PLANNING COMMISSION ★ HISTORIC DISTRICT COMMISSION ★ BUILDING DEPARTMENT

November 19, 2024

Mayor Doud and City Council
City of Mackinac Island
7358 Market St.
Mackinac Island, MI 49757

Dear Mayor and City Council:

At the meeting of the Planning Commission on November 12, 2024, there was discussion on the size of the house modules proposed by Cheryl Jaquiss for her new home. Per the City of Mackinac Island Motor Vehicle Ordinance, the maximum allowed size of a module is 14' x 44'. The applicant is proposing modules 56', 52' and 48' long, which is not allowed by our Ordinance. The concern from one of the Planning Commission members was the applicant would be using a variance for financial gain, or does the Council feel there are other reasons/concerns that would suffice for approval of a variance.

The Commission wanted to bring their concern to the attention of the City Council so they were aware of the issue when reviewing any vehicle permits for the project. The Commission agreed that the modules could be made to be shorter to comply with the Ordinance, and the contractor stated they are longer so they can "...get on and off the island as quickly as possible."

Sincerely,

A handwritten signature in blue ink that reads "Katie Pereny".

Secretary, City of Mackinac Island Planning Commission

Attachments: City of Mackinac Island 1.1.2025 Renewal - City and DPW.pdf

Good afternoon Danielle,

Agenda Item Please and Thank you for the November 25th meeting.

2025 Medical and Dental increases*

City of Mackinac Island health insurance increase of (12.40%)

DPW health insurance increase of (15.31%)

METLIFE Dental combined increase of (5%)

2024 Medical and Dental increases for comparison*

City of Mackinac Island health insurance increase of (9.09%)

DPW health insurance increase of (8.24%)

METLIFE Dental combined increase of (5%)

I have checked with our accountant and her other clients are saying the same about their rates. I have also talked with the City Clerk, there was a post on her MML page that insurances are going up for everyone. It is the recommendation of the Mayor's office to accept the above 2025 rates for medical and dental. I have heard from the DPW and they are on board to accept the rates as presented.

***To the City's budget what that looks like is an increase for the first quarter of roughly \$8,000.00 that is not budgeted.

Thank you,

Trista L. France

Subject: JR Building Movers Vehicle Application Route

Danielle:

In reference to the vehicle permit applications submitted by J&R Building Movers: The existing home located at 1274 Mission Street is currently scheduled to be moved approximately 12 feet South, on the same lot, by J&R Building Movers on December 18, 2024.

I have spoken with Chief Gruits, Dennis and Myron regarding the best travel route and they agree the best route is to travel from the State Dock, East on M-185 to Mission Street.

Hi Danielle,

Permits attached.

For the Jaquiss demo, we estimated 1-2 weeks to allow time for the dumpsters to be swapped out. It won't take two weeks to do the demo.

Let me know if you have any questions.

Thanks!

I just verified with Andy. Should be no problem parking at one of his sites. Likely the big site where they are building the 5 new buildings just North of the Cadotte and Huron intersection.

Thank you

The vehicles shouldn't be on the island for 5 months. I just put that time range on the permit apps to give us flexibility to get the work done...It's likely they will be parking on private property. I'll have UCI get with Andy Rynberg since all these locations are his. I'm sure if he can, he'll accommodate.

Mike, I'm sorry, could you call Andy Rynberg? His number should be on all the work prints. I'm sure he can arrange parking at one of his construction sites off Cadotte and Huron. There's a large development with 5 buildings going in, and it's a large site.

Good Morning Everyone,

Thank you for getting the permits submitted, I will get them added to Monday's agenda and will be in contact regarding approval Tuesday morning.

One thing though – I will need to know where these vehicles and trailers will be parked when not in use, especially since they will be on the Island for 5 months. If this information is not provided, I am assuming Council will table the permits until an answer is provided.

Attached is permit for cement truck. It will be moving from Wastewater Project to our kitchen project location at Stonecliffe. We are estimating that several trips will be needed but only a few days use. I have requested permitting for entire month because we are not sure which days truck will be available. Danielle,

Good afternoon! I would like to extend Hoffman an additional month if possible. We did not use this permit until today. If we could get some sort of credit on new permit for weeks we didnt use that would be great. Let me know if you need anything else. Thank you!

Dear Mayor Doud and City Council Members,

In response to last council meeting and at your request, we have prepared a third revision of our submission to include the comprehensive breakdown of rates, encompassing not only passenger-related fees but also charges for freight carts and other non-passenger items. This adjustment ensures that our documentation now fully addresses all the City's requirements and queries.

Additionally, I would like to remind all Island Resident of our Annual Island Resident Appreciation Days on Thursday, March 28th, and Friday, March 29th, from 10:00 AM to 4:00 PM at Mackinac Island Dock Number One, the Main Dock. During the appreciation days, we will have Island Resident Passes for the 2024 season available for purchase, and there will also be complimentary food and beverages available for islanders as a token of our appreciation for your continuous support and community spirit. Please note that Island Resident Passes will be on sale for Island Residents until Memorial Day, which is May 27th.

We appreciate your patience and guidance in finalizing these details and remain at your service should you need any further adjustments or clarifications.

Thank you once again for your support and cooperation.

Sincerely,

Jerry Fetty

Dear Mayor Doud and City Council Members,

Wanted to clarify Shepler's **Private Luggage Cart Fee of \$40.00** listed on our 2024 Fare Schedule. This would only be applied if the following situations:

- Items being shipped are considered *freight* (luggage, groceries, and household goods would be shipped free of charge for all guests).
- A guest would like no other items placed on the luggage cart.
 - If there is room for additional items to be stacked on the cart and the guest is okay with this, then there is no charge.
 - If there is room for additional items to be stacked on the cart and the guest is NOT okay with this, then the guest is subject to the Private Luggage Cart Fee \$40.00.
 - If the guest takes up the entire cart and no additional items can be added to the cart, then there is no charge.

If you have any questions, please let me know.

Best Regards,

Jason Wiley
Director of Operations
