CACTUS BLOSSOM COLLECTIVE

We are hoping to add a painted logo above our shop space. It would be black and measure approx. 9 feet long x 5 inches high (very similar to the size of the Kite Shop's logo next door). It would be painted directly on the exterior plywood using 'Ronan One Stroke Lettering Enamel - Black' paint. I have linked the paint information in our email. Our circulars sign was moved to the corner of the building, which was prroved by the HPC in 2022.
