Election of Chairperson and Vice Chairperson and election /appointment of seats for commissioners

Livingston City Commission LEGISLATIVE ACTION SUMMARY Commission Business, 4 Jan 2018

Requested by:

Date of First Consideration/Status:

Purpose of Legislation: Elect Chairman/Vice Chairman, Assign Commission Seating

Statutory Authority/Reference: Livingston Code, Sec 2-14

Background: Prior to conducting business, the Commission must elect the Chair and Vice Chair for the new session. Until elections take place, the previous Chair or Vice Chair shall be the presiding officer for the meeting. Once Chair and Vice Chair have been elected, the Chair shall assign Commission seating for the new session.

Staff Recommendation:

Fiscal Impact:

Regulatory Impact (local):

Attachments: Livingston Municipal Code Excerpt

Sec. 2-14. - Officers and duties.

- Α. General. Election, voting, absence and vacancy. The City Commission shall annually elect a chair and a vice chair at the first meeting in January to serve until the next chair and vice chair are elected. The chair and vice chair shall retain all the rights and responsibilities held as a member of the commission, including the right to vote. The chair, or in his/her absence the vice chair, shall be the presiding officer at meetings of the commission. In the absence of both the chair and vice chair, the Recording Secretary shall call the meeting to order, call for the roll and the commission members present shall then appoint an acting chair to preside over the meeting. B. Chairman. The presiding officer of the City Commission shall be the Chairman who shall preserve strict order and decorum at all meetings of the Commission. The chairman shall assign each Commission member to a seat at the Commission table, as he or she may deem appropriate. The Chairman shall state, or cause to be stated, every motion coming before the Commission, announce the decision of the Commission on all subjects, and decide all questions of order, subject, however, to an appeal to the Commission at large, in which event a majority vote of the Commission shall govern and conclusively determine such question of order.
- C. Vice Chairman. In the Chairman's absence or in the case of the Chairman's inability to act, the Vice Chair shall be designated by the Commission to perform the duties of the Chairman.
- D. Recording Secretary. The Recording Secretary shall record the proceedings of the City
 Commission and prepare and maintain permanent minutes of the Commission proceedings and shall file and preserve the recordings of the meetings and preserve and maintain the minutes and records in the City Office, which minutes and records shall be a public record; and shall be the custodian of the files and records of the Commission.
- E. Sergeant at arms. The Chief of Police, or such other officer may be designated by the
 Commission, shall be the Sergeant at Arms who shall assist the Chairman in preserving strict
 order and decorum at all meetings and shall keep track of the time when the chairman has place
 time limits upon a speaker's presentation.
- F. Procedure to fill Vacancy in office of City Commissioner. In the event of a vacancy in the office of
 City Commissioner under Section 7-4-4111, Montana Code Annotated, the City Commission shall
 use the follow process to fill the vacancy.
 - The City Commission shall determine that a vacancy in the office of a City
 Commissioner has occurred at either the next scheduled regular meeting of the City
 Commission or at a duly noticed special meeting as a duly noticed agenda item.
 - At the aforementioned meeting, the City Commission shall direct staff to publish in the local newspaper, once per week for two (2) successive weeks, and shall post on the City's official posting board a request to have interested person submit an

A. RESOLUTION NO. 4773 - A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF LIVINGSTON, MONTANA, ESTABLISHING THE AUTHORITY TO DRAFT A "SAFE AND ACCESSIBLE STREETS" POLICY.

Livingston City Commission LEGISLATIVE ACTION SUMMARY Resolution 4773

Requested by: Michael J. Kardoes, City Manager

Date of First Consideration/Status: December 19, 2017, Approval to generate a "Safe and Accessible Streets Policy" for the City of Livingston

<u>Purpose of Legislation</u>: Approval for the City Administration to work with the Active Transportation Coalition, other Civic Groups, and general public involvement to generate a "Safe and Accessible Streets" policy to ultimately present to the City Commission.

Statutory Authority/Reference: Approval to generate a Safe and Accessible Streets policy

Background: The Active Transportation Coalition attended the BACI (Building Active Communities Institute) in May in Butte, Montana. The Coalition identified two goals while attending the conference. The goals are to create an outreach action plan and develop a Safe and Accessible Streets policy draft for recommendation to the City of Livingston City Commission and Park County Commission.

<u>Staff Recommendation</u>: The City Manager recommends approving the Resolution establishing authority to draft a Safe and Accessible Streets policy.

<u>Fiscal Impact:</u> There is no direct fiscal impact for drafting this policy. All stipulations can be accomplished using City Staff time and materials.

<u>Regulatory Impact (local)</u>. None at this time. There may be a regulatory impact if the policy is adopted by the City Commission

Attachments: Safe and Accessible Streets Policy Outline

RESOLUTION NO. 4773

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF LIVINGSTON, MONTANA, ESTABLISHING THE AUTHORITY TO DRAFT A "SAFE AND ACCESSIBLE STREETS" POLICY.

WHEREAS, the City of Livingston would like to improve city streets and sidewalks to make walking and bicycling more convenient; provide increased access to jobs, retail, and schools; improve pedestrian and vehicular safety; and improve transportation options that promote a healthy lifestyle; and;

WHEREAS, establishing a "Safe and Accessible Streets" policy, outline attached hereto as Exhibit A would help those tasked with planning design and implementation to meet the needs in our community, and;

WHEREAS, safe and usable streets are essential in providing safe routes to school for children;

WHEREAS, a "Safe and Accessible Streets" program will include consideration of all aspects of transportation needs outlined by the City in street rehabilitation or construction designs, and;

WHEREAS, a well-designed transportation network will provide improved consideration for safety for residents who choose an alternative mode of transportation methods, and;

WHEREAS, the "Safe and Accessible Streets" policy conforms and supports the City's Growth Policy and implementation of goals and objectives, and the policy supports the City's Capital Improvement Plan.

NOW, THEREFORE, BE IT RESOLVED, by the City Commission of the City of Livingston, Montana, as follows:

That the City of Livingston hereby establishes the authority to draft a "Safe and Accessible Streets" policy for the City of Livingston, Montana.

PASSED AND ADOPTED by the City Commission of the City of Livingston, this day of January, 2018.

- Chairman

RESOLUTION NO. 4773 – Establishing the authority to draft a "Safe and Accessible Streets" policy.

ATTEST:

APPROVED AS TO FORM:

LISA HARRELD Recording Secretary JAY PORTEEN City Attorney

RESOLUTION NO. 4773 – Establishing the authority to draft a "Safe and Accessible Streets" policy.

Safe and Accessible Streets Policy Outline

Vision/Intent

The City of Livingston is considering a Safe and Accessible Streets Policy to develop safe, reliable, efficient, integrated, and connected multimodal transportation system that promotes access, mobility, and safe alternatives for all users.

All Users and Modes

The City of Livingston will endeavor to ensure the safety and convenience of all users of the transportation system are accommodated, including pedestrians, bicyclists, transit riders, people of all ages and abilities, motorist, emergency responders, freight providers, and adjacent land users. When there are conflicting needs among users and modes, the following prioritization will apply:

- 1. safety is the primary concern, followed by mobility;
- 2. among modes, pedestrians shall come first citywide, followed by the next most vulnerable types of users; and finally,
- 3. seek balance among all modes involved.

It is recognized that all modes cannot receive the same type of accommodation and space on every street, but the overall goal is that everyone can safely, comfortably, and conveniently travel through the City of Livingston.

Projects and Phases

The City of Livingston will take into consideration the opportunity to create safer and more accessible streets for all users during transportation improvement projects. This may include, but is not limited to: planning, programming, design, right-of-way acquisition, construction, construction engineering, reconstruction, operation, and maintenance. Other changes to transportation facilities on streets and rights-of-way, including capital improvements, re-channelization projects, and major maintenance may also be included where appropriate.

Under this policy, permit application for updates to sidewalk, curb, gutter, and street improvements, or for new development, need to demonstrate compliance with this policy.

Policy Elements

The City of Livingston will work with the Active Transportation Coalition and other interested groups through the public involvement process to define the policy elements specific to the City of Livingston. These elements will refine the vision, provide clear direction and intent, are accountable to the community's needs, and grant the flexibility in design and approach necessary to secure an effective "Safe and Accessible Street" policy process and outcome.

NOTICE

A public hearing will be held by the City Commission of Livingston, Montana, on January 2, 2018, at 6:30 p.m. in the Community Room of the City County Complex, 414 East Callender Street, Livingston, Montana, on Resolution No. 4769 entitled A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF LIVINGSTON, MONTANA, OF ITS INTENT TO ESTABLISH A "SAFE AND ACCESSIBLE STREETS" POLICY.

All interested persons are invited to attend and give their comments. For additional information contact Michael Kardoes, City Manager, 414 East Callender Street, Livingston, MT 59047, or by phone at 823-6000.

Publish December 22 and December 29, 2017.

A. DISCUSS/APPROVE/DENY - Livingston Business Improvement District (LBID) and Urban Renewal Agency (URA) request for approval to fund downtown flower basket program

Livingston City Commission LEGISLATIVE ACTION SUMMARY Action Itom A. 4 Jan 2018

Action Item A, 4 Jan 2018

Requested by: URA/LBID

Date of First Consideration/Status: 1st Consideration

Purpose of Legislation: Authorize the URA to continue to participate in the Flower Basket Program

Statutory Authority/Reference: Oversight of URA

Background: See attachment.

<u>Staff Recommendation</u>: Allow URA to budget for Flower Basket Program if they desire.

Fiscal Impact: Approximate cost of \$6K - \$10K per year. Current balance is approximately \$159K.

Regulatory Impact (local):

Attachments: LBID background paper

History of Downtown Planter Basket Program

Since 2009, upon the approval of the recommendation of the URA board members, the City has agreed to payment of planting of flowers in coco liners, installation of flower baskets on downtown light poles and storage of baskets at the contracted vendor's establishment during the non-summer months. Information provided by the City of Livingston finance team includes that in 2016 and 2017, \$4,032 and \$4,959, respectively, was paid to Oak Gardens. They did not have additional information on the amounts paid for baskets, prior to those two years, at the time of the request.

At present, between the months of June and as late as October, 24 beautiful baskets grace the downtown district light poles, providing vibrant and welcoming

streetscape decor to locals and visitors in the area. The long-term vision for the "Downtown Planter Basket Program" is to have anywhere between 45-50 planter baskets installed during the summer months in the downtown district (once all downtown streets are completely reconstructed).

Since its inception in 2011, LBID has paid for the contracted labor associated with the maintenance (watering, fertilizing and some pruning/detangling) of the flowers in the baskets. The contractor uses two bags of Peter's Fertilizer per season, a double tank watering system and two low-flow pumps to water baskets at around 1:30 a.m. each

morning. Anywhere between 60 and 80 gallons of water is used per night. Flowers are watered and/or fertilized 7 days a week. The contractor also detangles the flowers on an ongoing basis especially after really windy days. The estimated average cost per year for the flower basket maintenance, watering and fertilizing is \$6,500. Since the contractor also empties garbage receptacles and cleans sidewalks as part of the same contract, an exact figure for the basket program is not feasible.

The most recent agreement with a nursery to provide services for planting and installation of the downtown flower baskets ended in 2017. In August 2017, a request for proposals (due 9/30/17) was sent via email

to ten separate landscape consultants and/or nurseries:

LIVINGSTON:

Ace Hardware – Tom Shellenberg – Shellenberg@bresnan.net Woods Rose – Kris Fitzgerald – woodsrosemarket@gmail.com Native Landscapes – Dave Jensen – nativelandscapes@wispwest.net Jodi Litchfield – jodilitch@gmail.com Heather's Garden Services - Heather Muldoon – hgsmontana@gmail.com

BOZEMAN:

```
Oak Gardens – oakgardens@montana.com
Lawson – contact@lawsongreenhouse.com
Cashman – info@cashmannursery.com
Wagner – Jessica@wagnernursery.net
MT Gardens – mtgardenscountrymarket@gmail.com
```

The 2017 proposal was for a contract period of five years and included the following requirements:

- 1. Planting 24 planters with colorful assortment of sun-loving and hardy (think Livingston winds) flowers, to be potted early enough in the year to have them looking full and beautiful by the time of installation.
- 2. Replace any fiber matting that has degraded in the existing planters.
- 3. Install the 24 planters. Installation would take place within the first two weeks of June of each year and be coordinated with the contracted LBID maintenance person.
- 4. Provide fertilizer for the planters. They will get watered with fertilizer 5 out of 7 days.
- 5. Trim the plants two times during the summer.
- 6. Taking down the planters after the growing season. This would take place the end of September or first part of October (generally after the first frost).
- 7. Store the planters until they are prepared for installation in the next season.

The proposal also included language about pricing out costs per individual basket in case additional planters were bought and hung on additional light poles as those were added during reconstruction activities.

By the deadline of 9/30/17, only one local proposal had been received from Woods Rose on 9/13/17 (see *Attachment A*).

At the October 2017 LBID meeting, board members unanimously approved acceptance of the Woods Rose proposal. Since that time, in conversations with URA members, it was brought to the attention of LBID members that there was a moratorium set on URA spending and that it might be unlikely for the URA to continue to pay for the flower baskets. At the 12/13/17 URA meeting, Kristen Galbraith, Chair of LBID, gave a presentation about the flower basket proposal and the need for continued assistance from URA funds to sustain the program.

The request from LBID is to enter into a contract with Kris Fitzgerald at Woods Rose so that she can move forward with ordering plugs and acquiring additional greenhouse space to grow the flowers that will be included in the baskets. The request of LBID board members is to also include language and a budget line item for the continued support of the flower program (in perpetuity) by the City of Livingston (through URA funding) in the new bond language that is being developed for the potential continuance of the URA.

Additional information from LBID is included in *Attachment B* which helps explain our district, our board and some of the other projects we work on (including the recently completed Strategic Plan, Banner Program Document, etc.).

If the URA and/or the City cannot help support the flower basket program into the future, it will likely not be as successful as years past – meaning less baskets and less maintenance. The worst case scenario would be that the program was eliminated, as I know myself and several other members of civic groups and boards in Livingston are overcommitted and won't have any additional volunteer hours to try to find another way to finance this program. LBID would not be able to pay for the entire program amount as we have limited tax increment funding; much of that funding goes to other downtown events and maintenance (the Hoot; BrewFest; graffiti remediation; sidewalk and garbage maintenance; banner program; etc.).

Given the amount of downtown reconstruction activities that will be taking place over the next few years, it seems more important than ever to have some these baskets (and our banners) to help with inviting visitors and our locals to continue to walk the streets of historic downtown and support our local merchants.

Mission Statement

The Livingston Business Improvement District (LBID) enhances the vitality of downtown Livingston by facilitating commerce, enhancing streetscapes, conducting maintenance and improving security and safety.

Vision Statement

The LBID seeks to be one of the driving forces behind a successful business district which preserves our historic downtown, enriches our culture and continues to improve and maintain the physical appearance and aesthetics of the District in order to continue to attract long-term and viable businesses, invigorate community activity and enhance visitor experiences.

Strategic Plan Process

The Strategic Plan is a format and solution that assists in positioning an organization for success by clarifying goals and providing a scope of activities with which to reach those goals. The objective of the Strategic Plan, as a written document, is to define LBID, its strategies and major areas of focus for the next five years, in order to achieve the District's mission. The planning process also seeks to:

- Provide a framework for decisions involving the core mission and vision of LBID;
- Provide a basis for more detailed implementation and funding planning;
- Explain the need and purpose of LBID in order to inform, educate and promote the District;
- Encourage ongoing assessments of the LBID to stimulate projects, programs and improvement for, and within, the District; and,
- Plan for the continuation of reauthorization of the District in year 2021.

It is the intent of the Board of Trustees to review the Plan annually and incorporate changes, updates and edits with a complete revision in 2021. Comments related to the Strategic Plan can be submitted to the Board of Trustees via e-mail at info@downtownlivingston.com.

Introduction

Recently listed as boasting one of the top fifteen most beautiful Main Streets across America by Architectural Digest, Livingston is a bustling town with rustic charm. Best expressed through distinctive cultural activities, a strong community of creative artists

and an ever-growing food and drink scene, a large number of eclectic businesses line the unique streets of this classy railroad town.

Serving the historic downtown Livingston commercial district since 2011, the LBID has been working for many years to enhance the District by providing funding for summer flower baskets; design, creation and placement of banners; graffiti removal services; sidewalk cleaning; trash receptacle emptying and maintenance; and, program and event contributions to community events, catering to visitors and residents.

40

Organizational Structure

In 2011, more than 60% of property owners within the proposed LBID boundaries signed a petition in favor of a District and the Livingston City Commission approved its formation. The LBID was formed and boundaries within the District were established. The stated purpose of the LBID is to promote the health, safety, prosperity, security and general welfare of the inhabitants of the City of Livingston and the District. Listed within the City of Livingston Resolution 4178, the LBID will also: 1) facilitate an improved business climate; 2) improve the functional characteristics of the business district; 3) conserve the historic district; and, 4) develop a strong, aggressive marketing program. Pursuant to MCA 7-12-1141, the LBID will be in effect for ten years, from February 1, 2011 to February 1, 2021.

The LBID is governed by a seven-member Board of Trustees with each member serving a term of four years. The Livingston City Commission approves new or re-applying trustees when terms expire. The 2017 LBID trustees include District property owners:

- David DePuy, Member Owner of Park Hotel Building and 2nd & Lewis Building
- Dan Durgan, Member Owner of Riverside Hardware
- Tyler Erickson, Member Owner of American Bank
- Kristen Galbraith, Chair Co-Owner of Obsidian Collection and Coffee Crossing
- Dan Kaul, Member Owner of Murray Hotel
- Karla Pettit, Member Owner of Pickle Barrel
- Dale Sexton, Vice-Chair Owner of Timber Trails

District Finances

The LBID programs and services are funded by an annual special assessment of property owners within the District boundaries. Commercial and partially commercial properties are subject to the BID assessment. Exclusively residential properties, properties used for manufacturing and properties determined to be exempt from real estate taxes are not assessed. As of 2016, there were 139 property owners within the District contributing to the tax base. Taxes paid by property owners are based on the footprint of the building within the District.

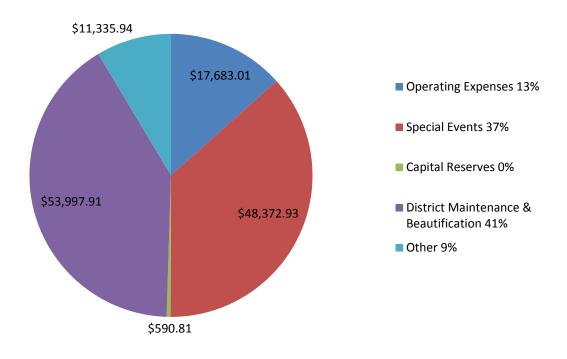

The LBID assessment is applied to the annual property tax bills, and is collected by the City of Livingston along with property taxes. The funds are held by City Finance Office in a segregated account, and disbursed to the LBID checking account at a separate

41

financial institution. The current District budget for enhancement, facilitation, promotion and maintenance is approximately \$42,000 per year.

Over the past five years, the general finance percentages and amounts for LBID expenditures have included: Operating Expenses; Special Events; Capital Reserves; District Maintenance; and, Beautification.

Staffing and Volunteers

The Strategic Plan sets out a very ambitious improvement agenda for the LBID over the next five years. While these activities are important and worthy, the District Board must reach agreement about how it will staff these activities. If the LBID Board is to be successful in implementing goals set forth in the Strategic Plan, the members have agreed to work to develop commitments from others for volunteer/sub-committee needs. At present, a part-time consultant is paid hourly to perform several administrative and website maintenance duties including (but not limited to): minutes recording and finalizing; agenda development and distribution; invoice reconciliation and payment; meeting scheduling; and, website maintenance and edits. One strategy that has been discussed is to develop a collaborative administration position, providing continuity and efficiency, with services to several boards including Urban Renewal Agency, Vision Livingston, LBID and the future Tourism Business Improvement District (TBID).

Achievements and Successes

Utilizing the collective team spirit of dedicated board members, the LBID has endeavored to increase the vitality and health of the District and promoted business within it.

- **Graffiti Remediation Program** LBID contracts annually with a local private contractor to keep the District graffiti-free. The district is patrolled for graffiti three times per week and the contractor endeavors to remove tags within 24 hours. This "no hang time" policy greatly reduces incidents of additional graffiti activities from other individuals.
- Flower Basket Program LBID contracts annually with a local private contractor to water and maintain 24 flower baskets on the downtown light poles within the District using the LBID truck and watering system which includes double tanks with two low-flow pumps. These services typically occur in the early hours of the morning in conjunction with emptying approximately 24 trash receptacles and policing the streets for litter.
- **Banner Program** LBID has designed, approved and had four banner designs produced; spring/summer-themed banners are installed from April through late September and winter-themed banners are installed from October through April. The LBID Banner Program is intended to identify the downtown service area; add character and vitality to the downtown streetscapes; and, publicize a diverse range of events, activities and attractions. Approved banners for local events and programs can be displayed in the downtown area for a small fee. The nominal fee supports future banner bracket purchases and other downtown equipment and beautification needs.
- **Brand Livingston** LBID participated financially and collaboratively with area organizations to create a single brand identity (logo) and advertising campaign to

promote Livingston, Montana and the surrounding area. By combining several resources and committing to one promotional strategy, business owners and community leaders created an effective, lasting brand – one that can grow and evolve over time.

- Livingston Hoot Sponsorship Since 2015, LBID has been one of the major sponsors of this annual and free community sponsored event provides fun, food and music on historic Main Street in Livingston. With a kid's fun area available, and vendors with food, drink, art and more on Main Street, this event drew more than 6,000 participants and spread across three blocks in 2017.
- Montana on Tap Craft Beer Week Sponsorship - Tap Into Montana is the ultimate celebration of Montana craft beer. It encompasses a week of craft beer related events hosted by local businesses throughout Livingston, Montana and ends with a Montana-focused Brew Fest. The 2016 Tap Into Montana Brew Fest featured 25 Montana breweries.

• **Public Transit Community Partner Sponsorship** – The LBID Board voted unanimously to support the Windrider Public Transit Program and will provide \$3,000 per year toward the Program in 2017 and 2018. Park County applied for funding through capital and operating assistance grants in early 2017 to implement a Park County Public Transit Program. These funding sources are coordinated and administered through the Montana Department of Transportation Transit Section through pass-through funding provided by the Federal Transit Administration (FTA). Park County requested financial assistance to purchase a 12-passenger light duty bus (with spaces for two wheelchairs) to provide fixed-route and some ondemand transportation services to Park County citizens. LBID will work with the Transit Committee to continue its support of this Program once the two-year pilot portion is complete and as the fixed route service options are expanded.

• Other Event Sponsorships

- Active Transportation Farmers Market Sponsorship 2016 & 2017
- Montana State Classic Soccer Cup Sponsorship 2016 & 2017
- Greater Livingston Outdoor Adventure Toy Swap 2015 2017
- Building Active Community Initiatives Sponsorship 2016
- Centennial Celebration (National Park Service) Sponsorship 2016
- Downtown Parade Sponsorship 2017

Miscellaneous Accomplishments

• Multiple letters in support related to various Livingston and Park County community projects.

44

- Contributor to Livingston HealthCare Capital Fund Drive.
- Participant in utility box wrap artwork selection.
- Website development and frequent updates.
- Facebook social page development and updates.

Lessons Learned

Board members have learned a number of lessons from experiences over the last five years including:

- The need for a more efficient District by incorporating a paid administrative assistant to take care of tasks that volunteer board members cannot commit time to provide.
- The need for increased cooperation with other downtown organizations.
- The need for more promotion and outreach marketing and media related to LBID successes and community support.
- The need for more active board member participation and dedicated attendance at meetings.
- The need for data collection on what LBID money allocated to different events and promotions is spent on and what it provides to LBID, in terms of overall image, marketing, etc.
- That LBID cannot be a source of revenue for every promotion in the district; the amount used to fund promotions should be itemized as a percentage of the LBID budget.

Strategic Goals

Short Term (by the end of 2018)

- 1. Successful maintenance and sustainability of LBID programs already in place.
- 2. Possible coordination of duplicated efforts among downtown and Livingston districts and entities.
- 3. Billboard placement off the interstate as you approach Livingston from the east, promoting a "shortcut route to Yellowstone" and the many amenities to be discovered when taking the 337 exit.
- 4. Development of LBID Funding Request Application for all future funding requests.
- 5. Coordination with local retailers to establish a dedicated committee for special downtown events.

45

- 6. Promotion of private investment and business expansion.
- 7. Identification and pursuit of additional revenue streams and funding resources.
- 8. Continuation of a capital reserve fund growth and planning for its expenditures.
- Creation of an annual report in November and/or December of each year to be sent to all property owners (with some photo pages attached for visuals of what goes on with LBID).
- 10. Annual update of the Strategic Plan to be included as an Addendum to the Strategic Plan each year, focusing on a revision of the Plan at the end of five years.
- 11. Annual social networking event to include property owners, business owners, nonprofit groups, etc. possibly in March.
- 12. Increased banner program interest with local entities.
- 13. Updates to LBID map and property owner mailing list.
- 14. Contingency of board members for attendance at the Montana Downtown Conference each year (usually in October of each year).
- 15. Review and incorporation of edits/changes to by-laws.

Three-Year Goals (by the end of 2019)

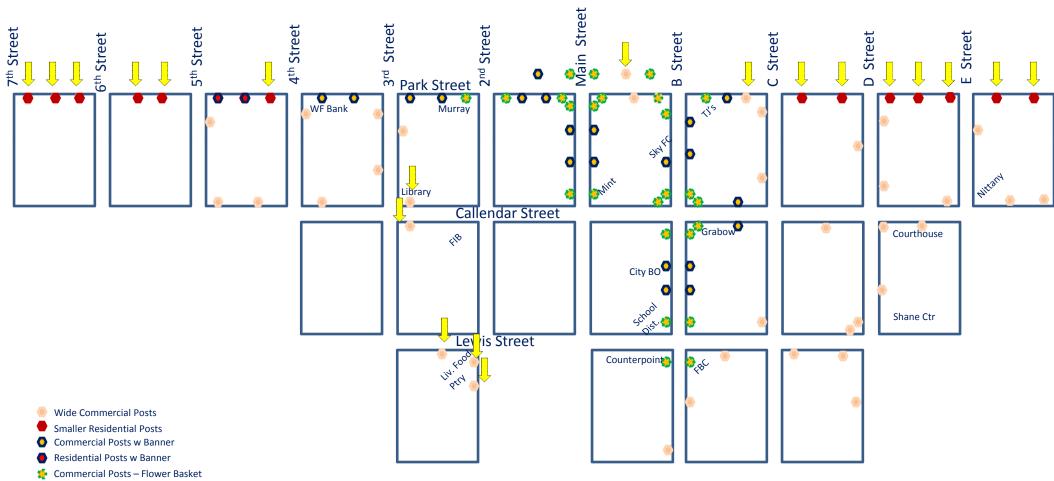

- 1. Continuation of fulfillment of short-term goals not realized by the end of 2018.
- 2. Development of an inventory of the number and types of businesses that would create a successful business district (the size and make-up of the demographic we serve; how to address seasonal changes; potential revenue in districts; etc.).
- 3. Development of LBID (two-page) program for disbursement.
- 4. Signage in Gardiner, MT advertising/promoting downtown Livingston.
- 5. Help local building and business owners navigate the COL Capital Improvements Plan.

Five-Year Goals (by the end of 2021)

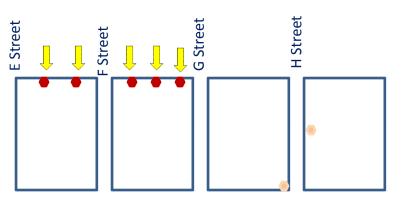

- 1. Continuation of fulfillment of goals not realized by the end of 2019.
- 2. 90% occupancy rate in the District.
- 3. Pursuit of Main Street Program through Montana Department of Commerce.
- 4. Consideration of increasing the size of the overall district or a new east end district.
- 5. Revision of the Strategic Plan based on annual updates.

Banner and Flower Baskets

Residential Posts – Flower Basket

BANNER PROGRAM OVERVIEW

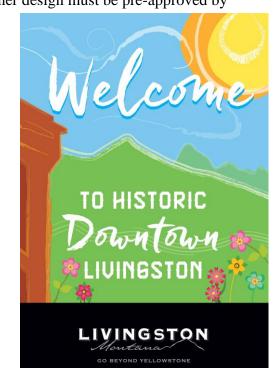

Banners will be changed on the $1^{st} - 5^{th}$ of each month.

The finished-size of the banners will be **24 inches by 36 inches**; constructed with 22 oz or heavier double-sided, outdoor banner material; print will be on both sides. Banners must be printed with UV resistant outdoor ink and must have 3-inch double-stitched sleeves for the upper and lower banner bracket arms.

To issue uniform design and construction, the organization requesting rental must submit a request with an approved banner design **30 days prior** to the installation. Banner design must be pre-approved by Livingston Business Improvement District (LBID) board members.

Guidelines and Regulations

- **Banner Brackets:** Will be installed on commercial "vintage" street lamps only.
- **Banner Spaces:** Are reserved for non-profits and local events promoting Livingston. Livingston School banners may be used as "filler displays" on vacant street lamps.
- Application: Download form at <u>www.downtownlivingston.org</u> or email <u>kristen@nittanygrantworks.com</u> or info@downtownlivingston.org. Return the form with a \$15 processing fee, payable to LBID. Send a pdf or jpeg version of the banner design to <u>kristen@nittanygrantworks.com</u> or info@downtownlivingston.org.

• **Design Approval**: Must meet approval of LBID. The bottom 6 inches of the banner must display the Livingston, Montana branding logo. **Digital logo available from LBID.**

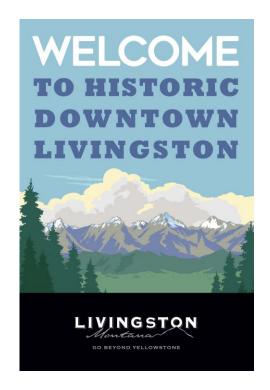

• **Banner Purchase:** To maintain banner quality and specifications, organizations must purchase approved design banners from Britten Studios (Ryan Hudson 231-995-8605, rhudson@brittenstudios.com) OR a local provider who must use 22 oz. vinyl and produce

banners exactly to Britten Studios specifications. A sample banner can be accessed by contacting info@downtownlivingston.org.

- **Banner Displays**: Minimum 2 and maximum 20 per organization (as of December 2017). As street lamp numbers increase, minimum and maximum may change.
- **Spare Banners:** One spare banner must be provided by each organization.
- **Rental Fee:** A rental fee of **\$1.00** per day, per banner payable to LBID (see Rental Contract) is required to cover costs of banner installation, bracket maintenance and banner removal. Price reductions are given for more than ten banners displayed at a time.

DOWNTOWN LIVINGSTON STREET LAMP BANNER RENTAL CONTRACT AGREEMENT

This CONTRACT AGREEMENT is made and entered into on the _____ day of ______, 20____ by and between Livingston Building Improvement District, PO Box 284, Livingston Montana 59047, herein referred to as LBID and

_____ (Organization's Name), located at _____ (Address), herein referred to as Lessee.

Whereas the LBID has jurisdiction over the street lamps positioned in the LBID district along the sidewalks and desires to rent the use of the street lamp banner arms to local non-profit organizations and other businesses in support of local events and community promotions.

Whereas the LBID provides maintenance services within the District, and as such, provides the labor and supplies to hang, remove and maintain the street lamp banners.

Whereas the Lessee is a non-profit or community event group which desires to lease the use of the street lamp banner arms from the LBID.

Therefore the LBID and the Lessee agree to the following:

- FEE. Lessee shall be required to pay to the LBID \$_____. This fee is based on the number of banners being installed and the length of time that the banners will be displayed. *The Lessee shall be solely responsible for the cost to design and construct banners*.
- 2. **TERMS**. The term of the agreement and the subsequent delivery, installation removal and pickup of banners shall be as follows:
 - Lessee shall deliver the banners to an LBID representative, no less than 5 business days prior to the installation date on _____(mm/dd/yy).
 - Date that the LBID will install the banners _____(mm/dd/yy).
 - Date that the LBID will remove the banners _____(mm/dd/yy).
 - Banners can be stored by LBID; the \$15 processing fee covers the storage fees for the year.
 - If the Lessee does not deliver the banners to LBID by the date specified above, this agreement may be cancelled by the LBID.

 BANNER SPECIFICATIONS. The LBID will install for display _____ (number of banners) for the Lessee. Lessee shall be solely responsible for the design and construction of their own banners. All banners MUST be constructed to the technical specification as described below: Material: 22 oz. or heavier, double-sided, outdoor banner media, printed on both sides with UV resistant outdoor ink.

Branding provision: The bottom 6" of each banner shall have the Livingston, Montana branding logo included (see logo specifications).

Construction: Double stitched 3" banner arm sleeves at the top and bottom of each banner. Four 3/8 inch grommets, installed 1" from side edges just below the double stitched banner arm sleeve.

To ensure that all proposed banners meet the construction and design standards, the Lessee must submit a proof of the banner design and proposed method of production to LBID prior to production. LBID reserves the right to approve the design and construction specifications of any banners that will be displayed downtown pursuant to this agreement.

- 4. INDEMNITY. Lessee shall assume all risk of loss and <u>indemnify</u> the LBID and the City, affiliated organizations and their agents (directors, officers, agents, committees, and employees) against all liabilities, demands, claims, suits, losses, damages, causes of action, fines or judgments including costs, attorney's fees and witness fees and the expense incurred thereto for injuries to persons, including death, and for the loss of, damage to, and destruction of property arising from or in connection with the AGREEMENT, <u>unless caused</u> by the gross negligence and willful misconduct by the LBID, the City and/or affiliated organizations and their agents.
- 5. **INSTALLATION & REMOVAL.** For the paid fee, staff with pre-arranged LBID contract(s) will install and remove all banners on the dates identified within this agreement. If there is a need for immediate removal of a banner(s) due to weather related incidents or event changes, LBID must be notified immediately, and 48 hours will be allowed in order to remove or replace the identified banner(s).

- MAINTENANCE. If, during the terms of this AGREEMENT, a banner(s) becomes in any way damaged and/or poses a risk to public safety, the LBID reserves the right to remove said banner(s).
- 7. MISCELLANEOUS. The LBID reserves the right to remove any banner for any reason upon written notice to the Lessee. If this right is exercised, the Lessee's fees will be returned on a prorated basis for the reminder of the term of this AGREEMENT. The LBID, the City and/or affiliated organizations are not liable to the Lessee for any delays in the performance of this AGREEMENT or for any incidental loss caused by weather, natural disasters, unnatural disasters, vandalism and/or criminal behaviors of others.
- 8. **ASSIGNMENT.** Lessee will not assign this AGREEMENT or of any part of this AGREEMENT without the prior written consent of the LBID.

Therefore, by signing below, the LBID and the Lessee mutually agree to the terms and conditions of this CONTRACT AGREEMENT.

LBID Representative

FEE SCHEDULE & RENTAL PERIOD

As per the AGREEMENT, there is a \$1.00/per day/per banner fee. The minimum number of banners to be displayed is 2; the maximum number of banners is 20. The minimum number of display days is 30 days or 1 (one) month. Any rental needs after a thirty day period must be in increments of one week. Discounts on displaying 10 or more banners apply to the fee schedule (see below).

Number of Banners	Fee/Banner/30 Da	ays	1 Month Rental Fee	2 I	Month Rental Fee	3 Month Rental Fee
2	\$ 1.0	00	\$ 60.00	\$	120.00	\$ 180.00
4	\$ 1.0	00	\$ 120.00	\$	240.00	\$ 360.00
6	\$ 1.0	00	\$ 180.00	\$	360.00	\$ 540.00
8	\$ 1.0	00	\$ 240.00	\$	480.00	\$ 720.00
10	\$ 0.8	30	\$ 240.00	\$	480.00	\$ 720.00
12	\$ 0.8	30	\$ 288.00	\$	576.00	\$ 864.00
14	\$ 0.7	70	\$ 294.00	\$	588.00	\$ 882.00
16	\$ 0.7	70	\$ 336.00	\$	672.00	\$ 1,008.00
18	\$ 0.6	50	\$ 324.00	\$	648.00	\$ 972.00
20	\$ 0.6	50	\$ 360.00	\$	720.00	\$ 1,080.00

C. DISCUSS/APPROVE/DENY - Approve updated union negotiation policy

Livingston City Commission LEGISLATIVE ACTION SUMMARY Action Item C, 4 Jan 2018

Action Item C, 4 Jan 20

Requested by: Michael J. Kardoes, City Manager

Date of First Consideration/Status: 20 Mar 2012/ Updated 2014/ New Update

Purpose of Legislation: Provide Commission guidance to City Manager for 2018 Union Negotiations.

Statutory Authority/Reference: Budgetary Oversight/ Policy Setting

Background: In March of 2012 the Commission passed a Negotiation Policy that required updates annually. The last update occurred in 2014.

Staff Recommendation: Recommend approving 2018 Negotiation Policy

Fiscal Impact: None

Regulatory Impact (local): None

Attachments:

- Draft Negotiation Policy with change bars
- 2014 Negotiation Policy

City of Livingston

Labor Negotiation Policy 2018

Labor Negotiating Principles

1. Transparency

- A. The City should strive to maintain a consistent approach to bargaining through clear, ongoing communication of policy direction among the City Commission, city employees, and the community.
- B. Labor negotiating principles and procedures should be available to the public, city employees, and collective bargaining organizations.

2. Total Compensation

- A. Compensation decisions should consider the total costs¹ of a position including salary, pension, healthcare, and all other benefits.
- B. Flexibility may be necessary to resolve all issues of the overall compensation package, provided that guiding principles are achieved within budgetary constraints.

3. Fiscal Impact

A. A stated goal of the City Commission is to work towards developing a general fund reserve of at least 16.6%.

4. Recruitment and Retention

- A The City's compensation levels should be sufficient to retain qualified employees who are committed to the City's goals, programs, and delivery of high-quality services, understanding that those levels must be economically feasible.
 - 1. Benchmark communities include, but are not limited to: Anaconda-Deer Lodge, Lewistown, Havre, Lockwood (fire only), Laurel, Kalispell, and Miles City.

¹ **Total Compensation** should consider those elements of the wage and benefit structure for which all employees (of the bargaining group) are eligible – Wages, Incentive Pay, Retirement Costs, Insurance Costs, Vacation Costs, Holiday Costs, Clothing/Uniform/Cleaning/Equipment Allowances.

2. It is unlikely Livingston can compete with the City of Bozeman on compensation; Bozeman is, however, a competitor for our key staff and employees.

5. Cost Metrics

- A. Avoid contract language that binds the City to decisions made by other agencies.
 - 1. For example, collective bargaining agreements shall avoid the use of automatic increases linked to external indices (such as the Consumer Price Index) when developing compensation adjustment schedules.
 - 2 Such indicators, however, may be helpful and advisory in negotiating annual adjustments.

Labor Negotiating Procedures

1. Establishment of Principles and Procedures

- A. Each year, prior to the start of any negotiations, the City Commission shall establish a set of *Labor Negotiation Principles and Procedures* to be followed in that year's negotiations.
- B. The *Labor Negotiation Principles and Procedures* will be established by the passage of an affirmative motion to this effect, in an open regular meeting of the City Commission.

2. Negotiating Team

Before negotiations commence the City Manager and their designates will comprise a Negotiating Team, and negotiate all labor contracts on behalf of the City of Livingston.

3. Negotiations Status Update

The City Manager shall provide an update to the City Commission as soon as possible, following a negotiation session with bargaining unit.

4. Final Approval by City Commission

- A. At the beginning of each negotiation period, the City Manager shall remind the bargaining unit representatives that any and all agreements reached should be considered tentative until given final approval by the City Commission.
- **B.** Once the City Manager and bargaining unit representatives have reached tentative agreement on all negotiating issues, the complete collective bargaining agreement will be presented to the City Commission for consideration. Such consideration, and final approval or rejection, shall occur in at least two, separate, regular meetings of the City Commission.

5. Roles and Responsibilities of City Commission During Negotiations

- A City Commissioners may, and should, express their views on negotiations, but will not interfere with the ability of the City Manager to negotiate on behalf of the City of Livingston.
- B. In order to avoid misunderstandings and potential unfair labor practices³, during the negotiation process members of the City Commission should not communicate to any bargaining unit representative about any matter that is a subject of the negotiations.
- C. The negotiating process shall be defined as the time period starting with the first negotiation session until a collective bargaining agreement has been approved by both parties.
- D. Nothing in this policy shall prohibit members of the City Commission from listening to bargaining unit representatives. However, City Commissioners shall not knowingly respond to or discuss any proposals or disclose otherwise confidential information.

3

³<u>39-31-401, Unfair labor practices of public employer.</u> It is an unfair labor practice for a public employer to:

⁽¹⁾ interfere with, restrain, or coerce employees in the exercise of the rights guaranteed in 39-31-201;

⁽²⁾ dominate, interfere, or assist in the formation or administration of any labor organization. However, subject to rules adopted by the board under 39-31-104, an employer is not prohibited from permitting employees to confer with the employer during working hours without loss of time or pay.

⁽³⁾ discriminate in regard to hire or tenure of employment or any term or condition of employment in order to encourage or discourage membership in any labor organization. However, nothing in this chapter or in any other statute of this state precludes a public employer from making an agreement with an exclusive representative to require, as a condition of employment, that an employee who is not or does not become a union member must have an amount equal to the union initiation fee and monthly dues deducted from the employee's wages in the same manner as check off of union dues.

⁽⁴⁾ discharge or otherwise discriminate against an employee because the employee has signed or filed an affidavit, petition, or complaint or given any information or testimony under this chapter; or

⁽⁵⁾ refuse to bargain collectively in good faith with an exclusive representative.

Labor Negotiating Principles

1. Transparency

- A. The City should strive to maintain a consistent approach to bargaining through clear, ongoing communication of policy direction among the City Commission, city employees, and the community.
- B. Labor negotiating principles and procedures should be available to the public, city employees, and collective bargaining organizations.

2. Total Compensation

- A. Compensation decisions should consider the total costs¹ of a position including salary, pension, healthcare, and all other benefits.
- B. Flexibility may be necessary to resolve all issues of the overall compensation package, provided that guiding principles are achieved within budgetary constraints.

3. Fiscal Impact

A. A stated goal of the City Commission is to work towards developing a general fund reserve of at least 16.6%.

4. Recruitment and Retention

- A The City's compensation levels should be sufficient to retain qualified employees who are committed to the City's goals, programs, and delivery of high-quality services, understanding that those levels must be economically feasible.
 - 1. Benchmark communities include, but are not limited to: Anaconda-Deer Lodge, Lewistown, Havre, Lockwood (fire only), Laurel, Kalispell, and Miles City.

¹ **Total Compensation** should consider those elements of the wage and benefit structure for which all employees (of the bargaining group) are eligible – Wages, Incentive Pay, Retirement Costs, Insurance Costs, Vacation Costs, Holiday Costs, Clothing/Uniform/Cleaning/Equipment Allowances.

2. It is unlikely Livingston can compete with the City of Bozeman on compensation; Bozeman is, however, a competitor for our key staff and employees.

5. Cost Metrics

- A. Avoid contract language that binds the City to decisions made by other agencies.
 - 1. For example, collective bargaining agreements shall avoid the use of automatic increases linked to external indices (such as the Consumer Price Index) when developing compensation adjustment schedules.
 - 2 Such indicators, however, may be helpful and advisory in negotiating annual adjustments.

Labor Negotiating Procedures

1. Establishment of Principles and Procedures

- A. Each year, prior to the start of any negotiations, the City Commission shall establish a set of *Labor Negotiation Principles and Procedures* to be followed in that year's negotiations.
- B. The *Labor Negotiation Principles and Procedures* will be established by the passage of an affirmative motion to this effect, in an open regular meeting of the City Commission.

2. Negotiating Team

Before negotiations commence the City Manager and their designates will comprise a Negotiating Team, and negotiate all labor contracts on behalf of the City of Livingston.

3. Negotiations Status Update

The City Manager shall provide an update to the City Commission as soon as possible, following a negotiation session with bargaining unit.

4. Final Approval by City Commission

- A. At the beginning of each negotiation period, the City Manager shall remind the bargaining unit representatives that any and all agreements reached should be considered tentative until given final approval by the City Commission.
- **B.** Once the City Manager and bargaining unit representatives have reached tentative agreement on all negotiating issues, the complete collective bargaining agreement will be presented to the City Commission for consideration. Such consideration, and final approval or rejection, shall occur in at least two, separate, regular meetings of the City Commission.

5. Roles and Responsibilities of City Commission During Negotiations

- A City Commissioners may, and should, express their views on negotiations, but will not interfere with the ability of the City Manager to negotiate on behalf of the City of Livingston.
- B. In order to avoid misunderstandings and potential unfair labor practices³, during the negotiation process members of the City Commission should not communicate to any bargaining unit representative about any matter that is a subject of the negotiations.
- C. The negotiating process shall be defined as the time period starting with the first negotiation session until a collective bargaining agreement has been approved by both parties.
- D. Nothing in this policy shall prohibit members of the City Commission from listening to bargaining unit representatives. However, City Commissioners shall not knowingly respond to or discuss any proposals or disclose otherwise confidential information.

³<u>39-31-401, Unfair labor practices of public employer.</u> It is an unfair labor practice for a public employer to:

⁽¹⁾ interfere with, restrain, or coerce employees in the exercise of the rights guaranteed in 39-31-201;

⁽²⁾ dominate, interfere, or assist in the formation or administration of any labor organization. However, subject to rules adopted by the board under 39-31-104, an employer is not prohibited from permitting employees to confer with the employer during working hours without loss of time or pay.

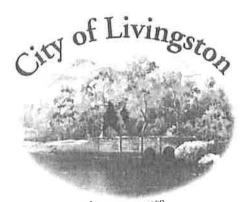

⁽³⁾ discriminate in regard to hire or tenure of employment or any term or condition of employment in order to encourage or discourage membership in any labor organization. However, nothing in this chapter or in any other statute of this state precludes a public employer from making an agreement with an exclusive representative to require, as a condition of employment, that an employee who is not or does not become a union member must have an amount equal to the union initiation fee and monthly dues deducted from the employee's wages in the same manner as check off of union dues.

⁽⁴⁾ discharge or otherwise discriminate against an employee because the employee has signed or filed an affidavit, petition, or complaint or given any information or testimony under this chapter; or

⁽⁵⁾ refuse to bargain collectively in good faith with an exclusive representative.

MEMORANDUM

Date: March 22, 2012

To: All Union Leadership (AFSCME, IAFF, and LPDEA) City of Livingston - Leadership Team Re: Labor Negotiation Policy 2012

At their March 20th meeting, the Livingston City Commission finalized a "Labor Negotiation Policy 2012" which will guide the Administration's efforts to negotiate collective bargaining agreements this year. This policy will be reviewed, and updated, annually, prior to the start of our negotiation processes. I am providing a copy of this policy, for your knowledge; however, no action is necessary or requested.

C: City Commission

Chairman Steve Caldwell

Vice Chairman James Bennett

Commissioners Adam Stern Mel Friedman Bill Spannring

City of Livingston

Labor Negotiation Policy 2014

Labor Negotiating Principles

1. Transparency

- A. The City should strive to maintain a consistent approach to bargaining through clear, ongoing communication of policy direction among the City Commission, city employees, and the community.
- B. Labor negotiating principles and procedures should be available to the public, city employees, and collective bargaining organizations.
- C. Negotiation sessions are to be considered open meetings, and shall be noticed by posting at City Hall, <u>written notice to the City Commission</u>, and in the 'briefs' section of the Livingston Enterprise, at least 48 hours in advance.

2. Total Compensation

- A. Compensation decisions should consider the total costs¹ of a position including salary, pension, healthcare, and all other benefits.
- B. Flexibility may be necessary to resolve all issues of the overall compensation package, provided that guiding principles are achieved within budgetary constraints.

3. Fiscal Impact

A. A stated goal of the City Commission is to work towards developing a general fund reserve of at least 16.6%.²

4. Recruitment and Retention

- A. The City's compensation levels should be sufficient to retain qualified employees who are committed to the City's goals, programs, and delivery of high-quality services, understanding that those levels must be economically feasible.
 - 1. Benchmark communities include, but are not limited to: Anaconda-Deer Lodge, Lewistown, Havre, Lockwood (fire only), Laurel, Kalispell, and Miles City.

¹ **Total Compensation** should consider those elements of the wage and benefit structure for which all employees (of the bargaining group) are eligible – Wages, Incentive Pay, Retirement Costs, Insurance Costs, Vacation Costs, Holiday Costs, Clothing/Uniform/Cleaning/Equipment Allowances.

² <u>"The New Fund Balance"</u>, Government Finance Officers Association, 2011

2. It is unlikely Livingston can compete with the City of Bozeman on compensation; Bozeman is, however, a competitor for our key staff and employees.

5. Cost Metrics

- A. Avoid contract language that binds the City to decisions made by other agencies.
 - 1. For example, collective bargaining agreements shall avoid the use of automatic increases linked to external indices (such as the Consumer Price Index) when developing compensation adjustment schedules.
 - 2. Such indicators, however, may be helpful and advisory in negotiating annual adjustments.

Labor Negotiating Procedures

1. Establishment of Principles and Procedures

- A. Each year, prior to the start of any negotiations, the City Commission shall establish a set of *Labor Negotiation Principles and Procedures* to be followed in that year's negotiations.
- B. The *Labor Negotiation Principles and Procedures* will be established by the passage of an affirmative motion to this effect, in an open regular meeting of the City Commission.

2. Negotiating Team

A. Before negotiations commence the City Manager and their designates will comprise a Negotiating Team, and negotiate all labor contracts on behalf of the City of Livingston.

3. Negotiations Status Update

A. The City Manager shall provide an update to the City Commission, through the *City Manager's Comments* section of the agenda, and an informational e-mail sent to the City Commission, as soon as possible, following a negotiation session with bargaining unit.

4. Final Approval by City Commission

- A. At the beginning of each negotiation period, the City Manager shall remind the bargaining unit representatives that any and all agreements reached should be considered tentative until given final approval by the City Commission.
- B. Once the City Manager and bargaining unit representatives have reached tentative agreement on all negotiating issues, the complete collective bargaining agreement will be presented to the City Commission for consideration. Such consideration, and final approval or rejection, shall occur in, at least two, separate regular meetings of the City Commission.

5. Roles and Responsibilities of City Commission During Negotiations

- A. City Commissioners may, and should, express their views on negotiations, but will not interfere with the ability of the City Manager to negotiate on behalf of the City of Livingston.
- B. In order to avoid misunderstandings and potential unfair labor practices³, during the negotiation process members of the City Commission should not communicate to any bargaining unit representative about any matter that is a subject of the negotiations.
- C. The negotiating process shall be defined as the time period starting with the first negotiation session until a collective bargaining agreement has been approved by both parties.
- D. Nothing in this policy shall prohibit members of the City Commission from listening to bargaining unit representatives. However, City Commissioners shall not knowingly respond to or discuss any proposals or disclose otherwise confidential information.

³ <u>39-31-401, Unfair labor practices of public employer.</u> It is an unfair labor practice for a public employer to:

⁽¹⁾ interfere with, restrain, or coerce employees in the exercise of the rights guaranteed in 39-31-201;

⁽²⁾ dominate, interfere, or assist in the formation or administration of any labor organization. However, subject to rules adopted by the board under 39-31-104, an employer is not prohibited from permitting employees to confer with the employer during working hours without loss of time or pay.
