OLD BUSINESS

• Summer Events

- Partnered Event Updates: PRAB went through list of summer events that took place in LFP at Animal Acres Park
- Picnic in the Park: Cory encouraged PRAB to attend, did not see a need for a community booth, will look at a PRAB activity for next year to add. Also changing timeline to start later in the day to avoid soccer conflicts. Cory also asked for additional community partner booth ideas.
- Yoga (possibly Tai Chi) in the Park: Cory's time/schedule did not allow to coordinate this event for this year. Will bring Yoga in the Park back in 2025 and look to expand other than yoga.
- LFP Yard Sale: Will take place September 14th, Alice will coordinate map and emailing with community. Cory will create a facebook event and promote on City social media accounts. Alice will also create an image to promote the event. Will try to promote and focus on reduce, reuse, buying used, and recycling items properly.

- Lakefront Park Updates: Cory noted consultants are working on continued design work, Ammber will be at their September PRAB meeting for an update. Early works demo is moving along and RCO applications have been submitted.
- Other
Group discussed the eNews and reminder to get articles in. Talk of Third Place Commons took place, Cory will invite the new Director to an upcoming PRAB meeting to discuss future partnerships and all they provide to our City. Board also discussed future event ideas.
