Supplemental Material

Notice

- **Public Comment:** The public can speak about an item on the agenda during discussion of that item by coming up to the table or podium, signing-in, and then waiting to be recognized by the Chair. Individuals are reminded that public comments should be limited to items over which the City Commission has supervision, control, jurisdiction, or advisory power (MCA 2-3-202).

The Chair shall have the discretion to solicit comments from the public in the following order: (1) residents of the City, (2) business owners or operators in the City, (3) other organizations conducting operations in the City, and (4) residents, businesses or organizations from outside the City. The Chair may limit each person's comment period to not less than three (3) minutes.

- **Meeting Recording:** An audio and/or video recording of the meeting, or any portion thereof, may be purchased by contacting the City Clerk. The City does not warrant the audio and/or video recording as to content, quality, or clarity.
- **Special Accommodation:** If you need special accommodations to attend or participate in City meetings, please contact the City Clerk at least 24 hours in advance of the specific meeting you are planning on attending.

A. APPROVAL OF MINUTES FROM JUNE 2, 2026, REGULAR MEETING

Livingston City Commission Minutes

June 02, 2026

5:30 PM

City – County Complex, Community Room

Join Zoom Meeting

<https://us02web.zoom.us/j/89516174206?pwd=DLTJu5egmUiGiZalbYVvXcdgD7Z06Y.1>

Meeting ID: 895 1617 4206

Passcode: 595033

1. Call to Order

5:34 pm Chair Nootz called the meeting to order.

2. Roll Call

- Chair Nootz
- Vice Chair Willich
- Commissioner Daniels
- Commissioner Wilcox
- Commissioner O'Neill

City Staff Present

- City Manager Grant Gager
- Chief of Police Wayne Hard
- Asst. Chief of Police Andrew Emanuel
- Policy Analyst Greg Anthony
- Planning Director Jennifer Severson
- Finance Director Paige Fetterhoff

3. Pledge of Allegiance

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Chair Nootz asked the room to stand for the pledge of allegiance.

4. Public Comment

Individuals are reminded that public comments should be limited to items over which the City Commission has supervision, control, jurisdiction, or advisory power (MCA 2-3-202)

Public comment was offered by:

- Nancy Adkins stated she is happy to see the Sheep Mountain PUD process. She expressed concern about parking.
- Linda Tang expressed her thoughts on the PRIDE proclamation.
- Michelle Hiland expressed her thoughts on the PRIDE proclamation.
- Steven Fanning, a pastor in Wilsall, expressed his thoughts on the PRIDE proclamation.
- Barbara Britt read a message on behalf of Peggy O'Neill expressing thoughts on the PRIDE proclamation.
- Linda Mahr expressed her thoughts on the PRIDE proclamation.
- Art Messel expressed his thoughts on the PRIDE proclamation.
- Blake Roehl, the Vice President of the local 630 IAFF, read a statement about the Fire Department update at the May 19, 2026 Commission meeting.
- Drew Scott expressed his thoughts about the Fire Department update at the May 19, 2026 Commission meeting.
- Britney Chabalowski, the Fire Chief's wife, expressed thoughts about the Fire Department update at the May 29, 2026 Commission meeting.

Chair Nootz called a recess in the meeting.

The City Manager clarified the role of the Chief of Police Wayne Hard as Sergeant at Arms per LMC, and introduced Chief Hard to address the room.

Chief Hard addressed the room regarding appropriate decorum for meetings.

Chair Nootz reminded the room that the purpose of Public Comment is for items over which the City Commission has jurisdiction over, and requested that comments stay within the City purview. She asked for no name calling and no swearing and keep it respectful. She stated that this meeting is not the place to discuss staff and their evaluations.

- Britney Chabalowski continued her comments.
- Alecia Larson expressed her thoughts on the PRIDE proclamation.
- Jay Keifer expressed his thoughts on the PRIDE proclamation, and asked about Farmer's Market.
- Keegan Nashan expressed her thoughts about the PRIDE proclamation.
- Karrie Kahle expressed her thoughts about the PRIDE proclamation.
- Don Wood expressed his thoughts on the PRIDE proclamation.
- Caleb Platt expressed his thoughts on the PRIDE proclamation.
- Jamie Gum expressed his thoughts on the PRIDE proclamation.
- Ryan Green expressed his thoughts on the PRIDE proclamation.
- Tammy Lewis expressed her thoughts on the Fire Department update at the May 19, 2026 Commission meeting.

Chair Nootz asked for clarification on how proclamations are created.

The City Manager reminded everyone that the Commission adopted a proclamation policy, process and criteria during its January 20, 2026 meeting. He stated he can place them on the agenda, or they can be requested by a member of the community and if they meet the guidelines then they can be approved and placed on the agenda.

Chair Nootz asked how long PRIDE proclamations have been recognized in the City of Livingston.

The City Manager stated he found them all the way back to 2019.

Chair Nootz addressed a comment about responding to emails from the public and stated she works during the day and cannot always answer emails right away.

Commissioner Wilcox and Commissioner Daniels stated they also have day jobs and cannot always immediately answer emails related to Commission business.

Commissioner O'Neill stated he also has the same situation with emails and only gets them when he is at the computer.

The City Manager reminded the Commission to check with the City's email quarantine software Barracuda for spam emails.

Chair Nootz addressed the question about the requirements of LFR and why it was brought up at the last meeting. She reminded everyone that they did not have a discussion about priorities, voting, or budget because the item was a presentation. She stated the LFR fire requirements were brought up in conversation related to many other topics being addressed at the last meeting. She recalled it was in the grouping of IFT's, EMS, Fire and what stated policy covers and doesn't cover.

Chair Nootz asked about IFTs and who would do it if LFR doesn't do them.

The City Manager stated the conversation was had in the context of the ambulance levy that was passed in 2019, and was valid for a 10-year period. He stated they are reaching a point in the community where a re-evaluation and assessment of the EMS system is naturally going to occur. He stated the conversation was geared toward what is next and what is in the future, and he feels this is a conversation that needs to be had with the appropriate parties in the room.

Chair Nootz asked when Capital Replacement Plans would be considered for planning and foresight in terms of departmental growth and staffing.

The City Manager stated there is a Capital Equipment Replacement Plan for LFR. It is generated by the department leadership and updated annually during the budget process. He stated that after review of the budget with department leadership, a recommendation is made to the Commission. He stated that, as far as staffing goes, he reminded the Commission that there was a consolidation report that was done and reviewed the arrangement of Fire and EMS response in the community and that it does serve as a guiding document. He stated that without an influx of tax dollars, there are limited opportunities to significantly change the configuration of LFR. He stated that we are resource constrained in the state of Montana and that is by design by the state legislature to keep certain taxes low.

Chair Nootz relayed to the Commission that they will see these budget requests with each budget cycle.

The City Manager stated the Capital Requests can be found in the finalized budget from each fiscal year. He stated the budget book can be found on the City website [here](#), or available in hard copy in the lobby of City Hall.

Chair Nootz asked about user fees at the Farmers Market.

The City Manager stated that WSE has an agreement with the City, and it was just renewed for this season.

Chair Nootz asked how much the Wellness Center costs, and who paid for it.

The City Manager stated that the current estimate for design and construction of the Wellness Center is \$23.9 million dollars. There is additionally a \$5 million endowment that is the responsibility of the 4 Ranges Foundation.

5. Consent Items

- A. APPROVAL OF MINUTES FROM MAY 19, 2026, REGULAR MEETING**
- B. APPROVAL OF CLAIMS PAID 5/14/26 - 5/27/26**
- C. AGREEMENT 20263 WITH FOOD RESOURCE CENTER**

Commissioner Wilcox motioned to approve Consent Items A-C, seconded by Commissioner Daniels. Unanimously approved.

6. Proclamations

- A. A PROCLAMATION OF THE CITY COMMISSION OF THE CITY OF LIVINGSTON, MONTANA, DECLARING JUNE AS PRIDE MONTH IN LIVINGSTON, MONTANA**

Chair Nootz read the proclamation.

The City Manager stated that the City of Livingston is committed to fostering a welcoming, respectful, and supportive environment for all people in the community. He let the community know that his door is always open to all members of the community.

Commissioner Wilcox clarified that this is recognized nationally and that is why it is given a month, just like Women's History Month or Black History Month. She expressed support for this proclamation, and expressed appreciation of everyone's point of view.

Chair Nootz stated this topic came up a lot the last time she ran for office, and she is grateful for the diverse beliefs in the community. She stated that we all want the same thing and that is to be safe our home town.

7. Scheduled Public Comment

8. Action Items

- A. RESOLUTION NO. 5191: A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF LIVINGSTON, MONTANA, TO ENTER INTO A DEVELOPMENT AGREEMENT WITH THE DEVELOPER OF THE SHEEP MOUNTAIN PLANNED UNIT DEVELOPMENT ON LOTS 8A & 9A OF THE AMENDED PLAT OF LOTS 8, 9 AND 10 IN THE BROOKSTONE MAJOR SUBDIVISION.**

The City Manager stated this item will produce a Development Agreement for the Sheep Mountain Residences and the Residences PUD, which was previously approved by the City Commission in 2025.

Planning Director Severson gave a brief presentation.

Chair Nootz asked what the process is and where these resolutions fall into that.

The City Manager stated this project was approved in August 2025 under the PUD Ordinance. It was the second PUD, but the first to reach this stage in the development process. He stated this item is the Development Agreement that includes the entire plan and all of the conditions of approval. He stated the next item on the agenda is related to the easements for the project.

Chair Nootz asked about parking per unit and where folks that live here will park.

Planning Director Severson stated that they provided a parking space for every unit. They provided 2 ADA accessible spots and bicycle parking. She reminded everyone that the state removed the City's ability to require parking for affordable housing units, so it is great that this plan includes parking.

Public comment was offered by:

- Patricia Grabow expressed that she is in favor of this project. She questioned if this property is tax exempt.
- Katherine Daly from Park County Housing Coalition, stated she has been part of the team for the Sheep Mountain residences. She thanked the Commission and partners for moving this project forward.
- Jay Keifer asked what animal-friendly fencing is.
- Nancy Adkins expressed that housing has to be affordable so folks are able to stay and live here.
- Leslie Feigel asked about the water ditch and flow. She expressed that she doesn't think there is good parking at this location.
- Scott Freimuth stated he feels good about working on a project like this and he thanked the Commission for having a PUD process that incentivizes this kind of development.

Commissioner Wilcox congratulated all the folks who worked on this project and stated she is happy to see this project move forward. She asked if the development is tax exempt.

The City Manager stated yes, it is under the rules of the state of Montana this property is tax exempt.

Commissioner Wilcox stated this was a low-income tax credit project, it was a very competitive bidding process at the state level. She asked what an animal friendly fence is.

Planning Director Severson stated that the staff report refers to wildlife-friendly fencing that complies with FWP guidelines. She stated these types of fences are used to avoid entanglement or injury to animals such as deer, elk, and pronghorn antelope. She listed the specific height requirements and space requirements, and stated that the point of it is to safely allow animals to pass through the fencing.

Commissioner Wilcox asked about the ditch mitigation, and stated it is in the packet, and is on page 5 of the agreement.

The City Manager thanked the development team and the ditch rider for that segment of the ditch. They had a lot of discussion related to the ditch, and stated the plan is for the ditch to be routed

on the western side of the property and along the southern part of the property. From there, it will be directed out into the City's right-of-way on Miles LN.

Commissioner Daniels stated she is excited about this project and feels it will be a good thing for the community.

Chair Nootz thanked the development team and engineer for showing up every time. She appreciates the partnership and feels this is a great project.

The City Manager reminded everyone that the motion should be made for the Development Agreement with the Exhibit A transmitted by the City Clerk earlier today.

Commissioner O'Neill motioned to approve the resolution with the addition of Exhibit A, seconded by Commissioner Daniels. Unanimously approved.

B. RESOLUTION 5190: A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF LIVINGSTON, MONTANA, ACCEPTING THREE UTILITY EASEMENTS GRANTED BY SHEEP MOUNTAIN RESIDENCES, LLC FOR THE SHEEP MOUNTAIN PLANNED UNIT DEVELOPMENT AND AUTHORIZING CITY MANAGER TO SIGN ASSOCIATED DOCUMENTS.

The City Manager stated this item provides 3 utility easements, which are fairly straightforward, and they provide the City the ability to access and maintain the infrastructure related to the development.

Commissioner Wilcox motioned to approve the resolution, seconded by Commissioner O'Neill. Unanimously approved.

Chair Nootz motioned for a 10-min break, seconded by Vice Chair Willich. Unanimously approved.

C. CONTINUATION OF UPDATE FROM CITY FIRE DEPARTMENT

The City Manager stated this is a continued update for the City Fire Department. He stated this item is back on the agenda at the Commission's request. He stated the presentation at the last meeting on May 19, 2026 ran a little long, and Commissioners did not have the opportunity to ask all the questions that they desired. He met with each of the Commissioners separately over the last 2 weeks, and has made a presentation to address their questions from those meetings. He reminded that LFR does not operate in a silo within Park County and it is one of several entities that provide emergency services in the area. He introduced Chief Chrisgin Anderson from Park County Rural Fire District #1 to speak to the Commission.

Chief Anderson read his statement to the Commission. He stated that questions would be answered by former PCRf Chief Dann Babcox.

Chair Nootz asked about the chart they were looking at that indicated PCRf was giving more aid than it was receiving, not always, but often. She wondered what that means.

Former Chief Babcox stated they have been an all-risk department for a long time, and all risk excludes medical transfers and responding as medical personnel. He stated that was his decision long ago given that LFR was only a block away. He kept their focus on structure fires, wildland fire, and the I-90 corridor and 89. He explained that the county is large and how mutual and auto aid responses work. He talked briefly about how everyone has their own thoughts and opinions about

certain things. He stated that one thing they do worry about is money because there are limitation on property taxes. He stated that is important to hear what the community wants about combining the departments. He stated the comments made at a previous meeting by another department were taken in a way that was offensive and came across that volunteer departments are lesser trained, lesser qualified, and not always available. He reminded everyone that it is important that they all work together to take care of the community.

The City Manager gave a brief presentation.

Vice Chair Willich asked what non-departmental is.

Finance Director Fetterhoff stated it is more like internal service funds.

The City Manager continued his presentation.

Commissioner Wilcox asked about ambulance expenses exceeding revenue in FY2025.

The City Manager stated there are a number of factors, but stated that they did convert a full-time reserve position into a full-time professional firefighter position.

Finance Director Fetterhoff stated the full-time firefighter was not added until FY26, so the deficit came from lack of revenue from ambulance transfers in FY25.

Commissioner Wilcox clarified that insurance payments and self-pay payments from patients for ambulance services went down that year.

The City Manager continued his presentation.

Chair Nootz asked about a bond that was paid on for a long time and paid off before the current City Manager was employed by the City.

The City Manager stated it was for an engine.

Finance Director Fetterhoff stated they had 2 bonds and one from issued in 2000 for the ladder truck, and the one in 2016 was for the fire engine. She stated the ladder truck has been paid off, but the City is still paying off the fire engine. She stated they are usually 20-year bonds.

Chair Nootz asked if there are limits to the number of bonds.

Finance Director Fetterhoff stated they have a debt service capacity that is defined by the state and its about 2% or 3% of the market value of the property in the City of Livingston.

The City Manager continued his presentation.

Chair Nootz asked if the trainings listed account for the ones provided by partner organizations.

The City Manager stated these are specific department budgets based on actual cost for trainings over the last several years.

The City Manager continued his presentation.

Chair Nootz asked if someone in the department works 96 hours straight, then required to take a 12-hour rest, but she wondered if that was related to overtime.

The City Manager stated it may or may not be related to overtime depending on when those 96 hours fall under the FLSA.

Chair Nootz asked why they do 2 on, 6 off.

The City Manager stated that when he started, LFR worked 1 day on and 3 days off, and when he arrived, they did discuss scheduling. He stated the local 630 IAFF and City agreed to the 2 on, 6 off schedules.

The City Manager continued his presentation.

Commissioner Wilcox asked how often collective bargaining happens.

The City Manager stated it happens as often as they negotiate.

The City Manager continued his presentation.

Chair Nootz asked about suppression sprinkler systems.

The City Manager stated that requirement comes from building codes.

The City Manager continued his presentation.

Chair Nootz motioned for a 5-minute break, seconded by Commissioner Daniels. Unanimously approved.

Vice Chair Willich asked Chief Anderson why aid dropped in 2023 and stayed low.

Chief Anderson stated the auto aid agreement changed in 2023. He stated they used to go to all gas calls downtown inside and out, and they really don't need to be there.

Commissioner O'Neill stated they have decisions to make around the budget, and is looking forward to the process.

Commissioner Wilcox spoke about the previous City Commission meeting and stated that, as a new Commissioner, she appreciates the department updates. She stated every presentation before the Fire Department presented on May 19, 2026 was celebrating the team, wins, and projects they are working on. She stated that with the LFR presentation, it was challenging and overwhelming because of the number of slides, the length of time, and the amount of information they presented. She stated that she did not feel prepared for that level of discussion. She expressed appreciation for the partners of the City's Fire department.

Commissioner Daniels stated that at the May 19, 2026 meeting she was completely unprepared for the amount of information LFR presented. She understands how important emergency services and the partnerships within the community are.

Vice Chair Willich stated that the May 19, 2026 meeting LFR presentation was long and information overload. He stated his questions at the last meeting were not intended to help him better understand the information so he can be a good representative for the community.

Chair Nootz expressed agreement with fellow Commissioners. She stated she is interested in learning more about the Consolidation Study. She agreed that the LFR presentation from the May 19, 2026 meeting was a lot different than other presentations, with a lot of information she was not prepared for. She thanked the partners for showing up to give information tonight.

The Commission did not enter closed session.

D. CLOSED SESSION TO DISCUSS LEGAL STRATEGY PURSUANT TO MCA 2-3-203(4)(a) AND MATTERS OF PERSONAL PRIVACY PURSUANT TO MCA 2-3-203(3)

9. City Manager Comment

The City Manager thanked the Commission for their time tonight. He thanked Chief Anderson and former Chief Babcox for attending the meeting. He also thanked Sheriff Tad Dykstra for the great conversations they have had over the last couple of weeks.

10. City Commission Comments

Commissioner O’Neill thanked everyone for coming and stated he is looking forward to better things.

Commissioner Wilcox stated she thinks they are all doing the best they can. She thanked Chief Hard for his help this evening.

Commissioner Daniels agreed with her fellow Commissioners.

Vice Chair Willich told everyone to have a good evening.

Chair Nootz – no comment

11. Adjournment

9:51 PM Vice Chair Willich motioned to adjourn, seconded by Commissioner O’Neill. Unanimously approved.

Notice

- Public Comment: The public can speak about an item on the agenda during discussion of that item by coming up to the table or podium, signing-in, and then waiting to be recognized by the Chair. Individuals are reminded that public comments should be limited to items over which the City Commission has supervision, control, jurisdiction, or advisory power (MCA 2-3-202).

The Chair shall have the discretion to solicit comments from the public in the following order: (1) residents of the City, (2) business owners or operators in the City, (3) other organizations conducting operations in the City, and (4) residents, businesses or organizations from outside the City. The Chair may limit each person’s comment period to not less than three (3) minutes.

- Meeting Recording: An audio and/or video recording of the meeting, or any portion thereof, may be purchased by contacting the City Clerk. The City does not warrant the audio and/or video recording as to content, quality, or clarity.
- Special Accommodation: If you need special accommodations to attend or participate in City meetings, please contact the City Clerk at least 24 hours in advance of the specific meeting you are planning on attending.

DEVELOPMENT AGREEMENT
Sheep Mountain Planned Unit Development

THIS DEVELOPMENT AGREEMENT (this "Agreement") is dated as of _____, 2026, (the "Effective Date"), by and among **Boundary Development LLC**, a Montana limited liability company, whose address is P.O. Box 6220, Bozeman, MT 59771 ("Developer"); **Sheep Mountain Residences LLC**, a Montana limited liability company, whose address is P.O. Box 6220, Bozeman, MT 59771 ("SMR"); **Sheep Mountain 4 LLLP**, a Montana limited liability limited partnership, whose address is P.O. Box 6220, Bozeman, MT 59771 ("Sheep Mountain 4 Owner"); **Sheep Mountain 9 LLLP**, a Montana limited liability limited partnership, whose address is P.O. Box 6220, Bozeman, MT 59771 ("Sheep Mountain 9 Owner" and collectively with Sheep Mountain 4 Owner, "Owners"); and **The City of Livingston, Montana**, a Montana municipal corporation and political subdivision of the State of Montana, whose address is 220 E. Park Street, Livingston, MT 59047 (the "City"), collectively referred to as the Parties.

RECITALS

A. The City, through the City of Livingston Commissioners (the "Commission") is authorized under Chapter 30 of the Municipal Code of the City of Livingston, Montana (the "Zoning Ordinance") to adopt new Planned Unit Development zoning districts ("PUD") to encourage more efficient use of land and public services, clustered development, diverse housing types, mixed land uses, and natural resource preservation.

B. As of the Effective Date, SMR owns that certain real property commonly known as 101, 103, and 105 Brookstone Street, Livingston, MT 59047, and legally described as:

Lot 8A of the Amended Plat of Lots 8, 9, and 10, Brookstone Major Subdivision, all according to the official Amended Plat filed with Park County, Montana, Document No. 450480 (the "Sheep Mountain 9 Property").

and,

Lot 9A of the Amended Plat of Lots 8, 9, and 10, Brookstone Major Subdivision, all according to the official Amended Plat filed with Park County, Montana, Document No. 450480 (the "Sheep Mountain 4 Property", and collectively with the Sheep Mountain 9 Property, the "Property").

C. On a date subsequent to the Effective Date (the "Closing Date"), Sheep Mountain 4 Owner is purchasing the Sheep Mountain 4 Property from SMR in order to construct and operate a twenty-four (24) unit affordable housing development (the "Sheep Mountain 4 Project") and Sheep Mountain 9 Owner is purchasing the Sheep Mountain 9 Property from SMR in order to construct and operate a twenty-four (24) unit affordable housing development (the "Sheep Mountain 9 Project", and collectively with the Sheep Mountain 4 Project, the "Projects" and each a "Project"). Developer and SMR desire to work with the City and Owners to build the Projects.

D. In relation to the Property and the Project, Developer applied to the City for a zoning map amendment for the Property from High Density Residential (R3) and the creation of a Planned Unit Development (the "Request").

E. Pursuant to the requirements of the Zoning Ordinance, the Commission on August 19, 2025, approved Ordinance No. 3062 to conditionally approve the Request to create the Sheep Mountain Planned Unit Development (the "Sheep Mountain Development") (the "Conditional Approval"). As required by the Conditional Approval and the Zoning Ordinance, Developer submitted that certain Final PUD Plan for the Sheep Mountain Development and the Statement of Standards to the Zoning Administrator (as such term is used in the Zoning Ordinance), which was thereafter approved and such Statement of Standards was recorded against the Property in the real property records of Park County, Montana, on _____, 2026, as Document No. _____, a copy of which is attached hereto as Exhibit A and incorporated herein by reference (collectively, the "Final Plan").

F. The Parties desire to enter into this Agreement, which sets forth the obligations and commitments of the Parties with respect to the Projects, including the costs of the infrastructure improvements, Project fees and charges.

AGREEMENT

NOW, THEREFORE, the City, Developer, SMR, and Owners (as the successors in interest to the Property), pursuant to the Zoning Ordinance, each in consideration of the representations, covenants and agreements of the other, as set forth herein, mutually represent, covenant and agree as follows:

1. **Incorporation of Recitals.** The recitals set forth above are incorporated herein by reference as if set forth fully herein.

2. **Representations.**

A. **City Representations.** The City hereby represents as follows

1. The City on _____, 2026, approved the Final Plan and all other development activities which have been submitted to the City regarding the Project and the Sheep Mountain Development.

2. The City Commission on _____, 2026, approved this Agreement and has duly authorized this Agreement to be executed by an authorized person on behalf of the City.

B. **Developer Representations.** The Developer hereby represents as follows:

1. Developer is a limited liability company, duly formed, validly existing and in good standing, and is duly qualified to do business in the State of Montana. Developer has the power to enter into this Agreement and has duly authorized the execution and delivery of this Agreement by all necessary limited liability company action. The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, and the fulfillment of and compliance with the terms, conditions, and obligations hereof are not prohibited or limited by, are not in conflict with, and will not result in a breach of or constitute a default under the terms, conditions, or provisions of any evidence of indebtedness, certificate of formation, operating agreement, or any other agreement or instrument to which Developer is now a party or by which it is bound.

2. SMR is a limited liability company, duly formed, validly existing and in good standing, and is duly qualified to do business in the State of Montana. SMR has the power to enter into this Agreement and has duly authorized the execution and delivery of this Agreement by all necessary limited liability company action. As of the Effective Date, SMR had good marketable title to the Property, free and clear of all liens, encumbrances, and defects other than those which do not materially affect the value of the Property or materially interfere with the current use of or the proposed use to be made of the Property. The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, and the fulfillment of and compliance with the terms, conditions, and obligations hereof are not prohibited or limited by, are not in conflict with, and will not result in a breach of or constitute a default under the terms, conditions, or provisions of any evidence of indebtedness, articles of organization, operating agreement, or any other agreement or instrument to which SMR is now a party or by which it is bound.

3. Sheep Mountain 4 Owner is a limited liability limited partnership, duly formed, validly existing and in good standing, and is duly qualified to do business in the State of Montana. Sheep Mountain 4 Owner has the power to enter into this Agreement and has duly authorized the execution and delivery of this Agreement by all necessary limited liability limited partnership action. As of the Closing Date, Sheep Mountain 4 Owner will have good marketable title to the Sheep Mountain 4 Property, free and clear of all liens, encumbrances, and defects other than those which do not materially affect the value of the Sheep Mountain 4 Property, except as has been disclosed to the City in connection with the proposed development of the Sheep Mountain 4 Property, and other than those which do not and will not materially interfere with the use currently made or the use proposed to be made of the Sheep Mountain 4 Property. The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, and the fulfillment of and compliance with the terms, conditions, and obligations hereof are not prohibited or limited by, are not in conflict with, and will not result in a breach of or constitute a default under the terms, conditions, or provisions of any evidence of indebtedness, articles of organization, operating agreement, or any other agreement or instrument to which Sheep Mountain 4 Owner is now a party or by which it is bound.

4. Sheep Mountain 9 Owner is a limited liability limited partnership, duly formed, validly existing and in good standing, and is duly qualified to do business in the State of Montana. Sheep Mountain 9 Owner has the power to enter into this Agreement and has duly authorized the execution and delivery of this Agreement by all necessary limited liability limited partnership action. As of the Closing Date, Sheep Mountain 9 Owner will have good marketable title to the Sheep Mountain 9 Property, free and clear of all liens, encumbrances, and defects other than those which do not materially affect the value of the Sheep Mountain 9 Property, except as has been disclosed to the City in connection with the proposed development of the Sheep Mountain 9 Property, and other than those which do not and will not materially interfere with the use currently made or the use proposed to be made of the Sheep Mountain 9 Property. The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, and the fulfillment of and compliance with the terms, conditions, and obligations hereof are not prohibited or limited by, are not in conflict with, and will not result in a breach of or constitute a default under the terms, conditions, or provisions of any evidence of indebtedness, articles of organization, operating agreement, or any other agreement or instrument to which Sheep Mountain 9 Owner is now a party or by which it is bound.

3. **Compliance with Final Plan.** Developer, SMR, and Owners acknowledge and agree they are subject to the terms, conditions, and commitments of record in the Final Plan, as applicable to each Owner and its Project, and each such party agrees to comply with and be bound by the Final Plan, as applicable to each Owner and its Project. Developer, SMR, and Owners further acknowledge and agree they are subject to the terms, conditions, and commitments described in the Request relating to the Sheep Mountain Development, as applicable to each Owner and its Project, and as approved by the Commission. Developer, SMR, and Owners hereby agree and commit to the City that they will diligently pursue to completion the construction and operation of the Projects, as applicable to each Owner and its Project, in accordance with this Agreement, the Final Plan, the site plans submitted to the City, and all applicable federal, state, and local laws, rules, regulations, ordinances, and plans relating to or governing the development or use of the Sheep Mountain Development.

4. **Allowable Land Use.** Developer, SMR, and Owners understand and agree the Project is restricted to residential use, and commercial use is not permitted.

5. **Infrastructure Obligations.** Developer, SMR, and Owners understand and agree that they are solely responsible for the construction and funding of the following, all of which must be installed and completed for each Project before units in such Project are rented:

- A. water;
- B. sewer;
- C. stormwater;
- D. streets and roads; and,
- E. sidewalks.

6. Irrigation Ditch Facilities.

A. Developer, SMR, and Owners acknowledge that SMR has entered into an agreement with the N Street Headgate Ditch Users entitled Irrigation Ditch Layout and Maintenance Agreement relating to the N Street Lateral / Brookstone Ditch System (the “Ditch Agreement”). Developer, SMR, and Owners agree to comply with the terms of the Ditch Agreement and shall be solely responsible for the ongoing operation, inspection, maintenance, repair, and replacement of all ditch segments, swales, infiltration areas, culverts, overflow structures, detention facilities, and related conveyance infrastructure located within the Property, including removal of sediment, vegetation, and debris, repair of erosion or structural damage, and maintaining functional water conveyance and overflow capacity. Developer, SMR, and Owners further agree to coordinate an annual visual inspection of the ditch and related stormwater and conveyance facilities with the City and the Ditch Users prior to April 15 of each calendar year, if requested by either party, for the purpose of reviewing operational condition, identifying maintenance needs, and confirming functionality of the facilities. The City’s participation in any such inspection shall not create any duty or liability on the part of the City to supervise, maintain, certify, or guarantee the condition or performance of the facilities. The City is not a party to the Ditch Agreement, and the City has no responsibility, nor does it guarantee Developer, SMR, or the Owners’ performance under the terms of the Ditch Agreement. In the event that a claim is brought against the City related to the Ditch Agreement, Developer, SMR, and/or the Owners agree to indemnify, defend and hold harmless the City from all claims, losses, damages, expenses, fees including attorney fees, costs, settlements and judgments arising out of the performance of services or resulting in whole or in part from the actual or alleged acts, omissions, or breaches of the Ditch Agreement by Developer, SMR, and/or the Owners, or their employees agents, assigns or others, or the violation of any relevant laws by Developer, SMR, and/or the Owners, or their employees, agents, assigns or others under its control while performing the services under the Ditch Agreement.

B. Pursuant to the attached Final Plan, Developer, SMR, and Owners will construct a minimum of three storm water detention ponds. Developer, SMR, and Owners, and/or their assigns, are required to maintain said ponds so that they operate according to their design and specifications. In the event that the Developer, SMR, and Owners, and/or their assigns, fail to do so, Developer, SMR, and Owners, and/or their assigns, agree that the City has the right to enter the property and take any and all corrective measures, and the cost to do so will be charged to the Developer, SMR, and Owners, and/or their assigns, and if such is not paid within 30 days, the City has the right to place the cost of such on the Developer, SMR, and Owners, and/or their assigns’ tax rolls. The City will continue to operate and maintain the Miles Lane Ditch.

7. Phasing. Developer, SMR, and Owners understand and agree that the Project will be developed in phases and pursuant to separate timelines; however, Developer, SMR, and Owners understand and agree that the development of all units of the Project and completion of the infrastructure obligations and other items required by this Agreement shall be fully completed by December 31, 2028.

8. Conflicts of Interest; City’s Representatives Not Individually Liable. Each of Developer, SMR, and Owners represents that it does not employ, retain, or contract with an officer

or employee of the City and that no member, officer or employee of the City has a personal or financial interest, direct or indirect, in this Agreement or in the Project. No member, officer, or employee of the City shall be personally liable to Developer, SMR, or Owners in the event of any default under or breach of this Agreement by the City, or for any amount that may become due to Developer for any obligation issued under or arising from the terms of this Agreement.

9. **Runs with Land.** The covenants, agreements, and all statements in this Agreement shall run with the land and shall be binding on the heirs, personal representatives, successors, and assigns of the respective parties.

10. **Amendments.** This Agreement constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment, and with the prior written consent of any limited partner of an Owner. Developer, SMR, and Owners understand and agree that minor administrative amendments may be considered and granted by the City Manager. Major or substantive changes require a public hearing before the City Commission.

11. **Notices.** Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the address shown above. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. A copy of any notice to an Owner shall be simultaneously sent to the limited partner of such Owner at: U.S. Bancorp Community Investment Corporation, 505 North Seventh Street, 10th Floor, Mail Code: SL-MO-T10F, St. Louis, MO 63101, attention: Director of LIHTC Asset Management.

12. **Severability.** If any provision of this Agreement or the application thereof to any person or entity or circumstance shall, to any extent, be illegal, invalid, and/or unenforceable, the remainder of this Agreement or the application of such provision to persons or entities or circumstances other than those as to which it is illegal, invalid, and/or unenforceable, as the case may be, shall not be affected, and each provision of this Agreement shall be legal, valid, and enforceable to the extent permitted by law. The illegality, invalidity, and/or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the legality, validity, and/or enforceability thereof in any other jurisdiction.

13. **Headings.** The headings of articles and sections in this Agreement are inserted for convenience of reference only and do not limit or amplify the terms and provisions of the Agreement in any manner. The headings will be ignored and will not affect the construction of any provision of this Agreement.

14. **Governing Law.** This Agreement and the legal relations between the parties hereto will be governed by and construed in accordance with the laws of the State of Montana. In the

event that litigation is instituted, the suit must be filed in the Park County District Court, Livingston, Montana.

15. Assignment. This Agreement may not be assigned by Developer, SMR, and Owners without the expressed written consent of the City and with the prior written approval of any limited partner of Sheep Mountain 4 Owner and/or Sheep Mountain 9 Owner, as applicable.

16. Successors Bound By Agreement. This Agreement will inure to the benefit of and be binding upon the Parties to this Agreement and their respective successors and permitted assigns.

17. Counterpart Signatures. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same agreement. The counterparts of this Agreement may be executed and delivered by facsimile or other electronic signature (including, but not limited to, DocuSign) by any of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this Development Agreement, and this Development Agreement is effective as of the Effective Date.

EXHIBIT A

Final Plan

EXHIBIT A – FINAL PUD PLAN NARRATIVE AND STATEMENT OF STANDARDS
Sheep Mountain Residences Planned Unit Development (PUD)
City of Livingston, Montana

1. Purpose and Applicability

This Exhibit A is incorporated into and made part of the **Final Planned Unit Development (PUD) Plan** and **PUD Agreement** for the Sheep Mountain Residences project.

This document:

- Establishes the **binding development standards** for the PUD
- Demonstrates compliance with all **Conditions of Approval**
- Confirms consistency with the adopted **Findings of Fact**
- Governs the **design, construction, and long-term operation** of the development

All improvements shall be constructed in substantial conformance with the approved architectural and civil construction drawings.

2. Acknowledgement of Findings of Fact

The Applicant acknowledges that the **Findings of Fact adopted by the City of Livingston**:

- Are incorporated herein by reference
- Remain valid and applicable to the Final PUD Plan
- Continue to form the legal basis for PUD approval

The Final PUD Plan demonstrates continued compliance with these Findings, including:

- Compatibility with adjacent land uses
- Advancement of affordable housing objectives
- Efficient use of existing infrastructure
- Protection of public health, safety, and welfare

No material modifications have been made that would invalidate the Findings of Fact.

3. Project Description and General Conformance

The Sheep Mountain Residences PUD consists of:

- **48 deed-restricted affordable housing units**
- Two multi-family residential buildings
- Integrated parking, circulation, stormwater, and utility infrastructure

The site is approximately **1.02 acres (44,323 SF)** and is served by existing municipal water, sewer, and roadway infrastructure. The Final PUD Plan refines the approved concept through detailed engineering and remains in substantial conformance with the approved PUD.

4. Parking, Circulation, and Multimodal Design

4.1 Parking Standards (LMC Sec. 30.51.J & K)

Per LMC Section 30.51.J, the base requirement is:

- **1 off-street parking space per dwelling unit**
- Total required = **48 spaces**

The project utilizes LMC Section 30.51.K, which allows:

“Up to twenty (20) percent of the parking spaces required... may be replaced by enlarged landscaped areas, stormwater swales, or social areas...”

Accordingly:

- Required parking: 48 spaces
- Maximum allowable reduction (20%): 9.6 spaces
- Minimum required: **38 spaces**
- Provided: **44 off-street parking spaces (compliant)**

4.2 Parking Layout and Dimensions

As shown on Sheet C3.0 and Detail Sheet C9.0:

- Standard stalls: **9' x 18.5'**
- Drive aisles: **20 feet wide**
- Parking areas include striping, wheel stops, and ADA-compliant spaces
- Fire lanes are clearly designated and signed

4.3 On-Street and Bicycle Parking

- **Approximately 10 on-street parking spaces** provided adjacent to the site
- **33 bicycle parking spaces provided** (exceeds 10% requirement of 5 spaces)
- All bicycle parking is located **within buildings**, including **trailer storage capacity**

4.4 Circulation

- Primary access: **Miles Street**
- Secondary access: **Brookstone Street**
- Internal circulation supports passenger vehicles, fire access, and service vehicles

5. Stormwater Management and Integrated Design

5.1 Design Overview

Stormwater is managed through a **surface-based conveyance and infiltration system**, as shown on Sheets C4.0–C6.0.

Runoff is:

- Collected via grading, curb cuts, and valley gutters
- Conveyed through swales and ditch systems
- Infiltrated into native soils
- Discharged via controlled overflow during larger storm events

5.2 Stormwater Swale and Infiltration System

The primary feature is a **linear stormwater swale / ditch corridor**:

- Width varies from approximately **10.6 feet to 21.5 feet**
- Side slopes: **3:1 (H:V)**
- Bottom width: approximately **2 feet** (minimum)
- Constructed with stabilized soils and connected to **native gravels**

This system provides:

- Conveyance of runoff
- Infiltration and groundwater recharge
- Water quality treatment via vegetated filter strips
- Reduction in peak flow rates

5.3 Overflow and Conveyance Infrastructure

The system includes:

- **15-inch culverts (77 LF at 0.4% slope)**
- **Beehive overflow structure with grated inlet**
- **48-inch storm manhole**
- **Riprap stabilization and energy dissipation**

Overflow elevations and grading ensure controlled discharge to downstream systems without adverse impacts.

5.4 Parking Reduction Justification (LMC 30.51.K)

The stormwater system directly replaces parking area along the west and south edges of the site.

- Swale corridor widths exceed typical parking stall depth (18.5') in several locations
- Total stormwater/landscape area **equals or exceeds displaced parking area**
- The replaced area provides **functional infrastructure**, not decorative landscaping

This satisfies the equivalency requirement of LMC Section 30.51.K and supports the City's policy discouraging overparking.

5.5 Landscaping and Irrigation

The project includes:

- Total irrigated area: 4,230 square feet
- 100% drip irrigation system
- Eight (8) trees installed across the site

Stormwater areas include:

- Vegetative filter strips
- Hydroseeding or sod mat stabilization
- Erosion control blanket systems

6. Utilities and Infrastructure

6.1 Water

- Connection to existing **8-inch municipal water main**
- **4-inch fire service lines** and **2-inch domestic lines** to buildings

6.2 Sewer

- Connection to existing **8-inch sewer main** in Brookstone Street

6.3 Easements

- Utility easements (10'–20') provided as shown on plans

All utilities shall be constructed per City standards and MPWSS.

7. Operations and Maintenance

The property owner or association shall maintain:

- Parking areas
- Stormwater facilities
- Landscaping and irrigation

Maintenance includes:

- Inspection and cleaning of culverts and structures
- Vegetation management
- Sediment removal and erosion repair

8. CONDITIONS OF APPROVAL – FULL COMPLIANCE

Condition 1

The application for building permit must demonstrate the concerns expressed in the Public Works Referral Letter dated June 4, 2025 have been addressed.

Response:

All Public Works comments have been addressed in the final civil design, including grading, stormwater, utilities, and access, as shown on Sheets C3.0–C6.0.

Condition 2

Prior to issuance of a building permit, a letter of agreement between the PUD property owner and the Brookstone Ditch Company must be provided that ensures adequate accommodation and conveyance of ditch water through the PUD property without infringing on water rights of downstream ditch users.

Response:

The design incorporates regrading and integration of the existing ditch corridor. A formal agreement with the Brookstone Ditch Company will be executed prior to building permit issuance.

Condition 3

The application for building permit must demonstrate compliance with requirements identified in the Referral Letter from the Livingston Fire Chief dated May 7, 2025.

Response:

The project includes fire lanes, hydrants, and fire service infrastructure consistent with Fire Department requirements.

Condition 4

Design of the parking area must be revised to comply with LMC Sec 30.51 and the Public Works Design Standards. If a design exception is necessary, it must be approved by the Public Works Director and the Fire Chief.

Response:

Parking complies with LMC Sec. 30.51.J and 30.51.K. No design exception is required.

Condition 5

Plans submitted for building permit must demonstrate compliance with LMC Sec 30.51.T&U for parking area landscaping and Sec 30.59.E & E.1 for screening requirements.

Response:

Landscaping and stormwater integration satisfy Section 30.51.T & U. In conjunction with additional City of Livingston requirements. Screening is provided through site layout and landscaping.

Condition 6

The applicant must install a new bus shelter at the PUD site.

Response:

A bus stop pad & shelter will be installed.

Condition 7

Fencing installed around the PUD property must be wildlife-friendly to ensure safe passage of wildlife.

Response:

No fencing is proposed with this project. Any future fencing installed will be wildlife-friendly.

Condition 8

Annual certification must be submitted to the City that confirms PUD rental rates remain affordable, at or below 60% AMI...

**Response:**

Applicant will provide an annual certification that confirms all units are rented or offered for rent at or below 60% of AMI.

Condition 9

The applicant is subject to the terms, conditions and commitments of record in the application...

Response:

The project shall comply with all approved PUD materials and commitments.

9. Binding Effect

This Exhibit A:

- Shall run with the land
- Shall be binding on all successors and assigns
- Shall serve as the controlling Statement of Standards for the PUD

All development shall occur in substantial conformance with:

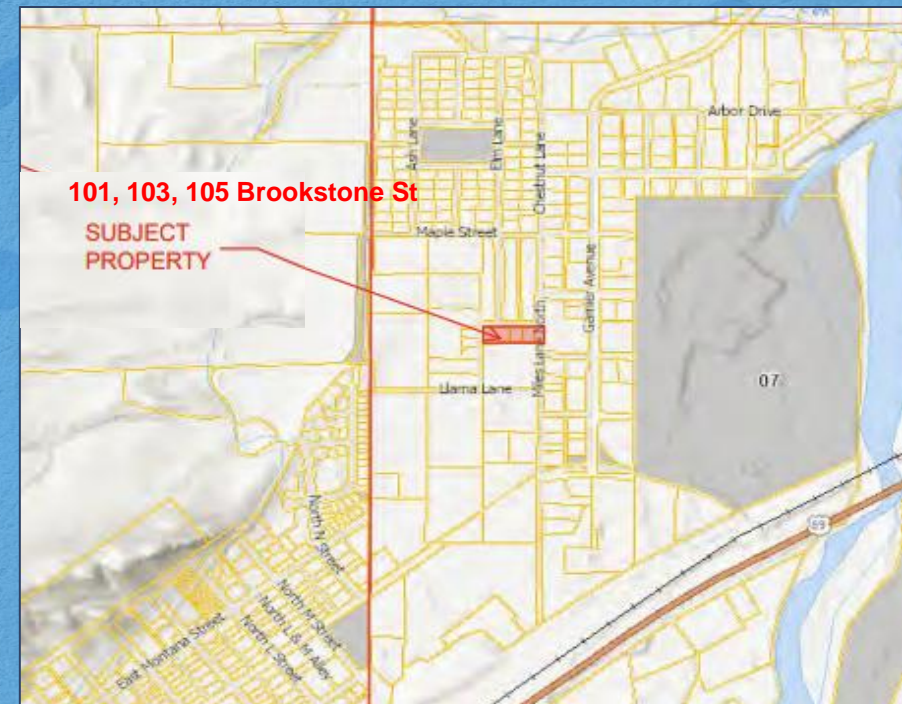

- The Final PUD Plan
- This Exhibit A
- The PUD Agreement

10. Conclusion

The Sheep Mountain Residences PUD:

- Fully satisfies all Conditions of Approval
- Remains consistent with the Findings of Fact
- Properly applies parking reductions under LMC 30.51.K
- Provides enhanced stormwater infrastructure and reduced impervious area
- Establishes clear, enforceable development standards

Sheep Mountain PUD Development Agreement

City Commission Meeting
June 2, 2026

APPROVED PUD

Size = 1.01 acres

2 Buildings - max 45' high

48 Residential Units (mix 1, 2 & 3 BD)

- 16 units ADA-accessible
- 100% units affordable \leq 100% Park County AMI **(9 additional units of density approved)**
- 100% units affordable \leq 60% Park County AMI **(Impact Fees waived for all units)**
- 1,000 sq ft flex space (laundry, bike and gear storage, BBQ, play area)
- Bus shelter

LIHTC funds guarantee deed-restricted affordability for minimum 50 years

APPROVAL CONDITIONS

1. The application for building permit must demonstrate the concerns expressed in the Public Works Referral Letter dated June 4, 2025 have been addressed. **All Public Works comments have been addressed in the final civil design, including grading, stormwater, utilities, and access, as shown on Sheets C3.0–C6.0.**
2. Prior to issuance of a building permit, a letter of agreement between the PUD property owner and the Brookstone Ditch Company must be provided that ensures adequate accommodation and conveyance of ditch water through the PUD property without infringing on water rights of downstream ditch users. **The design incorporates regrading and integration of the existing ditch corridor. A formal agreement with the Brookstone Ditch Company will be executed prior to building permit issuance.**
3. The application for building permit must demonstrate compliance with requirements identified in the Referral Letter from the Livingston Fire Chief dated May 7, 2025. **The project includes fire lanes, hydrants, and fire service infrastructure consistent with Fire Department requirements.**
4. Design of the parking area must be revised to comply with LMC Sec 30.51 and the Public Works Design Standards. If a design exception is necessary, it must be approved by the Public Works Director and the Fire Chief. **Parking complies with LMC Sec. 30.51.J and 30.51.K. No design exception is required.**

APPROVAL CONDITIONS (CONT.)

5. The applicant shall install a minimum of four (4) new trees on the project site, prior to issuance of the Cert of Occupancy, upon consult with City Staff. **The Landscape Plan submitted for permitting will include a minimum of 4 new trees to be planted on the site.**
6. Plans submitted for building permit must demonstrate compliance with LMC Sec 30.51.T&U for parking area landscaping and Sec 30.59.E & E.1 for screening requirements. **Landscaping and stormwater integration satisfy Section 30.51.T & U. In conjunction with additional City of Livingston requirements. Screening is provided through site layout and landscaping.**
7. The applicant must install a new bus shelter at the PUD site. **A bus stop pad & shelter will be installed by the applicant.**
8. Fencing installed around the PUD property must be wildlife-friendly to ensure safe passage of wildlife. **No fencing is proposed with this project. Any future fencing installed will be wildlife-friendly.**
9. Annual certification must be submitted to the City that confirms PUD rental rates remain affordable, at or below 60% AMI. **Applicant will provide an annual certification that confirms all units are rented or offered for rent at or below 60% of AMI.**
10. The applicant is subject to the terms, conditions and commitments of record in the application. **The project shall comply with all approved PUD materials and commitments.**

QUESTIONS?

LIVINGSTON
M O N T A N A

I want to address some comments that have been made recently at the City Commission meeting on May 19, 2026 regarding Park County Rural Fire District #1.

First, I want to be clear that I have a great deal of respect for the firefighters and leadership at Livingston Fire and Rescue. They are a capable department, and I appreciate the work they do for our shared community. That being said, I will not sit quietly while our department and our members are publicly mischaracterized as unavailable or somehow less capable simply because we are a combination department made up primarily of volunteers.

PCRFD#1 has 27 dedicated members who spend countless hours training, responding to calls, maintaining equipment, and preparing themselves to serve this community. These men and women leave their families, leave work, miss holidays, and give up personal time because they care deeply about the people who live in this district. The reality is that our members give more than most people will ever know, and they do it for very little in return. They don't do it for recognition, and they don't do it for a paycheck. They do it because they believe in serving their neighbors when help is needed.

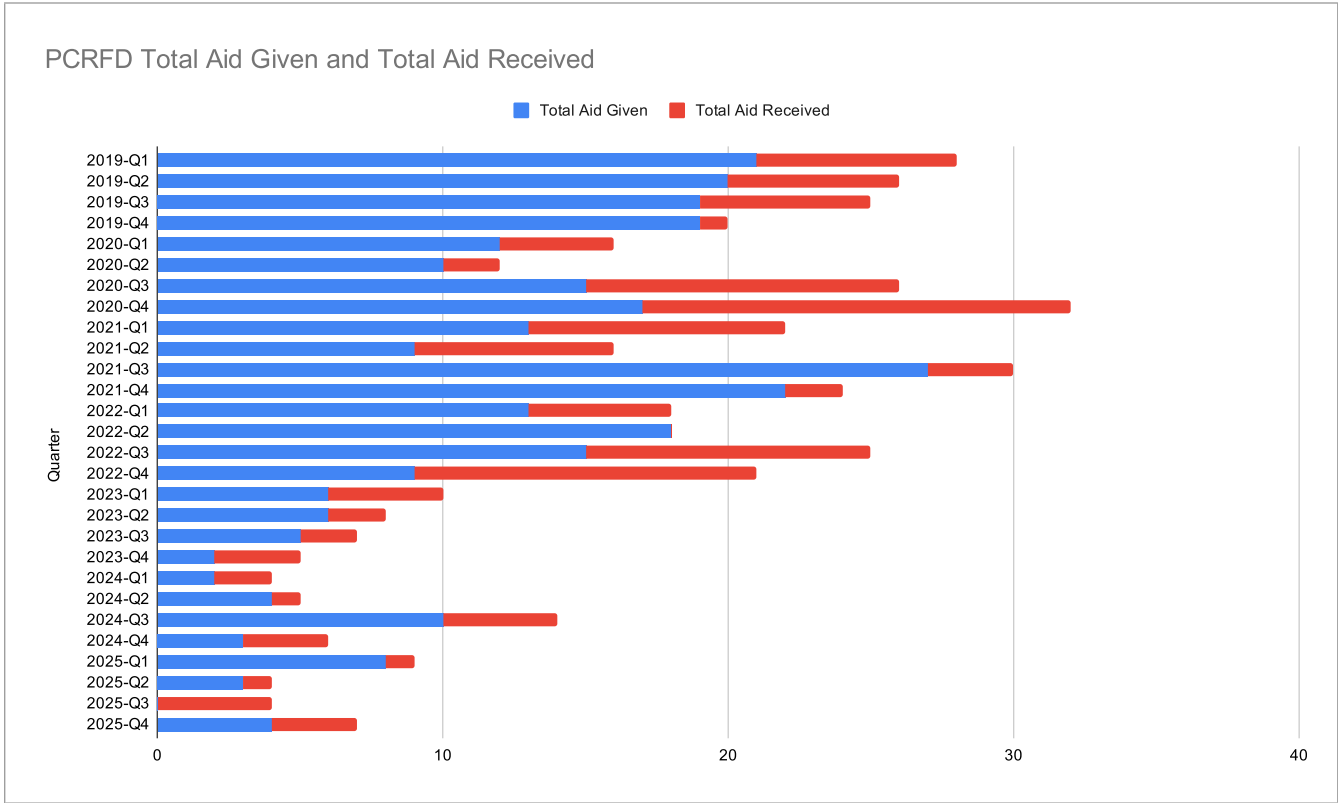

Volunteer and combination departments are the backbone of fire protection across Montana. Without them, vast areas of our county would have little to no fire protection at all. Over the years, our department has proven time and time again that we are a vital operational partner.

To correct the public record regarding our availability, an independent analysis of our district confirmed that PCRFD#1 provides auto and mutual aid 2.5 times more frequently than it receives aid [Lindroth 2023]. When our mutual aid partners request assistance, our volunteers reliably respond with the necessary resources and apparatus to help mitigate the incident. Over the years, our department has proven time and time again that we are capable of handling structure fires, wildland fires, rescues, and mutual aid incidents. Our record speaks for itself.

Mutual aid is supposed to be about cooperation. It is about departments working together, combining their unique strengths to provide the best possible service to the public. It is not about one department claiming superiority over another, and it certainly is not about diminishing the hard work and dedication of fellow firefighters.

Moving forward, I hope we can continue building strong, functionally collaborative relationships between our agencies based on mutual respect, unified command, and honest communication. Continued public misunderstandings about our department, our personnel, our capabilities or our availability will only damage those relationships, and nobody benefits from that. At the end of the day, we are all supposed to be on the same team. We are all here to protect the people of Park County. That mission is bigger than any one department, and it deserves the professionalism and respect of everyone involved.

Respectfully,

2019-2025 PCRFD Aid Given Or Received (FD1.22)		Count

MOVING FORWARD

AMBULANCE SERVICE IN LIVINGSTON AND PARK COUNTY

- **Funding for Ambulance Service in Park County**
 - Voter Approval in 2019 for 8.86 mills for 10-year Period

- **Partnerships for Ambulance Service in Park County**

MOVING FORWARD

FIRE PROTECTION IN LIVINGSTON

MCA 7-33-4101(2)

- (a) Except as provided in 7-33-4115(6), a first-class city or town shall provide fire protection services as provided in this part.
- (b) A second-class city or town **may** provide fire protection services as provided in this part:
- (i) through an interlocal agreement with another governmental fire protection provider under the provisions of Title 7, chapter 11, part 1;
 - (ii) through a contract with another fire protection provider; or
 - (iii) subject to 7-33-4115, annexing to a rural fire district established under Title 7, chapter 33, part 21.
- (c) A third-class city or town may provide fire protection through a contract for fire protection services, consolidation of its fire department with another fire protection provider, or inclusion in a rural fire district as provided in Title 7, chapter 33, part 21.

C. APPOINTMENT OF CHAD JOHNSON TO THE URBAN RENEWAL AGENCY BOARD

DATE: April 7, 2026
TO: Chair Nootz and City Commissioners
FROM: Grant Gager, City Manager
RE: Staff Report for Appointment of Matt Whitman to Livingston Urban Renewal Agency

Recommendation and Summary

The City Manager is recommending the Commission approve the appointment of Matt Whitman to the Livingston Urban Renewal Agency by adopting the following motion:

"I move to appoint Matt Whitman to the Livingston Urban Renewal Agency."

The reasons for the recommendation are as follows:

- Title 7-15-4234 of Montana Code Annotated establishes the Urban Renewal Agency and provides that the City Manager shall nominate candidates for consent of the City Commission.
- 2025 Senate Bill 3 established that one seat on the Urban Renewal Agency Board shall be reserved for an appointee of each of the School District and County.

Introduction and History

Per the Bylaws of the Livingston Urban Renewal Agency, the Commission shall appoint each member of the Livingston Urban Renewal Agency (URA). The Montana Legislature passed Senate Bill 3 which provides that the County in an area with a URA shall be entitled to appoint one seat.

Analysis

Filling the vacancy will enable the Livingston Urban Renewal Agency to more effectively perform its primary functions administering the Urban Renewal Plan as outlined in Title 7, Chapter 15, Parts 42 and 43 of the MCA, including, but not limited to 7-15-4233 MCA.

Fiscal Impact

The Livingston Urban Renewal Agency is an uncompensated Board of the City of Livingston so there is no fiscal impact from filling the vacancy.

Strategic Alignment

This appointment will help the City of Livingston fulfill its requirements under the Livingston Municipal Code.

D. APPROVAL OF PURCHASE ORDER 20265 WITH KEN'S TRUCK REPAIR

DATE: June 16, 2026
TO: Chair Nootz and City Commissioners
FROM: Grant Gager
RE: Staff Report for Purchase Order 20265

-Recommendation and Summary

Staff is recommending the Commission approve the purchase of a used trailer, and repairs to an existing trailer, for hauling municipal solid waste to the landfill:

"I move to approve Purchase Order 20265 and authorize the City Manager to sign the purchase order."

The reasons for the recommendation are as follows:

- The Solid Waste Division hauls municipal solid waste from the Transfer Station to Logan Landfill.
- On both May 30 and June 4, the City Transfer Station experienced trailer fires which damaged two trailers.

Introduction and History

The City of Livingston’s Public Works Department includes a Solid Waste Division that is responsible for handling residential solid waste and recycling. The Division operates out of the Transfer Station at 330 Bennett Street and operates both curbside pick-up and over-the-scale drop-off services for municipal solid waste.

Analysis

After two trailer fires in one week, the City’s fleet of trailers for hauling garbage has been reduced to one operable trailer. While one of the trailers is able to be repaired, the other is not. Staff has located both a used truck to replace the existing one.

Fiscal Impact

The Solid Waste Fund includes sufficient fund balance for the purchase. The City also expects to receive funds from its insurance provider for the damaged trailers.

Strategic Alignment

Maintaining an operational fleet supports the delivery of services to the community.

A. PRESENTATION OF THE CITY MANAGER'S FY 2026-27 RECOMMENDED BUDGET

DATE: June 16, 2026
TO: Chair Nootz and City Commissioners
FROM: Paige Fetterhoff
RE: Staff Report for Transmittal of City Manager’s Recommended Budget

Recommendation and Summary

The City Manager is transmitting a copy of the recommended budget for fiscal year 2025 which runs from July 1, 2024, to June 30, 2025. This report is to transmit the budget which will be presented in summary form by the City Manager during the June 16, 2026, meeting of the City Commission. As such, there is no required or requested motion.

The reasons for the recommendation are as follows:

- The Montana Code Annotated provides that the City Manager shall prepare and present a budget for approval by the City Commission.
- The new fiscal year is approaching and a budget is needed to provide for operations in the new fiscal year.

Introduction and History

Subpart 12 of Part 3 of Chapter 3 of Title 7 of the Montana Code Annotated provides that the City Manager shall “prepare and present the budget to the commission for its approval and execute the budget adopted by the commission[.]”

Analysis

Enclosed with this report is a copy of the City Manager’s Recommended Budget for Fiscal Year 2027. The FY 2027 City Manager’s Recommended Budget contains detailed information related to expenditures along with estimated revenues. The Commission will be asked to contemplate and consider approval of the Budget Resolution at the July 7, 2026 Commission meeting.

Fiscal Impact

When adopted, the City of Livingston budget will provide funding for City operations and projects for the period from July 1, 2026, through June 30, 2027.
