King County Metro

Dear King County Metro,

We the undersigned are elected officials or community activists writing in our individual capacity. We are writing to express concern that the upcoming changes to Metro route 372 and Sound Transit route 522 will substantially worsen transit options for people living in these communities.

To be clear, we are avid transit supporters and want to see Metro design a system that complements Sound Transit and serves the community. Our concern is that when taking Metro and Sound Transit's changes in aggregate, service levels will suffer. Compared to today's service levels on the Bothell Way (SR522) corridor, Metro and ST's proposals will cut frequency in half and will remove all bus service that travels between Lake City and Lake Forest Park/Kenmore/Bothell (Northshore communities). There won't be a good transfer point between the new route 72 and S3 either, so passengers looking to travel between these communities will have to endure detours that add time, require crossing busy intersections, and generally make transit even less attractive compared with driving.

In addition, the SR522 corridor is becoming a food and pharmacy desert. These transit changes will exacerbate this, making it harder for Lake City residents to use transit to get to the Safeway in LFP, or Ostrom's pharmacy in Kenmore. And vice versa for LFP/Kenmore/Bothell residents trying to get to businesses in Lake City that aren't readily accessible via Link light rail.

We do want to be constructive, so we are offering a specific proposal. We can think of Shoreline (148th Street station), Northshore, and Lake City as the three legs of a triangle. So there should be a route connecting each point. In Metro's proposal, both routes 65 and 72 will connect Lake City and Shoreline, duplicating service. Sound Transit's route 522 will connect Northshore and Shoreline. So it would make sense to have Metro's route 65 to continue to connect Lake City and Shoreline while the 372 is restored to connecting Lake City and Northshore.

Thank you for your consideration of this proposal, and for your work to continue to connect our communities together.

Sincerely,
[Signatures]

RESOLUTION NO. 25-2021

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAKE FOREST PARK, WASHINGTON, PROVIDING FOR A BALLOT PROPOSITION TO BE SUBMITTED TO THE QUALIFIED ELECTORS OF THE CITY AT THE GENERAL ELECTION TO BE HELD ON NOVEMBER 10, 2026, IN CONJUNCTION WITH THE STATE GENERAL ELECTION, OF A PROPOSITION AUTHORIZING THE CITY TO LEVY REGULAR PROPERTY TAXES IN AN AMOUNT IN EXCESS OF THE LIMITATIONS PROVIDED IN CHAPTER 84.55 RCW FOR POLICE AND PUBLIC SAFETY SERVICES BEGINNING IN 2027; SETTING FORTH THE BALLOT TITLE; AND PROVIDING FOR OTHER RELATED MATTERS.

WHEREAS, the City of Lake Forest Park is committed to providing essential public safety services, including police protection, 911 dispatch, jail services, criminal justice services such as prosecution and public defense, and mental health crisis response alternatives (together “Public Safety Services”); and

WHEREAS, residents of Lake Forest Park prioritized police and public safety services as their top priority for City spending; and

WHEREAS, the City’s regular property tax levy rate is currently \$0.71367 per \$1,000 of assessed valuation; which is \$2.65746 per \$1000 of assessed value less than what is statutorily authorized; and

WHEREAS, chapter 84.55 RCW limits the amount of the City’s regular property tax levy to a 1% increase per year (“Levy Lid”), which was \$34,500 in 2025; and

WHEREAS, the cost of providing Public Safety Services has increased significantly over the past four years (See attachment A.) from the 2023–2024 biennium to the adopted 2025–2026 budget, driven by rising costs for police, equipment for their safety, 911 dispatch services; jail services; prosecution; public defense; and mental health and crisis intervention programs in addition to a 24% increase in inflation over those same four years; and

WHEREAS, the City cut over \$455,000 in proposed spending in the 2025–2026 budget and is operating without sufficient staff to perform necessary city functions; and

WHEREAS, the City has diligently pursued contracts beneficial to the City for jail and 911 dispatch services, but providers for these services have fixed costs out of the City’s control; and

WHEREAS, the City has allocated traffic safety camera revenue to public safety expenses to the extent allowed by state statute; and

WHEREAS, the City relied on approximately \$880,000 in one-time funding to balance the 2025–2026 biennial budget, which is not sustainable long-term without a revenue enhancement or a reduction in services; and

WHEREAS, maintaining Public Safety Services requires the expenditure of permanent and regular (i.e., sustainable) revenue in excess of the current Levy Lid; and

WHEREAS, RCW 84.55.050 provides for the levy of regular property taxes in an amount exceeding the Levy Lid (a “Levy Lid Lift”) if the increased levy is authorized by a ballot proposition approved by a majority of the voters at a general election held within the taxing district; and

WHEREAS, approval of a Levy Lid Lift ballot proposition would help maintain current levels of Public Safety Services;

WHEREAS, to fund Public Safety Services as described in this resolution and continue that funding for a period of six years, the City Council finds that it is in the City’s best interest to present a ballot proposition to the City’s voters to increase the City’s regular property tax levy above the highest allowable levy lid lift of 1% limitation; and

WHEREAS, when the Levy Lid Lift expires in six years, the Levy will decrease to what it would have been if the Levy Lid Lift never existed and the City had only taken the annual 1% increase; and

WHEREAS, the Levy Lid Lift proposed would authorize an increase of approximately \$___ million in the City’s regular property tax levy by an increase of approximately \$0.____ per 1,000 of assessed valuation, to a maximum rate of \$0.____/\$1,000, in 2027, as allowed by Chapter 84.55 RCW; and increase the annual levy in the amount of the rate of inflation (Seattle region CPI-U) for 2027-2031; and until said Levy Lid Lift expires.

WHEREAS, the approximately \$___ million in additional levy funds will only be used to pay for Public Safety Services.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Lake Forest Park, as follows:

Section 1. Findings and Determinations. The City Council (the “City Council”) of City of Lake Forest Park, Washington (the “City”), takes note of the foregoing recitals and incorporates them into this resolution as findings and determinations of the City Council.

Section 2. Ballot Proposition Authorized. The City Council hereby finds that the best interests of the residents of Lake Forest Park requires the submission to the

qualified voters of the City, at the general election to be held on November 10, 2026, of a proposition authorizing a multi-year Levy Lid Lift to support Public Safety Services.

Section 3. Levy Rate and Duration. If approved by a majority of voters, the City shall be authorized to temporarily levy an additional regular property tax in the amount of \$_____ per \$1,000 of assessed valuation for levy in 2026 and collection in 2027.

This levy shall be:

- Collected annually for six (6) consecutive years, from 2027 through 2032;
- Increased each year in January by the annual percentage growth in the June-to-June Seattle-Tacoma-Bellevue Consumer Price Index for All Urban Consumers (CPI-U).

Section 4. Use of Levy Proceeds. The additional revenue generated by this levy shall be used exclusively for Public Safety Services, including but not limited to:

- Police staffing, training, and safety equipment
- 911 dispatch
- Emergency management services
- Jail services
- Prosecution and public defense costs
- Crisis intervention and mental health diversion programs

Section 5. Exemption for Low-Income Senior Citizens and Disabled Persons. As provided under RCW 84.36.381, low-income senior citizens, disabled veterans, and other disabled persons who qualify shall be exempt from the Levy Lid Lift authorized by this resolution to the extent allowed by law. It is the intent of the City to ensure that this levy does not impose an undue burden on vulnerable residents living on fixed incomes.

Section 6. Calling of Election. The Director of Elections of King County, Washington, as *ex officio* Supervisor of Elections (the “Director of Elections”), is requested to call and conduct a special election, in the manner provided by law, to be held in the City on November 10, 2026 (the “General Election”), for the purpose of submitting to the City’s voters, for their approval or rejection, the proposition authorizing the City to increase its regular property tax levy in 2026 for collection in 2027 by an amount greater than otherwise permitted under chapter 84.55 RCW and to use the dollar amount of such levy for the purpose of computing the limitations for the City’s subsequent five levies under chapter 84.55 RCW adjusted by the rate of inflation (Seattle region CPI-U).
