The Loganville City Council has set the goal of establishing a plan each member can agree on to serve as a viable master plan that includes restaurants and retail in the downtown corridor along with greenspace for our Town Green, increased parking, the relocation of the library, attractive streetscapes, as well as planning for the possible relocation of City Hall.

STUDY AREA

STAKEHOLDER INPUTS

City Of Loganville

STAKEHOLDER INPUT

Sizemore Group gathered input during several opportunities prior to the 1-day Design Workshop:

- City Council Responses to MDC Questionnaire
- Results of previous City Survey
- Staff Kick-Off Meeting: January 19, 2023
- City Council Meeting January 19, 2023
- Stakeholder Interviews February 28, 2023

STAKEHOLDER INPUT

Following is a summary of results from the stakeholder interviews, council questionnaire and community survey (completed outside of this effort):

How would you describe downtown Loganville?

- Old
- **Rundown**
- Ghost town
- Boring
- Nothing turns your head
- Uninspired
- **Full of potential**
- Place to drive by
- Dead
- Not much reason to be down there
- City at crossroads, high density pressure vs. small town growth
- Not attractive

STAKEHOLDER INPUT

What is your VISION for the future of downtown Loganville?

- Oasis in the middle of chaos
- **Municipal Center: New City Hall, Library**
- **Town green/Park (bigger)**
- Modest number, upscale apartments/condos
- Controlled growth
- **Mix of commercial/housing/civic**
- Live/Work/Play
- 2-3 stories
- Sky bridge
- Walking trails
- Pocket parks
- Higher density development along edges
- **Revitalized/Bustling/vibrant**
- **Events/activities for all**
- **Active day and night**
- Places to eat and shop
- The place to be
- **Facelift/refurbish existing buildings**
- Uniformity in design
- Traffic relief
- Parking available
- Ma and Pa shops/restaurants/ice cream
- Don't want it to be unrecognizable
- Don't build it up
- Enough people to support the community
- Close Main Street to car traffic
- Outdoor and roof top dining

STAKEHOLDER INPUT

What would you like to PRESERVE in downtown Loganville?

- Older buildings (if fixed up)
- Nothing
- Old town look
- Style of older buildings
- Greenspace
- Events
- Rock Gym and Ag Building
- Small town feel

STAKEHOLDER INPUT

What would you like to CHANGE in downtown Loganville?

- Put something on city owned vacant property
- More parking
- **Something to do/more to do**
- Fill existing buildings
- **New businesses**
- Restaurants/boutiques
- Existing building ownership to be more engaged
- Move inviting
- Better/more signage
- More open spaces
- Getting too congested
- More eye catching
- **Less traffic**
- Reroute traffic on Main Street

STAKEHOLDER INPUT

What would you like to CREATE in downtown Loganville?

- **Library/City Hall/Park Complex**
- Commercial/office with condos above
- Public parking deck
- Walkable downtown
- Water feature
- Reuse movie set ice cream shop
- Ice cream shop
- Family run businesses
- **Places to eat, shop, sit, enjoy**
- Fun atmosphere for the entire **family**
- Shops open day/night
- More events on town green
- Larger town green with restrooms
- Brewery

STAKEHOLDER INPUT

Land Use Issues

- No high density housing
- Concern over rental property
- Expanded greenspace desired
- Focus on commercial growth, not residential

Transportation Issues

- Crosswalks with signals
- **Reroute State Route off of Main Street**
- **Traffic on Main Street**
- **Sidewalks**
- **Bike paths/trails**

FACTS & ANALYSIS

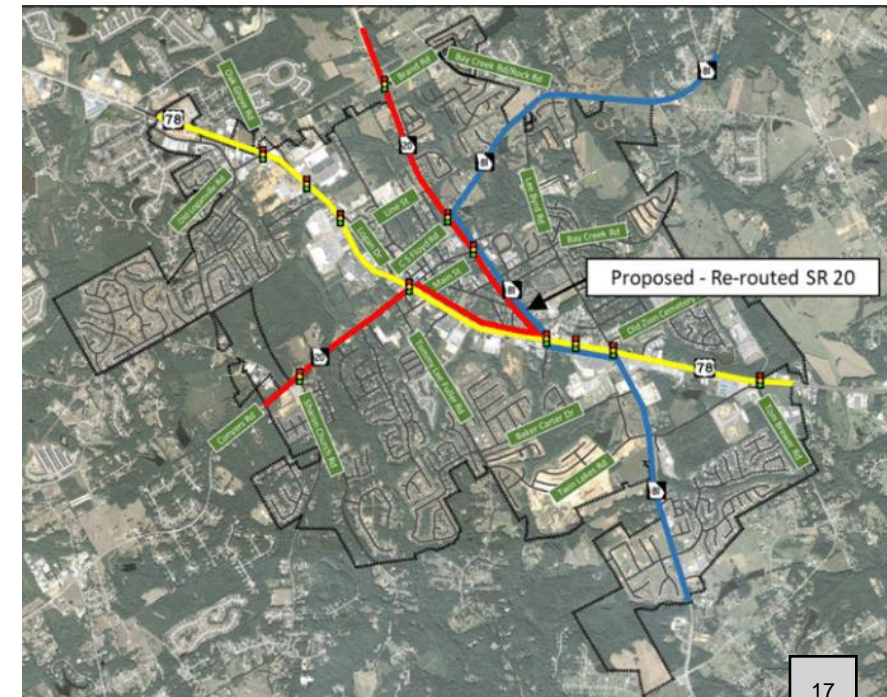

City Of Loganville

EXISTING STUDIES

Several plans and studies have been completed which impact the study area.

These plans vary from corridor-specific studies to plans which address topics across the City of Loganville. These plans were reviewed early on to inform the process. They include the following:

- City of Loganville Urban Redevelopment Plan
- Haddow Real Estate Counseling Services Market Analysis
- Loganville Town Center Livable Centers Initiative (LCI) Study
- City of Loganville Comprehensive Plan
- City of Loganville Traffic Study and Needs Analysis
- City of Loganville Centerpiece Building Concepts: Market Assessment

ANALYSIS MAPS

1. Topography
2. Water Sheds
3. Zoning
4. Future Land Use
5. Sun Diagram

CASE STUDIES

City Of Loganville

CASE STUDIES

The following Case Studies were mentioned during the stakeholder engagement phase:

- **Madison**
- **Monroe**
- **Grayson**
- **Covington**
- **Lawrenceville**
- **Suwannee**
- **Rutledge**
- **Manville**
- **Monticello**
- **Helen**
- **Sugar Hill**
- **Pearl St, Boulder CO**

PROGRAM

City Of Loganville

PROGRAM

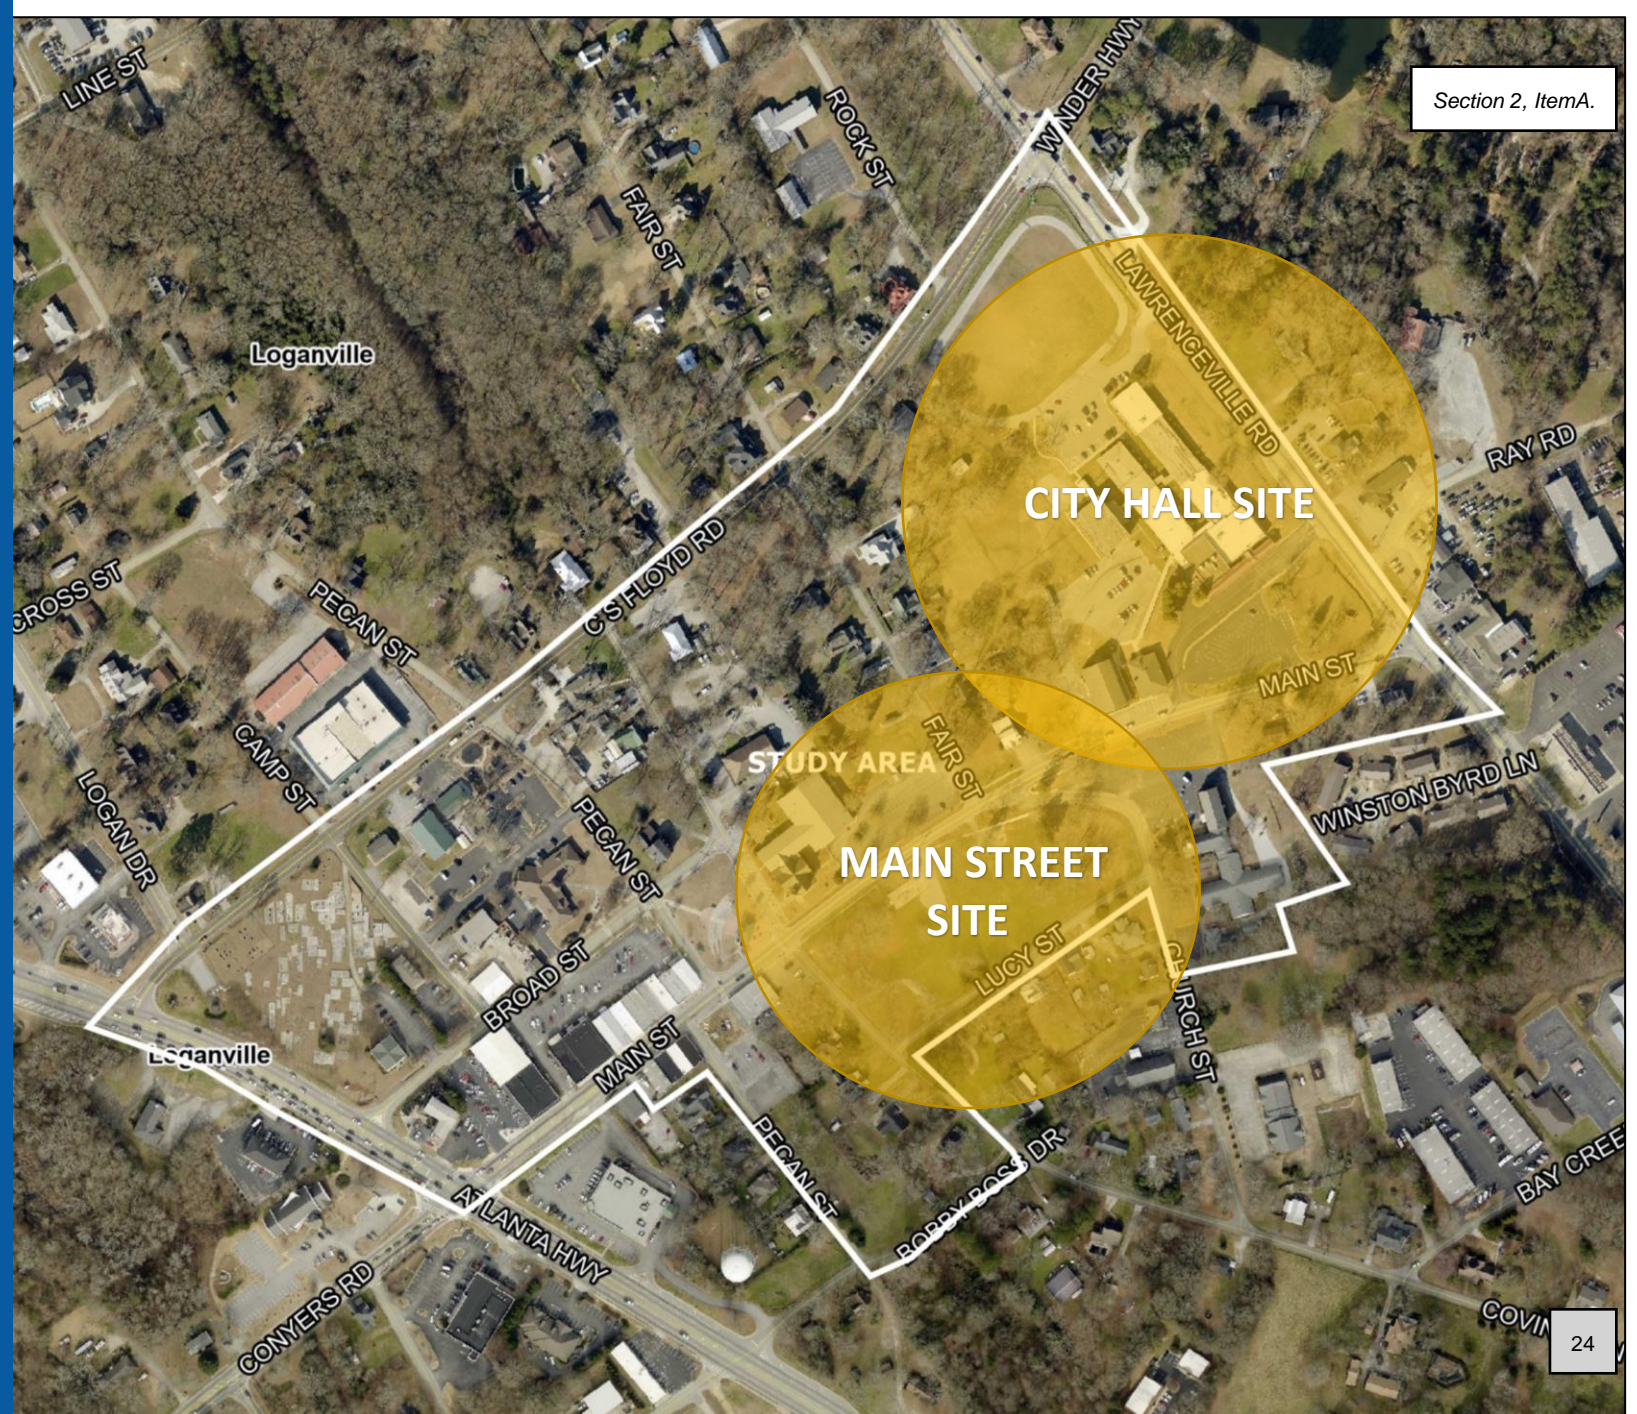

The following program was included in the City Council's responses to the questionnaire:

- Restaurants
 - Retail
 - Greenspace for our Town Green
 - Increased parking
 - Relocation of the library
 - Attractive streetscapes
 - Possible relocation of City Hall
 - Lofts over retail
 - Detached housing
 - Row houses considered if blend into small town feel
 - *No stand-alone apartment complexes
- Explore:
- Min/max housing needed to support restaurants/retail?
 - Where to start (which city owned land)?
 - What can infrastructure support?
 - How to attract businesses we want?
 - Best location for Library?
 - Town green redesign – bigger, location?
 - Increased parking – future deck?
 - Form-based code vs. Overlay District?

WORKSHOP SUMMARY

Sites

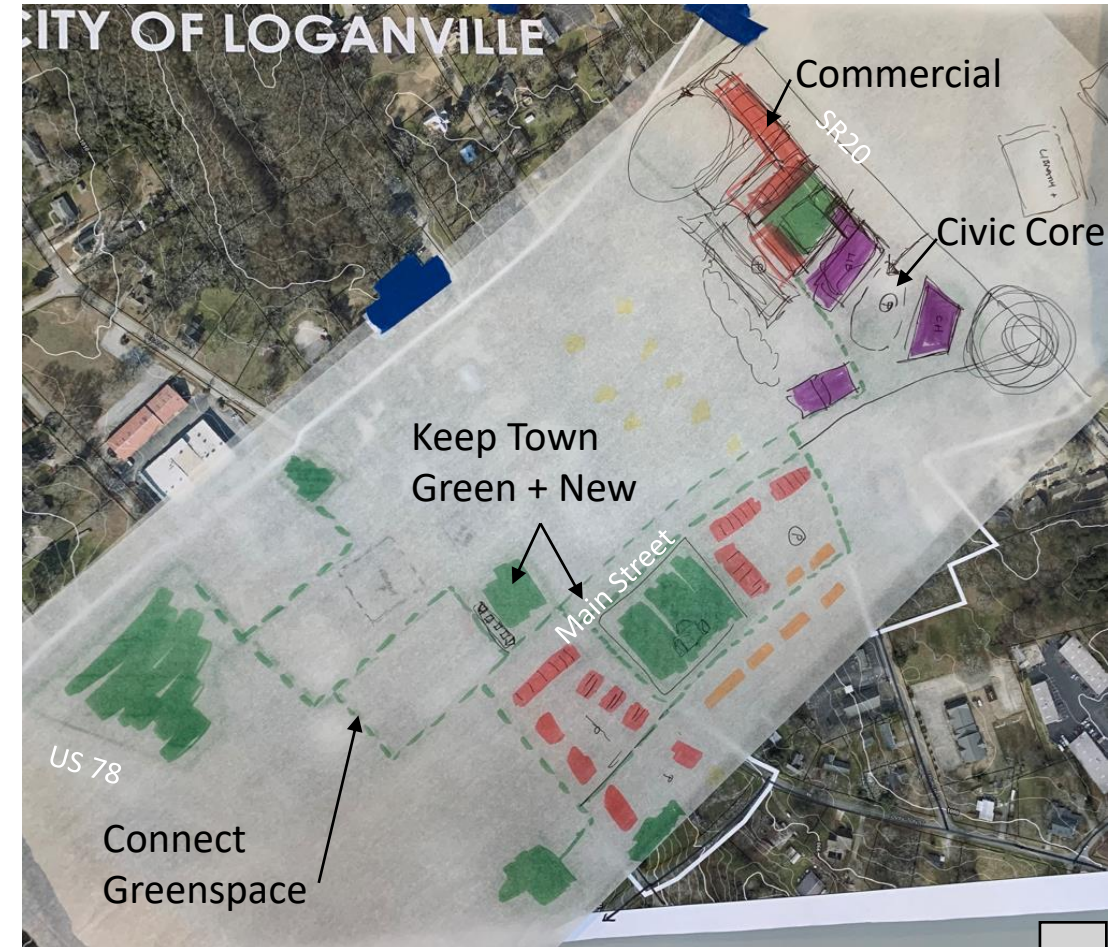

PRO AND CONS – SESSION 1

Pros

- Town Green:
 - Sheltered main town green from busy roads
 - North south oriented main street buildings capture sun
 - Amphitheater away from traffic on central green
- Library
 - Not in downtown as it doesn't draw nighttime activity
- Activating cemetery with historic/ghost tours

Cons

- Library
 - Not spurring investment
 - Parking lot on front
 - Not welcoming to kids on major corridor

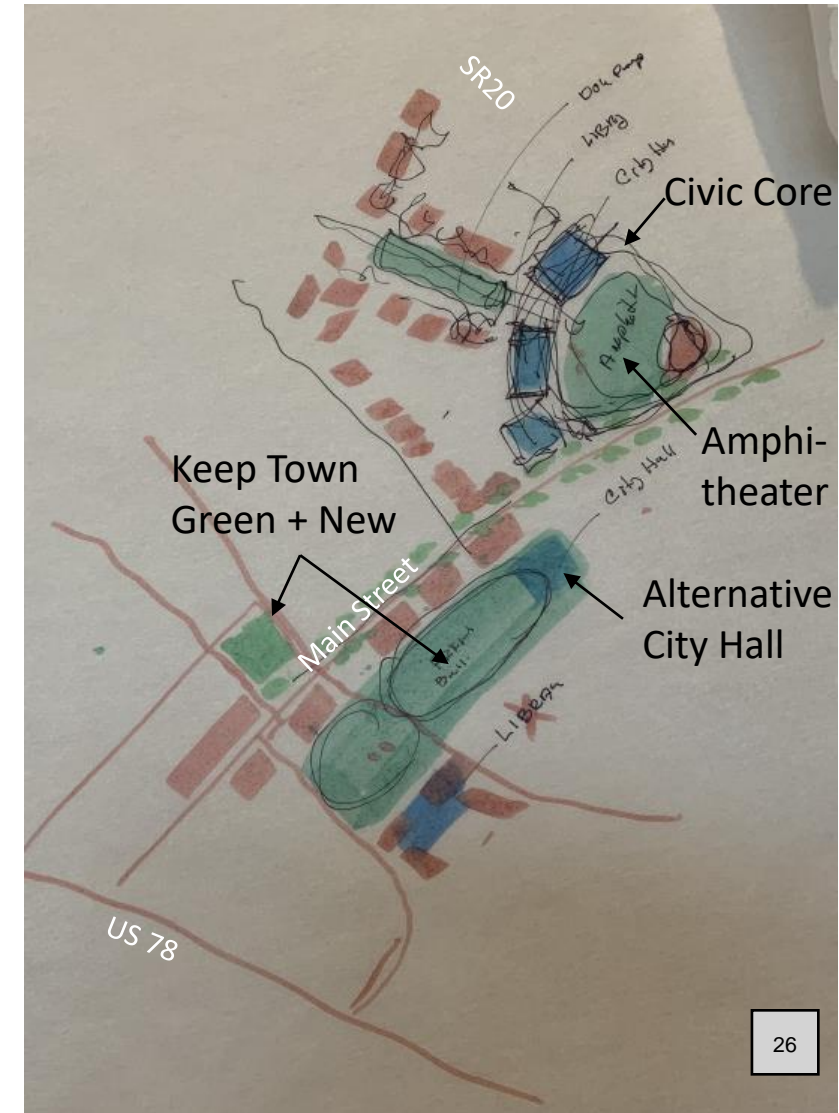

PRO AND CONS – SESSION 1

Pros

- Similar concepts to scheme 1 with civic location vs. commercial main street
- Recreation (pickleball) could be on city hall site – consider inclusion in design

Cons

- Town Green on Hwy 20 – too much noise and not safe

MAIN STREET SITE

Pros:

- Larger greenspace (Marietta Green)
- Infill commercial connects historic Main Street to civic core at SR20
- Greenspaces connected
- Surface parking

Cons:

- Library in downtown
- Consider flipping green to better connect to SR20

CITY HALL SITE

Pros:

- Option with city hall/library at this site

Cons:

- Gateway on Hwy 20 is private – consider retaining a portion of gateway signage
- City Hall/Library combo requires higher parking counts on one site
- Parking lot on SR20
- Senior housing too dense

REFINED PLANS

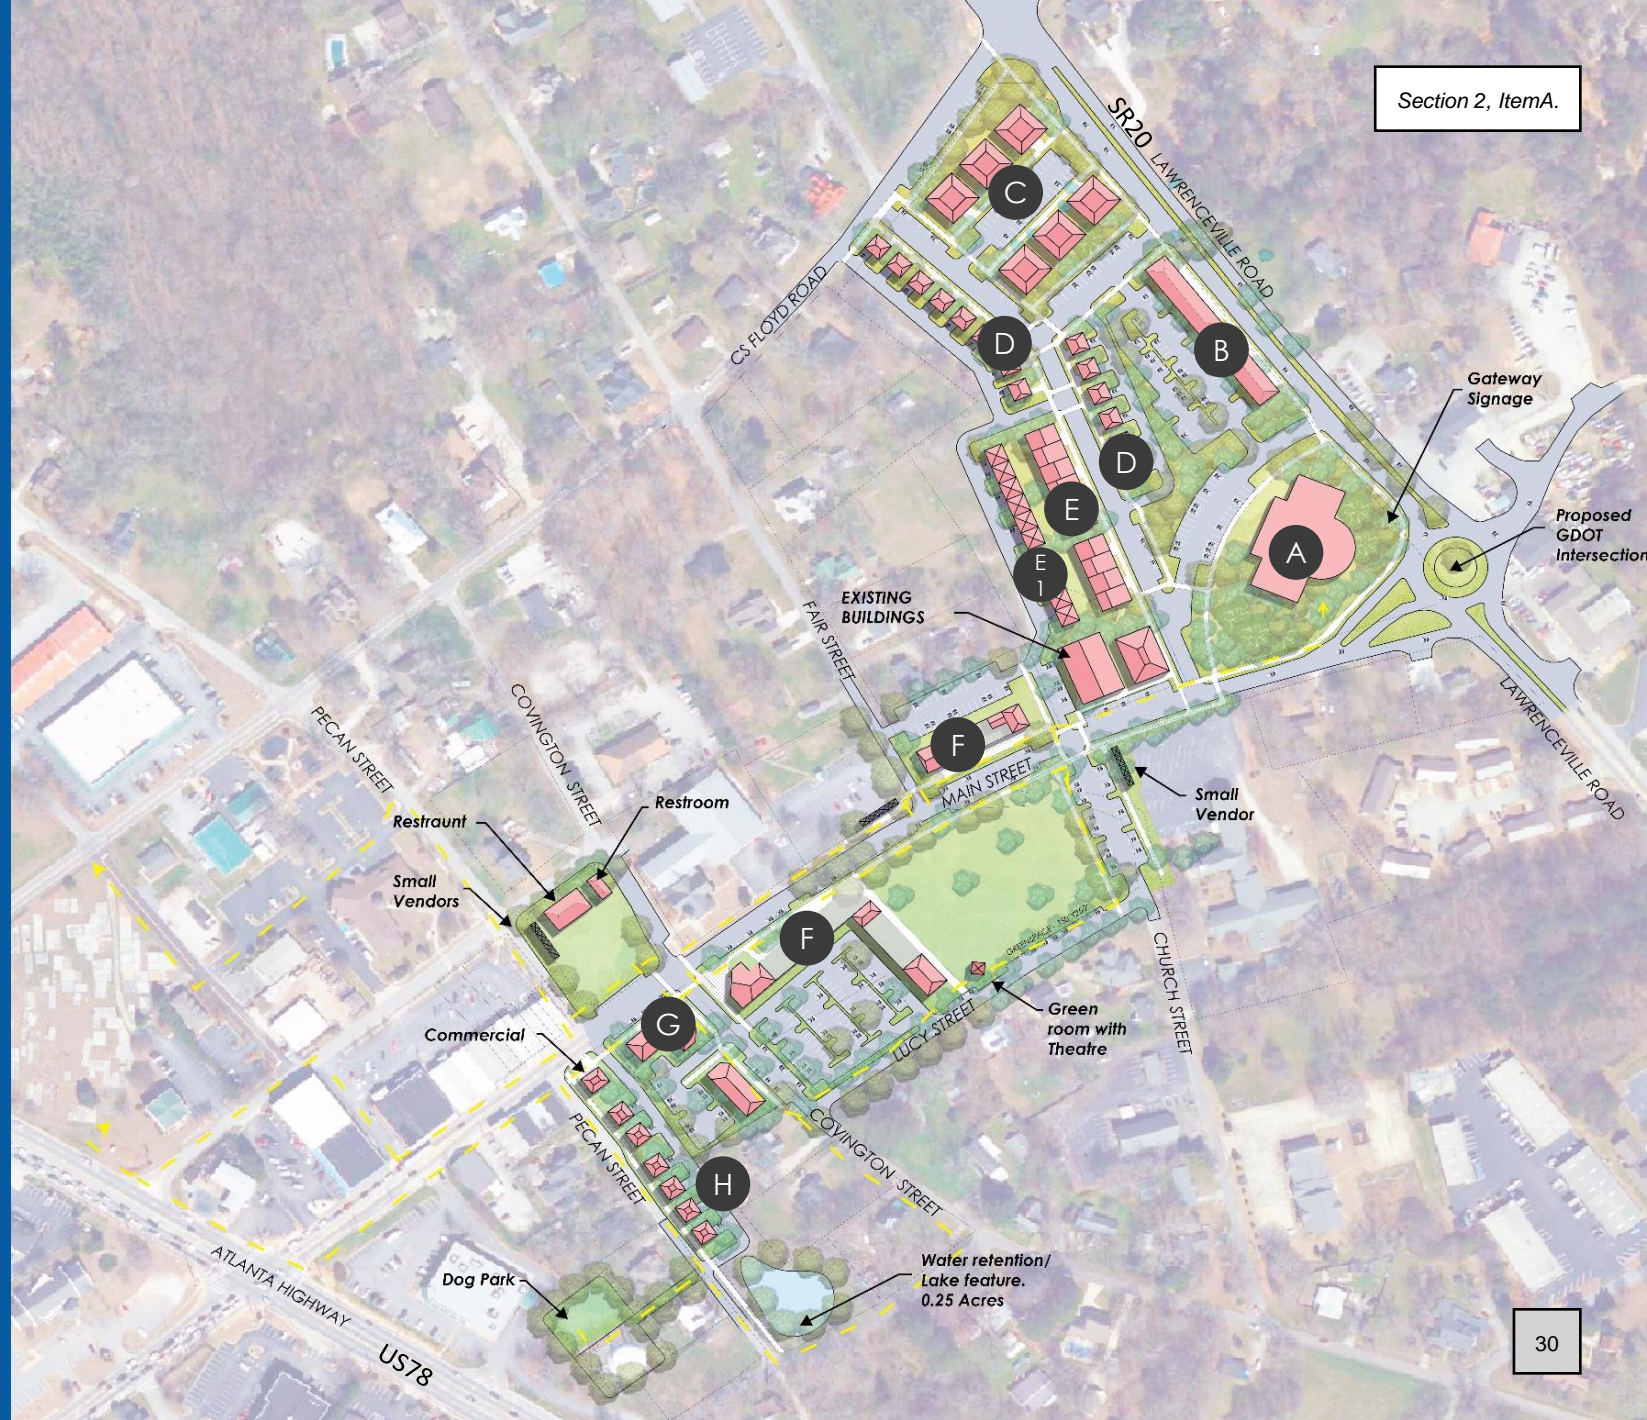

OVERALL SITE PLAN

- Civic complex as gateway
- Greenspace sheltered from SR20
- Greenspace and infill commercial connects SR20 to US78
- Roof top restaurants
- No high density
- Restrooms on greens
- Dog park

NEXT STEPS/IMPLEMENTATION

Implementation

- Continue to pursue reroute of state route
- Specifications for townhomes – parking and density
- Detailed Downtown Master Plan(s)
 - Start with the town green and private development on the 3+ acre site
 - Assess value of existing city hall site and how to fund new library and/or city hall
 - Quantify infrastructure needs for proposed development
 - Programming space needs for park, library, city hall
 - Streetscape plans – especially around the central park
 - Programming of historic greenspaces – cemeteries
 - Arts/history programming
 - Pathway connectivity of parks
- RFP for development partners

Thank you.
