Planning Commission's Land Acknowledgement

We'd like to acknowledge we are on the traditional land of a rich and diverse group of Native Peoples who have called this area home for more than 10,000 years. We honor, with gratitude, the land itself and the descendants of these Native Peoples who are still here today. In doing this we aim to illuminate the longer history of this land we call home, our relationship to this history, and the heritage of those peoples whose ancestors lived here before the European-American immigration that began in the 1800s.
