Discussion regarding the request for a late spring set at the Bonzheim Project

- Requesting vehicle permits through May 21st
- Planning Commission issued their zoning permit only authorizing the set before April 30th or after November 1st
- Property is located within vehicle zone 1, which has a May 1st cut off
- Frost law dependent at this time as well
 - o Building Inspector Dave Lipovsky commented that he does not see frost laws being lifted any time soon, and that there have not been any projections on when they may come off
- Park Manager Myron Johnson
 - o Permission was given by the State Park to stage the modular sections at the State Dock until May 1st, but this would need to be revisited if requested to store past that date
- Looking at a multiple day closure of M-185, which will disrupt multiple businesses in the area and those who use the shoreline as a route
- Zoning ordinance now does not allow for spring sets
- Stonebrook residents have voiced concern and do not want to see a set in during evening or early morning hours
- Mayor Doud commented that the State Park needs to determine permission for staging at the State Dock and the use / shut down of M-185
 - o Mr. Johnson noted that the Bonzheims would need to submit a request to the State Park for this

Motion made by Chambers, seconded by Corrigan, to table the request for two (2) weeks and to discuss further with the State Park

Yeas: Chambers, Corrigan, Moskwa

Nays: Myers, White
