Open Government Policy

A Policy of the City of Los Altos Regarding Openness in City Government ^[1]

Section 1: The Brown Act

All meetings of city policy bodies (City Council, Commissions, and Committees) shall be open and public, and governed by the provisions of the Ralph M. Brown Act (Government Code Sections 54950 et. seq.). The Brown Act serves as a floor, not a ceiling, for transparency and openness. Policies are provided here that go beyond the minimum requirements of law to instill public confidence and increase transparency.

The City will maintain an “Open Government” page on the City website. This policy will be available on that site as well as a brief summary of the Brown Act.

Section 2: Posting of Agendas

At least eight (8) calendar days before a regular City Council meeting, a final agenda and accompanying materials shall be posted on the City’s website. The agenda will be provided to the media. This final agenda shall contain a meaningful description of each item of business to be transacted or discussed at the meeting and all related items, including staff reports, proposals and contracts that will be considered for action. Agendas shall specify for each item of business the proposed action or a statement the item is for discussion only. The agenda shall also be made available for public inspection and copying at both public libraries and City Hall during normal business hours.

Agendas for Special Meetings, including Study Sessions and Closed Sessions, shall be posted in accordance with the Brown Act.

Section 3: Public Noticing **Recent Updates**

Notices for single-family residential design reviews shall be provided in accordance with Los Altos Municipal Code Section 14.76. In addition, notices posted on the project site shall be no smaller than 11” x 17” and shall include a graphic representing the proposed project as well as allowed construction hours.

Notices for multiple-family, public and community facilities, office and administrative, commercial and mixed-use design reviews shall be provided in accordance with Los Altos Municipal Code Section 14.78 and shall be sent to all properties within 1,000 feet of the proposed development and sent to the media 14 days in advance of the meeting. Notices shall be mailed for Pre-application study session design review (14.78.040), if held, as well as the first public hearing of the Planning Commission and the first public hearing of the City Council (14.78.030). In addition, notices posted on the project site shall be no smaller than 4’ x 6’ and shall include a graphic representing the proposed project as well as allowed construction hours. Multiple-story multiple-family, commercial and mixed-use projects, and public facilities shall erect story poles which reflect the outline of the proposed building on the site. Story poles complying with the City's specifications must be erected

at least 20 days in advance of the first public hearing for the project. No project shall have a hearing until proper story poles are installed. Story poles shall be removed within 30 days of the first public hearing of the City Council. If the project is withdrawn by the applicant for substantial revision, the poles shall be removed immediately and re-installed 20 days prior to the public hearing on the revised proposal.

The City shall maintain a public records index that identifies the types of information and documents maintained by the City and its departments, agencies, task forces, commissions and elected officers. The index shall be for the use of City officials, staff and the general public, and shall be organized to permit a general understanding of the types of information maintained, by which officials and departments, for which purposes and for what periods of retention. The City Clerk shall be responsible for the preparation and maintenance of this records index. The index shall be continuously maintained on the City's website and the two Los Altos libraries.

Section 6: Public Records Requests

Requests for public records, including a brief description of the request, identification of the requester, the date requested, whether the request was granted, partially granted or denied, and the date the request was fulfilled, shall be posted on the City's website. This list shall be updated at least quarterly.

Section 7: Open Government Standing Committee

The Mayor shall appoint two City Council members to serve on an ad hoc Open Government Committee during the piloting of this Open Government policy. Section 8: Open Government Policy Annual Review

This Open Government Policy will be reviewed by the City Council at the first meeting in May each year. The review may also be called earlier at the request of the Open Government Committee. The review will include discussion about the cost and impact on City staff of implementing this policy, consideration of additional open government and transparency sections to the policy, and a determination as to when it might be appropriate to adopt the policy as a City ordinance.
