Executive Summary

The 2023-2024 budget is balanced through the use of approximately \$1.3M in one-time funds generated during the 2021-2022 biennium, as ongoing expenditures continue to outpace ongoing revenues. The Mayor's Proposed Budget has cautiously begun increasing the revenues from the sharp downturn related to the pandemic. Departments were instructed for this biennium to take a "zero-based" budget approach identifying the need for each budget line item and not relying on past history in building any particular budget. The 2023-2024 budget also includes a 1% property tax levy increase as allowed by law through the action of the City Council.

Property Tax

In an effort to maintain the current levels of service, the City finds that it must levy the maximum 1.0% property tax allowable under State law. The maximum allowable levy includes a one percent increase compared to the prior year levy and includes an additional levy amount for new construction. The maximum allowable levy also re-levies an amount from the prior year levy that was refunded as a result of property valuation appeals. The proposed levy is \$3,493,870 which represents the maximum allowable levy. The following table contains a breakdown of the proposed levy.

Proposed 2023 Property Tax Levy	
2022 Regular Property Tax Levy	3,382,585
Increase Over Prior Year Levy	33,826
Subtotal of Levy Amount	3,416,411
New Construction Value	17,865
Relevy of Prior Year Refunds	19,594
Subtotal for Current Allowable Levy	3,453,870
<i>Estimate High for Additional Changes</i>	<i>40,000</i>
2023 Property Tax Levy	3,493,870

Due to the numbers being preliminary, the City must estimate high to capture all available funds. The final new construction, increases in state assessed property, and current year refund values will not be available until after the City is required to adopt and submit the 2023 property tax levy ordinance to King County. That is the reason for the *Estimate High for Additional Changes* line is in the above chart of \$40,000. Actual property tax collections are based on the final amounts, so actual collections may differ compared to the amounts represented in the above table.

It should be noted that the Ordinance recognizes an increase of 0.82% compared to the 2022 levy, but that the maximum allowable increase is a full 1.0% which is the value of \$33,826. The difference is because the 0.82% increase is based on the City's 'prior year actual levy' which includes refunds from 2022, versus the City's 'highest lawful levy or levy basis for calculation' which removes the refund from 2022. Irrespective of how it is calculated, the increase represents the maximum allowable annual levy increase.

Sewer Rates

King County's sewer charges will be increased by 5.75%, which equals a \$2.84 monthly increase to City of Lake Forest Park residents that will have to be passed through as a rate increase. The rate increase will go into effect on January 1, 2023. The City has also included a rate increase of 6% based

on a 2004 rate study that will go into effect on January 1, 2023. That will increase the sewer rate by \$0.61 per month. Both rate increases were included in the 2023-2024 biennial budget.

Wastewater Excise Tax

By policy, the City levies excise tax on owners of property that can be connected to the City’s sewer system, but the owner chooses not to. The amount levied changes in alignment with increases in the City’s portion of the sewer utility charges.

The current rate is \$20.16 billed and payable bimonthly for the privilege of operating an on-site wastewater disposal system in lieu of connecting to the public system. The Wastewater excise tax portion does not increase when King County increases their portion of the sewer rate, only the City’s portion. The new sewer excise tax rate for 2023 will be \$20.77 and \$21.39 in 2024 increasing by 3% each year.

Surface Water Rate

To address the ongoing maintenance and operations costs associated with the City’s surface water infrastructure, the 2023-2024 budget includes a 10% increase to surface water rates which equals a \$22.39 annual increase for City of Lake Forest Park residents.

New Revenue

After long and thoughtful consideration, the City Council has directed the administration to include the following new revenue sources to begin addressing the ongoing deficit between revenues and expenditures.

- Transportation Benefit District Vehicle Licensing Fee Increase - \$10.00 per vehicle
- Transportation Benefit District Sales Tax - 0.10% on purchases within the corporate limits of Lake Forest Park
- Sewer Utility Tax – 6%
- Surface Water Utility Tax – 6%

The example below represents the new (2023) annual cost to a residential customer of \$1,120.80 which is inclusive of the proposed rate increases to both utilities, the proposed utility taxes, and the increase in vehicle licensing fees, assuming 2 vehicles per household as compared to the 2022 annual cost of \$1,208.04, an annual increase of \$87.24, or roughly \$7.27 per month.

Background

The City adopts a biennial budget every other year in even-numbered years. The budget process begins with the Mayor proposing a budget, followed by City Council deliberations on the Mayor’s proposal and public hearings. The City Council can make any changes that it desires to the Mayor’s proposal and when the City Council has a budget that it is satisfied with, then the City Council moves to adopt the budget. The budget ordinance will be the result of this process. The budget must be adopted by December 31 to ensure the continuity of city services.

The currently proposed budget will continue existing levels of service for all city services. The Mayor’s Proposed 2023-2024 Biennial Budget and video recordings of the Budget and Finance Committee budget deliberations are all posted and available on the City’s website.

Fiscal & Policy Implications

The proposed 2023-2024 budget ordinance will provide funding for city services through December 31, 2024. The proposed budget is balanced while using some one-time funds to supplement where ongoing revenues lag ongoing expenditures and maintains reserves in accordance with the City's adopted financial policy.

Notes:

- 1) Rates for fire districts and the library district are estimated at the time this worksheet is produced. Fire district and library district rates affect the maximum allowable rate for cities annexed to them. These rates *will* change, mainly in response to the actual levy requests from the fire and library districts. Hence, affected cities may have a higher or lower allowable levy rate than is shown here when final levy rates are calculated.
- 2) This figure shows the maximum *allowable levy*, which may differ from any actual prior levy if a district has levied less than its maximum in prior years. The maximum allowable levy excludes any allowable refund levy if the maximum was based on a limit factor. The maximum allowable levy excludes omitted assessments if the maximum was determined by your district's statutory rate limit. If your district passed a limit factor ordinance in the year indicated, that limit factor would help determine the highest allowable levy. However, if the statutory rate limit was more restrictive than your stated limit factor, the statutory rate limit is controlling.
- 3) Any increase in value in state-assessed property is considered to be new construction value for purposes of calculating the respective limits. State-assessed property is property belonging to inter-county utility and transportation companies (telephone, railroad, airline companies and the like).
- 4) An omitted assessment is property value that should have been included on a prior year's roll but will be included on the tax roll for which this worksheet has been prepared. Omitted assessments are assessed and taxed at the rate in effect for the year omitted (RCW 84.40.080-085). Omitted assessments tax is deducted from the levy maximum before calculating the levy rate for current assessments and added back in as a current year's receivable.
- 5) Administrative refunds under RCW 84.69.020 were removed from the levy lid by the 1981 legislature.
- 6) A district is entitled to the lesser of the maximum levies determined by application of the limit under RCW 84.55 and the statutory rate limit. Levies may be subject to further proration if aggregate rate limits set in Article VII of the state constitution and in RCW 84.52.043 are exceeded.
- 7) This section is provided for your information, and to assist in preparing any Increase Ordinance that may be required by RCW 84.55.120. The increase information compares the allowable levy for the next tax year with your ACTUAL levy being collected this year. The actual levy excludes any refund levy and expired temporary lid lifts, if applicable. New construction, annexation and refund levies, as well as temporary lid lifts in their initial year, are subtracted from this year's *allowable* levy before the comparison is made.
- 8) ***Assessed valuations shown are subject to change from error corrections and appeal board decisions recorded between the date of this worksheet and final levy rate determination.***

Executive Summary

Originally crafted by King County Executive Constantine and City of Seattle Mayor Durkan, the King County Regional Homelessness Authority (KCRHA) was formed to oversee policy, funding, and services for people experiencing homelessness countywide. The legislation approved by both councils includes an Interlocal Agreement between the city and the county that signals unprecedented collaboration between the two governments and the members of King County’s other cities represented through the Sound Cities Association.

The Interlocal Agreement (ILA) before Council would facilitate the City of Lake Forest Park becoming a Partner City for the upcoming 2023/2024 Biennium.

Background

Through this proposed ILA, the City would be committing funding to the KCRHA to provide services for people experiencing homelessness countywide. If Council chooses to enter into the proposed ILA, the Administration has identified the source of funding as the Affordable/Supportive Housing budget found on page 30 of the Mayor’s Proposed Budget. The revenue stream in this budget is a result of House Bill

1406 from the 2019 Legislative session which allocated up to 0.0146% local sales tax credited against the state sales tax for housing investments. The funding came in increments of 0.0073%, the first half available by action of the Council and the second half through a simple the majority vote of city residents. The cost of placing the item on the ballot would have been equivalent to approximately 6-years' worth of funding so the decisions was made not to pursue that portion. To access the funds, the City Council adopted Resolution 1752.

The ILA anticipates funding on a per-capita basis of \$1.20 per resident. With an April 2022 Revised Office of Financial Management population estimate of 13,620, this equates to an annual allocation of \$16,344. The City began receiving funds in 2021 and has amassed a fund balance of \$24,880 to begin the 2023/2024 biennium and will receive roughly \$25,000 during the biennium. This provides the necessary funding for the program through the 2025/2026 biennium and with a small contribution outside of this fund for the 2027/2028 biennium. This assumes no increase in revenue and a modest increase of 3.5% in expenses for each biennium.

	21/22	23/24	25/26	27/28
Revenue	\$ 24,880	\$ 25,000	\$ 25,000	\$ 25,000
Fund Balance	\$ 24,880	\$ 49,880	\$ 42,192	\$ 33,360
Expenditure (3.5% scaler)		\$ 32,688	\$ 33,832	\$ 35,016
Delta		\$ 17,192	\$ 8,360	\$ (1,656)

ILA Key Components

Article V

Section 1. Documentation of all costs incurred providing services readily available for review by Partner Cities.

Section 3. Provide an annual report to each Partner City, including services provided to residents of the city.

Article VIII

Section 1. Withdrawal. Commitment is to each biennium. Must withdraw by September 30, preceding the next biennium.

Section 2. Termination. If Partner City loses funding source, the agreement may be terminated with 90 days prior written notice.

Section 3. Effect of Termination or Expiration. Unused funds returned to Partner City and existing contracts funded by Partner City funds assigned to City or terminated. (for Cities in the first ILA with existing contracts, see Exhibit A)

Exhibit B

Funding – LFP has no existing contracts, so funding is calculated at \$1.20 per capita. (April 2022 Revised OFM 13,620) \$16,344 annually

The Administration has not accepted the proposed language bolded at the bottom of this exhibit. While it is not anticipated that the City would contract with another outside organization for homeless services, this language suggests a level of involvement by the KCRHA that would not best serve contract negotiations. Deletion of this proposed language would not preclude the City from informing the

authority as to why additional resources are needed within the City, in addition to and outside of those provided through this ILA.

Fiscal & Policy Implications

There are sufficient funds in the 2023/2024 Proposed Biennial Budget to support this program.

OF THE KING COUNTY REGIONAL HOMELESSNESS AUTHORITY**

RECITALS:

WHEREAS, the federal and state government, King County (the “County”) and jurisdictions across the County, including the City of Seattle (“Seattle”), currently fund programs to provide services to individuals and families experiencing homelessness, but homelessness and housing insecurity remain a chronic and serious problem; and

WHEREAS, the County and Seattle have entered into a Memorandum of Understanding dated May 3, 2018, proposing a partnership to more effectively and consistently coordinate their provision of such services; and

WHEREAS, cities and counties are authorized to enter into interlocal cooperation agreements in accordance with chapter 39.34 RCW (the “Interlocal Cooperation Act”) to jointly provide services; and

WHEREAS, Seattle and the County have committed to assessing the needs and specific recommendations for homelessness solutions through a Regional Action Plan; and

The name of such separate governmental administrative agency shall be the "King County Regional Homelessness Authority" (the "Authority").

ARTICLE III

DURATION OF AUTHORITY

Section 1. Duration. Except as provided in Section 3 of this Article III, the initial duration of this Agreement shall be five (5) years from its Effective Date, with an automatic renewal starting in the sixth year for an indefinite period or until terminated by the Parties.

Section 2. Withdrawal. No Party is permitted to unilaterally withdraw until this Agreement has been in force at least five (5) years from the Effective Date; provided however, the Parties may agree to terminate this Agreement within the initial five (5) year period.

Section 3. Termination. This Agreement may be terminated by written, mutual agreement of the Parties and only after the legislative authorities of the Parties have authorized the termination by motion or resolution; provided however, the effective date of the termination shall be not less than one (1) year from the later date that the County's motion and Seattle's resolution has been delivered to the Authority. The Parties shall jointly undertake with the dissolution of the Authority to protect the public interest and prevent impairment of obligation, or if authorized by law, authorize or initiate proceedings in the Superior Court for the appointment and supervision of a receiver for such purposes.

ARTICLE IV

PURPOSE, MISSION AND GUIDING PRINCIPLES OF THE AUTHORITY

Section 1. Purpose. The Authority is a regional, independent governmental agency under RCW 39.34.030, the purposes of which are:

a. Providing consolidated, aligned services for individuals and families who are experiencing homelessness or who are at imminent risk of experiencing homelessness in the jurisdictional boundaries of King County, as such services may be revised or expanded from time to time consistent with the Five-Year Plan or successor planning document and principles set forth in this Agreement;

b. Receiving revenues from the County, Seattle, Funders and other public and private sources for the purposes of the Authority, and applying such revenues as permitted by this Agreement; and

c. Providing such other services as determined to be necessary to implement this Agreement.

Section 2. Mission. The mission of the Authority is to significantly decrease the incidence of homelessness throughout King County, using equity and social justice principles.

Section 3. Guiding Principles. The parties hereto agree that the establishment of the Authority is necessary to consolidate homelessness response systems under one regional entity which acts according to the following principles as may be amended by the Governing Committee from time to time:

(i) The Authority shall establish ongoing procedures, policies and mechanisms to ensure accountability to its Customers, its contract agencies, its funders, and the public.

(ii) The Authority shall be accountable in its decision-making processes and strategic planning to its Customers' experiences and to persons with Lived Experience.

(iii) The Authority shall address racial-ethnic and other statistical disproportionalities amongst the population of people experiencing homelessness, including addressing racial-ethnic inequities in the development, delivery, and evaluation of services in the homeless service system. The Authority shall proactively seek to eliminate disproportionalities in the population experiencing homelessness and outcomes for people experiencing homelessness by directly addressing structural racism, ableism, homophobia, transphobia, misogyny and other sources of inequities.

(iv) The Authority shall establish clear protocols for decision making that are easily understood by community members, Customers, and other stakeholders. These protocols shall have a clear process for Customer and provider input.

(v) The Authority shall make data-driven decisions and develop policies and practices to incorporate best practices and quantitative and qualitative data in the development of policies, programs, and funding decisions. It shall collect and analyze a broad array of data reflecting the performance and impact of its funded programs. The Authority shall collect and analyze data that enables tailored approaches for communities disproportionately impacted by the experience of homelessness and different sub-regions within King County. The Authority shall establish community-informed indicators, performance measures, and outcomes that draw on both quantitative and qualitative data.

(vi) The Authority shall, where possible and as revenue and budgeting allows, implement and support contracting processes and provider staff pay structures that promote high quality services, service system professionalization, and reduction of undue provider staff turnover.

(vii) The Authority shall create long-term institutional alignment across systems to meet the needs of people at imminent risk of becoming homeless and those experiencing homelessness. The Authority shall adopt an evidence-based, housing first orientation and shall inform and support regional efforts to increase development of new 0 – 30% AMI housing and preserve existing affordable housing, with a priority for permanent supportive housing.

(viii) The Authority shall value distinctions in local context, needs and priorities through effective Sub-Regional Planning Activity. The Authority shall provide capacity to work with stakeholders from geographically diverse parts of the region to analyze, identify, and

implement priority services distinct to those sub-regions. Sub-regions shall be defined by the Authority, taking into consideration established sub-regional definitions including the spheres of influence for A Regional Coalition for Housing (ARCH) and the South King Housing and Homeless Partners (SKHHP) as well as any established County guidance.

Section 4. Initial Start-Up; Scope of Work

Such work plan will be recommended by the Implementation Board and approved by the Governing Committee.

The purchase of such insurance and its policy limits shall be discretionary with the Implementation Board Members, and such insurance shall not be considered to be compensation to the insured individuals. The powers conferred by this Section 1.d. of Article VI shall not be exclusive of any other powers conferred by law to purchase liability insurance; and

The King County Regional Homelessness Authority (the “Authority”) is an independent governmental agency created pursuant to an Interlocal Agreement between King County and the City of Seattle pursuant to RCW 39.34.030. All liabilities incurred by the Authority shall be satisfied exclusively from the assets and properties of the Authority and no creditor or other person shall have any right of action against King County, the City of Seattle, or any other public or private entity or agency on account of any debts, obligations, or liabilities of the Authority unless explicitly agreed to in writing by such entity or agency.

ARTICLE VII BUDGETING AND CONTRACTING

Section 1. Provision of Funds.

(a) The Authority shall annually submit a proposed budget request to each of the Parties, consistent with the budget approved by the Governing Committee. Requests shall be made by the Authority to the Parties at the time and in the form as determined to be necessary to comply with the fiscal and budget cycles of the individual Party and that is consistent with the Resources provided by the Parties. Each Party shall review the proposed budget request and strive to allocate monies to the Authority consistent with the budget request and overall Five-Year Plan or successor planning documents; provided, that the County’s allocation shall be made biennially. The Authority’s proposed budget request for the County for the second year of the biennium shall describe the reason for any requested adjustments to the County’s budget appropriation for the biennium. Parties shall provide monies to the Authority subject to the terms of each Party’s Master Agreement.

(b) It is Seattle’s intent to provide the same funding to the Authority that it budgeted in 2019 for the Homeless Services contracts anticipated to be transferred to the Authority and related administrative expenses. In 2019 that amount is approximately \$73,000,000. In accordance with the foregoing, Seattle anticipates providing the following to the Authority, in all cases subject to annual budget appropriations:

1. Initial, start-up funding of no more than \$2,000,000 for calendar year 2020 (or a pro rata portion if the Authority commences operations later than January 1, 2020), the Authority’s expected first year of operation. In the event that the Authority determines that a portion of the initial, start-up funding is necessary on an ongoing basis to fully fund the administrative costs of the Authority so as not to reduce the level of Homeless Services provided in 2020 and subsequent years, the Authority may request additional funding from Seattle in an amount that demonstrates a shared investment in ongoing administrative costs between King County and Seattle; and

2. Except as otherwise provided in Section 1(h) of this Article VII, program and administrative funding of no less than \$73,000,000 for 2020 (or a pro rata portion commensurate with the needs of the Authority if the Authority commences administration of Homeless Services contracts later than January 1, 2020) and for each of the following three years,

and thereafter, funding as necessary for the Authority to acquire through contract Homeless Services and to fund the administrative costs of the Authority.

(c) It is the County's intent to provide the same funding to the Authority that it budgeted in 2019 for the Homeless Services contracts anticipated to be transferred to the Authority and related administrative expenses. In 2019 that amount is approximately \$55,000,000. In accordance with the foregoing, the County anticipates providing the following to the Authority, in all cases subject to budget appropriations:

1. Initial, start-up funding of no more than \$1,755,000 for calendar year 2020 (or a pro rata portion if the Authority commences operations later than January 1, 2020), the Authority's expected first year of operation. In the event that the Authority determines that a portion of the initial, start-up funding is necessary on an ongoing basis to fully fund the administrative costs of the Authority so as not to reduce the level of Homeless Services provided in 2020 and subsequent years, the Authority may request additional funding from King County in an amount that demonstrates a shared investment in ongoing administrative costs between King County and Seattle; and

2. Except as otherwise provided in Section 1(h) of this Article VII, program and administrative funding of no less than \$55,000,000 for 2020 (or a pro rata portion commensurate with the needs of the Authority if the Authority commences administration of Homeless Services contracts later than January 1, 2020) and for each of the following three years, and thereafter, funding as necessary for the Authority to acquire through contract Homeless Services and to fund the administrative costs of the Authority; provided, that such administrative funding shall include the cost of the space contributed by the County described in Section 1(d) of this Article VII.

(d) The County agrees to make facilities available to the Authority for Authority operations. The County's funding to the Authority in Section 1(c) of this Article VII shall include the value of County space contributed by the County to the Authority. The County's funding in Section 1(c) of this Article VII shall be reduced to the extent the County directly pays for programs and administration during a transition period. Seattle's funding in Section 1(b) of this Article VII shall be reduced to the extent Seattle directly pays for programs and administration during a transition period.

(e) The Parties will enter into separate Master Agreements with the Authority setting forth each Party's respective processes to provide Resources or other consideration to the Authority pursuant to the terms and conditions set forth herein and in the Party's Master Agreement with the Authority. The Parties will collaborate so that, to the extent possible, their Master Agreements have similar and consistent terms, conditions and requirements so as to reduce inefficiencies and avoid any conflicting requirements for the Authority. The terms of the Master Agreements shall be consistent with this Agreement; in the event of a conflict between a Master Agreement and this Agreement, the terms of this Agreement shall prevail.

(f) The Parties will use best efforts to coordinate the development of their respective Master Agreements to ensure consistency and that the Authority will be provided adequate Resources to optimize the provision of services with appropriate accountability.

(g) If the Authority applies for and receives monies which had, in prior years, been accredited to either Seattle or King County, then: (1) in future years, the amount of such monies shall be credited towards the allocations as defined in Section 1.b.2 and Section 1.c.2 of this Article VII, respectively, and (2) the Authority shall give first priority to providing services to those persons who were previously served by such monies.

(h) Seattle or the County may reduce their expected funding, set forth in Sections 1.b.2 and 1.c.2 of this Article VII respectively, commensurate with reductions or eliminations of funding available for homelessness programs or services, by providing written notice to the Authority and executing a unilateral amendment to the affected Party's Master Agreement.

(i) The Authority shall comply with all federal, State, Seattle and County statutory and legal requirements, as applicable, in respect to all grant funds contributed by each Party.

(j) The Authority shall be subject to annual audit by the State Auditor, and by Seattle and County at the option of each.

Section 2. Information Required for Oversight of the Authority. Each of the Master Agreements shall include provisions obligating the Authority to provide the following minimum information to each Party:

(a) An annual operating budget displaying the various sources and uses of Authority revenues, with expenditures aggregated and disaggregated based on source;

(b) Quarterly reporting on expenditures against budget, as well as full transparency into on-going spending provided by access to the Authority's financial systems;

(c) Standards and procedures for the awarding of contracts to service providers, including means to measure outcomes;

(d) Annual reports showing comparative outcomes by service providers and evaluations of contract performance;

(e) A Five-Year Plan for the funding of Homeless Services; and

(f) An annual performance update on the Five-Year Plan or successor planning document.

Section 3. Subscribing Agency Service Contracts for the Provision of Homeless Services. Nothing herein shall prohibit the Authority from entering into contracts with Subscribing Agencies ("Subscribing Agency Contracts") so long as (i) such contracts are subject to the availability of grant or other funding, (ii) upon request, copies of such contracts be provided to a Party, and (iii)

such Subscribing Agency Contracts do not impair the obligations of the Authority to any Party or any other contractors. In consideration for the Authority providing such Homeless Services to a Subscribing Agency, that Subscribing Agency shall either provide Resources to the Authority or align the Subscribing Agency’s provision of related services consistent with the Authority’s budget, the Five-Year Plan or successor planning document, and the Authority’s Goals, Policies, and Plans as approved by the Governing Committee. The Authority shall fund and provide services across the County regardless of whether a local jurisdiction is a Subscribing Agency to this Agreement.

g. Consecutive Absences. Any Governing Committee Member who is absent for three consecutive regular meetings without excuse may, by resolution duly adopted by a majority vote of the remaining Governing Committee Members, be deemed to have forfeited his or her position as Governing Committee Member and that Member's position shall be vacant.

The claimant shall be presumed to be entitled to indemnification under this Section 3 of Article VIII upon submission of a written claim (and, in an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition, where the required undertaking has been tendered to the Authority), and thereafter the Authority shall have the burden of proof to overcome the presumption that the claimant is so entitled. Neither the failure of the Authority (including the Implementation Board or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of or reimbursement or advancement of expenses to the claimant is proper nor a determination by the Authority (including its Implementation Board Members, Governing Committee Members or independent legal counsel) that the claimant is not entitled to indemnification or to the reimbursement or advancement of expenses shall be a defense to the action or create a presumption that the claimant is not so entitled.

In such case any such individual shall recuse and refrain from voting upon and any manner of participation with respect to the matter in question so as to avoid any actual or potential conflict of interest. The Authority shall maintain all of its records in a manner consistent with the Preservation and Destruction of Public Records Act, chapter 40.14 RCW. The public shall have access to records and information of the Authority to the extent as may be required by applicable laws. All costs associated with complying with the Public Records Act, chapter 42.56 RCW, shall be borne by the Authority.

Section 4. Reports and Information; Audits.

Within nine (9) months after the end of the Authority’s fiscal year, the Authority shall file an annual report with the Finance Directors of the County and Seattle containing an audited statement of assets and liabilities, income and expenditures and changes in the Authority’s financial position during the previous year (or unaudited information if an audit is not yet available, to be promptly followed by audited information); a summary of significant accomplishments; a list of depositories used; a projected operating budget (which may be an annual budget, a biennial budget or other form as authorized by State law); a summary of projects

and activities to be undertaken during the budget period; and a list of members and officers of the Implementation Board.

The Authority shall be subject to annual audit by the State Auditor, and by Seattle and the County at the option of each. The Authority shall, at any time during normal business hours make available to the County Executive, the County Council, the Seattle Mayor, the Seattle City Council, and the State Auditor for examination all of the Authority's financial records.

Section 5. Performance Audit.

The County and Seattle will cause a performance audit to be conducted and completed by a consulting firm selected by the County and Seattle no later than six years after the Governing Committee confirms the initial Five-Year Plan. The performance audit report shall be transmitted to the clerks of both the King County Council and the Seattle City Council.

Section 6. Amendments to Agreement. No additions to or alterations of the terms of this Agreement shall be valid unless made in writing, approved by the legislative authorities of each Party and executed by duly authorized agents of each Party.

Section 7. Nondiscrimination.

The Authority, its employees, agents, Contract Holders, and subcontractors, if any, shall at all times comply with any and all federal, state or local laws, ordinances, rules or regulations with respect to non-discrimination and equal employment opportunity, which may at any time be applicable to Seattle by law, contract or otherwise, including but not limited to all such requirements which may apply in connection with employment or the provision of services to the public.

Specifically, except as allowed by law, the following matters or activities shall not be directly or indirectly based upon or limited by age, sex, marital status, sexual orientation, race, creed, color, national origin, religion, pregnancy, gender, gender identity or expression, genetic information, domestic violence victimization, veteran or military status, or the presence of any sensory, mental, or physical disability or the use of a trained service animal by a person with a disability:

- a. Membership on the Implementation Board;
- b. Employment, including solicitation or advertisements for employees; and
- c. Provisions of services to and contracts with the public.

Section 8. Labor Disputes.

Because labor disputes can lead to work stoppages or adversely impact the ability of the Authority to achieve desired outcomes, Seattle and the County have agreed and acknowledged in this Agreement that they have an interest in ensuring that the Authority's operations and progress are not interrupted or interfered with by work stoppages or other labor disputes. Accordingly, Seattle and the County have agreed, which is hereby confirmed in this Agreement, that the Authority and entities that contract with the Authority are required to adhere to labor laws, commit to promoting

labor harmony, and take reasonable measures to avoid any work stoppages or labor disputes in their operations.

Section 9. Inventory and Property.

Property, equipment and furnishings for the operations of the Authority shall be acquired by Authority as provided by law. If any Party furnishes property, equipment or furnishings for the Authority’s use, title to the same shall remain with the respective Party unless that property, equipment or furnishings are acquired by the Authority.

Section 10. Interlocal Cooperation Act.

- a. This Agreement is intended to create a separate governmental administrative entity within the meaning of RCW 39.34.030(3) and not a “joint board” within the meaning of RCW 39.34.030(4)(a).
- b. Each Party will file or post this Agreement as required by RCW 39.34.040.

Section 12. Additional Provisions.

- a. **Integration.** This Agreement contains all of the terms and conditions agreed upon by the Parties hereto concerning the establishment of the Authority. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the Parties hereto. The Parties have read and understand all of this Agreement, and now state that no representation, promise, or agreement not expressed in this Agreement has been made to induce the officials of the Parties hereto to execute this Agreement.

b. Severability. In the event any provision of this Agreement shall be declared by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not, in any way, be effected or impaired thereby.

c. Indemnification among the Parties Hereto. To the maximum extent permitted by law, each party hereto shall indemnify and hold harmless the other Parties and its or their agents, employees, and/or officers, from any and all costs, claims, judgments, or awards of damages arising out of the negligent acts or omissions of such indemnifying party, its officers, employees or agents and shall process and defend at its own expense any and all claims, demands, suits, at law or equity, actions, penalties, losses, damages, or costs, of whatsoever kind or nature, brought against the other Parties arising out of, in connection with, or incident to this Agreement and the indemnifying party's negligent performance or failure to perform any aspect of this Agreement. In the event of any such liability arises from the concurrent negligence of the indemnifying party and another party, the indemnity obligation of this section shall apply only to the extent of the negligence of the indemnifying party and its actors.

The foregoing provisions specifically and expressly intend to constitute a waiver of each party's immunity under industrial insurance, Title 51 RCW, as respects the other party only, and only to the extent necessary to provide the indemnified party with a full and complete indemnity of claims made by the indemnitor's employees. This waiver has been mutually negotiated.

d. No Third Party Beneficiary Rights. The provisions of this Agreement are for the sole benefit of the Parties, and they will not be construed as conferring any rights to any third party (including any third party beneficiary rights).

Programming of Funding

- Funding coming in from LFP and Woodinville that does not have an immediate assigned place to go, here is the likely process:
- KCRHA team brings forward a recommendation on what type of programming to invest in
 - North King County Coalition and partners weigh-in
- We put out an RFP -- As a reminder, our ILA states that this funding can only be administered to programs serving NKC residents.
- We develop a review panel and intentionally include NKC residents and partners to rate the proposals (Council members would be able to participate if they are interested)
- Review panel makes the funding award to the agency and start up the program.
- We communicate this decision to all North King County city councils.
- The award could likely be made by Q2 2023.
