Steve Brisson, Director MSHP

✓ Margaret Doud and MI City Council

Attached is a copy of a letter I sent to Brad Chambers of the Mackinac Island Carriage Tours. It is a culmination of meetings with Brad as well as meetings of the Mackinac Island Cottagers Association discussing concerns with taxi service.

Residents of Mackinac Island would appreciate anything you can do in your capacity to help alleviate any of the concerns addressed in the letter.

Thank you very much for your consideration.

Vicki

Victoria Riel

Mr. Brad Chambers
Mackinac Island Carriage Tours
PO Box 400
Mackinac Island, MI 49757

Dear Brad,

As the 2026 season comes to a close, I hope you have had a good summer! The weather this fall certainly has been cooperating!

My term as President of the Mackinac Island Cottagers Association has ended, but I have been asked to follow up on some issues I was championing. You and I have had a few discussions regarding taxi service, but with busy schedules, it has been difficult to really have meaningful and productive results. So, I wanted to write this letter to help you fully understand the thoughts of many residents. My hope is that you can use some of these thoughts in your future operations of Mackinac Island Carriage Tours.

Tourism is essential to the island, and we understand the challenge of serving the large number of visitors who arrive each year. However, residents depend on local taxi services for everyday needs, family responsibilities, medical appointments, work, and other essential trips. During busy periods, they can face long waits or difficulty securing transportation while service is focused primarily on tourists.

I respectfully ask you to consider the following ideas that have been suggested in conversations with residents.

1. **Resident pass (like resident boat passes).** In discussions with Steve Brisson, I learned that MICT must get approval from the State Park to raise taxi fares but does not need such approval to lower them. Even with a reduced rate, revenue might actually increase because residents might be more inclined to use the taxis. With the account system that already exists, administration would be very easy and also could be implemented for immediate family members via a QR code.
2. **Shuttle service (like buses in cities).** Shuttles could have a published schedule and route. For example, the route could go up the west bluff, through the Annex, to Townhomes, through Sunset Forest neighborhoods, past the airport, through Harrisonville, and back to town. Taxi stops could be designated similar to bus stops in cities. It is possible that even with a reduced rate for residents, revenue might increase and electric bike and mobility cart usage could decrease.
3. **Minimum charges only when the entire ride is with fewer passengers than the minimum.** Fares already increase with zone, and the length of the ride increases with many additional passengers so why have a minimum charge with more than the minimum passengers.
4. **Carriages near the center line on Cadotte Avenue.** Overhanging trees near Grand Hotel bike parking has caused carriages to move toward the center of Cadotte Avenue. This has caused a hazard for bikes and pedestrians. I informed Drew Butterfield of this and trees have been

**Mackinac Island
Cottagers Association**
Established 1962

Section IX, Itema.

trimmed, but this is something that should be monitored.

5. **Winter Telephone number.** I believe you have agreed to implement a winter cell phone that can be called earlier than 8:00 am when weather may prompt a rider to cancel an early taxi. This will be very helpful, and the number should be posted, perhaps with Facebook, to all residents.

These ideas are not meant to diminish the importance of visitors. This is simply a request for a better balance between serving the island's tourism economy and supporting the people who live here and sustaining the community throughout the year.

I hope your company will review its policies and establish a fair, practical way to ensure that residents and their families are not overlooked during the busiest parts of the season.

Thank you very much for your consideration.

Kind Regards,

Victoria Riel
Past President
Mackinac Island Cottagers Association

St. Ignace, Michigan 49781

Date: October 19, 2026

To:

City of Mackinac Island
City Council
7528 Market Street
Mackinac Island, MI 49757

Subject: Amendment requests to AGREEMENT FOR WINTER FERRY SERVICE for the 2026–2027 winter season.

Dear Mackinac Island Transportation Authority

CC: Mayor Doud and Members of the City Council

Arnold Transit Company (ATCo) respectfully submits the following requests for amendment to the AGREEMENT FOR WINTER FERRY SERVICE signed on October 18th 2023. These amendments cover the period from **November 1, 2026 through April 20, 2027**. All other aspects of the winter service agreement dated October 18, 2023 would stay in effect.

Respectfully

Veronica Dobrowolski
President
Arnold Transit Company
587 N. State St., St. Ignace, MI 49781

1. Vessels Planned for Winter Service

The M/V Huron is the preferred vessel for Winter Service. Arnold Transit Company is committed to utilizing the mighty Huron as the primary winter vessel once renovation are complete and all systems have been approved by the United States Coast Guard.

Steel-Hulled Ferry Changes:

Add: M/V Senator

The *Senator*, owned by Arnold Freight Company, will be available for use on an as-needed basis to provide additional backup capacity. This steel-hulled vessel can accommodate passengers internally and through coordinated bus transport if required during peak or emergency conditions.

Remove: M/V Chippewa

Add Arnold Transit Fast Ferries:

Fast ferries will be utilized early in the season when passenger demand, weather conditions, and scheduling allows. As these vessels lack heating systems in both passenger and mechanical spaces, their use will depend on temperature, safety, and operational needs. Arnold Transit Company retains sole discretion in determining which vessels are in use at any given time.

M/V Marquette II – Twin-screw, aluminum-hulled ferry certified for 330 passengers.

M/V Cadillac – Twin-screw, aluminum-hulled ferry certified for 150 passengers.

M/V Joliet – Twin-screw, aluminum-hulled ferry certified for 150 passengers.

M/V LaSalle – Twin-screw, aluminum-hulled ferry certified for 150 passengers.

2. Schedule for the Winter Ferry Service

Subject: Additional Agenda Information FWTH Budget Proposal

10.28.26 —

Subject: FWTH Budget Proposal Figures

Good morning, Danielle,

The Finance Committee met and I will be providing a committee report. However, I would like to attach some figures to the agenda item regarding the FWTH new budget proposal that was tabled at the last Council meeting.

The proposed budget reflects an overall expense increase of **8.4%**, or **\$16,327**, compared to last year's budget.

Based on the new budget's net operating income, the following estimated revenue increases could be generated through rent adjustments:

- **2.5% rent increase:** \$4,276.28
- **3.0% rent increase:** \$5,131.53
- **3.5% rent increase:** \$5,986.79
- **4.0% rent increase:** \$6,842.07

These additional revenues could help offset the budget increase and allow FWTH to recoup a portion of the increased expenses, while also helping to strengthen reserve funds within the budget.

Please let me know if you need any additional information.

Thank you,

Trista L. France

Market Rent Forest Way Townhomes(2027) - marsha_woodworth.pdf

Hi there,

Attached you will find the 2027 Budget for Forest Way Townhomes.

- The team is asking for a \$0% increase on rents, asking that if we could get into a schedule to only do increases every other year? This is 100% up to the discretion of the board.
- The bottom line of the budget is \$150,546.

Please let me know if you need any changes or if you/the board approves no later than 10/1/2026

Thank you so much!!

Thank you,

Marsha Woodworth

WINTER SERVICE AGREEMENT DEVIATION AMENDMENT

This Winter Service Agreement Deviation Amendment (hereafter “Deviation Agreement” made this ____ day of October 2026, by and between the City of Mackinac Island (City), Shepler’s St. Ignace, Inc., d/b/a Shepler’s Mackinac Island Ferry (Shepler’s), Mackinac Island Ferry Company (Arnold), d/b/a Arnold Transit Co., and the Mackinac Island Transportation Authority (MITA).

Whereas, the City and Shepler’s are parties to a Franchise Agreement dated July 1, 2012, as amended, and

Whereas, the City and Arnold are parties to a Franchise Agreement dated July 1, 2012, as amended, and

Whereas, the Franchise Agreements require one of the franchisees to provide winter ferry service to and from the City of Mackinac Island from November 1st through April 20th of any calendar year; and

Whereas, franchisee Arnold is the winter service provider through April 20th 2028 pursuant to an Agreement for Winter Ferry Service dated October 18th, 2023 between the City of Mackinac Island and Arnold (“Winter Service Agreement”); and

Whereas, the City assigned its rights under the Winter Service Agreement to the MITA subject to certain terms and conditions; and

Whereas, Arnold has requested certain changes to the details of the Winter Service Agreement; and

Wherefore, the City of Mackinac Island, Shepler’s, Arnold, and MITA hereby agree to the following deviations from the Winter Service Agreement for the 2026-2027 winter service under the following terms and conditions:

1. Paragraph 2A of the Winter Service Agreement requires Arnold to “provide and maintain all of the steel-hulled vessels, docks, parking and other facilities referenced in Exhibit A during the term of [the] agreement. Any change that would reduce or eliminate any of the steel-hulled vessels, docks, parking and other facilities identified in Exhibit A must be approved by [the City]...” Exhibit A includes the Chippewa, which Arnold has requested be removed. Arnold will add the following steel hull ferry boat to be utilized under the Winter Service Agreement for the 2026-2027 winter service, as backups to the Huron, Ottawa, and Straits of Mackinac II:
 - a. M/V Senator – Arnold Freight Company-owned steel hull vessel with a heated cabin for 55 passengers.
 - b. M/V Marquette II — Twin-screw, aluminum-hulled ferry certified for 330 passengers.
 - c. M/V Cadillac — Twin-screw, aluminum-hulled ferry for 150 passengers.
 - d. M/V Joliet — Twin-screw, aluminum-hulled ferry certified for 150 passengers.
 - e. M/V LaSalle — Twin-screw, aluminum-hulled ferry certified for 150 passengers.

- 2. Arnold’s updated ferry schedule “Option Two” provided to the City at its October 14th, 2026 meeting is accepted by all parties.
- 3. All terms of this Deviation Agreement are conditioned on the services being equal to or better than the services provided in years prior to the 2024-2025 winter season, with the normal winter service vessels.
- 4. Except as expressly deviated from hereby, all other provisions of the Winter Service Agreement are hereby reaffirmed and shall otherwise remain in full force and effect.

All parties acknowledge that this Deviation Agreement shall not bind or benefit any party regarding future deviations from the Winter Service Agreement or required operations under that Agreement or the Franchise Agreements, nor will any party be compensated or penalized for this Deviation Agreement.
