Civility: Being "civil" is not a restraint on the First Amendment right to speak out, but it is more than just being polite. Civility is stating your opinions and beliefs, without degrading someone else in the process. Civility requires a person to respect other people's opinions and beliefs even if he or she strongly disagrees. It is finding a common ground for dialogue with others. It is being patient, graceful, and having a strong character. That is why we say "Character Counts" in the Town of Loxahatchee. Civility is practiced at all Town meetings.

Special Needs: In accordance with the provisions of the American with Disabilities Act (ADA), persons in need of a special accommodation to participate in this proceeding shall within three business days prior to any proceeding, contact the Town Clerk's Office, 155 F Road, Loxahatchee Groves, Florida, (561) 793-2418.

Quasi-Judicial Hearings: Some of the matters on the agenda may be "quasi-judicial" in nature. Town Council Members are required to disclose all ex-parte communications regarding these items and are subject to voir dire (a preliminary examination of a witness or a juror by a judge or council) by any affected party regarding those communications. All witnesses testifying will be "sworn" prior to their testimony. However, the public is permitted to comment, without being sworn. An unsworn comment will be given its appropriate weight by the Town Council.

Appeal of Decision: If a person decides to appeal any decision made by the Town Council with respect to any matter considered at this meeting, he or she will need a record of the proceeding, and for that purpose, may need to ensure that a verbatim record of the proceeding is made, which record includes any testimony and evidence upon which the appeal will be based.

Consent Calendar: Those matters included under the Consent Calendar are typically self-explanatory, non-controversial, and are not expected to require review or discussion. All items will be enacted by a single motion. If discussion on an item is desired, any Town Council Member, without a motion, may "pull" or remove the item to be considered separately. If any item is quasi-judicial, it may be removed from the Consent Calendar to be heard separately, by a Town Council Member, or by any member of the public desiring it to be heard, without a motion.

ADJOURNMENT

Comment Cards

Anyone from the public wishing to address the Town Council, it is requested that you complete a Comment Card before speaking. Please fill it out completely with your full name and address so that your comments can be entered correctly in the minutes and given to the Town Clerk. During the agenda item portion of the meeting, you may only address the item on the agenda being discussed at the time of your comment. During public comments, you may address any item you desire. Please remember that there is a three (3) minute time limit on all public comments. Any person who decides to appeal any decision of the Council with respect to any matter considered at this meeting will need a record of the proceedings and for such purpose, may need to ensure that a verbatim record of the proceedings is made which included testimony and evidence upon which the appeal is to be based. Persons with disabilities requiring accommodation in order to participate should contact the Town Clerk's Office (561-793-2418), at least 48 hours in advance to request such accommodation.

Agenda Item # 1

TO: Town Council of Town of Loxahatchee Groves

FROM: Town Attorney's Office

VIA: Francine L. Ramaglia, Town Manager

DATE: May 8, 2023

SUBJECT: Live Local Act, Chapter 2023-17, Laws of Florida

Background:

Chapter 2023-17, Laws of Florida, recently enacted by the Legislature (Live Local Act), becomes effective July 1, 2023. This new legislation includes amendments to Section 166.04151, Florida Statutes, regarding municipal regulation of affordable housing. A major change is the addition of subsection (7) that requires a municipality to authorize multifamily and mixed-use residential projects in areas zoned for commercial, industrial, or mixed use, if the project meets certain qualifications. Further, the new subsection also requires that approval of such projects must be made administratively without any further action of the governing body of the municipality, if the project complies with the municipality's LDRs for multifamily developments and is consistent with the comprehensive plan except for provisions establishing density, height, and land use.

Minimum Requirements to Qualify for the new Administrative Review Process:

- Forty percent (40%) of residential units must be income restricted for a period of at least 30 years.
- Affordable is defined in F.S. 420.004, which includes units from very low income (30% or less of area median income) to moderate income levels (120% of area median income).
- For a mixed-use project 65% of the total square footage must be residential.
- Development must be consistent with all other Town requirements for new development except for land use, height, and density, which are preempted by the new statutory established limits.

The Required Land Development Regulations:

The new administrative review process is only available if the project complies with the applicable municipality's land development regulations for multifamily developments and is

155 F Road Loxahatchee Groves, FL 33470

consistent with the municipality's comprehensive plan with the exception of provisions establishing density, height, and land use.

The following is a list of all the requirements where developments must comply regardless of the approval process:

- Parcel/Plot Size
- Plot Dimensions
- Floor Area Ratio (FAR)
- Setbacks
- Plot Coverage
- Overall impermeable surface area
- Landscaping
- Parking

Density & Height Preemption – How it works:

The municipality may not require projects that qualify for administrative review to obtain a zoning or land use change, special exception, conditional use approval, variance, or comprehensive plan amendment to facilitate the proposed projects under the statutorily allowed parameters, which include:

1. For mixed-use residential projects, at least 65% of the total square footage of the project must be used for residential purposes.
2. Density must be allowed at no less than the highest allowed density on any land in the municipality where residential development is allowed.

Analysis: The highest allowed density on any land in the Town, where residential development is allowed, is identified in the Agricultural Residential (AR) district. **In accordance with provision #2, above, density consistent with AR (1 dwelling unit per five acres) would be the maximum density for all projects that meet the criteria under this new legislation.**

3. Height must be allowed at no less than the highest currently allowed height for a commercial or residential development in the municipality within one mile of the proposed project, or three stories, whichever is higher.

155 F Road Loxahatchee Groves, FL 33470

Analysis: The Town allows for commercial development in the Commercial Low (CL) and Commercial Low Office (CLO) zoning districts and residential developments in the AR zoning district. The maximum allowable height in all three of these zoning districts within the Town is 35 ft. **The maximum height would be three stories for all projects that meet the criteria under this new legislation.**

4. Reduced parking requirements must be considered if the project otherwise meeting the criteria under this subsection is located within ½ mile of a major transit stop and the major transit stop is accessible from the project; and

Analysis: The Town does not have any land within its jurisdiction that is located within ½ mile of a major transit stop. **This provision does not apply within the Town.**

5. If the municipality designates less than 20% of the land in its jurisdiction for commercial or industrial purposes, the projects are required to be allowed by the municipality only if they are mixed-use residential.

Analysis: The Town currently designates 3% of the land within its jurisdiction for commercial or industrial purposes. **So long as the commercial and industrial designations remain below 20% of the land within the Town, the Town would only be required to allow mixed-use residential projects that otherwise meet the criteria under this new legislation.**

Recommendation:

Provide staff direction.

Agenda Item # 2

TO: Town Council of Town of Loxahatchee Groves

FROM: Francine L. Ramaglia, Town Manager

DATE: May 15, 2023

SUBJECT: Homework Assignment from May 8, 2023, Comprehensive Plan (EAR) Workshop

Background:

Assignment 1 - Consider a New Category Goal

1. Imaginary Land Use Category: Rural Ag Enterprise

What businesses could go into it?

We aren't into the details of the category and how to enforce, that is handled later.

Objective

Create a land use category that allows ag associated businesses to operate in Town, THAT AREN'T bonafide ag (animals, plants, ag tourism) to be monitored by town services (Fire Marshall, building inspector, code) AND taxed according to PBC tax rolls and NAICS categories.

Policy

Such businesses will be allowed on Road Service Level 2, based on ULDC, zoning districts and parameters of home enterprise. Policy can possibly allow rural ag enterprise on Road Service Level 3 if the activity is wholly contained in home-based business.

Assignment 2

How do we address the businesses masquerading as agriculture?

Example: large landscape company with employees and trucks coming and going on road service level 3 and 4 roads in a residential area.

155 F Road Loxahatchee Groves, FL 33470

I could be very wrong, but I don't see how solving the past will be done by a Land Use category. Maybe a separate council discussion on this topic alone, from 5-6pm on a Tuesday before our meeting or better yet, an off-week. I see this as a long-term Code endeavor. Ponder open to your suggestions at next meeting.

Assignment 3

Review the tools we have for description, relevance, and enforcement of our rural character.

ULDC

Zoning maps

Road classifications

Definition of existing home-based business and rural enterprise

Assignment 4

Review packet of edits from Jim Fleischman. These are what we asked to be added, relocated or deleted from Comp Plan sections 4,5,6,7,9 and 10 as they appear in our binder. He will bring infrastructure (binder section 3) edits next week.

Agenda Item # 3

TO: Town Council of Town of Loxahatchee Groves
FROM: Francine L. Ramaglia, Town Manager
DATE: May 15, 2023
SUBJECT: Town of Loxahatchee Groves Business Tax Receipts Agenda Memo

Background:

The attached map and supporting worksheet listings provide the type and location of businesses identified through the Town's BTR, County's BTR and through Google Maps. Also included is the County's Property Appraiser's Ag Exemption use code. This is a busy map but very telling to show at least some of the actual activity occurring in our town that are not necessarily permitted uses under our current land use and zoning.

The Town has 241 businesses holding BTRs—the County has 184 more BTRs in our Town than we do, and Google maps show another 125 business in Town without BTRs. This does not include all the various rentals and such for the season nor does it include properties Rentals.com type of website listings.

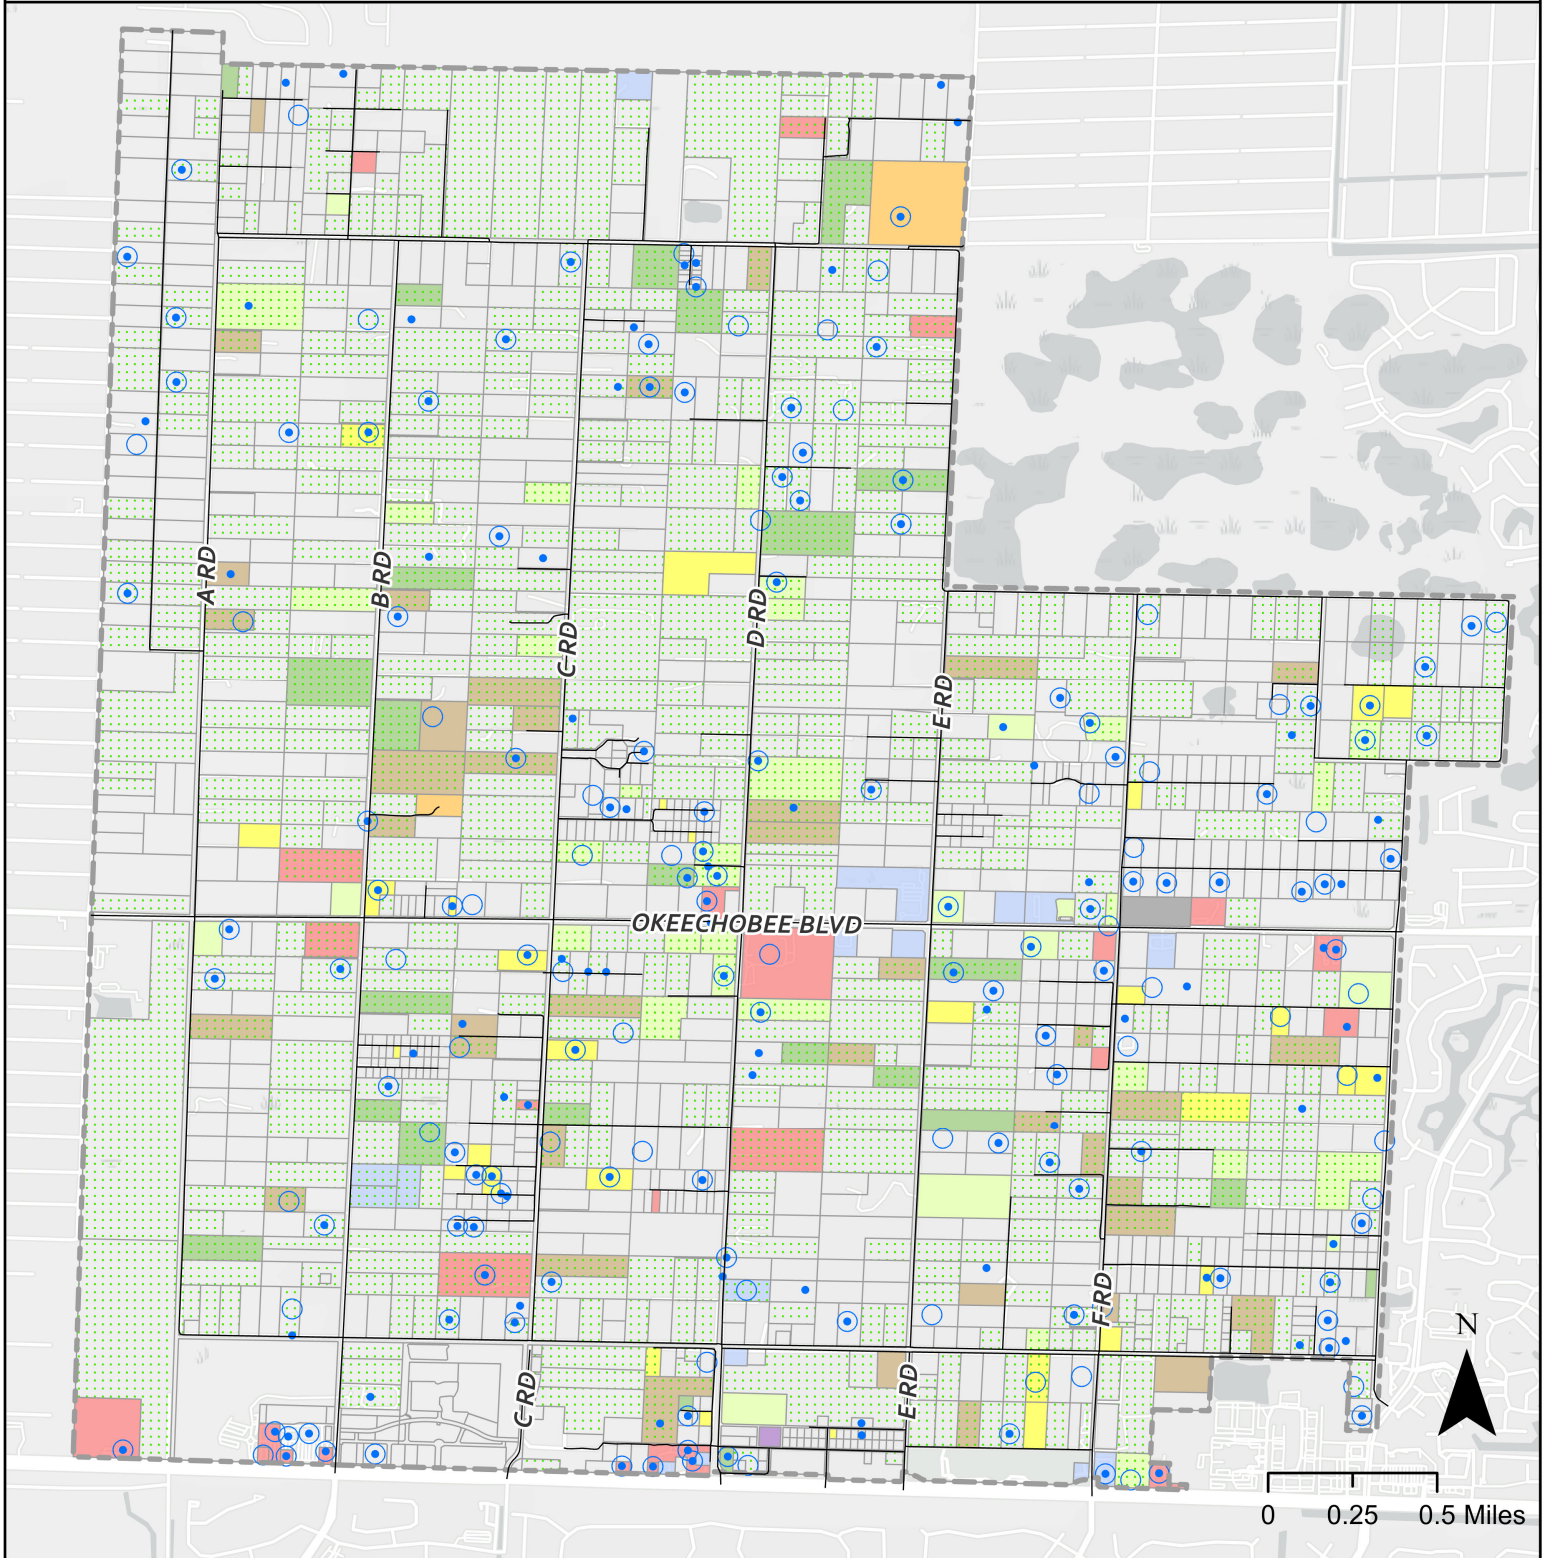

We also tried to use an Airbnb listing, but it did not provide an address listing and the location of the points on the website's map did not correspond to the actual site. This will warrant further research. We will continue to pursue this information and to identify available data sources regarding business activities in our town.

Recommendations:

To discuss and give staff directions.

Agenda Item # 4

TO: Town Council of Town of Loxahatchee Groves
FROM: Francine L. Ramaglia, Town Manager
DATE: May 15, 2023
SUBJECT: Pre-Council Workshop of Comprehensive Plan Elements

Background:

The Town Council has finished its first review of the Comprehensive Plan Elements. The staff has finished incorporating Council changes in several elements. The following elements have been revised for tonight's review by the Council:

- a. Introduction
- b. Conservation
- c. Recreation and Open Space
- d. Housing
- e. Intergovernmental Coordination
- f. Capital Improvements
- g. Property Rights

INTRODUCTION (Underlined text is new language)

Included within the Evaluation and Appraisal Report update of the Loxahatchee Groves Comprehensive Plan, the Town has opted to create a separate Goals, Objectives and Policies document entitled: "2023 Town of Loxahatchee Groves Comprehensive Plan Goals, Objectives and Policies". Previous amendments were incorporated within the Comprehensive Plan by the following Town Ordinances: 2012-04; 2012-05; 2014-06; 2016-03; 2016-08; 2016-09; 2017-01; 2017-02; and 2018-01).

The following 2023 Town of Loxahatchee Groves Comprehensive Plan Goals, Objectives and Policies (GOPs) document consists of goals, objectives and policies for each of the Comprehensive Plan Elements extracted from the 2009 Town of Loxahatchee Groves Comprehensive Plan, as amended (2009 Plan), and updated, where necessary, from the results of the 2023 Town of Loxahatchee Groves Evaluation and Appraisal Report Town Council workshops. GOP updates to the 2009 Plan Elements, included herein, are presented in underline and strikethrough format so that the revisions can be easily tracked. The GOPs are adopted by Ordinance, per Florida Statutes requirements.

GENERAL REQUIREMENTS

Chapter 163.3161-163.3197, Florida Statutes (Community Planning Act) establishes requirements for the format and content of the Comprehensive Plan.

Chapter 163.3164(4), Florida Statutes defines comprehensive plan as "... a plan that meets the requirements of Sections 163.3177 and 163.3178". Section 163.3177 lists required conditions, studies, surveys and elements of the Comprehensive Plan. Further, the following two provisions of Chapter 163, Florida Statutes are emphasized by the State:

1. Loxahatchee Groves is charged with setting levels of service for public facilities in the Comprehensive Plan in accordance with which development must occur and permits will be issued; and
2. Public facilities and services needed to support development in Loxahatchee Groves shall be available concurrent with the impacts of such development.

DATA AND ANALYSIS REQUIREMENTS

All goals, objectives, policies, standards, findings and conclusions within the Town's Comprehensive Plan shall be based upon relevant and appropriate data. The Town is not required to collect original data; however, it is encouraged to utilize any original data necessary to update or refine the Comprehensive Plan data base, as long as methodologies are professionally accepted.

Data used shall be the best available, unless the Town desires original data or special studies. Where data augmentation, updates, special studies or surveys are deemed necessary, appropriate methodologies shall be clearly described or referenced and shall meet professionally accepted standards for such methodologies.

The Comprehensive Plan shall be based on population estimates and projections. Population estimates and projections shall be either those provided by the U.S. Bureau of the Census, the University of Florida Bureau of Economic and Business Research, or those generated by the Palm Beach County Planning Division (Population Model projections), or the Town.

PROCEDURAL REQUIREMENTS

The Town's comprehensive plan shall be adopted and amended pursuant to the procedural requirements of Sections 163.3184 and 163.3187, Florida Statutes.

GOALS OBJECTIVES AND POLICIES

The following sections of this document shall comprise the goals, objectives and policies component of the Loxahatchee Groves Comprehensive Plan:

<u>Element</u>	<u>Chapter</u>
Future Land Use	1
Transportation	2
Infrastructure	3
Conservation	4
Recreation/Open Space	5
Housing	6
Intergovernmental Coordination	7
Capital Improvements	8
Property Rights	9

When the Town begins the adoption or amendment process, it is required by State law that appropriate public hearings be held. Procedures presented in Chapter 163, Part II, Florida Statutes are closely followed and adhered to at that time. As particular issues or matters of an expressed community concern arise, the Local Planning Agency (LPA) may hold additional public meetings or hearings, to address such concerns. Copies of public meeting legal notices are published pursuant to Chapter 166.04 (3) (a), Florida Statutes.

The Town shall review, and revise as necessary, the Five-Year Schedule of Capital Improvements, pursuant to Policy 8.2.1 and Objective 8.6 of the Capital Improvements Element each year.

MAPS SHOWING FUTURE CONDITIONS

Maps showing future conditions and/or illustrating Comprehensive Plan directives, as necessary, are included within each Element.

ADOPTION ORDINANCE

The 2023 Town of Loxahatchee Groves Comprehensive Plan Goals, Objectives and Policies document adoption ordinance is included herein by reference. Copies of the ordinance and legal notices, published pursuant to Chapter 163, Florida Statutes are on file with the Town Clerk.

SUPPORT DOCUMENTATION

Support documentation that forms the basis for the Comprehensive Plan, as well as future amendments and updates shall be included within each successive amendment and/or EAR-based comprehensive plan update.

PLANNING PERIOD

The Town's comprehensive plan must include a planning period for at least a ten-year period. On this basis, the 2023 – 2035 period is utilized in the 2023 Loxahatchee Groves Comprehensive Plan Goals, Objectives and Policies document.

POPULATION PROJECTIONS

The 2020 Census population of Loxahatchee Groves was established at 3,355 residents. Future Town population generated by the Palm Beach County Planning Division Population Model is projected at 4,322 residents by 2035

MONITORING AND EVALUAION

The role of monitoring and evaluation is vital to the effectiveness of any planning program and particularly for the Capital Improvements Element. This is largely because the Town's revenue and expenditure streams are subject to fluctuations every year. In order to maintain the effectiveness and relevance of the Capital Improvements Schedule, the Capital Improvements Element requires a continuous program for monitoring and evaluation.

The annual review will be the responsibility of the Town Council. The Town Manager will serve as principal advisor at all formal deliberations related to capital improvement monitoring and evaluation. The Town Council will direct the Town Manager to take appropriate action based upon its findings.

COMMUNITY CHARACTER GOAL

The community character goal is a vision statement toward which all Comprehensive Plan goals, objectives and policies are directed. Ultimately, the development of plans, enforcement of regulations, and operations of the Town are directed toward this end. The vision for the future of the community is as follows:

"Loxahatchee Groves will protect its natural environment and rural character in the midst of an urbanizing region. The Town will continue to be a rural residential and agricultural community that has great respect for lifestyle choices balanced with historical community needs. This is reflected in a cost effective, minimal government structure that strives to protect the environment and our quality of traditional lifestyles."

The Town shall protect and conserve the natural functions of existing soils, fisheries, lakes and floodplains through the support of local, state and federal regulations designed to protect and conserve these functions.

4.5.2 Policy:
The Town shall support the state and federal laws for the protection of endangered and threatened species and significant plant and animal habitat.

4.5.3 Policy:
Protective landscape buffering shall be required between designated conservation areas and between lands recognized by the county, state or federal government as environmentally sensitive and any land uses that may negatively impact these conservation and sensitive ecosystems.

4.5.4 Policy:
The Town shall adopt open space standards as a part of the requirements for all development and redevelopment. Open space areas shall be designated and treated in such a manner as to maintain the integrity, whether the primary purpose is to serve as natural vegetative or wildlife habitat, or as cultivated landscaped space. No land shall be developed, used or occupied such that the amount of open space on the parcel proposed for development is less than the open space established by Town ordinance.

4.6 Objective

Assure the maintenance and conservation of trees Within the Town, through the continued maintenance of trees within Town properties and through the site plan review process for new development.

4.6.1 Policy:

~~Within one year of adoption of the Comprehensive Plan, the~~ The Town shall adopt landscaping and tree protection standards. These standards shall address the preservation of existing natural growth, the regulation of invasive and exotic plant species, the promotion of native plant materials usage and minimal landscape buffer criteria. These standards shall also contain restoration and mitigation measures to compensate for the loss of native vegetation and shall define stabilization measures for areas impacted by development.

4.6.2 Policy:

The Town shall provide native landscaping in public open spaces and facilities within the Town through grant applications or other funding sources as available

3.37.3 Policy:

The Town shall encourage and educate the public in the planting and maintenance of trees and provide public education on the placement of canopy trees and other landscape materials to strategically provide shade and reduce energy consumption.

4.6.3 Policy:

The Town shall encourage buffering mechanisms to promote and enhance the rural, natural environment.

4.6.4 Policy:

The Town shall examine the feasibility of additional landscaping programs along canals in accordance with the Transportation Master Plan to be developed.

4.6.5 Policy:

With all new development, the Town shall regulate Category I invasive exotic vegetation as defined on the ~~most current list established by the Florida Exotic Pest Plant Council.~~ Maintained by the Town.

4.6.6 Policy:

The Town shall examine the feasibility of tree planting and restoration programs through grant applications or other funding sources as available.

4.7 *Objective*

Wetlands and natural functions of wetlands shall be protected. Future land uses that are incompatible with the protection or conservation of wetlands and wetland functions shall be directed away from wetlands. Where incompatible land uses are allowed to occur, mitigation shall be considered as one means to compensate for loss of wetland functions.

4.7.1 Policy:

Buffering shall be required between wetlands and land uses that may negatively impact the wetland ecosystem.

4.7.2 Policy:

As a condition of development approval when applicable, the Town shall require approval from all applicable external agencies regarding the protection of wetland habitat.

4.7.3 Policy:

The Town shall coordinate and cooperate with the wetland jurisdictional agencies to encourage directing environmental mitigation to benefit the Town when the impacts occur within the Town.

4.8 *Objective*

Conserve, appropriately use and protect the natural minerals and soils, in recognition of the inherent values of these areas.

4.8.1 Policy:

The Town shall adopt standards to prohibit commercial mineral extraction within the Town.

4.8.2 Policy:

The Town shall require all development projects to adhere to the erosion control requirements as specified in the Floodplain Development Application (FDA) and development permit application.

**RECREATION AND OPEN SPACE ELEMENT
GOALS, OBJECTIVES AND POLICIES**

(Underlined text is added)

Goal 5A

To provide safe and adequate open space and recreation facilities accessible to all Loxahatchee Groves residents.

5A.1. Objective

Provide a sufficient supply of park, recreation, and open space facilities to satisfy established level of service (LOS) standards.

5A.1.1. Policy:

The Town shall make available six (6) acres of park, recreation, and open space per one thousand (1,000) population.

5A.1.2. Policy:

The Town shall encourage development of a public equestrian facility at Loxahatchee Groves Park.

5A.1.3. Policy:

The Town shall continue to lobby the County to develop the Loxahatchee Groves County Park according to the intent of the original Master Plan and the Plan as amended in January 1991.

5A.1.4. Policy:

The Town shall explore the possibility of obtaining grants, gifts, contributions, funding assistance, and other financial resources for the purchase of land contiguous to the Park, so that the acreage of the park may be increased to its original size.

5A.2. Objective

Maximize the utility and function of recreation facilities and open space resources. Establish strategies to effectively coordinate the retention of recreation and open space opportunities, as well as the development of future opportunities to meet public demands.

5A.2.1. Policy:

Reserved.

5A.2.2. Policy:

All existing and future parks and recreation facilities shall comply with provisions of the Americans with Disabilities Act.

5A.3. Objective

Establish effective methods of coordinating public and private resources to meet public demands.

5A.3.1. Policy:

Maintain cooperative relationships with agencies, groups, individuals and organizations currently providing leisure programs to the residents.

5A.3.2. Policy:

~~Pursue~~ Support appropriate joint public and private ventures to obtain lands and/or financing necessary to provide recreation areas, including equestrian trails and greenways, facilities and programs.

5A.4. *Objective*

Require the provision of open space in redevelopment and new development.

5A.4.1. Policy:

The provision of open space such as natural areas, vistas, land buffers, or trails, shall be required in residential and non-residential development as per the Unified Land Development Code (ULDC).

5A.4.2. Policy:

The Town emphasizes that open space is needed in order to create vista, to provide shade, and to create and enhance the rural image and flavor of the Town.

Goal 5B

The Town of Loxahatchee Groves will strive to provide a town-wide greenway and equestrian trail system which preserves the town's rural lifestyle.

5B.1. *Objective*

The Town of Loxahatchee Groves shall develop a greenway and equestrian trail system to meet the needs and interests of the residents of Loxahatchee Groves.

5B.1.1. Policy:

The Town shall create a map of existing greenway and equestrian riding trails.

5B.1.2. Policy:

The Town, in addition to recommendations of the Roadways, Equestrian Trails and Greenways (RETAG) Committee, shall identify new connections to existing trails, which if acquired would greatly enhance pedestrian, bicycle, and equestrian circulation throughout the Town.

5B.1.3. Policy:

The Roadways, Equestrian Trails and Greenways Plan shall be updated every five (5) years to insure consistency with current Town policy.

5B.1.4. Policy:

Annually, the RETAG shall assess and recommend to the Town Council whether the greenway and equestrian trail system is sufficient to meet the needs of the residents, and recommend needed improvements.

5B.1.5. Policy:

The greenway and equestrian trails system, wherever feasible, shall provide linkages between residential homes, parks, recreational facilities, open spaces, and commercial facilities throughout the Town.

5B.1.6. Policy:

All vehicular parking for land uses which are adjacent to the greenway and equestrian trail system should provide the parking on a side away from the trail.

5B.1.7. Policy:

The greenway and equestrian trail system shall be consistent with design documents adopted by the Town and based upon RETAG recommendations in coordination with Loxahatchee Groves Water Control District.

5B.1.8. Policy:

The Town shall use landscaping and signs to visually identify street crossings and trail access points. Safe and controlled greenway and equestrian crossings shall be constructed.

5B.1.9. Policy:

The Town shall coordinate the construction of proposed trails with the LGWCD whenever they fall within the LGWCD rights-of-way. Doing so shall ensure that sufficient right-of-way is preserved to construct and maintain the Town's trails.

5B.1.10. Policy:

The Town shall coordinate the provision of greenway and equestrian trail connections among adjoining or abutting properties during the site plan review process.

5B.2. *Objective*

The Town of Loxahatchee Groves' greenway and equestrian trail system shall be financially feasible.

5B.2.1. Policy:

The Town shall determine which trails should be considered for public ownership.

5B.2.2. Policy:

The Town shall explore the possibility of obtaining grants, gifts, contributions, funding assistance, and other financial resources for the development of greenways and equestrian riding trails.

5B.2.3. Policy:

The Town should pursue joint efforts with all affected local jurisdictions, including local governments, special districts, and other public agencies in the acquisition, development and maintenance of greenways and equestrian trails as a means for reducing costs and pooling resources.

5B.3. *Objective*

The Town of Loxahatchee Groves' equestrian trail system shall provide access to abutting county parks, open space, and neighboring municipalities.

5B.3.1. Policy:

The Town shall pursue direct connections and access between the Town's equestrian trails and the Loxahatchee Groves County Park and the Royal Palm Beach Pines Nature Area.

5B.3.2. Policy:

The Town shall pursue direct connections and access between the Town's equestrian trails and the Village of Wellington's equestrian preserves and public trails.

5B.3.3. Policy:

The Town shall coordinate with Loxahatchee Groves Water Control District for development of greenways and equestrian trails..

HOUSING ELEMENT
GOALS, OBJECTIVES AND POLICIES
 (Underlined text is added and ~~struck-through~~ text is deleted)

Goal 6

To provide safe, decent and sanitary housing and living conditions in designated residential neighborhoods consistent with: (1) density levels indicated on the Future Land Use Map; and (2) the current rural residential character of the Town. Further, ensure that the character of new housing development is consistent with that currently in evidence while accommodating the needs of projected population growth.

6.1 Objective

Conserve existing residential neighborhoods and housing stock by adopting minimum housing standards.

6.1.1 Policy:

~~Within one year of the adoption of the Comprehensive Plan, adopt~~ Continue minimum building code and other appropriate land development housing regulations that shall contain the following minimum provisions:

1. A requirement that all new development or redevelopment be served by an adequate individual or central water and wastewater systems and contain heating and cooking facilities.
2. Minimum requirements for light and ventilation, in accord with Florida building codes.
3. Minimum requirements for electrical and plumbing systems.
4. General requirements for the maintenance of the exterior and interior of residential structures.
5. Minimum dwelling space and sanitary requirements.
6. Procedures governing rehabilitation and demolition actions.

6.1.2 Policy:

~~Within one year of the adoption of the Comprehensive Plan, adopt~~ Continue administrative and enforcement procedures necessary to implement minimum housing regulations and which, at a minimum

- a. Designate a Town Housing Building Official; and,

b. Establish administrative procedures to require rehabilitation and/or demolition of housing, if necessary, following a natural disaster or if a dwelling unit is damaged by fire beyond repair.

6.1.3 Policy:

~~During the initial preparation and adoption of land development regulations supporting this Comprehensive Plan, and at~~ At the time of each successive required Evaluation and Appraisal Report, evaluate the need to designate any housing structures as locally historically significant and in need of special consideration under the provisions and criteria cited in the Standard Housing Code.

6.2 *Objective*

Adequate and affordable housing, consistent with the current rural character of the Town, shall be provided for existing residents and anticipated population growth, including modular and existing manufactured homes. ~~housing to accommodate any defined specialized needs of very low, low and moderate income households, elderly households, EH-handicapped or displaced residents, and farmworkers; Also, provisions shall be made for foster care housing and manufactured or mobile homes.~~

6.2.1 Policy

Require housing construction that is compatible with natural resource and service capabilities as defined in the Future Land Use, Transportation, Infrastructure and Conservation elements.

6.2.2 Policy:

Require developers to coordinate with the Town from initial design through completion of construction to assure that the Town's rural character is maintained.

6.2.3 Policy:

Provide for innovative housing alternatives (e.g., single-room occupancy, accessory residential structures, caretaker quarters, groom's quarters, manufactured and mobile homes and congregate living alternatives) oriented to facilitating reduced housing costs for very low, low and moderate income households and special needs populations.

6.2.4 Policy: Reserved

~~Require that standard housing, at affordable cost, is available to persons displaced through any public action prior to their displacement by including such a requirement within the Town's land development regulations~~

6.2.5 Policy:

Allow the placement of existing and replacement manufactured homes in single-family residential districts to remain subject to Town ULDC

~~requirements. and individual mobile homes within single-family residential districts provided that: (1) such homes must comply with all Town building, construction, design and housing codes that apply to all housing types and U.S. Department of Housing and Urban Development manufactured home construction and safety standards; and (2) they shall be subject to any reviews as provided in the Town code of ordinances.~~

~~6.2.6 Policy:~~

~~Encourage development of affordable and workforce housing in residential developments south of Collecting Canal Road, in proximity to employment opportunities and major transportation facilities.~~

~~6.2.7 Policy:~~

~~Encourage congregate living facilities as a permitted use south of Collecting Canal Road in proximity to Palms West Hospital.~~

~~6.2.8 Policy:~~

~~Encourage job creation at locations identified on the Future Land Use Map and permitted by the Town's land development regulations as a means of assisting very-low, low and moderate income residents in finding employment proximate to their homes.~~

~~6.2.9 Policy:~~

~~The Town shall support regional efforts to address low income and workforce housing by working with the Palm Beach Intergovernmental Plan Amendment Review Committee (IPARC) to develop an interlocal Agreement whereby municipalities could jointly pursue a comprehensive approach and solution to this county-wide issue.~~

6.3 Objective Reserved

Provision shall be made for the location of daycare, foster care and group home facilities licensed by the state of Florida in a manner consistent with state law and the character of existing residential neighborhoods

~~6.3.1 Policy:~~

~~The Town shall permit different classes of group home facilities in appropriate residential neighborhoods that foster non-discrimination and encourage the development of community alternatives to institutionalization. Further, no appropriate residential neighborhoods shall be closed to such facilities~~

~~6.3.2 Policy:~~

~~The Town shall monitor the development and distribution of daycare foster care and group homes to ensure that adequate sites and infrastructures are provided, while over-concentration (i.e., to be defined by implementing Policy 6.3.1) in any residential area is avoided.~~

~~6.3.3 Policy:~~

~~"Foster Care Facility" and "Group Home Facility" shall be defined as a residential unit, otherwise meeting the requirements of the Chapter 419, Florida Statutes and the Town Zoning Code, where a family living environment is provided for individuals not related by blood or legally to the householder.~~

~~6.3.4 Policy:~~

~~The total number of residents within a foster care or group home facility, including permanent residents and foster care or group home residents shall not exceed 1.01 persons per room, excluding bathrooms, kitchens utility rooms, and garages.~~

~~6.3.5 Policy:~~

~~The Town shall permit Daycare facilities, for up to five persons, within a single family residence, as required by, Chapter 402, Florida Statutes.~~

6.4 *Objective*

The private sector delivery process shall continue to be relied upon as the means for providing 100% of the housing necessary to accommodate Town residents. The need to formulate alternative housing implementation programs shall be reassessed at the time of each required Evaluation and Appraisal Report (EAR).

6.4.1 Policy:

Due to high land values and low permitted densities, very-low, low and moderate income housing efforts shall be oriented primarily toward: (1) maintaining the existing housing stock in standard condition; (2) continuing to permit individual ~~manufactured housing and mobile~~ modular or factory built homes, and (3) investigating innovative housing alternatives such as single-room occupancy, accessory dwelling units, ~~and congregate living.~~

6.4.2 Policy:

Provide information and technical assistance to the private sector to maintain a housing production capacity sufficient to meet projected needs. ~~Further, expedite development reviews for those applications that include very low, low or moderate income housing.~~

6.4.3 Policy:

A determination shall be made by the Town at the time of each required EAR-based Comprehensive Plan update as to whether or not the private sector delivery process is adequately functioning, in terms of implementing Objective 6.4. If it is determined that the private sector is not properly functioning, in terms of this criterion, alternative mechanisms, including government and non-profit sector participation shall be considered, including the use of available Federal, State and local assistance programs.

6.4.4 Policy: Reserved

~~Within 12 months of the availability of data from 2010 Census and the Florida Housing Data Clearinghouse, prepare an Affordable Housing Assessment to determine whether or not the Town needs to implement additional housing programs to meet projected housing needs.~~

At the time of the initial EAR, prepare an Affordable Housing Assessment using the most recent data provided by the Florida Housing Data Clearinghouse to determine, whether or not the Town needs to implement additional housing programs to meet projected housing needs.

6.4.5 Policy:

Provide information and technical assistance to the private sector for the implementation of green building standards in new construction and home renovations.

6.5 *Objective*

The Town shall support energy efficiency and the use of renewable energy resources in existing housing and in the design and construction of new housing.

6.5.1 Policy:

The Town shall encourage support for residential construction that meets the United States Green Building Council (USGBC) Leadership in Energy and Environmental Design (LEED) rating system, the Green Building Initiative's Green Globes rating system, the Florida Green Building Coalition standards, or another nationally recognized, high-performance green building rating system as recognized by the Florida Department of Management Services.

6.5.2 Policy:

The Town shall educate residents on home energy reduction strategies.

6.5.3 Policy:

The Town shall not prohibit the appropriate placement of photovoltaic panels.

6.5.4 Policy:

The Town shall provide educational materials on the strategic placement of landscape materials to reduce energy consumption.

**CAPITAL IMPROVEMENTS ELEMENT
GOALS, OBJECTIVES, AND POLICIES**

(Underlined text is added and ~~struck through~~ text is deleted)

Goal 8 (Revised numbering from initial comprehensive Plan)

The Town shall ensure adequate and timely public facilities and infrastructure capacity to accommodate existing and future residents and businesses maximizing the use and value of existing facilities, and effectively managing future growth consistent with the level-of-service standards established in the Comprehensive Plan.

8.1 Objective

Maximize fiscal resources available to the Town for public facility improvements necessary to accommodate existing development, redevelopment, and planned future growth, and to replace obsolete or deteriorated facilities.

8.1.1 Policy:

Ensure capital revenues and/or secured developer commitments are in place to maintain all public facilities at acceptable level of service standards prior to the issuance of new development orders.

The Town shall follow the following timing requirements to ensure that adequate public facilities are available to meet level of service standards with the impact of development.

- (a) Sanitary sewer, solid waste, drainage, adequate water supplies, and potable water facilities shall be in place and available to serve new development no later than the issuance by the local government of a certificate of occupancy or its functional equivalent. Prior to approval of a building permit or its functional equivalent, the Town shall determine whether adequate water supplies to serve the new development will be available no later than the anticipated date of issuance by the Town of a certificate of occupancy or its functional equivalent.
- (b) Parks and recreation facilities to serve new development shall be in place or under actual construction no later than 1 year after issuance by the local government of a certificate of occupancy or its functional equivalent. However, the acreage for such facilities shall be dedicated or be acquired by the Town prior to issuance of a certificate of occupancy or its functional equivalent, or funds in the amount of the developer's fair share shall be committed no later than the local government's approval to commence construction.
- (c) Transportation facilities needed to serve new development shall be in place or under actual construction within 3 years after the Town approves a building permit that results in traffic generation.

- 8.1.2 Policy:
Utilize a variety of funding sources to implement capital improvements, within the limitation of existing law. These methods may include ad valorem taxes, general revenues, enterprise revenues, assessments, tax increment, grants, and private contributions, including dedications and/or funds.
- 8.1.3 Policy:
Ensure that new development bears a proportionate cost for public facility improvements by utilizing a variety of mechanisms ~~to assess and collect impact fees~~, dedications and/or contributions from private development.
- 8.1.4 Policy:
Aggressively seek all realistic grant opportunities to fund projects in the Five-Year Schedule of Capital Improvements.
- 8.1.5 Policy:
Land development regulations established by the Town shall provide for the timely completion and maintenance of the capital improvements required by the Comprehensive Plan.
- 8.1.6 Policy:
Each review of the Capital Improvements Element shall include a review of the assumptions, projections, needs, and consideration for appropriate and timely renewal of existing facilities according to the following criteria:
- 1) Emergency and post-disaster mitigation;
 - 2) ~~Deficiency determination by a Concurrency Management System;~~
 - 3) Public involvement in Capital Improvement Program and Budget;
 - 4) Existing land development and Town plans;
 - 5) Plans of local, county, state agencies including the Town and Loxahatchee Groves Water Control District;
 - 6) Accommodation of new development and redevelopment; and,
 - 7) Financial feasibility.

8.2 Objective

Provide the necessary capital improvements to replace worn-out or obsolete public facilities, correct service deficiencies and accommodate planned future growth, consistent with the adopted level of service standards.

- 8.2.1 Policy:
Prepare and adopt a Five-Year Capital Improvement Program (CIP) as part of the Town's annual budgeting process. Amend the Five-Year Schedule of Capital Improvements on an annual CIP updates basis.
- 8.2.2 Policy:
The annual update of the Five-Year Schedule of Capital Improvements shall reflect proportionate fair-share and other developer contributions.
- 8.2.3 Policy:
The Five-Year Schedule of Capital Improvements shall be financially feasible.

- 8.2.4 Policy:
The Five-Year Schedule of Capital Improvements shall be consistent with objectives and policies of Comprehensive Plan elements.
- 8.2.5 Policy:
Coordinate proportionate fair share mitigation procedures and payments with Palm Beach County, the Florida Department of Transportation, and the Palm Beach County School District.
- 8.2.6 Policy:
Coordinate planning for the Town improvements with the plans of state agencies, the South Florida Water Management District (SFWMD), Palm Beach County, the Loxahatchee Groves Water Control District and adjacent municipalities when applicable.
- 8.2.7 Policy:
All capital improvements in the Five-Year Schedule of Capital Improvements for which the Town is responsible will be included in the Town's Annual Budget and Capital Improvement Fund.
- 8.2.8 Policy
Reserved
- 8.2.9 Policy:
Use the Town's Unified Land Development Code (ULDC) to ensure that all decisions regarding land use planning and the issuance of development orders and permits consider the availability of public facilities and services necessary to support such development at the adopted LOS standards concurrent with the associated impacts
- 8.2.10 Policy:
Coordinate with road, utility and infrastructure service providers within the Town to ensure that necessary capital improvements are implemented to support new construction and redevelopment.
- 8.2.11 Policy:
Repair, rehabilitate, and replace the Town's capital facilities according to generally accepted engineering principles and guidelines and ensure that facilities and services provided by other agencies are held to the same standard.
- 8.2.12 Policy:
Assess new development a proportionate fair-share of the public facility costs necessary to accommodate the impacts of new development at the adopted levels-of-service through the enforcement of existing public facility funding mechanisms, conditions of development approval, and impact fees. Public facilities include potable water, sanitary sewer, solid waste, drainage, parks, including equestrian trails and greenways, schools and roadways.

8.2.13 Policy:

Capital improvements associated with the construction of educational facilities are not addressed in the Town's CIP or Five-Year Schedule of Capital Improvements, but rather are the responsibility of the Palm Beach County School District.

8.2.14 Policy:

The Town, in conjunction with the Palm Beach County School District, has the responsibility for implementing the public school concurrency program within Loxahatchee Groves.

8.2.15 Policy:

For public school facilities, a proportionate share mitigation agreement is subject to approval by Palm Beach County School District and the Town.

~~8.2.16 Policy:~~

~~Reserved~~

~~8.2.17 Policy:~~

~~Reserved~~

~~8.2.18 Policy:~~

~~The public school LOS standard is the school's utilization, expressed as a percentage, which is the result of comparing the number of students with the satisfactory Florida Inventory of School Houses (FISH) capacity at a given location, e.g., an elementary facility with 1,000 students and a FISH capacity of 970, has an LOS of 103%. Also referred to as the utilization of a facility.~~

8.3 *Objective*

Develop and implement a debt management program to assist the Town in providing adequate and timely revenues for scheduled capital improvements.

8.3.1 Policy:

Provided the Town Charter allows such an activity, Loxahatchee Groves may incur debt within generally accepted municipal finance principles and guidelines, and only in relation to the Town's ability to pay for a new capital asset or to significantly extend the life expectancy of a capital asset.

8.3.2 Policy:

Ensure that any increase in operating costs for a new or additional facility is also considered when evaluating the debt to be incurred for a facility.

8.3.3 Policy:

The Town will not provide a public facility, nor accept the provision of a public facility by others, if it is unable to pay for the subsequent annual operation and maintenance costs of the facility.

8.3.4 Policy:

The Town shall adopt standards for debt management prior to incurring any public debt.

8.3.5 Policy:

Debt payment shall not exceed the anticipated useful life of a capital improvement and, in no case, shall exceed thirty years.

8.4 *Objective*

Land use decisions shall be made based upon available or projected fiscal resources in coordination with the Five-Year Schedule of Capital Improvements which maintains adopted level of service standards and meets existing and future facility needs.

8.4.1 Policy:

The Town shall determine whether projects in the Five-Year Schedule of Capital Improvements will allow level of service standard to be maintained with a proposed land use change.

8.4.2 Policy:

The Town shall provide for the availability of public facilities and services needed to support development concurrent with the impacts of such development.

8.4.3 Policy:

In order to coordinate land uses with available and projected fiscal resources, the Town shall include in its annual update of the Five-Year Schedule of Capital Improvements, any appropriate projects listed in the first five (5) years of the ten (10) year Water Supply Facility Work Plan (WSFWP).

8.5 *Objective*

The Town shall include all projects identified in the policies of the various elements of this Comprehensive Plan that are the responsibility of Loxahatchee Groves and determined to be of relatively large scale and high cost as capital improvements projects for inclusion within the Five-Year Schedule of Capital Improvements.

8.5.1 Policy:

Capital improvements shall be provided to: (1) correct existing deficiencies and extend the life expectancy; (2) manage growth, as defined in the Future Land Use Element and the Town's Charter; and/or (3) replace worn-out or obsolete facilities, as indicated in the Five-Year Schedule of Capital Improvements of this element.

8.5.2 Policy:

The Town defines a capital improvements project or program as a major, not often-recurring, expenditure that costs or commits at least \$25,000, which has an expected life of at least five (5) years, and which falls into one of the following categories:

- a. Acquisition or lease of land or interests in land for public purposes.
- b. Accommodation of Town growth and improvement of infrastructure services delivery by means of the purchase, lease, construction, rehabilitation, or replacement of:
 1. A public building or physical facility;

2. Public infrastructure such as roads, drainage canals, parks, trails, or similar projects; and,
3. Equipment supporting the maintenance of infrastructure.

c. Projects designed to bring the community into immediate compliance with state or federal law or court order. Such projects are not subject to the above cost or life expectancy limits.

A capital improvements project or program is further defined to include any planning, engineering, feasibility or appraisal studies related thereto if the total cost is at least \$10,000. This shall include any studies oriented to defining the initial need for land and/or facilities.

8.5.3 Policy:

Normal maintenance activities are not included in the Five-Year Schedule of Capital Improvements.

8.5.4 Policy:

The Town shall, as a matter of priority, schedule for funding any capital improvement projects in the Five-Year Schedule of Capital Improvements which are designed to correct existing public facility deficiencies.

8.5.5 Policy:

Proposed capital improvements projects shall be evaluated and ranked in order of priority according to the following guidelines:

- a. Whether the proposed project is financially feasible, in terms of its impact upon Town budget potential;
- b. Whether the project is needed to protect public health and safety, to fulfill the Town's legal commitment to provide facilities and services, or to preserve, achieve full use of, or increase the efficiency of existing facilities;
- c. Whether the project prevents or reduces future improvement costs or provides service to areas currently lacking such service;
- d. Whether the project represents a logical extension of facilities and services within the Town; and
- e. Whether or not the proposed project is consistent with plans of State agencies, Palm Beach County agencies and the Loxahatchee Groves Water Control District.

8.6 *Objective*

The Five-Year Schedule of Capital Improvements shall be reviewed by the FAAC on an annual basis as part of the Town budget process. Any revisions and/or amendments to the Five-Year Schedule of Capital Improvements shall be made by the Town Council at that time. Annual updates to ~~Tables 9-1 to 9-3~~ the Five Year Schedule of Capital Improvements shall be made by Town Council Ordinance and not subject to the comprehensive plan amendment process.

8.6.1 Policy:

The annual update process shall include a review to determine that proposed Five-Year Schedule of Capital Improvements revisions are internally consistent with the Goals, Objectives and Policies of the Comprehensive Plan.

8.6.2 Policy:

All items to address an imminent danger or threat to the public health or safety shall be submitted to the Town Council for decision and appropriate action through the Town Manager. If the obligation duration exceeds one budget year, the item shall be included in the Five-Year Schedule of Capital Improvements.

~~8.7 Objective~~

~~The Five-Year Schedule of Capital Improvements consists of Tables 8-1 to 8-3.~~

PROPERTY RIGHTS ELEMENT
GOALS, OBJECTIVES, AND POLICIES
(Underlined text is new language)

Property Rights

The Property Rights Element is required to be included in the comprehensive plan per requirements of state planning law and rule criteria. Specifically, Chapter 163.3177(6) (i) 1, Florida Statutes, establishes the Property Rights Element requirement.

Chapter 163.3177(6)2, Florida Statutes establishes that each local government must adopt a property rights element in its Comprehensive Plan by the earlier of the date of its adoption of its next proposed plan amendment that is submitted after July 1, 2021, or the date of the next scheduled evaluation and appraisal of its comprehensive plan.

Goal 9

The Town of Loxahatchee Groves shall respect judicially acknowledged and constitutionally protected private property rights.

9.1 Objective

The Town shall ensure that private property rights are considered in local decision making.

9.11 Policy:

The following rights shall be considered in local decision making.

- (a) The right of a property owner to physically possess and control his or her interests in the property, including easements, leases, or mineral rights;
- (b) The right of a property owner to use, maintain, develop, and improve his or her property for personal use or for the use of any of any other person, subject to state law and local ordinances;
- (c) The right of the property owner to privacy and to exclude others from the property to protect the owner's possessions and property; and,
- (d) The right of a property owner to dispose of his or her property through sale or gift.

**INTERGOVERNMENTAL COORDINATION ELEMENT
GOALS, OBJECTIVES, AND POLICIES**
(Underlined text is added and ~~struck through~~ text is deleted)

GOAL 7

To provide accessible, effective, and frequent intergovernmental coordination opportunities to achieve consistency among all government agencies that implement plans and programs which affect the Town of Loxahatchee Groves through development activities; preservation of the quality of life and efficient use of resources.

7.1 *Objective*

~~Continue and improve initiated semi-annual contact through~~ Attend formal and informal meetings with Palm Beach County officials, School Board of Palm Beach County, adjacent municipalities, and other regional and local agencies providing services or regulatory control over the use of land within Loxahatchee Groves.

7.1.1 Policy:
