SENIOR COMMISSION AGENDA REPORT

Meeting Date: May 1, 2023

Subject: Senior Commission Reorganization

Prepared by: Jaime Chew, Recreation Manager

Initiated by: City Staff

Staff Recommendation

Submit nominations and appoint a Chair and Vice Chair for 2023-24 term year

Summary/Project Description:

Commission Reorganization

Background

The election of a Commission Chair and Vice Chair are governed by the Commission and Committee Handbook:

To facilitate meetings and the work of the Commission, Each Commission appoints a Chair and Vice Chair from the members of the Commission. The positions of Chair and Vice Chair rotate annually. Election of Chair and Vice Chair occurs at the first meeting in April.

The role of the Chair is to preside at the Commission meetings and to run a timely and orderly meeting. The Vice Chair is to preside in the absence of the Chair. If both the Chair and Vice Chair are absent, the Commission may elect a Chair Pro Tem to conduct the meeting. It is incumbent upon the Chair to limit discussion and recommendations to those items on the agenda.

Any member of the Commission may serve as Chair and Vice Chair. The current Chair will ask for nominations for one position at a time. Any member may nominate a Commissioner to serve. Nominations do not require a second. Once nominations for the position are closed, the Commission will vote. If a majority of members approve, that member will serve as Chair or Vice Chair for the year.

Upon the conclusion of the election for Chair and Vice Chair, the person elected Chair will take over presiding over the meeting.

Discussion/Analysis

The Commission will need to submit nominations and appoint a Chair and Vice Chair for the 2023-24 term year.

Cheat sheet for Chair (and Vice Chair)

(and anyone who may have to run a meeting)

The role of the Chair of a Commission is to preside at meetings and to help move the work of the Commission forward. The Chair (and Vice Chair) does not have any extra authority or power beyond that of his/her fellow Commissioners.

As Chair, you are responsible for conducting meetings of the Commission. It is important to limit discussion to those items on the agenda. For each agenda item, it is suggested that you follow this procedure:

1. Announce what the item being considered is
2. Ask if there is a report for the item – generally, this is provided by the staff liaison but occasionally may be provided by another Commissioner
3. Ask Commissioners if there are any clarifying questions
4. Take public comment – instructions for how to take public comment are included in the “Meeting Procedures” section of the Commission Handbook
5. Facilitate discussion among the Commission – it is important that each Commissioner is given equal chance to speak and express his/her opinion
6. After discussion of the item, ensure that a conclusion is reached – this can be in the form of a motion, direction provided to staff or a subcommittee, or to take no further action.

Applications

On occasion, a Commission may receive an application from a resident or community group which the Commission is to consider. In these instances, applicants are given a total of ten minutes to present their position/input prior to hearing other public comments. This is done after the staff has presented its report. After the applicant(s) has presented, public comment is taken from the audience. Following public comment, the applicant is given five minutes to provide a rebuttal to any issue raised during public comments.

Announcing votes

The Brown Act requires that all votes be clearly noted, both at the meeting and in the record. It is the Chair’s responsibility to ensure that the vote is noted during the meeting. This is done by announcing how each member voted on a particular issue. If the voting is unanimous, it is sufficient to state “passes unanimously.” The staff liaison will ensure that the minutes accurately reflect how each member voted on each issue.

Recess

It is customary to have a short recess two hours after the beginning of a meeting. The established hour after which no new items will be started is four hours after the beginning of the meeting. Remaining items, however, may be considered by consensus of the Commission/Committee.

SENIOR COMMISSION AGENDA REPORT

Meeting Date: May 1, 2023

Subject: Age Friendly

Prepared by: Jaime Chew, Recreation Manager

Initiated by: City Staff

Staff Recommendation

The staff recommends to receive the report

Summary/Project Description:

Age Friendly Recertification Project

Fiscal Impact:

The Age Friendly recertification project will cost \$30K.

- Breakdown of funds to be used:
 - o \$30K General Fund
- Amount approved at mid-year by City Council on February 14, 2023

Background

At its regular meeting on June 28, 2011, the Senior Commission proposed that City Council consider applying, on behalf of Los Altos, to join the World Health Organization (WHO) Network of Age-Friendly Cities. City Council supported the efforts and directed the Senior Commission to draft the application for Council's review. Staff was directed to provide an estimate regarding the number of anticipated staff hours required during years 1 and 2 of the planning phase.

On September 27, 2011, City Council approved the Los Altos application to the WHO Network of Age-friendly Cities with an amendment that included the removal of the proposed Senior Commission recommendations from the application to allow the process to be more aspirational in nature.

On June 7, 2021, Anabel Pelham, PhD and Founding Director for the Center for Age-Friendly Excellence (CAFÉ), gave a presentation to the Senior Commission on Age-Friendly Community Sustainability Principles from Grantmakers in Aging. CAFÉ was created to capture all the knowledge, capacity, experience, expertise, and process to become an Age-Friendly City and is currently working with 21 cities. Dr. Pelham has works closely with the California AARP who assists with the process to create a 5-year Age-Friendly Action Plan, as required by the program. On December 6, 2021, the Senior Commission approved the recommendation to pursue Dr. Pelham and CAFÉ to assist the City of Los Altos to update its Age Friendly status and create an Action Plan for the WHO.

Subject: Age Friendly

On February 14, 2023, the Los Altos City Council approved the mid-year budget request of \$30K to fund the Age Friendly Recertification Project.

City staff met with CAFÉ on March 23, 2023, to discuss next steps. Dr. Pelham has recommended that the City of Los Altos conduct the AARP survey first to gain statistical data. This will provide metrics to compliment and compare the information to be gathered in the focus groups. City staff has already initiated outreach to AARP to start the process.

Discussion/Analysis

The Recertification Subcommittee met with Dr. Pelham on April 18, 2023, to learn about the recertification process and evaluate next steps. The subcommittee will provide a summary of the shared information for the Commission to review and take action as appropriate.

Interview Guide

“In your experience, what are the greatest unmet needs in your community in the following areas?”

- Outdoor spaces and buildings
- Transportation
- Housing
- Social Participation
- Respect and Social Inclusion
- Civic Participation and employment
- Communication and Information
- Community Support & Health Services

“In your view what project or program might meet one or more of the above eight unmet needs in your community?”

Review Data, Prioritize Unmet Needs, Identify Resources and Related Efforts

Summary reports for each focus group cover:

- ✓ Participant Details
- ✓ One section per domain
 - Unmet Needs
 - Strengths
 - Opportunities/ Potential Proposed Solutions

Choose 3 to 5 Inaugural AFC projects

- Potential projects are organized in a spreadsheet with columns for:
 - AFC domain,
 - Details of project,
 - Unmet need it addresses,
 - Short term vs. long term,
 - Projected costs (no-, low-, med-, high-cost)
 - Other notes
- Taskforces often brainstorm 30-100 potential project ideas; CAFE team also adds ideas.
- Projects might:
 - expand or transform an existing policy or program.
 - include advocacy efforts, policies, or programs.
 - be educational in focus.

Prioritization Guidelines

1. Low hanging fruit can build early momentum. Sometimes, simple projects can make a significant impact.
2. AFC initiatives don't just need to focus on the challenges of aging but can provide opportunities that are fun, meaningful and/or enriching.
3. It's ok to focus on one AFC domain or a few domains. Also, some projects may impact multiple domains (e.g., transportation & communication).
4. Choose projects that are feasible.
 - ✓ What agency(s) would be responsible for implementation?
 - ✓ Is there staff capacity?
 - ✓ Consider project costs & identify funding.
5. Consider combining multiple ideas for potential projects into one multi-faceted project.
6. Alternatively, if a need or a project idea seems too big, consider breaking it down into smaller projects, or identifying the first step that can be taken. This is called "constructive doing."

CONNECT a RIDE
CaR Program

- Modeled after similar programs in the Cities of San Mateo and Daly City (Connect-a-Ride Program (CaR)/ Got Wheels)
- Any Pacifica Resident who is 65 years or older who signs up, gains access to rides via Serra Cab Company for only \$5.00 each way.
- The area served is throughout Pacifica and nearby transit and health center locations in neighboring communities.
- Funded by private donor (\$3M bequest).

Pacifica: Housing

Modeled after a similar program by the Center for Independent Living for Santa Clara County, Pacifica collaborated with local housing advocates and the non-profit Pacifica Resource Center, to offer a **“Strategies for Applying and Searching for Affordable Senior Housing”** workshop.

They offer this workshop 4 times per year. This program is a response to the needs expressed by many older Pacificans who said that rents are too expensive in Pacifica and that they or people they knew did not have secure, affordable housing.

Process Overview

AARP age-friendly network requires applicants to commit to 5-year process of improvement, including:

- ✓ conducting a community needs assessment
- ✓ developing an action and evaluation plan
- ✓ implementing and assessing the plan's impact
- ✓ *and* includes the voice of older residents in all stages of planning and implementation

Benefits of Enrolling

Membership in the network:

- ✓ Serves as an organizing structure for making community improvements
- ✓ Fosters partnerships among community groups and local stakeholders
- ✓ Enables changes that benefit people of all ages
- ✓ Provides resources for identifying and assessing community needs

Membership provides communities with:

- ✓ Access to technical assistance and expert-led webinars
- ✓ Access to a national network of over 700 communities enrolled in the network
- ✓ Support and best practice materials from AARP
- ✓ Help for local leaders to identify and understand community needs

700+ Communities — and Counting!

Nine states, one territory, and hundreds of towns, cities and counties are enrolled in the AARP Network of Age-Friendly States and Communities. Local leaders who have joined the network are working to make their communities great places for people of all ages.

Action Plans for Age Friendly Cities

Action Plans (per AARP/WHO)

The Format

The action plan is an actual document, presented with the following elements:

1. Cover page
2. Executivesummaryorletterfromthestateorcommunity'stopelectedofficial
3. The table of contents
4. A community profile
5. An introduction to the plan
6. An explanation of how the plan was developed
7. Information about who was involved in the development of the plan
8. Information about who will manage the implementation of the plan
9. Other information that is important to the plan
10. The action plan
11. Appendices and supporting documentation

The Content

While there is flexibility in how a plan is created and what it will do, every action plan should include the following:

- 1) A statement of what must be achieved (aka: the goals or output)
- 2) Activities that have to be followed to reach the objective or goal
- 3) The target date for completion and/or a schedule for when each activity
- 4) Identification of the group or individual responsible for each activity
- 5) Clarification of the inputs or resources for completing the task
- 6) Identification of the indicators that will allow for measuring progress toward the goals

AARP research bullet points:

- The Los Altos Senior Commission is conducting a study of older adults* in our community.
- Our goal is to understand better the current needs of older adults and to find ways to maintain a vital community and a great place to live.
- The survey will take about 20-30 minutes to complete. Results will contain no personally identifiable information and be kept completely confidential.
- The City of Los Altos will use the results to improve and/or develop new resources to become recertified as an Age-Friendly City.
- We were the first city in California so designated by the World Health Organization in 2013. Today all 15 cities in Santa Clara County are certified as Age-Friendly.
- Persons 65 yo and older are eligible for this study.

Locations to invite older adult participation:

- CSA Community Services Agency
- Hope's Corner
- City Councilmembers and City Staff, City leaders
- Senior Center
- Library
- Los Altos/Mtn. View Foundation
- Housing Leaders "housing element" eg Gary Heddon
- Faith Based Organizations: church, temple, mosque, etc
- Local Community Organizations (Rotary, Lions, Kiwanis)
- Neighborhood Networks
- Non-profit Organizations
- Local Businesses / Chamber of Commerce/ businesses serving older adults *Silicon Valley Senior Roundtable WESLEY CHANG*
- Medical Equipment Providers
- Philanthropy/ Foundations
- First Responders (Police/ Fire/ EMT)
- Adult Day Center, PACE programs
- PTA for "sandwich generation" to inform older adults
- Retirement communities
- Academic Institutions with Senior studies programs
- Community Residents
- Farmers' markets
- Pickleball organizations

Suggestions by CAFÉ:

- Include more entities sponsoring the survey (Senior Commission, City), and list that survey is provided by AARP.
- Respondents need to be clear on the survey and must fill out every item (i.e. do not skip).

- Perhaps include that the AARP survey is a continuation of the AFC initiative and will inform an Action Plan for a road map.
- Best results for the survey are achieved when pushed out over time.
- Possibly consider those that are less able with a laptop at various locations (library, senior center, faith communities).
