## **VIII. Committee Reports**

### **a. Master Plan Update**

Myers stated they followed up on the workshop and went over comments from the community. The Committee made sure to address if in the plan or needed to be added. They have gotten the edited version from Young and will post on City website. The draft will come to Planning Commission on October 8 for consideration. Draft must be posted for 63 days and sent to neighbor communities.

## **IX. Old Business**

### **a. R324-008-047(H) Doud Mission House Relocation**

Doud stated the HDC approved the application. Applicant would like to change Use to R-3 from employee housing. The location is to be approved by Planning Commission. Evashevski stated she contacted Equalization and she confirmed the City needs to proceed with a lot split. This should go through Council. At this point Planning Commission needs to approve contingent on the lot split. She isn't sure if lot splits need to go through Planning Commission. There will be no change to the lots and are conforming, so there should not be an issue, but we do need to go through the process for Equalization. Doud stated he is ok with doing the lot split. Initially they were going to do a condo site. Also Planning Commission needs to review the special land use. The South elevation, exposure of foundation, was in question on page D12. Dombroski stated the way the Zoning Ordinance reads in regards to foundation heights, there are guidelines for sloping lots. Planning Commission can give a variance for this. It is different than a setback kind of variance. This variance would just be a Planning Commission action. Dufina asked about P1.0, the imaginary

Motion made by Mosley, Seconded by Finkel.

Voting Yea: Martin, Pettit, Straus, Myers, Mosley, Dufina, Finkel

b. C24-057-055(H) GHMI Merchants Building Reno

Barry Polzin summarized the project. Polzin stated it will be open retail space on Main Street as it exists and add a little Sadies ice cream. The railing on top will have a flat top. Myers confirmed there is no access to the roof. Dufina confirmed that the railing is see through. Straus asked if they anticipate queuing for the ice cream to spill out on to sidewalk. Polzin stated they did not. Motion to approve.

Motion made by Finkel, Seconded by Mosley.

Voting Yea: Martin, Pettit, Straus, Myers, Mosley, Dufina, Finkel

c. C24-055/56-056(H) Benser Mr. B's Murdicks Lot Combo Application

Evashevski stated we will need a Petition describing the two properties and what the combined property will be described as, and then a proposed resolution for City Council which is required by Equalization. This is something the applicant does, not Evashevski. Straus asked if Planning Commission needed to do anything. Evashevski said to table. Dombroski, Stakoe, Lipovsky and Equalization are getting together to put together a procedure for lot combinations. Motion to table.

Motion made by Myers, Seconded by Pettit.

Voting Yea: Martin, Pettit, Straus, Myers, Mosley, Dufina, Finkel

d. C24-055/56-056(H) Benser Mr. B's Murdicks Zoning App

Benser stated he would like to build in two stages. Phase 1 is a one story. Hoping to get approval so he can do pilings in November. Phase 2 would be two more stories. The basement is smaller due to flood plain change. Benser stated they are doing the soil boring November 3rd and 4th. They will complete engineering after that. Benser would like to start work in the fall of 2025 and open the fudge store in 2026. Mr. B's would not be occupied initially. Straus clarified Mr. B's would be a walk up place like it used to be. Myers asked if everyone will be in the building to line up. Benser stated it would be like Mighty Mac. Mosley asked what year Mr. B's was torn down. Benser stated April 2020. Myers stated there is alot lacking in the application. The time frame and construction should all be included in the application. including material storage etc. Benser will come back in October with a more complete application. Myers asked what phase 2 will be. Myers stated In regards to Planning Commission your site plan is expired so everything needs to be resubmitted. Benser said it will be the same plan as previously approved. Benser would like to work with Dombroski on the foundation. Mosley asked Dombroski about the transformers on the back of the lot. Would this block access to them? Dombroski stated before you could access by foot but a barge would have still been required to repair. Dombroski asked if Benser had a plan with Cloverland

Myers stated she has gotten complaints regarding the shipping containers and wonders when they will be removed. Horn will get back to Planning Commission on this.

**XI. Public Comment**

Dufina stated the reason they are shuffling through papers is because Municode is down, and apologizes.
