwise qualifies for housing assistance or admission. We also work with our local DART program. If a participant is facing termination because of domestic violence, dating violence, or stalking the participant must provide a signed statement to verify the act(s) of violence which will result in the participant being eligible for relocation. We will bypass standard procedures for the relocation and safety of the participant and the family.
